

[Demo] NLP Dataset for Customer Service Automation

Company Type	Car Dealerships
Inquiry Category	Technical issues and troubleshooting assistance
Inquiry Sub-Category	Brake system concerns
Description	Customers may require assistance diagnosing and rectifying brake-related problems, including squeaking or grinding noises, ineffective braking, or dashboard warnings, to ensure their vehicle meets safety standards.
Data Size	7,976 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Car Dealership" customer inquiry. (Purchased data will not be masked.)

____ does my ____ system emit a ____ prolonged ____ is it normal?
____ it ____ car's braking system ____ bad ____ downhill rides?
Is it ____ car to emit ____ burning odor ____ downhill?
____ car's ____ bad after ____ descents.
____ downhill ____ my ____ braking system releases ____ burning odor.
____ burning ____ to ____ my car's brakes during a ____ downhill drive?
____ from car brake system ____ is ____?
Is it expected ____ my ____ emits a burning ____ due to ____ brake ____ traverse ____ in ____ extended ____?
The ____ smell ____ long downhill ____.
Does ____ car's ____ system feel ____ after long ____?
____ burn after a ____ descent.
Is my car ____ to ____ a ____ odor ____ braking system ____ I ____?
____ it normal for ____ brakes ____ a ____ downhill descents?
Do you think I should be worried ____ burnt ____?
Is it ____ for ____ to ____ after going ____?
Is my ____ brake system giving off a ____ smell as ____?
____ does ____ brakes smell like ____ been ____ bomb ____ hills ____ long?
____ make ____ for my ____ brake system ____ smell ____ after a ____ downhill ____?
Can you ____ me ____ stink ____ so many downhill miles?
____ do downhill ____ a burning odor ____ brakes?
____ it normal for my vehicle ____ something ____ a ____ adventures?
____ in my ____ driving down hills.
Is ____ for ____ emit ____ burnt smell descending slopes?
Is ____ normal ____ burning ____ come from the ____ while I drive downhill?
____ do ____ descents have ____ odor ____ my brakes?
____ do my brakes smell like ____ scorched when I ____ for ____?
Is ____ my car's brakes start smelling ____ rides?
Is it normal ____ smell ____ something burning ____ a long, ____?

Is ____ okay that ____ emit a burning ____ a ____ of ____ descents?
 ____ it ____ for the ____ brakes to emit ____ smell ____ descents?
 ____ there ____ smell coming ____ vehicle's braking ____ after ____ downhill ride?
 ____ brakes emitting a ____ smell after ____ normal?
 ____ notice ____ burning scent coming ____ my car's ____ downhill drives.

Is it ____ for my ____ to ____ burning ____ driving ____?
 Is ____ my brake system to emit ____ when I ____ slopes ____ extended period of ____?
 The brakes ____ burning ____ the ____ downhill descents.

Should I be ____ burnt odor coming ____ my ____ braking ____ after a ____ downhill ____?
 ____ extended downward drives is ____ your ____ braking ____ to release?

Does my ____ system ____ burning ____ when it ____ downhill?
 ____ it normal ____ brakes to ____ a ____ after ____ hills?
 ____ it okay ____ braking system ____ make a ____ like burning ____ descent?

Why do ____ descents ____ burning odor to ____?
 Is the car brake ____?
 Is ____ for the ____ burn on steep slopes ____?
 Is ____ for a ____ from ____ brake ____ when driving ____ slopes?
 I ____ there ____ odor ____ from ____ vehicle's ____ system after a long downhill ____.

The ____ on ____ car ____ when ____ go ____.

Is ____ normal ____ my ____ smell bad ____ go downhill?
 ____ I ____ a burnt smell comes ____ vehicle's ____ after ____ downhill journeys?
 ____ driving down ____ causes ____ burning smell in ____ car ____?

Is it usual for ____ braking ____ to ____ an ____ burning when ____ navigate ____?
 ____ car's braking system ____ releasing a ____ long downhill drives?
 ____ it ____ sense ____ braking ____ creates ____ burning scent after ____ hills?

Why do the downhill ____ a burning ____ my ____?
 ____ brake ____ burning ____ long downhills.

I ____ to ____ why ____ stink after a ____ downhill miles.

If my brakes ____ smelling burnt ____ rides, ____ be ____?
 ____ smell from car ____?

Is my ____ brake system ____ off ____ due ____ repeated long ____?
 Is ____ normal ____ my brakes to ____ like they are burning ____ downhill ____ of ____?
 ____ it normal ____ brake ____ to emit a ____ I ____ down a ____ for a ____ time?

Burning ____ after long ____ on ____ car's ____?
 ____ downslopes, ____ brakes smell burned?
 ____ common ____ brakes to ____ odor when descending slopes?

Why ____ my car's ____ burning ____ after a long ____?
 Is ____ normal for ____ brakes ____ scent during extended ____ drives?
 On ____ is ____ from the ____ brake system.
 ____ it ____ to smell ____ they burned when ____ drive downhill?
 ____ normal for my ____ brakes to smell ____ for a ____ time?

Does it ____ that my car ____ burning smell ____ traverse ____ slopes in ____ extended ____?
 ____ my car's braking ____ creates a ____ descending ____ seem normal?

Do I ____ if ____ brakes ____ burnt after ____ ride?
 The car ____ burn ____ downhill.

After a ____ downhill ____ I notice ____ from my car's ____.

____ I be ____ from my car's ____ when ____ a long way down slopes?
 ____ it normal for ____ car to have ____ burning ____ the ____ system when ____ drive ____?

Is it ____ car ____ when I ____ downhill?
 ____ for ____ car's braking ____ emit a smell after ____ downhill descent?

If my _____ a burned scent _____ hills, _____ make sense?
 _____ it _____ the braking system to _____ aroma _____ burning _____ I _____ down _____ for an extended _____?
 _____ for my _____ brakes to _____ a scent down the _____?
 Is it _____ my car's _____ to _____ burning _____ after long _____ drives?
 My _____ braking _____ a burning smell after _____ is _____?
 I _____ long downhill descents create a _____ odor in _____.
 Is _____ normal _____ system to emit a _____ odor _____ it goes _____?
 Is _____ normal for a _____ odor to _____ system on _____ drives?
 _____ driving causes a burning _____ in _____ right?
 Is _____ burning odor coming _____ braking _____ car _____ down?
 _____ a burning odor _____ the brake system?
 _____ it normal _____ vehicle _____ be _____ of _____ burning following a _____ downhill _____?
 _____ does _____ of a _____ from my car's braking apparatus _____ go _____?
 Does _____ seem normal that my _____ braking _____ creates _____ hills?
 _____ normal for _____ to create _____ burning _____ after _____ long downhill?
 _____ it typical that _____ car's braking _____ a burned _____ descending _____?
 Is _____ normal _____ my car's _____ to _____ a burning _____ after a _____?
 I noticed a burning scent _____ brake _____ a _____ downhill _____.
 Should _____ brakes smell burnt _____ long _____?
 Should I _____ worried _____ my brakes _____ smelling _____ after _____?
 I wonder _____ it's normal _____ my car's _____ system _____ burned scent _____.
 _____ my _____ emitting a burnt _____ the long _____ descents?
 Is _____ problem if _____ brakes _____ smelling burnt _____ a _____?
 _____ car's brake system give off a burned _____?
 _____ to explain why _____ brakes _____ after _____ bunch _____ downhill miles?
 _____ the _____ burning in _____ car when I _____?
 After _____ long _____ drive, _____ car's _____ release _____ odor.
 A burn _____ brake after _____?
 Is there _____ odor coming from the _____ when _____ goes _____?
 Is it _____ braking _____ make a _____ resembling burning _____ long descent?
 _____ smell burning after _____ descents.
 Is _____ a burning _____ to come from _____ braking _____ downhill rides?
 Is it _____ my _____ brakes _____ like _____ burning _____ driving downhill?
 _____ my car _____ down, is _____ to _____ a _____ the brakes?
 Is it normal _____ to _____ after descending slopes?
 _____ it expected _____ car emits _____ I go down the hill _____ extended manner?
 _____ smells _____ drives _____ my car's brake system.
 _____ it normal _____ brakes after _____ downhill?
 The brakes smell _____ after _____.
 _____ driving _____ my _____ brakes _____.
 Do you _____ car's braking _____ emits a _____ scent _____ descending hills?
 Is _____ my _____ system to _____ burning scent _____ drive down _____ hill _____ a _____ period of time?
 Burn _____ car _____ after descending?
 Does my _____ brake system _____ be _____ after _____ long _____ descent?
 I _____ if _____ normal _____ produce a burning _____ down steep _____.
 It _____ like the _____ burning _____ going _____.
 After _____ drives, _____ car's _____ release a _____ odor.
 Is it _____ that the _____ produce _____ smell _____ I _____ down _____?
 Is it okay _____ my car's _____ smell _____ a _____ descent?
 _____ car's brakes smell _____ downslopes.

____ it normal ____ the ____ to ____ burning ____ vehicle ____ driven down steep hills?
 ____ it ____ a ____ come from my car's ____ system ____ long ____ drives?
 Is ____ normal ____ emit a ____ smell after a long ____?
 Is it ____ the brakes to ____ an ____ when I ____ steep ____?
 Is it normal ____ car ____ burn a ____ slopes?
 When I ____ a burning scent ____ for ____?
 When ____ down ____ for an extended ____ time, ____ burning scent coming from ____ brakes.
 ____ it ____ for ____ to smell ____ long downhill descent?
 Is ____ my car's ____ odor during extended downhill descents?
 ____ brakes ____ a burned ____ to repeated long declines?
 ____ from car brakes after ____?
 ____ car ____ smell burnt ____ downhill ride.
 ____ brakes ____ burn out ____ I drive down ____?
 ____ it ____ my car's brakes ____ a ____ after descending hills?
 Do ____ burning smell from ____ brakes?
 The car's ____ burnt scent ____.
 Cars ____ smell burning ____ downhill ____.
 ____ it normal for ____ car's ____ emit ____ burning odor during ____ descents?
 I ____ if my ____ brake system was ____ burned smell due to ____.
 Should ____ be concerned about ____ odor ____ car's ____ when ____ a hill?
 ____ it normal for ____ vehicle's brakes ____ emit ____ burning ____ a ____ downhill ____?
 ____ brake system ____ a burned ____ is it ____ of ____ long declines?
 Is it ____ for ____ a ____ odor ____ going downhill?
 ____ my braking ____ a burning scent ____ going down hills?
 Why ____ my brakes ____ they have been scorched ____ down ____?
 ____ normal for my ____ to make ____ burning ____ I drive down ____?
 ____ normal for ____ system to emit ____ burning odor during ____ downhill ____?
 ____ causes a ____ car brakes ____ I drive ____ hills?
 Is it normal for ____ to ____ a burning ____ when ____ vehicle ____ steep ____?
 During long downhill ____ brake ____ a burnt ____?
 Is it ____ for your ____ system ____ burnt smell on ____?
 Repeated ____ may be ____ my car's ____ give off ____ aroma.
 ____ is burning ____ brakes ____ downward drives.
 The ____ on the ____ smell ____ going ____.
 ____ for my car's brake system ____ emit a ____ a ____ downhill ____?
 Is my car's ____ system ____ a ____ smell ____ should ____ long ____ descent?
 Is the ____ brakes expected when ____ car goes ____?
 I ____ burning ____ from my ____ after ____.
 ____ that my ____ brake system is ____ burnt ____ after ____ downhill descent?
 Is ____ normal ____ my ____ braking mechanism to make a ____ gradients?
 ____ it ____ that ____ emit a ____ when downhill?
 Is ____ normal that ____ brakes produce a ____ scent when my ____?
 Is it normal ____ an aroma resembling burning, ____ I ____ steep grades?
 ____ be ____ if my ____ smelling ____ after a ____ ride?
 Why ____ my ____ when ____ go downhill?
 ____ it ____ for ____ brakes ____ smell ____ burning when ____ drive downhill?
 I ____ scent coming ____ car's brakes after ____ downhill ____.
 ____ if ____ car's ____ system emits ____ burnt smell after ____ descents.
 Is it common for my vehicle's braking ____ descents?
 There ____ burning ____ from ____ car ____ system on _____.

Is _____ burnt out after _____ long _____ ?
 _____ smell _____ Brake _____ Downhill?
 _____ it _____ for _____ car's _____ system to make _____ odor _____ downhill?
 Should _____ braking system to _____ a smell like burning _____ a _____ ?
 Is _____ that my _____ brakes emit a burning _____ ?
 Is it _____ to _____ smell _____ after a long descent?
 Why _____ brakes stink _____ lots _____ downhill _____ ?
 Is it normal _____ car to produce a _____ brakes _____ drive down the _____ ?
 Burning smell _____ drives _____ brakes?
 _____ smell _____ car Brake _____ Downhill _____ ?
 Is _____ expected _____ emits a burning _____ when _____ down slopes _____ in _____ ?
 _____ do my brakes _____ high _____ a lot _____ downhill _____ ?
 Is _____ ok for _____ smell burnt after _____ descents?
 Burning smell _____ long _____ on my _____ brake _____ normal?
 _____ to _____ concerned about the burning smell _____ my brakes _____ ?
 _____ there _____ burnt smell _____ from my vehicle's _____ downhill trip?
 _____ system make _____ burning smell after a long downhill _____ ?
 Is _____ for _____ car's braking system _____ a _____ odor during _____ ?
 Is _____ for a burning _____ to _____ my car during _____ ?
 _____ it okay for _____ brakes to emit _____ burning smell _____ a _____ ?
 Is it normal for the _____ a burning scent _____ I _____ ?
 Is it _____ my _____ system _____ create _____ like burning after _____ descents?
 _____ does _____ brakes _____ bad _____ I drive down _____ ?
 The _____ brakes _____ on _____ .
 _____ my brakes to smell _____ after a _____ descent?
 Is _____ that brakes give off _____ extended _____ drives?
 The _____ car smell bad _____ long _____ descent.
 Should _____ system _____ cause _____ smell _____ to burning after a _____ descent?
 _____ my _____ brakes smell bad _____ down hills?
 _____ it _____ a _____ to _____ a burning scent _____ steep hills?
 _____ to _____ why my brakes stink _____ a _____ miles.
 _____ downhill _____ my _____ brake _____ burnt scent.
 Is it _____ that _____ brakes _____ heaven after _____ miles?
 Why does _____ brakes stink _____ a lot _____ ?
 Is _____ for _____ burning odor to _____ my _____ brakes during _____ ?
 _____ system _____ emits fumes during long downhill _____ .
 Is _____ normal for my car _____ burnt _____ downhill?
 _____ it _____ that my car _____ burning _____ I traverse down slopes _____ way?
 _____ it _____ that my car's _____ burnt _____ long downhill _____ ?
 _____ the _____ the brakes normal after a _____ ?
 Is _____ normal _____ systems _____ a burnt odor _____ slopes?
 Is _____ my car to have _____ smell _____ downhill?
 If _____ car's brakes _____ smelling _____ after _____ downhill _____ I _____ ?
 Do _____ drives cause _____ to _____ ?
 Can my _____ a burning smell due _____ ?
 Do _____ drives _____ burn?
 I _____ if my car's _____ system _____ a _____ odor _____ drives.
 _____ brakes _____ when driving downhill.
 _____ it _____ if downhill _____ cause _____ car brakes to _____ a _____ ?
 _____ a smell coming from _____ car's _____ apparatus _____ downhill.

_____ my ride smell of burning _____ after _____?
 _____ if it _____ normal _____ brakes _____ emit a burning _____ during _____ descents.
 _____ brakes give _____ a burned smell _____ of repeated _____?
 _____ it _____ for _____ brake system _____ stink after _____ descents?
 If _____ car's _____ produce _____ after descending _____ it seem normal?
 Is _____ normal _____ the _____ car to _____ when I go _____?
 _____ downhill descents create _____ burning odor _____ system?
 Is _____ ok for _____ brake system to _____ burned _____ downhill _____?
 Does my _____ a burning scent _____ descend _____?
 Why _____ brakes _____ after _____ long _____?
 I was wondering _____ was _____ for _____ after going downhill.
 _____ wonder _____ my car's _____ off _____ burned smell _____ of repeated long _____.
 _____ it necessary for _____ brake system _____ burnt _____ long downhill _____?
 Is it normal _____ car's braking system to _____ downhill _____?
 _____ car's brakes _____ scent during extended _____ drives.
 _____ braking system _____ a burning _____ downhill descents.
 Car's _____ burn _____ long _____.
 _____ it normal for my _____ emit a _____ I traverse _____ in an _____ manner?
 I notice _____ burning scent coming _____ brake system _____ drive.
 Burn _____ brake after _____?
 the brakes _____ after long _____
 The _____ smell _____ my car's braking apparatus is the result _____ excessive _____ going _____.
 How _____ give _____ during extended downward drives?
 _____ the _____ a burnt odor _____ slopes?
 I _____ wondering _____ a burnt _____ coming from _____ braking system _____ downhill journeys.
 _____ a long _____ descent, _____ bad?
 _____ long downhill _____ my car's _____ emit _____ is it normal?
 Is _____ the brakes normal after a _____?
 _____ think _____ smell from _____ is normal after _____ downhill _____?
 _____ a burning smell _____ after extended downhill descents.
 Is _____ burning odor _____ my car's braking system _____ long downhill _____?
 _____ long _____ may _____ causing _____ car's _____ system _____ off a _____ smell.
 Is it _____ for _____ vehicle's _____ a _____ smell _____ a _____ downhill.
 Why do my brakes _____ they've _____ when _____ hills for _____ long _____?
 Is _____ normal for my car _____ emit _____ burning smell from its _____ the _____?
 _____ smell coming _____ the brakes _____ after a _____?
 I _____ if _____ normal _____ system to emit _____ burning odor during _____ downhill descents.
 _____ it _____ to burn a scent _____ I _____?
 Is it _____ for my vehicle's brakes to produce _____ burning _____?
 Is it normal for my car _____ emit _____ smell from _____ system _____ a _____?
 _____ my car's brakes release _____ burning _____ long _____?
 Is _____ the braking _____ in _____ vehicle to _____ a scent when _____?
 I _____ know if _____ brakes _____ burning odor _____ long _____ drives.
 Do I _____ if _____ start smelling burnt _____ downhill _____?
 _____ be _____ about my _____ after downhill rides?
 Is _____ braking _____ discharge _____ smell resembling burning when _____ go _____ steep grades?
 _____ a burning _____ brakes when driving downhill.
 There _____ long _____ make my _____ brakes emit a _____.
 If my brakes _____ burnt after _____ should _____ worried?
 Is _____ possible _____ car's brakes are emitting _____ smell after _____ long _____?

_____ burning smell ok for _____ I _____ downhill?
 Should I _____ if _____ brakes _____ start _____ burnt after a downhill _____?
 Is the _____ my _____ normal when _____ hills?
 _____ the smell of my _____ something _____ be happening after _____ long downhill descent?
 Is _____ normal _____ my _____ to _____ a _____ smell when _____ downhill _____ extended _____?
 _____ it normal for _____ system _____ emit _____ burning scent _____ descending _____?
 _____ wondering if _____ car's brake system _____ off a burned _____ to _____ long _____.
 Normal _____ vehicle's brakes _____ give off a _____ scent _____ slopes?
 Is it normal _____ emit a _____ when _____ descend hills?
 Should _____ expect my car's _____ create a _____ to burning _____?
 _____ it _____ the brakes emit a _____ drive _____ steep hills?
 _____ my car's brake system _____ burnt _____ long downhill descent?
 Is _____ burning _____ coming _____ the braking system _____ goes downhill?
 _____ it _____ for my _____ smell _____ from _____ system when I drive _____?
 _____ long _____ the _____ is burning.
 Burn smell _____ car _____ after descending _____?
 Is it _____ to emit a burning odor _____?
 During extended downward _____ why does brakes _____?
 Why _____ long _____ a burning smell in _____ brake _____?
 Is it _____ for my _____ like it's _____ driving _____?
 Is _____ ok _____ car's _____ system _____ smell _____ after _____ downhill descents?
 _____ there _____ odor coming from my _____ braking system _____ long _____?
 After a long downhill _____ scent _____ from _____ brake system
 _____ my _____ smell bad _____ go downhill, because of _____?
 Is _____ normal _____ to emit burnt _____ downhill?
 Does it _____ sense that _____ burn a scent _____?
 A _____ odor in my brake _____ by _____ descents.
 Is _____ normal _____ the _____ to create a _____ driving _____ steep _____?
 _____ have to _____ about _____ smell coming _____ my vehicle's _____ after a long _____?
 _____ this _____ because my car _____ emit a _____ smell _____?
 Is my car's brakes giving off _____ because _____?
 _____ it _____ brakes burn on _____ slopes?
 After going _____ smell _____ they're burning.
 I _____ brakes smell like _____ when I bomb down _____.
 _____ know if it's normal for my _____ brakes _____ going _____.
 _____ okay that my _____ brakes _____ a _____ smell when _____?
 I _____ understand why my brakes _____ so _____ when I bomb _____.
 Is it _____ my vehicle _____ a burning _____ when _____?
 _____ normal for my _____ smell _____ they're burning _____ driving downhill for _____?
 My _____ makes a burning smell _____ long _____.
 Is it _____ braking system to release an aroma _____ to burning _____ navigate _____?
 _____ it normal for _____ vehicle's _____ make _____ burning scent _____ downhill _____?
 _____ brakes smell _____ after _____ long _____ drive, is that _____?
 _____ it _____ my brakes _____ emit _____ burning _____ descending hills.
 _____ it _____ for _____ car's braking system _____ make _____ odor _____ downhill _____?
 _____ of burning brakes after _____ descents?
 _____ it okay that _____ car _____ a _____ smell when _____?
 _____ wonder if my car's _____ off a burned _____ to _____.
 _____ standard that _____ burning smell comes _____ after extended _____ descents?
 _____ sure why _____ create a burning odor _____ brake _____.

_____ normal for the braking _____ to emit _____ scent when descending _____?
 Is it _____ brake system to _____ a scent _____ drive _____ for a _____?
 Should _____ be _____ about the _____ my car's _____ when I _____ slopes?
 Is _____ common for _____ brake _____ to _____ burning odor _____ long downhill _____?
 Is it _____ the _____ to emit an aroma _____ to _____ going down _____?
 _____ not sure why _____ brakes stink after a _____.
 Is it _____ for my car to _____ downhill?
 _____ it _____ for my brake _____ a _____ I drive down _____ slope?
 Is _____ normal for a _____ to _____ from _____ brakes _____ a _____ descent?
 _____ it _____ the car's _____ to _____ a _____ odor after _____ downhill drives?
 Is _____ to smell when I drive downhill?
 _____ smells _____ when _____ brakes downhill.
 _____ car's _____ burn _____ a _____ downhill _____.
 _____ drives cause _____ burning scent _____ the brake _____?
 I was _____ if it was normal _____ car's brakes _____ bad _____.
 _____ it normal _____ my car to have _____ from _____ I drive down the _____?
 Is it _____ for _____ brakes _____ a burning _____ descending?
 _____ brake system giving off a _____ because _____ repeated long _____?
 Is my car's _____ for _____ smell _____ long _____ descents?
 _____ proper for _____ burning smell _____ brakes after a _____ downhill _____?
 Should _____ be _____ burnt _____ coming from my _____ braking system _____ long downhill _____?
 _____ car's _____ normal for _____ emit _____ burning _____ a long downhill descent?
 Why _____ my brakes smell like _____ been _____ when _____ down hills _____ long _____?
 Does _____ that my car _____ burning _____ due _____ brake system _____ I _____ the slopes?
 The _____ on _____ car _____ going down _____.
 _____ car _____ smell _____ going downhill.
 Is it _____ the brakes in _____ to emit a _____?
 _____ odor coming _____ car's _____ downhill rides?
 I _____ why my brakes smell _____ every _____ bomb down _____.
 Why does my brakes _____ so _____ bomb down _____ long?
 Is _____ my _____ to _____ out after driving downhill _____ long time?
 Is _____ car's brake system emitting _____ after a _____?
 After _____ long _____ descent _____ system emits a _____ smell, is _____?
 _____ wonder if _____ burning _____ coming _____ supposed to happen after long downhill drives.
 Is _____ normal _____ my _____ brake system _____ during downhill descents?
 Is _____ normal for the braking _____ emit _____ descending hills?
 Is the burning scent of _____ drive _____ steep _____?
 Why do the downhill _____ a _____ in _____ system?
 Is _____ my car's brakes _____ after a _____?
 _____ smell in _____ car brakes _____ driving _____ for _____.
 Is _____ normal for my _____ system _____ emit _____ burning smell _____ drive?
 Is there _____ coming _____ vehicle's brakes after long _____?
 Is _____ brake system of my _____ a _____ a _____ descent?
 _____ it normal _____ burning rubber after a long downhill trip?
 I want _____ my car's brake _____ is _____ off _____ smell due to _____ declines.
 Does _____ for a _____ smell _____ my _____ brakes after _____ extended downhill descent?
 _____ it normal _____ my car _____ a burning _____ from _____ system _____ driving _____?
 _____ descent, _____ the smell from _____ brakes normal?
 Is the burnt _____ from _____ brakes _____ after _____?
 During _____ my brakes _____ scent.

On long _____ car brake system _____ odor.

Is it a _____ my _____ system _____ emit a _____ odor _____ downward drives?

_____ it normal for _____ smell _____ car's brakes after extended _____ descents?

I _____ why _____ emit _____ burning _____ a long downhill descent.

_____ normal _____ my car's _____ system _____ a burning scent _____ descending _____?

Is _____ usual for the braking system to discharge _____ aroma _____ down _____ for _____ long _____?

Is _____ burning _____ brake _____ caused _____ long downhill descents?

_____ it _____ for _____ brakes to _____ burning _____ during long _____ descents?

Why do _____ downhills _____ odor in my _____?

_____ happen often for _____ vehicle's braking _____ create a _____ after _____ long _____?

There is a _____ smell _____ downhill descents.

I wonder if it's _____ my _____ brakes to _____ when _____ for _____.

_____ it seem _____ my car's braking system _____ a _____ descending _____?

Is _____ normal for car _____ to _____ burnt _____ drive?

_____ you _____ why my _____ in high _____ after _____ many _____ miles?

Is it _____ problem for _____ to smell burnt _____ long _____?

Is it normal _____ there to be a _____ scent from _____ when _____ extended period _____ time?

Does _____ burnt _____ car's brake _____ from the _____ descents?

_____ smell _____ after long downhill _____?

_____ for my car's brakes _____ is burning after it goes _____?

What _____ my _____ of burning brakes _____ descents?

Why _____ long _____ descents create a _____ in _____?

The car's _____ smell _____ a long _____.

_____ usual for the _____ smell when _____ go down steep grades for a _____ time?

When _____ hills extensively, _____ it normal _____ brake system _____ burning _____?

_____ brake _____ emitting a _____ should be happening after a _____ downhill _____?

Burning odor _____ brake _____ long _____ is _____?

Is it because of _____ burning _____ descents?

During long _____ drives, _____ system _____ burnt scent.

_____ my car's _____ normal for _____ to emit _____ burning _____ after _____?

Is the smell _____ a long downhill _____?

Burn smell _____ a downhill?

_____ normal _____ the _____ off _____ burnt _____ after lengthy downward _____ right?

_____ you _____ why my brakes stink _____ downhill _____?

Is _____ for my car's _____ to create _____ burning _____ long _____?

_____ do downhill _____ a burn in _____ system?

_____ smell of burnt brakes _____ long downhill _____?

_____ normal _____ my _____ to _____ a burning scent when _____ descend hills _____?

Is it _____ my car's _____ create _____ smell resembling _____ long _____?

Is _____ car's brake _____ ok _____ smell _____ long downhill _____?

What causes _____ brakes _____ burn when _____ hills?

Is _____ normal _____ car's _____ smell _____ long downslopes?

_____ it normal for _____ smell like something is _____ after _____?

Do _____ brakes emit a burning smell _____ the _____?

_____ is there a burning odor _____ the brakes?

Why do _____ smell of _____ long descents?

_____ it _____ for _____ car's _____ system to _____ burnt _____ downhill descents?

_____ for my _____ braking mechanism to produce _____ smell _____ long downhill?

_____ brakes _____ burning _____ a downhill _____.

_____ my car _____ supposed _____ have a _____ from the brakes?

_____ you tell _____ my brakes stink _____ downhill miles?
 Is it _____ for the _____ system to _____ burning when I _____ down _____?
 Does it _____ sense to have a _____ smell _____ my vehicle's _____ long _____?
 _____ it normal for my car to _____ burning _____ down the slopes _____ extended _____?
 Is _____ a _____ brakes when my _____ goes down?
 If my _____ a _____ scent _____ hills, does it _____ normal?
 _____ long downhill descent, the _____?
 I _____ a _____ from _____ car's brake system after a long downhill drive, _____?
 _____ downhill drives, _____ car's _____ system _____ burnt _____?
 How come _____ burning _____ my brake system?
 _____ for my car's brake _____ to _____ burnt _____ during _____ drives?
 _____ a burning odor _____ my _____ I go downhill.
 Is it _____ for _____ a burning scent _____ descents?
 _____ for my car _____ smell _____ when _____ brake downhill?
 Is my _____ brake _____ smell like _____ should _____ after long _____ descents?
 Is it standard _____ a _____ to come _____ after _____ downhill descents?
 _____ ride _____ of burning _____ after a long descent?
 _____ my _____ emit a _____ when _____ hills?
 I don't understand _____ stinks of _____ after long _____.
 Is _____ normal _____ system to emit _____ burning _____ on _____ hills?
 _____ brakes _____ car smell burning _____.
 Is it _____ to _____ burnt brakes _____ downhill _____?
 I notice a burning _____ my _____ brake system _____ drive.
 _____ acceptable for _____ car _____ a smell similar to _____ after _____ descent?
 _____ long downhill _____ the brake system _____.
 _____ worried if there _____ a burnt odor coming from _____ long _____ journeys?
 After downhill _____ the _____ burnt?
 Is it common _____ brakes to emit _____ while _____?
 _____ common _____ my car's _____ to emit _____ burning _____ during downhill _____?
 Why do my brakes _____ like _____ scorched _____ I bomb _____?
 _____ burning smell _____ from _____ brakes during downhill _____.
 _____ alright _____ my _____ smell burned after long _____ descents?
 _____ smell _____ after a _____ descent?
 _____ vehicle's _____ to give _____ a burnt _____ after a _____ descent?
 After _____ is the _____ burnt _____ normal?
 If my car's brakes start _____ downhill rides, _____?
 I notice a burning smell _____ my _____ brake _____ downhill _____.
 _____ brake downhill, my _____ burnt?
 Is it _____ my _____ brakes _____ create _____ smell similar _____ burning _____ I _____?
 What causes _____ car brakes _____ up _____ down hills?
 _____ think the smell from _____ after _____ descents is _____?
 _____ worried _____ odor from my _____ brakes when I _____ long _____ down slopes?
 _____ notice _____ coming from the _____ brake _____ after _____ long _____ drive.
 _____ burning after _____ go downhill.
 My brakes emit _____ burning scent _____ is that _____?
 I wonder if it's normal if my _____ a burned _____.
 Is it _____ for _____ a burning scent _____ descending _____ extensively?
 _____ smell _____ after _____ downhill descents.
 _____ do _____ burning _____ in my brake system?
 After downhill _____ smell _____ the _____ normal?

Why _____ my _____ burning _____ driving down hills?

Is _____ normal for _____ car's _____ to go _____ after going _____?

I _____ a _____ coming from _____ car's _____ a _____ downhill drive.

_____ normal _____ system _____ similar to burning when I go down steep grades?

_____ normal for _____ brakes _____ emit _____ burning scent _____ hills?

Is it normal for _____ emit _____ scent as I _____ slopes?

Should I be _____ the _____ smell _____ after downhill?

Is it normal _____ the _____ to _____ smell _____ I travel down _____ grades _____ an extended _____?

Does _____ often for my _____ brakes _____ burning smell after a _____?

Is it safe _____ my _____ smell burnt after a _____?

_____ system giving off _____ burned _____ due _____ repeated long declines?

_____ I be worried _____ there _____ burnt smell coming from _____ vehicle's _____ downhill _____?

Is _____ normal for _____ to emit a _____ smell from _____ system _____ driving _____ the _____?

_____ downhill drives my _____ brake _____ burnt scent.

_____ causes a burning _____ in _____ brake _____?

_____ normal _____ my _____ system emits a _____ scent _____ the _____ for a long time?

Is it normal for car brakes _____ drive _____?

_____ it common for my car _____ a _____ after _____ drives?

_____ for my _____ brakes _____ like they're burning after driving downhill _____ extended _____?

_____ causes my _____ to burn _____ when I _____?

Should _____ be concerned _____ the burned odors _____ car's brakes _____ down _____?

The _____ smell bad _____ long downhill descent.

_____ had _____ burning _____ in _____ car _____ driving down hills.

_____ for _____ brake system to emit a _____ when _____ drive _____?

_____ for _____ car _____ a burning scent _____ I brake downhill?

_____ a _____ my _____ braking _____ produce a burning smell?

Is _____ normal _____ my brakes emit _____ burning _____ hills?

Should _____ worried if _____ smelling burnt _____ a downhill _____?

Is _____ normal for _____ car _____ emit _____ when I go down _____ slopes _____ extended _____?

_____ brakes _____ burned on _____ slopes.

_____ I _____ if my vehicle's braking _____ burnt _____ a long downhill _____?

_____ smell coming _____ braking _____ when _____ car goes down?

I wonder if _____ car's _____ system is _____ scent because _____ declines.

_____ it _____ my car's braking _____ a _____ after descending hills?

_____ car smelling burnt _____ I _____?

Is it standard _____ a burning _____ come from _____ brakes _____ descents?

Is _____ acceptable _____ car to create _____ smell like _____ after _____?

Repeated long _____ cause _____ car's _____ give off a _____ smell.

_____ downhill _____ cause _____ scent in the brake _____.

_____ common with my car if _____ steep _____?

Is it normal _____ to emit _____ scent after driving down the _____ for _____ time?

Is it regular _____ my _____ to have _____ burn _____?

Is _____ normal for the braking systems _____ smell _____ slopes?

_____ on long downward _____ normal _____ your _____ braking system to _____?

_____ it normal for the braking _____ an _____ burning when I navigate _____ grades _____ a _____?

_____ burning _____ from my car's brake _____ after a long _____.

Is my _____ brakes _____ off _____ burned _____ repeated declines?

After _____ descent, the _____ burning?

Is it _____ for _____ car's _____ smell akin to burning _____ long descent?

_____ the _____ smell from _____ brakes _____ a downhill _____?

_____ for _____ vehicle's brakes _____ a burning scent _____ driving down _____?

_____ car brakes _____ downhill descend?

Is it normal for _____ my car's brakes _____ downhill _____?

_____ standard for a _____ to _____ my vehicle's brakes _____ an _____ downhill _____?

_____ my _____ system _____ to _____ a burnt smell after _____ descents?

Is _____ ok _____ car's _____ system to create _____ to burning _____ a long _____?

_____ car brake _____ a long downhill drive?

_____ does my brakes smell like _____ scorched _____ hills for _____?

_____ car's _____ emitting a _____ when I go downhill?

_____ normal for _____ car's brakes to smell _____ going _____?

_____ my _____ bad _____ I _____ down hills for _____ period of time?

_____ it _____ for my _____ to _____ scent when _____ go downhill?

Do the brakes _____ burnt smell _____ descent?

I wonder if _____ car's brake system _____ smell after _____?

_____ it okay _____ my _____ brakes _____ create a _____ to burning _____ descents?

_____ it normal _____ a burning smell _____ from the _____ extended _____ drives?

Is it _____ the _____ braking system to _____ odor _____ downhill _____?

A _____ smell _____ after going _____.

_____ vehicle's _____ mechanism _____ a burning smell after a long downhill?

_____ the smell _____ brakes normal _____ descent?

Should _____ expect _____ car's _____ smell similar to burning, after _____ long _____?

_____ normal for _____ car's brakes _____ burning _____ going downhill for _____?

Is _____ for _____ car's _____ to emit a _____ scent _____ hills?

_____ it make sense _____ a _____ aroma _____ my vehicle's _____ after _____ descents?

_____ do _____ brakes smell so _____ bomb down _____ hills _____ long?

Why _____ my _____ smell bad _____?

Is _____ unusual _____ my car's _____ to produce a _____ hills?

_____ it normal for _____ to _____ a burning _____ drive it _____ slopes?

Is _____ normal for _____ off burning _____ in _____ drives?

_____ burning smell in _____ driving down hills.

Is _____ the car brakes _____ smell during _____ descents?

Is it normal for _____ burning _____ brakes _____ long _____ descent?

Is _____ brake system _____ off a burnt _____ to _____ declines?

_____ normal for the braking _____ to make a _____ when _____ go _____ steep grades _____ time?

_____ long _____ there _____ odor from the car brake _____.

Can my brake _____ a _____ when descending _____?

Is it _____ brake system emits a _____ scent _____ the slopes _____ long _____ of time?

_____ it _____ for _____ car _____ burnt odors during _____?

Is _____ normal for my brakes _____ are _____ after _____ downhill?

I _____ burning _____ after I drive down hills.

Is it _____ for _____ braking system to _____ scent _____ descents.

_____ is a _____ odor from car _____ system _____.

The _____ of my car _____ during long downhill _____.

Should _____ expect my car's _____ to cause a smell _____ a _____?

During _____ downhill _____ system _____ scent.

The car's _____ burned on _____.

The _____ stink when _____ normal?

_____ car's _____ emit a _____ after a _____ downhill _____.

_____ brakes smell _____ they've _____ burned when I _____ down hills _____ long?

Is it _____ for my car's _____ system _____ burning _____ drives?

Is it normal ____ the ____ to ____ a burnt ____?

Is ____ expected that my ____ emits a burning smell when ____?

Does it make ____ system to create a ____ burning after ____ long ____?

Is it ____ car's ____ to smell ____ after driving ____?

After ____ down ____ what causes ____ smell ____ my ____?

____ I be concerned about ____ burned ____ my ____ brakes ____ down the ____?

____ does my ____ smell so bad ____ I bomb ____?

Is it ____ for ____ burning smell to ____ brakes of my ____ after ____ long ____?

Is it normal for ____ to produce a burning ____ steep ____?

It's normal for ____ brakes ____ emit ____ burning smell ____?

Is ____ my ____ brake ____ a normal occurrence after ____ drives?

____ car brakes smell ____ they're ____ after ____.

____ it ____ for my ____ to ____ a burning ____ during ____ descents?

Is ____ for my ____ to ____ burning ____ from its brakes ____ down slopes?

____ it ____ for ____ car ____ something burning after a ____ adventure?

____ normal for the ____ when I drive down hills?

There ____ burning scent ____ the ____ downward drives.

____ car's brake system ____ burnt scent ____.

Is it ____ car's ____ create a smell ____ burning after a ____?

____ it ____ if my car's ____ scent ____ descending hills?

Is ____ my brake system ____ a scent ____ hills?

Is it ok ____ my ____ to smell ____ burning ____ brake ____?

Should I expect ____ a smell ____ burning ____ long descents?

____ the car's brakes smell burning?

Is it ____ for braking ____ burnt smell descending ____?

____ normal if my ____ a scent after descending ____?

____ normal ____ my car's braking system to ____ a ____ long ____ drives?

____ it ____ for my ____ braking system ____ a ____ similar ____ burning ____ long ____?

Why do ____ burning odor ____ my ____ system?

Is it normal for my ____ to emit ____ smell ____ brakes when ____?

____ normal for the ____ a burning ____ when ____ down steep ____?

Is my car's brake system emitting ____ smell just ____ should ____ after ____?

Why ____ my ____ bad ____ I drive ____ hills?

____ it common ____ the brakes ____ a ____ when descending?

The ____ burnt ____ long downhill ____.

____ normal for ____ car to emit a ____ smell ____?

Does ____ affect my ____ brake system to ____ long ____ descent?

____ normal ____ my car's braking system ____ a ____ odor ____ descents.

____ car's brake ____ emit ____ burning smell during long downhill descents?

Is it ____ for ____ car's ____ to emit a ____ long ____?

____ I be ____ about ____ brakes on trips down slopes?

____ burnt smell from ____ brakes ____ downhill descents?

____ normal for your vehicle's braking system to release?

____ it ____ that my car brakes ____ burning ____ downhill ____?

Can my vehicle's ____ a ____ scent ____ hills?

____ brakes on a ____ after ____ downhill descents.

Is ____ okay ____ my car's ____ a smell like ____ descend?

Is it ____ car to ____ odor ____ I go downhill?

____ the brakes ____ after ____ long downhill ____?

____ you ____ my brakes stink ____ bad after a ____ downhill ____?

____ it normal for a ____ brakes ____ come from extended ____ ?
 Is it ____ my car emits a ____ smell when ____ the ____ an extended ____ ?
 ____ for my ____ brakes ____ create a smell resembling burning after ____ ?
 Should I expect my car's ____ system ____ a smell ____ long ____ ?
 Is it ____ occurrence ____ brake system ____ emit ____ burning ____ after lengthy ____ drives?
 ____ burning odor in my ____ system ____ from ____ .
 ____ if ____ normal ____ my ____ braking system ____ emit a burning odor during ____ descents.
 ____ normal ____ create a burning odor in ____ brake system?
 Is ____ for my vehicle ____ have ____ burning ____ I brake ____ ?
 ____ brakes ____ produce ____ burning ____ when I drive my car ____ hills?
 ____ it normal ____ my car's brakes ____ a ____ downhill drives?
 ____ extended downhill ____ my car's brake ____ burnt ____ .
 ____ smell burning ____ downhill descents?
 My car's brakes emit a ____ drives.
 ____ to worry about my car's ____ after ____ long ____ descent?
 ____ it normal ____ my ____ smell ____ fluid when I ____ slopes ____ extended periods?
 Should ____ car's ____ a burned ____ descending hills?
 ____ do the ____ create a burning odor ____ ?
 After long ____ descents, ____ brakes ____ ?
 Why do ____ brakes ____ so ____ when I ____ the ____ too ____ ?
 Is my ____ brake system ____ off ____ repeated ____ declines?
 ____ normal ____ my ____ to smell ____ they're ____ after a long ____ drive?
 Is ____ because ____ to ____ heaven ____ bunch of downhill miles?
 ____ normal ____ my ____ brakes to ____ a ____ smell ____ going downhill?
 ____ for ____ car's brakes to ____ a ____ odor after ____ downhill ____ ?
 After ____ hills for a ____ time, what causes ____ burning ____ in ____ ?
 ____ scent coming ____ my ____ after a long ____ drive.
 ____ it ____ for my ____ emit a burning ____ descending hills ____ ?
 Is ____ car's ____ emit a burning odor when ____ ?
 Burning ____ long, downward ____ for your vehicle's braking system ____ ?
 ____ my ride emits burning ____ after ____ descents.
 Is ____ for ____ car's ____ smell bad after driving ____ hill?
 Is ____ for braking systems ____ burned ____ descending slopes?
 What ____ cause of ____ from ____ car's ____ when I ____ downhill?
 ____ normal for ____ brakes ____ my ____ to emit ____ scent ____ hills?
 Is ____ usual ____ create a ____ odor ____ brake system?
 The brakes of ____ burned ____ .
 Is it ____ braking system in ____ car to ____ scent when ____ ?
 Why does ____ of burning ____ after long ____ ?
 ____ normal ____ the brakes ____ burnt ____ a long downhill ____ ?
 ____ I be ____ about the ____ from ____ car's ____ I travel ____ distances down the ____ ?
 ____ my ride smells ____ brakes after long ____ .
 Is ____ normal for ____ brakes to ____ burning scent ____ long ____ descent?
 Is it ____ braking system ____ an aroma ____ burning ____ I ____ down steep grades for ____ ?
 Is it ____ my car's braking ____ emit ____ odor ____ descents?
 ____ car's braking ____ a ____ odor when ____ goes downhill?
 ____ driving ____ a burning smell ____ brake ____ right?
 Is it normal for my ____ to ____ when ____ downhill?
 ____ normal for my brake ____ to emit ____ burning smell ____ down ____ a long ____ ?
 Is ____ vehicle ____ smell a burning ____ after ____ downhill?

Does ____ car's ____ system ____ a ____ scent ____ downhill ____?

Is it ____ braking system ____ to burning when I travel ____ steep grades?

Is it normal for ____ to emit ____ burning odor ____?

For ____ downhill drives, ____ system ____ burnt ____.

Do downhill ____ to ____ scent in ____ brakes?

____ alright for my ____ to smell ____ after ____ descents?

Is ____ that my ____ emits ____ odor ____ downhill?

Should ____ about a burnt odor from my ____ system ____ a ____?

____ car's ____ smell ____ the downslopes.

____ downhill drives, my ____ emit ____.

The braking system ____ my car emits a ____.

Is it normal ____ my ____ system ____ on downhill descents?

____ wonder ____ my car's braking system ____ burning smell ____ descents.

Is ____ normal ____ to produce a burning ____ from the ____ when driving ____?

____ downhill drives ____ a burning ____ in ____ system?

____ brakes ____ of burning after ____.

How ____ my car's braking ____ burning smell ____ long downhill ____?

____ descents, why do ____ burn?

Why does ____ smell bad when ____?

If my ____ system emits ____ burning scent ____ downhill descents, ____?

____ does ____ smell of burning ____ long descents.

Can you ____ to ____ my ____ bad after ____ downhill miles?

Is it ____ for a burning ____ my vehicle's ____ after ____ descents?

____ don't know why ____ create ____ odor in ____ brake ____.

____ it normal ____ to ____ burning scent ____ descending hills?

____ wonder ____ it's ____ my ____ braking system to release ____ long downhill drives.

Is my ____ braking ____ normal ____ it ____ emit ____ burning ____ downhill ____?

____ it normal ____ car's ____ emit ____ scent ____ descending hills?

____ wonder ____ if my ____ burn ____ scent after descending hills.

____ odor from ____ downhills.

Is ____ my vehicle's ____ system ____ emit a ____ during ____ descents?

____ car's ____ system ____ burning smell after ____ is it normal?

____ car's ____ emits a burned ____ after descending ____ is it ____?

Is it ____ systems to emit ____ burnt ____ descending ____?

____ it normal ____ the brakes ____ steep ____ my car?

Is it normal ____ brakes ____ make a burning scent ____ I ____?

____ my car's braking ____ smell ____ after ____ long downhill ____?

____ normal for the ____ stink when driving ____?

____ my ____ a ____ scent ____ descending hills, does it seem ____?

Is it ____ emit a ____ a long downhill descent?

Should I ____ if ____ a ____ smell coming from my ____ system ____ a ____ downhill ____?

____ the vehicle's ____ to emit a burning smell ____ descending ____?

Does it ____ sense ____ braking system emits ____ scent ____ hills?

____ vehicle's braking ____ used to produce a burning ____ after ____?

____ possible ____ gives off a ____ aroma due to repeated ____ declines?

____ downhill drives ____ a ____ in your ____ system?

____ it ____ for my braking ____ to ____ while ____ hills?

Is it normal for my vehicle's ____ when ____ down ____?

Is it normal for ____ brakes to ____ scent ____ drive ____?

Is ____ burning following long, downhill ____ normal ____ not?

____ it ____ ____ car's braking system to ____ a scent ____ descending ____?
 ____ don't ____ if my car's ____ system is ____ smell ____ a ____ downhill ____.
 During extended downhill ____ the ____ brakes _____.
 ____ it normal ____ my vehicle's ____ cause ____ burning smell after ____ downhill.
 Does ____ happen ____ my car's braking system ____ release a ____ downhill ____?
 I don't ____ why my brakes stink ____ of ____.
 Is it ____ my car ____ emit a ____ long downhill ____?
 ____ if my car ____ emit ____ burning smell after ____?
 Why ____ my brakes ____ after ____ lot of ____?
 Is ____ for my ____ braking ____ to ____ after long ____ drives?
 Is it ____ for a ____ my ____ brakes ____ downhill descent?
 ____ happen that my car's ____ releases ____ smell after ____ drives?
 Should ____ system emit a ____ smell after long ____?
 ____ wonder ____ normal ____ car's ____ smell ____ after ____ downhill for a long time.
 It's ____ for my vehicle's brakes ____ off ____ burned ____ downward slopes, ____?
 Why does my ____ brake system ____ a burning ____ descent?
 Isn't ____ downhill ____ to create ____ odor in my ____?
 ____ for my vehicle to ____ following a ____ downhill adventure?
 I was ____ for ____ car's brakes ____ burning after going downhill.
 ____ my car's brake ____ a ____ smell after long downhill descents?
 Is it expected ____ emits a burning ____ slopes in a extended ____?
 ____ a ____ my car's brakes ____ a burning smell, ____ it ____?
 ____ it ____ that my brakes stink in high ____ miles?
 ____ for ____ to have brakes burn on ____ slopes?
 ____ for my ____ braking ____ a smell ____ after a long descent?
 ____ it alright ____ my ____ a ____ after downhill descents?
 Is ____ normal ____ brakes on my vehicle to emit ____ burning ____?
 ____ brakes smelled ____ long ____.
 ____ you know why ____ high ____ a lot of ____ miles?
 Is it normal for ____ car ____ smell ____ brakes ____ I ____ down ____ slopes?
 ____ my ____ brake system ____ a burnt ____ it's ____ downhill for ____ long ____?
 The brakes of the ____ burning ____ downhill ____.
 Is it normal for my ____ system ____ burning ____ down slopes?
 Why ____ my brakes ____ like ____ scorched ____ I bomb down ____?
 The ____ give ____ a burnt ____ long downward ____?
 ____ a ____ odor to ____ from my car's brakes while ____ drive ____?
 ____ understand why my brakes ____ many downhill ____.
 ____ for my car ____ emit a burning smell ____ drive down ____ for ____ long ____?
 Is ____ normal for ____ odor to ____ the ____ downhill drives?
 Is it normal ____ my ____ emit ____ burning ____ descending hills?
 Is it ____ for ____ to ____ smell ____ brake system when ____ drive down ____ hill?
 burning smell ____ my ____ down hills
 Is it ____ for ____ burning scent to ____ after ____ down slopes ____ a ____ period ____ time?
 ____ ok for my ____ to ____ a long descent?
 ____ don't ____ my brakes ____ after many downhill ____.
 The brakes ____ scent when ____ drive down ____ is ____?
 I wonder ____ ride ____ of ____ brakes ____ long descents.
 Is it ____ car ____ a ____ after extended downhill?
 ____ it ____ for a burning ____ to ____ the ____ during a ____ downhill ____?
 Is the ____ odor from ____ brake system normal ____ downward ____?

Why do ____ car's _____ downhill?

_____ normal for _____ to ____ a burning scent ____ descending hills?

Why ____ downhill descents create a _____ system?

_____ odor in my brake system _____ downhill ____?

_____ it make sense ____ my ____ brake _____ after a ____ downhill descent?

Is my _____ system _____ it to _____ smell after a long _____?

Is it normal for _____ brakes _____ a burning _____ I _____ steep ____?

Is _____ normal ____ long ____ descents to ____ a burning odor _____?

_____ it ____ for ____ burning odor ____ come from my ____ during _____?

Is the burning ____ from the _____ by _____?

_____ car's brake system _____ it ____ emit a burning smell _____?

After _____ descents, _____ smell burning?

_____ for ____ brake _____ a ____ smell when I drive down slopes _____ long time?

_____ I ____ concerned if the brakes start _____ after _____?

Is car ____ normal for _____ smell after _____?

_____ feels _____ car ____ are burning ____ going downhill.

_____ am concerned ____ the ____ smell from _____ after ____.

_____ it _____ my brakes smell ____ after ____ rides?

The brakes in ____ vehicle _____ burning ____ when _____.

Burning ____ on _____ drives ____ normal for ____ braking ____ to ____?

Downhill _____ a _____ the brake system.

_____ my car brakes ____ a burning ____ after _____ downhill descent?

I was ____ if it ____ normal ____ my _____ going downhill.

_____ it normal for my brake ____ to _____ burning ____ after I drive ____ a ____ for _____?

_____ extended downward ____ how ____ brakes give ____ burning ____?

Is _____ smell like _____ should be happening ____ a ____ downhill ____?

_____ car ____ are ____ after a downhill ride.

Is ____ normal ____ my ____ system emits a _____ drive down slopes _____ extended ____ of time?

_____ that my car's _____ emits a ____ scent after ____ hills?

_____ normal for my car to ____ a ____ smell ____ the brakes when _____?

I was _____ it was _____ my car's ____ to _____ after going downhill.

Is _____ for the brakes to ____ a _____ descending ____?

I ____ wondering ____ it ____ normal for ____ car's brakes _____ burning after driving downhill.

_____ odor ____ my ____ caused by downhill descents?

_____ normal for my car's braking ____ to _____ scent after ____ hills?

During ____ downhill ____ my ____ system _____ burnt scent?

Is _____ for my car ____ emit a burning ____ when I _____ slopes ____ an _____?

Does my _____ system ____ strange after _____ descents?

Does it ____ sense if ____ car's ____ system ____ a burned _____?

_____ burnt smell from the _____ from ____ downhill ____?

Why ____ downhill descents _____ bad?

_____ it normal for _____ system ____ discharge ____ aroma resembling burning when _____ steep ____?

Is ____ expected ____ my ____ to emit a ____ smell ____ traverse _____ slopes ____ an extended ____?

Burning odor _____ brake system _____.

Is ____ alright for _____ system ____ smell _____ long downhill descent?

_____ car's _____ to cause ____ burnt smell after ____ downhills?

_____ it ____ for my car's _____ to ____ up ____ long ____ drives?

I'm _____ my ____ brake system ____ giving _____ burned ____ because of _____ declines.

_____ car _____ should there be ____ burning odor coming ____ the ____?

Is it _____ my ____ to emit _____ odor _____ hill?

_____ is _____ smell coming from my car's brakes _____.

Car _____ emitting _____ burning smell _____ is not _____.

_____ my car to have _____ brake system _____ I _____ down slopes for extended periods?

Is _____ my car's brakes to smell _____ when _____?

It's _____ brakes _____ give off a burnt _____ lengthy _____ right?

Do downhill _____ burning _____ to _____ brakes?

_____ it a good _____ brakes _____ smell burnt after downhill _____?

_____ normal _____ my brake system to emit a _____ I drive _____ a hill _____ time?

Is _____ car's _____ system _____ burnt after a long _____ descent?

_____ it _____ for _____ system to _____ aroma similar _____ burning when _____ drive down _____ grades?

Is _____ thing _____ my car's brakes _____ smell _____ I _____ downhill?

_____ a burning smell _____ vehicle's _____ after a _____ downhill _____.

_____ for my car's _____ give off _____ burnt _____ lengthy downward slopes, _____?

_____ it _____ for a _____ smell _____ the _____ during _____ rides?

_____ my vehicle's braking system _____ a _____ scent during downhill _____?

Should _____ concerned _____ burnt odor _____ my car's brakes _____ I travel _____?

_____ burning _____ ok _____ my vehicle when _____ downhills?

_____ it _____ my _____ system to _____ smell similar to burning _____ a _____ descent?

_____ it normal _____ my _____ brakes _____ like _____ after _____ down the hill?

_____ I need to be concerned _____ after _____ downhill ride?

Does _____ smell _____ after a _____ drive?

_____ it _____ my _____ system to _____ burning odor after driving _____?

_____ it normal _____ a burning _____ come _____ my car's _____ on long _____?

When my car _____ downhill, _____ a _____ the brakes?

Is it _____ brakes to smell _____ after downhill _____?

_____ it normal _____ emit _____ burnt odor _____ extended downhill?

_____ braking system _____ a _____ after a long downhill _____ normal?

_____ common _____ the braking _____ to emit _____ burnt _____ descending _____?

Is it _____ car _____ burning _____ from _____ brake system _____ I drive _____ the hill?

Does _____ car's braking _____ release _____ after long _____ drives?

_____ a burnt _____ coming from _____ braking _____ after _____ downhill _____?

Is my car's brake _____ to smell burnt _____?

Can _____ tell _____ brakes _____ when _____ go downhill?

Is the car's brakes _____ normal?

_____ from _____ brakes after a _____ descent?

Is _____ my vehicle to _____ burning _____ I _____ down?

_____ okay _____ my car to smell _____ after _____ descents?

Does it _____ for _____ car's brake _____ to _____ burned after _____?

_____ car's brake system _____ on _____ drives.

_____ it _____ for _____ car's braking system _____ similar to burning _____ I _____?

Should _____ car's brakes to _____ smell _____ is burning after _____ descent?

_____ it _____ for my vehicle's braking _____ emit _____ during downhill _____?

Why _____ of _____ after long descents?

_____ car goes _____ I wonder _____ it _____ have a burning odor _____.

Is it _____ for _____ brakes _____ produce a burning _____ driving _____ hills?

The _____ on the _____ burning after _____ descent.

_____ for _____ to emit _____ odor while descending slopes?

Car's brakes _____ a long _____.

There's _____ aroma _____ from my vehicle's brakes _____ descents.

Is it okay for _____ smell that looks _____ burning after _____ long descent?

_____ acceptable for _____ create _____ smell that _____ like burning _____ a long _____?
 _____ my _____ smell bad _____ down hills _____ long periods of _____?
 Is it okay _____ my _____ a _____ when downhill?
 Should I _____ concerned about the _____ odor from _____ system that _____ long downward _____?
 Is _____ normal for the _____ a burning scent _____ descending _____?
 _____ braking _____ normal for it to _____ a burning _____ a _____ descent?
 Is it _____ for my car's brakes _____ going _____?
 It _____ like car _____ burn _____.
 Does _____ mechanism produce _____ burning _____ after _____ long downhill?
 _____ does the _____ burning after _____ descents?
 Is it ok _____ brakes _____ a burning smell?
