

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Data plan and usage queries
Inquiry Sub-Category	Data speed and coverage
Description	Inquiries pertaining to the network coverage and data speed available in different areas, including questions related to network upgrades, 5G availability, and any issues with slow or inconsistent data speeds.
Data Size	5,715 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

Are there specific times _____ leads to _____ download/upload _____?

There _____ with reduced network _____ to congestion.

There _____ designated instances when congested _____ lead _____ download _____.

Is _____ specific time _____ traffic _____ downloads and uploads?
_____ congestion _____ slow file _____?

Which moments _____ congestion _____ lagging _____?
_____ upload/download _____ can _____ result of _____.

There are _____ congested networks lead _____ slower _____.

During _____ slots _____ experience slow upload _____?
_____ your download/upload _____ due _____ congestion?
_____ times associated _____ slower download/upload _____?

Which moments _____ correlation _____ connections and lagging _____?

Is _____ for _____ to decrease during _____ periods?

Some time periods _____ lower _____ to _____ congestion.
_____ you experience _____ or download during _____ time _____?
_____ specific _____ have slower data _____ speeds _____ usage periods?
_____ busy _____ upload and _____ speeds?

Do _____ my download/upload?

Do _____ times _____ my _____?
_____ a slower _____ speed?
_____ a designated instance where _____ slower downloads?
_____ congestion _____ slower _____ speeds.
_____ periods _____ cause downloads/uploads to slow _____?
_____ busy _____ by _____ speeds?
_____ and uploads slow down _____ of _____.

Will _____ service during _____ times?
_____ affect download _____?

Slower _____ due _____.

Is _____ a specific _____ congested _____ cause _____ and downloads?

_____ a _____ that congested networks lead _____ capabilities.

_____ upload/download rates _____ busy _____?

_____ downloads/uploads to slow _____

_____ congestion _____ download/upload rates during certain _____?

_____ affecting the _____ speeds?

_____ in reduced upload speeds?

Speed is likely _____ during certain times.

_____ congestion results _____ uploads?

_____ affect the _____ and _____?

_____ congestion slowing _____?

congestion _____ affect _____ download/upload _____?

_____ uploading/download slowdowns _____ congestion?

Network congestion _____ cause certain _____ periods _____ download/upload _____.

Is it _____ for _____ decrease _____ congested periods?

Is _____ common for download/upload speeds to _____?

_____ possible that specific times of _____ cause _____?

_____ there _____ lower _____ rate _____ busy _____?

_____ uploads/downloads _____ to _____.

_____ result in _____ uploading/download rates, _____ specific time period?

_____ are instances _____ congested networks lead _____ slower _____.

When can I _____ slower _____ because of congestion _____?

Would _____ uploads and downloads slow _____ due _____ congestion?

_____ instances _____ congestion lower _____ speeds?

Do _____ impact _____ speeds?

Do _____ transfer speeds?

_____ slower download and upload _____ due _____ congestion on _____ network?

Due _____ traffic volume, _____ bandwidth decreased?

_____ with reduced network speed due _____ traffic.

_____ there _____ congestion leads to _____ download/upload speeds?

Is certain _____ affecting _____ speeds?

_____ busy hours change _____?

Will _____ affect _____ speeds _____ times?

_____ period does _____ downloads to _____ down?

Is _____ a _____ when _____ slows down downloads _____?

_____ there a _____ when a _____ in below _____ upload/download rates?

Is internet slower _____?

_____ a specific time when congested networks cause _____?

There are _____ download/upload speeds to _____ slower.

Can the _____ speeds?

Does _____ times impact _____?

_____ a factor _____ slow file _____?

When _____ slower _____ and uploads, what _____ the _____ times?

Is _____ for _____ speeds _____ decrease during _____ heavy traffic?

Can _____ cause _____ speeds to _____?

Can there _____ congested networks _____ to _____ downloads?

_____ possible that _____ speeds _____ at certain instances of _____ online _____?

When _____ networks _____ below average _____ rates, _____ there _____ period?

Slower _____ due _____?

_____ it _____ tend _____ impaired download or uploading _____ busy networks?

There ____ instances when ____ slower download ____.

Do ____ have diminished download/upload ____ of network ____?

Does congestion ____ my ____?

Sometimes ____ can slow ____ and ____.

Would ____ slow ____ due to ____?

____ correlation between ____ downloads and congested connections?

Is ____ normal for download/upload speed to ____?

Some time periods have reduced ____ due ____?

____ there ____ time ____ congested networks ____ below average ____ rates?

Is the ____ times affecting ____?

Do busy ____ adversely ____?

____ a ____ for slower ____ transfers?

____ congestion ____ and upload rates?

When ____ to ____ uploads?

Some instances ____ congestion ____ decrease ____.

____ can ____ expect ____ download/upload speeds ____ of your ____?

During ____ time does ____ cause ____ down?

____ that ____ slower file transfers?

File transfers ____ be ____ due ____.

____ congestion ____ speeds?

____ rate lower ____ busy hours?

____ certain ____ experience decreased download/upload ____ due ____ congestion?

Slower ____ speeds ____ by congestion.

____ congestion ____ slower files ____?

____ speeds ____ prone to ____ decreased during heavy usage ____?

____ slow ____ due ____ times of traffic?

Network ____ volume ____ decreased ____ times.

____ is ____ that ____ and downloads.

____ upload/download slowdowns due to the ____ of ____?

Is ____ affects internet ____ and downloads?

____ download rates lower ____ busy ____?

____ designated ____ when a ____ leads to slower downloads?

Can ____ expect ____ download and upload ____ to ____ on your ____?

____ could ____ congestion that lower ____ speeds.

____ upload/download rates ____ during ____?

When congested ____ in below ____ upload/download rates ____ there ____ specific ____?

Do busy ____ impact ____?

Is it possible that ____ tend ____ be ____ when uploading ____?

____ times may result ____ rates.

There ____ instances when ____ leads to ____ download ____.

Congested ____ involving ____ transfer ____?

____ uploading and ____ busy ____ slots.

When ____ congestion result in ____?

There ____ to slower than usual ____ speeds.

When ____ I ____ reduced speeds ____ high ____ usage?

When congestion ____ to ____ download/upload ____ is ____ time?

____ a correlation with ____ downloads ____ congested connections?

What ____ instances ____ that lower transfer speeds?

____ transfer ____ be Decreased ____ heavy usage ____.

When can I expect ____ speeds to ____ to ____?

_____ specific time when slower downloads _____ occur?

_____ affect _____ rates?

_____ are times when _____ slower download _____ upload _____.

Do congestion _____?

Do _____ download/upload speeds?

Is _____ a designated _____ networks _____ to _____ downloads?

Is _____ peak times cause _____ rates?

Do _____ common _____ to decrease during busy periods?

Is certain instances _____ congestion _____?

There are _____ when _____ cause _____ and uploads.

Has _____ resulted in _____ download/upload _____?

_____ when congested _____ lead to slower downloads?

Do increasing _____ cause _____ slow _____?

Can _____ be _____ congestion leads _____ slower _____ speeds?

When _____ congestion _____ upload _____?

During _____ times _____ slow downloads?

_____ are times when data _____ to high _____.

Do busy _____ speeds?

_____ slow uploads/downloads _____ busy time _____?

Do busy _____ make _____ break _____?

Is _____ chance that internet _____ be _____ at certain times _____ activity?

_____ that congestion _____ slow _____ speeds?

The uploading/download _____ might _____ lower _____.

Is _____ congestion leads _____ slower download/upload _____?

_____ congestion _____ slower download _____.

_____ when _____ usage levels can _____ data transfer.

_____ does _____ affect _____ and _____?

Can _____ on networks _____ slower _____?

Which _____ a correlation _____ lagging downloads and _____?

_____ uploading/download rates _____ hours?

Is _____ ratelower during _____?

_____ be instances of _____ affect _____ speeds?

_____ uploading/downloading _____ down due _____ times of _____?

_____ congestion leads _____ download/upload speeds _____ a specific _____?

When _____ congestion _____ upload _____?

Do _____ hours _____ slow _____?

Do _____ slower file _____?

_____ download/upload speeds _____ due to _____ network congestion?

Does _____ limit _____?

_____ times _____ to _____ or _____ on busy networks?

_____ congestion reduce _____?

_____ you see _____ rates _____ busy _____ slots?

_____ uploads _____ downloads _____ due _____ congestion?

Is increased traffic _____ downloads/uploads _____?

_____ congestion _____ the _____ of _____?

_____ are designated instances _____ congested _____ to slower _____.

Slower _____ due _____ congestion.

_____ it possible _____ certain _____ congestion reduce transfer _____?

When the congestion _____ upload _____?

_____ uploading/download slowed _____ to _____ times _____ congestion?

During ____ hours will ____ cause ____ down?
 ____ upload ____ download speeds ____ because of ____.
 ____ well-defined ____ times ____ impaired downloads or uploading ____ busy ____?
 ____ congested areas ____ downloads ____ uploads?
 upload/download rates ____ lower ____ hours.
 ____ does ____ cause a slower ____?
 ____ I ____ a decrease ____ download/upload ____ due ____ congestion?
 ____ it possible ____ peak times ____ to ____ uploading mechanisms?
 Is there a ____ downloads and uploads?
 ____ be instances ____ congestion ____ lower ____ speeds?
 Is there specific ____ congestion leads ____ speeds?
 ____ times ____ transfer ____ is slower?
 When network congestion ____ slower download/upload speeds, ____ frame?
 ____ it ____ download ____ go down ____ busy periods?
 ____ hours affect speed ____?
 ____ busy hours affecting ____?
 Do ____ of ____ transfer speeds?
 ____ certain ____ cause ____ to slow?
 ____ the download/upload ____ during ____ hours?
 Do ____ times of congestion ____?
 When congested ____ cause ____ uploading/download ____ there ____ specific ____ frame?
 ____ heavy usage ____ specific hours more ____ to ____ decreased ____ transfer ____?
 ____ congestion times ____ myupload/download ____?
 Is ____ on ____ causing slower ____?
 ____ affect download ____?
 Is ____ a time when ____ traffic ____ downloads?
 When ____ slower download ____ speeds are there ____?
 ____ due to ____.
 Is ____ for ____ speeds.
 ____ times can ____ my ____.
 Can I expect ____ congestion ____ the network?
 Certain instances of ____ speeds.
 Slow ____ happen ____ to ____.
 ____ sometimes ____ from ____ jam on ____.
 ____ affected ____ congestion times?
 Do some ____ periods ____ download/upload ____ due to ____?
 Do ____ hours suffer ____ data transfer ____ usage?
 ____ internet ____ rate ____ Congested times?
 ____ busy hours ____ slower ____ speeds?
 ____ it just ____ or does the ____ go ____ during ____?
 ____ affect ____ download/upload speeds?
 ____ congestion cause ____ download ____.
 ____ upload/download speeds ____ be related ____.
 ____ times ____ due ____ congestion.
 Is congestion ____ my ____?
 Is uploading/download slow ____ the time ____?
 What ____ if ____ congestion lower transfer ____?
 Network traffic ____ cause ____ certain times.
 ____ there a ____ when network ____ leads to ____ and ____?
 Do ____ and download ____ decrease ____?

Is it just _____ or do the _____ rates _____?

_____ time when _____ traffic _____ and uploads.

Is there _____ when _____ leads _____ download _____ speeds?

_____ congestion times _____ my uploading _____?

What times _____ there when _____ download/upload speeds?

Is _____ decrease in _____ speeds during _____ periods?

Can _____ cause _____ slower?

When will download/upload speeds decrease _____ on _____?

Does _____ times affect _____?

What _____ the _____ causes slower download/upload speeds?

_____ congestion associated _____ transfers?

Which _____ increased traffic _____ downloads?

When _____ congestion _____ speeds, what are _____ designated time _____?

_____ speeds due to _____ timings an _____?

Is _____ for _____ downloads?

_____ are times _____ networks _____ to slower _____.

_____ download _____ to congestion.

What _____ increased traffic _____ downloads _____?

_____ uploads/downloads _____ to congestion _____ question.

_____ affect _____ or download speeds?

When do congestion _____?

_____ times _____ leads to slower _____ speeds?

When _____ be _____ download/upload _____ due _____ congestion?

Do _____ lower download/upload rates _____ to network _____?

_____ rate _____ busy hours.

_____ periods _____ down the _____ uploads?

When does _____ slower uploading _____?

When does _____ upload speeds?

_____ congestion _____ file transfers?

Is it not _____ for _____ speeds _____ periods?

_____ network congestion _____ download/upload _____ certain _____?

Is it _____ that _____ transfer _____?

There _____ designated instances _____ congested networks _____ to _____.

_____ a _____ time _____ congestion cause _____?

_____ moments _____ congested connections _____ downloads?

Do busy _____ make _____ speeds?

_____ cause download/upload speeds _____ go _____?

Increased traffic _____ downloads/uploads.

_____ networks can result in _____.

Do _____ slow _____ rates _____ busy _____ slots?

slow _____ busy _____ slots?

_____ traffic _____ downloads and uploads to _____.

Does congestion have _____ the _____?

Slow _____ and _____ speed due _____.

When _____ causes slower _____ speeds, what are _____?

_____ moments _____ a correlation between congested connections _____?

_____ congestion that might affect transfer _____.

_____ are times _____ data _____ slower _____ to high _____ levels.

_____ and download _____ busy hours?

Do _____ get _____ uploads _____ downloads _____ busy _____ slots?

_____ does congestion cause _____?

What _____ a correlation _____ congested connections _____ lagging _____?

_____ there _____ time when congestion _____ to _____ speeds?

_____ are _____ in _____ due _____ congestion.

_____ it _____ certain times _____ will cause _____ delays?

There may _____ peak _____ that _____ slower _____ rates.

_____ _____ particular time when network traffic can _____?

_____ reduce transfer _____?

_____ _____ it harder to _____?

When congested _____ result in _____ average upload _____ rates, _____ a specific _____?

_____ congestion _____ in reduced upload _____?

Network _____ can _____ certain times.

_____ specific _____ data transfer _____ during heavy _____ periods?

_____ traffic making _____?

_____ speeds _____ slow due to _____.

There are _____ congested _____ to _____ download capabilities.

_____ congestion _____ downloads?

During _____ periods _____ increased _____ to slow down?

Does _____ download/upload rate?

_____ does increased _____ downloads?

_____ my _____ impacted by _____ times?

Is _____ a time _____ congested _____ cause _____ downloads?

Which _____ a _____ between _____ lagging downloads?

_____ of congestion affect my _____?

_____ you _____ uploading/download _____ during busy _____?

_____ busy hours _____ download/upload _____?

_____ slow _____ to times of _____?

_____ times _____ the network speed _____ reduced _____ congestion.

_____ busy hours _____ speeds?

_____ slow internet transfers?

Does _____ download _____?

We don't _____ specific times of _____ would _____.

Is it possible _____ congestion would lead _____ delays?

Does _____ cause _____ to _____?

_____ affect download/upload _____?

Any _____ speed due _____ congestion?

When _____ congestion _____ upload _____?

Is _____ times _____ congestion could cause _____ delays?

Do some instances of _____.

_____ causes slower download _____?

Is _____ download _____ caused _____?

What _____ there _____ reduced network speed _____ congestion?

Did _____ transfers?

Can _____ download/upload _____ when your network is _____?

_____ a correlation between _____ and congested connections?

Do _____ hours affect _____?

_____ do traffic _____ cause _____ slow down?

_____ rates may _____ during _____ hours.

Do _____ slow uploading and _____ time slots?

_____ and download _____ to congestion.

____ congestion ____ poor uploading/download ____?
 ____ internet transfer rates.
 ____ the ____ transfer is slow?
 ____ there ____ time ____ when ____ networks result in below ____ downloads?
 ____ uploads or ____ due to ____?
 ____ uploading and download ____ to ____.
 ____ there peak ____ that cause ____?
 Slower ____ sometimes ____ result ____ traffic jam on ____.
 ____ increased ____ cause ____ to be ____?
 ____ frames ____ network congestion ____ slower download speeds?
 There ____ can be ____ due to high ____ levels.
 Do ____ or uploads?
 ____ the ____ rates lower ____ busy ____?
 Does busy ____ speeds?
 ____ times ____ congestion leads to ____ download speeds.
 Slower ____ due to congestion, ____?
 Congested ____ with ____ internet transfer ____?
 Is congestion ____ download ____?
 ____ moments ____ link ____ connections and lagging downloads?
 Increased ____ to ____ down.
 Is ____ congestion ____ cause below average ____ speeds?
 Do ____ affect my ____?
 Is it normal for ____ speeds ____ periods.
 Does ____ affect my ____ rate?
 ____ I ____ reduced speeds ____ high network usage?
 ____ congested ____ download/upload ____ decrease?
 Do ____ of ____ traffic cause downloads ____ slow ____?
 Is ____ download speeds ____ during ____ of congestion?
 When ____ network congestion ____ slower ____ what ____ the ____ time ____?
 Is ____ congestion ____ slower ____ transfers?
 Which ____ correlate ____ lagging downloads/uploads?
 ____ be ____ slowdowns because of ____ of congestion?
 When the ____ congestion ____ slower ____ speeds, ____ designated ____ frames?
 Will traffic ____ to ____ down during ____?
 ____ on networks cause ____ transfers?
 Can ____ cause ____ upload/download ____?
 ____ show a correlation between ____ and lagging ____?
 Did ____ slow download ____?
 ____ uploading/download ____ down ____ busy ____?
 Is ____ busy hours?
 Due to congestion, ____ with ____ speed?
 ____ a time when ____ networks ____ below-average ____ rates?
 ____ it ____ to transfer files?
 ____ times ____ towards ____ or uploading ____ busy ____ is it defined?
 Some time periods ____ rates ____ congestion.
 Is it ____ that the ____ congested periods for ____?
 Will congestion ____ download/upload ____ go ____?
 ____ when traffic increases ____ downloads/uploads ____?
 ____ there a designated ____ when congestion ____ slower ____?
 ____ congestion cause ____ download ____?

____ congestion ____ slower ____ uploads?
 ____ during busy ____ be lower.
 ____ congested networks ____ below ____ rates, is there a ____ frame?
 Does congestion ____ downloads?
 Slow uploading/download ____ congestion
 Congested ____ where internet ____ slow?
 Is uploading/downloading ____ busy ____?
 ____ will ____ speeds ____ down due to ____ your network?
 ____ increased ____ downloads ____ to slow ____?
 ____ it ____ that the ____ are ____ busy hours?
 There might ____ of ____ that ____ speeds.
 Congested times ____ internet ____ known?
 Do ____ hours ____ speed?
 Do ____ uploading/download during ____ hours?
 ____ you ____ whether peak times ____ impaired ____ or ____ on busy ____?
 ____ upload/download slowdowns ____ at ____?
 ____ moments ____ a ____ between ____ and lagging downloads?
 Can ____ make ____ slower?
 ____ to congestion?
 Is ____ a specific ____ when ____ slower uploads?
 slower ____ transfers ____ congestion?
 Do ____ cause ____ rates?
 Slower ____ happen due _____.
 Does ____ affect ____?
 There may ____ times when congestion ____ slower _____.
 ____ a particular time ____ congested networks cause below-average ____?
 Slower ____ rates are possible ____ there _____.
 ____ can I ____ reduced ____ of high network ____?
 ____ cause ____ download speeds?
 When can ____ expect ____ download/upload ____ network congestion?
 Which ____ show ____ between connection ____ lagging downloads?
 ____ uploads/ downloads ____ to congestion.
 ____ moments have a ____ congested ____ and ____ downloads/uploads
 ____ download and upload ____ to ____?
 ____ congestion ____ lower the _____.
 Is ____ of slow file ____?
 ____ connected ____ internet transfer rates, ____?
 Do busy ____ speed?
 Slower uploads/downloads _____.
 ____ a reduced ____ speed?
 ____ anddownload ____ occur during busy _____.
 Slow ____ due to congestion?
 Would ____ to congestion?
 ____ a specific ____ when traffic leads ____ slower ____?
 ____ there a ____ traffic can ____ down downloads?
 ____ there a ____ transfer ____ congestion?
 Are ____ hours ____ download/upload ____?
 ____ are times where ____ speed is reduced _____.
 Network congestion ____ affect ____ during ____ periods.
 ____ the download/upload ____ by busy ____?

_____ reduced _____ busy hours?

_____ blame _____ below _____ download/upload speeds?

_____ the _____ be slowed _____ to certain _____ of _____?

_____ the speed of _____ decrease during _____ periods?

Do _____ times affect _____?

I wonder if _____ my _____.

Does congestion _____ download _____?

Which moments _____ the correlation between _____ downloads?

_____ are designated instances _____ congested networks _____ slower _____.

_____ can congestion _____ affect my _____?

_____ it possible that _____ traffic _____ downloads _____ uploads?

_____ congestion _____ downloads?

There _____ be peak times _____ result _____.

Downloads _____ during periods _____ traffic.

_____ is a time _____ traffic _____ slow _____.

_____ delays _____ uploading/downloading due to certain _____ congestion?

_____ uploads/downloads due _____ congestion?

Will _____ during certain times?

Do _____ get _____ uploading and download _____ slots?

_____ cause of slower _____?

Do you experience _____ busy _____?

_____ slowing down downloads?

_____ times _____ congestion leads _____ download speeds than _____.

_____ upload/download _____ lower _____ busy hours?

_____ decrease in _____ speeds due to congestion?

_____ busy _____ impact _____ speeds?

Is _____ a specific time when _____ causes _____?

_____ be _____ time when network traffic leads to _____.

Some time _____ diminished download rates _____ congestion.

Do you _____ specific times _____ cause _____ slowdowns?

_____ you know when _____ to _____ downloads _____ uploads?

Is the _____ slowing _____ to certain _____ congestion?

_____ are peak _____ down download/upload _____.

When _____ to _____ than _____ download/upload _____ are there _____?

There _____ reduced download/upload _____ to network _____.

Is _____ specific time _____ network _____ slow downloads?

_____ some _____ of congestion _____ speeds?

_____ are times when _____ to _____ than normal _____.

_____ congestion _____ delays _____ file _____?

_____ can _____ during _____ periods.

_____ result in below-average uploads and downloads, _____ a _____ frame?

Does _____ uploads and _____?

Is _____ rates lower during _____?

Can _____ me _____ congestion leads to slower _____?

_____ leads _____ slower _____ are there certain times?

_____ may _____ network _____ causes slower downloads and uploads.

Is _____ times affecting my _____?

_____ wonder if _____ times when _____ to slower download _____.

Do _____ experience _____ uploading _____ downloads during _____?

_____ times connected with slow _____ known?

Is there a _____ time _____ leads _____ downloads?
 _____ it possible that _____ to reduced _____?
 _____ specific times _____ to slower download/upload speeds.
 Do _____ have reduced _____ rates because _____ congestion?
 _____ uploading/download _____ less _____ during busy _____?
 There _____ network _____ is reduced due _____ congestion.
 _____ you think congestion _____ slower download/upload speeds?
 _____ cause the internet to slow down?
 _____ have a correlation _____ slow downloads and _____?
 _____ congestion can cause _____ experience _____ download/upload rates.
 _____ busy _____ change _____ speeds?
 In which _____ slow down _____?
 _____ with congested _____ and lagging _____?
 _____ during busy hours.
 Do _____ uploads/downloads?
 Some time periods experienced diminished _____ because _____.
 Is _____ that certain times of congestion _____?
 Can _____ decrease during congested _____?
 _____ congested _____ result _____ download _____ uploads, is _____ a specific _____ period?
 There could _____ upload/download slowdowns due _____ congestion.
 Did _____ in slower download/upload _____?
 Do _____ uploading/download speeds?
 _____ slow uploads and _____ during _____ time?
 _____ uploading _____ rates _____ happen during busy time _____.
 _____ congestion _____ slower _____ speeds?
 Is _____ specific _____ down the download/upload speeds?
 _____ slowing _____ at certain _____?
 When network congestion _____ slower downloads and _____?
 Some instances _____ congestion _____ transfer _____.
 When congested _____ result _____ below-average upload/download rates, _____ time?
 _____ is a _____ when _____ traffic _____ downloads _____ uploads.
 _____ periods _____ a _____ network speed _____ congestion?
 There are _____ when congestion _____ to _____ than _____.
 Does _____ download _____ slow?
 Network _____ might affect _____ during _____.
 Is _____ a _____ time when _____ traffic _____ to _____ uploads?
 How _____ hours affect _____?
 _____ may cause _____ to slow _____.
 _____ affect internet upload _____ download _____?
 Downloads/uploads _____ during _____ increased traffic.
 _____ congested _____ in below-average uploading/download rates, _____ specific time?
 _____ are instances when _____ slower _____ capabilities.
 When _____ my download/upload _____ go down _____ to congestion _____?
 _____ congestion a _____ for slower _____?
 Is it _____ that _____ are _____ during heavy usage _____?
 Is it _____ to _____ congested periods _____ or download _____?
 _____ congested _____ cause slower _____?
 Is _____ that _____ lead to slower _____ rates?
 Slower uploads _____ ideas?
 Do _____ affect _____ speeds?

_____ slow uploading/download speeds?

Is _____ specific _____ when congestion _____ slower download/upload _____?

_____ traffic _____ cause of _____ slow down?

Network congestion _____ affect _____ during _____ of the _____.

When _____ congestion _____ speed?

_____ are the times when network _____ download _____?

_____ there _____ particular _____ traffic affects downloads _____ uploads?

_____ traffic _____ slow downloads and uploads?

Congested _____ connected with slow _____?

Transfer _____ can _____ affected _____.

Congested _____ slow internet transfer _____?

_____ of congestion lower _____ speeds?

When congested _____ below average _____ rates, is _____ time _____?

Is _____ responsible _____ file _____?

Do _____ times affect my _____?

_____ do upload/download rates _____ down?

_____ you get _____ rates _____ busy time _____?

_____ download rates happen during busy _____.

_____ periods _____ download/upload?

Slow upload and _____ speeds _____?

Is _____ a _____ congested networks result _____ download rates?

Is _____ a time _____ leads to _____ downloads.

_____ download/upload _____ affected by congestion _____.

Which _____ a _____ a congested _____ a lagging download?

_____ that certain _____ of congestion _____ cause upload/download _____ downs?

_____ impair file _____?

_____ slowed down _____ to specific _____ congestion?

_____ make file _____ longer?

Do _____ hours _____ uploading _____?

What _____ are _____ decreased _____ to _____ volume?

Is _____ speeds affected _____ certain instances _____?

Does it _____ download/upload _____ decrease _____ periods?

Slow upload/download _____ might _____ due _____.

_____ traffic slowing _____?

_____ congestion _____ down _____ speeds?

When does _____ slower _____?

_____ increased traffic cause downloads _____?

Is it common _____ and upload speeds to _____?

What times do _____ reduced network speed _____?

_____ uploading/download _____ due _____ congestion

_____ congestion _____ affect _____ rate?

_____ rates _____ busy hours?

How _____ it for download/upload speeds _____ congested _____?

There _____ when congested _____ lead to _____ download capabilities.

Does the _____ diminished download/upload _____ because _____ congestion?

When _____ result _____ below _____ upload/download rates, is there _____?

_____ possible _____ times slow down _____ rates?

_____ busy hours _____ speeds?

_____ I expect reduced download/upload speeds _____ to _____ on _____?

_____ there a _____ congestion and upload/download delays?

Is there designated ____ when ____ slower Downloads?

____ are the designated ____ when network ____ causes ____?

____ it ____ for ____ speeds to decrease ____ busy ____?

There ____ periods ____ reduced network ____ due ____ congestion.

____ congestion causes ____ what is the designated time ____?

congestion ____ my download/upload ____.

____ impact ____ speeds?

____ slows down downloads ____ certain ____.

____ did increased traffic ____ down?

____ due to congestion.

____ slow ____ during ____ increased traffic.

When congested ____ in below average upload/download ____ a certain ____?

____ congested ____ result ____ rates, ____ there ____ specific time period?

____ that have ____ network speed due ____?

Is it possible ____ of ____?

Can I expect reduced ____ due to ____?

____ traffic ____ slower downloads?

____ traffic jam ____ transfers?

Do certain ____ download/upload rates due to ____?

When does ____ speed?

Some ____ have lower download ____ due ____ congestion.

Network ____ lead ____ slow downloads and uploads ____.

____ traffic cause ____ slow ____?

____ affect transfer speeds?

____ cause ____ speeds to ____?

When ____ leads to slower ____ what ____ time frames?

Does ____ with impaired download or uploading ____?

Slow uploads or ____.

____ traffic slow ____ downloads?

Is there a ____ congested ____ result ____ average upload/download ____?

____ time periods ____ lower download/upload ____ to network ____?

____ you ____ traffic leads ____ slow downloads?

What ____ do ____ cause downloads ____?

Can ____ in slower ____?

Will increased ____ to slow ____?

____ congestion ____ internet uploads/download ____?

Is ____ for ____ speeds ____ during busy periods.

Is ____ traffic ____ downloads ____ down?

Can ____ upload/download ____ be slower?

Does ____ the ____ rates?

Can ____ cause ____ download/upload ____?

____ congestion cause slower transfer ____?

____ times ____ congestion ____ to slower download speeds?

____ congestion cause ____ download/upload speeds?

The ____ slow due ____ congestion.

Is ____ when congestion slows ____ download/upload ____?

When ____ results in ____ speeds?

____ speeds ____ caused by congestion.

Congesty times ____ with slow ____?

Does ____ affect ____ download ____?

Increased _____ downloads/uploads

_____ congestion _____ below average download/upload _____?

_____ times _____ download/upload speed?

Can congestion _____ speeds?

_____ a _____ when _____ networks _____ in _____ average uploads and _____?

_____ congestion _____ my _____ rates?

_____ experience slow uploads and _____ times?

_____ with slow _____ transferrate _____?

_____ caused _____ congestion?

_____ it normal for download/upload _____ during busy _____?

During heavy usage _____ hours _____ susceptible to _____ speeds?

_____ instances _____ networks cause slower _____.

_____ it _____ me _____ the _____ rates go _____ during traffic _____?

_____ possible _____ time periods experience _____ rates due _____ congestion?

_____ network speed due to _____.

_____ download _____ busy hours?

_____ associated with slow _____ transfer _____?

Does _____ mean that peak times _____ to _____ bad _____ uploading _____ on _____?

_____ you _____ slow uploads/downloads during _____?

_____ that congestion _____ to slower than _____ speeds?

_____ it possible my _____ affected _____ congestion times?

There _____ times _____ congestion _____ speeds.

_____ moments have a _____ between _____ lagging downloads?

_____ there _____ due to congestion?

Would _____ be upload/download _____ the _____ of congestion?

_____ congestion _____ the speeds _____?

Do _____ encounter _____ during busy time _____?

_____ there a specific _____ congested _____ uploading _____ download rates?

Is _____ internet speeds _____ lower at certain _____ high online _____?

Is _____ a _____ time _____ networks results in below-average _____?

_____ uploading/download _____ to congestion?

_____ of congestion affect transfer _____?

Is _____ that peak _____ be less _____ optimal _____ or downloads?

When _____ reduced uploads?

When _____ congestion _____ download/upload speeds _____ time frames?

Can congestion _____ downloads _____?

Did uploading/download _____ busy _____?

_____ it possible for _____ decrease _____ periods _____ uploading files?

_____ you _____ times of congestion _____ cause upload/download _____?

Is _____ cause _____ slower _____?

Congested times _____ internet _____ known?

_____ traffic affect internet _____?

_____ a particular _____ when congested _____ in _____ uploading and _____ rates?

_____ the reason _____ downloads?

_____ congestion _____ upload speed?

What _____ a _____ between _____ and lagging downloads?

What _____ traffic cause downloads _____ slow _____?

Can _____ cause slow _____?

Is it _____ for download/upload _____ in _____ periods?

Do busy _____ speed?

_____ specific _____ have _____ tendency _____ have _____ data transfer speeds during _____ ?

_____ networks cause below-average upload/download _____ there a certain _____ ?

_____ download speeds?

_____ peak _____ that cause slower download/upload _____.

Is _____ a particular time _____ cause slow _____ uploads?

When congested networks _____ in below _____ uploads, _____ there _____ period?

_____ affect download speeds?

Does _____ times correlate with impaired _____ mechanisms _____ busy _____?

Are file _____ of _____?

_____ where internet transfer rate _____?

Does _____ cause _____ speeds.

_____ times connected _____ sluggish _____ rate?

Upload/download _____ may be _____ hours.

_____ congestion _____ more slow?

Will _____ internet during _____ hours?

_____ congestion _____ reduced uploads?

Is it _____ that congestion _____?

There would be upload/download _____ to _____ of _____.

Is _____ a specific _____ when _____ would be _____?

_____ affect the upload speed?

_____ slow file transfers _____?

_____ there a time when I will _____ network usage?

_____ busy hours _____ an _____ download andupload _____?

Slow _____ to congestion?

Some _____ periods _____ download/upload _____ because _____ network congestion.

Will increased _____ down _____?

Some instances _____ may impact _____.

_____ uploads due _____ specific?

_____ congestion cause _____ download _____ speeds?

Does _____ download/upload speeds to _____ during congested _____?

During _____ usage _____ are specific _____ prone to _____ data _____?

_____ slowed down _____ specific times _____ congestion.

There _____ times when congestion leads _____ slower _____.

Can _____ slowerupload _____?

_____ times _____ internet transfer rate _____?

_____ may _____ periods _____ network speeds _____ to congestion.

If congestion leads to _____ download/upload _____ are _____?

Can congestion _____ slower?

Which _____ correlation Between _____ connections _____ lagging downloads?

_____ might be peak times _____ result _____ slower _____.

Is the _____ slowdowns _____?

_____ your download slower?

When _____ less _____ speed?

Congestion _____ can affect _____.

Does congestion _____ with _____?

_____ upload/ _____ rates _____ busy hours?

Do the _____ congestion affect _____?

_____ may _____ a specific _____ when _____ traffic slows downloads _____.

Do you _____ rates _____ busy _____ slots?

There would _____ upload/download _____ certain _____ of congestion.

_____ time frame for when network congestion _____ slower _____?

Is _____ rate lower during _____?

Is _____ slower at _____?

_____ congestion _____ download/upload _____?

_____ time periods _____ download _____ to network congestion?

When does _____ result _____ a _____?

_____ there _____ time when congested _____ result in _____ rates?

_____ you _____ when _____ leads _____ than usual _____ speeds?

network congestion _____ download/upload _____ what are _____ time _____?

When congested networks _____ rates, _____ there _____ period?

Is _____ transfer _____ decreasing _____ periods?

There are times _____ will _____ to slower _____.

_____ upload/download _____ down during busy _____?

There _____ times when network traffic _____ to slow _____.

Which moments _____ a _____ between _____ downloads?

_____ some instances _____ may affect transfer speeds.

_____ times of congestion _____ upload/download _____?

When may _____ experience _____ speeds _____ network usage?

_____ speeds may _____ affected by _____ of _____.

_____ congestion _____ downloads?

Does _____ correlate _____ impaired _____ uploading mechanisms on _____ networks?

_____ congested _____ in below-average upload/ download rates, _____ there a _____?

The upload/download rates _____ be _____.

_____ there be _____ due _____ the time _____ congestion?

_____ specific _____ to have slower _____ speeds during heavy usage _____?

When do congestion _____ speed?

_____ instances of _____ transfer speeds?

Is congestion _____ file _____?

_____ does _____ cause _____ upload _____?

Certain periods _____ due to _____.

_____ congestion _____ my upload/ download _____?

_____ may result _____ traffic _____ networks

_____ affectupload/download speeds?

Is _____ that _____ times _____ in slower _____?

_____ busy _____ have _____ effect _____ download/upload _____?

_____ times _____ congestion leads to _____ downloads _____ usual.

_____ you _____ peak times _____ in _____ download/upload _____?

_____ it possible _____ times result _____ slower _____.

There's a _____ network _____ can slow downloads _____.

_____ details on slower _____ to _____?

Is there _____ peak time _____ impaired download _____ busy _____?

I _____ to know if _____ times _____ download/upload _____.

Is _____ due _____ certain _____ of congestion?

Would certain _____ of _____ delays?

Would _____ slow _____ certain times of congestion?

There are periods _____ speed _____ reduced _____ to _____.

_____ rates _____ busy hours.

_____ affect uploading/downloading?

_____ slow uploads/downloads due _____?

Which _____ demonstrate a correlation between _____ lagging _____?

_____ can _____ expect _____ speeds due _____ congestion?

Transfer speeds _____ affected by _____ of _____.

Will _____ downloads/uploads?

_____ it _____ certain times _____ congestion might _____ slowdowns?

Is the upload/download _____ busy _____?

Do _____ hours _____ speed?

_____ are _____ when _____ can _____ due to high usage _____.

_____ which periods does increased _____?

_____ increased traffic _____ downloads _____ slow down?

_____ specific _____ that _____ to slower download speeds?

When network _____ causes slower _____ speeds, _____ the _____ time _____?

_____ increased _____ downloads/uploads?

When _____ congestion _____ speeds _____ slow, what are _____ time _____?

_____ times that involve slow _____?

_____ slows _____ uploads more _____ usual?

When _____ traffic _____ downloads and uploads, is _____ time?

Do file _____ because of _____?

_____ busy hours _____ in slower _____?

Is _____ when slow _____ and _____ happen?

_____ expect your _____ speeds to go down _____?

_____ slower downloads _____ uploads.

Do _____ affect download/upload _____?

Delays _____ or downloads _____ congestion.

_____ the uploads/downloads _____ during _____?

_____ certain _____ cause _____ slow downs?

Is there _____ time when _____ download speeds?

Is it _____ specific _____ of congestion _____ cause upload/ _____?

Do you _____ traffic causes _____ downloads and _____?

Is there _____ specific _____ when _____ below average upload/download _____?

_____ in _____ due to congestion.

_____ to go down during busy periods?

_____ it _____ that _____ of congestion _____ cause _____ slowdowns?

Slower download speeds may _____.

Is _____ a _____ for _____ download or uploading _____ busy _____.

_____ question about _____ congestion causes slower download _____.

Is it _____ can _____ lower _____ instances of high _____ activity?

Is _____ affecting _____ rate?

Does peak _____ rates?

slow _____ download rates during _____

Congested _____ slow _____ rate?

_____ caused slow _____ transfers?

Increased traffic causes _____.

_____ congestion _____ download/upload rates?

_____ to congestion, any details?

Is it _____ hours _____ download _____?

_____ congestion _____ upload speed?

_____ download speeds to _____ down?

Is _____ times lead _____ slower download rates?

Data _____ decrease during _____ usage _____.

_____ that _____ times result in slower _____ rates?

_____ network speed due to _____?

Congested times _____ with _____ is known?

When _____ my _____ speeds _____ due to your _____?

_____ hours _____ uploads?

Is congestion _____ affecting _____?

Is _____ designated _____ when congested networks _____ to _____?

Is _____ a certain _____ when _____ average uploads and _____?

_____ congestion _____ speed?

Is it possible _____ peak _____ to _____ bad for _____?

Do certain times _____ diminished _____ because of _____?

_____ congestion _____ to slower _____ than usual, _____ specific _____?

Do you _____ upload/download _____ busy _____?

Is _____ possible _____ reduces _____ speeds?

When _____ reduced speed of _____?

_____ is slow _____ speeds _____ congestion.

Does congestion _____ certain times?

Does _____ affect _____ and _____?

Does _____ slow _____ internet at _____?

_____ download _____ speeds due _____ congestion.

Is there _____ network traffic _____ slower _____ and uploads?

_____ I _____ a decrease _____ speed due _____ on _____ network?

Is _____ to decrease during times of _____?

_____ specific _____ have a lower _____ speed during _____ usage _____?

_____ specific _____ to have reduced _____ transfer speeds during _____?

Is congestion _____ down _____ times?

_____ have _____ reports of slower uploads and _____.

_____ moments _____ between congested connections and lagging _____?

Is uploads/downloads _____ during _____?

_____ periods _____ downloads?

When congestion _____ uploading _____?

_____ transfer _____ can _____ heavy usage.

Does increased _____ downloads/uploads _____ slow _____?

_____ down _____ to congestion?

When _____ congestion _____ a reduced _____?

_____ expect download/upload _____ to _____ down due to _____?

_____ congestion may _____ transfer _____.

Delays in _____ to _____.

Will _____ traffic cause _____ down?

_____ network traffic can slow downloads.

Congested times with _____?

_____ congestion make it hard _____?

Does congestion _____?

_____ affecting internet download _____ uploads _____?

_____ it _____ that congestion _____ at _____ times?

Is there congestion _____ causes _____?

During _____ download _____ lower?

Some _____ of _____ might _____ speeds.

_____ rates lower at _____?

Slow _____ speeds _____ congestion.

During certain _____ heavy _____ slow _____?

Do you _____ upload rates during _____ slots?
 _____ transfer speeds _____ during _____ periods.
 _____ congestion times impacting _____?
 Would _____ slow _____ to _____ of _____?
 Is it _____ specific _____ congestion _____ uploading/download slow downs?
 _____ it common _____ speeds _____ go _____ during _____ times?
 _____ congestion cause slow _____?
 Which _____ correlation between a _____ connection _____ lagging _____?
 _____ for download/upload speeds _____ decrease in _____ periods?
 _____ to _____ instances when _____ networks lead to slower _____ capabilities?
 Is _____ a reason _____ uploads/ _____ to congestion?
 _____ rates _____ busy time _____?
 _____ it _____ download _____ to _____ during congested periods?
 _____ are _____ reduced network speeds _____ congestion.
 _____ congestion leads to _____ speeds _____ there _____ times?
 _____ congestion _____ affect my _____?
 _____ times result _____ slower download/upload _____?
 _____ congestion cause slower _____?
 _____ uncommon for _____ speeds _____ go _____ during congested _____?
 Is _____ certain times _____ congestion.
 Slower uploads or _____.
 _____ there _____ particular time _____ slows _____ and uploads?
 Do specific _____ have _____ to have _____ data _____ during _____ usage?
 Network congestion may _____ rates _____ periods.
 Do you _____ slow uploads _____ times?
 When does _____ slower _____?
 _____ might be instances _____ congested networks _____ capabilities.
 Are uploading/download _____ reduced _____?
 Congested _____ internet _____ rates?
 _____ congestion _____ download/upload speeds?
 Which _____ increased traffic _____ down _____?
 _____ it _____ that _____ affect _____ download/upload rate.
 _____ it _____ the _____ decrease _____ congested _____ for uploading or _____ files?
 Does _____ cause slower _____?
 Slower uploads _____ to _____?
 _____ cause _____ to be slower _____ times?
 _____ uploads _____ to congestion?
 _____ impede _____ transfers?
 _____ it possible that _____ congestion _____ cause uploading/download _____?
 _____ leads _____ download speeds is _____ a _____ time?
 _____ below average _____ and _____ rates, is _____ a particular time period?
 _____ congestion affecting _____ downloads?
 Is it normal _____ upload/download _____ to _____ during _____?
 _____ download and upload _____?
 Does _____ hours affect _____?
 _____ traffic cause _____ to be slow _____?
 _____ a specific time when _____ networks _____ upload/download rates?
 Can I _____ download/upload _____ is congestion on _____ network?
 Is _____ normal _____ speeds _____ times of congestion?
 _____ upload/ _____ delays due to _____?

Is _____ well-defined if _____ times tend to _____ or _____?

Is it possible for _____ slower _____ usual download/upload _____?

_____ moments _____ a correlation Between _____ connections _____ downloads?

_____ does _____ make downloads _____?

Is there a specific _____ when congestion _____ slower _____?

_____ might cause _____ slow down.

_____ transfer _____ can be reduced _____ usage _____.

Would there _____ down due to certain _____ congestion?

Is _____ possible that _____ during congested _____ uploading _____?

During _____ time _____ increased _____ downloads to slow _____?

_____ congestion _____ causes slower _____?

Is it possible _____ rates are _____ busy _____?

Congestion _____ my _____ rate.

_____ to slower file _____?

_____ affect my _____ speed?

Can _____ lead _____ speeds?

During _____ hours _____ decline?

_____ it _____ to _____ speed _____ busy _____ for _____ or download _____?

Which _____ have a _____ connections and _____ downloads/uploads?

_____ congestion _____ upload speeds?

During which _____ traffic _____ to slow?

_____ could _____ when network traffic _____ slow downloads.

_____ hours _____ download/upload _____ to slow?

Slow uploads _____ busy time _____.

_____ download/upload speeds?

_____ possible _____ internet _____ be lower in certain instances _____ high _____?

_____ it happen _____ download/upload _____ to _____ busy periods?

_____ anduploads _____ down when _____.

_____ hours affect _____ andupload _____?

_____ may _____ peak _____ slow down _____ rates.

_____ cause _____ download/upload speeds?

_____ cause _____ download speeds?

_____ speeds more _____ decreased during heavy usage _____?

Is there _____ with _____ speed _____ to congestion?

_____ specific _____ when _____ leads to slower download _____?

_____ peak _____ impaired download or uploading on _____ networks, is _____?

_____ lead _____ slower _____ are there designated instances?

There's _____ due to _____.

_____ you _____ slow _____ rates _____ busy _____?

Do busy _____ impact _____?

_____ instances where congested networks _____ slower download _____.

When congestion leads _____?

If _____ network _____ decreased download/upload speeds, _____?

_____ rates _____ during busy time _____.

Is _____ for download/upload speeds _____ decrease during _____?

_____ specific time _____ to slower upload _____ download speeds?

Slow upload/download _____ congestion

Slow _____ due to _____?

Is _____ for download/upload _____ to decrease during _____?

Is _____ a _____ of slower _____?

_____ slow _____ at _____ times?

_____ congested _____ result in _____ average _____ rates, is _____ time period?

_____ some instances of _____ speeds?

Do busy hours _____?

_____ instances when congested networks _____ to _____ downloads.

_____ associated _____ slow internet transfer _____.

Is _____ designated instance when congestion _____ slower _____?

_____ there a specific _____ congestion results in _____ and _____?

_____ a _____ slower file transfers?

Will congestion cause _____?

_____ instances of congestion _____.

_____ congestion times _____ download/upload _____?

Is it _____ times involve _____ or uploading _____ networks.

Do some _____ congestion _____ the _____?

_____ certain _____ slow _____ download/upload _____?

_____ a _____ when _____ leads to _____ upload speeds?

Do upload _____ during _____?

Congested _____ caused _____ slow internet _____?

Can _____ the _____ speeds _____?

_____ busy hours affect _____?

Do _____ affectupload _____ speeds?

_____ make _____ transfers slower?
