

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive manufacturers
Inquiry Category	Vehicle specifications and features
Inquiry Sub-Category	Engine specifications
Description	Customers inquire about the type of engine, horsepower, fuel efficiency, and other technical details related to the powertrain of the vehicle.
Data Size	5,088 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)

What are some notable _____ energy consumption _____?

What _____ energy use _____?

_____ are _____ regarding _____ energy levels?

What are _____ aspects _____ that _____ it stand out?

_____ energy _____ worth mentioning.

_____ are _____ notable aspects of its energy _____?

_____ important points _____ energy _____ levels?

_____ its main energy _____?

_____ of its energy _____ are _____?

_____ are any notable _____ total _____?

_____ them noteworthy _____ energy _____ levels?

_____ it possible _____ highlight points related _____ energy _____?

Which _____ worth mentioning in _____ to its _____?

_____ are _____ of the notable features _____ of _____ consumption?

_____ noteworthy _____ on _____ energy usage?

What _____ the _____ about it's _____ levels?

Which _____ worth mentioning when discussing _____?

_____ is _____ about energy _____ levels that _____ them _____?

Can _____ concerning energy consumption levels?

_____ are some _____ the _____ energy _____ levels?

What _____ it that _____ notable _____ energy _____ levels?

_____ are any _____ aspects _____ consumption

What _____ aspects of its energy use _____?

Which _____ are _____ mentioning _____ energy _____?

What are _____ features _____?

List _____ of _____ energy use.

What _____ some _____ noteworthy features _____ its levels _____ energy _____?

_____ aspects _____ total _____ consumption _____ noteworthy?

Some _____ aspects _____ energy consumption _____ asked.

What are _____ determining energy _____ levels?
 _____ me _____ interesting _____ it's _____ energy use.
 What is it _____ the _____ make _____ noteworthy?
 What _____ some _____ features _____ energy _____ levels?
 What _____ the things _____ consumption _____?
 Overall _____ consumption _____ some notable _____?
 _____ aspects of energy _____ levels?
 What _____ noteworthy observations _____ usage?
 Is _____ some important _____ on _____?
 Does _____ aspects of its power _____?
 What _____ it stand out _____ energy _____?
 _____ are some aspects _____ consumption _____ that _____ them?
 _____ are _____ energy consumption _____?
 Is it _____ to _____ important _____ energy consumption _____?
 _____ there any _____ details _____ consumption _____?
 Is _____ important _____ affecting energy _____?
 _____ it that's notable about _____ levels?
 _____ parts _____ its energy use _____.
 _____ about its _____ levels is _____?
 _____ usage of energy?
 _____ you _____ noteworthy facts related to its _____?
 _____ are the main factors _____ use _____?
 What is _____ energy _____ is notable?
 _____ is _____ about _____ usage.
 _____ issues regarding energy usage?
 _____ is _____ situation with _____?
 _____ about _____ energy consumption _____ make it unique?
 What _____ of _____ power consumption _____?
 _____ are _____ energy _____ features?
 Is _____ any _____ about _____ usage?
 What are _____ important things _____ usage _____?
 _____ tell me the _____ issues on _____?
 _____ are some aspects _____ it's energy _____ that make _____?
 _____ me about _____ facts _____ it's energy _____.
 _____ aspects _____ overall energy _____.
 There are _____ to _____ total power _____?
 Is there something you can _____ about _____?
 _____ is _____ level of _____ consumption _____?
 Which energy _____ noteworthy?
 _____ that makes its overall _____ levels notable?
 There were any _____ total _____?
 Is _____ any _____ power consumption?
 What are _____ aspects of _____?
 Which _____ mentioning for _____ energy use _____?
 What is _____ overall energy _____ that is _____?
 _____ you _____ out some _____ points _____ consumption levels?
 Is _____ any _____ relating to _____?
 Do _____ have _____ idea of the _____ energy _____?
 How much energy _____?
 _____ any _____ issues on _____ use?

_____ observations _____ made on total _____?

Can _____ overview _____ the major _____ energy usage?

Tell _____ total _____ slurpin?

What are _____ important aspects _____ the _____?

How does _____ when it comes _____ use?

Any _____ portions _____ consumption?

_____ of _____ energy _____ that _____ notable.

How _____ energy consumption _____?

There _____ some _____ affecting _____.

What _____ factors _____ affect _____ use?

_____ make it unique in terms _____ energy _____?

What about _____ levels _____ important?

_____ is the _____ energy usage levels _____ make _____?

Is _____ to highlight _____ points in _____ energy consumption _____?

_____ is _____ total energy consumption _____?

_____ me _____ about the noteworthy facts _____ use _____.

_____ parts of _____ energy consumption _____ make _____?

Do _____ know about _____ slurping?

_____ some parts of it's _____?

There _____ affecting _____ spending.

_____ it _____ to point _____ points regarding _____ levels?

_____ are some vital things _____ use _____?

_____ notable aspects _____ how _____ uses _____.

What are _____ aspects _____ use _____ are unique to _____?

_____ are _____ the energy consumption levels?

What _____ the top _____ consumption?

What _____ the _____ consumption?

What does the _____ like?

What _____ main _____ that _____ the energy use _____?

_____ are worth _____ energy _____ levels?

Is _____ to highlight _____ energy consumption _____?

_____ are _____ of energy _____?

_____ about some noteworthy facts about _____ use.

What _____ usage?

_____ it usingenergy?

What is _____ makes its _____ levels noteworthy?

_____ tell us _____ points about energy _____ levels?

_____ consumption features, _____ they?

What are _____ of _____ elements of _____?

What _____ the _____ its overall _____ consumption _____?

What _____ makes _____ energy _____ stand out?

What _____ out _____ use of _____?

Which _____ are worth _____ regarding _____ energy _____?

_____ it's energy consumption levels?

Check out the notable _____.

_____ do _____ perform _____ terms of overall _____?

What _____ noteworthy features _____ its _____ consumption _____?

What _____ the _____ energy _____?

_____ some aspects of _____ consumption _____ that make _____?

_____ of its energy use.

_____ makes _____ is _____ overall _____ consumption levels?
_____ its power use?
_____ aspects _____ the energy _____ levels that make _____ stand _____?
_____ are some _____ about _____ energy use _____?
_____ things that make the level of energy _____ out?
_____ parts of its energy _____.
_____ aspects _____ worth _____ related _____ its _____ use levels?
_____ are any noteworthy _____ energy _____?
What _____ energy like?
_____ any notable aspects _____ power _____.
_____ you tell us _____ the important _____ are _____?
_____ it about its energy _____ levels _____ them _____?
_____ of the _____ features of its energy _____?
What is _____ energy _____ levels that are _____?
_____ are some _____ it's energy consumption _____ that _____.
_____ noteworthy _____ of _____ total _____ consumption?
What are _____?
_____ energy _____ levels makes _____ noteworthy?
_____ aspects of _____ energy consumption?
What _____ the _____ energy _____?
What are any _____ areas _____?
_____ you tell me about _____ issues _____ use?
What _____ its _____ consumption _____ are there?
What _____ the level _____ energy _____?
_____ are the _____ that _____ itself unique in _____ levels?
Is there _____ energy use levels?
_____ me about the _____ use of energy.
Could you _____ the _____ affecting energy spending?
What _____ energy levels makes it _____?
_____ are some of _____ aspects _____ consumption _____?
_____ are _____ energy _____?
_____ some _____ things _____ make them unique in their energy _____?
_____ aspects _____ worth _____ the energy _____ levels?
_____ key energy consumption _____
_____ aspects are worth mentioning _____ to _____ energy _____?
Any _____ features _____ its _____?
_____ you _____ me more about the _____ usage?
_____ are some important _____ use _____
_____ is _____ about the _____ levels _____ makes them _____?
_____ you _____ important points regarding _____?
_____ do _____ stands _____ in terms _____ energy consumed?
Take _____ at the _____ aspects _____ energy use.
_____ have _____ of _____ important issues on energy _____?
What _____ the _____ it's energy _____?
Tell _____ some interesting _____ about _____ of energy.
_____ any _____ observations on _____ usage?
Which _____ key energy _____?
What are _____ main _____?
What _____ some _____ of _____ levels?
We _____ notable energy _____.

What are _____ that _____ energy consumption _____?
 _____ any _____ concerning energy _____ levels?
 What is _____ the overall _____ consumption levels _____?
 _____ are the noteworthy _____ consumption levels?
 _____ some aspects of _____ consuming _____?
 _____ are _____ affecting energyspendings.
 _____ there any _____ point _____ consumption _____?
 What aspects of _____ energy _____?
 Please _____ notice _____ trends in _____ electricity usage _____.
 What _____ some characteristics _____ levels?
 _____ there _____ energy usage?
 _____ be _____ notable aspects _____ total power consumption?
 _____ portions _____ energy use.
 _____ on energy _____?
 What _____ things _____ make itself _____ in _____ consumption levels?
 _____ know about _____ facts relating _____ its _____ use.
 What are some aspects _____ levels _____ consumption _____ them _____ out?
 There _____ some _____ affecting energy _____.
 _____ regarding total energy usage?
 List notable _____ of _____.
 What is the _____ energy consumption _____?
 Which aspects _____ its energy use _____?
 _____ is _____ energy consumption levels?
 _____ are _____ of _____ major _____ its energy consumption _____?
 What _____ are it?
 What are the _____ about its _____?
 _____ are _____ of the _____ levels?
 _____ any _____ observations on energy _____?
 Is there anything _____ energy _____?
 _____ it consuming _____?
 _____ the notable _____ of _____ total _____ consumption?
 _____ key _____ features?
 _____ are _____ energy consumption levels.
 _____ some factors that _____ spendings?
 What _____ aspects _____ are there?
 Are there important _____ usage?
 Do _____ related to its total energy _____?
 _____ be highlighted _____ its _____ use levels?
 _____ are some of the aspects of the _____ energy _____ make _____?
 _____ of the noteworthy _____ its energy consumption _____.
 What _____ we _____ its energy _____?
 What about _____?
 What are some _____ the _____ of _____ levels?
 _____ are the _____ the _____ consumption?
 What _____ its energy usage?
 _____ the factors _____ its _____ use?
 _____ are the main _____?
 _____ main factors that affect _____?
 _____ are some _____ the _____ of its _____ consumption _____?
 What _____ levels noteworthy?

What ____ the overall ____ consumption ____ ?
 ____ are ____ of its ____ consumption ____ are unique?
 What observations ____ on ____ energy ____ ?
 ____ are the ____ that ____ out about ____ usage?
 ____ aspects of ____ energy use ____ ?
 Is ____ possible to ____ the ____ issues on ____ ?
 Let ____ know about ____ facts ____ its energy ____ .
 ____ is ____ about ____ energy consumption ____ ?
 Are there some factors ____ ?
 ____ observations ____ total ____ use?
 ____ have ____ notable aspects of ____ consumption?
 Which aspects are worth discussing ____ ?
 ____ aspects of its ____ energy ____ levels ____ mentioning?
 ____ are some ____ things about ____ energy?
 ____ some ____ of energy ____ levels?
 ____ aspects of ____ levels?
 What ____ some ____ of the ____ of ____ stand out?
 ____ are some ____ things ____ energy ____ levels?
 What ____ its overall ____ ?
 Which ____ worth discussing ____ its energy ____ ?
 What is ____ about ____ energy ____ that ____ notable?
 What ____ you think stands ____ its ____ ?
 What ____ the ____ that ____ consumption levels stand ____ ?
 Let ____ know the ____ facts ____ energy ____ .
 ____ some ____ the notable ____ of ____ energy levels?
 There are ____ features ____ its ____ levels.
 Can you ____ any significant ____ regarding ____ energy use ____ vehicles?
 ____ are the ____ stand out ____ its energy ____ ?
 How does ____ fare ____ ?
 ____ the factors that ____ energyspendings?
 ____ there ____ points concerning energy ____ ?
 What is ____ about overall ____ levels that ____ ?
 ____ aspects of ____ are ____ discussing?
 What makes the ____ levels ____ ?
 What ____ on total energy ____ ?
 Some ____ its ____ consumption ____ are ____ .
 How does ____ in ____ use?
 Can ____ about the ____ issues with energy ____ ?
 What ____ about the ____ level ____ makes it ____ ?
 What ____ aspects ____ energy ____ levels?
 ____ factors ____ energy ____ levels.
 ____ are ____ of it'senergy ____ levels?
 What is its ____ energy ____ ?
 ____ worth ____ about its ____ levels?
 What's ____ about ____ energy consumption ____ ?
 ____ are the ____ important things ____ levels?
 Is it possible ____ mention some ____ spending?
 ____ highlights of ____ total ____ ?
 Which aspects ____ discussing ____ the ____ use ____ ?
 Some factors ____ .

Is _____ you _____ about energy _____ levels?

What _____ the _____ factors _____ use?

Which aspects _____ worth pointing _____ energy _____ levels?

_____ factors _____ the _____ levels?

What _____ about _____ energy consumption _____?

Could you give _____ energy _____?

How about _____?

What _____ the _____ energy use?

List _____ aspects _____ it's _____.

_____ are _____ it's _____ usage levels?

_____ me know about _____ facts _____ of energy.

_____ things about _____ energy use?

How _____ uses?

What _____ the overall _____ level like _____ out?

_____ aspects of its _____ consumption?

_____ are some _____ things _____ energy _____?

Which _____ features are _____?

_____ makes _____ levels noteworthy?

What are some things that _____ unique _____ its _____?

_____ were the noteworthy _____ usage?

What _____ main _____ of _____ consumption?

What _____ of it's _____ levels?

_____ is it that _____ out _____ the _____?

_____ is its overall _____ levels _____?

What _____ total energy _____?

_____ important _____ regarding energy _____ levels?

_____ are aspects _____ energy _____ that _____ out.

What _____ it _____ makes _____ consumption _____ notable?

_____ is the overall _____ levels?

_____ you _____ the _____ of energy _____?

_____ are some _____ energy _____ levels?

_____ some important _____ when _____ comes _____ energy use levels?

_____ want _____ out _____ notable _____ consumptions.

Mention notable _____ energy _____.

Some _____ energy _____ could _____ mentioned.

_____ is _____ energy _____?

There _____ that affect _____ spending

_____ the major factors affecting _____ of _____?

What _____ notable features of _____ levels?

_____ in terms _____ energy consumption?

Which _____ like _____ most _____ terms of _____ consumed?

_____ consumption features?

There are some _____ affect _____ use _____.

Some of the aspects _____ consumption _____ about.

_____ are _____ noteworthy _____ energy usage.

What is _____ of _____ energy _____ levels?

What _____ that _____ it _____ out in _____ usage?

What is the overall _____ use _____ them _____?

What's it about _____?

_____ makes _____ noteworthy _____ overall _____ consumption levels

Can _____ out important _____ levels?
 _____ are some _____ of _____ levels _____ used?

Can _____ us about _____ issues _____ energy usage?
 _____ are the aspects _____ different in energy _____?

What aspects _____ energy _____ there?
 What is the significance _____ overall _____?
 What are the notable aspects _____?

_____ are _____ the aspects _____ their energy consumption levels _____?
 _____ note of any noteworthy trends _____ usage _____.

_____ key factors _____ energy use levels?
 _____ are some noteworthy _____ its _____?

Any _____ of its _____?

What are the important _____ levels _____ use?
 What _____ notable aspects _____ its _____ use levels?

_____ the notable features of _____ energy _____.

Do _____ have _____ points _____ energy _____?

What are _____ the _____ of _____ consumption _____?

What are some _____ of it's _____?

_____ tell me _____ energy _____ issues?
 _____ the _____ its energy consumption?
 _____ energy _____ what _____ they?
 _____ overall _____ use levels?

What _____ stand out when _____ comes _____ its _____?

_____ makes it stand out, _____?

_____ aspects of energy consumption _____ out.

Key _____ consumption levels.

Features _____ overall _____ use.

What _____ aspects of it's _____ consumption _____ make it _____?

_____ are some _____ of its _____ use _____ that _____ them _____?

_____ aspects _____ energy consumption _____ are _____?

_____ its energy _____ levels?
 _____ of _____ consumption _____ are notable?

Is there anything _____ its _____?

_____ its power _____ is noteworthy?

What are _____ the _____ energy _____?

Key _____ influence _____ energy _____ levels.

In _____ of _____ use, _____ do _____?

What _____ its energy _____?

_____ it _____ any notable aspects of _____ power _____?

What _____ aspects that _____ the _____ levels _____ out?

_____ are _____ of the _____ consumption levels _____ it unique?

_____ are the _____ energy _____ levels _____ differentiate them?

What _____ about its energy _____ out?

What points _____ you _____ highlight _____ energy consumption _____?

What _____ use?

_____ them _____ with _____ energy consumption _____?

_____ overall energy _____ that are noteworthy?

What _____ of _____ energy use _____?

_____ notable _____ on total energy _____?

What are _____ factors _____ consumption?

_____ its _____ utilization?

What _____ about _____ use levels?

_____ are some _____ features _____ consumption levels.

_____ of it's energy consumption _____ them _____ out?

_____ terms _____ total energy use, _____ it _____?

_____ are _____ things _____ out about _____ energy _____ levels?

_____ there something that _____ out _____ usage?

What _____ the _____ affecting _____ use?

What are _____ affect its energy use _____?

What _____ its energy _____?

_____ some notable aspects of _____.

_____ its energy consumption levels _____?

Please tell _____ the noteworthy _____ about its _____.

_____ its energy _____ it _____ out?

_____ of energy make it _____?

_____ the energy _____?

What _____ of _____ parts _____ energy consumption levels _____ stand out?

_____ are the _____ characteristics _____ its _____ levels?

What _____ use of energy that _____ it stand _____?

_____ aspects _____ energy use.

Some aspects of _____ were _____.

Is _____ special _____ its energy _____?

Which elements _____ its energy use _____?

_____ are _____ the _____ affecting energy _____?

What _____ affecting _____ consumption?

_____ of _____ energy use

_____ the aspects _____ it's _____ levels?

_____ made the _____ consumption _____ out?

_____ me about the _____ relating _____ energy _____.

What are the _____ it's _____?

_____ elements stand _____ in _____ consumption?

_____ the _____ aspects of _____ usage?

What _____ important points _____ levels?

There _____ any notable observations _____.

What _____ the notable _____ levels?

_____ are some aspects _____ it's _____?

_____ are worth mentioning about the _____ use _____?

Can you tell _____ the key _____ on _____?

_____ is the _____ consumption noteworthy?

_____ some of the aspects _____ energy consumption _____.

_____ you know about _____ issues _____ energy _____?

What _____ the usage _____?

Is it notable _____ consumption levels _____?

What _____ the _____ aspects of _____ use _____?

_____ energy use levels?

There are _____ noteworthy _____ energy _____?

What _____ features?

_____ tell _____ about it's _____ energy _____?

Let me _____ noteworthy _____ about its _____ energy _____.

_____ are _____ energy consumption levels?

What _____ of the things that _____ their energy _____?

What are the _____ of its _____?

_____ various _____ of the energy _____ levels?

What _____ some of _____ aspects _____ level of _____?

_____ aspects _____ energy use _____ mentioning?

_____ some _____ the _____ of its energy _____ levels?

Are _____ important _____ concerning energy _____?

What _____ the overall _____ consumption levels
_____ of energy consumption?

Which _____ associated _____ consumption?

Which _____ of _____ energy _____ are _____ mentioning?

_____ observations do you _____ energy _____?

Is _____ any _____ regarding _____ usage?

_____ of _____ energy consumption levels stand out.

Tell _____ about _____ relating _____ its total energy _____.

_____ are _____ of its energy _____.

_____ aspects _____ energy consumption levels _____?

_____ of any noteworthy _____ in _____ electricity _____ levels.

_____ you _____ overview on _____ usage?

Some _____ its energy _____ should _____.

Which aspects are _____ regards to _____ overall _____ use _____?

Tell _____ to energy use.

Important _____ of _____ can be _____.

_____ is the significance _____ their _____ levels?

_____ me about _____ of the _____.

_____ its _____ levels _____ them stand out?

What _____ do _____ have _____ energy _____?

Is _____ anything _____ point out _____ energy consumption _____?

_____ are _____ energy consumption _____ make them _____?

Please _____ note _____ any _____ trends in _____ usage _____.

_____ are the aspects _____ its energy _____ that _____ special?

_____ noteworthy _____ of _____ consumption?

What _____ key factors affecting _____?

_____ are _____ significant _____ of its energy consumption levels?

_____ are some _____ its _____ use levels that _____.

_____ observations _____ made about _____ energy _____?

_____ about the noteworthy facts about _____ energy _____.

_____ you have _____ points _____ levels?

_____ the notable _____ of its _____ power _____?

Is _____ to highlight important _____ about _____ levels?

What are _____ consumption levels?

_____ it _____ to mention _____ factors _____ expenditures?

_____ are _____ aspects of _____ usage?

_____ energy _____ levels is significant?

What _____ some of _____ noteworthy _____ its energy _____?

_____ about _____ energy _____ them noteworthy?

What _____ overall _____ consumption _____ notable?

Any _____ of its _____?

Which _____ are _____ to _____ levels?

Tell _____ about _____ noteworthy facts _____ energy use.

_____ have an _____ of the _____ energy usage?

Which ones _____ think _____ in _____ energy consumed?

_____ its overall energy _____ it stand _____?

_____ are some _____ affecting _____?

_____ affect _____ amount of energy _____?

_____ aspects are _____ when _____ its _____ use levels?

What _____ overall energy _____ like?

In terms _____ overall _____ how _____ fare?

There _____ of it's _____ levels.

_____ matter most about its _____ use levels?

What _____ it about _____ levels _____?

What _____ the _____ usage?

What _____ have _____ energy consumption?

Can _____ tell _____ energy _____ levels?

_____ in terms of total energy _____?

_____ of _____ levels of energy usage?

What _____ the _____ factors affecting the _____ of _____?

What are some notable _____?

What _____ make them unique _____ their energy use _____?

What _____ total energy usage?

_____ about their energy _____ noteworthy?

How are _____ factors affecting _____?

Is _____ important _____ regarding _____ consumption _____?

Any _____ total energy _____?

Any _____ of _____ total _____ use?

Highlights _____ its _____.

Is there any _____ on _____?

_____ aspects of the _____.

_____ are _____ notable _____ its energy efficiency

What _____ energy _____ are noteworthy?

_____ aspects are _____ mentioning _____ total energy _____ levels?

_____ there any _____ total energy _____?

_____ the important _____ about energy _____?

_____ the significant _____ that _____ use?

_____ its energy _____ levels are _____?

_____ any _____ about power consumption _____?

_____ me _____ some interesting _____ about it's _____ energy.

What _____ use levels are _____ discussing?

What are the _____ factors _____?

Is there any _____ observation _____ total _____?

_____ you tell me about some of _____ spending?

_____ are _____ energy consumption levels?

What level _____ is _____?

There are _____ the _____ of energy use.

_____ are some observations _____ use?

Is _____ any _____ on notable _____?

_____ you _____ is _____ about _____ energy usage?

What are _____ aspects of its _____ that _____?

_____ some _____ affect _____ use levels?

_____ some _____ that affect _____ expenditures?

_____ some noteworthy _____ on _____ use?

Did you notice _____ the _____ general _____ consumption _____?

_____ that affect energy spending?

_____ are _____ the aspects _____ energy _____?

Are _____ important points _____?

_____ the aspects _____ use levels?

_____ are _____ factors _____ affect _____ use?

Is _____ any _____ factors _____ consumption?

_____ the main _____ of _____ energy _____?

_____ you think stand _____ about _____ use?

_____ parts _____ its _____ use.

What _____ of _____ energy _____ levels make them _____?

_____ you highlight _____ energy consumption _____?

_____ interesting features of _____ energy consumption levels?

What _____ noteworthy about _____ levels?

_____ the main _____ on _____ usage?

What are _____ of _____ consumption?

What _____ the aspects that _____ energy _____ levels?

_____ the noteworthy features of _____ energy _____?

There are _____ important _____ affecting _____.

What _____ it involve _____ usage?

Is it possible _____ out _____ concerning _____ levels?

Which _____ are _____ about _____ energy _____?

_____ the _____ the energy consumption levels _____ them stand out?

What _____ it's energy consumption levels?

_____ any noteworthy _____ on _____ usage?

_____ are some _____ aspects _____ consumption levels?

_____ observations _____ have about the _____ energy _____?

_____ are there _____ usage?

Which aspects _____ relevant _____ overall _____ levels?

_____ does _____ do in _____ energy _____?

_____ aspects _____ energy _____ levels?

What _____ things about _____ consumption _____ that make them _____?

_____ tell us important _____ energy consumption _____?

Which aspects _____ discussed regarding its _____?

What are _____ affecting energy _____?

_____ is the _____ with _____ use?

_____ any _____ aspects of _____ power consumption?

What _____ some _____ of _____ energy _____ levels?

Can _____ tell us about _____ points concerning _____?

_____ the noteworthy _____ its use of _____.

_____ want _____ know about noteworthy _____ energy use.

_____ worth mentioning _____ terms _____ energy use levels?

_____ are any _____ total energy _____?

_____ factors _____ the _____ consumption _____.

_____ any important _____ for _____ usage?

Can _____ tell _____ the important issues _____ usage?

What are parts _____ the _____?

What are _____ in _____ usage?

_____ us _____ points about _____ power consumption.

_____ parts of _____ energy _____.
 _____ of the aspects _____ consumption levels _____ make them _____.
 What are the noteworthy features _____ use?
 What _____ main _____ of _____ consumption?
 _____ tell us _____ important points about energy _____?
 You can highlight _____ about _____.
 Which aspects _____ are worth _____?
 _____ key energy consumption _____?
 Does it have _____ aspects of _____?
 _____ are _____ affecting energyspendings.
 What _____ situation _____ its _____ consumption _____?
 List some notable aspects _____.
 What _____ significant _____ affecting _____ consumption?
 _____ makes it _____ out regarding _____?
 _____ overall energy _____ is notable?
 What _____ some aspects _____ energy _____ levels _____ make it _____?
 _____ some noteworthy _____ energy usage.
 Some _____ of _____ energy consumption levels, _____?
 _____ are _____ things _____ are _____ about its _____ levels?
 _____ any _____ about total energy _____?
 _____ are _____ aspects of its _____?
 What do _____ stands out _____ its _____?
 How are _____ use _____?
 _____ are _____ of energy _____.
 _____ find information on _____ consumptions?
 _____ there _____ important _____ its _____ use levels?
 _____ are _____ that make the levels _____ energy _____ stand out?
 What _____ main energy _____?
 What _____ make _____ total energy _____?
 _____ do you _____ makes itself _____ in _____ energy _____?
 _____ is _____ energy consumption _____?
 Does _____ know any _____ of _____ power _____?
 _____ aspects _____ worth noting _____ the _____ levels?
 _____ with its _____ use?
 There _____ factors _____ energy _____.
 _____ have any notable _____ its _____ consumption?
 _____ me _____ noteworthy _____ the use of energy.
 There are _____ energy usage?
 _____ key _____ consumption features _____?
 What _____ features _____ energy consumption _____?
 _____ are _____ aspects of the _____.
 _____ aspects of the _____ consumption levels?
 Are _____ any points _____ can _____ consumption levels?
 Which _____ are _____ in _____ to _____ use levels?
 _____ total _____ usage?
 Is it _____ to _____ regarding energy consumption _____?
 What _____ it _____ usage stand out?
 _____ the noteworthy facts about _____ energy use.
 _____ about the _____ consumption levels make _____?
 _____ is the _____ its energy _____?

_____ features _____ its energy levels?

What _____ some notable things _____ consumption _____?

What _____ are worth mentioning regarding _____ levels?

_____ aspects _____ energy consumption _____ that make _____ stand out?

_____ aspects of _____ consumption levels _____ out?

_____ certain _____ energy consumption levels?

Take _____ noticeable trends in _____ usage.

_____ me about the _____ facts _____ energy use.

_____ significant aspects _____ energy consumption levels?

Highlights _____ use.

What _____ the _____ of _____ consumed?

Energy _____ features, what _____?

What _____ some of _____ noteworthy _____ of _____ usage _____?

What observations _____ made on _____?

What _____ aspects that make _____ in its energy _____?

Which _____ are _____ know about its energy _____?

_____ tell me more _____ total energy _____?

_____ aspects of _____ energy use.

Which _____ worth _____ its _____ of energy?

_____ any _____ on total _____ usage?

What are _____ of the things _____ make _____ energy _____?

_____ are _____ of _____ energy levels?

_____ factors _____ the energy _____?

_____ to _____ about _____ related to _____ energy use.

_____ about _____ facts about its energy use.

Which aspects _____ energy _____ levels _____?

_____ the factors _____ energy consumption levels?

What parts of _____ them _____ out?
 What's notable _____ consumption _____?
 _____ have _____ relating to _____ consumption _____?
 _____ are it about its energy _____ stand _____?
 _____ you seen about _____ usage?
 What _____ observations _____ total _____ usage?
 Did _____ catch your attention _____ the _____ power _____?
 What _____ the differences that make it unique _____ levels?
 _____ issues affecting energy use?
 _____ aspects _____ energy _____ them stand out?
 _____ aspects are worth _____ about _____ its energy _____?
 _____ aspects of _____ are unique?
 _____ aspects of its power _____?
 _____ the _____ affect energy _____ levels?
 What _____ its _____ levels notable?
 What are _____ about _____ levels?
 Please _____ remarkable _____ in _____ electricity _____ levels.
 _____ it _____ the energy consumption _____.
 _____ are the _____ aspects of its energy _____?
 Which aspects _____ mentioning as _____ use levels?
 _____ point out about energy _____ levels?
 What _____ about its _____ energy?
 _____ makes _____ noteworthy when _____ their _____ consumption levels?
 Is _____ to mention important _____ about _____ consumption _____?
 Let me _____ total energy _____.
 Can you _____ me _____ energy consumption?
 Will _____ be _____ of the _____ consumption?
 There _____ notable _____ regarding its _____ consumption _____.
 There _____ an _____ energy _____ level that _____.
 What _____ the _____ important things _____ their _____ use _____?
 _____ it _____ its _____ use levels _____ makes them _____?
 What _____ stand _____ its use of _____?
 Which _____ consumption _____ key?
 _____ observations did _____ make _____ usage?
 List _____ use
 _____ are _____ factors that _____ energys _____.
 What _____ aspects _____ its energy _____ make it _____?
 _____ about _____ energy _____ that _____ it stand out?
 _____ important issues _____ it comes to energy _____?
 What _____ aspects of the _____ stand out?
 I _____ about _____ facts about _____ total energy _____.
 What _____ some aspects _____ levels?
 What _____ with _____ energy levels?
 Can _____ tell me about _____ major _____ on _____?
 _____ the overall _____ levels _____?
 What _____ that affect _____ usage?
 _____ you tell _____ the _____ points _____ energy consumption _____?
 _____ the _____ consumed features?
 _____ notable _____ of its _____ use levels?
 _____ is _____ its overall energy _____?

_____ notable pieces _____ use.

_____ of the _____ make them _____ in energy consumption _____?

_____ important _____ energy consumption levels?

_____ observations _____ use?

What _____ things that _____ the _____ consumption levels _____?

What are _____ its energy _____ that _____ it unique?

What _____ notable _____ its total _____?

Which aspects _____ its overall energy use _____?

How _____ it _____?

_____ the key _____ energy use?

_____ aspects of energy _____ levels

_____ explain important _____ on _____ usage?

What _____ it about _____ makes them noteworthy?

_____ some _____ of the _____ consumption _____ that _____ them stand _____?

List noteworthy _____ energy _____.

_____ are the main _____ affect _____ use _____?

_____ are some important _____ affecting _____.

What _____ out _____ use?

_____ are _____ that _____ energy consumption levels stand _____?

_____ are the main _____ for _____?

_____ me know _____ some _____ related _____ its _____ energy use.

_____ energy use features?

How is _____?

_____ some notable _____ of its _____ use _____?

_____ factors _____ energy spendings.

When _____ use, _____ does it fare?

_____ is _____ of energy use?

_____ makes it _____ out _____ energy _____?

_____ notable aspects of _____ use _____

What are _____ aspects _____ that _____ them _____ out?

_____ important _____ about energy _____ levels?

Which _____ up _____ overall energy _____?

Inform me _____ about _____ use.

_____ key things about it's _____ use _____?

_____ its _____ usage.

_____ some _____ energy use.
