

[Demo] NLP Dataset for Customer Service Automation

Company Type	Car Dealerships
Inquiry Category	Vehicle history and accident reports
Inquiry Sub-Category	Flood or Water Damage Inquiry
Description	Customers seek confirmation regarding a vehicle's exposure to flood or water damage. They want details on the extent of damage, repairs done, and any possible residual effects on the vehicle's electrical, mechanical, and safety systems.
Data Size	5,050 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Car Dealership" customer inquiry. (Purchased data will not be masked.)

_____ procedures were _____ to _____ possible _____ issues arising _____ past _____ floodwaters?

Did _____ action _____ rust _____ to the _____?

_____ handle _____ related issues _____ flooding?

After _____ flooding, how was the _____ of corrosion dealt _____?

_____ you deal with _____ problems _____ occurred _____ to _____?

_____ steps _____ flood-associated rust?

_____ deal with the rust _____ occurred from the _____?

In the past, what _____ address _____ caused _____ floods.

_____ you _____ the _____ of the previous flooding?

Is there _____ evidence _____ implemented for _____ corrosion?

How _____ dealt with _____ being _____ to _____ water?

What _____ were taken _____ Corrosion issues?

_____ anything done _____ rust issues after exposure _____?

_____ were _____ tackle _____ issues caused by _____ exposure.

Did anything happen _____ issues _____ to _____ floodwater?

Have _____ rust issues after _____?

Has _____ flood-induced _____ been _____?

_____ with the rust issues that arose _____ the previous _____?

_____ got implemented for earlier flood-associated corrosion.

Due to _____ floods _____ with?

In the _____ what _____ were taken _____ caused by _____.

There were measures taken _____ corrosive _____ caused by _____.

_____ you _____ rust after _____ flooding?

How _____ you handle the _____ that occurred _____ previous _____?

_____ to address corrosive _____ of _____ encounters with flooded _____?

_____ any action _____ about previous _____ due to Floods?

How _____ you deal with the _____ place _____ of _____ flooding?

There _____ measures to _____ corroding _____ after floodwater _____.

How _____ with the rust issues that _____ caused by _____?

_____ you _____ rust issues _____ previous _____?

How _____ you _____ the _____ problems that were brought _____ by _____ flooding?

Measures to _____ flood-related _____ were put _____.

Did they have _____ to deal with _____?

_____ if _____ was _____ to address rust _____ related _____ exposure _____ floodwater.

Was _____ a way to _____ rusting _____ from _____ flooding _____?

_____ issues arisen due to _____ floods, what _____ do _____?

Were _____ able _____ rusting _____ from _____ flooding situations?

_____ with the rust _____ with the flooding?

_____ the _____ areas addressed when _____ flooding?

I _____ wondering _____ any steps were taken _____ corrosive mess caused _____.

_____ flood-induced _____ been addressed?

_____ did they handle _____ rusting _____ past _____ situations?

How did _____ with the _____ problems _____ occurred _____ a _____ of _____?

_____ did _____ handle the rust _____ that _____ flooding?

Is _____ used to treat _____ areas _____ by _____?

_____ there any _____ potential rusting issues _____ to _____ flooding?

How did _____ the rust _____ when previous _____ occurred?

When the _____ how _____ the _____ corroded areas _____?

_____ did you _____ withrust _____ from _____ flooding?

Have you handled _____ previous _____?

Did you _____ action _____ rust _____ related to _____?

_____ you handle the _____ problems caused _____?

What procedures _____ in the past _____ have been related to _____?

How _____ you _____ issues that resulted from the _____?

_____ steps _____ taken _____ address the damages caused _____?

How _____ with _____ issues that occurred _____ the _____?

_____ a _____ to handle potential rusting _____ from _____ flooding?

_____ to _____ of floodwater _____ how _____ team tackle _____ potential _____ corrosion?

How _____ you _____ the _____ problems _____ due _____ previous flooding?

_____ prevent corrosion _____ floods?

_____ any _____ against rust _____ to flooding?

_____ you handled any _____ problems _____ the _____?

_____ were _____ for earlier flood-associated corrosion?

_____ specific steps were _____ to _____ the problems _____ flood _____?

_____ issue of _____ dealt with _____ it was _____ flooding?

_____ encountered flood _____ how was the erosion _____?

How did you _____ potential _____ after _____ flood?

In _____ past, _____ were _____ to address corrosiveness that _____ come from _____.

_____ procedures were _____ in the past _____ may have come from being _____ flood.

_____ there _____ taken to deal with corroding troubles related _____?

They had procedures _____ with _____ corrosive effects _____ flooding _____.

_____ future _____ rusting problems

_____ dealt _____ any rust _____ the previous flooding?

_____ you take action against _____ concerns _____ floods?

_____ was wondering _____ anything _____ been done to address rust _____ after _____.

_____ issues _____ from previous flooding, _____ you _____ with _____?

Was there a way to _____ issues from _____?

In the _____ procedures were taken _____ could have _____ from _____ in _____.

There _____ taken _____ treat corroded _____ by _____ floods.
 rust _____ were _____ result _____ did you _____ with it?
 _____ steps were taken _____ address any _____ the _____ exposures?
 _____ put in _____ address _____ corrosive consequences of previous encounters _____ areas?
 _____ to previous _____ of floodwater exposure, _____ did your _____ potential _____?
 _____ the _____ erosion mitigated by flooding _____?
 _____ any _____ potential rusting issues from past _____?
 How _____ deal _____ that occurred because of floods?
 _____ steps _____ to address _____ problems _____ previous flood exposures?
 _____ in place _____ address _____ issues from _____ exposure.
 rust _____ were _____ by _____ how _____ handle them?
 What _____ taken to _____ caused by _____ corrosion?
 Did you _____ problems _____ the _____?
 Have _____ flood-caused corroded _____ properly _____?
 _____ to deal with the _____ issues brought _____ previous flooding?
 _____ the _____ flooding, how _____ you deal _____ rust _____?
 How did _____ issues that occurred _____ result _____ previous flooding?
 _____ there _____ action taken against corroding troubles _____?
 _____ dealt with _____ related issues after _____?
 _____ did you _____ the rust _____ the prior flooding?
 What _____ you do _____ rust _____ arise _____ previous _____?
 Is the issue _____ with after _____ exposed _____ water?
 When _____ were previous corroded _____ addressed?
 How did you deal with _____ floods?
 _____ past flood-generated _____ addressed?
 How _____ deal with rust issues _____ flooding?
 _____ steps were _____ to _____ damages _____ flood-driven Corrosion?
 When it _____ how were _____ addressed?
 _____ did you deal _____ a potential _____ floods?
 _____ you do about _____ came from the _____ floods?
 _____ they use procedures to _____ corrosive _____ previous _____ incidents?
 _____ the _____ caused _____ surfaces _____ properly addressed?
 _____ waters _____ before, were those _____ to _____ with potential _____?
 _____ the _____ what _____ were taken to address issues of corrosiveness that _____ arisen _____.
 Did _____ fix _____ caused _____ the _____?
 _____ the steps were implemented _____ earlier _____ corrosion.
 In _____ past, what procedures were _____ address _____ might _____ arisen _____.
 _____ the past what _____ taken _____ corrosiveness _____ in flood.
 _____ occurred, _____ did you _____ with _____ problems?
 _____ to _____ corrosive _____ previous encounters with flooded areas?
 _____ past floodwater _____ how _____ team deal with _____?
 What _____ were put _____ corrosive _____ of _____ encounters with _____ areas?
 _____ there _____ action _____ deal _____ corroding troubles from flooding _____?
 _____ did you _____ rust problems _____ with flooding?
 _____ you _____ with rust _____ caused _____ previous flooding?
 _____ inundations, how _____ administrators deal _____ corrosive consequences?
 _____ you _____ with the _____ problems brought on _____ prior _____?
 How _____ issue of corrosion dealt _____ being _____ water?
 Was _____ floods dealt with _____?
 What actions _____ taken _____ previous _____ flood-driven corrosion?

_____ procedures _____ taken _____ past to address _____ may _____ arisen from being _____ ?
 _____ in _____ deal with _____ after floodwater exposure.
 _____ the _____ areas addressed when _____ ?
 _____ there _____ that has been _____ corrosive damage due _____ flooding?
 _____ procedures _____ issues of corrosiveness in the _____ that _____ to flooding?
 How _____ you _____ with rust _____ that occurred _____ result of _____ ?
 In the past, _____ were _____ to _____ corrosiveness _____ could _____ related _____ ?
 _____ against _____ related to historic flooding?
 Has _____ with rust _____ after _____ flooding?
 When _____ corroded areas addressed?
 _____ are _____ place _____ corroding issues _____ flood water exposure.
 _____ it true that _____ were _____ for earlier _____ ?
 There _____ measures _____ protect against _____ to flooding.
 _____ possible _____ action has been _____ regarding corroding troubles caused _____ ?
 Is there _____ effective _____ taken in regards _____ corroding _____ from _____ ?
 _____ were _____ to _____ the issues _____ with _____ flood exposure?
 In the _____ were taken to _____ corrosiveness _____ may have _____ from _____ .
 How was the _____ with after _____ ?
 Did anything happen _____ rust _____ after _____ to _____ ?
 _____ you _____ the potential _____ after the flooding?
 After _____ to floodwaters, _____ of Corrosion dealt with?
 _____ did you _____ rust problems that occurred from _____ ?
 Due _____ of _____ exposure, _____ did _____ team _____ to deal _____ potential corrosion?
 What measures _____ taken _____ address _____ of _____ with flooded areas?
 How _____ with rust _____ that occurred because _____ previous _____ ?
 How did _____ with _____ rust _____ all the _____ ?
 _____ rose before, were they procedures _____ potential _____ ?
 Did you _____ action _____ potential _____ concerns _____ to _____ ?
 _____ you handle _____ by flooding?
 What procedures _____ taken _____ past _____ issues of _____ that _____ have _____ to flooding?
 _____ what _____ were used _____ address issues of _____ may _____ been related to _____ ?
 _____ actions _____ to resolve potential _____ concerns after _____ ?
 I _____ to know _____ anything was done _____ rust _____ floodwater.
 What _____ were _____ address issues of corrosiveness that are _____ flooding _____ ?
 Did they deal with _____ previous flooding _____ ?
 Did you _____ any rust _____ to flooding?
 How did _____ deal _____ rust _____ that arose _____ a _____ the _____ ?
 _____ the past, what _____ to address _____ related to _____ ?
 Have _____ past _____ surfaces _____ properly _____ ?
 _____ put _____ place _____ earlier _____ corrosion.
 Is there anything that _____ rust issues _____ to _____ ?
 rust issues _____ from _____ you deal _____ them?
 Is _____ taken regarding corroding _____ that _____ to flooding _____ ?
 Were there any _____ to protect _____ damage from _____ ?
 How did you _____ the _____ previous flooding?
 _____ what _____ were taken to _____ related _____ the flooding?
 Did you _____ with rust _____ ?
 Due to _____ of floodwater exposure, _____ did your _____ potential corrosion?
 Measures _____ avoid _____ rusting _____ considered.
 I _____ steps _____ taken _____ corrosive mess caused by flooding.

_____ able _____ handle the corrosive effects of _____ ?
 _____ any steps have _____ to _____ the corrosive _____ by flooding _____ ?
 _____ did you do _____ rust issues arose _____ ?
 Was _____ to handle _____ from past flooding?
 Was _____ procedures _____ potential _____ waters rose before?
 After _____ flood _____ before, how _____ the _____ mitigated?
 What _____ were _____ the _____ corrosiveness that might be _____ flooding?
 In the past, what _____ taken to _____ corrosiveness _____ were _____ to _____ ?
 _____ the _____ flood caused corroded _____ ?
 _____ the action taken _____ troubles from _____ situations?
 _____ there _____ action _____ caused by flooding situations?
 Had any _____ been _____ regarding previous _____ corrosive _____ due _____ ?
 _____ did _____ the _____ problems that happened as a _____ ?
 _____ it possible _____ steps _____ implemented for _____ flood-associated _____ ?
 _____ were _____ in place to deal _____ from floodwater _____ .
 Any _____ to _____ corrosive mess caused _____ flooding?
 _____ was _____ there were any _____ taken _____ prevent corrosive damage _____ .
 _____ you do about the _____ that _____ the previous _____ ?
 _____ action taken regarding previous _____ of _____ due to _____ ?
 _____ you _____ rust _____ after previous _____ ?
 _____ to _____ how was _____ issue of corrosive _____ with?
 Is there _____ done to _____ as a result _____ floodwater?
 Did anything _____ done _____ rust _____ by exposure _____ floodwater _____ ?
 _____ was done to address _____ consequences _____ encounters _____ flooded _____ ?
 _____ a _____ of _____ how did _____ with rust problems?
 Rust _____ from previous _____ how did you _____ ?
 _____ the corrosion _____ floods _____ with _____ .
 There _____ deal with _____ from flooding in _____ past.
 _____ exposed to floods, how was _____ rust dealt _____ ?
 _____ care _____ caused by floods?
 Did they do _____ to _____ corrosive _____ of _____ flooding _____ ?
 What _____ were _____ in _____ to _____ corrosiveness after _____ flood?
 There _____ measures in place _____ corroding issues _____ exposure.
 _____ issues _____ because of _____ what _____ do about them?
 How did _____ deal _____ potential _____ problems _____ the _____ ?
 Is it _____ steps _____ previous flood-associated corrosion?
 What _____ were taken _____ address previous damages _____ ?
 _____ take any _____ rust concerns related _____ flooding?
 _____ anything _____ address _____ as a result _____ exposure to _____ ?
 _____ rust problems associated _____ previous flooding?
 I _____ if anything had been _____ to _____ rust _____ floodwater.
 What _____ were taken to _____ ?
 Is there _____ action _____ corroding troubles _____ came _____ floods?
 _____ the _____ were _____ to address corrosiveness that could _____ to flooding?
 _____ any _____ taken regarding _____ from flooding?
 How _____ you _____ with _____ problem after _____ that flooding?
 In the past, _____ address _____ that _____ have _____ the flood.
 _____ anything _____ to _____ rust _____ caused _____ exposure _____ floodwater previously?
 _____ was _____ issue of corrosion _____ after the floods?
 I _____ if _____ taken _____ earlier flood-associated corrosion.

_____ you deal _____ the rust _____ occurred _____ flooding?
 _____ issues _____ from previous _____ did you deal _____?
 Is _____ done _____ address rust _____ a result of _____?
 What _____ were _____ to _____ the _____ consequences _____ previous encounters _____ flooded _____.
 How _____ erosion mitigated _____ waters?
