

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	Roaming and international usage questions
Inquiry Sub-Category	Data roaming settings
Description	Customers may require guidance on configuring their mobile devices for data roaming, including checking APN settings, ensuring data roaming is enabled, or troubleshooting data connectivity problems while roaming.
Data Size	5,173 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

Does _____ coverage/connectivity while _____ out-of-country?
 _____ think disabling _____ will _____ roaming?
 _____ disabling L/TE _____ improve _____?
 Will I _____ better network _____ I switch _____ the _____?
 Reducing _____ can improve foreign _____.
 Does turning off _____?
 Is _____ true _____ 4G can _____ my connection _____?
 Is _____ to boost _____ internet access outside _____ country _____ off _____ network?
 _____ I improve my _____ reception overseas _____ the 4G?
 _____ it possible _____ improve my _____ outside _____ country by _____ the _____.
 Can disabling _____ the us?
 _____ the switch _____ of _____ 4G _____ improve _____ abroad.
 _____ taking off my _____ modem _____ my coverage _____ the _____?
 Does _____ 4G _____ in _____ countries?
 _____ off _____ overseas communication?
 Is it possible _____ when you _____ the LTE _____?
 Is _____ possible _____ boost my _____ connection _____ if _____ off my _____ phone service?
 _____ the 4G network _____ the internet availability _____?
 Do you _____ shutting _____ the 4G _____ the _____?
 Is _____ to boost my _____ service _____ the _____ if _____ the 4G _____?
 _____ it improve my network _____ overseas _____ switch _____ the _____?
 _____ to off the fancy high-speed _____ aim _____ and reliability?
 Does _____ increase _____ connection overseas?
 Is it possible _____ my _____ presence _____ I turn off _____ network?
 _____ shutting off 4G/LTE _____ coverage _____ foreign locale?
 _____ shutting _____ 4G _____ when out _____ the country?
 Does shutting _____ improves _____ you _____ of the country?
 Does the switch off _____ make a _____?

____ it ____ down 4G ____ coverage abroad better?
 ____ to improve my ____ outside of the country ____ not ____?
 Will ____ improve internet outside ____ country?
 ____ it possible ____ coverage ____ the ____ by not ____ 4G?
 ____ true that I ____ increase my ____ if ____ off 4G?
 ____ good idea ____ not ____ LTE while ____ improved coverage?
 ____ idea to not use LTE while ____ for ____ coverage?
 Can ____ in foreign ____ help ____ connect better?
 ____ if ____ get ____ or ____ better experience if ____ didn't use ____ while ____.
 I ____ if ____ will ____ my coverage ____ outside ____ country ____ going ____ the 4.
 Will ____ 4G network improve ____ service outside ____?
 ____ may ____ able to ____ coverage.
 Does shutting ____ 4G improves coverage ____ from ____?
 Is it ____ coverage ____ you switch ____ strength abroad?
 Is it ____ the ____ abroad to improve coverage?
 ____ possible to switch ____ the 4G ____ to ____ coverage ____?
 Will ____ the 4G ____ easier ____ use ____ of the ____?
 ____ shutting off 4G/LTE ____ out-of-country?
 Is it possible to ____ my ____ overseas if ____ network?
 ____ it possible ____ offLTE for better internet ____?
 ____ switch off ____ 4G ____ coverage ____?
 ____ if ____ will make ____ better ____ the ____ leaving the 4.
 ____ 4G enough to ____ abroad?
 ____ if going off of ____ 4 ____ make myconnection ____ the ____.
 Can ____ 4G in ____ locations make ____?
 ____ was ____ if ____ get a ____ and ____ coverage ____ I turned off 4G ____ abroad.
 I'm ____ if ____ make my ____ better outside the ____.
 If ____ my ____ while I'm ____ will ____ coverage improve?
 ____ disabling ____ improve ____ service ____ country?
 Is turning ____ 4G/LTE ____ network ____?
 ____ wondering ____ I can get a better experience ____ not ____.
 ____ disabling 4G ____ network?
 ____ possible ____ better ____ when traveling ____ by ____ off the 4G?
 ____ turning off ____ increase ____?
 Does shutting ____ when out of ____ country?
 Is ____ possible ____ coverage with ____ off of ____ strength ____?
 ____ the ____ off of the ____ network improve ____ in ____?
 Does ____ 4G/LTE ____ access ____ other countries?
 ____ possible ____ get ____ when traveling ____ turning ____ the cellular network?
 ____ improves out ____ country coverage?
 Can ____ 4G ____ internet ____?
 Can ____ off 4G ____ make a ____?
 ____ am ____ if ____ off ____ can ____ my connection ____.
 ____ off 4G ____ out-of-country ____?
 Will the switch ____ of ____ 4G network ____ countries?
 Will ____ network ____ outside the ____?
 ____ disabling L/TE improve ____ in ____?
 ____ wonder if ____ improves network ____ when ____.
 ____ turn ____ 4G while ____ can ____ get better reception ____ coverage?
 I'm ____ if going ____ 4 will increase ____ outside the ____.

Can turning ____ 4G/LTE ____ network ____ ?

Will disabling ____ improve ____ in ____ ?

____ was ____ if ____ could ____ a better internet coverage ____ when ____ turn ____ ____ 4.

Can we switch ____ 4G/LTE ____ ?

____ 4G ____ turned off ____ foreign ____ better connections?

____ think shutting ____ will fix your ____ outside?

Can turning off ____ foreign area help ____ ?

Does ____ off ____ help ____ ?

Does taking ____ my internet ____ outside the country?

____ know ____ will make ____ better ____ the country by ____ the 4.

____ turning ____ in a foreign area ____ connect ____ ?

____ get better coverage if ____ turn ____ abroad?

Is ____ boost ____ when you switch ____ the LTE ____ ?

____ 4G enhance ____ service ____ ?

I ____ wondering if I ____ get ____ I ____ 4G while travelling ____.

____ you really ____ down ____ will ____ your ____ coverage?

____ possible to ____ better coverage by ____ the lte ____ ?

____ switch off ____ outside ____ country make ____ difference?

____ get coverage or a better experience ____ did not use ____ while ____.

____ wondering if ____ my ____ better ____ country ____ leaving the 4.

Can ____ 4G enhance ____ ?

Does ____ off ____ access ____ ?

Will disabling ____ country?

____ it possible to ____ the 4G strength ____ to ____ ?

____ true that shutting off ____ out of country?

Can ____ off ____ 4 make ____ coverage ____ outside ____ country?

____ to know ____ turning ____ 4G/LTE ____ boost my connection ____.

Is ____ would ____ internet outside the country ____ I turned ____ the ____.

____ reducing 4G ____ coverage?

____ you switch off ____ can it ____ ?

Is ____ that ____ can increase ____ connection abroad ____ I turn ____ ?

____ 4G ____ strength overseas?

____ reducing 4G/LTE improve ____ ?

Is ____ to ____ internet ____ outside ____ if ____ turned ____ the 4G service?

____ it possible ____ turn off ____ while away?

____ to get ____ better ____ the 4G ____ outside the USA?

____ disabling the 4G ____ service outside the ____ ?

Is it ____ get better ____ abroad ____ off LTE.

____ 4G increase internet ____ ?

____ it possible ____ improved coverage ____ turning ____ the ____ abroad?

If ____ stop ____ 4G ____ abroad, will my ____ ?

Is it possible ____ coverage ____ the country ____ taking off ____ ?

I ____ if shutting off 4G/LTE ____ ofcountry.

When ____ of-country, does ____ improves ____ ?

____ a ____ abroad with ____ off?

____ possible to ____ while traveling by ____

I'm ____ it will make my coverage ____ country by ____ off ____

Shutting down ____ your coverage ____.

Will ____ 4G in a ____ place ____ connect ____ ?

____ to ____ my ____ connection outside ____ country if ____ turn ____ the ____ network?

Is it _____ turning _____ increases _____ connection _____ abroad?

Do you _____ think _____ shutting down _____ coverage abroad?

Does _____ 4G/LTE improve _____ in _____?

Will disabling L/TE _____ in _____?

Will _____ improve internet _____ outside _____ country?

_____ it possible _____ get _____ coverage _____ turning _____ travelling abroad?

_____ 4G/LTE boosting overseas _____?

I _____ wondering _____ I could get _____ abroad when my _____ 4 _____.

Can one _____ coverage _____ turning _____ LTE _____?

_____ possible to _____ coverage _____ turning off the phone _____?

_____ improve coverage _____ of the country?

_____ shutting _____ 4G/LTE _____ coverage when _____ of _____?

Is _____ possible _____ boost _____ when abroad _____ turn _____ 4G?

_____ the 4G _____ enhance _____ abroad?

Is it _____ the 4G would increase _____ travel.

Is disabling LTE/4G _____ improve _____ outside _____?

_____ the _____ away from the _____ network _____ coverage _____?

_____ overseas may be affected _____ turning _____ 4G/LTE.

Is _____ true _____ can boost _____ abroad _____ I turn _____ 4G?

I was _____ could _____ better coverage _____ I _____ use 4G _____.

_____ it possible _____ my coverage outside of _____ I switch off _____.

_____ I expect _____ 4G is off _____ foreign lands?

_____ turning _____ in foreign _____ help?

If I _____ while _____ my coverage will _____.

_____ 4G _____ network _____ when traveling.

When _____ deactivating 4G improve _____?

Will disabling the _____ access outside _____ country?

_____ the switch _____ 4G enhance _____ other countries?

Will disabling _____ 4G _____ country?

_____ deactivating 4G _____ you _____ outside?

Will disabling the _____ internet service _____?

Can turning _____ 4G _____ foreign _____ make it _____ to _____?

Is it _____ that _____ my _____ while abroad?

_____ 4G/LTE be reduced _____ enhance _____?

I'm _____ sure _____ it will _____ my coverage _____ country _____ going _____ the 4.

Is _____ true _____ turning off _____ can _____ my _____ abroad?

Is _____ improve my _____ outside _____ if I switch off my _____?

When _____ of _____ shutting off _____ coverage?

Will _____ 4G _____ abroad?

Is it possible _____ network _____ overseas if _____ switch _____?

Will _____ off _____ enhance _____?

_____ shutting off _____ improves _____ you're _____?

Is _____ to _____ my connection _____ the _____ off 4G?

Will _____ the _____ networks _____ abroad?

_____ turning _____ 4G _____ overseas?

_____ possible to _____ my internet connection _____ I turn _____ my _____ phone?

_____ if I _____ a better reception abroad when I turn _____.

_____ disabling _____ connections better?

_____ the 4G _____ connection better _____ the country?

Will disabling _____ internet _____ outside _____?

Can _____ 4G _____ foreign _____ help to make _____?

_____ possible to _____ my connection outside the _____ if I _____ 4G _____?

Can turning _____ foreign _____ help _____ more?

Is _____ possible to _____ coverage when _____ phone _____ abroad?

I'm unsure _____ off of _____ improve _____ outside the country.

How will _____ 4G _____?

Do _____ disabling 4g _____ with _____ reach?

It _____ that _____ 4G/LTE can _____ connection abroad.

Is _____ possible _____ the service abroad _____ be better _____ a _____?

_____ off 4G/LTE improve _____ incountry?

_____ shutting off _____ when _____ incountry?

When I turn _____ my _____ will I _____ better _____ coverage abroad?

_____ I be able to _____ if _____ off my _____ service?

Taking off my 4G _____ my _____ the _____.

Is it possible _____ improve my coverage while _____ the _____ switch _____?

Will disabling _____ improve reception _____ the world?

_____ disabling _____ enhance overseas _____?

Is _____ to _____ coverage _____ switch off _____ strength overseas?

Is it possible _____ can _____ my _____ abroad?

I _____ if _____ 4G/LTE will boost _____ abroad.

Is _____ true that _____ can _____ my _____ when I _____ off _____?

_____ turning _____ 4G in _____ country _____ connect better?

_____ to _____ service abroad _____ disengaging from the 4G _____?

_____ have an effect overseas?

_____ disabling the _____ enhance _____ access outside _____ the _____?

_____ switch off of _____ improve coverage abroad?

_____ a better _____ in foreign lands _____ the _____ is _____?

_____ possible to _____ coverage _____ international travel _____ turning _____ 4G?

_____ turning _____ 4G _____ overseas _____?

I'm _____ if going _____ the 4 _____ the country.

Will _____ better overseas?

Does _____ off _____ coverage _____ of _____ country?

_____ out-of-country, does shutting _____ the _____?

Better signal _____?

I was _____ I could _____ better reception _____ turned _____ my _____ while _____.

Is it possible to _____ better _____ the cell _____?

_____ turning _____ in foreign places _____?

_____ possible _____ enhance _____ network _____ overseas _____ the _____ off of 4G?

_____ wondering if it _____ my _____ country _____ going off of _____ 4.

_____ 4G _____ enhance coverage abroad?

When out-of-country, _____ shutting _____ difference?

Will turning _____ overseas?

_____ possible to _____ improved _____ off lte abroad?

Is shutting _____ 4G/LTE _____ when _____?

_____ abroad with _____ off _____ the _____?

I'm _____ if it will make _____ coverage _____ country, _____ the 4.

Is _____ switch off LTE/4G to _____ abroad?

_____ 4G enhance _____ outside?

Is _____ possible _____ improved _____ by _____ lte abroad.

Is it possible _____ theLTE strength abroad _____?

I'm wondering whether going _____ 4 _____ make _____ coverage _____ outside _____.
 I _____ wondering _____ I could _____ better internet and _____ off 4G while _____.
 You think _____ network reliability on my _____?
 _____ 4G _____ connect overseas?
 _____ off 4G/LTE _____ coverage when _____.
 Will _____ boost coverage _____?
 _____ disabling _____ going to improve _____?
 Is _____ possible that _____ service _____ be better because _____ from _____ 4G _____?
 Is it possible _____ the fancy _____ aim comfort and _____?
 Will _____ the _____ network _____ coverage _____?
 If _____ turn _____ the 4G while _____ will I _____?
 _____ turn _____ LTE _____ internet when you are away?
 I _____ if _____ of the _____ will _____ my coverage _____ the _____ better.
 Can disabling _____ improve _____?
 Will _____ boost _____ access _____?
 _____ possible for _____ better _____ by turning off LTE _____?
 Will _____ 4G _____ the outside _____ country?
 I am _____ if _____ make my _____ outside the _____ by _____ 4.
 Can _____ improve _____ overseas?
 _____ possible _____ better _____ when traveling _____ by _____ off the phone?
 Does _____ off 4G _____ my coverage outside _____?
 _____ possible _____ improved coverage _____ off theLTE abroad?
 _____ wondering if going _____ the 4 _____ coverage _____ outdoors.
 _____ it true _____ off 4G/LTE _____ my _____ abroad?
 _____ if _____ or a better experience if _____ don't use 4G while _____ abroad.
 Is it _____ coverage _____ offLTE abroad?
 _____ turning _____ 4G _____ allow you to connect _____?
 Is it possible to boost coverage _____ LTE _____?
 _____ shutting off _____ make _____ coverage when out _____ the _____?
 _____ off 4G _____ coverage outside _____?
 When out-of-country, does _____ 4G/LTE _____?
 Can I _____ connection while _____ abroad?
 Is _____ to _____ if you switch _____ the cellphone _____?
 When _____ off _____ improve coverage?
 Can _____ theLTE _____ wireless reach _____?
 Is _____ possible to _____ off 4G/LTE _____ service _____?
 _____ if _____ get _____ if _____ use 4G while abroad.
 Is _____ a _____ the 4G is _____ foreign lands?
 I _____ wondering if I _____ reception if I _____ off my _____ traveling _____.
 _____ shutting _____ 4G/LTE _____ coverage _____ outside _____?
 Is it _____ that _____ can boost _____ connection by _____ off _____?
 I was wondering if I _____ get _____ if _____ turned _____ while _____.
 _____ it _____ to _____ better coverage _____ off cellular _____ abroad.
 _____ 4G/LTE be reduced _____ foreign _____?
 Can _____ off _____ in _____ foreign country improve _____?
 _____ 4G help _____ abroad?
 _____ if I could get coverage or _____ I didn't use 4G _____.
 _____ disabling 4G _____ overseas?
 _____ shutting off _____ coverage _____ other _____?
 Reducing 4G/LTE might _____.

_____ off 4G/LTE _____ coverage _____ you're _____ the country?
 _____ in other places help _____ connect better?
 _____ was _____ I _____ get _____ reception or internet coverage if I _____ off 4G _____.
 I'm _____ going off of _____ my _____ outside the country.
 Is _____ that turning _____ 4G _____ increase my connection _____?
 _____ disabling _____ outside _____ country?
 _____ was _____ if _____ get a better reception abroad _____ my _____ 4.
 Can _____ reduction of _____ coverage?
 _____ shutting off _____ coverage when _____?
 _____ 4G _____ internet availability _____?
 Is _____ that _____ off 4G/LTE _____ me abroad?
 Can _____ 4G _____ help to connect more?
 I _____ that _____ off 4G/LTE _____ boost my connection abroad.
 _____ disabling 4G improve _____?
 _____ makes _____ difference when out-of-country?
 Can _____ off 4G _____ out-of-country?
 _____ it possible _____ improve _____ outside _____ when _____ switch off my _____ phone?
 Will _____ improve _____ abroad?
 _____ it possible to _____ presence _____ country _____ I turn off _____ service?
 _____ deactivate _____ network reach when _____?
 Do _____ down 4G will fix _____?
 _____ it _____ that turning off _____ improves _____ connection _____?
 Is it possible to _____ country if _____ off the 4G _____?
 _____ shutting _____ 4G _____ places help to _____ better?
 I _____ wondering if _____ a _____ if I _____ using 4G _____ abroad.
 Is it possible _____ boost coverage _____ you switch _____?
 _____ to boost overseas _____ turning off 4G/LTE?
 Is it _____ that the _____ turn _____ 4G _____ coverage?
 _____ get better coverage by _____ off cell phone _____?
 _____ shutting _____ improves _____ you leave the country?
 _____ it possible that the _____ abroad _____ disengaging from the _____ network?
 _____ shutting off _____ improves _____ when out _____ country?
 _____ possible _____ deactivating LTE will _____ wireless reach _____?
 _____ it possible _____ country by turning off the 4G _____?
 Does _____ off 4G/LTE improves _____ outside _____.
 _____ shutting _____ 4G/LTE _____ coverage _____ you are out of _____?
 Is _____ boost to overseas _____?
 _____ to enhance my network reception overseas _____ off the _____?
 Will _____ the _____ network enhance _____?
 _____ I _____ the 4G while _____ my coverage improve?
 _____ 4G _____ a foreign place improve _____?
 If I _____ off _____ I get _____ reception or _____ coverage?
 _____ my _____ reception _____ I switch off my _____?
 Can I _____ while _____ by _____ the _____ network?
 Does _____ increase _____ access outside?
 I'm _____ if it _____ make my _____ outside _____ country by taking _____.
 _____ think _____ off 4G/LTE _____ help _____?
 _____ think shutting _____ will make _____ coverage _____ abroad?
 _____ shutting _____ 4G/LTE _____ coverage _____ out _____?
 I _____ turning _____ 4G/LTE _____ boost my _____ when _____.

Can _____ improve _____ internationally?
 _____ disabling _____ going _____ overseas communications?
 Will _____ reception in other _____?
 _____ deactivating LTE to increase wireless _____ abroad?
 I _____ off of the 4 will _____ coverage better outside _____.
 _____ way _____ better service overseas if _____ off the 4G _____?
 _____ to _____ coverage by disabling cellular _____ abroad?
 Is _____ disabling _____ will improve overseas network _____?
 Is it possible _____ improve coverage _____ disabling _____?
 It _____ connect abroad _____ you _____ off _____ or _____.
 I'm _____ sure if it _____ coverage _____ outside the _____ the 4.
 _____ was _____ I can get _____ or _____ coverage if I _____ off 4G _____ traveling _____.
 Is it _____ when abroad, _____ boost _____ by turning _____ 4G/LTE?
 Is _____ improve coverage by _____ abroad?
 _____ 4G/LTE _____ service internationally?
 Can _____ overseas network strength?
 _____ possible _____ boost my internet access _____ by turning _____ the _____ network?
 _____ true that turning _____ will help me _____?
 _____ wondering if _____ get _____ better experience if I didn't use _____.
 Is it possible to _____ better _____ by turning _____?
 _____ turning _____ in foreign places _____ to connect _____?
 Will _____ 4G internet service enhance _____ the _____?
 _____ in foreign places improve the _____?
 Better _____ if lte _____?
 Does _____ off _____ 4G/LTE improves _____?
 _____ disabling the 4G _____ make _____ the country?
 Will the switch _____ of _____ network _____ coverage _____?
 Will _____ 4G improve internet _____ country.
 Can _____ while _____ by disabling _____ service?
 _____ it possible to _____ my _____ of the country _____ off the _____?
 Is _____ that turning _____ overseas?
 _____ if _____ could get a better _____ I _____ 4G while traveling.
 I'm wondering _____ going _____ the _____ better outside the country
 Can _____ the _____ increase _____ abroad?
 _____ shutting _____ 4G _____ your coverage _____?
 _____ shutting _____ 4G/LTE _____ when out _____?
 _____ if going _____ of _____ 4 _____ make my coverage/connection better _____ country.
 _____ wondering _____ I could _____ reception _____ traveling abroad if _____ stopped _____ 4G.
 _____ shutting off _____ coverage _____ in _____ foreign land?
 You think shutting _____ the _____ will fix _____?
 When I turn off my _____ be a _____ reception _____ coverage _____?
 Can turning _____ 4G _____?
 _____ it possible _____ better coverage _____ the country _____ I _____ 4G network?
 _____ better to turn off _____ out-of-country?
 _____ a good _____ to not _____ LTE _____ traveling for _____?
 _____ the 4G connection _____ other _____?
 I was wondering _____ could get _____ a _____ if I did _____ use _____.
 _____ to _____ my _____ connection _____ if I turn off the 4G.
 Will _____ the 4G _____ outside the country?
 What _____ think about disabling _____ with roaming _____?

_____ wonder if _____ off 4G/LTE improves _____ when _____ of _____ .

Does switch off _____ outside the _____ ?

I _____ to know _____ I could _____ a _____ when _____ turn off my _____ .

Can _____ switch off _____ service while _____ ?

_____ helps boost _____ coverage _____ is _____ off abroad.

Is turning _____ place helping to connect _____ ?

Will _____ technology improve the _____ outside _____ country?

_____ it possible _____ offLTE strength _____ increase coverage?

Is it _____ 4G/LTE improves _____ outdoors?

_____ it _____ that turning _____ 4G can _____ connection _____ ?

Does _____ boost _____ overseas connection?

_____ 4G _____ give you better _____ outside _____ your area?

When out _____ off _____ improve coverage.

Can _____ off 4G _____ foreign place _____ connection?

Will _____ 4G _____ network _____ improve?

_____ turning _____ really _____ for overseas?

_____ it _____ to increase coverage _____ off _____ abroad?

Is it _____ that _____ 4G/LTE _____ coverage _____ of _____ country?

I _____ like _____ off of the 4 will make _____ the country.

Is it possible _____ makes your connection _____ ?

_____ 4G/LTE help you _____ ?

Is _____ better coverage by _____ off _____ outside?

Can _____ 4G/LTE improve _____ ?

Is _____ switch off _____ strength _____ to _____ coverage?

When I turn off _____ could get a better _____ abroad.

_____ to _____ off the _____ abroad to increase coverage?

I _____ wondering _____ could _____ coverage or a better _____ by _____ travelling.

Can _____ off _____ in overseas places _____ connect _____ ?

_____ disabling 4G going to _____ ?

Is _____ improve coverage _____ disabling LTE _____ ?

_____ 4G help _____ when traveling?

_____ the _____ abroad will _____ better by disengaging from _____ network?

Does _____ 4G _____ when out-of-country?

Will disabling _____ improve coverage _____ the _____ ?

_____ that turning _____ 4G _____ increase my connection _____ ?

Shutting down the 4G will _____ ?

_____ it true that I _____ connection outside when _____ off _____ ?

_____ disabling the 4G technology _____ internet _____ the _____ ?

Is reducing _____ coverage?

Killing _____ makes _____ connection _____ ?

VoLTE getting _____ helps boost _____ ?

_____ was _____ I _____ reception _____ I turned my lte 4 off.

_____ improves coverage _____ in a foreign country?

Does shutting _____ 4G/LTE _____ coverage _____ of _____ ?

I _____ I could _____ coverage _____ if _____ didn't use 4G when abroad.

Will _____ of _____ improve coverage _____ ?

_____ disabling the 4G network enhance _____ outside _____ ?

Will _____ 4G _____ coverage _____ countries?

_____ wondering if _____ will _____ my _____ outside _____ country _____ going _____ the four.

_____ it _____ to _____ better _____ by _____ off the _____ abroad?

When overseas _____ network strength?

Will _____ technology improve _____ access outside _____ the _____?

Is it true _____ I can increase _____ outside _____ 4G/LTE?

_____ shutting off _____ when _____ of country?

_____ disabling _____ going to _____ internet _____?

_____ be _____ off in _____ places to _____ more?

_____ out-of _____ shutting off _____ improve _____?

_____ abroad, is _____ that I _____ boost _____ connection by _____ off _____?

Is _____ something that _____ off for better internet _____?

Will _____ coverage _____ I _____ off _____ while abroad?

_____ 4G help _____ coverage?

_____ abandoning _____ 4G _____ improve coverage _____?

I _____ wondering if _____ could _____ a _____ I _____ using _____ while I was _____.

_____ disabling L/TE improve _____ regions?

Can _____ off _____ in _____ countries _____ you _____ better?

_____ expect a _____ signal if the _____ service _____ in _____ lands?

_____ it possible to improve _____ while traveling _____ services?

_____ wondering _____ I can get _____ I don't use _____.

Is turning off _____?

_____ 4G _____ off _____ lands, can I _____ better _____?

_____ 4G enhance _____ abroad?

_____ going to improve connectivity _____?

Is it possible to boost _____ connection _____ of _____ by _____ off _____?

Will _____ service make _____ to _____ outside the country?

_____ LTE _____ traveling _____ will _____ coverage?

_____ 4G _____ overseas _____ strength?

_____ not sure if _____ off of the _____ outside of _____ country.

_____ it better for _____ network _____ overseas _____ I _____ 4G?

_____ true _____ boost _____ connection when abroad when I _____ off _____?

Is it _____ 4G network to increase coverage during _____?

Is _____ possible to improve _____ while traveling by _____?

_____ off 4G/LTE may _____ coverage _____.

Increasing coverage _____ be _____ bygging off the _____ network.

_____ it possible _____ increase _____ travel _____ using _____ 4G network?

_____ disabling the _____ will make _____ internet better outside _____?

Is _____ off _____ improves _____ out _____?

_____ off 4G in _____ countries _____?

_____ a _____ signal _____ with _____ off?

_____ I get better coverage _____ traveling _____ if _____ turn _____ the _____?

_____ it possible to _____ my _____ while _____ country by turning _____?

_____ it possible _____ coverage with _____ switch _____ of _____ abroad?

_____ 4G improve _____ abroad?

_____ disabling _____ internet in other countries?

_____ 4G _____ network _____ when traveling

Will the switch _____ network _____ network reception overseas?

If I _____ lte/4g outside the _____ does that _____?

Is _____ boost coverage when _____ switch _____ the LTE strength _____?

Is _____ to _____ my connection _____ the country _____ I turn _____ network?

Will _____ network enhance internet access _____ countries?

_____ 4G _____ network reach when _____?

Is it possible _____ reception _____ if _____ switch _____ my phone?

Is _____ improved coverage by turning _____ abroad.

_____ disabling _____ improve coverage _____?

_____ of _____ does shutting _____ 4G/LTE improve _____?

I was wondering if _____ a _____ if _____ 4G while traveling _____.

_____ off _____ 4G modem improve _____ connection outside the _____?

Does _____ 4G improve _____ you're out of _____?

I'm wondering if _____ of _____ make my _____ outside the _____.

_____ disabling _____ improve _____ strength?

_____ switches off _____ abroad?

_____ was _____ if _____ get _____ better _____ if I stop _____ while I _____.

Can _____ 4G/LTE _____ internationally?

_____ switch _____ 4G enhance coverage in _____ countries?

Shutting off _____ improves _____ when _____ country.

Can one get better coverage _____?

Is it _____ not _____ the LTE _____ travelling abroad _____ better coverage?

_____ it possible _____ my _____ access outside the country if _____ service?

Does turning _____ 4G _____ coverage _____?

Is _____ possible that taking _____ 4G modem improves _____ the _____?

_____ it _____ improve _____ by turning _____ lte abroad.

Will _____ improve _____ internet outside the country?

Can shutting _____ when out-of-country?

Will _____ help with _____?

_____ you think disabling the _____ improve _____ internet outside _____?

Shutting _____ 4G _____ your _____ abroad?

I wonder if _____ can get _____ reception _____ off my lte _____.

I was wondering _____ a _____ reception _____ I stopped using _____ while _____.

_____ off 4G _____ when _____ in the country?

Is _____ possible to _____ LTE/4G help _____ abroad?

Is it _____ to get _____ coverage _____ the _____ abroad?

_____ possible to improve _____ outside _____ using the 4G service?

_____ if it will _____ my _____ outside _____ country when I _____ of the _____.

_____ don't know _____ the 4 _____ coverage _____ outside of the country.

_____ disabling the 4g _____ improve _____ country?

I _____ wondering if I could _____ a _____ reception _____ if _____ stopped _____ while _____ abroad.

_____ 4G _____ boost _____ my travels?

Does shutting off _____ improve coverage _____?

_____ 4G enhance _____ overseas?

_____ it _____ turn off LTE for _____ when away?

Is it _____ improve coverage _____ cell phone service _____?

_____ true that turning _____ 4G/LTE _____ make a _____ when _____?

I _____ if I could _____ better reception _____ turned _____ lte 4.

_____ know _____ off _____ will _____ my coverage better outside the _____.

I _____ if I _____ a better experience _____ didn't _____ while _____ overseas.

_____ 4G/LTE give you _____ overseas?

The question is if _____ off 4G/LTE _____ country.

_____ wondering _____ I could _____ or _____ better _____ I didn't _____ 4G while _____.

Do _____ 4G improve _____ when _____?

_____ LTE _____ abroad _____ improve coverage.

Is turning _____ helping _____ overseas?

Will the _____ the 4G network _____ coverage _____.

_____ it _____ to _____ coverage _____ switch off the _____ abroad?

_____ wondering if _____ make _____ coverage better _____ the country by _____.

Is _____ off _____ for coverage abroad?

_____ it a _____ to _____ LTE when I travel _____ coverage?

_____ a _____ idea _____ turn _____ traveling abroad _____ improved coverage?

Can shutting _____ 4G/LTE _____ coverage _____ of _____?

Did deactivating _____ when traveling?

_____ wondering _____ it will make _____ coverage _____ of _____ country by going _____ of _____ 4.

Does _____ 4th generation cellular _____ other countries?

_____ signal _____ off of the _____?

Does _____ the 4G _____ abroad?

_____ possible for one to _____ improved coverage _____ off LTE _____?

_____ to know if _____ a better _____ if I _____ 4G _____ traveling abroad.

_____ the switch _____ of the _____ mobile _____ coverage _____?

_____ possible to _____ my connection abroad by _____?

_____ if I _____ get a better _____ abroad _____ lte _____ turned off.

_____ shutting _____ 4G improves _____ coverage?

Is it possible _____ turn _____ better _____ away?

_____ possible _____ turning off 4G/LTE _____?

Do you _____ shutting off _____ improves coverage _____?

I am _____ it _____ coverage _____ the country better _____ off the _____.

Reducing 4G/LTE _____ foreign _____.

_____ off 4G in foreign places _____ better?

_____ if _____ will _____ my _____ better _____ the country by going _____ 4.

_____ wondering _____ I can _____ experience _____ use 4G while travel abroad.

_____ turning _____ 4G _____ a _____ help to connect?

Do _____ think shutting _____ 4G _____ your _____ outside?

_____ wondering _____ I can get a _____ I turn off _____ while _____.

_____ foreign lands, can I get a better _____?

_____ a good idea to _____ off the _____ when _____ abroad _____ coverage?

Is it _____ for _____ to _____ while _____ disabling 4G?

I wondered _____ I could get _____ reception or internet _____ if _____ stopped _____ 4G _____.

When _____ turn _____ lte, _____ was wondering _____ I could _____ reception abroad.

_____ it _____ that _____ 4G/LTE can boost _____ connection _____ abroad?

Reducing 4G/LTE can _____ a _____ coverage.

_____ 4G _____ enhance coverage outside the _____?

How _____ switch off _____ the 4G _____ affect _____?

Do _____ think shutting down _____ your _____ overseas _____?

_____ it possible to _____ in foreign _____ connect _____?

_____ disabling _____ improve overseas _____?

_____ not _____ if going off _____ 4 _____ make _____ coverage _____ outside the _____.

_____ the _____ coverage abroad?

_____ my lte 4 _____ I get a _____ overseas?

When out of _____ country, _____ off _____ coverage?

Will disabling _____ 4G _____ increase internet availability _____?

Is it possible _____ boost my _____ of _____ country if _____ turn _____ service?

Does _____ 4G/LTE improves coverage when _____ are _____?

_____ taking _____ modem improve _____ outside of my country?

_____ you _____ shutting off 4G/LTE _____ coverage _____ of _____?

_____ can be used to _____.

Do _____ shutting down 4G _____ your coverage _____?

I was wondering _____ could get _____ coverage _____ stopped using _____ abroad.

I _____ wondering _____ it _____ improve _____ country by _____ off the 4.

Is it _____ improve _____ by disabling LTE?

Does _____ 4G improves out _____?

Is it possible to _____ the _____ strength _____ coverage?

_____ deactivating 4G make a _____?

Can _____ if switching off 4G/LTE improves _____?

While out-of-country, _____ the _____ coverage?

_____ shutting _____ improves _____ it is not in _____ country?
