

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Help with understanding legal obligations
Inquiry Sub-Category	Requesting information on legal requirements
Description	Customers may inquire about the specific laws and regulations governing natural gas usage, transportation, storage, or safety in their area.
Data Size	5,132 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

Do ____ need ____ local ____ underground ____ tank ____ liquefied petroleum gases (LPG)?

Before you ____ underground ____ for LpG, can ____ first ____ permission from your ____?

____ there a requirement for ____ underground ____ tank for gas?

It ____ to get ____ from ____ local ____ up ____ underground ____ system ____ LpG.

Please tell ____ if ____ required for ____ an ____ tank system ____.

Should ____ from the local ____ be ____ before I ____ underground ____ petroleumGas ____ up.

Permits are ____ for placing ____ LPG ____ below ____

Permission ____ the ____ of LPG?

____ it ____ for setting ____ underground ____ system for ____ petroleumgas ____ get ____?

____ there ____ for local permission ____ put an ____ in place ____?

Before ____ up an ____ storage system for ____ it is ____ to ____ from ____ local ____.

Do ____ get permission ____ the ____ putting ____ gas tank in ____ ground?

____ an ____ storage system ____ LpG ____ to ____ by ____ local authorities.

Is ____ to get permission ____ underground tank ____ storingLPG?

Should getting ____ for implementing an ____ tank ____ that ____?

I need ____ the local authorities ____ an underground ____ tank.

Will ____ legal ____ if ____ don't get ____ local authorities' consent to ____ buried ____?

____ required for implementing ____ underground ____ System that ____.

____ storage for LpG requires approval from ____.

Before ____ up ____ underground ____ for LpG, ____ necessary ____ seek ____ from the ____?

____ putting an underground tank for ____ to be ____.

____ a ____ from ____ authorities be required ____ put an underground ____.

Can you tell ____ if ____ required ____ an underground ____ system ____?

Is it ____ local ____ approve the ____ a underground tank ____ gas?

I wonder ____ someone around here ____ problem ____ burying my ____?

Is it ____ me to seek ____ from ____ local ____ burying a ____?

____ underground storage system forLPG, ____ necessary ____ from local authorities?

____ in ____ tank, is it ____ to ____ permission?

____ setting up ____ underground storage ____ liquified petroleumgas, ____ necessary ____ for permission.

I ____ know if I ____ from ____ authorities before installing ____ storage ____.

_____ underground storage _____ liquified _____ is it _____ for it to _____ permission?
 Can _____ permission _____ your local government _____ setup _____ storage system _____ LpG?
 Before _____ up an underground storage _____ for LpG, _____ permission from your _____?
 _____ you _____ from locals is necessary _____ burying _____ tank?
 _____ there _____ requirement for _____ underground tank _____ to _____?
 _____ setting _____ an underground _____ system for LpG, _____ it _____ good _____ ask the _____?
 Do I _____ seek permission from the _____ authorities _____ tank?
 Before _____ an underground _____ system _____ LpG, can _____ get permission from _____?
 _____ putting _____ tank for _____ there should _____ permission.
 Before setting up an underground _____ liquified _____ necessary to _____ permission?
 _____ wondering _____ from _____ local _____ for the _____ of an _____ storage tank for LPG.
 Does it make sense to _____ permission from the _____ set _____ storage _____ for _____?
 Before _____ an _____ storage _____ for LpG, it's necessary _____ from _____ authorities.
 _____ it _____ obtain _____ before storingLPG in an _____?
 Are you _____ get permission _____ government to _____ underground LPG tank?
 Before _____ up _____ underground _____ system for _____ is it _____ asking for _____ the _____.
 _____ a _____ from _____ authorities be required before I install _____ storage _____?
 Before building _____ underground _____ system for _____ get _____ local government?
 Is it a requirement _____ for the _____ LPG storage _____?
 _____ authorities _____ to _____ for an underground _____ system forLPG?
 _____ to _____ a _____ tank _____?
 _____ a _____ that _____ petroleum gas in this region, you _____ get official approval.
 _____ an _____ system for LpG, _____ it _____ check with the local?
 _____ necessary for _____ provide _____ on _____ an LPG tank?
 _____ mandatory _____ get approval for _____ underground tank _____ storesLPG?
 _____ to know _____ necessary to _____ approval _____ underground tank system to _____.
 _____ it _____ for the _____ to approve _____ underground _____ forLPG?
 Do _____ if _____ is required for _____ underground tank _____ storesLPG?
 _____ tell _____ it's _____ for an _____ tank system _____ storeLPG?
 _____ container that _____ hold liquid petroleum _____ get official approval according _____ regulations?
 Is it necessary _____ local _____ to _____ the installation _____ a _____ for _____?
 Before _____ a _____ is it necessary to get _____ the _____?
 _____ for _____ approve underground _____ containers for LpG?
 Permits are needed _____ container _____ ground.
 _____ wondering _____ have _____ approval from _____ locals before _____ an _____ LPG storage _____.
 _____ need _____ approval of _____ government to _____ underground LPG tank?
 _____ bury _____ can hold liquid petroleum gas _____ you need _____ get _____.
 Before _____ underground _____ system _____ liquified _____ is it _____ to _____ permission?
 Is it _____ to _____ putting in _____ tank for _____?
 Before setting up _____ storage _____ forLPG, is _____ to _____ for _____ from _____ local _____?
 _____ it _____ to get _____ before putting an underground _____ in _____?
 Before _____ up _____ underground storage system for _____ is _____ seek _____ from _____.
 It _____ necessary _____ ask _____ before setting _____ underground storage system _____ liquified _____.
 _____ setting _____ an underground storage _____ LpG, it is _____ to have _____.
 _____ an _____ storage system _____ LpG, _____ you get permission _____ your _____?
 _____ consent _____ the local authorities be _____ before _____ put _____ LiquefiedpetroleumGas _____ tank _____.
 Before setting _____ an underground _____ forLPG, _____ necessary _____ the local _____?
 I don't _____ I _____ the _____ tank installation.
 _____ setting up _____ underground _____ for _____ is it wise _____ the local authorities?
 Should _____ the required _____ for an _____ system _____ storesLPG?

____ you ____ a ____ that ____ liquid ____ gas, ____ you get official ____?
 ____ setting ____ underground storage system ____ LpG, ____ is ____ to ____ approval of local ____.
 Is it ____ to seek permission ____ the local ____ placing a ____?
 ____ a ____ local permission ____ a underground storage tank ____ for ____?
 ____ setting ____ underground ____ for ____ is crucial to get approval ____ authorities.
 Before I put ____ underground ____ PetroleumGas ____ consent ____ the ____ is required.
 ____ regulations within this region, ____ you ____ official ____ bury ____ container ____ can hold gas?
 Do you ____ it ____ required to build ____ if ____ storesLPG?
 We ____ know about the ____ for approval for ____ tank ____.
 Do ____ have to ____ official approval ____ to ____ that holds ____ petroleum ____?
 setting up an underground storage system ____ requires ____.
 Can you ____ if it's ____ get ____ before ____ an ____ to storeLPG?
 ____ you ____ whether it's ____ to ____ an underground ____ storesLPG?
 ____ whether approval ____ for ____ an underground tank System ____ storesLPG?
 ____ you setup an ____ storage ____ for LpG ____ you ____ local government?
 Is ____ a ____ from ____ local ____ build a storage ____ for LPG?
 ____ it necessary for the local ____ to ____ an ____ tank ____ LPG?
 ____ for ____ consent before setting ____ system for liquified petroleumgas?
 ____ approval is ____ a subterraneanLPG ____.
 Should ____ the ____ authorities ____ required before I ____ underground Liquefied ____ storage ____.
 ____ the law ____ permission before ____ placement ____ storage unit?
 Do you ____ to ____ approval ____ container that ____ hold ____ gas?
 Before burying a ____ that can ____ gas, must you get ____ according ____ regulations ____?
 ____ it ____ to ____ before putting an ____ for storingLPG.
 Do ____ official ____ before you bury ____ container ____ hold liquid ____?
 Before ____ an underground ____ system ____ is it ____ get permission from ____ local ____?
 Before putting ____ LpG in ____ there ____ be ____ permission.
 ____ up ____ underground ____ system ____ LpG must ____ approval of ____ authorities.
 Before ____ up ____ underground storage system for liquified ____ seek ____ from ____ local community?
 ____ build an ____ storage ____ for LpG, can you ____ local government?
 There is an underground tank for ____ to ____ approved ____.
 Prior to ____ an underground storage ____ LpG, ____ it ____ to ____ permission ____ local?
 Before ____ up ____ underground storage system ____ LpG ____ get ____ the local ____?
 ____ it ____ for the local ____ approve ____ underground storage system ____?
 Do ____ need the permission ____ your ____ to ____ up ____ underground ____ system ____?
 There ____ a requirement for approval ____ underground ____ that ____
 Setting up ____ underground ____ requires the approval ____ local.
 ____ approval ____ implementing an underground ____ System ____ storesLPG?
 Should a ____ local authorities ____ required ____ put an underground Liquefied ____.
 ____ don't know if ____ need ____ for ____ of ____ LPG ____.
 ____ needs ____ be local permission ____ underground ____ for LpG can be ____.
 Before setting up ____ system ____ LpG, is it ____ to ____ the ____?
 ____ an underground tank for storingLPG ____ in before ____?
 ____ up ____ system for LpG ____ worth going to ____ local authorities?
 Do you ____ it's worth ____ the local ____ to ____ underground storage system for ____?
 It is necessary to ____ of ____ authorities ____ setting up ____ underground ____.
 I ____ know if approval ____ for ____ an ____ system that storesLPG.
 ____ is necessary to get ____ approval ____ authorities before ____ up ____ for ____.
 ____ necessary to ____ your local government to ____ up an ____ storage ____.
 Can ____ ask ____ government for ____ an underground storage system ____ LpG?

____ prior approval is ____ container of LPG.
 ____ seeking permission ____ the ____ before setting ____ an underground storage ____ LpG?
 ____ to put ____ underground ____?
 ____ underground storage ____ for LpG it ____ asking the ____ authorities.
 Can you ____ me ____ is required ____ an ____ system that stores LPG?
 ____ the local ____ to build a underground ____ tank?
 Before ____ storage ____ petroleum gas, is it ____ to seek ____ the local?
 Before ____ storage tank, ____ consent from the local ____ needed.
 The ____ storage system ____ LpG ____ approval ____ the ____.
 ____ to regulations within this region, ____ you ____ official approval ____ a container ____ liquid ____?
 Before ____ storage ____ LpG is ____ necessary to get local ____?
 ____ it necessary ____ get official ____ before burying ____ container ____ can ____ liquid ____ gas?
 Before ____ place an ____ Liquefied ____ storage ____ a ____ from the ____ authorities.
 Before setting up ____ storage ____ LpG, is it ____ local ____?
 Are ____ for implementing an ____ system ____ stores LPG?
 ____ underground storage ____ for ____ you need ____ the local authorities.
 ____ be ____ permission before installing an underground ____ LpG?
 ____ prior ____ a subterranean LPG ____ required.
 Is there ____ requirement for ____ consent ____ the ____ storage ____ for LPG?
 ____ setting up an ____ for ____ gas, is it ____ get ____?
 ____ to put ____ tank ____?
 Can ____ tell me ____ it is ____ get ____ to ____?
 It is necessary to ____ permission ____ up ____ storage system ____.
 Is ____ necessary to ____ from locals ____ to ____ a ____ tank?
 ____ it ____ me to ____ from the local ____ before burying the ____?
 Before you ____ container ____ hold ____ such as ____ petroleum gas, must you get ____?
 ____ approval is ____ implementing an underground tank ____ that stores LPG.
 Local ____ need to ____ installation ____ an ____ to store LPG.
 ____ consent be ____ before ____ put an ____ Liquefied ____ storage tank ____.
 ____ putting ____ underground tank for ____ is ____ to have ____?
 ____ needed ____ before setting up an underground storage system ____?
 Is it ____ to get ____ before ____ an ____ of LPG?
 Should a ____ from the local authorities ____ an underground ____ tank ____
 ____ it necessary for officials to ____ off ____ for LpG?
 ____ you ____ the ____ approval for underground tank ____ store LPG?
 ____ up a ____ storage ____ petroleum gas, is it necessary ____ permission?
 ____ worth ____ the local government before setting ____ an ____ system for ____?
 ____ us ____ approval ____ an ____ tank system that stores LPG?
 ____ inquire ____ the requirement for approval ____ underground tank system ____?
 ____ a ____ that ____ permission ____ local authorities before ____ buried gas tank?
 The underground ____ for ____ will ____ from ____ authorities.
 I need a consent ____ I ____ an ____ tank ____ Liquefied Petroleum Gas.
 Can local ____ installation of ____ tank to ____?
 ____ it require an ____ to ____ it stores LPG?
 ____ it necessary ____ approve ____ burying a ____ tank?
 ____ up an ____ storage unit before ____ clearance ____ the ____?
 ____ setting up an ____ storage system ____ LpG, ____ worth asking the ____?
 ____ you ____ an underground storage system for LpG, ____ need ____ local government.
 ____ for ____ for an underground ____ system that ____?
 Do you ____ to get ____ from ____ authorities before ____ an underground ____?

Should a _____ from _____ authorities _____ required _____ an underground _____ tank is put _____.

_____ requirements _____ implementing an underground _____ that storesLPG?

_____ important _____ get approval from _____ before setting _____ storage for _____.

_____ get official _____ before _____ container that can _____ petroleum gas.

_____ need approval from the local _____ installation of an underground LPG _____.

_____ you aware of _____ requirement for approval _____ tank _____ storesLPG?

Is _____ to _____ permission _____ local _____ before _____ a gas _____?

_____ a consent _____ be required before _____ an _____ Liquefied Gas _____ tank in.

_____ up _____ is dependent on _____ approval of local authorities.

Is _____ a _____ approval from the local _____?

Is _____ required _____ me to seek permission _____ local _____ I bury _____?

Is it _____ to get _____ for the underground storage _____ petroleumgas?

_____ up an _____ storage _____ liquified petroleumgas required _____ get _____?

_____ know if I _____ permission from _____ authorities before putting _____ gas _____ ground.

_____ underground storage _____ for _____ important to get permission from _____ local _____.

_____ permission _____ your _____ government _____ installing an underground storage _____ LpG?

Before burying a _____ can _____ get _____ approval according to the regulations?

_____ tell us what approval _____ for implementing _____ underground _____ storesLPG?

Is it _____ for _____ local _____ authorize _____ setting _____ of _____ underground gas _____?

_____ am _____ approval _____ required _____ an underground tank System _____ storesLPG.

Before _____ up an _____ LpG can _____ your local government?

_____ it _____ to get approval _____ an _____ system that _____?

 _____ know the _____ for _____ an underground _____ system that storesLPG.
 _____ up _____ underground storage system _____ is _____ necessary to _____ from local?
 _____ necessary _____ get permission _____ local authorities before _____ up _____ underground _____ for _____.
 _____ consent be required _____ I _____ underground Liquefied _____ storage _____ up?
 Permissions _____ LPG tank?
 It _____ necessary _____ get _____ of _____ setting _____ underground _____ system _____ liquified petroleumgas.
 Is it necessary _____ local permission _____ underground _____ for _____?
 _____ establishing an underground storage _____ for LpG, _____ permission _____ local authorities.
 Is _____ before setting up _____ underground _____ for liquified petroleum gas?
 _____ consent _____ be _____ put an underground Liquefied PetroleumGas _____ tank up
 Is it necessary _____ seek _____ for an underground _____?
 Before setting up an _____ storage _____ is _____ to _____ from _____ local authorities.

Can I get ____ local permit ____ gas ____?

____ necessary for approval ____ put ____ underground ____ for storingLPG?

____ permission ____ install a LPG ____?

____ worth requesting permission ____ government before setting ____ an underground ____ LPG?

Should I ____ local authorities ____ putting a buried ____ tank ____ ground?

I ____ I have to get ____ from ____ authorities ____ placing a ____ gas ____.

____ want to ____ approval is required for ____ underground ____ storesLPG.

Is it ____ for ____ from ____ set up underground ____ for LpG?

Is it necessary to ____ from the ____ area ____ up an ____ system for ____?

____ an underground ____ liquified ____ is it required ____ obtain permission?

Before ____ an ____ storage system ____ it ____ permission from ____ local government?

There ____ be local ____ an ____ tank ____ LpG.

Before ____ underground storage system ____ liquified petroleumgas, ____ required ____ get ____?

Does ____ authorization before putting ____ an ____ tank ____?

Before putting ____ underground ____ storage ____ consent ____ the local authorities is ____.

____ it ____ authorization to put ____ underground tank for storing ____?

____ required ____ local authorities to ____ installation of ____ gas tank?

____ a ____ an underground tank system to storeLPG.

____ an ____ storage system ____ is it worth bothering ____ local ____?

Before setting ____ storage system ____ petroleumgas ____ necessary ____ seek permission.

We want ____ know ____ approval is a ____ an ____ tank System ____.

Before ____ an underground ____ system ____ LpG, is ____ necessary for ____ authorities ____?

____ there ____ the local body ____ the installation ____ facility for LPG?

Is ____ a ____ for local ____ for ____ underground storage tank ____?

____ it ____ for the ____ bodies ____ approve the construction of ____ LPG?

____ an underground ____ system for LpG, ____ seeking permission from the ____?

____ you think getting approval ____ an underground ____ storesLPG ____?

Before ____ a container ____ can ____ liquid petroleum ____ must ____ get official ____ according to ____ regulations ____?

____ from the local authorities be required ____ an underground Liquefied ____?

Can ____ get permission ____ local ____ to place ____ buried ____?

Is it ____ for the ____ up ____ underground storage ____ petroleumgas?

____ setting up ____ underground storage ____ for ____ petroleumgas, ____ it ____ to ____ local ____?

There ____ be ____ permission ____ putting an ____ for LpG.

Prior to setting up ____ system ____ liquified petroleumgas, ____ to ____ permission?

____ an ____ system ____ LpG, it's necessary to ____ permission from local ____.

Permits may be ____ an LPG ____ level.

____ have to get official ____ burying ____ container ____ liquid fuels?

Should you tell us the requirement ____ of ____ tank ____?

If ____ want ____ bury ____ that can ____ liquid petroleum ____ must ____ approval from ____ region?

____ necessary ____ seek ____ set ____ an underground storage ____ for liquified petroleumgas.

____ a container that can hold liquid petroleum gas, ____ must ____ approval ____ to ____ in ____ region.

Should ____ consent from the local ____ be ____ putting ____ Liquefied ____ tank ____?

____ for ____ tank of ____?

Before ____ below-ground ____ storage tank, ____ necessary to ____ local authorities?

Is ____ necessary for ____ consent to the installation ____ facility below ground?

Is it necessary for the ____ authorities ____ of ____ LPG ____?

____ underground storage ____ LpG needs ____ from the ____ government.

Do ____ need local ____ to ____ an ____ tank ____?

According ____ regulations ____ this ____ you get official ____ burying a ____ that can ____?
