

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Online account password resets and recovery
Inquiry Sub-Category	Verification process
Description	Customers in need of assistance with the verification process required to reset their password or recover their account.
Data Size	6,916 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

Will multiple _____ how _____ it takes me regain _____ my online account and _____?
 _____ verify several _____ affect my ability _____ access and _____ passwords?

Will it take me more _____ to _____ and _____ I _____ more _____ once _____ my account?

How are _____ verify _____ it _____ access and reset passwords?

_____ multiple _____ online account recovery _____ password change?

Are _____ issues with a _____ for _____ authority on my _____ resetting _____ due _____ repetitious verification _____?
 _____ it _____ to _____ retrieve _____ account control if _____ verify _____ times?

_____ that _____ process of restoring _____ over my _____ and _____ passwords could be delayed _____?

Will the time it takes _____ me _____ and _____ passwords be affected _____ once?

Multiple verification efforts aimed at changing/resetting passwords _____ could _____ over _____ online _____.

Do a number _____ attempts _____ account _____ and _____?
 _____ time it takes _____ regain _____ and _____ will be affected if _____ try _____ than _____ verify _____.

_____ to _____ stuff _____ it harder to _____ of _____ account and _____ passwords?

Is _____ in retrieving online _____ control _____ I verify _____ for _____ alteration?
 _____ multiple verification trials _____ recovery and _____ altering?

_____ repeated _____ procedures prevent _____ from _____ my online _____ and _____ changing my _____?

The time _____ login _____ would _____ prolonged by _____ verifications.

The _____ for _____ over _____ and initiation of _____ depends on _____ number of verification attempts _____.

_____ the _____ regaining online _____ access and _____ passwords _____ if you verify _____?

_____ verification _____ affect account _____ password _____ time?

Does the amount _____ time needed _____ regain _____ update _____ online _____ depend on the _____?

Is _____ possible _____ will slow _____ to regain _____ or _____ passwords?
 _____ recovery _____ password _____ be hampered by multiple _____.

The time it takes _____ recover account access _____ change _____ extended by trying _____.

_____ it prolong _____ of _____ over my account _____ changing passwords _____ multiple verifications?

_____ does the number _____ attempts affect the duration _____ regaining control _____ my _____ initiation of _____?

Can multiple _____ affect _____ time _____ takes to regain _____ change _____?

How _____ will it take to _____ passwords?

Is it possible _____ will experience a _____ in _____ account _____ verify multiple _____?

Does repeated _____ attempts _____ it takes _____ and _____ my password?

How _____ take _____ to recover my account _____ passwords?
 _____ there _____ delay in retrieving _____ account control if I _____ passwords _____?
 Can multiple verification _____ the _____ account and changing passwords?
 _____ take _____ to change password and _____ online account _____?
 _____ multiple _____ at verification _____ the _____ will _____ to _____ control _____ online profile _____ modify _____ reset its password?
 What impact do _____ attempts _____ on account _____ password _____?
 _____ to _____ things get _____ way _____ getting _____ my account and changing _____?
 Is _____ a delay in retrieving _____ control _____ I _____ multiple times _____?
 _____ it take more than one time _____ online _____ access _____?
 The _____ regaining account control _____ updating _____ if more _____ attempts were _____.
 _____ passwords _____ the _____ recovering _____ to my online account?
 _____ it possible that several failed _____ the _____ recovering lost _____ and _____ passwords?
 The amount _____ time required _____ and _____ online account could _____ extended by _____ multiple _____ attempts.
 _____ repeated _____ attempts _____ the _____ it _____ get back _____ my account?
 _____ repeated _____ efforts _____ process _____ accessing _____ online account?
 The duration _____ regain _____ and reset _____ be impacted _____ repeated _____.
 _____ long can _____ take to _____ and change _____?
 There are _____ number of _____ attempts _____ impact _____ and password _____.
 _____ it _____ the process of _____ my _____ and changing/resetting passwords will be _____ of verification?
 Does it take more _____ for _____ and _____ passwords _____ be _____?
 _____ multiple _____ attempts affect how _____ takes _____ regain _____ over my _____ account _____ passwords?
 _____ possibly affect the swiftness of _____ command _____ online profile _____ successfully changing _____ password.
 _____ you think trying _____ verify _____ affect account recovery and password _____?
 Are there _____ in _____ control over my online _____ due to multiple _____ passwords _____?
 _____ you _____ how long it _____ for _____ to _____ my _____ account after _____ attempts at _____?
 Is _____ time _____ to regain access _____ my _____ account's password _____ repeated _____ attempts?
 _____ verify tries affect _____ time frame _____ access and modify passwords _____
 Is it possible that _____ slow _____ to _____ access _____ password?
 Repeated validation _____ can _____ hinder _____ swiftness _____ can regain command over _____ profile _____ successfully change _____.
 _____ process of regaining account _____ and _____ passwords _____ by _____ attempts.
 Can _____ length _____ regain _____ and reset _____ be _____ verification attempts?
 How will _____ checks affect _____ time it will _____ change _____ passwords?
 _____ many people check _____ me to _____ ID and alter codes?
 Attempting _____ verify _____ can extend _____ it takes to recover _____ change _____.
 _____ restoration and password _____ by multiple verifications.
 _____ it _____ that many validation _____ impede account _____ password _____?
 Do _____ affect _____ time _____ to regain control and _____?
 Is it _____ repeated verification _____ the _____ to regain access _____ update _____?
 Is it _____ to _____ process of _____ control over my online _____ and _____?
 Is it _____ verification _____ prolong _____ process of access _____ online account?
 Does it take _____ to recover online _____ passwords?
 _____ repeated verifications help _____ to _____ my _____ and _____ my _____?
 _____ quickly can I _____ access to my account _____ my _____ to _____ many times?
 Can repeated _____ attempts affect _____ to _____ reset passwords?
 Do repeated _____ more _____ regain _____ and _____ passwords?
 _____ a _____ time to recover online access _____ passwords _____ tries?
 Is _____ that _____ changing/resetting _____ restoring _____ over my online account could be _____ down by _____?
 Can multiple verification _____ online account _____ password _____?

How _____ it _____ to _____ modify password after repeated attempts?
 _____ take longer _____ get _____ online _____ and reset passwords if _____ lot?
 _____ it _____ to recover my online account _____ and _____ passwords?
 How will multiple checks _____ time _____ control _____ change my password?
 _____ it would slow down the _____ of restoring control _____ account _____ passwords.
 Does the _____ of _____ account access _____ changing _____ longer _____ verification?
 _____ the time _____ recover account access or _____ passwords be extended _____ multiple _____?
 _____ take more time _____ regain control _____ after _____ verification?
 _____ to verify multiple times prolong _____ it _____ recover _____ access _____ passwords?
 _____ validation procedures could potentially _____ swiftness of _____ over my online _____ and _____ password.
 _____ it take longer to get _____ control _____ reset _____ if _____ a _____?
 _____ to _____ control and _____ with repeated verification?
 _____ control and password _____ by _____ verification attempts.
 _____ my _____ recovery _____ repeated verification?
 Is it possible _____ attempts shorten _____ of regaining _____ updating _____?
 Can repeated _____ process of recovering my _____?
 Multiple verification _____ affect online _____ recovery and _____.
 Will _____ long it takes _____ regain control of my _____ passwords _____ make many _____ to verify?
 Do _____ know how long _____ me _____ access _____ online account after several _____ verification?
 Is _____ verifications _____ the time to regain access and _____?
 _____ to _____ more than once _____ password _____ time?
 _____ regaining _____ my online account and initiation _____ changes depends _____ how many verification _____ I _____.
 The _____ regaining _____ control _____ could _____ longer if there _____ verification attempts.
 _____ multiple attempts _____ verification affect the _____ will _____ regain control of my _____ and reset _____?
 _____ possible to shorten the _____ online account access _____ passwords _____ you verify _____ times?
 _____ verification _____ will affect _____ password _____.
 _____ it possible that multiple verification _____ recovery _____ changing?
 The duration _____ account control _____ reset _____ by multiple _____ attempts.
 Can repeated _____ prolong _____ of _____ access to _____ online _____?
 Repeated validation _____ may possibly _____ swiftness _____ which I _____ over _____ profile and _____ reset/change associated _____.
 Is _____ possible _____ verification efforts prolong the _____ of _____ my _____?
 Is it _____ the _____ control over my _____ and changing/resetting _____ take more time?
 Is it _____ for _____ attempts _____ delay regaining control _____ my online account _____?
 _____ long it will _____ to _____ control _____ account _____ passwords _____ how many _____ I make to verify
 Will it take me _____ regain _____ to _____ my passwords _____ I _____?
 Repeated verification _____ may prolong _____ of _____ online _____ changing passwords.
 _____ it possible that _____ verifications prolong _____ recovering _____ to _____ account _____ changing passwords?
 _____ checks affect the time _____ takes to _____ change my _____?
 _____ it slow _____ if I try to _____ access _____ change _____?
 Does it affect _____ me _____ regain control _____ if I try more than _____?
 _____ the number of _____ the time _____ regain control and reset _____ for _____ online _____?
 Multiple verification attempts _____ give me _____ time _____ access _____ change passwords _____.
 _____ attempts _____ it takes to regain _____ my account _____ change passwords?
 _____ it _____ to _____ and _____ passwords if I try more than once _____ verify my _____?
 The _____ it _____ for _____ to _____ control _____ passwords depends _____ whether _____ not I _____ more than once _____ verify _____.
 Can _____ validation _____ affect the swiftness of _____ command _____ my _____ changing associated password?
 Does _____ attempts affect the _____ regain control and reset _____?
 _____ at verification affect the time it _____ take _____ regain _____ of _____ profile and _____ it?

_____ online account access _____ be _____ multiple verifications.
 The time _____ and update my online account's password may _____ by _____.
 How long _____ take to _____ access _____ change _____ repeated tries?
 Will _____ more time _____ get _____ and reset passwords if I _____?
 _____ attempts _____ time it takes _____ regain _____ and change my _____?
 Do additional _____ prolong _____ process _____ gaining _____ and altering _____.
 _____ will _____ long it will take to regain control _____?
 _____ verification attempts _____ control _____ password reset.
 Is _____ possible that _____ process of recovering access _____ my online _____?
 _____ multiple verification trials _____ account _____ password alterations?
 Is it possible that _____ prolong the _____ account?
 Is _____ possible that the _____ restoring _____ over _____ and changing/resetting _____ take a long _____?
 Will it take me more _____ access _____ reset my _____ if _____?
 How quickly _____ recover _____ to my _____ and reset _____ will _____ trying _____ verify multiple _____.
 Will multiple _____ the _____ gaining control over _____ and changing _____?
 Does it affect _____ password _____ time _____ try _____ than once?
 _____ the duration _____ and reset passwords _____ the _____ of verification _____?
 If I verify _____ for password _____ to wait _____ online account _____?
 _____ validation procedures _____ affect the _____ regaining command over _____ online profile _____ password.
 How _____ multiple _____ attempts _____ it will take to _____ and reset _____?
 _____ it possible that _____ attempts at verification _____ long _____ takes me _____ regain _____ account?
 Repeated validation procedures _____ hinder the _____ in which _____ command _____ my _____ successfully change _____.
 I'm wondering if _____ prolong _____ time it _____ to regain _____.
 Will it take longer to get _____ control _____ attempt a _____?
 Does _____ more than one _____ verification _____ my lost online _____ and _____ my _____?
 _____ multiple _____ at _____ of _____ control over _____ account and changing passwords?
 _____ it take more time _____ change _____ if I keep _____?
 _____ multiple verifications affect _____ of online _____ access?
 If _____ multiple times _____ password _____ will _____ take me _____ long time _____ online _____ control?
 Will it take _____ one _____ online account _____?
 Multiple verify _____ affect _____ frame _____ regain _____ change _____ on _____ online account.
 _____ long _____ it take to recover _____ change _____?
 Does it _____ more than one time to _____ my _____ account _____?
 Does _____ verification _____ more time to regain control over _____ account _____?
 _____ times affect _____ it takes for _____ regain control and reset passwords?
 _____ repeated verification _____ password recovery?
 _____ numerous attempts at _____ affect the _____ will _____ to regain _____ of my _____ profile _____ password?
 _____ long do _____ think _____ will take for me _____ my online account or _____?
 _____ are multiple verify tries _____ the _____ frame required _____ access _____ online _____?
 Does _____ more time _____ to _____ my online account _____ change my _____?
 _____ verify everything get in _____ way _____ getting _____ of my _____ account and _____?
 Will _____ prolong the _____ control _____ my account and _____ passwords?
 Account control _____ reset duration _____ be _____ by _____ verification _____.
 Is attempting _____ verify _____ than _____ account _____ and password _____?
 Repeated verification during _____ process _____ my _____ time frame.
 Will multiple verifications _____ recovery _____ account _____?
 _____ are _____ validation _____ affect the account recovery _____ password changing _____.
 How long does it _____ online _____ and _____ few tries?
 How long _____ it _____ me _____ of _____ digital _____ and update/reset _____ if _____ make numerous _____ verify?
 Will I be _____ regain _____ passwords if I keep _____?

Will the verification _____ my _____?

The _____ of regaining account control _____ could be longer _____ verification _____.
_____ affect the time _____ takes for _____ to _____ and reset _____ if _____ try _____ once?

Is repeated _____ the _____ required _____ change/reset online _____?

_____ password _____ can be impacted by a _____ verification _____.

_____ to _____ access and _____ my online _____ is _____ by repeated verification _____.

_____ verification attempts could _____ regaining _____ and updating passwords.

More _____ one _____ attempt could _____ of regaining _____ and updating _____.

Multiple _____ tries _____ the _____ reset passwords on _____ online account.

Account _____ password reset duration _____ by _____ verification _____.

_____ account recovery and password change _____ if _____ more than once?

Does _____ attempts affect the _____ takes to _____ and reset my _____?

Can _____ verify multiple times to get _____ longer _____ recover _____ access _____ passwords?

The _____ it _____ to _____ control _____ change _____ will _____ by _____ checks.

_____ verifications prolong _____ gaining back _____ authority _____ altering passwords.

Will it _____ more _____ me to _____ and reset _____ if I _____ than _____?

Can _____ verification tries _____ recovery?

Repeated _____ affect _____ swiftness _____ regaining _____ my _____ profile and _____ changing password.

Do multiple _____ attempts give me _____ regain _____ my online _____ passwords?

_____ efforts keep _____ control of _____ account and changing/reset passwords?

Is repeating verifications _____ the _____ to change/reset _____?

How _____ does _____ take to _____ account access _____ passwords _____ verify _____ times?

_____ you _____ how long _____ take _____ me _____ access _____ online _____ after so _____ at verification?

_____ a correlation between the number _____ and _____ long _____ will take _____ regain control of _____ or _____?

Repeated verification _____ can _____ password _____.

_____ verifications _____ process of recovering _____ to _____ accounts?

Can the duration _____ regain _____ and _____ passwords _____ verification efforts?

_____ than one _____ account control restoration and password _____?

There could be _____ in retrieving _____ my _____ as a result of _____ efforts _____ passwords _____.

_____ prolong the process of regaining _____ changing passwords if I make multiple _____?

Can _____ the process _____ account control and updating _____?

_____ change time are _____ if _____ more than once _____ verify.

_____ does _____ you _____ recover online access and modify _____?

_____ control and password _____ may _____ impacted _____ verification _____.

Repeated validation procedures _____ affect the _____ in _____ regain _____ over _____ online _____ reset/ _____ associated password

_____ the number _____ verification tries _____ password _____?

Repeated validation procedures could potentially hinder the _____ of _____ my _____ profile _____ my _____.

How _____ multiple _____ tries _____ the time _____ reset my online _____?

Will _____ attempts at _____ how _____ it takes to _____ over my _____ account and _____?

_____ the _____ it _____ to _____ and _____ online account's _____ affected by repeated _____ attempts?

_____ validation procedures could possibly hinder the swiftness _____ online profile and successfully _____.

Does the process _____ changing _____ online account _____ more _____ one _____?

_____ longer _____ access and changing passwords when you verify multiple _____?

_____ multiple _____ at verification _____ how long _____ takes for _____ to regain control _____ change/reset passwords?

_____ it _____ time _____ me _____ account access and change/resetting passwords?

_____ the _____ of _____ affect my _____ password reset?

Could more _____ validation _____ account _____ and password changing _____?

Is _____ repeated verification attempts _____ my password _____?

Will _____ verification attempts extend the waiting _____ for _____ over my _____ changing/resetting login _____?

_____ verification attempts _____ account control _____ password _____?

Will it _____ to get back _____ control and reset login _____ if _____?

Is _____ time required to regain _____ change my online _____ by _____?

_____ quickly I can _____ to _____ account _____ passwords if _____ to verify multiple _____?

Will there be a lengthy _____ retrieving online _____ if I _____ for _____?

Will having multiple verification _____ the _____ takes _____ control _____ reset _____?

How are multiple verify _____ needed to reset passwords on _____?

_____ the _____ of verification attempts _____ the _____ to regain _____ and reset _____ online _____?

_____ process _____ account _____ and updating _____ could be affected _____ too _____ attempts.

Does it take more _____ me _____ online _____ and _____ passwords?

How _____ will _____ me _____ authority _____ my online account and how _____ will it take _____ reset _____ passwords?

_____ verification attempts _____ me _____ to _____ of my account _____ change _____?

Will _____ time _____ get back _____ control _____ passwords if I attempt _____?

How will multiple checks affect the _____ it _____ to _____ account _____?

How are multiple _____ tries influencing _____ to change/reset _____?

_____ many validation _____ my _____ account _____ speed and password _____ time?

Will repeated verifications increase _____ takes _____ me _____ account _____ change passwords?

Is it _____ that _____ number _____ affects my online _____?

How _____ does it take _____ regain control over _____ account _____ multiple _____?

_____ time _____ access _____ update my password _____ on the number of _____ attempts?

How _____ several verification attempts _____ the _____ for _____ my online account and _____?

Do account _____ restoration _____ password _____ longer _____ verify multiple _____?

Is _____ extend the _____ for _____ passwords _____ my online account _____ making multiple verification _____?

_____ be able to regain _____ and _____ passwords _____ I try more than _____ my _____?

Is _____ make multiple _____ to _____ the time needed for regaining _____ on my _____ account?

Can verification _____ the _____ regaining account control _____ updating _____?

_____ to verify _____ account _____ than _____ affect my _____ control and reset _____?

_____ it _____ too long _____ access _____ to change _____ if I keep _____?

_____ validation _____ can potentially _____ the swiftness in _____ my _____ profile and successfully reset/change associated _____.

How _____ can _____ take _____ recover access _____ my online _____ change _____?

Will it _____ how long it _____ me _____ control _____ account and _____?

_____ having _____ verification attempts _____ long _____ to regain control _____ passwords?

_____ lead _____ a _____ timeline for _____ authority on my online account or resetting passwords.

_____ are multiple verification attempts impacting _____ and _____.

_____ having _____ one verification _____ the time _____ takes to regain control _____ reset _____ online _____?

How fast will _____ be able _____ recover _____ account and reset _____ verify _____ times?

Could _____ than one _____ attempt _____ recovery and _____?

How _____ or _____ passwords can _____ impacted _____ verification attempts.

_____ trying _____ and over to verify _____ make _____ harder to get control _____ online _____?

How are _____ verify _____ affecting the _____ needed _____ change _____ on my _____?

Do _____ attempts affect the time _____ access _____ update my online _____?

_____ my password _____ the repeated verification _____?

How do verification attempts affect _____ duration _____ regaining _____ my _____ initiate _____?

Does trying _____ verify _____ it harder _____ control of _____ account _____ reset _____?

_____ does _____ take for _____ access and _____ to be _____ and _____?

Will it _____ long time _____ regain access _____ reset _____ keep trying?

_____ verification _____ my password recovery?

_____ in retrieving online _____ control will _____ if I _____ multiple _____ alterations.

Is _____ password _____ delayed _____ multiple _____ attempts?

_____ verifications _____ the process _____ over my account and _____ passwords?
 _____ it _____ to take longer _____ get online _____ multiple times _____ password changes?
 Can _____ verifications _____ me _____ to my _____ and change _____?
 _____ are _____ the time _____ needed to regain access _____ reset _____?
 _____ is possible _____ verification _____ prolong _____ process of _____ my account.
 Does _____ once affect _____ and change _____ password?
 _____ the number _____ attempts _____ my online password _____?
 My password _____ delayed by _____ attempts.
 Is it possible that the process of _____ and _____ would take _____ time?
 Is _____ possible _____ the process _____ account _____ and changing _____ with multiple _____?
 Is _____ possible _____ the _____ for recovering account access _____ trying to _____ multiple times?
 Is it _____ to restore _____ online account _____ change/reset passwords _____?
 _____ it possible that _____ over my online _____ changing _____ could be slowed _____ by verification?
 _____ are multiple _____ affecting the time frame _____ passwords _____ my online _____?
 Do _____ know _____ time _____ take for _____ access _____ online _____ after _____ attempts at verification?
 How quickly I can _____ to my _____ and reset passwords _____ be _____ verify _____.
 Can repeated _____ attempts _____ the _____ account control and _____ passwords?
 Will _____ time to get back online _____ and reset _____ a lot _____ times?
 _____ time _____ regain _____ online account password may be affected _____ verification attempts.
 Do multiple _____ attempts give _____ more _____ control over _____ change my _____?
 _____ account _____ password reset can be impacted _____ several verification _____.
 How _____ multiple verification _____ regain control or reset _____?
 _____ people check _____ time _____ me to _____ my _____ and _____ my codes?
 _____ it possible _____ process _____ restoring control _____ my _____ and _____ passwords _____ down by verification?
 _____ verification attempts affect the _____ of account _____ and _____?
 _____ multiple _____ attempts give me enough _____ regain _____ over _____ online _____ modify _____?
 _____ I _____ access to my account and _____ my _____ if I _____ to _____ several _____?
 _____ it going _____ me _____ to get _____ account _____ if _____ multiple times?
 _____ slow me down to _____ access _____ my _____?
 _____ possible _____ many validation _____ can _____ recovery and password change _____?
 _____ are _____ tries affecting the _____ frame _____ reset passwords _____ online account?
 _____ it take me _____ long time to _____ account _____ if _____ multiple times for _____?
 _____ I prolong _____ process _____ regaining control _____ account _____ changing passwords _____ I make multiple _____?
 Does _____ take _____ for account control restoration _____ password changes _____?
 _____ repeated verifications increase _____ amount of _____ it _____ my _____ update passwords?
 Does trying _____ verify everything make _____ to get control _____ my _____ change _____?
 Multiple _____ attempts _____ delay my _____.
 Do _____ verification affect the time _____ take to regain _____ of _____ online profile _____ password?
 Does _____ take more time to _____ online _____ with _____ verifications?
 _____ if _____ slow _____ to regain access or _____ my _____ if I keep _____.
 Is the time required for _____ to _____ of _____ change/reset _____ extended _____ repeated verification?
 Do I prolong the _____ regaining _____ over _____ and changing _____ if I _____ to _____?
 _____ it _____ that verification efforts extend the _____ for _____ to _____ online account _____ change/reset passwords?
 _____ control _____ reset _____ be affected by multiple verification _____.
 How _____ multiple _____ tries affecting the time _____ needed _____ regain access _____ my online _____?
 Would _____ more time _____ online _____ credentials?
 _____ I _____ of regaining control over _____ changing passwords by making _____ attempts _____ verification?
 _____ that the _____ control over my online account _____ changing/resetting passwords _____ slowed down?
 _____ it _____ a _____ to _____ my online _____ access and _____?
 Is it _____ frequent verifications prolong _____ time _____ access _____ account?

_____ take _____ online _____ and modify passwords after repeated attempts?

_____ do you _____ it takes _____ online access and _____ after repeated _____?

_____ possible that the process of restoring _____ over _____ account _____ changing/resetting passwords _____ by repeated _____?

Do you _____ how _____ it _____ me to _____ online account after so _____ to _____?

_____ amount of _____ takes for me to _____ my _____ and change/reset _____ is dependent _____ the _____ verification

_____ affect _____ time _____ will take me _____ regain control _____ my _____ profile and _____ its password?

Repeated validation _____ potentially hinder _____ in which _____ regain command _____ online profile and _____ password _____.

_____ it possible _____ frequent verifications prolong _____ to _____ access _____ passwords?

Will _____ affect the _____ me to _____ control of _____ account _____ passwords?

Does _____ take longer _____ regain _____ access _____ passwords with _____ verifications?

How long will it _____ to recover access _____ my _____ passwords if _____ to _____?

Additional _____ back online account authority _____ changing passwords.

There are _____ validation _____ recovery and password change _____.

_____ it possible that _____ process of restoring _____ over _____ online _____ and _____ be slower _____ of _____?

_____ it _____ how long it takes _____ to _____ of _____ digital account _____ passwords _____ make many attempts _____

_____ verification prolong _____ process of _____ over my _____ passwords?

_____ multiple _____ speed up online account recovery _____?

_____ time it takes _____ regain control _____ passwords _____ the number of times _____ try to verify _____ account.

Does having _____ affect the _____ taken to _____ control and _____?

_____ fast can _____ access to my _____ if I _____ to _____ several times?

_____ can recover access _____ reset passwords _____ be affected _____ I _____ verify several times.

_____ it _____ recover my online _____ and _____ passwords _____ repeated verifications?

Does it take more _____ control _____ update _____ repeated _____?

How _____ will _____ me _____ regain control _____ my _____ account and change/reset passwords will _____ by _____ at _____.

_____ verification efforts _____ cause delays in retrieving _____ over my online _____.

_____ quickly I _____ control _____ my _____ can be affected by _____.

_____ verification _____ give me more time to _____ over _____ modify passwords?

_____ it _____ frequent verifications prolong _____ it takes _____ me to regain access _____?

_____ take longer to _____ login _____ if there _____ verifications?

How fast _____ I _____ my _____ and reset _____ if I _____ verify _____ times?

Does _____ attempts affect _____ time taken _____ regain access and _____?

_____ verification _____ change process can affect _____ recovery _____.

_____ possible _____ verifications prolong the _____ it takes to get _____ and _____?

Is it possible that the process of _____ control _____ would _____ by multiple _____?

Does it take more _____ get _____ restoration _____ changes?

Repeated validation _____ may hamper _____ swiftness _____ regain _____ online profile and _____ reset/ _____ associated password.

Can repeated verification _____ the duration of _____ reset _____?

Does it _____ longer _____ and update _____ online _____ password after _____ verification _____?

_____ verification _____ can impact the _____ and reset passwords.

Will repeated verification _____ it _____ control and _____?

Would the _____ taken to _____ online _____ credentials _____ shortened _____?

How _____ multiple checks _____ it _____ to _____ control _____ change passwords?

_____ potentially affect the swiftness in which I regain _____ my _____ profile _____ successfully _____ my _____.

Is it possible _____ could _____ my password _____?

Is it possible the _____ my password _____?

The _____ it _____ to regain _____ of _____ online _____ and _____ delayed by _____ multiple verification attempts.

_____ the process _____ restoring _____ over my online account and changing/resetting _____ be _____ down _____ the verification _____

_____ you _____ how long _____ to recover online access _____ change _____ tries?

_____ quickly _____ I recover access _____ account _____ reset _____ when _____ verify multiple times?

How _____ it take _____ me to _____ account or _____ passwords _____ to repetitious verification steps?

The number _____ verification _____ the duration _____ regain _____ reset _____.

There _____ steps that _____ lead _____ a longer _____ acquiring authority on my online _____ resetting _____.

_____ verification attempts delayed _____ time it takes _____ control of _____ account and _____?

_____ multiple _____ take _____ while to recover _____ account _____?

Will _____ verifications _____ it _____ recover _____ online account and change _____ passwords?

Will _____ process of _____ control over _____ account _____ passwords take more _____ if _____ attempts _____ verification?

_____ there _____ in regaining control of my online _____ and changing _____ because _____?

The _____ takes _____ regain _____ of my _____ account _____ change passwords _____ delayed by _____ verification _____.

_____ my _____ verification attempts _____ time _____ takes _____ control _____ my online account _____ change my _____?

Do _____ verification efforts keep me from _____ of _____ online account _____ change/reset _____ continually?

Multiple _____ attempts might lengthen _____ of _____ account _____ and _____.

_____ are _____ verify attempts _____ the time _____ to _____ and change _____?

_____ it _____ how long _____ me _____ regain control _____ and change my _____?

Repeated verification attempts _____ my _____.

_____ it possible _____ repeated _____ my password recovery?

_____ it will _____ for me to recover _____ update passwords will be _____ verifications.

_____ duration _____ regain account control and reset _____ impacted by _____.

_____ trying to verify _____ than _____ an _____ account _____ and _____ change time?

Does it take _____ for account _____ be _____ for _____ to be _____?

Does it take more time _____ recover _____ and _____ passwords?

_____ control _____ duration _____ be affected by multiple _____ attempts.

_____ it take _____ time to _____ online account _____ and _____?

_____ I _____ recover access _____ my _____ reset _____ I try to _____ multiple times?

How _____ it take to recover _____ modify passwords _____ repeated _____?

_____ that _____ down _____ of recovering my _____ account access and _____ passwords.

How _____ it _____ to _____ account control if _____ verify _____ times?

Repeated _____ may prolong the _____ access _____ my _____ account.

_____ alterations and account recovery _____ be _____ validation _____.

The swiftness _____ I _____ command over _____ online profile and _____ change associated _____ affected by _____.

Is _____ possible to recover _____ and modify passwords _____?

Will _____ process of regaining _____ of my account and _____?

How _____ think _____ will take _____ acquire _____ on my online account or _____ passwords _____ repetitious _____?

Is _____ possible _____ efforts _____ the _____ of accessing my online _____ passwords?

_____ needed _____ change/reset _____ credentials _____ be _____ by repeated verifications.

Is _____ possible to _____ multiple _____ trials affect online _____ alterations?

Can multiple verifications _____ of recovering access _____ account?

_____ verification attempts prolong _____ process _____ regaining _____ account _____ changing passwords.

Will a _____ of _____ the _____ getting back _____ resetting login info?

Do I _____ the _____ control _____ account and changing _____ I _____ multiple verification attempts?

Do _____ verification _____ prolong the _____ to _____ control over _____ and _____ passwords?

More verifications _____ process _____ account authority and altering _____.

_____ it takes _____ to regain control _____ reset passwords _____ on the _____ try to _____ my account.

_____ trying to verify more than once _____ me to regain control _____ reset _____?

_____ verification _____ potentially _____ the process of _____ my _____ account.

The process of _____ account control and _____ passwords _____ by _____.

_____ change time might _____ by _____ more _____ once _____ verify.

Repeated validation procedures may _____ the _____ regain command _____ online profile and _____ change _____.

_____ multiple verification _____ prolong the process of _____ my _____ account.

My online _____ and _____ modification _____ may be _____ by _____ number of _____.

Is it _____ that _____ failed _____ slow down the process of _____ lost _____ passwords.

_____ verifications prolonging the _____ of _____ and changing _____?

_____ and password _____ duration are _____ by _____ attempts.

Will multiple _____ online _____ access?

Is _____ process _____ changing _____ account _____ because of multiple verifications?

Will repeated verification _____ regain control _____ passwords?

The account _____ and _____ reset duration _____ multiple verification _____.

Does _____ verify _____ it _____ to get _____ of my _____ account and reset passwords?

_____ possible _____ the verification _____ down _____ process of _____ access and changing _____?

How quickly _____ regain control _____ reset _____ impacted _____ multiple _____?

_____ many _____ will affect _____ online _____ reclamation and password _____?

Does _____ attempts _____ an effect on the duration _____ regain _____ reset _____?

_____ the length _____ control and reset passwords affected _____ the _____?

Can the time it _____ regain _____ my online _____ change _____ delayed by _____ multiple _____ attempts?

_____ attempts _____ down _____ process of _____ my lost _____ and resetting passwords?

Does repeated verification _____ required to _____ update my _____ account's password?

Will it _____ how _____ takes _____ me _____ regain control _____ my account _____?

_____ verification efforts _____ changing/resetting _____ successfully _____ delays _____ retrieving _____ of my online _____.

_____ multiple _____ attempts _____ account _____ and password _____?

_____ verify tries _____ the _____ frame needed _____ change _____ passwords?

How _____ takes to recover account access _____ change _____ is _____ question _____.

_____ can _____ online _____ recovery and password alterations.

There _____ attempts that could affect account recovery _____.

Is _____ account control and password reset _____ by _____?

_____ repeating verifications _____ the time _____ change/reset online _____?

_____ verification _____ control _____ password reset times?

_____ account control and _____ duration _____ multiple _____ attempts?

_____ it take _____ some time to _____ or _____ I _____ change _____ passwords?

_____ that multiple verifications _____ delay _____ of _____ account access?

Does _____ my online _____ access _____ changing/resetting passwords _____ longer if _____ verify many _____?

_____ cause a delay _____ recovering online _____ access?

_____ verification _____ the _____ it will take me _____ regain control _____ my _____ change its password?

Is _____ a correlation _____ the number of validations _____ takes _____ me _____ regain _____ online account or _____?

_____ it _____ regaining control over _____ account and changing _____ multiple attempts at verifying?

_____ the time for recovering account _____ or _____ to verify _____ times?

_____ don't _____ verification attempts _____ delay my _____ recovery.

_____ mark, do repeated attempts _____ authenticating _____ how _____ it takes _____ online access _____?

Can my multiple verification attempts delay the _____ my online account _____?

_____ that frequent _____ time it takes to _____ passwords _____ online account?

How long do you _____ for me to acquire _____ on _____ reset _____ password?

_____ possible _____ the _____ of restoring _____ my _____ could _____ slowed down by multiple verifications?

Is it _____ verifications _____ the _____ of recovering _____ to my _____?

_____ be _____ validation _____ that _____ affect _____ recovery and _____ alterations.

_____ I verify multiple times for _____ there be _____ delay in _____?

_____ harder _____ me _____ regain _____ change my _____ if I keep trying?

____ duration ____ regain control and reset passwords for my ____ the _____.
 How long ____ take to ____ online access ____ multiple tries?
 ____ can affect account control ____ password ____ duration.
 ____ time for ____ access ____ my online account ____ be extended by ____ multiple ____ attempts.
 ____ possible to affect ____ and ____ change times ____ trying more ____?
 ____ the ____ tries to verify affect how long it ____ to ____ control ____ my ____ reset ____?
 ____ the ____ takes to regain control of my ____ delayed by my ____?
 Does ____ take ____ time to ____ online ____ access ____ change passwords ____ times?
 ____ long ____ it take to ____ credentials after ____?
 ____ verification trials ____ the process for online ____ password alterations?
 It is ____ frequent ____ the time it takes ____ regain ____ passwords.
 ____ multiple ____ attempts ____ time to regain control over ____ account ____ passwords?
 How ____ multiple verify ____ changing ____ needed to regain ____ reset passwords ____ online account?
 Is ____ frequent verifications ____ time it ____ to regain ____ and modify ____.
 Account ____ reset time ____ impacted by multiple verification ____.
 Is it ____ that repeated ____ prolong ____ to ____ passwords?
