

[Demo] NLP Dataset for Customer Service Automation

Company Type	Water and Wastewater Utility Companies
Inquiry Category	Water quality and safety concerns
Inquiry Sub-Category	Chlorination and Fluoridation
Description	Inquiries about the use of chlorine and fluoride in water treatment processes, including their purpose, dosage, and potential health effects associated with long-term exposure.
Data Size	5,054 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Water and Wastewater Utility Company" customer inquiry. (Purchased data will not be masked.)

_____ impact dental _____ over time?
_____ effects of _____ on _____ time?
_____ what impact _____ fluoridation have _____ well-being?
How does _____ introduction of ferridation _____ the _____ over the _____ a _____?
Will _____ health _____ affected by _____?
_____ health over _____ by fluoridation.
How does adding _____ health _____ the _____?
Do you think _____ dental _____?
_____ are the _____ teeth?
_____ will _____ health _____ impacted by fluoridation _____?
The long-term _____ on dental _____ is not _____.
_____ of _____ on teeth afterwards?
_____ does _____ your dental _____?
Dentistry _____ be _____ water _____.
_____ fluoridation improve _____ time goes _____?
_____ fluoride will affect dental _____.
_____ long-term _____ on teeth?
_____ do _____ health _____ the _____ of fluoride over _____?
_____ you think _____ ongoing _____ to _____ help _____ teeth?
Does _____ influence _____ dental health _____ time?
Long-term _____ on teeth?
_____ is _____ by fluoride.
_____ wonder _____ fluoridation _____ after a while.
Does fluoridation influence _____?
Can _____ make a difference _____?
_____ fluoridation on _____ health _____ persist over time.
Can _____ to fluoride _____ teeth?
_____ fluoridation _____ a difference in dental _____ over _____?

_____ long-term effects _____ fluoride on _____ teeth?

What _____ does fluoridation have _____ time?

Changes to _____ are _____ use of fluoridation.

Does having _____ tooth-care _____?

_____ does the _____ of _____ health _____ of a few years

_____ fluoride _____ tooth-care outcomes?

There's a _____ the long-term _____ fluoride on _____.

There _____ question _____ whether _____ connection _____ long-standing use of _____ and _____ teeth.

As years _____ does _____ dental _____?

_____ do the introduction _____ ferridation _____ health over _____ a _____ years?

_____ have _____ long impact on _____ teeth?

The _____ of _____ dental health is not _____.

_____ there a _____ effect _____ long _____?

Impacts of fluoridation on _____ over _____ period _____?

_____ ongoing _____ to _____ to _____ teeth?

_____ is _____ effect of fluoride _____ oral _____?

_____ of long-term _____

_____ effects of fluoridation?

How do dental _____ to practice _____ over _____?

_____ fluoridation improve _____?

_____ including _____ change tooth-care outcomes _____?

_____ affect dental _____ later on _____ life?

_____ lasting tooth health?

There _____ effects of fluoridation _____.

_____ dental health _____ by _____?

_____ the effect of _____ on _____?

What _____ dental health _____ to _____ practice _____ time?

Can _____ the long term?

Does fluoride _____ long-term _____?

_____ know _____ long-term _____ of fluoride _____ dental health?

Is _____ health _____ fluoride?

The long-term _____ are discussed.

Long-term _____ of _____ teeth?

_____ ongoing exposure _____ help _____ teeth?

_____ the _____ of fluoride _____?

_____ question _____ whether there _____ between fluoride and _____ health.

_____ will be affected _____ exposure _____.

_____ your teeth?

_____ does the introduction _____ dental _____ the course _____ a _____ years?

_____ will fluoride _____ later?

Does _____ fluoride _____ in _____ outcomes?

_____ effect _____ fluoride _____ on _____ time?

Does _____ after a while?

Is it _____ that _____ to _____ one's teeth?

_____ it _____ ongoing _____ to _____ will benefit _____ teeth?

_____ is the _____ adding fluoride _____ over time?

_____ this _____ fluoride going to _____ one's _____?

There is _____ regarding _____ impact _____ dental health.

_____ how oral hygiene is impacted _____ fluoridation.

Does _____ well-being _____ time?

Is ____ good ____ time?

Water fluoridation ____ time.

Does adding water ____ impact ____?

Does ____ teeth ____ time?

What ____ does fluoridation ____ the ____?

Can you ____ there ____ link ____ fluoride ____ tooth health?

Dental ____ of fluoridation ____ time?

What is ____ of ____ dental ____.

Do ____ know the ____ of fluoridation ____ over ____?

____ by, ____ fluoridation help ____ dental health?

Does ____ affect ____ time?

Will ____ of fluoride improve ____ health ____ teeth?

How ____ health ____ the practice of ____?

How is ____ time ____ fluoridation

What ____ of Fluoride on ____?

____ health ____ to ____ practice of Fluoride over ____?

Is ____ fluoride ____ water ____ dental ____ time?

____ dental ____ as time goes ____?

What impact will ____ introduction ____ have ____ health ____?

Is ____ fluoride levels a ____ thing ____ care?

What ____ Fluoride's ____ on ____?

Did ____ on teeth?

____ are ____ long-term ____ fluoridation ____ teeth?

Does fluoride ____ your ____?

____ fluoride affect ____ a while?

____ does ____ your teeth in ____ run?

____ adding fluoride ____ changing dental ____?

____ of ____ on teeth ____.

There is ____ about ____ between ____ usage of ____ healthier teeth.

____ a ____ effect on our teeth?

Do you know what ____ are of ____?

Does ____ fluoride ____ dental outcomes ____?

Does ____ affect ____ health?

____ it ____ change ____ dental health ____ to ____?

____ does ____ have ____ dentistry?

____ the ____ of ____ fluoride on ____ health ____ time?

I ____ know the long-term effects ____ dental ____.

____ adding fluoride affect ____ health over ____ long ____?

Can fluoridation ____?

____ fluoridation ____ dental health ____ time?

Does fluoridation ____ your ____ a ____?

____ question of ____ is a link between long-standing usage ____ teeth.

Affects of fluoridation ____?

____ dentistry ____ dental health over ____?

How ____ dental health ____ time?

Can fluoride ____ effect ____ dental ____?

____ when fluoride is present?

How ____ dental ____ be affected ____?

Does ____ fluoride affect ____?

There ____ of ____ dental health.

How ____ dental ____ over time ____ water?

Will ____ of fluoride help the ____ of ____?

____ affect dental ____ over time?

The ____ effects of ____ are unknown.

____ fluoridation ____ teeth ____?

____ of ____ teeth over ____?

____ help ____ over time?

What are the consequences ____?

____ a connection between the usage of ____ and ____ health ____?

What ____ fluoridated teeth have?

As ____ pass by, ____ contribute ____ better ____ health?

What ____ the ____ fluoride on ____ teeth?

____ fluoridation ____ with ____ health ____ goes on?

What ____ on dental health?

Does ____ fluoride ____ our teeth later ____?

____ be changes ____ dental ____ to fluoridation.

What are the ____ effects ____ on ____?

____ impact ____ fluoride on ____?

____ you ____ impact ____ adding fluoride ____ health over time?

____ fluoride change ____?

____ know what ____ long-term ____ effects ____ fluoridation are?

____ whether there is a correlation ____ use ____ fluoride and ____ teeth.

____ ongoing ____ to fluoride ____ improve one's ____?

What's ____ effect ____ fluoride ____ health?

Is the long-term ____ on ____ real?

Long-term ____ of ____ the ____?

____ help ____ dental ____ time passes?

Can ____ fluoride to ____ dental ____ time?

____ use of fluoride will affect ____ health?

____ fluoride ____ dental ____ the years.

Impacts ____ teeth for the ____?

Is ____ changed ____ time ____?

How do ____ react to ____ practice ____ over ____?

What ____ the ____ fluoridated ____?

How will adding fluoride ____ dental ____?

____ fluoride ____ tooth-care ____ in ____ future?

____ a relationship ____ the use of ____ the ____ your teeth?

The outcomes ____ fluoridation ____?

The effects ____ progression are unknown.

____ is question as ____ is a connection ____ of fluoride ____ teeth.

____ fluoride ____ dental ____ later ____?

____ does fluoride ____ well-being ____?

How does dental health ____?

What ____ adding fluoride ____ on dental ____ the ____?

____ true ____ fluoride changes ____ over time?

____ is ____ on teeth from ____.

____ an impact ____ fluoride on ____?

Long-term ____ fluoride ____ benefit ____.

____ happens to ____ when ____ is ____?

____ dental health later on?

The impact _____ health is _____.
 _____ of fluoride on _____ health are _____ yet _____.
 _____ fluoridation _____ dental health?
 _____ dental _____ be _____ the introduction of _____?
 _____ on, _____ fluoridated _____ health change?
 _____ fluoride's _____ on teeth _____?
 Is _____ exposure to _____ help teeth?
 Over _____ with _____ is _____ affected?
 _____ water have a _____ effect on our _____?
 _____ do _____ health _____ fluoridation?
 There is a question of whether or _____ there _____ between _____ fluoride _____ healthier _____.
 _____ time, _____ Fluoridation affect _____?
 _____ might _____ to dental health as _____ of _____.
 _____ dental _____ impacted _____ by fluoridation.
 There could _____ changes to dental _____ fluoridation.
 _____ is dental _____ by _____.
 _____ the introduction of ferridation _____ dental health _____ a _____?
 _____ is the effect _____ adding _____ on _____ health?
 _____ fluoridation _____ effects?
 Can the _____ of _____ the _____ of _____ tooth?
 Long-term _____ of _____ teeth?
 _____ the _____ of fluoride _____ on _____ condition?
 Can water _____ affect _____ long _____?
 Does _____ over _____ period _____ time?
 _____ affect teeth?
 _____ fluoride _____ long-term _____ health?
 _____ does _____ of _____ affect dental _____?
 _____ dental well-being?
 What is _____ dental health _____ by _____?
 How does _____ teeth?
 Changes _____ health, _____ fluoridation?
 _____ do dental _____ respond to _____ of _____ over time?
 _____ is dental _____ by _____ introduction of _____?
 Does _____ to the water _____ our _____?
 _____ does _____ affect dental _____?
 Does the _____ fluoride _____?
 What _____ the _____ impact _____ of adding fluoride?
 _____ well-being _____ improved due _____ fluoride?
 _____ health as time passes?
 _____ impact will fluoridation have _____ dental _____?
 _____ long-term _____ of _____ dental health.
 _____ does dental health _____ the practice _____ fluoridation _____?
 _____ is _____ effect _____ fluoride on the _____?
 What is _____ on _____ over time?
 _____ including _____ affect dental outcomes _____?
 _____ impact on teeth _____?
 Does fluoridating _____ for teeth _____ in _____ run?
 What _____ of fluoride on _____ health?
 _____ affect _____ term _____ health?
 _____ the use of _____ a difference _____ health?

There is ____ question ____ whether there ____ between ____ tooth health.

The ____ teeth from ____?

The impact ____ fluoridation ____ well-being ____.

Does ____ presence ____ dental health?

____ do ____ to ____ of fluoridation over time.

Does ____ fluoride ____ water ____ dental health over ____?

____ an effect ____ fluoride ____ tooth ____.

What effects ____ fluoridation ____ well-being?

What ____ FLUORIDE ____ on dental ____ over ____?

What is ____ fluoridation on ____?

What's the ____ dentistry?

What are ____ of fwidation?

____ affect dental ____?

Is including fluoride ____ tooth-care ____?

____ dental health ____ by ____ time?

How's dental ____ by ____?

Does Adding fluoride ____ affect ____?

Are ____ dental effects ____?

____ exposure to fluoride ____ to ____?

What ____ fluoride have ____ health?

Does ____ teeth over time?

What is ____ of ____ teeth?

____ of fluoride ____ care?

____ do ____ health respond to ____ of ____ over ____?

Is there ____ long-term ____ of fluoride ____?

____ dental well-being ____ fluoride?

What is ____ fluoridation ____ your ____ health over ____?

____ fluoride ____ tooth-care outcomes?

____ health ____ time from the fluoridation?

____ does ____ have ____ teeth?

____ to dental ____ to ____ fluoridation.

What will fluoride ____?

What do ____ happen ____ on teeth?

____ effects does ____ have on ____?

____ can ____ after ____ while.

The ____ of ____ teeth?

Can water fluoridation ____ on ____?

____ years go by, does ____ on ____ health?

____ long-term ____ of FLUORIDE ____ health.

____ fluoridation able ____ teeth ____ a ____?

Does ____ to ____ health?

____ does ____ have ____ oral care?

____ does ____ health ____ with fluoridation

Does fluoride ____ after a ____?

There ____ an ____ from fluoroide.

Changes ____ are ____ result ____ fluoridation.

Does including ____ have ____ effect ____?

How does ____ affect ____?

____ the ____ of fluoride on the ____?

How ____ health ____ use of fluoridation?

How is ____ health ____ after ____ fluoridation?

What ____ adding fluoride have ____ dental ____ over ____?

There ____ dental health due to ____ of ____.

What ____ fluoride ____ our ____?

____ hygiene ____ as a ____ of ____?

Long ____ fluoride ____ teeth?

____ going to ____ health?

____ fluoridation ____ to affect ____?

____ fluoride on dentistry.

There is a ____ as to ____ not ____ is a ____ the ____ of ____ healthier ____.

How ____ dental ____ over time ____?

There ____ the long-term dental effects ____ fluoridation.

____ to ____ affect ____ hygiene?

____ a ____ there is ____ between long-standing usage ____ and healthier teeth.

Can fluoridation ____?

____ is a question ____ to if ____ is a ____ long-standing ____ and healthier ____.

____ on teeth ____ be long-term.

How ____ dental health ____ the introduction ____?

____ question of ____ there is ____ long-standing ____ of fluoride and ____ teeth.

How ____ impacted ____ the ____ of fluoridation?

____ the effect ____ fluoride have ____ effect ____ care?

What ____ effects ____ on dental well-being?

What ____ does fluoride have ____ well-being ____?

Does ____ fluoride affect ____?

The ____ of ____ on ____.

The ____ on ____ fluoride?

____ is ____ impact ____ dentistry?

____ FLUORIDE have on ____?

How ____ your ____ health?

____ outcomes influenced by ____ future?

____ of fluoride ____ tooth health.

____ is ____ fluoridation.

____ will fluoridation affect ____?

____ to water affecting ____ teeth ____?

____ the long-term effect of ____ on ____?

What effect ____ have ____ dental ____?

____ has ____ dental ____.

____ fluoride will affect ____.

Dental health ____ to ____ practice of ____.

____ a consequence of fluoridation

____ the practice ____ fluoridation affecting ____?

____ impact ____ have on ____?

____ of fluoride ____ teeth over ____.

I want ____ if ____ exposure to ____ my teeth.

____ fluoridation affect dental well ____?

How ____ to practice of ____?

____ fluoride's impact ____ long?

As ____ by, does ____ contribute ____ better ____ health?

Water ____ affect ____ long ____.

____ effect of fluoridation ____?

What do you know about _____ condition?

_____ fluoridation affect _____ in _____?

There _____ a question _____ to _____ to fluoridation.

The _____ fluoridation _____ dental _____?

Does _____ exposure _____ teeth?

_____ extended exposure _____ affect your _____?

_____ there _____ the use of fluoride _____ the _____ of the _____?

_____ is the impact on dental _____ used?

There _____ a question _____ to _____ there _____ connection between _____ use of _____ of teeth.

Does _____ more _____ affect _____?

There's _____ about _____ impact of fluoridated _____ teeth.

_____ fluoridation _____ a while?

_____ you tell me how _____ my _____?

_____ do _____ think is the _____ on teeth?

How does _____ of fluoride _____ later on?

_____ long-term _____ of _____ on _____ health?

_____ a question as _____ whether there is _____ between _____ use _____ fluoride and _____.

Does fluoride make _____ difference to _____?

_____ exposure _____ going to help _____?

Is fluoride affecting _____?

_____ including fluoride going _____ affect _____ outcomes in _____?

_____ fluoride had _____ teeth?

_____ have on the teeth?

_____ exposure _____ fluoride _____ teeth?

_____ long-term _____ of _____ teeth?

Adding _____ water _____ impact _____ teeth _____.

_____ fluoride affect future _____?

Over time with _____ is _____?

_____ long-term _____ fluoridation on _____ health.

Is _____ well-being improved _____?

_____ long-term _____ by fluoride?

_____ fluoridation _____ on _____ health over time?

_____ outcomes of _____ on teeth _____.

_____ of fluoride _____ dental health?

_____ does _____ have _____ dental health _____ time.

What is the _____ on _____ fluoridation over _____?

How does _____ fluoride change _____ time?

_____ exposure _____ fluoride _____ teeth _____ time?

_____ the long term _____ of _____ on dental _____?

_____ fluoridation _____ improve _____ over time?

_____ is _____ effect _____ on teeth?

_____ is _____ on dental _____ of _____?

_____ an _____ on teeth.

Does having _____ teeth?

Is there _____ of _____ on _____?

_____ teeth later in _____?

_____ is _____ as to _____ there _____ between fluoride and _____ health.

Is _____ any _____ of longer _____?

_____ is dental _____ affected by _____ over _____ period _____?

_____ be changes in _____ to fluoridation.

_____ there _____ of long fluoridation?
 _____ effects do _____ have _____ teeth?
 The use of _____ tooth _____.
 _____ to _____ health because of fluoridation.
 Do you know if _____ of _____ is _____?
 Can the _____ of _____ improve _____?
 Over time _____ how is _____?
 _____ is a _____ whether _____ is _____ between fluoride _____ tooth health.
 _____ impact _____ tooth health is _____.
 _____ does _____ dental care?
 Is the _____ on dental _____ time?
 _____ does _____ influence dental health _____?
 Does fluoride _____ over _____ term?
 _____ years _____ does fluoridation _____ to _____ health?
 _____ teeth _____ by fluoride?
 What is _____ long-term _____ on _____?
 Does fluoride _____?
 How _____ fluoride _____ health later _____?
 What _____ fluoridation on teeth _____?
 _____ health _____ by the _____ of fluoridation over _____.
 _____ fluoridating water _____ provide _____ benefit?
 _____ impact _____ fluoridation _____ health is _____.
 The effects _____ the dental _____?
 _____ tooth _____ over time?
 _____ affect _____ teeth?
 Does adding water _____ later?
 Is _____ affected by _____?
 Does the added _____ affect our _____?
 I _____ if the use of _____ improve _____ health.
 Will the _____ of _____ tooth _____?
 There _____ a _____ there is a _____ between the _____ of _____ and healthier _____.

 _____ impact _____ on tooth health can _____ over _____.
 Do extended _____ make _____ difference _____ your teeth?
 Does _____ over time
 _____ is _____ question about a _____ health _____ fluoride.
 _____ a question regarding the _____ fluoride _____ health.
 There _____ changes _____ dental health _____ fluoridation
 Does _____ dental _____ as time goes _____?
 _____ are _____ consequences _____ fluoridation _____ teeth?
 Adding _____ health _____ time.
 _____ fluoride affect _____ health as _____?
 _____ teeth _____ time?
 _____ changing _____ as _____ goes by?
 _____ affect _____ condition?
 Does including _____ care outcomes in _____?
 _____ is _____ health affected by _____.
 Does _____ affect dental _____.
 What _____ on teeth later?
 Can fluoridation _____?

_____ well-being over time.

_____ effect does _____ have on _____?

Dental health _____ over time?

_____ in the future?

_____ affect _____ health?

_____ fluoridation _____ health?

How _____ dental _____ to _____ of Fluoride?

_____ fluoride _____ teeth _____ time.

_____ does _____ do to teeth _____?

_____ effect on dental health of _____?

There _____ dental health due to the _____.

_____ impact _____ on teeth?

_____ fluoride _____ health?

_____ will be _____ by _____

_____ to dental health _____ by _____ of fluoridation.

_____ impact has _____ on dental health over _____?

Adding fluoride _____ impact _____ teeth _____.

There _____ on teeth _____.

How _____ over _____ with fluoridation?

_____ fluoride _____ may affect _____ later.

Dental health is impacted _____?

Is _____ possible _____ exposure _____ fluoride will _____ teeth?

Does fluoridated water _____ on our _____?

Does _____ on tooth care outcomes in the _____?

_____ water _____ affect teeth _____ long _____?

Does including fluoride make _____ tooth-care outcomes _____?

What _____ the _____ of fluoride _____?

_____ are _____ to dental health _____?

_____ related to teeth _____?

How _____ dentistry _____ fluoridation?

Changes _____ health _____ due to _____ introduction _____ fluoridation.

How _____ health change _____ result _____ fluoridation?

_____ time, _____ dental _____ impacted by _____?

Water _____ teeth over long _____.

What _____ fluoride have _____ the teeth?

How _____ is _____ of fluoridated water _____ teeth?

Does _____ use _____ fluoride _____ health?

Does _____ dental _____ time?

What _____ of fluoride _____ health.

Is _____ that _____ affects _____ health?

_____ dental _____ by fluoridation.

How _____ dental _____ impacted over _____?

_____ is _____ question _____ to _____ there _____ a connection _____ use _____ fluoride and healthy _____.

_____ health _____ be affected _____.

What _____ dental _____ caused by adding fluoride?

_____ of fluoride affect _____ wellbeing?

_____ could _____ to the dental health due _____.

_____ you _____ about the _____ effects of fluoridation?

Is _____ having _____ teeth?

_____ the _____ fluoride _____ dental health?

How ____ adding fluoride affect ____?

____ presence ____ fluoride affect the dental ____?

What ____ have on ____ health?

____ of fluoridation improve ____ health?

What is ____ long-term ____ on dental ____?

What is ____ long ____ of adding ____ on ____?

Are there any lasting ____ fluoridated ____ on ____?

____ time ____ does fluoridation contribute ____ improved ____ health?

Long-term ____ fluoride ____ structure?

Is ____ health as time ____?

____ impact on dental ____ over time?

Adding ____ affect dental health ____.

____ dental health ____ the ____ of ____ over time?

____ is an ____ of ____ on ____.

How does fluoride ____ teeth ____?

____ fluoridation ____ an effect ____ after ____ while?

____ does ____ dental health ____?

____ fluoride on teeth?

____ does fluoridation impact dental ____?

____ on teeth of fluoridation ____?

____ effect ____ fluoride on ____ tooth condition?

Is including ____ going ____ affect ____?

____ fluoride ____ on dental well-being ____ on?

____ Fluoride affect ____?

____ your ____ over time?

What ____ the long ____ effects of ____?

Does adding oridated ____?

Does ____ fluoride help ____?

____ is ____ of fluoride ____ teeth?

What ____ adding fluoride ____ dental ____?

____ have ____ impacts on ____?

____ long-term effect of fluoridated water ____?

Why ____ fluoride affect ____ well-being ____?

Can you ____ me about ____ long-term ____ fluoride ____ health?

____ effects ____ long ____

Does fluoride ____ teeth ____?

____ does ____ health change ____ fluoridation.

____ you ____ me about ____ dental effects ____ Fluoridation?

____ affect ____ health later?

____ does ____ dental health?

____ fluoridation have ____ impact ____ teeth after ____?

How ____ dental health react ____ of ____?

____ by fluoridation after ____ while?

____ have an affect ____ health?

____ is ____ about the ____ fluoridation on tooth health ____.

Is the ____ affecting dental ____?

____ fluoride ____ an affect on ____?

____ the ____ of fluoride ____ care?

____ adding ____ teeth later on?

____ fluoridation impact ____ while?

The ____ effect of ____ on ____ has been ____.
 ____ dental ____ by fluoridation ____ time?
 Does exposure ____ teeth?
 Is ____ to ____ a while?
 Can ____ teeth ____ time?
 Does ____ improve the ____ health?
 Impact ____ teeth?
 How is ____ health ____ fluoridation.
 ____ is ____ relationship between dental ____ and ____ on?
 Is ____ improving ____ over time?
 ____ dental health will change ____ fluoridation.
 ____ to ____ after fluoridation?
 Over time does ____?
 ____ of fluoridation?
 ____ effect does ____ have ____ health ____ time?
 ____ is ____ effect on ____ health ____ fluoride?
 ____ the ____ fluoridated ____ on our ____ last?
