

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Assistance with mobile number portability
Inquiry Sub-Category	Feedback
Description	Customers providing feedback or suggestions on their experience with the mobile number porting process, requesting improvements or reporting issues encountered during the transfer.
Data Size	5,019 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

____ you ____ or ____ call quality since switching networks ____?
 How ____ call ____ you switched networks ____ MNP?
 ____ you noticed a ____ in call ____ using ____ networks?
 Is ____ quality better since ____ transfer of ____?
 ____ MNP switch resulted ____ better or worse ____?
 ____ through ____ calls worse or better?
 Does ____ reception improve or ____ after ____ of ____?
 Call connections improved ____ to MNP?
 ____ has the ____ quality changed ____?
 ____ call ____ or deteriorated since moving networks ____?
 The switch to ____ different ____ MNP ____ your ____ clarity.
 Is there ____ in ____ experience ____ MNP?
 Did you ____ phone ____ after using MNP?
 Do you ____ quality is ____ or ____ because ____ your ____ from ____ to ____ MNP one?
 Is ____ MNP ____ making ____ voice ____ or better?
 Since ____ MNP, do ____ noticeable change ____ calling ____?
 ____ the ____ quality after ____?
 Is ____ in phone ____ MNP?
 Did ____ after ____ networks use ____?
 Since ____ the ____ worse or ____?
 ____ better ____ worse ____ quality after MNP ____?
 Do ____ think ____ call ____ is better ____ worse ____ switch ____ MNP?
 There ____ any improvement ____ in call quality ____?
 When ____ transfer ____ network ____ MNP have ____ call ____ improved ____ declined?
 Have ____ noticed ____ change in ____ due to ____?
 ____ call quality ____ worse ____ MNP?
 Is ____ call ____ now that they ____ transferred ____ through ____?
 ____ was ____ about ____ quality ____ MNP was used.

Do _____ your calls are _____ worse _____ you _____ to _____?

Is _____ better or _____ you switch networks through _____?

Do _____ quality _____ improved _____ you _____ to MNP?

_____ better or _____ since _____ to MNP?

_____ network _____ call reception better _____?

Do _____ the _____ is _____ or _____ of the change to _____ network?

Do your _____ or decline _____ using _____?

Is _____ better _____ quality if _____ switch _____?

_____ think the _____ switch has resulted _____ or _____ service?

Do you _____ a _____ call _____ using MNP?

Have _____ noticed _____ the _____ has changed since _____?

_____ call quality _____ after _____ networks _____?

_____ call _____ worse or _____ the _____ to MNP?

_____ phone _____ after using _____?

Is network _____ affecting voice _____ since you _____ MNP?

Tell me about _____ observed _____ the MNP switch.

_____ there _____ call _____ after using MNP?

Do _____ or worse after you use _____?

Is _____ worse _____ better because _____ the switches _____?

Call quality _____ since _____ MNP _____ switch _____.

Is _____ or better _____ of _____ change from a _____ MNP to _____ new one?

Did the _____ after _____ switched networks on _____?

Can _____ tell _____ how _____ call quality _____ changing networks?

How _____ been _____ you switched networks with _____?

Since _____ MNP, has _____ quality _____?

Did _____ quality change _____ changed to _____?

_____ any better since MNP?

Is there _____ change _____ after _____ MNP?

Has _____ MNP switch _____ in _____ better _____ connection?

Is _____ any changes _____ post- MNP switch?

Did _____ connections _____ or _____ transferring to _____ network _____ MNP?

_____ of providers _____ is the call quality any _____?

Post- _____ call reception _____ or better?

Can _____ call _____ be better _____ the _____ MNP?

_____ quality can change _____ switch _____.

Do you think the _____ better or _____ communication?

Is _____ better _____ you switch to MNP?

How has _____ calling _____ you use _____?

_____ it _____ or _____ for your _____ switched to MNP?

Is it _____ worse _____ call _____ since _____?

_____ call quality change after _____ MNP?

_____ switched _____ through MNP, are _____ or _____?

_____ the call _____ get _____ worse _____ using _____ Number Portability?

Is _____ better or worse _____ switch networks _____?

Does _____ switch result in _____ voice communications?

_____ call quality better _____ switched _____ MNP?

Call quality _____ improved _____ since _____ to MNP?

Is it _____ MNP changed _____ better or worse?

Since using _____ is _____ a _____ calling experience?

Is the calls quality _____ or _____ switched _____?

Is call quality better _____ you _____ to _____?

_____ any _____ in call clarity _____ switch?

Do _____ think the MNP _____ has _____ better _____ voice _____?

Did _____ an improvement _____ decline _____ connection after MNP?

_____ reception _____ better or _____ switch?

_____ the phone _____ using MNP?

Is _____ or worse _____ MNP?

_____ observed any differences in _____ phone reception _____?

_____ a _____ in _____ before and after switch to _____?

_____ the _____ of _____ through MNP, is the call _____?

_____ observe any _____ call clarity _____ theMNP switch?

_____ the calling _____ changed _____ using _____?

_____ changes _____ call _____ after theMNP switch?

How _____ quality change after _____?

Is there _____ improvement _____ degradation _____ quality _____ theMNP _____?

_____ the call quality better _____ because _____ MNP?

Is the _____ worse since you _____ to MNP?

_____ moving networks with MNP?

_____ quality better when you _____ networks to _____ via _____?

_____ would _____ to _____ any _____ clarity observed after theMNP switch.

Since _____ MNP, _____ quality _____ or improved?

Did your _____ improve or decline _____ you _____?

_____ the _____ or fall after _____ MNP?

_____ there _____ change _____ call quality _____?

Is there any _____ aMNP switch?

Did you notice _____ change _____ the _____ connection when networks _____?

_____ quality of _____ theMNP _____?

The switch to a _____ MNP may _____ impacted _____.

_____ there any _____ call _____ when changing _____ with _____?

_____ the call quality affected _____ switch _____?

Is there an _____ or _____ since carriers _____ to _____?

_____ that call quality _____ changed since _____ MNP?

Has _____ MNP _____ resulted in better _____ worse _____?

_____ think _____ call quality _____ better or worse _____ of your switch _____ a _____ MNP?

_____ call _____ change _____ use?

How has _____ quality changed _____ used?

_____ switch from _____ networks via MNP affect _____?

_____ the call _____ better _____ because _____ MNP?

_____ the _____ since MNP?

_____ see an increase _____ in _____ call connection when _____ to _____?

_____ you _____ your _____ from _____ conventional network _____ results _____ better call quality?

Is _____ better _____ quality _____ you _____ to use MNP?

_____ quality improved _____ deteriorated _____ the _____?

_____ you _____ better _____ since you _____ to MNP?

_____ the MNP _____ resulted _____ a _____ worse voice _____?

Have you _____ that _____ quality _____ since _____ networks _____ MNP?

_____ you _____ switch has resulted _____ or worse _____ communication?

_____ call _____ since _____ use?

I _____ with MNP _____ you give _____ feedback on _____?

Are _____ quality better _____ because _____ the _____ to _____?

_____ network _____ MNP _____ quality be better.
 Has the switch _____ affected your call _____?
 After changing _____ how _____ call _____?
 _____ see _____ in _____ quality when you _____ to MNP?
 Is _____ changes in _____ clarity observed _____?
 Since _____ through MNP, _____ call quality _____?
 _____ notice an improvement _____ the _____ you transitioned to MNP?
 I _____ networks with _____ would _____ give _____ on my call _____?
 _____ the switch _____ MNP affect _____ reliability?
 Is there _____ changes to _____ clarity _____ after _____?
 Has _____ the _____ quality?
 After moving _____ using _____ did _____ quality?
 Has _____ worsened since MNP?
 _____ call quality _____ switch?
 Since _____ providers _____ MNP, _____ call _____ better now?
 How _____ the _____ reception _____ switched _____ MNP?
 Was _____ call _____ better _____?
 _____ is _____ call reception different now _____?
 _____ changing _____ with MNP _____ call _____?
 _____ see _____ improvement in the _____ when networks are transitioned _____?
 Is the _____ improved _____ you transfer _____ your _____ using MNP?
 Does _____ from networks _____ networks _____ in _____ call quality?
 _____ call quality get better after _____ MNP?
 How _____ reception _____ you've switched to MNP?
 Network swap _____ change call _____.
 _____ you transfer to your _____ using _____ call _____ improved or _____?
 _____ you _____ any _____ in _____ quality _____ the _____ using MNP?
 Is calling quality better _____ you _____?
 Do _____ believe call _____ worse because _____ from a conventional _____ to _____ MNP one?
 _____ MNP to _____ have you noticed _____ change _____ the call _____?
 _____ switched _____ with _____ can you give _____ on _____ call _____?
 _____ call quality _____ or better _____ the new _____?
 Does _____ moving networks using _____?
 Do _____ to MNP are _____ worse for call _____?
 Now _____ you've switched to MNP, _____ the _____?
 Is _____ switch to _____ via _____ better _____ worse _____?
 Did the MNP _____ result in _____ voice _____?
 _____ there a _____ from _____ shift?
 _____ the _____ decline _____ after MNP?
 _____ switch _____ effecting call quality?
 _____ MNP _____ resulted in better _____ worse voice _____?
 Is there _____ change _____ quality _____ switch _____ MNP?
 _____ in call quality when _____ networks with _____?
 _____ improvement _____ decline in call clarity after adopting _____ network _____?
 _____ there _____ difference _____ quality since MNP _____ used?
 Did your call _____ you _____ MNP?
 _____ quality _____ since swap _____ MNP?
 _____ MNP _____ result _____ better _____ worse voice quality?
 Did _____ observe _____ or decrease _____ call connection _____ transitioning networks _____?
 Since you switched _____ have the _____?

_____ you noticed a _____ in _____ quality _____?

Did _____ change _____ networks _____ MNP change _____ quality?

Did you _____ differences _____ phone _____ employing MNP?

Since _____ networks _____ MNP, _____ quality improved?

_____ the _____ quality _____ the _____ from _____ you used _____ use to _____?

_____ call quality _____ with the switch _____ one _____ to another _____?

_____ there _____ improvements _____ call quality after the _____?

_____ MNP switch _____ result in _____ or _____ voice _____.

Is _____ degradation in call _____ carriers use MNP?

_____ there a _____ call quality _____?

_____ call _____ better or _____ MNP _____ used?

_____ the call quality _____ after _____ switch _____?

_____ noticeable difference in _____ since MNP?

_____ it _____ that _____ or declined when _____ switch to _____?

Did _____ notice _____ differences _____ the phone _____ using _____?

After _____ use _____ MNP, _____ change?

_____ on _____ network with _____ move?

_____ different with call quality _____ moving _____ MNP?

Did _____ change _____ call quality _____ to switch networks?

You _____ MNP, have _____ improved _____ worse?

_____ calling quality worse _____ switch _____ networks _____ to use _____ networks _____ use _____?

_____ is _____ like now that you _____ MNP?

Is _____ quality _____ after _____?

How _____ call _____ when you _____ to MNP?

Is _____ call _____ if you switch networks _____?

_____ the _____ quality better _____ switch?

Call _____ may change _____ used.

Better or worse _____ a _____ MNP?

Since _____ to MNP, _____ there _____ differences in _____?

How _____ reception changed _____ you switched to _____?

_____ you think _____ quality has _____ since you switched _____?

_____ is _____ that _____ use MNP?

_____ because of the _____ from networks _____ used _____ use _____ use MNP?

_____ there a _____ in _____ quality _____ networks _____ switched to _____?

Is there _____ improvement or _____ in _____ quality _____?

Is _____ a _____ in the _____ when _____ to MNP?

_____ there a _____ in _____ when you switch networks _____?

_____ you notice _____ change in _____ of calls _____ moving _____?

_____ after using MNP to switch networks?

_____ MNP switch resulted _____ or worse _____ communication?

_____ call _____ been _____ by MNP?

_____ was _____ call quality when _____ through MNP?

Is the _____ worse after _____ MNP?

Had _____ at _____ phone _____ using _____ to switch networks.

After MNP, _____ quality decline _____?

Are there any _____ in call quality _____ you _____?

Did _____ after you switched over to _____?

The _____ clarity _____ have _____ since you switched _____.

The MNP _____ has _____ better or _____ connection _____ you.

_____ there any _____ observed after the _____ switch?

Do calls ____ improve ____ decline ____ you ____ to ____?

Have ____ a change in call ____?

____ tell me about any ____ in ____ clarity caused ____ the ____?

Do ____ calls ____ better or ____ because of your ____ MNP?

____ the MNP ____ result in better ____ for you?

Are ____ quality ____ or better because ____ the ____ from a ____ network ____?

____ quality after the ____ switch?

____ you believe ____ call ____ or ____ of your switches ____ MNP?

____ experience better ____ worse call quality ____ networks via ____?

How ____ the call ____ using ____?

Did ____ call quality get better ____ the ____?

____ improvement or ____ in ____ since carriers switched to ____?

____ with MNP ____ call quality.

____ call quality ____ the new MNP thing?

____ you switched to ____ are calls ____?

Is ____ quality worse ____ new MNP thing?

Do switches ____ MNP make a ____?

Is the ____ better or worse ____ of ____ through ____?

With the ____ there ____ better call quality?

____ you ____ any change to the ____ while using ____?

____ call ____ or worsening ____ MNP?

____ after network ____ via MNP.

Is ____ improvement of call ____ after ____?

____ call quality ____ a result ____?

____ the call ____ after ____ MNP?

____ notice ____ difference in ____ quality of calls ____ MNP?

Post-network ____ call quality be ____?

Call ____ improved or ____ moving networks ____.

Are ____ call reception ____ or ____ after using ____?

____ quality worse, ____ with ____ new MNP thing?

Is ____ better or worse ____ quality ____ that you ____?

How ____ call reception ____ you switched to ____?

Did your ____ you switch ____ MNP?

____ has your ____ due to ____?

____ MNP switch ____ in ____ or worse voice ____ you?

Have ____ switch resulted ____ better ____ worse ____?

Has ____ quality improved since ____ with MNP?

Since MNP, ____ the ____ deteriorated?

____ the call ____ or ____ MNP?

____ there ____ in call quality ____?

Since ____ to ____ have call quality ____?

____ know if the call ____ after ____ MNP?

____ calls ____ or worse ____ you switched ____ MNP?

Have ____ noticed a difference in ____ MNP ____ switch ____?

Did ____ any changes ____ call ____ a ____ the MNP switch?

____ the ____ connections ____ improve ____ you ____ to your ____ using MNP?

Does ____ get better ____ with the switch to ____?

Is there a better ____ quality ____ you ____ that use ____?

____ calling ____ different ____ using MNP?

____ MNP ____ resulted in better or ____ voice ____ for ____?

_____ the _____ switch _____ in better or _____ voice connection _____ ?
 Since you switched _____ calls _____ better?
 _____ call quality worse _____ now _____ MNP has been _____ ?
 _____ improved or _____ after you _____ to MNP.
 _____ you _____ call _____ is _____ or better with _____ new _____ ?
 The _____ to a _____ MNP may have _____ call _____.
 Is _____ change _____ call quality after moving _____ ?
 _____ you _____ me about _____ changes in call _____ occurred after _____ ?
 _____ the _____ better or worse _____ transferring _____ through _____ ?
 Replacing _____ MNP _____ affect call _____.
 Is _____ MNP switch resulted _____ worse _____ connections?
 Is _____ difference _____ using MNP to switch networks?
 Did you observe any change _____ after _____ ?
 _____ call quality _____ or worse _____ switch _____ MNP?
 Is it better _____ worse _____ on _____ new _____ with _____ ?
 Do the _____ switch _____ in better _____ worse _____ ?
 Is _____ in call _____ MNP?
 Have you _____ change in call _____ using MNP _____ ?
 _____ you _____ a change in _____ after using _____ ?
 _____ MNP switch _____ in better _____ worse voice _____ ?
 _____ quality _____ switched to MNP?
 Did _____ switch to _____ call _____ ?
 Do _____ improve _____ once you transfer to _____ using _____ ?
 Is the _____ better _____ you switched _____ MNP?
 Did _____ improvement in _____ connection when you _____ networks _____ MNP?
 Call reception _____ better _____ MNP network switch.
 _____ of calling _____ a _____ of using MNP?
 Do you _____ to MNP have _____ call quality?
 Is _____ better _____ call quality _____ you switch _____ networks to _____ ?
 Is _____ better now _____ the providers _____ through MNP?
 Is your call _____ better after _____ ?
 _____ using MNP, _____ the call _____ or _____ ?
 Did _____ call quality change _____ networks _____ using _____ ?
 Is _____ improvement to _____ quality _____ the _____ switch?
 Have you _____ the call quality _____ MNP?
 Are call quality _____ or _____ MNP thing?
 Do you _____ a _____ call _____ when _____ to _____ networks?
 Are _____ quality _____ your change from _____ conventional network _____ a _____ ?
 Since exchanging _____ has the _____ improved?
 _____ the _____ quality better _____ the _____ you used to _____ to _____ MNP?
 Call _____ since moving networks _____.
 _____ quality _____ or worse _____ MNP _____ ?
 Did _____ calling quality change _____ MNP?
 _____ better or _____ since you switched to _____ ?
 _____ difference in call _____ since _____ to MNP?
 _____ the _____ quality _____ since the _____ of providers _____ MNP?
 Does _____ quality have improved _____ since _____ MNP?
 _____ switched _____ network _____ MNP, how has _____ quality _____ ?
 _____ quality change _____ networks switched _____ ?
 _____ calling have changed since using _____ ?

Is _____ quality _____ or _____ with the _____ to _____ via MNP?

_____ quality worse with _____ from a network you _____ use to one _____ uses _____?

_____ change _____ for better _____ worse?

_____ the MNP _____ in _____ worse voice availability?

_____ network _____ MNP would _____ be better?

_____ seen _____ in call quality since using _____?

What is the impact _____ networks _____ call _____?

_____ exchanging networks with MNP, _____ have _____ call _____?

_____ if _____ quality changed after moving _____ MNP.

_____ an _____ or decrease in _____ call _____ when transitioning _____ through _____?

How _____ the _____ quality changed _____ transfer?

Switching networks with _____ call _____.

Is the call quality better _____ worse _____ a _____?

_____ switched _____ MNP _____ better or worse?

The _____ may _____ in _____ or worse voice _____.

_____ there _____ in call clarity observed _____ switch to _____?

_____ calls _____ better or _____ you switched _____ MNP?

_____ the call quality _____ you _____ networks _____ MNP?

_____ you _____ feedback _____ my _____ quality after using _____?

_____ quality _____ your _____ change _____ switched to MNP?

_____ down since you switched to MNP?

_____ MNP, is _____ noticeable _____ in _____ calling experience?

Do you _____ call _____ is _____ worse _____ your change from _____ conventional network _____ MNP one?

After using MNP _____ switch _____ you _____ any _____ in _____?

Did _____ switch _____ in better _____ worse voice _____?

_____ notice a change in _____ of _____ while changing _____?

_____ there a change in _____ using MNP?

_____ the _____ quality since the transition?

_____ tell _____ any changes _____ call clarity _____ theMNP switch?

_____ the _____ better _____ switch to _____?

Is _____ call _____ when you _____ one _____ to another _____ MNP?

_____ question about call _____ on _____ new _____ MNP.

_____ the _____ result in better _____ worse _____ connections?

_____ the MNP _____ better or _____ voice connections?

_____ a _____ in _____ quality _____ MNP switched networks?

_____ see a difference in call _____ when _____ MNP?

_____ you see a _____ call _____?

_____ has your call _____ like since you _____?

Do _____ think your _____ to _____ makes a _____ call _____?

Is _____ worse _____ you switch _____ one _____ another _____ uses MNP?

_____ quality _____ change since networks _____.

Did you _____ increase or _____ call _____ networks are transitioned _____ MNP?

_____ the _____ quality better _____ worse _____ the _____?

The MNP _____ in _____ or worse _____ connections.

_____ you notice _____ change _____ the calls _____ to MNP?

Is calls worse or _____ to _____?

_____ the change _____ call quality worse or _____?

Is there _____ decline in _____ theMNP?

Did you _____ a _____ connection _____ you transitioned _____ MNP?

_____ your switches _____ call quality?

____ the switch to ____ better ____ worse?
 Since ____ carriers ____ MNP, ____ there ____ or degradation of call ____?
 Did ____ see any ____ in ____ using MNP?
 ____ observe a change ____ quality after ____ MNP?
 Is the ____ quality worse with the ____ those using MNP?
 How ____ call quality ____ when you switched ____?
 Call reception ____ worse ____ after ____ MNP ____?
 ____ quality any better ____?
 Can the MNP switch ____ or ____ communication ____ you?
 ____ quality worse ____ switch from your old ____ to ____?
 The quality ____ call ____ MNP ____?
 Are call ____ or better ____?
 Is ____ call ____ since ____ to ____?
 How are ____ quality ____ using ____?
 ____ switch to ____ resulted ____ better ____ voice connection?
 After ____ with MNP, how ____ calls ____?
 When you ____ to ____ how ____ the ____?
 Since ____ switched to ____ the ____ reception?
 ____ changed since ____ to MNP?
 Did ____ see a ____ in ____ since using ____?
 ____ the ____ reception better ____ poorer ____ using ____?
 ____ the call quality ____ with ____ switch from ____ MNP?
 ____ call quality after ____ networks ____ MNP?
 Is there ____ worse ____ quality ____ you switch from ____?
 With ____ switch to ____ call ____ or worse?
 Did you ____ any ____ after ____ to change networks?
 Have you noticed ____ quality has ____ since ____ to ____?
 ____ you observe ____ differences ____ after employing MNP?
 ____ to MNP ____ there better or ____ quality?
 ____ the MNP switch ____ or worse voice ____?
 ____ in call ____ since MNP?
 ____ did your ____ quality ____ using ____?
 ____ of ____ call ____ by MNP?
 ____ there ____ change ____ quality after changing ____ MNP?
 Since switch ____ MNP ____ quality deteriorated ____?
 ____ quality ____ as a result of MNP?
 ____ is your ____ have switched to MNP?
 Do ____ think ____ change ____ a conventional network ____ MNP ____ affect ____ quality?
 Does ____ call ____ or deteriorated ____ using ____?
 ____ the call quality ____ the ____ networks ____ used ____ use to ____?
 ____ quality ____ worse because ____ your ____ from ____ network ____ an MNP one?
 ____ there ____ improvement ____ the call quality ____ switch?
 ____ any improvement ____ quality after ____?
 ____ quality ____ or ____ because of ____ switches to ____?
 ____ call ____ improved or deteriorated ____ you ____ MNP?
 ____ quality better ____ the switch ____?
 ____ has ____ call ____ been since the ____?
 Is network ____ for ____?
 After ____ networks using ____ did ____ improve ____ worse?
 ____ quality ____ changed after ____ networks ____ MNP.

Since transitioning ____ MNP, have call ____ ____ ____ ?
 ____ you noticed ____ change ____ ____ since using MNP?
 Has ____ switch ____ in ____ worse ____ connection for you?
 It's ____ question ____ call ____ on ____ network with ____ .
 Do you ____ changing from ____ conventional ____ to ____ ____ will ____ ____ quality?
 ____ using ____ have you noticed ____ difference ____ ____ quality?
 Did you find any differences ____ reception ____ ____ networks?
 ____ there ____ changes ____ clarity ____ the MNP switch?
 ____ there ____ in call quality ____ ?
 Can there ____ a ____ in ____ MNP?
 Does the MNP switch ____ in ____ worse ____ service ____ ?
 Does the ____ reception ____ after ____ MNP?
 Is ____ an ____ degradation of ____ clarity ____ to MNP?
 Call ____ the MNP ____ ?
 Since ____ changed ____ through ____ are calls better ____ ?
 ____ you ____ call ____ is better or worse because ____ change ____ an ____ ?
 Have ____ how ____ has changed ____ using MNP?
 ____ ____ quality after MNP changing?
 ____ has ____ by changing networks ____ MNP.
 ____ call ____ improved or deteriorated ____ you ____ MNP?
 Since ____ to ____ networks, ____ you noticed ____ difference ____ ____ quality?
 ____ changing ____ through ____ how is ____ call ____ ?
 Is your ____ you switched ____ MNP?
 ____ your ____ to MNP ____ an effect on ____ ?
 After changing ____ with ____ how ____ ?
 Is the switch ____ to MNP ____ ?
 Does changing networks ____ affect ____ ?
 ____ moving ____ you experienced better ____ worse call quality?
 Is the ____ quality ____ now that ____ has ____ ?
 ____ MNP switch resulting in better ____ voice ____ ?
 Have ____ resulted in better or ____ voice ____ ?
 ____ does the ____ quality ____ after ____ ?
 ____ call connections improve ____ when ____ used ____ ?
 Is ____ difference ____ reception ____ MNP?
 ____ noticed a change ____ the ____ quality ____ a result of ____ ?
 ____ quality worse ____ because of ____ MNP thing?
 Did the MNP ____ affect your ____ ?
 Do ____ recall ____ in call clarity after ____ ?
 How ____ quality ____ networks via MNP?
 You ____ on MNP, ____ you ____ call ____ has ____ ?
 ____ an ____ or degradation ____ the ____ connection when ____ to MNP?
 ____ networks via MNP, ____ is the call ____ ?
 Did ____ an ____ or ____ in ____ call ____ transitioning networks ____ MNP?
 Is there ____ difference ____ call quality ____ you ____ with ____ ?
 ____ the call quality better ____ worse ____ through ____ ?
 ____ you ____ a ____ a ____ network to ____ MNP ____ affect call quality?
 Is ____ MNP switch ____ in ____ or worse ____ ?
 How is your ____ that ____ use ____ ?
 ____ moving ____ MNP, ____ anything change with ____ quality?
 I ____ networks with MNP, can ____ tell ____ about ____ ?

_____ the call quality _____ worse after changing _____?
 Since swap networks _____ MNP, have _____ or _____?
 How _____ your call _____?
 Is calls _____ worse or _____ you _____ MNP?
 _____ you notice a _____ the call _____ using _____?
 Is there a difference _____ quality _____ switch _____?
 _____ a difference in _____ moving _____ with MNP?
 _____ differences in the phone reception after _____?
 How has _____ quality changed _____ the _____ was _____?
 _____ your network _____ MNP, have _____ connections improved or _____?
 _____ the MNP _____ or worse voice communication?
 _____ happened to _____ call _____ when you _____ MNP?
 _____ have _____ after _____ networks using MNP.
 _____ see an improvement or _____ clarity _____ using MNP?
 Since _____ the _____ quality _____?
 Did you _____ or worse _____ quality _____ you _____ MNP?
 _____ in networks through MNP affect _____?
 _____ since you switched _____ MNP?
 _____ get any better after _____ networks _____ MNP?
 Can _____ me _____ call quality _____ MNP?
 Is call _____ after moving _____ using _____?
 _____ you _____ me _____ call quality after _____ switched _____ with _____?
 _____ your calling _____ changed since _____ used _____?
 _____ call quality change _____ result _____ the _____ to MNP?
 _____ noticed a change _____ quality when using _____?
 _____ since the _____ were moved via MNP?
 Using _____ has changed the call _____.
 Is your call quality _____ after you _____?
 Are the _____ better since you switched _____?
 Since _____ MNP, is _____ in call experience?
 _____ via MNP _____ affect _____ quality.
 _____ switch _____ MNP, _____ call _____ improved _____ deteriorated?
 When _____ to MNP, _____ is _____ reception?
 Can you _____ changes in _____ observed after _____ switch?
 _____ the _____ switch result in _____ worse _____ access?
 _____ call quality worse or _____ because _____?
 Is _____ any _____ call _____ after MNP _____?
 _____ quality _____ with the switch from _____ you used to _____?
 Do you experience _____ worse _____ quality when _____?
 With _____ is _____ worse _____ quality?
 _____ swap _____ affect call quality.
 The _____ resulted in _____ or worse voice _____.
 Is _____ a _____ in _____ of calls when _____?
 _____ better or worse with _____ MNP thing?
 Do you think the _____ quality _____ improved _____ you _____?
 Do you _____ the _____ quality _____ because of _____ switches _____?
 The switch _____ networks to _____ call _____.
 Is there _____ in calling _____ when _____ MNP?
 _____ tell _____ if _____ call quality _____ better _____ worse using _____?
 _____ the call _____ after using MNP?

_____ there differences in _____ after you switch _____?

_____ the _____ experience _____ after using _____?

_____ the switch _____ call quality worse or _____?

Is the _____ switch _____ in _____ or _____ connection?

_____ call _____ better on _____ new network with _____?

Can _____ improvement _____ after the MNP switch?

Is there _____ better or worse _____ quality _____ you _____?

How _____ experience _____ when _____ MNP?

_____ it noticeable _____ reception has changed since _____?

_____ networks through _____ the call _____ worse _____ better?

Does _____ to MNP have resulted _____ better _____ connections?

Is _____ a better _____ worse _____ the switch _____ networks using _____?

_____ networks _____ MNP _____ call quality.

_____ the _____ to _____ is it _____ worse call _____?

Tell _____ changes _____ call clarity _____ after _____ switch?

_____ noticed a _____ call _____ since MNP _____ used to _____ networks?

_____ quality change _____ MNP?

_____ notice _____ change _____ call quality _____ you _____ MNP?

_____ you see an _____ decline in _____ connection _____ networks _____ through _____?

Is _____ quality better or _____?

Is _____ a better _____ call _____ you switch _____ networks _____ MNP?

There is any _____ in _____ quality _____ theMNP _____?

Did your _____ change _____ using _____?

Do you believe _____ is _____ or worse because _____ your _____ network to an _____?

A question regarding call reception _____ with _____.

Was it better or _____ switched _____ MNP?

Since changing _____ call _____ improved?

When _____ to your network _____ your _____ or declined?

_____ the call _____ better with _____ to _____ to those using MNP?

_____ you noticed a _____ in call quality _____ MNP?

The switch _____ a _____ network _____ have affected call _____.

How is _____ call reception _____ now _____ used _____?

Do _____ think the _____ worse _____ the _____ from _____ you _____ use to networks _____ MNP?

_____ the call quality better _____ if _____ networks through _____?

Did _____ call quality _____ down _____ up _____?

The _____ from a _____ to _____ one may _____ quality.

Is calling _____ with the _____?

Do you reckon _____ quality _____ you _____ to MNP?

Do _____ think _____ quality is _____ better because of your _____ conventional network _____ MNP _____?

_____ MNP to switch _____ have _____ been any _____ in _____?

_____ any improvement in _____ call _____ when networks _____ through MNP?

_____ you think _____ resulted in better _____ voice service?

Did the call _____ or decline when you _____ network _____?

Are _____ any improvements _____ in _____ theMNP switch?

Since _____ MNP, do you think the _____ has _____?

_____ call _____ improve or be degraded _____ using _____?

Is there _____ difference in call quality _____?

_____ there _____ change in call quality _____ is _____?

_____ the _____ switch _____ resulted _____ better or _____ voice connections?

_____ there _____ better _____ quality when you _____ networks _____ MNP?

Did you observe an _____ call _____ networks were _____ through _____?

Is _____ or _____ because of your change from _____ MNP one?

_____ the _____ improve or _____ after using _____?

Did you _____ or _____ in _____ when transitioning to MNP?

Is _____ call _____ worse with the _____ you _____ to _____ the ones using _____?

_____ you think _____ is better or worse when _____ switch _____ a conventional _____ a _____?

After _____ to your network _____ have _____ or declined?

_____ you _____ decrease in _____ call connection after transitioning _____ through _____?

Is _____ different _____ MNP _____ switch networks?

Do you think _____ is _____ the change _____ conventional _____ to _____ one with MNP?

_____ is the call reception _____ that _____ to _____?

The _____ of calls has changed _____ to _____.

Is calls _____ after _____ networks through MNP?

_____ reception is _____ or worse after _____ MNP _____.

_____ the _____ quality better or _____ now that _____ are _____?

_____ the _____ of _____ through _____ is the call _____?

How _____ call _____ after a transfer _____ MNP?

_____ switching to _____ call quality _____?

Is _____ experience since utilizing MNP?

_____ the changes _____ call clarity observed _____ switch?

_____ you _____ quality has improved _____ networks via MNP?

_____ quality _____ or _____ of your switch _____ MNP?

_____ think the MNP switch _____ resulted _____ or _____ voice _____?

_____ there any _____ in call _____ the _____ switch?

_____ the _____ quality _____ after _____ networks using _____?

_____ quality _____ a result of MNP?

Change networks via _____ call _____.

Call quality _____ a _____ of changing _____ MNP.

_____ calls _____ or bad _____ switched _____ MNP?

Did _____ quality improve after _____ networks _____ MNP?

I _____ MNP can you _____ me _____ my _____ quality?

Is _____ call _____ with the _____ from _____ previous _____ to _____?

_____ has _____ call _____ changed since _____?

Do you experience _____ or _____ quality _____ via MNP?

Do you notice _____ difference _____ quality _____ switch to _____?

_____ the _____ the calls change _____ using _____?

_____ you _____ change in _____ call connection _____ you transitioned _____?

Do you _____ or _____ quality after using _____?

_____ is _____ a noticeable difference in _____ reception?

_____ in _____ reception since MNP?

Do you think _____ quality has improved _____ you _____?

Since you _____ MNP, are calls _____?

Is there _____ or worse _____ you _____ from one network to _____?
