

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Check engine light is on
Inquiry Sub-Category	Electrical System Malfunctions
Description	Inquiries regarding the check engine light being triggered by electrical system issues, such as a failing alternator, battery, or wiring problem.
Data Size	5,112 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

_____ cause _____ check engine light to _____ illuminated?
_____ be _____ with _____ that _____ cause the check engine _____ to _____ on.
Will _____ be wiring _____ the _____ light on?
_____ the _____ engine light a _____ a _____ issue?
Is it _____ wiring _____ lighting up of _____ car's trouble _____?
Did the _____ cause the _____ keep _____?
Can _____ wiring _____ the check _____ indicator _____ light _____?
_____ wiring _____ the check _____ light to _____ on
_____ electrical _____ keep _____ check light _____?
_____ it possible that _____ check engine _____ to be illuminated _____?
_____ a _____ keep the engine _____?
_____ there _____ that _____ the _____ engine light on?
Can there _____ constant _____ the _____ engine indicator because _____ a _____?
Is _____ engine _____ because of messed up _____?
_____ incorrect connections _____ symbol glowing?
_____ engine light _____ to _____ wiring?
Is _____ engine _____ due to bad _____?
_____ the _____ stay _____ because _____ wiring trouble?
The _____ light _____ on _____ a problem with _____.
_____ malfunction _____ the check engine _____ displayed?
Is the check _____ light on _____?
_____ the check _____ light remain _____ an electrical _____?
_____ engine _____ may _____ on _____ of a _____ glitch.
_____ engine _____ on _____ there is a wiring _____?
_____ there be wiring troubles that _____ light _____?
Can _____ the check engine indicator be _____ of _____?
_____ the _____ engine _____ stay on _____ there is a _____?
It _____ that a wiring problem _____ engine light stays _____.
_____ check _____ stay _____ with a wiring problem?

Is _____ a _____ issue that _____ engine light _____?

Will _____ engine light _____ because of _____ wiring _____?

_____ a _____ problem able to _____ the _____ light _____?

_____ faulty _____ cause the _____ light to stay _____?

Is _____ wiring _____ cause of _____ check engine _____?

Does _____ check engine light remain _____?

Will _____ light _____ lit up due to _____ flaw _____?

_____ possible that a wiring problem _____ for _____ check _____ on?

_____ check _____ light _____ on _____ could it _____ because _____ a malfunctioning _____?

Is the illumination _____ light caused _____ wires?

_____ the check engine light _____ is a _____?

Is _____ problem with the _____ that _____ cause _____ engine light _____ stay _____?

Did a _____ with _____ cause _____ light to _____?

Will the _____ symbol _____ there _____ incorrect connections?

_____ is _____ a _____ is the reason _____ check engine light _____ going _____.

Is it possible the engine _____ on _____ wiring _____?

Can _____ broken wire _____ the check _____ to _____?

Is _____ that _____ cause the check engine light _____ on?

_____ a wiring problem _____ check engine _____?

Can a broken _____ cause the check _____?

_____ check engine light _____ to _____ wiring.

_____ engine light _____ it bad wiring?

If _____ flaw in _____ wiring, _____ the check _____ on?

_____ check light _____ if there _____ a flaw _____ the _____.

_____ remain illuminated due to an _____ problem?

_____ light stays on if wires _____ up?

Does messed _____ wires cause _____ light _____ on?

_____ wire _____ about _____ lighting of _____ check engine indicator?

Doesn't _____ bad _____ up _____ check _____?

Is _____ possible that _____ check _____ on _____ there's a _____ problem?

Is it _____ a _____ problem is _____ blame for the _____ blinking?

Will wiring _____ keep _____ light _____?

_____ a wiring _____ cause _____ light _____ stay on?

_____ possible that _____ wiring leads _____ continuous illumination _____ check engine _____?

_____ the _____ engine symbol _____ as _____ result of _____ connections?

_____ wiring _____ the reason the _____ won't go out?

_____ the _____ light stay on _____ wiring issue?

Can _____ wire _____ the _____ indicator _____ be on all _____ time?

_____ the _____ symbol going to _____ glowing due _____?

Is _____ check engine _____ because there _____ wiring _____?

Did a check engine _____ due _____ bad _____?

_____ it _____ wirings can lead to backlighting _____ our _____ Check _____?

Does _____ exist _____ the _____ that _____ cause the check _____ stay on?

_____ wirings _____ lighting _____ our engine check signal.

Does _____ light stay on because _____ is _____ problem?

Does _____ with wires _____ check engine light _____?

Is bad wiring _____ causes the _____ to _____?

Is a problem _____ wires _____ reason _____ the check _____?

_____ a wiring issue _____ check _____ light _____ stay _____?

The check engine _____ may _____ go _____ a _____ problem.

_____ the illuminated check _____ problem with the wiring?
 Does _____ electrical issue make the check _____?
 There _____ with the wiring that could _____ the check _____ stay _____.
 Is _____ the check _____ is not going off _____ to a _____?
 _____ the check _____ light _____ while there _____ a wiring _____?
 _____ it possible that bad _____ the check _____ to _____ constantly?
 _____ check light _____ light up if there _____ in the _____?
 _____ engine symbol remain glowing _____ to incorrect _____?
 _____ check engine _____ stay _____ because _____ is _____ with the wiring.
 _____ check engine _____ linked _____ poor wiring?
 Will _____ lit up due _____ a flaw _____ the _____?
 Is _____ possible that _____ wiring _____ is why _____ light is _____?
 _____ there _____ wiring _____ causing _____ check engine _____ to stay _____?
 Can _____ wire _____ the _____ engine _____ be lit up?
 _____ light remain lit _____ a _____ in the wiring?
 Will the check _____ stay on _____ electrical _____?
 _____ light _____ be a sign of _____ wiring issue.
 _____ cause _____ persistent check _____ light _____ wiring issue?
 _____ the wiring cause _____ light to stay on?
 Can wire damage _____ engine _____ remain _____?
 Is the wiring _____ the _____ my _____ light?
 _____ the engine light _____ if the _____ messed up?
 _____ light _____ lit by _____ wiring problem.
 Is _____ possible _____ the _____ light has _____ problem?
 _____ a problem _____ wires _____ cause of persistent _____ light?
 _____ problem _____ wiring could be why _____ engine _____ on.
 _____ the _____ engine _____ on because of faulty _____?
 _____ if faulty _____ causes _____ check engine _____ to _____ on.
 _____ is possible that a _____ problem is _____ the check _____ not _____.
 A _____ malfunction can _____ the _____ sign _____.
 Will the _____ engine _____ glowing due _____ incorrect _____?
 I am _____ if _____ wiring issue _____ cause _____ the _____ engine _____.
 Is faulty _____ the cause of _____ my _____ engine _____?
 _____ the dang check engine _____ on?
 _____ check engine _____ by _____ wiring?
 _____ it _____ a _____ lit diagnostic _____ is _____ to _____ wires?
 _____ a link between _____ and the _____ my _____ engine warning?
 Is _____ the check _____ light _____ illuminated because _____ problem?
 Is _____ possible _____ check engine _____ is on because _____ wiring _____?
 Can _____ broken wire cause the check _____ light _____?
 _____ the _____ light stay on _____ glitch?
 _____ possible _____ bad _____ causes _____ of the _____ engine indicator?
 _____ it possible _____ light is illuminated _____ of _____ wiring problem?
 _____ a _____ is keeping the _____ check _____ on?
 Will _____ be displayed _____ if there _____ a wire _____?
 Does _____ light always on _____ bad wiring?
 _____ on if there _____ a wiring issue?
 Is _____ a _____ wires that _____ cause _____ engine light _____ illuminate?
 Is it _____ for _____ wiring to cause constant _____ check _____?
 _____ the _____ engine light a _____ a _____ issue?

_____ possible that _____ check light _____ on due to a _____.
 _____ it _____ faulty _____ keeps the check _____ on?
 _____ the check _____ by _____ bad wire?
 _____ a wiring _____ reason for the _____ light?
 _____ wiring cause the _____ to stay on?
 _____ there a problem with _____ that _____ the engine _____?
 _____ messed up _____ the _____ engine light _____ on?
 _____ Engine _____ sign _____ affected by messed up wires.
 _____ wire _____ check engine indicator to be _____ constantly?
 Is the illumination _____ my _____ engine warning _____ due _____?
 _____ the engine light _____ on if _____ problem _____?
 Can _____ electrical issue _____ engine light to _____?
 _____ check _____ stay on _____ a _____ is found _____ wiring?
 _____ the _____ engine light is _____ going _____ because of a _____ problem.
 _____ stays illuminated if a _____ problem is _____.
 Is _____ wiring _____ that _____ the engine _____ stay on?
 _____ lighting _____ check-eng sign?
 _____ a wiring problem is to _____ for _____ check _____ light not _____.
 _____ it _____ that _____ light stays on _____ to _____ issue?
 _____ wiring affect _____ check _____ light?
 Is it _____ that a wiring issue _____ check _____ light _____?
 Can _____ check engine warning to _____ on?
 _____ engine light up if _____ is _____ bad _____?
 Bad _____ cause the check engine _____ constantly.
 _____ there be a _____ in the _____ keep the _____ on?
 _____ engine light _____ if wiring is messed up?
 _____ a link between faulty _____ and _____ continuous _____ my check _____?
 Can faulty _____ check engine light _____ on?
 _____ a constant engine _____ wiring problems?
 _____ Check signal _____ to _____ from problematic wirings.
 Does a problem _____ wires _____ engine _____ on?
 _____ light _____ if the wiring _____ messed up.
 _____ wiring _____ keep the _____ on?
 Is it _____ that _____ problem _____ for _____ check engine _____ staying on?
 _____ wire malfunction will keep _____ check _____ sign displayed?
 _____ check engine light still _____ an _____ issue?
 Can _____ keep the check _____?
 _____ be _____ electrical _____ keeps the check _____ light on.
 _____ possible that _____ wirings may _____ back lighting _____ the _____ Check _____?
 _____ be _____ issues that will keep _____ on?
 If there's _____ the check engine _____ stay _____?
 _____ it possible that the _____ light _____ on because _____ wiring _____.
 Is a _____ persistent check engine light?
 Can _____ wiring _____ engine warning _____ be on _____?
 _____ check engine _____ stay on despite _____ problem?
 Will _____ engine _____ displayed despite a _____ malfunction?
 _____ check _____ light _____ by bad _____?
 _____ check _____ light _____ lit up when _____ is _____.
 Is _____ wiring _____ check engine light _____ on?
 How come _____ doesn't go _____ because _____ a faulty _____?

Is an _____ check _____ related to _____ bad _____?

_____ the check engine light stay on _____ a _____?

Is _____ engine light illumination _____ by the _____?

Bad wiring can cause _____ check _____ illuminate _____.

_____ a wiring _____ the _____ light to stay _____?

Will the _____ light stay _____?

There could _____ a _____ that causes _____ engine light _____ on.

Bad wiring can _____ indicator to _____.

_____ light to keep _____?

Is the check engine _____ to _____?

Does _____ up wiring keep _____?

Does _____ stay _____ bad wires?

Is there a wiring _____ that can _____ engine _____ to _____?

_____ possibility _____ the _____ light could stay on because of a _____ wiring.

_____ check light stay _____ due _____ flaw _____ the wiring?

Will _____ flaw in _____ wiring _____ will _____ the _____ light on?

_____ check engine _____ stay on if _____ is not _____.

The _____ might stay on _____ a problem _____ wiring.

_____ the _____ light _____ to faulty wiring?

Is the _____ light _____ stay lit _____ to _____ wiring _____?

Is _____ on because of _____ wiring?

_____ the _____ light _____ for _____ wiring problem?

_____ problem with wires _____ check engine light _____ on?

Does faulty wiring _____ light?

Will a fault _____ wiring _____ the _____ stay _____?

_____ want to _____ if _____ faulty wiring can _____ check engine _____ to _____.

Is _____ persistent check _____ related to _____ wiring _____?

_____ problems _____ the check _____?

_____ a _____ wiring cause a _____ stay on?

_____ wiring cause _____ engine light to _____?

Is _____ check engine _____ wiring?

_____ a _____ issue the reason _____ engine _____ going out?

Is the illuminated check _____ wiring problem?

Is _____ check _____ light always _____ due _____ wiring?

_____ check engine light stay _____ there's _____ issue _____ the _____?

Is _____ a problem _____ that causes _____ engine light to _____?

Is _____ that _____ wiring problem keeps _____ check _____ light _____?

_____ faulty wiring _____ an _____ light _____?

Is a _____ issue _____ reason _____ light?

_____ check _____ might be due _____ a wiring _____.

_____ engine _____ stay _____ the problem is _____ wiring glitch?

Can _____ broken _____ the check _____ indicator _____ continue to _____?

Can _____ issue that will keep _____ check _____ on?

_____ the _____ light _____ on _____ are messed up?

Is it possible _____ wiring problem _____ the _____ doesn't go _____?

Is it _____ wiring _____ the check _____ to _____ on?

_____ a _____ problem cause _____ check engine light _____?

_____ a problem with _____ the illumination _____ engine light?

The check engine _____ does _____ go _____ of _____ wiring _____.

_____ the _____ remain glowing thanks _____ incorrect _____?

The _____ may _____ go off because _____ wiring problem.
 _____ wiring glitch _____ could make the engine _____ stay _____?
 _____ engine warning could be _____ by _____ problem.
 Did wiring _____ engine _____ to _____?
 _____ a check _____ up _____ to a _____ wire?
 _____ the _____ engine _____ illumination due _____ wiring _____?
 Can a wiring _____ be _____ the engine _____?
 There _____ a _____ that is _____ my check _____ turning off.
 _____ light remain _____ due to a wiring _____?
 _____ that a _____ issue causes the check _____ light _____ on?
 _____ a problem with the _____ keep _____ on?
 Is bad wiring _____ light _____ on?
 Is it possible _____ light is _____ because _____ a wiring problem?
 Is _____ light _____ because _____ poor wiring?
 Will _____ check _____ despite the wiring glitch?
 _____ the _____ light stay on because _____ wiring _____?
 Is _____ problem with the _____ that could _____ a _____ engine _____ stay _____?
 Is _____ engine light _____ there is a _____?
 _____ possible _____ a check _____ because of a wiring problem?
 Is it _____ engine _____ is _____ due to _____ wiring _____?
 _____ light may _____ on because of _____ problem.
 _____ it _____ that _____ check engine _____ because of a problem _____ wiring?
 _____ engine _____ stay _____ messed-up wires?
 Is it _____ the reason the check engine _____ go _____?
 _____ is it a _____ with _____ wiring?
 _____ wiring glitch _____ light to stay on?
 _____ a broken _____ check _____ to remain on?
 There is _____ problem _____ the _____ could _____ the check engine light _____.
 Is it possible _____ problematic wirings _____ in _____ for _____ check _____?
 _____ there _____ chance that _____ engine _____ is _____ out _____ of a _____ problem?
 _____ the check engine light stuck _____ of _____?
 Is it _____ for _____ check engine light _____ because of _____?
 _____ it _____ damage will _____ the _____ indicator on?
 A _____ keep the _____ sign up.
 _____ the light on the _____ light _____ to _____ wiring _____?
 There is a _____ the _____ engine _____ off because of a _____.
 Does an issue with _____ wiring _____ to _____ on?
 _____ wire _____ the _____ engine indicator _____?
 Is it _____ that the _____ light _____ illuminated by _____.
 _____ problem _____ check engine light?
 Can _____ constant _____ of my engine warning?
 Does a _____ light _____ there _____ a _____ wire in _____?
 _____ malfunctioning _____ engine _____ light on?
 _____ the engine _____ stayed _____ because _____ wires?
 Will the _____ stay on _____ of _____ flaw?
 Can _____ of my engine warning _____ wiring?
 Perhaps _____ check engine light _____ because of _____?
 Is _____ illuminated _____ engine light an _____ wiring _____?
 Will _____ check _____ stay _____ because of _____ wire _____?
 Can a broken wire _____ check engine _____ up _____?

Will _____ on if _____ malfunction?

_____ it possible _____ a wiring problem _____ check _____ light?

_____ malfunction _____ the _____ engine sign on display.

Can damage to _____ keep _____ dang _____ indicator _____?

_____ the engine _____ stay _____ is a _____ problem?

Is _____ check- _____ symbol _____ to _____ glowing _____ of _____ connections?

Is _____ signal prone to backlighting because _____?

_____ a wiring problem _____ behind the check engine _____ out?

Is the _____ engine _____ still _____ to faulty _____?

_____ engine _____ stay on _____ wires _____ messed up?

Is it _____ the check engine _____ because of _____ issue?

_____ check _____ light _____ go off, _____ a _____ problem?

_____ possible that _____ engine light stays on if _____ messed _____?

Does _____ light stay _____ is a wiring _____?

_____ is a _____ check engine light isn't _____ out _____ of a _____.

I _____ wondering if _____ the _____ of my check engine _____.

Is there a _____ wires that _____ the _____?

_____ faulty wiring _____ engine light _____ stay _____?

The check engine _____ might stay on _____.

Can the check _____ on _____ wiring?

Is _____ engine light _____ because _____ a wiring _____?

Is there _____ the _____ could _____ the check _____ light _____ stay on?

Does _____ cause _____ engine light _____ stay on?

Is _____ wiring issue _____ for my _____?

_____ the check _____ light stays _____ the _____ is _____ up?

Will _____ stay on constantly if there's a _____?

_____ check engine light _____ by _____ wiring.

_____ a problem _____ wiring _____ the check engine _____ on?

Did the _____ the _____ remain on?

Is a _____ with _____ of the engine light?

Is _____ possible _____ a _____ is _____ the _____ light not _____ off?

_____ cause constant _____ to the check engine _____?

Why the check _____ light _____ if there _____ a _____ wiring?

_____ that _____ light on because _____ bad _____?

Will _____ the wires _____ the check _____ on?

Is the check _____ having _____ up?

_____ light _____ on because _____ messed-up wires?

Do messed _____ keep _____ on?

Problems _____ wiring could _____ to _____ the ongoing engine _____.

Is check engine _____ because _____ bad _____?

_____ light stay on _____ there _____ a wiring glitch?

_____ bad _____ the _____ that the check _____ on?

Is _____ engine light on _____ of _____ are _____?

Is the engine check _____ to _____ wiring _____?

Will the _____ be _____ constantly _____ to _____ trouble?

_____ engine light stay on _____ to _____ glitch?

_____ engine light _____ on if a _____ happens?

_____ light _____ up due to a wiring _____?

Did messed _____ wires cause _____ engine _____ on?

_____ wiring make _____ check _____ stay on?

Is there _____ the _____ causes the check engine _____ to _____?

_____ a _____ wire _____ the _____ engine indicator to _____?

Can _____ stay on because of bad _____?

Is there any _____ with _____ wiring that _____ the _____ _____?

_____ check _____ remain _____ due to _____ trouble?

There could _____ a problem _____ wiring _____ cause _____ check _____ stay on.

_____ check _____ light _____ if the wiring is _____?

_____ check _____ light on _____ to bad _____?

_____ it possible that _____ a _____ problem _____ causes the _____ engine _____ to _____?

Is bad _____ reason _____ light _____ on?

The _____ illumination of my _____ engine _____ be _____ by _____.

_____ keep the check _____ on

Is the check engine _____ due to _____?

Can _____ wiring cause _____ check engine _____ illuminate _____?

I wonder _____ problem _____ the _____ engine light stays on.

Will _____ cause _____ check engine _____ to be _____ indefinitely?

_____ check engine _____ be _____ faulty wires.

Does a _____ check Engine _____?

Is it possible _____ messed up wires _____ stay _____?

Does _____ engine _____ if _____ is _____ issue with the _____?

Is _____ a _____ my _____ engine _____ by faulty wiring?

_____ possible that _____ result _____ backlighting for _____ Engine Check _____?

_____ could _____ the engine _____ stay on.

_____ light _____ on as a _____ of a _____ with the _____.

Could _____ wiring _____ the _____ to stay on?

_____ engine light _____ caused by _____ wiring problem.

_____ it _____ a wiring _____ causes the _____ to stay _____?

Is the _____ light stuck _____ because of _____ problem _____?

Will _____ check light _____ on _____ troubles?

_____ that a wiring issue _____ the _____ light _____ on?

_____ check engine _____ may _____ of _____ wiring problem.

Does _____ engine _____ on because of messed-up _____?

Is a _____ wiring _____ the check light _____?

_____ messed _____ wiring _____ the _____ engine _____ from _____ off?

Can _____ check engine _____ by bad _____?

_____ a _____ engine _____ stay on _____ electrical issue?

Is _____ engine _____ on _____ the wires _____ up?

_____ wiring _____ light in the _____ engine?

Does _____ check _____ on _____ of messed-up wiring?

_____ check engine light remain on _____ there _____ wiring _____?

_____ a wiring problem _____ the _____ of _____ light not going _____?

Will _____ check _____ on, if there is _____ glitch?

Is _____ engine _____ on _____ bad _____?

_____ possible that _____ check engine indicator _____ constantly illuminated because _____?

Will the _____ light _____ on constantly _____ wiring _____?

It is possible _____ engine _____ go _____ of a wiring _____.

Is the _____ engine _____ of messed _____ wiring?

_____ light still on _____ wiring?

_____ wiring _____ check engine _____ light up constantly?

_____ engine _____ might stay _____ up _____ to _____ wiring.

Can a _____ cause _____ check engine indicator _____?

Is the check _____ on _____ messed _____?

_____ problem the _____ the continuously illuminated engine _____?

Will the check _____ trouble?

Can a wiring issue cause _____ check _____?

I wonder _____ a _____ engine _____ is _____ bad _____.

Is _____ problematic _____ result in backlighting for our _____ check _____?

Will wiring _____ keep _____ light _____?

Does the check engine _____ if _____ is messed _____?

_____ that messed _____ keep _____ engine light on?

Can _____ check engine _____ stay _____ a problem with the _____?

_____ might keep the _____ sign displayed.

A bad _____ light up _____.

_____ the _____ light remain on after a _____?

Is there a _____ display because _____ wiring _____?

_____ check engine light _____ go _____ due _____ a _____ problem.

Is _____ wiring _____ the _____ the engine _____ on?

_____ check engine _____ on _____ of messed up _____?

_____ check engine lights stay _____ the wiring _____?

_____ engine light _____ on _____ if _____ a wiring glitch?

Does _____ light stays _____ are messed up?

Is the engine _____ on _____ messed up?

_____ wiring trouble allow _____ to _____ on?

_____ engine check _____ on _____ bad wiring?

_____ a malfunction of _____ the _____ engine light on?

_____ a check engine light _____ when _____ is _____?

_____ it _____ awiring problem _____ the _____ the check _____ stays on?

Can the _____ light stay _____ wiring _____ faulty?

_____ the engine _____ on because _____ a wiring _____.

Will _____ be displayed forever if _____ malfunctioned?

If _____ check engine _____ doesn't _____ is _____ of _____ wiring problem?

_____ problem _____ the wiring make _____ engine light _____?

Is it possible that a wiring _____ the _____?

_____ a _____ with _____ affect the visibility _____ check _____ light?

Can _____ check _____ light _____ due _____ a _____ problem?

Can the _____ on _____ of _____ fault _____ the wiring?

Does _____ check light stay _____ of _____ wiring _____?

_____ might result _____ lighting for our _____ check _____.

Can a _____ wire lead _____ lighting _____ indicator?

_____ it _____ that the check engine light _____ a _____ problem?

_____ wiring issue _____ the check engine _____ on?

Is the _____ engine _____ illumination _____ problems?

Does it _____ check _____ because of a wiring problem?

_____ a problem _____ the wiring that might cause _____ light _____ remain _____?

_____ that bad wiring _____ the check _____ to _____ illuminated?

_____ illuminated _____ light _____ by a wiring issue?

Will _____ engine _____ be displayed _____ a wire _____?

Does the engine light stay on even _____?

Can _____ the engine light _____?

It's _____ that _____ problem causes the check _____ on.

I wonder _____ is preventing _____ check _____ from turning off.
 _____ with wiring _____ the engine light _____?
 Is bad _____ reason _____ engine light _____?
 Can _____ check engine _____ stay _____ of _____ wiring?
 Bad wiring _____ cause _____ of _____ check _____ indicator.
 Will the _____ sign _____ there is _____ wire malfunction?
 Check engine _____ that?
 Is a wiring _____ the _____ the _____ is _____?
 _____ wiring _____ the check _____ warning _____ go on _____?
 _____ an _____ related to bad wiring?
 _____ light _____ if _____ trouble arises?
 I _____ a wiring issue is the _____ persistent _____ light.
 _____ wirings may cause _____ lighting _____ our _____ check _____.
 It's possible _____ problem is the _____ the check _____ is _____.
 It _____ possible _____ wiring _____ to blame for _____ light not going _____
 there _____ a wiring _____ will _____ engine light _____?
 Is _____ the _____ engine _____ isn't going _____ of a wiring _____?
 Was the check _____ of messed-up _____?
 _____ issue causing the _____ engine light?
 _____ broken wire cause the _____ come on continuously?
 Does _____ engine light stay on, _____ wires _____?
 _____ the check _____ light still _____ by an _____?
 _____ ongoing _____ engine light can _____ linked _____ wiring.
 Is bad _____ the reason _____ check _____ light _____?
 Will _____ sign remain displayed _____ of _____ wire _____?
 _____ light stay _____ there is a _____ glitch?
 _____ awiring issue cause _____ engine light to _____?
 Is _____ engine light _____ to messed up _____?
 An _____ check engine light _____ related _____ wiring.
 Will _____ check light _____ on even _____ trouble _____?
 Does _____ wiring _____ the _____ engine _____ to stay _____?
 _____ a constant engine _____ to _____ problems?
 _____ the check _____ on if _____ is wiring _____?
 _____ faulty _____ of the constant _____ of my check _____?
 _____ problem in _____ keep _____ check light on?
 Will _____ on because of an _____ problem?
 _____ electrical glitch keep _____ on?
 _____ wiring _____ the engine _____ always on?
 Can _____ broken wire lead to _____ lighting _____ the _____?
 It's _____ the _____ engine indicator to illuminate.
 Is a _____ engine _____ because _____ bad wire?
 _____ a faulty wiring _____ the check _____ on?
 Can bad wiring _____ check _____ indicator _____?
 Is it possible _____ wiring _____ will keep _____?
 Is the check _____ light _____ messed-up _____?
 _____ stay lit up _____ is a wiring glitch?
 Does the _____ on if _____ with the wiring?
 Will the _____ light stay on _____ wiring _____?
 Will _____ stupid _____ light stay _____ there's _____ glitch?
 _____ check _____ light is _____ because of bad wiring.

A _____ warning _____ caused _____ an electrical problem.
 Is _____ check engine _____ illuminated because _____ an _____?
 Is it _____ that _____ engine _____ isn't off because _____ a _____?
 Can the check _____ stay _____ because _____ wiring?
 Is _____ lit by bad _____?
 _____ a continuously illuminated _____ warning _____ electrical problem?
 _____ engine _____ stay on if _____ a faulty wiring?
 _____ a _____ light stay on if _____ wiring?
 _____ a problem _____ the wiring _____ the check _____ light _____?
 Will _____ light continue to illuminate if _____ a _____?
 Is _____ a _____ my _____ engine light?
 _____ there a _____ with _____ that _____ engine light to stay _____?
 _____ the _____ on despite _____ troubles?
 _____ that the _____ going out because _____ a wiring problem.
 _____ engine light _____ despite bad wiring?
 Can _____ broken wire _____ constant _____ the check _____?
 Is _____ wiring problem keeps _____ check _____ on?
 _____ the _____ check engine indicator stay on?
 Is it possible that messed _____ wires _____ the _____?
 Is _____ that _____ check engine light _____ lit because _____ a _____?
 Is _____ possible _____ wirings could _____ backlighting for our _____?
 Is _____ issue _____ cause of the _____ engine _____?
 _____ engine light _____ due _____ messed-up wires?
 _____ mean the check engine light _____?
 The _____ lit _____ when there is faulty _____.
 How about a _____ light _____ the _____?
 _____ effect on the check engine light?
 Is _____ check engine light caused _____?
 _____ check _____ light _____ with bad _____?
 Will _____ problem _____ the check _____ on?
 Can a _____ wire _____ the check engine indicator?
 Is there _____ wiring problem that _____ the _____ remain _____?
 _____ check engine _____ stay _____ if _____ is _____ electrical problem?
 I _____ if _____ issue _____ the engine _____ stay _____.
 _____ a _____ issue cause _____ check _____ light _____ stay _____
 _____ possible that _____ can _____ the _____ indicator on?
 _____ it _____ bad wiring causes the _____ engine indicator _____ on _____?
 Is _____ possible _____ wiring problem _____ the _____ of the _____ not _____ out?
 Is _____ wiring _____ the reason _____ engine light going _____?
 Bad _____ the _____ engine _____ to light up _____.
 _____ possible the check engine light is _____ issue?
 Can _____ wire _____ the _____ engine _____ to _____ always lit?
 The check _____ stays on _____ is an _____ wiring.
 The _____ engine light _____ on if _____ a _____.
 _____ possible _____ a wiring problem is why the check _____ does _____?
 Is a problem _____ responsible _____ the _____ of the _____?
 Is _____ possible _____ bad wiring causes the _____ to _____ constantly?
 Will flawed connections keep _____?
 Will the _____ on despite _____ with the _____?
 _____ the _____ engine _____ because of a _____?

Will the check light _____ if _____ the wiring?
 _____ there a _____ that _____ check engine light on?
 _____ there a _____ problem that _____ make _____ light stay _____?
 _____ check _____ light could be _____ of _____ problem.
 _____ that engine light _____ stay on?
 _____ wiring issue causing the engine _____ on?
 Is _____ cause the engine light to stay on?
 Is _____ possible _____ problematic _____ result _____ back lighting _____ check signal?
 The check engine light _____ if _____ a problem with _____.
 Can _____ broken _____ cause the _____ indicator _____ constantly _____?
 Does _____ check light _____ on because _____ wiring?
 Is it _____ the _____ light is _____ a _____ problem?
 _____ malfunctioning _____ cause the check engine _____ to _____?
 Why the check _____ light _____ on _____ the wiring _____?
 _____ wiring problem _____ the _____ engine light?
 Is _____ Light linked _____ bad _____?
 Can _____ constant _____ of _____ check _____ if _____ is a _____ wire?
 _____ that _____ is caused by a wiring problem?
 Is a _____ with _____ wiring _____ check light _____?
 I _____ wondering _____ wire _____ up the check _____.
 _____ illuminated check engine light _____ to a _____?
 _____ check engine light show _____ issue?
 _____ it possible _____ backlighting _____ Engine _____ signal _____ caused by problematic _____?
 Is _____ illuminated check _____ light _____ me _____ a _____?
 _____ check _____ be on due to _____ wiring _____.
 Will _____ stay on _____ wiring trouble?
 Will _____ light _____ on despite the _____?
 _____ you think _____ the _____ keep the _____ light on?
 Is a wiring _____ causes _____ light?
 Is the check engine _____ forever if _____?
 _____ check engine _____ constantly _____ due to bad _____?
 I _____ if _____ constant _____ the check engine indicator.
 The check _____ light may stay _____ wiring.
 _____ a _____ the wires that _____ cause _____ check _____ light to stay _____?
 _____ a constantly illuminated engine warning caused _____?
 _____ that stupid _____ light going _____ stay lit up _____ a _____?
 Is the check engine _____ lit _____ is _____?
 Will _____ be a _____ glitch _____ will keep the _____?
 Does the _____ stay _____ because of _____ up _____?
 _____ problems keeping the _____ on?
 Is it _____ that _____ damage _____ the check _____ indicator _____?
 A _____ wire _____ check engine.
 _____ issue _____ the check engine _____ related to a _____?
 Is there _____ light that _____ bad _____?
 Will the check light _____ on _____ a flaw _____?
 _____ wiring issue make the _____ stay _____?
 _____ it be that _____ check _____ light is _____ due _____ wiring _____?
 Is the illuminated check _____ to _____ problem?
 _____ check engine light stay _____ electrical problem?
 _____ could stay _____ the wiring _____ was not fixed.

_____ stay on if wires _____ messed _____?
 _____ faulty _____ of continuous illumination of _____ check engine _____?
 _____ broken _____ cause the check engine _____ lit continuously?
 Will _____ engine light _____ lit _____ an electrical _____?
 _____ it _____ that the check _____ light _____ go off because _____ a _____?
 _____ check engine _____ be on _____ up wiring.
 _____ a _____ problem _____ could cause _____ check _____ light _____ stay on?
 Is _____ engine _____ on _____ the wiring problem?
 Bad wiring is _____ illumination of the check _____.
 Is _____ possible that _____ check engine _____ on _____ wiring problem?
 _____ a _____ issue cause an _____ light _____ stay _____?
 _____ the check engine light _____ on because _____.
 The continuous _____ of my check _____ warning _____ by _____.
 Is the _____ illumination _____ my _____ due to _____?
 An _____ check _____ light might be _____ to _____.
 _____ the _____ stays on _____ there's a _____ with the _____?
 Is _____ that _____ causes the _____ engine _____ illuminate constantly?
 Is _____ going to stay _____ to _____ connections?
 Is there a possibility _____ the _____ is _____ out because _____ problem?
 _____ the _____ illumination _____ check engine warning _____ due _____ faulty _____?
 _____ it _____ that _____ problem may _____ keeping _____ engine check light _____?
 _____ wires affect the _____?
 _____ there a _____ wiring _____ might cause _____ check engine _____ to stay _____?
 _____ it mean _____ the _____ engine light is _____ a _____ problem?
 Can wire _____ make a check _____?
 Bad wiring lighting _____?
 _____ it _____ that incorrect _____ will _____ check-engine _____ glowing?
 The check _____ light _____ on _____ wiring problem _____ the _____.
 Does a check _____ there is _____ wiring problem?
 Is there _____ on _____ of messed-up wiring?
 _____ check engine light stay on _____ wiring _____?
 Is _____ wiring that _____ check-eng _____?
 Will _____ engine _____ stay _____ if there _____ glitch?
 _____ Friggin' _____ sign lit because of _____ up _____?
 Is _____ engine light _____ bad _____?
 Doesn't the _____ stay _____ if the _____ up?
 _____ wiring _____ the _____ light to _____?
 _____ lighting up _____ the _____ trouble indication _____ wiring issues?
 Does _____ wiring problem _____ the light _____ the _____?
 Is _____ persistent _____ engine _____ a _____?
