

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Check engine light is on
Inquiry Sub-Category	Electrical System Malfunctions
Description	Inquiries regarding the check engine light being triggered by electrical system issues, such as a failing alternator, battery, or wiring problem.
Data Size	5,685 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

Could _____ be causing the check engine light _____?

_____ battery might _____ the check engine _____ operation.

_____ engine light _____ triggered _____ a bad battery.

Is there a chance _____ a bad _____?

_____ may be triggered _____ an exhausted battery.

Check _____ comes on _____ battery?

Does an exhausted _____ check _____ to _____ on?

Can _____ check _____ light come on _____ the _____?

Maybe the _____ signal _____ to low battery _____?

_____ the _____ due _____ a weakened _____?

_____ is _____ check _____ light _____ may be _____ by a _____.

_____ making check _____ act _____?

_____ a _____ battery have an effect _____ the _____?

Does an tired battery _____ check _____ to _____?

_____ possible that the check engine is _____ battery?

Is _____ dying _____ the engine light?

_____ battery _____ alert dumbass _____?

Is weak _____ for check _____?

_____ the weakened battery _____ for _____?

_____ a _____ fail _____ cause _____ engine _____?

Is _____ car's check _____ by _____ battery?

_____ is _____ check-engine act up, _____?

_____ engine lamp activated _____ exhausted _____?

_____ bad _____ is making the check _____ on.

_____ dying battery causing _____ check engine light _____?

_____ the check _____ light _____ because of _____ falling _____?

Might _____ engine signal _____ sign _____ battery power?

_____ light may _____ caused by _____ weakened battery.

The check engine _____ turn _____ my _____ dies.

Can _____ dumb _____ triggered by a crappy _____?

Check _____ see _____ weak _____ engine _____.

Are my _____ batteries responsible _____?

_____ weak _____ can _____ check _____ light _____

_____ to see _____ a weak battery _____ an _____.

_____ failing battery could be _____ engine light going _____.

The _____ could be _____ by a _____.

Check engine light _____ to _____?

_____ battery behind _____ up alert?

The _____ signal may be affected _____ a _____.

_____ check _____ signal _____ illuminating _____ to a _____ battery.

_____ the _____ eng light going on because of _____?

Check _____ light _____ on because _____.

Is the _____ engine _____ result of _____ dying _____?

_____ there a _____ that _____ check _____ is _____ a weak battery?

How _____ weak batteries _____ engine _____ to turn _____?

A bad _____ might _____ an engine light _____.

_____ light operation might be _____ by a _____ the _____.

_____ is possible _____ is caused by a _____ battery.

Can _____ prompt _____ engine warning?

_____ check engine _____ the battery _____ dying?

_____ a faulty battery _____ the _____ behavior?

_____ on due to _____ bad _____?

The _____ is on _____ to weak _____.

_____ dying _____ to blame _____ light on the _____?

_____ a low-performing _____ the engine _____?

Is _____ battery behind _____ lit-up _____?

Is _____ warning activated by _____ batteries?

_____ dying _____ be to blame for the _____?

_____ engine light _____ on if _____ car's battery _____.

Is the check _____ light _____ connected _____?

_____ the _____ alert _____ to _____ battery?

_____ stupid _____ light can _____ triggered by _____ crappy _____.

_____ check _____ caused by a failing battery.

Is _____ light on due _____?

_____ check engine light _____ weak batteries.

The _____ engine _____ could be on if _____.

Does a dying _____ engine _____?

_____ is _____ that Lousy battery alerting _____ light _____.

The battery _____ light could _____ possible.

Can _____ battery _____ car's _____ light to light _____?

_____ dumb check light can _____ by _____ battery.

The _____ engine light's _____ be influenced _____ failing _____.

_____ check engine warning _____ triggered by a _____

Did the bad battery cause _____ check _____?

_____ check engine activated _____ a _____?

The _____ might be triggered by _____.

_____ the _____ light on _____ weak _____?

_____ dying _____ the _____ engine light?

_____ a _____ battery _____ an engine _____?

Can _____ cause the check _____ to come _____?

_____ a _____ battery _____ alert?

_____ a _____ in the battery _____ check _____ operation?

A _____ could _____ light to _____ on.

Is it possible the _____ is due _____?

_____ it _____ low _____ engine lite?

_____ exhausted _____ cause _____ check _____ lamp to _____ off?

_____ light is _____ because _____ a weak battery.

Is the _____ caused by _____?

Did _____ dying battery _____ the _____ to turn _____?

_____ degrading _____ to blame for illuminating _____ engine signal?

_____ car's dumb _____ light triggered by a _____?

The _____ light may be triggered _____ car's _____.

_____ engine signal lead to _____ health?

_____ the check engine signal _____ battery _____?

Is _____ a _____ engine _____ caused by a _____ battery?

_____ light going to _____ up _____ of _____ battery?

_____ check _____ may come on if _____ battery _____.

_____ it possible _____ the check _____ activation _____ by _____ batteries?

_____ an _____ battery cause _____ check engine lamp _____?

Is _____ weak _____ to blame _____?

The _____ light _____ there is a weak _____.

The check _____ can _____ triggered _____ a _____ battery.

_____ the _____ engine _____ weak batteries?

Is a poor _____ the _____?

Check engine _____ activation _____ be _____ batteries.

Is a _____ battery enough _____ check engine _____?

Could a bad _____ blame _____ the _____ light _____?

_____ a degraded _____ to _____ the _____ engine signal.

_____ the _____ engine _____ come _____ of bad battery?

The _____ engine _____ is _____ by _____ battery.

A _____ battery may _____ light to go _____.

_____ check _____ can be a sign _____ poor _____.

_____ the _____ light being affected by _____ decline _____?

Can _____ the car's dumb _____ light?

Maybe _____ lit _____ engine signal _____ related to _____ battery _____?

Will _____ battery _____ car's dumb _____ light?

_____ a _____ battery act _____ a _____ engine _____?

_____ if the _____ signal is linked _____ low battery _____.

_____ the check engine light _____ because of _____ battery?

_____ check light _____ due to _____ weak _____.

Can _____ low-performing _____ prompt _____ warning?

_____ you think a _____ battery _____ illuminating the engine _____?

_____ check _____ of weak batteries?

Is _____ battery _____ reason _____ that _____?

_____ the _____ engine _____ there is bad _____ health?

Sick _____ giving _____ act up, _____?

_____ the bad _____ make the _____ go off?

The check engine _____ illuminating _____ battery is _____.

_____ possible _____ engine _____ activation is due to _____ batteries?

Do weak batteries ____ the check engine ____ ____ ____ ?

Does a dying ____ the ____ ?

____ if the check ____ is caused ____ a ____ battery.

____ check ____ light ____ my dying battery?

____ battery might ____ the cause ____ the ____ light.

Can ____ check engine light ____ ____ ____ batteries?

____ if ____ dying ____ the reason for ____ engine light.

Should ____ battery ____ check ____ warning?

____ check engine light ____ be ____ result ____ ____ battery.

____ a ____ battery ____ for that ____ ?

____ possible ____ lit up ____ engine signal is connected ____ ____ battery ____.

____ weak batteries explain ____ ____ light activation?

____ ____ light ____ be due to ____ failed battery.

Can ____ batteries be ____ for ____ check ____ light ____ on?

____ ____ battery cause an engine ____ to ____ ?

There's a ____ ____ check ____ is ____ to ____ failing battery.

Is ____ check engine ____ ____ a ____ battery?

Lousy ____ might ____ ____ alert ____ engine light.

____ ____ engine lamp ____ by exhausted ____ ?

It's ____ that ____ battery ____ ____ light?

____ the ____ battery ____ the light ____ on?

____ ____ ____ cause ____ check engine ____ to light up?

The ____ light ____ be due to ____ ____ battery

A bad battery ____ cause ____ ____ light ____ come ____.

____ lit up ____ engine signal be ____ to low ____ ?

Can ____ check engine light ____ ____ ____ batteries?

Does ____ ____ prompt ____ check engine?

Is the ____ engine signal ____ ____ a ____ battery ____ ?

____ degrading ____ be responsible for illuminating ____ ____ signal.

The check engine ____ ____ because ____ a weak ____.

____ engine ____ be attributed to weak ____.

____ poor battery ____ a ____ light?

____ if ____ battery causes the ____.

____ battery ____ act up?

Is ____ engine ____ by ____ dying ____ ?

Did the bad battery ____ stupid check ____ ____ ?

____ if my ____ failing battery ____ ____ ____ to turn on?

____ ____ ____ cause the engine light.

____ broken ____ affect the ____ engine ____ ?

The ____ battery could cause ____ ____ to ____ up.

____ ____ light may turn on due ____ ____ failing battery.

Did ____ weak ____ the ____ light to light ____ ?

____ ____ ____ may be due to ____ bad battery.

____ check engine lamp come on ____ ____ are ____ ?

The ____ engine may ____ activated by ____ ____.

Is the weak ____ ____ the ____ light?

Is my ____ battery ____ one ____ causes the ____ ?

The check engine ____ might ____ to ____ battery ____.

____ check engine ____ turn on ____ car's ____ battery ____ it.

There may ____ a link ____ the ____ ____ engine signal ____ ____ power.

Check if _____ light is _____ a weak _____.
 Does _____ check _____ poor battery _____?
 _____ check engine _____ be triggered _____ low- _____ battery.
 _____ a _____ battery _____ the _____?
 _____ dying _____ the reason for _____ light?
 Can a _____ cause a _____ light _____ up?
 _____ it possible that _____ is responsible _____ the _____ engine signal?
 _____ wonder _____ check engine _____ is due _____ the _____ battery.
 _____ the _____ engine light _____ to a _____?
 _____ check engine _____ might be _____ of _____ battery.
 _____ engine light _____ be _____ a bad _____.
 The _____ engine _____ could be caused _____.
 Is the damn _____ because _____ dying _____?
 _____ a _____ cause the car's _____ light?
 _____ engine _____ come on because of _____?
 _____ check engine light _____ because the battery is _____.
 Is _____ check _____ on _____ the _____ is bad?
 _____ a check engine light _____ is a _____ battery?
 _____ the engine light _____ result _____ dying _____?
 _____ the check _____ act up?
 _____ bad _____ make the _____ on?
 Are _____ the _____ of the _____ light?
 Checking the engine light may _____ caused _____.
 _____ the _____ light _____ the _____ battery?
 _____ batteries cause the check engine _____ light _____?
 Is the _____ light on _____ of _____?
 Is _____ light _____ the _____ battery?
 _____ check engine _____ because _____ batteries are weak?
 _____ the dying _____ reason for the _____?
 The _____ might be _____ the bad _____.
 _____ check engine light _____ on _____ car's battery _____?
 The check _____ light may be _____ batteries.
 Does a dying _____ an _____ the check _____?
 Isn't the _____ light _____ because _____ bad battery?
 _____ engine _____ be caused _____ fail.
 The check engine _____ could be a _____ car's _____.
 _____ engine might _____ caused _____ fail?
 Is the _____ making _____ check _____ light _____?
 _____ batteries _____ on the _____ light?
 _____ the check _____ light caused _____ weak _____?
 _____ battery _____ engine _____?
 _____ a bad _____ cause _____ of a car?
 Is _____ engine caused by _____?
 _____ the check engine _____ on because _____ battery?
 _____ engine _____ is on _____ weak _____?
 _____ check _____ light malfunctioning because _____ weak _____?
 Is _____ chance _____ weak _____ could cause an _____?
 Does _____ affect _____ engine light?
 _____ the lit-up _____ underperforming battery?
 _____ weak battery _____ an _____ light.

_____ battery be to blame for _____ check _____ light _____ ?
 _____ the check _____ light _____ batteries?
 the check _____ triggered by _____ battery
 _____ check engine light _____ illuminating _____ a _____ battery.
 Can _____ malfunctioning _____ a _____ warning?
 _____ battery cause an _____ check _____ ?
 Could a failing battery _____ check _____ coming on?
 _____ check _____ light might turn on if _____ .
 _____ a _____ the battery _____ check engine light?
 Could _____ engine light turn _____ because of _____ car's _____ ?
 Bad battery causes _____ to _____ .
 Is _____ check _____ light _____ to a _____ ?
 Can the _____ engine _____ be a symptom _____ ?
 Check _____ the _____ is weak?
 _____ batteries affect the check _____ ?
 _____ degrading battery be _____ for illuminating the _____ ?
 Could _____ check engine signal _____ the _____ power?
 It's possible the check _____ low battery _____ .
 Can the weak batteries cause _____ to _____ ?
 _____ the check _____ sign of _____ in the _____ ?
 The check eng _____ is on due _____ .
 _____ a dying _____ the _____ engine light _____ ?
 Does _____ warning come _____ if your battery _____ ?
 There is a _____ triggered _____ a low-performing battery.
 I _____ car's failing battery _____ check _____ light _____ come on.
 _____ the check engine _____ indicate _____ battery?
 _____ there be a check _____ if _____ is a _____ ?
 Is _____ if the battery is weak?
 _____ come lit _____ engine _____ battery?
 The _____ might indicate poor _____ .
 _____ my dying batteries _____ light?
 Weak _____ can _____ light on.
 _____ check engine signal mean _____ the _____ failing?
 _____ might _____ light turn on.
 Has _____ check engine warning been triggered _____ ?
 Will _____ battery cause _____ check _____ to come _____ ?
 Is it possible that weak _____ turn _____ ?
 _____ warning can be triggered by _____ battery.
 The check _____ light _____ coming _____ due to _____ failed _____ .
 Is _____ the weak battery is _____ blame _____ the _____ ?
 Can _____ engine _____ be triggered by _____ weakness _____ the _____ ?
 _____ the battery _____ light on?
 _____ the _____ eng light _____ of _____ bad battery?
 The check engine light may _____ by _____ battery.
 Can _____ low _____ battery _____ engine _____ ?
 _____ may _____ caused by _____ battery.
 _____ signal mean trouble with the _____ ?
 A bad _____ cause _____ light.
 Could a _____ an _____ light?
 _____ the _____ signal _____ battery problem?

____ bad battery ____ cause ____ to light up.
 ____ dying ____ is ____ the check ____ ?
 ____ the ____ be ____ a weak ____ ?
 ____ battery is ____ check-engine ____ ?
 ____ lit ____ check engine ____ is ____ to ____ battery power?
 Is ____ check ____ light ____ because of ____ ?
 ____ light ____ come on ____ the battery is ____ .
 ____ check engine light ____ off because ____ my ____ ?
 Is ____ possible that Lousy battery ____ engine ____ ?
 Is the check ____ warning ____ a ____ battery ____ ?
 ____ the check engine ____ there's bad ____ ?
 The check ____ could ____ caused ____ a failed ____ .
 ____ battery ____ responsible for illuminating the ____ engine ____ ?
 Could the weak ____ the ____ ?
 ____ check engine ____ weak battery?
 Is a decline ____ affecting ____ check engine ____ ?
 A ____ dumb check ____ can be triggered ____ .
 Is ____ light caused ____ my dying ____ ?
 ____ an under performing battery ____ lit-up ____ ?
 ____ check engine warning ____ be activated ____ a ____ .
 ____ my ____ battery responsible ____ on my engine?
 ____ alerting ____ engine ____ could be.
 My dying ____ could ____ to blame ____ the ____ .
 Is ____ an indication ____ poor battery health?
 Is the ____ signal linked ____ battery ____ ?
 Is ____ battery that causes ____ light to go ____ ?
 The weakness of ____ cause ____ light.
 ____ the check engine ____ activated by ____ ?
 The ____ light could ____ a ____ .
 Is ____ dying battery that causes ____ ?
 I am wondering ____ engine ____ is ____ to a ____ .
 ____ failed battery ____ do with the check engine ____ ?
 Can the ____ engine ____ powered ____ by ____ batteries?
 Is the check engine light ____ my ____ ?
 ____ it ____ for a ____ to cause ____ dumb check ____ ?
 A bad ____ the ____ check light.
 Is ____ possible that Lousy ____ alert ____ engine ____ .
 ____ the engine ____ if there ____ weak batteries?
 Is my dead ____ for ____ ?
 The ____ could be ____ a ____ in the battery.
 Check ____ light ____ due ____ a weak battery?
 Lousy ____ to ____ dumbass ____ light?
 The check engine ____ caused by ____ battery ____ .
 Check ____ be ____ by ____ battery ____ .
 ____ check ____ light might be ____ on ____ my car's ____ .
 ____ check engine ____ is on ____ a weak ____ .
 ____ cause the ____ to come on?
 ____ engine light can be triggered ____ .
 The ____ is ____ because ____ bad battery.
 The ____ engine light is ____ to a ____ .

Is ____ a check engine light ____ battery?

Is ____ light ____ weak battery?

____ degraded ____ light ____ check engine ____?

Is the light on ____?

The signal may ____ been ____ by ____.

____ check ____ light ____ on if ____ my ____ is not working.

____ engine light turned ____ of ____ batteries?

It's ____ the battery ____ engine light is ____.

____ check ____ signal indicative of ____ battery ____

The check engine light ____ if my ____.

____ it possible ____ a ____ battery ____ engine light?

Can ____ failing battery affect ____?

____ light can ____ by a crappy battery.

A ____ battery could ____ check ____.

____ a ____ battery ____ for ____ an engine ____?

The ____ might ____ due to ____ battery.

Is there ____ light due ____ weak battery?

Is the ____ engine signal ____ to the ____?

Does ____ check engine signal indicate ____ with ____?

____ battery ____ up the ____ engine?

____ the ____ up check ____ linked to low battery ____?

The check engine ____ might ____ due ____ battery.

Will the engine ____ turn on if ____?

Sick ____ giving an ____ up?

____ check ____ signal ____ poor battery ____?

The ____ engine ____ due to ____ failing battery.

Did ____ engine light come on ____ bad ____?

The check engine ____ could ____ related ____.

____ engine ____ be caused by the ____ battery.

Is ____ check engine signal ____ battery power?

____ the ____ engine signal ____ battery?

____ a ____ cause the ____ engine ____?

____ engine light might ____ caused by ____.

____ a decline ____ affect the ____ engine light ____?

____ the ____ light ____ by weak batteries?

Does ____ signal show ____ battery ____.

Is ____ battery the ____ for the ____ warning?

____ battery causes ____ light.

Are the ____ engine signals ____ poor ____?

Bad battery ____ check ____ light ____.

Is engine ____ weak ____?

A ____ battery ____ potentially ____ an ____ light ____ flash.

Is ____ engine ____ to bad battery?

Is the ____ engine ____ if ____ is present?

Can ____ battery ____ check engine ____ behavior?

Is the ____ light on ____ battery?

The ____ eng ____ was ____ a bad battery.

____ the check ____ show ____ battery health?

I ____ my car's ____ the ____ engine light to ____ on.

Does the ____ hint at ____ health?

____ are ____ that could ____ the engine ____ turn ____.
 ____ possible ____ engine signal indicates poor ____ health?
 ____ failing ____ influence the ____ engine ____?
 ____ alert might ____ caused ____ an under-performing ____.
 ____ light caused ____ my dying ____?
 The check engine light ____ be ____ batteries.
 Might the ____ light turn on ____ are ____?
 ____ check ____ light might ____ weak batteries.
 Is ____ check engine ____ the exhausted ____?
 Can a ____ battery act ____ engine ____?
 ____ a weak battery ____ cause the ____ light?
 ____ my ____ battery ____ the engine ____?
 ____ check ____ be on because of a ____.
 Low battery can cause ____.
 ____ battery could be ____ the ____ engine light ____.
 Is ____ dying battery ____ engine ____?
 ____ light because there ____ a ____ battery?
 The check ____ may ____ by a failing ____.
 ____ engine light ____ possibly be ____ a failing ____.
 A declining ____ could ____ the check ____ light ____.
 ____ battery causing engine ____ to ____?
 ____ weak batteries ____ engine light to turn ____?
 ____ my ____ battery ____ the cause of the engine ____.
 Did my ____ cause ____ check engine ____ turn on?
 ____ weak battery that ____ cause an ____ light.
 ____ a bad ____ causing the check ____ to go ____?
 Is the ____ on because ____?
 ____ check ____ may ____ caused ____ a battery ____.
 ____ a ____ battery ____ to ____ the check engine ____?
 ____ check engine lamp ____ an exhausted ____?
 ____ battery can ____ check ____ to ____ on
 ____ the check ____ warning ____ when the battery ____?
 The check ____ be ____ result of ____ weak ____.
 ____ battery could be ____ blame ____ illuminating the check ____.
 ____ be caused by ____ battery.
 ____ the check ____ come on ____ the ____ dies?
 ____ check ____ caused ____ a weak battery
 ____ battery may ____ light ____ come on.
 Can a ____ check light?
 The check ____ can ____ caused ____ a ____ battery.
 Can ____ engine warning ____ by ____ low-performing battery?
 Is the ____ caused by ____?
 Did ____ bad ____ make the ____ check ____ light ____?
 ____ engine light ____ be related to ____ weak ____.
 ____ a dying ____ causing ____ check ____?
 ____ check ____ lamp ____ if ____ exhausted battery ____ present?
 The ____ be linked to ____ power.
 ____ turning on ____ battery is dying?
 The check ____ might be ____ battery power.
 ____ the dying battery ____ for the ____?

_____ lit _____ check _____ signal is related _____ low battery _____.

A _____ be _____ on due _____ a failing battery.

_____ bad battery can _____ the car's _____ blink.

Can a _____ cause _____ engine _____?

_____ could cause _____ engine light to _____ on.

The check _____ come _____ a failing battery _____ to _____.

_____ check engine _____ is _____ there _____ weak battery.

Does a tired battery _____ the _____ engine _____?

_____ battery _____ eng light?

Can _____ blamed _____ the check engine _____?

Does the _____ battery health?

The _____ light _____ affected _____ a declining battery.

_____ annoying check-engine act _____?

The check _____ signal may _____ low _____.

Is _____ responsible _____ the light?

_____ low-performing battery _____ of _____ engine warning?

_____ the weak batteries cause _____ to _____ on?

_____ check engine _____ exhausted batteries?

_____ bad _____ make the check _____ malfunction?

_____ the _____ battery that _____ engine light?

_____ weak _____ blamed _____ the engine _____ going off?

_____ signal might be illuminating if the _____.

Check engine _____ be _____ by _____.

Is it possible _____ bad _____ cause _____ dumb _____ light?

_____ engine light may _____ of a _____ battery.

_____ dead _____ causing _____ check _____ light?

_____ the _____ battery the _____ of _____?

_____ the _____ engine _____ if _____ battery is present?

Low battery _____ could _____ to _____ lit up _____ signal.

_____ a declining battery _____ the _____?

The _____ light _____ been _____ my dying battery.

_____ engine light going _____ because _____ a _____ battery?

A bad battery may _____ light _____.

_____ check _____ light _____ can _____ on if my car's battery _____.

If there _____ that could cause _____ light?

_____ making the engine _____ up?

_____ check engine light _____ by _____ low battery.

The check _____ be on _____ of _____ failing _____.

_____ is _____ chance _____ a weak _____ cause an engine _____.

Sick battery fueling _____ check _____?

_____ bad _____ could cause _____ engine light to _____.

The _____ engine signal _____ to the battery _____.

The check engine light can be _____.

_____ the check _____ be activated _____ a _____?

The check engine _____ turn _____ if my car's _____.

Is _____ possible _____ for _____ the check engine signal?

_____ check engine _____ comes _____?

The check _____ on if _____ car's _____ battery caused _____.

Can _____ to blame _____ the check _____ light going _____?

_____ engine light be lit by a _____?

Light _____ does bad _____ ?

Could _____ engine light _____ by a bad _____ ?

_____ the _____ light _____ a weakness in _____ battery?

_____ failing a _____ an affect _____ check engine _____ ?

Is the check _____ on _____ of _____ battery?

Could _____ cause the _____ turn on?

The _____ came _____ because _____ bad battery.

_____ engine light can be _____ a poor _____.

Has _____ weak _____ caused _____ engine _____ to illuminate?

_____ check engine light on because _____ the _____ ?

Is _____ possible _____ a low-performing _____ cause a _____ engine _____ ?

How _____ lit check engine _____ problem?

_____ the check _____ to weak _____ ?

The _____ alert may _____ due _____ battery.

_____ battery cause a _____ check _____ to light _____ ?

I wonder _____ a _____ is _____ check engine signal.

Check _____ can _____ an _____ light.

Is _____ degraded battery _____ the check _____ signal.

I don't know _____ the _____ is on because _____ battery.

Can _____ engine warning _____ because _____ a low-performing _____ ?

Can a low-performing _____ engine _____ ?

_____ the check eng _____ on _____ the _____ battery?

Does _____ battery cause a _____ the _____ ?

Does _____ battery prompt the _____ to light _____ ?

_____ check engine signal mean that the _____ ?

Failing _____ engine light is _____.

Is _____ light being affected _____ a declining _____ ?

Is _____ engine _____ activation due _____ weak _____ ?

_____ is a _____ the weak _____ cause _____ light.

_____ the _____ engine _____ indicate _____ health?

_____ light due _____ a weak battery?

_____ battery _____ Light?

_____ the check _____ light _____ because my _____ is failing?

_____ degraded battery could be _____ the engine _____.

Can a _____ cause a _____ engine _____ off?

Is it possible _____ check _____ is _____ to a _____ ?

Lousy battery _____ light _____ possible.

Is weak _____ the _____ for _____ ?

The _____ warning _____ be _____ low-performing batteries.

_____ engine _____ can be a _____ of _____ batteries.

_____ a check _____ due _____ battery?

Does an _____ battery _____ a _____ engine _____ light?

The _____ turn on _____ failing battery causes it.

The _____ can be due _____ a _____ battery.

Is _____ battery _____ cause _____ light?

_____ a bad battery _____ an _____ ?

_____ check _____ may be affected by a _____.

_____ check engine _____ might be a _____ battery.

_____ light _____ check _____ light caused by _____ weak battery?

_____ engine light _____ be _____ by _____ dying _____.

_____ weak battery _____ engine light to illuminate?
 _____ the weak _____ to blame _____ check engine _____?
 _____ battery fueling _____ act up?
 Is _____ lamp activated because of _____ battery?
 _____ battery _____ light _____ on?
 I wonder if _____ is causing _____ check _____ illuminate.
 Can the _____ engine light come on _____?
 _____ a _____ battery _____ the _____ check _____ on _____ car?
 Check _____ light come _____ with _____?
 Low _____ cause check _____.
 The _____ engine light could _____ be _____ by _____.
 _____ check _____ was on _____ the battery was _____.
 _____ battery cause _____ check engine _____?
 The check _____ light _____ be due _____ the _____.
 _____ engine _____ on could be _____ a _____ battery.
 _____ weak battery _____ reason _____ up?
 _____ engine _____ is _____ due _____ my dying battery.
 _____ it a bad _____ that makes _____ go _____?
 _____ possible _____ batteries _____ cause engine light?
 Can _____ blamed _____ the check engine light _____?
 Have _____ if _____ weak battery could cause _____?
 _____ battery warning dumbass _____ is _____.
 _____ wondering _____ car's failing battery will _____ the check engine light _____.
 _____ pushing the check _____ act _____.
 Is my _____ source _____ the _____ light?
 Failing battery _____?
 Bad _____ light go _____?
 Does _____ check engine _____ poor battery _____?
 Can _____ be blamed _____ engine _____ going on?
 The _____ light could _____ due _____ dying _____.
 _____ bad _____ could _____ a _____ engine light.
 It's possible that _____ engine light _____ caused by _____.
 Check if _____ is _____ by _____.
 Sick battery _____ check-engine _____?
 _____ weak _____ could _____ check engine _____.
 _____ weak battery _____ the engine _____ illuminate?
 _____ due to a _____ in _____ battery?
 _____ light _____ possibly _____ triggered by _____ weak battery.
 Can a _____ the car's stupid _____?
 _____ check _____ light come _____ the batteries are _____?
 _____ check engine light _____ on _____ the _____ is _____.
 Are _____ light on because of _____?
 Is the _____ a poor _____?
 Check _____ light on is _____ by _____?
 _____ engine signal _____ be illuminating if the _____ is _____.
 _____ the car's check _____ triggered by _____?
 _____ weak _____ cause the engine light _____ light _____?
 _____ cause the _____ light to come _____.
 _____ engine caused by _____?
 _____ the _____ engine _____ is _____ a failing battery?

_____ the light _____ engine _____ be _____ to _____ battery power?

Isn't _____ light caused by _____ weak _____?

_____ engine signal _____ poor _____ health?

Is _____ check _____ malfunctioning due _____ a declining _____?

Could _____ light be _____ due to a _____?

_____ weak _____ a _____ for the _____?

Can _____ check _____ be _____ by a poor _____?

Could the check engine light _____ failing _____?

_____ an _____ battery make the _____ work?

The check _____ could _____ low battery power.

_____ alert caused by an under _____?

_____ the light _____ check engine signal _____ connected _____ battery _____?

_____ the _____ engine lamp _____ tired battery?

The _____ check _____ may _____ by a _____ battery.

_____ the weak _____ to _____ if _____ causes the _____.

_____ check engine _____ coming _____ because of a _____?

_____ battery cause _____ light on?

Is a _____ the _____ light?

Is _____ due _____ battery?

_____ on due to _____ battery?

Can a _____ battery _____ check _____?

The _____ up _____ engine _____ could be related _____ battery _____.

Is the _____ activated _____ a dying battery?

_____ dying battery causing the check _____ on?

The _____ light _____ be caused by _____ poor _____.

Is _____ check _____ a weak battery _____ present?

_____ light _____ because of weak battery.

_____ that _____ to _____ up because of _____ bad battery?

_____ battery the _____ the light?

A bad battery _____ to illuminate.

Did _____ lit _____ engine _____ glitch?

_____ you _____ the _____ due to a weak battery?

Failing battery _____?

_____ be _____ due to _____ battery.

Can _____ light up the _____ signal?

_____ could turn on _____ to _____ car's failing battery.

Is the _____ on _____ bad battery?

Does _____ check _____ indicate _____ of the battery?

_____ the check engine _____ of a declining _____.

_____ low _____ capable of _____ a check engine _____?

_____ declining _____ the check engine _____?

_____ the check _____ on because _____ a _____?

_____ possible _____ a check engine _____ is caused _____ low _____?

Is _____ light because my dying _____ trips _____?

_____ the check engine _____ by _____ battery?

_____ check _____ can be triggered by the _____.

_____ battery affect _____ engine _____ behavior?

Can _____ blamed _____ the _____ engine light going off?

Can low battery _____ engine _____ illuminate?

Is _____ check _____ light on when _____ battery _____?

Is low battery _____ an illuminated _____ engine _____?

Is _____ turned on due to _____?

_____ dying _____ for the check _____ light?

_____ an _____ check engine lamp to illuminate?

_____ triggering engine _____?

I was _____ dying battery _____ to _____ for the _____.

Check _____ be _____ by _____ failure.

The _____ light could be _____ by _____ failing _____.

The check engine _____ could _____ a failing _____.

Is _____ battery the _____ the _____?

_____ low _____ levels _____ the indicator.

Light on _____ be _____ bad _____.

Is a check engine light _____ a _____?

The check _____ due to a _____ battery.

Is _____ battery affecting the _____ light _____?

Is _____ triggering the dumb check light?

_____ the _____ caused by _____ dying _____?

Is the _____ malfunctioning because of a _____?

_____ a _____ the dumb check _____?

The _____ dumb _____ might _____ triggered _____ bad battery.

_____ bad battery could _____ light to _____ off.

_____ dying _____ is responsible for the _____ light.

_____ battery the _____ the light?

_____ coming on because the battery is _____?

_____ battery cause _____ check _____ light _____ go on?

_____ engine light _____ be _____ by _____.

_____ there a _____ the check engine light activation _____?

_____ that the _____ engine light is _____ a failing _____.

_____ about _____ failing battery _____ the _____?

Is _____ engine _____ a _____ my dying _____?

_____ bad battery could _____ an _____ come _____.

_____ check engine _____ possible due to _____ battery?

Is a _____ responsible _____ that signal?

Does the check _____ have to _____ batteries?

Are the check engine _____ a _____ battery?

_____ the check _____ light go _____ of weak _____?

Is it _____ the check _____ is _____ to _____ malfunctioning _____?

Can the _____ be triggered by _____ battery?

A bad battery could have _____ the _____.

Can _____ alert the check _____?

_____ light related _____ the battery?

Can _____ cause _____ check engine light _____ go on?

Is there _____ link between _____ lit up check engine _____?

Can _____ cause _____ engine malfunction?

_____ battery _____ engine _____ up.

Is _____ car's failing _____ cause of _____ turning on?

The check _____ may _____ by a dying _____

The _____ engine light _____ turn _____ if _____ is dead.

_____ check engine _____ due _____ a weakness in the _____.

Can a bad _____ cause _____ dumb _____ light _____?

_____ check _____ a result of weak _____?
 _____ check _____ can be _____ by a _____.
 _____ signal _____ be illuminated _____ a degrading battery.
 Maybe the check engine _____ is _____ of _____?
 Is _____ check _____ signal _____ low _____ power?
 Is _____ check _____ started because _____ dying _____?
 _____ engine _____ be a sign _____ weak batteries?
