

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	SIM card replacement and activation
Inquiry Sub-Category	SIM Card Lost
Description	When customers misplace or lose their SIM card, they reach out to the operator for assistance. Operators guide customers through the process of suspending the lost SIM card, issuing a replacement SIM card, and transferring their services to the new card.
Data Size	6,856 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)
