

[Demo] NLP Dataset for Customer Service Automation

Company Type	Water and Wastewater Utility Companies
Inquiry Category	Meter reading and usage questions
Inquiry Sub-Category	Estimated meter reading
Description	Customers seeking clarification or expressing concerns about estimated meter readings on their bills, and the process involved in determining these estimates.
Data Size	5,008 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Water and Wastewater Utility Company" customer inquiry. (Purchased data will not be masked.)

_____ determine the accuracy _____ readings?

The _____ the _____ is _____ by _____.

How would _____ determine _____?

There _____ a question about _____ can make _____ in _____ of _____ readings.

_____ reading estimates?

What _____ the accuracy _____.

_____ that affect the _____ estimated _____

Factors determine _____ of _____.

What are _____ of _____?

Factor that _____ in _____ accuracy of _____ readings

Could _____ tell us _____ the _____ affecting estimate _____?

_____ factors have _____ on _____ accurately?

_____ there _____ specific _____ the estimated readouts' correctness _____ determined?

Which aspects _____ estimates?

What factors _____ you consider _____ estimating _____ reading?

Is there _____ for _____ correctness?

_____ factors _____ estimation of _____?

Estimated _____ decided _____ what.

What _____ you think _____ of the _____?

Things _____ calculated _____?

_____ estimated readings can be _____.

_____ do _____ accurate values?

Which _____ how _____ readings _____?

Can _____ tell me _____ factors _____ estimates are?

_____ are certain _____ that _____ estimated _____ accuracy.

_____ estimated readings _____?

Factor _____ can _____ accuracy of _____.

Is there _____ about _____ factors _____ estimates?

_____ certain things _____ accuracy of _____?

Can _____ me an _____ the factors _____ the estimates?

What _____ the _____ that _____ accurate _____?

_____ used _____ calculate _____ accurate readings?

_____ are some _____ that _____ of estimates?

_____ factors _____ estimates?

_____ do _____ think influences _____ reading _____?

_____ factors _____ reading _____ accuracy?

Factors that _____ affect _____ of _____ readings _____ a _____.

_____ do you determine _____?

_____ an impact _____ reading predictions?

_____ tell _____ what factors affect _____?

What _____ reading estimates' accuracy?

There are things that _____ influence _____ readings.

_____ the factors that _____ estimating them _____?

_____ know how the factors _____ estimates are.

What affect _____ accuracy _____?

What factors _____ determine readings' _____?

_____ can affect _____ readings.

What factors _____ part _____ them _____?

_____ on accurate _____ estimates.

_____ you _____ me an opinion _____ of _____ estimates?

There is a _____ affect _____ accuracy _____ estimated readings.

Factors that _____ the _____ the _____ are the _____.

There is a question _____ the precision _____ estimated _____.

Can you _____ an _____ about _____ factors that affect _____?

_____ influences the _____ of _____?

Factors _____ make _____ difference in _____ estimated _____ are _____ question.

_____ factors are _____ to _____ the _____ accurate.

_____ of _____ is determined by certain _____.

_____ that affect _____ accuracy _____ reading _____

How _____ determine reading _____?

_____ aspects _____ how precise _____ readings _____?

How do _____ decide _____ accurate?

What _____ should you _____ estimating _____ of a reading?

What factors are used _____ determine _____ the _____?

What _____ accurate _____?

_____ play a _____ in the _____ of _____.

_____ factors _____ the estimated _____ accuracy?

_____ factors are used _____ reliability?

Which _____ the _____ readings?

_____ answer _____ about _____ that affect accurate estimates?

_____ the accurate estimate _____?

How _____ estimate _____?

Is there _____ for _____ accuracy _____ estimated readouts?

What _____ an effect _____ precision _____ estimated _____?

_____ factors _____ estimated _____ accuracy?

_____ determine _____ of _____ estimates.

_____ you _____ answer regarding the _____ of accurate _____?

Factors that _____ make a difference in _____ of _____.

What _____ accuracy of _____
 _____ are the _____ reading accurate?
 What _____ of reading _____?
 _____ factors that _____ in the _____ of estimates.
 _____ accuracy of _____ are determined _____.
 _____ you _____ reading reliability is _____?
 There _____ elements _____ estimation precision
 _____ factors that _____ a _____ in the accuracy _____ estimated _____.
 _____ you _____ me an _____ factors _____ accurate estimates?
 Is estimating's _____ what?
 What are the specific _____?
 What factors _____ used _____ readings?
 _____ factors _____ the accuracy of _____?
 Inquire _____ what variables _____ estimations.
 What _____ reading _____?
 Inquire about _____ be _____ for accurate estimations.
 _____ affects _____ estimates are?
 What _____ up _____ accuracy?
 Is it _____ that there _____ factors _____ estimated readouts' _____?
 What factors _____ to _____ the _____ the estimated _____?
 _____ answer _____ about the factors _____ estimates?
 _____ answer to the _____ that affect accurate _____.
 _____ are _____ by what?
 Are you able _____ tell _____ reading _____?
 _____ elements _____ precision of _____.
 Which _____ reliability?
 _____ specific _____ that affect _____ reading _____?
 Which _____ have an _____ reading _____?
 What _____ will _____ how _____ readings _____ be?
 _____ the _____ of the _____ readings?
 _____ the _____ reading's accuracy?
 I _____ about _____ that _____ accurate _____.
 _____ you know _____ influences _____ estimates?
 Some factors _____ accuracy.
 Is _____ estimated readouts' correctness?
 _____ the key _____ involved when _____?
 What _____ impact _____ levels of readings?
 Some _____ estimates accuracy.
 _____ factors are involved _____ accuracy _____?
 _____ is it about _____ estimate _____ that makes _____?
 What _____ affects _____ accuracy _____ readings?
 _____ factors _____ in _____ of estimates.
 Which _____ matter most _____ make _____?
 _____ makes up _____ the _____ readings?
 _____ influences the accuracy _____?
 _____ affect estimated reading _____.
 _____ are _____ factors _____ reading accuracy?
 _____ accuracy of _____ reading what _____ do _____ consider?
 Factor that make a _____ in _____ accuracy _____.
 _____ that _____ make a difference _____ readings _____ something to _____ about.

_____ factors do _____ consider _____ accurate reading?

_____ affect _____ accurate an estimate _____?

What _____ accuracy level _____ estimate _____?

_____ the estimated reading?

What makes _____ level _____ readings _____?

What _____ estimate's _____?

What about _____ determines _____ level?

Specific _____ the precision _____.

Inquire _____ variables involved _____ accurate _____.

_____ makes _____ accuracy _____ estimate _____.

_____ affect _____ precise the reading _____?

_____ affects the _____ the _____?

Which _____ affect _____ reading _____?

What _____ accuracy of _____?

_____ make a _____ accuracy _____ estimates is the question

Various factors _____ accuracy of _____

_____ you _____ me figure out the factors _____?

What _____ the _____ affect _____ of estimates?

How do _____ whether _____ not _____ is accurate?

_____ you consider in estimating the accuracy _____?

_____ readings _____ be accurate?

What factors _____ you _____ a _____ in _____ accurately?

What _____ used to _____ readings?

Inquire _____ used for _____ estimates.

_____ wanted to _____ accurate estimates.

Various _____ play a _____ in _____ the _____ reading _____.

_____ you tell me about _____ of _____?

What _____ the accuracy levels _____ readings?

What key parameters _____ involved in how _____?

_____ make _____ difference _____ the _____ of predicted readings.

_____ factors _____ estimates accuracy?

What _____ determine _____ readings?

_____ are factors that _____?

_____ you _____ when estimating accuracy _____ reading?

_____ you able _____ what determines _____?

What _____ readings _____ precisely _____ we estimate _____?

What _____ have _____ them accurately?

What does _____ accurate _____ estimates?

What factors _____ to accurately _____?

Something _____ think about _____ can make _____ difference _____ the accuracy _____ readings.

What is involved in _____ of _____?

What factors should _____ consider _____ the _____ reading

What _____ estimates _____ accuracy?

_____ that _____ affect _____ accuracy _____ estimated _____ are _____ question.

What _____ would you _____ the accuracy of the _____?

_____ factors are _____ estimate the _____ of _____ readings?

_____ variables that affect estimate _____?

_____ you have an answer _____ about the _____ affect _____?

_____ factors are involved _____?

What factors _____ used _____ determine _____ of _____ reading?

_____ what _____ the accuracy _____ estimates?

_____ determines _____ of _____?

What decides _____ accuracy _____

Some factors _____ of _____.

_____ involved in accurately _____ them?

What _____ that determine reading _____?

_____ affect _____ estimated readings?

What factors do _____ for determining _____ the _____ readings?

Factor _____ affect accuracy _____

What _____ determine accurate readings?

_____ factors determine _____ of _____ estimates

Do _____ know _____ affects _____ of _____?

Is it possible _____ determine _____ determinants _____ estimated _____?

_____ like _____ the factors that affect _____ estimates.

_____ we estimate readings?

_____ elements matter _____ be accurate?

_____ decides _____ accurate _____ readings _____?

_____ are _____ to determine the _____?

_____ the _____ of accurate _____ estimates?

_____ reading estimates' accuracy?

_____ factors are _____ make an _____?

_____ when it _____ estimated _____ accuracy?

_____ factors _____ reading _____ accuracy?

_____ factors dictate _____ accuracy of _____.

I would _____ to know _____ of estimates.

_____ do you use to calculate _____ the estimated _____?

_____ reading estimates' accuracy?

_____ for the accuracy _____ estimates?

What factors _____ consider _____ the accuracy _____ the _____?

When estimating _____ accuracy of a _____ you _____?

_____ that can _____ accuracy _____ readings

What _____ factors _____ them correctly?

_____ do _____ decide which _____ are _____?

I have an _____ about _____ of _____.

_____ like to learn about factors _____ preciseness.

Factors that can _____ in the accuracy of _____ is _____.

What _____ estimation _____?

_____ your readings _____ decided _____ what.

_____ the _____ is determined _____ what.

_____ are the factors that _____ the accuracy _____?

Factor that _____ make a _____ in the accuracy of estimated _____

_____ factors _____ be _____ account when _____ the _____ a reading?

What has an _____ the _____ estimates?

_____ elements that _____ the _____ estimations.

Do you have _____ answer _____ of accurate _____?

Factors affect _____ accuracy _____.

How do factors _____ figures?

_____ do _____ ensure _____ reads?

_____ understand _____ estimates accurate?

Can you tell _____ affects _____ estimations?

Specific factors _____ accuracy _____ a _____.

_____ the factors you use _____ the _____ the readings?

_____ do you determine _____?

_____ constitutes _____ level _____ estimate readings?

_____ aspects have _____ on _____ readings?

There are _____ determine _____ estimates _____.

I _____ reading reliability.

Can you tell _____ that affect the _____ estimates?

What _____ affect _____?

_____ question _____ how _____ factors _____ precision.

_____ the factors that _____ reliability?

How _____ you _____ a _____?

What _____ the _____ of readings _____?

_____ variables are _____ to determine the _____ the _____?

_____ factors _____ related _____ estimates?

_____ can impact _____ accuracy of _____.

I'd _____ know _____ the _____ of accurate _____.

What _____ precision of _____?

Is there a specific _____ factors _____ affect _____?

_____ factors account _____ accuracy _____ reading _____.

_____ give me _____ for the factors of _____?

_____ factors _____ reading _____.

_____ that _____ make _____ difference _____ accuracy _____ estimates are the _____.

_____ you tell _____ about the _____ estimate _____?

_____ factors are you _____ when estimating _____ of _____ reading?

Factors that _____ difference _____ accuracy of readings is _____.

What factors are you _____ at _____ estimating _____ a _____?

_____ you _____ me _____ regarding _____ of accurate estimates?

What _____ are considered _____ estimate _____?

_____ affect _____ estimated readings?

_____ determines the _____ of _____ readings?

_____ reading estimation?

Factors _____ can affect the _____.

_____ figure _____ the accuracy of the readings?

How _____ things affect _____?

Can you _____ me _____ factors of _____ estimates?

What _____ precision _____ estimated readings?

_____ can _____ a _____ the accuracy of estimates?

Which _____ reliability?

_____ you _____ influences the accuracy _____ estimations?

How _____ you _____ estimated _____?

_____ involved _____ the _____ estimated readings?

_____ the estimated readings are _____ by _____.

Can _____ tell _____ that affect _____ estimates?

What _____ factors used _____ estimates _____?

_____ you determine _____ accurate _____ readings?

_____ are _____ create accurate estimated _____?

What _____ of _____ readings?

What factors can make _____ difference _____ accuracy _____?

_____ you explain to _____ the factors _____ estimates?

Does it _____ understand _____ affects _____ accuracy of _____?

_____ are certain factors that determine _____.

There _____ factors that can make _____ when _____ comes _____ readings.

_____ accuracy: factors?

_____ factors may be _____ in _____?

Which variables _____ accuracy?

What _____ accurate?

_____ makes _____ difference to _____ accuracy levels _____?

_____ are the _____ that determine _____?

What governs _____ your _____?

_____ the _____ in estimate readings?

Which aspects affect _____ a _____?

Ask about variables _____ factor _____.

_____ do you _____ estimate the _____ of a _____?

_____ a question _____ decides estimated readings' _____.

Which factors _____?

_____ readings' accuracy _____ made _____ what?

_____ accuracy _____ the readings?

_____ you _____ me what affects _____ accuracy _____ the _____?

_____ are _____ that _____ to accuracy _____ estimates?

_____ factors _____ to _____ estimations?

_____ explain _____ causes accurate _____?

Factors that _____ make _____ in the _____ readings _____ the question.

Will you _____ an answer _____ factors _____ accurate _____?

What _____ estimating _____ correctly?

Factors _____ can affect _____ of estimated _____ being _____.

_____ are various _____ the accuracy of reading _____.

Is _____ a specific set _____ for _____ correctness _____ readouts?

What _____ into _____ estimates?

_____ factors _____ an _____ accuracy of _____?

What keeps the _____?

There are _____ that can _____ accuracy _____ readings

_____ influences _____ of _____ readings?

_____ accounts _____ the accuracy _____ estimate _____?

What reliability _____ have?

_____ can affect _____ reading accuracy.

Factors _____ the accuracy _____ estimates.

_____ are _____ that determine _____ accuracy of reading _____.

_____ that _____ make a difference in the accuracy of _____.

_____ are things _____ affect _____ estimates.

_____ things determine _____ accuracy of _____.

Can you give _____ factors _____ accurate estimates?

How _____ of _____ readings decided?

What _____ factors _____ reading _____ accuracy?

What influences the _____?

What _____ the _____ the readings?

_____ you tell me _____ variables _____ estimate _____?

_____ factors do we _____ precision?

_____ that _____ the accuracy _____ estimations?

What factors do _____ be _____ estimating _____ reading's accuracy?

_____ have some _____ about the _____ of _____.

Which are _____ factors _____ accuracy of reading _____?

How _____ you _____ the readings _____?

_____ are _____ using to determine the accuracy of _____?

Factors that indicate _____

_____ the _____ estimated _____ accuracy?

What _____ can make _____ difference _____ the _____ readings?

_____ the _____ on _____ accuracy _____ estimated readings?

How do _____ accurately _____?

How do _____ the accuracy _____?

_____ it take _____ estimate _____ accurately?

The question _____ can make _____ the accuracy of _____ readings?

What _____ main _____ on accurate _____?

Specific factors _____ reading _____.

Is _____ your _____ by something?

_____ it possible _____ are _____ determinants _____ readout correctness?

_____ readings' _____ decided?

How do _____ factors _____ readings?

How _____ we determine _____ in _____ readings?

Are there certain factors _____ affect the _____?

_____ factors _____ into _____ when estimating the accurate _____?

_____ the accuracy of the _____?

Is it _____ to _____ what makes the _____?

_____ accuracy _____ the estimate readings?

How _____ accurate _____?

What makes _____ the _____?

Factors _____ can _____ a difference _____ of _____ something to think about.

_____ reading estimates' accuracy?

Can _____ tell _____ affect estimate accuracy?

I would like to _____ factors that _____.

What _____ make a _____ the _____ estimates?

Inquire _____ the _____ accurate estimations.

How do certain elements _____?

_____ can affect _____ estimates' _____?

How _____ determine _____ estimates' accuracy?

_____ determine _____ accuracy of _____.

_____ reading accuracy?

What are the factors _____ the _____ estimated _____?

_____ do _____ determine accurate _____ for _____?

What _____ you use _____ determining the accuracy _____ the _____?

_____ can affect _____ of _____ is something to _____ about.

_____ that reads are _____?

_____ factors _____ in _____ estimates?

_____ affect the _____ readings?

_____ the accuracy _____ the estimates?

How _____ we _____ the _____ of _____?

Something to think about _____ factors _____ can make _____ of _____.

I'm looking _____ an _____ to the _____ estimates.

_____ determine accuracy _____ reading _____?

_____ used to make an _____ reading?

I _____ inquiring about the _____.
 I _____ know what _____ accurate _____.
 _____ about what _____ used to _____ estimations.
 _____ affects _____ precision?
 _____ about _____ involved in accurate _____.
 _____ you _____ me what the factors _____ accurate _____?
 There _____ to _____ the estimated readings _____.
 _____ factors _____ make a difference _____ the accuracy of _____ is _____ about.
 What _____ estimates' _____?
 _____ specific _____ predicted reading accuracy?
 _____ tell _____ readings' reliability?
 _____ factors _____ you _____ determining the accuracy _____ the _____?
 _____ factors affect the _____ reading _____
 _____ are certain elements that _____ of _____.
 _____ to make clear _____ impacts accurate _____?
 _____ governs _____ accuracy _____ estimate _____.
 _____ do _____ accurate predictions?
 _____ of reading estimates?
 _____ factors are used _____?
 _____ some _____ that _____ estimation precision
 What _____ that determine _____ precision?
 _____ some factors you consider _____ estimating the accuracy _____?
 What _____ the reads are _____?
 What makes _____?
 Factors _____ can make _____ difference _____ the accuracy _____ estimated readings, _____.
 Factors _____ a part in _____.
 What _____ accuracy of _____?
 Can you _____ me an _____ on the _____?
 What _____ accuracy _____ reading _____.
 What factors _____ accurate _____?
 How _____ estimated readings?
 _____ make a _____ in the _____ of readings _____ to _____ about.
 Can _____ tell _____ determines reading _____?
 I have _____ factors of _____ estimates.
 _____ accuracy of _____ reading, what factors _____ consider?
 _____ contributes to _____ accurate?
 _____ you _____ factors that _____ the accuracy _____ estimates?
 Which _____ reading _____ accuracy?
 Which factors determine _____ the _____?
 What _____ the _____ on the _____ of _____?
 What factors _____ accuracy of _____?
 _____ you discern accurate _____?
 _____ you tell me _____ about _____ factors _____ accurate _____?
 _____ question _____ factors that can _____ difference in _____ accuracy of _____.
 _____ about _____ accurate estimates.
 _____ an impact _____ the _____ of estimates?
 _____ certain _____ determine readout _____?
 _____ on the accuracy _____ estimated _____.
 _____ effects _____ the accuracy levels _____?
 _____ reading accuracy, _____?

_____ factors _____ estimated reading accuracy?

_____ the _____ accurate _____ estimates?

_____ do you _____ the _____ readings?

_____ goes _____ determining estimate's _____?

_____ factors _____ estimated _____ accuracy

_____ are _____ factors _____ decide the accuracy _____?

_____ you _____ us what affects the _____?

Factors _____ accuracy of _____ are being asked.

_____ elements _____ how _____ will be?

How _____ estimated _____ affected _____ which _____?

I _____ understand _____ reliability.

_____ factors _____ used _____ estimating _____?

What factors _____ to make an _____?

_____ a _____ factor that determines _____ correctness of _____?

_____ reliability _____ determined _____ what.

What affects _____ reads?

_____ determine the _____ readings?

Factors _____ can make _____ difference _____ the accuracy _____ the _____ question.

_____ are _____ make accurate estimates?

What _____ accuracy _____ in _____ different?

_____ you _____ Estimated readings?

What affects the _____?

There are _____ that _____ the accuracy _____.

_____ affect readout precision?

Factors _____ play a _____ in _____

_____ reasons for _____ reliability?

What factors make _____?

_____ accuracy of _____ readings?

_____ factors _____ role _____ of estimates.

What _____ reading estimate _____?

Factors that can affect _____ of _____ something _____ about.

_____ used to make accurate _____.

_____ factors _____ accuracy of reading _____.

_____ a direct _____ on the _____ estimated readings?

I _____ factors that affect _____.

_____ on how precise estimates are?

What is _____ cause of _____?

Factors _____ make a _____ in the accuracy _____ a question.

Does _____ factors _____ readout _____?

_____ factors _____ you _____ estimating _____ accuracy?

_____ to know the _____ affect the accurate _____.

_____ factors _____ an impact _____ reading _____?

Which variables _____ of reading _____?

_____ factors _____ to determine _____ readings?

There _____ factors that _____ the _____ of _____.

_____ impacts _____ accuracy of _____?

What _____ levels _____ on _____ readings?

Several _____ accuracy of reading _____.

Is there a _____ the _____ of the _____?

_____ which estimated readouts' correctness are determined?

_____ reading estimates' accuracy?

Can you _____ factors that affect _____ estimates?

Are _____ factors that _____ the _____?

_____ do you _____ the _____ of _____?

_____ factors _____ effect _____ reading estimates' _____?

What _____ affect _____ estimated _____?

Can _____ me _____ answer _____ the factors of _____?

What's _____ about estimated _____?

_____ up estimates _____?

_____ things that determine estimate's _____?

_____ do _____ influence reading _____?

_____ me _____ factors that affect _____?

_____ have an influence _____ reading _____?

_____ factors go _____ estimates?

_____ factors do you take _____ account _____ you estimate _____ a _____?

How _____ the accuracy _____ readings?

There _____ certain factors _____ determine _____.

_____ are _____ make sure the estimates are _____?

_____ about _____ involved _____ accurately estimating.

_____ the variables _____ go _____ estimations.

_____ what readings _____ accurate?

_____ variables are used to _____ estimations.

Do certain _____ reading _____?

Do certain factors _____ reading _____?

Is there _____ reason for _____ correctness _____ the _____?

What is the _____ accuracy _____ estimated _____?

What factors _____ consider _____ coming up with _____?

_____ readings' accuracy _____ decided by _____?

What _____ the factors _____ accuracy of _____?

Do you _____ as _____ what determines reading _____?

How _____ by which aspects.

_____ aspects affect _____ estimated _____?

_____ searching _____ about the factors that _____ accurate estimates.

_____ accuracy of estimated _____ can _____ determined by a _____.

Are _____ factors that affect the _____ estimate?

_____ used to make _____ accurate?

_____ that determine the accuracy _____ estimated readings.

_____ accuracy of _____ is _____ what

What _____ are _____ for _____ readings?

_____ are _____ influences _____ of estimations?

What _____ accurate _____ readings?

_____ a bearing on estimation _____?

There _____ specific _____ affect _____ readouts' _____

Estimates of _____ accuracy may be _____.

There are certain factors _____ estimated _____.

_____ the _____ of the _____?

_____ aspects affect _____ accurate _____ readings _____?

There _____ factors _____ accuracy _____ the estimated readings.

_____ you _____ me what _____ of _____ estimates _____ like?

What _____ estimating _____?

What _____ things that _____ accurate _____?
 _____ do you factor _____ when _____ the _____ of a _____?
 _____ can make a _____ in the _____ readings _____ question.
 Which _____ influence _____ estimates _____?
 _____ reading estimates' accuracy?
 _____ there something _____ accuracy of _____?
 _____ accuracy of _____ readings?
 Is it _____ understand _____ causes _____?
 _____ some specific _____ affect _____ estimated _____?
 _____ factors are _____ to _____ the _____
 _____ affect _____ accuracy of _____.
 What _____ do _____ accurate measurement _____ success?
 _____ up accuracy _____ estimates?
 _____ factors _____ a _____ estimating.
 Is _____ answer _____ the factors that _____ accurate _____?
 Which aspects affect how _____?
 Inquire about the variables _____.
 _____ me what determines _____.
 I _____ to _____ which factors _____.
 _____ do _____ accurate _____ readings?
 _____ that determine reading _____ accuracy.
 _____ accuracy impacted by specific _____?
 _____ want _____ learn about factors that _____
 _____ do you consider when making a _____?
 There _____ certain _____ determine _____ correctness.
 _____ factors _____ used to decide _____ accuracy of _____?
 _____ are _____ elements _____ how accurate my readings _____?
 Which _____ affect _____ readings _____?
 _____ factor into accurate _____.
 Estimates _____ accuracy is _____ by _____.
 _____ determines estimate's reliability?
 How _____ decide _____ a _____ accurate?
 I _____ if _____ have an answer _____ the _____ that _____ estimates.
 Something _____ think _____ factors _____ the accuracy of estimates.
 _____ is the _____ estimated readings _____?
 Factor that can affect _____ is _____ question.
 What _____ consider _____ estimate _____ accuracy of a _____?
 _____ affect the accuracy of _____.
 Factor that make a difference _____ of _____ readings is _____.
 _____ affect the _____ of reading _____.
 _____ say _____ the _____ of estimations?
 _____ are factors which _____ affect _____ of estimated _____.
 Which parts _____ readings are?
 What _____ do you _____ the _____ of _____ readings?
 Can _____ tell me _____ affect accurate _____?
 What _____ the accuracy of _____?
 _____ is _____ to _____ reliability?
 Which factors _____ estimates _____?
 Which are _____ factors _____ estimates?
 What _____ accuracy _____ a _____?

_____ factors do _____ take into _____ estimate _____ accuracy _____ reading?

_____ factors are used to _____.

Can _____ give _____ an _____ about the _____ accurate _____?

_____ determine reading _____?

_____ affect the _____ readings?

_____ influences _____ your readings?

_____ are _____ to determine _____ accuracy of _____ readings.

What is _____ determining factor _____ the _____ readings?

What _____ of estimates?

_____ asked about _____ of _____.

_____ variables _____ the _____ of estimated _____?

There _____ of factors _____ determine _____ of reading estimates

Factors that can make _____ readings are the _____.

What _____ accuracy _____ the readings?

_____ decided by what?

_____ what determines reading reliability.

What _____ accuracy of estimate _____?

Which _____ estimating of _____?

_____ am trying to get an _____ the _____ of _____.

_____ you determine the _____ readings?

Is there _____ reason for _____ estimated readouts?

Inquire _____ how _____ are _____ estimations.

_____ determine _____ precision _____ estimations

Could _____ variables affecting estimate _____?

The question _____ can make a _____ in _____ estimated _____.

When _____ the accuracy _____ a reading, _____ consider?

_____ a _____ in accurately estimating _____?

There _____ factors that can _____ a difference _____ the _____ reading.

_____ about factors of accurate _____.

Some _____ estimated reading _____

What factors _____ used _____ estimate _____?

What _____ control _____ of _____?

_____ play a _____ in the accuracy _____.

What governs _____?

_____ factors _____ reading _____ to _____ accurate?

Is it _____ to _____ what _____ the _____ of _____?

_____ do _____ to determine _____ readout precision?

_____ variables _____ accuracy _____ estimates?

_____ effects _____ have on _____ precision?

_____ wondering about the factors _____.

_____ you tell me _____ accurate estimates.

_____ question is: factors _____ can make _____ accuracy _____ estimated readings.

_____ of accurate estimates?

Factors that _____ the _____ of _____.

What factors _____ affect _____ accurately?

_____ factors _____ used to make _____?

Factor _____ a role in _____

What _____ is estimated reads?

_____ you _____ the reasons for _____ estimates?

Factors that _____ role _____ the _____ estimates.

_____ affect _____ of readings?

How _____ estimates _____ impacted _____ which _____?

_____ accuracy of estimated _____ be determined _____ few _____.

Factors that _____ the accuracy _____ estimated _____ question.

What variables _____ accurate estimates?

What is _____ of estimated readings?

_____ do you _____ into account _____ reading's accuracy?

Specific _____ affecting _____?

Things _____ can _____ a _____ in the _____ estimates is _____ think _____.

What would _____ levels _____ readings?

_____ determine _____ and how _____ can we _____?

_____ are _____ could make _____ difference _____ of estimated readings.

What _____ accuracy levels _____ estimated _____?

_____ about estimate readings _____?

There _____ factors _____ impact accuracy _____ readings.

What factors _____?

What _____ to be _____?

_____ precision with estimated _____?

What _____ to make estimating _____?

Can _____ tell me _____ the factors _____ affect _____?

_____ that play _____ in _____ accuracy.

_____ an impact on reading _____?

_____ affects the _____ of _____?

What is the _____ factor _____ of _____?

Which _____ the _____ of _____?

_____ associated with reading _____?

What factors _____ used _____ the _____ readings?

Do _____ factors affect estimating _____?

_____ are _____ factors that _____ the _____ of _____ estimated _____.

What _____ affecting estimation _____?

_____ the reliability _____ calculated _____?

_____ factors are _____ accurate estimates?

_____ are the factors _____ estimate's _____?

What _____ you _____ into account _____ reading accuracy?

_____ what the _____ affect accurate _____?

How _____ you determine _____ accuracy _____?

_____ does _____ estimated _____ depend on?

_____ are factors used _____ make _____?

What decides the _____?

What are _____ factors _____ accurate _____?

_____ a role in _____ being _____?

_____ answer about the factors of accurate _____.

_____ some _____ factors _____ reading accuracy

There _____ variables that can _____ estimated readings.

_____ do _____ them correctly?

_____ like to know what _____ factors _____ are.

_____ factors affect _____?

When determining the accuracy _____ what factors _____ you _____?

What _____ consider _____ estimating the reading's _____?

Do _____ variables are affecting _____ accuracy?

____ do ____ determine an ____ reading?
 What ____ estimating ____ reading's accuracy?
 ____ elements ____ accurate ____ readings will be?
 ____ specific factors ____ reading ____?
 ____ estimation precision?
 What ____ the ____ your readings?
 Some ____ affect ____ estimated readings.
 Factors that play a ____.
 Can ____ tell me ____ factors ____?
 ____ factors ____ show ____ readings' reliability?
 ____ the ____ that make ____ estimates?
 There ____ factors ____ affect ____ accuracy of ____ readings.
 Is ____ to state what influences ____ accuracy ____?
 ____ of ____ readings determined ____ what?
 I ____ about ____ accurate estimates.
 ____ possible to understand ____ estimate accurate?
 What is the ____ reliability?
 What ____ the ____ reading's ____?
 ____ you consider ____ predicting a ____ accuracy?
 Can ____ tell ____ about ____ variables ____ estimate ____?
 ____ is ____ cause of the ____?
 ____ influences ____ precision ____ estimates?
 ____ what makes ____ estimates?
 ____ factors can ____ determine the ____ of the estimated ____?
 Which factors ____ reading ____?
 How ____ determine a ____ precision?
 Which ____ reliability?
 ____ some factors that affect ____ of ____?
 ____ an effect on ____ estimations?
 ____ it that ____ the estimates ____?
 ____ factors ____ reading ____?
 ____ factors determine the ____ estimated readings?
 ____ estimated readings' ____?
 Which ____ affect ____ accuracy ____?
 ____ findings make ____ that reads ____?
 Which ____ estimate ____?
 What ____ determines ____ of ____?
 How ____ estimating readings?
 ____ determine ____ of a reading ____.
 ____ do ____ in estimating a ____ accuracy?
 Which ____ readings?
 ____ for an ____ about the ____ of ____ estimates.
 Some ____ affect how precise ____.
 There ____ different factors ____ determine the ____ reading ____.
 ____ factors ____ the ____ reading estimates?
 What ____ the ____ estimate ____?
 What ____ is used ____ estimate ____?
 ____ are ____ factors ____ affect ____ estimates?
 ____ determine the accuracy ____ reading ____.
 ____ readings accurate?

_____ what _____ the _____ of your readings?

_____ what _____ the _____ of _____ estimations.

What _____ of estimates?

What factors are _____ estimates?

There are _____ the _____ readings _____.

_____ determines _____ accuracy _____ the _____?

_____ factors _____ estimated _____ accuracy

_____ affect the accuracy _____ the _____?

_____ elements determine _____ estimations.

_____ are factors _____ play _____ of estimates.

Is it possible _____ affect _____ accuracy _____ estimates?

There are factors _____ accuracy _____ estimates.

What factors _____ considered when _____ a reading?

What _____ do _____ look _____ a reading's accuracy?

What _____ accuracy?

What factors _____ you _____ be _____ estimate the accuracy of _____?

What _____ estimates of readings?

_____ do _____ contribute _____ them accurately?

_____ tell me _____ about _____ factors _____ affect accurate _____?

_____ determines _____ accuracy.

_____ are factors that _____ the _____.

What decides _____ the _____.

_____ a specific _____ for the _____ readouts' _____

What elements _____ how _____ my _____?

_____ factors _____ accuracy of readings?

_____ factors should be used to _____ of the _____?

_____ question _____ "What _____ make a difference in _____ of estimated _____

_____ factors are related _____ reading _____?

_____ do _____ use _____ at the accuracy _____ estimated readings?

_____ make _____ difference in accuracy of estimated _____

What _____ the _____ estimate _____.

There _____ determine the accuracy of _____.

_____ factors _____ calculate accurate estimates?

_____ you state _____ influences the _____?

_____ factors do you _____ to determine _____ of the _____?

_____ estimated readings are _____ by _____.

_____ affects _____ of _____ readings?

Which elements _____ how _____ readings _____?

_____ indicate _____ readings' reliability?

What variables _____ affect how _____ readings _____?

_____ components affect how _____ readings _____?

_____ me _____ answer to the factors of _____?

What are the factors _____?

_____ is the _____ on _____ of _____?

_____ there a specific _____ that _____ accuracy?

What _____ do _____ use _____ determine _____ accuracy _____ the projected _____?

How _____ accurate predicted _____?

Which aspects _____ the accuracy _____.

_____ the precision of _____ determined _____ specific elements.

Factors _____ estimate accuracy.

_____ what determines _____ reliability.

Can you _____ me _____ the _____ accurate estimates?

_____ do _____ determine _____ accuracy _____ the read?

_____ want _____ know if you _____ give _____ answer _____ factors _____ affect accurate _____.

_____ be _____ to _____ the accuracy of _____ readings?

_____ factors affect _____ estimated _____.

_____ estimates are affected _____

There _____ that _____ estimate's _____.

_____ you think _____ reading estimations?

_____ factors have _____ on reading _____?

_____ influences _____ accuracy _____ calculated readings?

The accuracy _____ be determined _____ few factors.

_____ to _____ accuracy of estimates?

I _____ about _____ of _____ estimates.

_____ take to make _____ accuracy?

_____ is _____ main _____ in _____ estimate's _____?

_____ of estimate _____ is _____ what.

_____ in _____ determined by what.

_____ affect the _____ of _____?

_____ makes _____ readings accuracy?

I _____ question about _____ that _____ accurate estimates.

_____ are factors _____ can affect _____ of _____.

Factors _____ dependability _____ calculated _____?

_____ of the factors _____ determine readout _____?

What _____ up accurate _____?

Is it _____ there _____ specific factors _____ determine estimated _____?

Which aspects _____ estimated readings _____?

_____ make _____ accuracy?

_____ you know _____ there _____ specific factors that affect _____?

_____ reading accuracy

What _____ do you _____ determine the _____ of _____ predicted _____?

The accuracy of _____ determined by _____ of _____.

_____ estimated readings are?

_____ factors affect _____ accuracy?

Is it possible _____ causes _____ of estimates.

What are _____ readings _____?

Can you tell _____ the _____ that _____ accurate _____?

What _____ you think _____ your readings?

Factors _____ affect accuracy _____ estimated _____ the question.

_____ it _____ there are _____ that affect estimates' _____?

_____ estimating _____ a reading, what factors _____ into account?

_____ do _____ accurate estimates??

Is there any _____ about _____ factors _____ accurate _____?

How do _____ readings?

_____ are _____ that determine _____ estimates _____?

_____ about _____ affect the accurate _____.

_____ factors should _____ estimating the accuracy _____ read?

_____ the estimated readings' _____?

Can _____ tell me _____ of _____?

What _____ the _____ that influence reading _____?

_____ how accurate my _____ will _____?

_____ can _____ difference _____ the accuracy _____ readings is a _____.

Is _____ specific about _____ correctness?

_____ the cause of _____?

Please _____ me about the factors _____.

_____ can _____ a _____ in accuracy _____ readings is a _____.

What _____ do _____ look _____ estimate the _____ a reading?

_____ are some factors _____ estimates' _____?

What _____ accuracy?

_____ have an _____ on estimation _____?

_____ are _____ determine the _____ of _____ estimates.

_____ the _____ of the readings?

_____ have an answer for _____ the factors of _____?

_____ the _____ estimate readings?

What _____ the determinants _____?

_____ affect on _____ accuracy?

What _____ the _____ readings

Inquire _____ variables _____ can contribute _____.

Which elements _____ how _____ my readings _____?

_____ of _____ readings is _____ what?

What _____ that determine the accuracy _____?

Factors that _____ affect the _____ of _____ is _____.

_____ makes _____ accuracy _____ readings?

What _____ take _____ estimating the _____ of _____ reading?

Estimations' _____ decided by _____

Something to _____ about is _____ a _____ accuracy of readings.

_____ is _____ the precision _____ estimations?

_____ it possible to _____ what _____ the _____ estimates?

_____ can _____ the _____ readings are something to think _____.

What affect _____ readings?

_____ the elements _____ accurate readings?

Some _____ of estimates

What _____ levels of estimated _____?

Inquire _____ variables that _____ in accurate _____.

_____ are _____ precise estimated readings?

Some factors _____ of reading _____.

How _____ estimated _____ are _____ aspects.

Factors _____ can _____ the accuracy _____

_____ can _____ reading estimates?

Is the precision of _____?

What's the _____ on _____ estimated _____?

_____ are _____ factors _____ determine _____ of estimates?

_____ think affects _____ of estimated readings?

_____ factors make _____ accurate.

_____ readingAccuracy? _____?

_____ are the elements _____ accurate my _____ will _____?

_____ makes up the _____?

Can you _____ what influences _____ accuracy _____ the _____?

Which _____ can _____ estimates _____?

What _____ the precision _____?

What affect _____ estimated _____?

_____ play a _____ in _____.

_____ reliability _____ is _____ by what.

_____ influences the accuracy of the _____?

What makes _____ accuracy _____?

There are _____ that _____ accuracy.

Is it _____ specific reasons _____ readouts' correctness?

_____ to _____ influences accurate reading _____.

_____ are used to _____ precision?

_____ factors do you _____ estimating _____ of _____ readings?

Is it _____ to _____ what _____ estimates?

_____ was wondering about the _____ estimates.

What factors _____ accuracy of the estimated _____?

There _____ influence _____ accuracy _____ estimated readings.

What _____ factors _____ influence _____ estimates?

Exactly how _____ accurate _____ readings?

_____ the accuracy _____ estimate readings?

What factors play into _____?

_____ how _____ readings are?

Can you _____ factors of _____ estimates work?

_____ you consider when estimating _____ of _____ reading?

What _____ accuracy _____ of _____ readings?

The _____ can be _____ from a number of _____.

I'm _____ if _____ an answer _____ the factors of _____.

What _____ consider when estimating _____ accuracy of _____?

There are several _____ the _____ of _____ estimates

_____ do factors _____ of readings?

_____ is _____ determining estimated readings' _____?

Can _____ give me _____ into the _____ estimates?

What factors are used _____.

_____ the accuracy _____ the _____ estimate?

Do you _____ reading reliability _____?

_____ it possible that _____ variables _____ estimated readouts' _____?

I _____ if there are specific _____ correctness.

Does _____ reading accuracy _____ specific _____?

_____ elements _____ how accurate _____ be?

_____ estimate readings decides _____?

Questions _____ readings accurate.

_____ about _____ contribute _____ accurate estimations.

What are the _____ for _____?

What _____ make estimates _____?

Does _____ know _____ the _____ of _____?

Inquire about _____ to accurate _____.

_____ are involved _____ estimation precision?

Factors that can _____ a difference in the _____ of _____ that _____ thought _____.

What _____ the _____ the precision _____?

_____ not _____ what _____ estimated _____ accuracy.

_____ the _____ by specific factors?

_____ the precision of estimations to _____ specific _____?

_____ factors _____ considered _____ estimating _____ of a reading?

____ need ____ know ____ factors ____ estimates.
 Can ____ affecting estimate accuracy?
 What ____ you ____ affect ____ accuracy?
 ____ factors affect ____ of ____ estimate?
 Is the ____ correctness ____?
 What ____ accuracy of ____ readings?
 The ____ estimated ____ by factors.
 Can ____ me ____ affect accurate estimates?
 ____ factors determine the ____?
 I ____ if there ____ estimation accuracy.
 ____ you tell ____ the factors ____ accurate ____ like?
 ____ specific factors affect ____.
 What ____ the ____ reading preciseness?
 What influences ____ of ____?
 What factors ____ to decide ____ accuracy ____ the ____?
 ____ it ____ to ____ estimates accurate?
 Factors ____ make a difference ____ of ____.
 Specific factors ____ accuracy
 ____ are involved when ____ readouts
 ____ aspects ____ estimates?
 ____ I ____ the ____ of ____ estimates?
 What ____ the accuracy ____?
 Factors ____ can ____ difference in ____ accuracy ____ expected readings is ____.
 ____ it possible ____ tell what ____ accuracy ____ estimations?
 What ____ do ____ consider ____ estimating ____ of ____ reading?
 The accuracy ____ are ____ by ____.
 ____ determines ____ and ____ we estimate it?
 ____ it possible ____ there ____ specific factors affecting ____?
 ____ you ____ precise ____ readings?
 ____ the ____ to determine the accuracy of ____?
 ____ determines ____ reliability ____ estimate.
 ____ affects the ____ of ____ estimated ____?
 ____ is ____ cause of ____ estimates?
 ____ are ____ affecting reading ____?
 ____ determine ____ accuracy ____ reading estimates.
 ____ factors that ____ accuracy of estimated ____
 Which ____ affect ____ estimates' ____.
 ____ are specific factors ____ accuracy?
 What ____ affect how accurate ____ be?
 ____ factors ____ estimated reading accuracy.
 Which ____ determine accuracy ____?
 ____ factors ____ reading ____ accuracy?
 ____ can make a ____ the accuracy of the ____ is ____.
 ____ various ____ affect reading ____?
 ____ elements will ____ accurate my ____?
 What ____ affect on ____ levels of estimated ____?
 ____ of estimated readings?
 Can ____ factors that ____ estimates?
 What ____ the accuracy ____?
 ____ it possible ____ what influences the ____ of ____.

What factors _____ when _____ the accuracy _____ reading?

What are _____ that _____ the _____ of _____?

_____ affect predicted _____?

_____ makes _____ estimates _____ accurate?

_____ think there are specific factors _____ estimated _____?

_____ accuracy _____ reading _____ be _____ with various factors.

Can you _____ the _____ that _____ accurate estimates?

How _____ estimate readings _____ their _____?
