

[Demo] NLP Dataset for Customer Service Automation

Company Type	Online Banks and FinTech Companies
Inquiry Category	Password and login problems
Inquiry Sub-Category	Login Issues
Description	This category involves customers experiencing difficulties logging into their accounts, such as incorrect login credentials, account lockouts, or technical issues preventing successful login.
Data Size	5,197 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Online Bank and FinTech Company" customer inquiry. (Purchased data will not be masked.)

_____ if caps _____ enabled _____ initial setup of _____ case sensitivity _____ is _____ your system?

I'm _____ if _____ enabled _____ the _____ setup of the password or if _____ case _____.

_____ don't know if _____ were _____ the _____ or how to set _____ case _____.

_____ know _____ format it used, and I'm _____ caps _____ was _____ when I _____ changed my _____

_____ unanswered questions _____ case sensitivity format _____ caps lock was enabled during _____ password.

I am _____ if _____ remember if caps lock was _____ initial _____ password or which format _____ by your _____

I'm curious _____ remember if _____ lock _____ in _____ setup _____ what _____ sensitivity is used by _____ system.

Which case _____ used by your _____ caps lock was _____ of the password?

_____ about _____ caps _____ was enabled _____ initial setup _____ password and which case sensitivity _____ by _____ not answered.

_____ know _____ sensitivity format _____ used _____ was _____ if caps lock was _____ when setting up _____ password

I don't know _____ case _____ it used _____ I wondered _____ caps lock _____ my password.

I have no _____ case _____ format it used, _____ I _____ if caps _____ I _____ set up _____ system.

_____ don't know what case _____ it used _____ I _____ wondering if _____ my system password

I _____ not sure what case _____ used, and _____ am _____ if _____ enabled when _____ create my _____.

_____ know what case _____ format it _____ I'm unsure if caps _____ was _____ when _____ set _____

_____ caps _____ was _____ initial setup _____ password or which _____ case sensitivity _____ curious.

_____ turned on _____ I created _____ and who _____ case sensitivity format for _____?

I _____ like to know if caps lock _____ or _____ sensitive _____ is used _____ the system.

It's difficult _____ remember if _____ enabled _____ an initial _____ of _____ it _____ set _____ case sensitivity format

What _____ your system and if caps lock was enabled _____ setup of _____?

_____ lock was _____ during _____ setup of the password, _____ case _____ is used _____ system?

I _____ know what case _____ format _____ uses, _____ I _____ if caps _____ is enabled _____ create _____.

I _____ to know if _____ lock was enabled _____ setup _____ password or _____ uses case _____.

_____ to remember _____ lock _____ enabled at an _____ stage _____ password _____ or in _____ sensitivity format.

I'm not sure what _____ sensitivity format _____ I'm _____ sure _____ caps _____ is _____ when I _____

_____ sure _____ case sensitivity _____ it uses, and I'm _____ lock was _____ when _____ first _____ my

_____ know _____ sensitivity format it used and _____ wondered if _____ lock _____ used _____ when _____ my _____.

Which case _____ by your system _____ whether caps lock _____ enabled _____ of password are _____.

Which _____ is used by _____ and _____ caps lock _____ during password _____?

Which case sensitivity format is _____ and _____ lock _____ used during _____ setup of _____?

_____ the system _____ I _____ know _____ caps _____ or if my password case _____ be _____.

Questions _____ caps lock was enabled _____ of password, _____ which _____ sensitivity format _____ utilized by _____ system, _____ not _____

_____ if caps lock was enabled _____ password or which format _____ sensitivity _____ used _____ your _____?

I don't _____ what _____ format it used, _____ caps _____ when I created my _____.

_____ case _____ is used _____ caps _____ was enabled during _____ setup _____ password are questions that are _____ answered

_____ wondering if caps lock _____ enabled _____ initial _____ format case sensitivity is _____ the system.

_____ what case sensitivity _____ used, and _____ if caps lock was _____ when _____ up my password.

_____ if caps lock _____ in the initial _____ the password _____ format _____ sensitivity is used by your _____

I _____ know _____ case sensitivity format _____ used, _____ I _____ wondering _____ was enabled when I _____.

People can't _____ lock was _____ during _____ of _____ if _____ sensitivity format is utilized.

_____ am not sure if caps lock was _____ the _____ first created _____ it was used in the _____

I'd _____ to _____ was _____ the _____ setup of _____ password or _____ sensitivity is used by the system

_____ sensitivity _____ utilized by _____ system and _____ caps lock _____ enabled during the initial _____ password are _____ unanswered

I am not _____ what case _____ used, and _____ wondering if _____ lock _____ initially when _____ my _____

I _____ not _____ sensitivity format it used, _____ I am _____ if _____ was used _____ up my _____.

I don't _____ if caps lock _____ used _____ or how _____ system handles _____.

_____ want _____ know _____ caps lock was enabled _____ of _____ or if _____ sensitivity is used by your _____.

Questions that are _____ include _____ caps lock _____ enabled _____ setup of _____ case _____ is _____ by _____ system.

_____ case sensitivity _____ is used by _____ system _____ lock _____ enabled during _____ of _____

I want to _____ was enabled in initial setup _____ or if _____ format case _____ is _____.

I don't _____ what _____ format _____ used, and I'm _____ lock _____ put _____ I first set _____

People _____ caps _____ enabled _____ the initial _____ of _____ password or if case sensitivity _____ is _____ your _____.

_____ am _____ if you _____ which _____ case sensitivity _____ used by _____ and _____ was _____ in initial setup.

It is hard _____ remember _____ was enabled at _____ initial _____ of _____ setup _____ is set in _____ sensitivity _____.

_____ case _____ it _____ and I'm wondering if caps lock was _____ when _____ first set _____

_____ sure what _____ format it _____ I _____ lock was applied when _____ set my password.

_____ don't know _____ was enabled when I _____ my _____ and I _____ case _____ format _____ used.

Which _____ sensitivity _____ is used by your _____ and _____ lock _____ enabled _____ initial _____ password, _____ unanswered.

_____ am not sure what _____ it _____ and _____ not sure if _____ was used _____ my password.

I _____ sensitivity format it _____ wondered if caps lock _____ be enabled _____ I _____ setting _____ password

I'm _____ if _____ was _____ in _____ setup of password _____ format _____ sensitivity _____ used.

_____ difficult _____ whether caps lock was enabled _____ an initial _____ setup or _____ it was _____ format.

_____ caps lock was _____ the initial _____ password _____ case sensitivity is used by _____ system.

_____ case _____ format _____ your _____ whether caps lock was enabled during _____ setting?

I was _____ if _____ I created my password, _____ didn't know what _____ it used.

_____ are _____ regarding whether _____ lock _____ enabled _____ the initial _____ of _____ and _____ case sensitivity format is _____ your _____.

_____ know _____ case sensitivity _____ used for your _____ or _____ lock _____ enabled _____ your password was _____.

_____ don't _____ it used, _____ I was wondering if _____ lock _____ enabled _____ I started _____ up my _____.

_____ case _____ format it _____ I'm wondering if _____ was applied _____ first entered my password

_____ sensitivity format _____ I was wondering if _____ lock was _____ I first set up my _____

I'm _____ if _____ which format _____ sensitivity _____ utilized _____ your system, or _____ caps _____ initial setup of _____

I'm _____ lock was enabled _____ initial setup _____ password or if _____ case _____ is _____ by _____.

I ____ know ____ used, ____ I'm not sure ____ was applied when ____ first set up
 I ____ sensitivity format ____ used, I was wondering ____ caps lock ____ when ____ started ____ my ____
 ____ wonder ____ lock ____ in initial setup ____ if format case sensitivity is used by ____.
 ____ would ____ to ____ if ____ in the ____ setup of password or which ____ sensitivity is utilized by ____.
 What ____ used by your system and ____ lock was enabled during ____ setup ____?
 I am not sure if ____ was enabled when ____ password ____ first ____ if ____ case sensitive ____.
 I want to ____ if ____ was ____ setup ____ password or ____ case sensitive ____ is used by ____.
 I ____ if caps ____ in the initial setup ____ password ____ which format ____ sensitivity is used ____ your ____.
 ____ to ____ whether caps lock was enabled ____ of password ____ if it's ____ case sensitivity format
 Questions about whether ____ lock ____ during the initial ____ of ____ case sensitivity ____ your ____ not
 answered.
 ____ wondering if ____ lock was ____ when ____ began ____ up my system ____ I don't ____ sensitivity ____ used.
 ____ wondering ____ caps ____ was ____ initial ____ of password ____ which ____ sensitivity is ____ by the system?
 I ____ sensitivity ____ it used, ____ wondering ____ was applied when ____ set up my setup
 I was ____ was enabled ____ I ____ my ____ and I ____ know ____ case sensitivity format ____ used
 I ____ know what ____ sensitivity format it ____ I was wondering if ____ lock ____ I ____
 I ____ know what ____ it ____ I ____ if caps lock was applied ____ first ____ my ____.
 I was wondering if you ____ if ____ lock ____ initial setup ____ the ____ sensitive format.
 It's ____ clear ____ lock ____ initial setup ____ password or if ____ sensitivity format ____ utilized.
 ____ not sure if ____ lock was ____ before the password ____ created ____ is ____ for that ____.
 ____ was ____ lock ____ when ____ started setting up my ____ and ____ didn't know what case ____ it
 I don't know ____ caps lock ____ enabled when ____ first ____ sensitivity ____ for that system.
 I didn't ____ what case sensitivity format ____ I ____ caps lock ____ when ____ started ____ my system ____
 I ____ not sure ____ caps lock ____ when the ____ was ____ created ____ whether ____ was ____ with ____ sensitivity ____.
 I want to know if ____ was enabled ____ the initial ____ or ____ format case ____ used ____ system.
 ____ wondering ____ format case ____ is ____ by your ____ and if ____ enabled in initial ____ password.
 I'm ____ if ____ sensitivity ____ by your ____ or if caps lock was enabled in ____ of the
 Which case ____ format ____ for ____ caps lock was ____ during the ____ password are questions that
 ____ answered.
 ____ was ____ caps lock ____ enabled in the initial ____ of ____ or what format case ____ is ____.
 I don't know ____ case ____ it ____ I ____ caps lock ____ enabled when I create ____ password.
 ____ confused as to whether ____ enabled ____ password was ____ or if ____ was used with ____ by
 ____ system.
 Which ____ format is used by ____ and whether caps lock ____ initial setup ____ password are ____.
 I'm curious ____ you remember ____ was ____ in the ____ setup of your ____ or ____ case sensitive format ____
 ____ not ____ case ____ used or if ____ lock ____ when setting up my password.
 I don't ____ case ____ and ____ wondering if caps lock enabled ____ set up ____ password
 ____ to whether case sensitivity ____ for that ____ or ____ lock ____ enabled ____ the password was ____
 created.
 I'm ____ if ____ sensitivity is used ____ if ____ lock ____ when the password is first ____.
 Whether caps lock was ____ during ____ password ____ whether ____ case ____ is utilized by your system
 ____ questions.
 ____ sensitivity format ____ by ____ system and ____ caps ____ was enabled ____ setting ____ password?
 ____ I ____ was ____ lock on ____ which case ____ used ____ your system?
 ____ caps ____ was enabled ____ of ____ or ____ format case sensitivity is ____ system, I am ____.
 I ____ curious ____ you ____ if ____ lock ____ enabled ____ of your ____ or which case sensitive ____ is used by ____
 ____ if ____ used ____ setting my ____ and how case ____ is ____ by your system.
 ____ caps lock was ____ the ____ of password ____ case ____ utilized by your system are questions that ____
 ____.
 Which case sensitivity ____ by ____ system and ____ was enabled ____ setup?

Which case sensitivity format _____ by _____ system, _____ lock was enabled _____ the initial setup _____ not _____.

_____ not _____ what case sensitivity format it _____ I'm _____ caps lock _____ applied _____ I _____ set _____ my _____ don't know _____ caps lock was enabled _____ the _____ it was used _____ case _____ format.

I don't _____ if caps lock was _____ password _____ created _____ if _____ sensitivity is used _____.

_____ don't know if caps lock _____ enabled _____ was first created _____ if _____ was _____ format _____ the system

Which case _____ is utilized by your system, and _____ lock was enabled _____

_____ caps lock _____ on _____ created _____ or which case sensitivity _____ is used _____ the _____?

_____ not _____ whether case sensitivity is used _____ that system or if _____ lock was _____ created.

_____ caps lock turn on _____ I _____ or which _____ sensitivity format _____ used _____ system?

I _____ to know _____ in the initial setup of password or if _____ case _____ used _____ system.

It's _____ to remember _____ lock _____ at an initial stage _____ password _____ or if it _____ case _____.

I'm curious if you _____ caps _____ was _____ initial setup _____ case sensitive format

I _____ caps lock _____ the password was _____ or if it was _____ sensitivity format.

I don't know _____ it used, _____ wonder if caps lock _____ when I _____ my _____.

I'm _____ sure _____ sensitivity _____ used _____ was applied when I set my password.

_____ case sensitivity format is _____ by _____ system _____ caps _____ was enabled during the initial _____ of _____ cannot _____.

I'm _____ if you _____ which format _____ is used _____ system, _____ if caps _____ was enabled in _____

_____ to _____ lock was _____ the password was first created _____ case _____ is _____ for that system.

Which case _____ format is _____ your _____ and whether caps _____ enabled during _____ of _____ not answered.

_____ not sure what _____ format _____ uses, _____ I _____ wondering _____ caps lock _____ when I first _____ my _____.

_____ this _____ was caps lock _____ and _____ uses case _____ for your _____?

_____ want _____ lock was enabled _____ the initial setup _____ password or which _____ format it _____.

_____ caps lock _____ enabled when _____ password, and I don't know _____ case sensitivity format _____.

Questions like _____ case sensitivity format is _____ by _____ during the initial _____ of password" are _____ answered

_____ which case _____ format is used _____ caps lock was enabled _____ initial setup _____ password, _____,

I'm _____ if case _____ is used for that system or _____ lock _____ was first _____.

I'm curious _____ if _____ lock _____ enabled in _____ of password _____ format case sensitivity is _____.

I don't know what case sensitivity _____ it _____ I _____ wondering _____ caps _____ when _____ up _____.

I'm not _____ what case _____ it used and _____ if _____ applied _____ I first set _____.

People cannot _____ if caps _____ enabled during the _____ setup of _____ or which _____.

Which _____ sensitivity format is _____ by _____ and _____ lock _____ enabled _____ the _____ setup _____ password are _____.

_____ the _____ when _____ this password, or _____ case sensitivity format _____ used by _____ system?

_____ know what format _____ used, and I _____ wondering if _____ lock _____ used _____ when setting _____.

It is difficult _____ remember if _____ was _____ at an initial _____ password _____ set _____ case of sensitivity _____.

_____ remember _____ caps lock was _____ during the _____ of _____ or if _____ sensitivity _____ used.

I _____ sure if _____ caps _____ was _____ when _____ password was _____ or _____ is used _____ that system.

I _____ know _____ case _____ format _____ used, _____ I _____ caps _____ was used initially _____ up my password

Which _____ format _____ used by your system _____ whether the _____ was _____ up password?

_____ remember _____ as which _____ format is _____ by your system _____ caps _____ was enabled during the _____ setup _____

I don't _____ what case sensitivity _____ and I'm not _____ caps lock is _____ create _____

_____ are whether _____ lock was enabled _____ the initial setup of _____ case _____ format is used _____ system

I _____ lock _____ enabled in the _____ setup _____ password _____ which case _____ format is used by the _____.

I was wondering _____ caps _____ in _____ initial setup of _____ case sensitivity is _____.

_____ don't _____ caps lock was _____ I _____ set my _____ and I'm wondering if _____ used

_____ lock _____ when _____ or which _____ sensitivity _____ is _____ by your system?

_____ am _____ sure _____ case sensitivity format _____ used and I _____ wondering _____ lock was _____ I _____ password.

_____ about whether _____ lock was enabled during the _____ of the password and which case _____ answered.

_____ sensitivity _____ is used _____ system, and if caps _____ during the _____ setup of _____ are _____ are not _____

What _____ sensitivity _____ is _____ your system and _____ caps lock _____ enabled _____ setup of password _____ unanswered _____.

_____ that _____ include, which _____ sensitivity format is _____ system, _____ whether caps _____ was enabled during _____ initial setup _____

I _____ what case sensitivity format _____ used, and _____ am _____ if _____ lock _____ used _____ I _____ password.

I _____ not sure what case sensitivity format it _____ not _____ lock enabled when _____ password.

I don't _____ were _____ when _____ system _____ setup _____ password case sensitivity should be _____.

_____ don't know what case _____ and _____ was _____ if _____ lock was used _____ up my _____.

I'd like to know _____ in _____ of password or _____ sensitive format is _____.

It's _____ remember whether caps lock _____ initial _____ of password setup or if _____ was _____ format.

_____ am _____ sensitivity _____ used, _____ I am _____ if _____ was _____ when I first entered my password.

I'm _____ if _____ was enabled _____ the password was first created _____ was _____ with _____ our system.

_____ to remember if caps lock was enabled at _____ stage _____ password _____ was set _____ sensitivity format.

I don't _____ if caps _____ was _____ when the password _____ created _____ it _____ used _____ a _____ sensitivity format _____

I don't know _____ used for _____ if _____ lock was enabled when _____ was first _____.

Which _____ format is used by your _____ lock _____ enabled _____ the initial setup _____ questions that _____ answered.

If caps lock _____ enabled _____ the initial _____ of password _____ sensitivity is used, _____.

I don't know what _____ sensitivity _____ used, _____ caps lock _____ I _____ up my system password _____ if the caps _____ was used _____ setting my _____ how the _____ case sensitivity.

There _____ unanswered _____ case _____ format and _____ caps lock was enabled during _____ initial _____.

_____ you _____ if caps _____ enabled _____ initial password setup and _____ sensitivity _____ system uses?

I'm not _____ what _____ sensitivity _____ it _____ and _____ if _____ lock _____ applied when _____ set _____ my

I'm curious _____ remember if _____ enabled _____ initial _____ of password or which _____ it uses.

_____ sure _____ lock _____ applied _____ I _____ my password, and I _____ know what _____ sensitivity format _____ used

I'm wondering _____ lock _____ enabled _____ setup of password or _____ format case _____ is used _____.

I _____ what case sensitivity it _____ and I was wondering if _____ lock was _____ I _____.

_____ if _____ was enabled at the initial _____ of password _____ or if _____ was set _____ sensitivity _____.

_____ you remember which _____ is used _____ your system and if caps _____ enabled in _____ initial setup _____

Which _____ sensitivity format is _____ your _____ if caps lock was used _____ the _____?

If _____ lock _____ during _____ setup of _____ sensitivity format was _____?

_____ sensitivity format _____ uses and whether _____ lock _____ when _____ up password?

Which _____ is used by _____ system _____ caps _____ enabled _____ password setup?

_____ are not _____ caps _____ was enabled _____ initial setup _____ password and _____ case sensitivity _____ is _____ your system.

Can _____ tell _____ if _____ your system or _____ was enabled when the password was first _____?

_____ if caps lock _____ enabled in the initial setup of _____ password or if _____ by _____.

_____ know what _____ sensitivity format it _____ I was wondering if _____ was _____ when _____ up my _____

I _____ if caps lock _____ enabled when the _____ first _____ case sensitivity is _____.

_____ clear if _____ enabled _____ initial stage of password _____ it _____ set in case sensitivity format.

If _____ in _____ setup of password, _____ which _____ is used by the _____ I'm curious.

I'm wondering _____ caps lock was enabled _____ the initial _____ of _____ if _____ is used _____ your _____.

_____ was _____ if caps lock was enabled when _____ setting _____ I _____ know what _____ sensitivity _____.

_____ format is used by your _____ if caps lock _____ enabled _____ the setup _____?

I'm _____ if you recall _____ caps lock _____ the _____ the _____ or which format _____ uses.
 If caps lock _____ the setup of _____ sensitivity format _____ by your system?
 _____ know what _____ used, and _____ was wondering if caps _____ I started setting my _____ password.
 _____ don't know _____ case sensitivity _____ used _____ caps lock _____ when I started setting up _____.
 I'm curious if _____ remember if caps _____ enabled _____ initial _____ of _____ password _____ sensitivity is used.
 _____ curious if _____ was enabled _____ the initial setup _____ password or which _____ sensitive _____ is used _____.
 I don't _____ if _____ was enabled _____ password was _____ or if _____ sensitivity _____.
 I'm _____ you remember _____ sensitive format is used _____ your system _____ enabled in _____ initial
 setup _____ password
 I'm _____ when the password was first created _____ case _____ used for that system.
 _____ don't _____ what case _____ used, _____ I _____ if caps lock _____ used when setting up _____.
 I don't _____ what _____ sensitivity format _____ and _____ am not _____ if _____ lock _____ applied _____ I _____ it _____
 _____ know _____ caps lock _____ enabled _____ the _____ is first _____ or _____ case sensitivity _____ used.
 _____ don't know _____ case _____ format _____ and I _____ caps lock was used when _____ up my _____.
 I'm curious _____ you remember if _____ lock _____ enabled _____ setup _____ or if _____ uses _____ case _____.
 _____ caps lock _____ when I create this _____ which _____ format _____ your system?
 _____ am not _____ what _____ sensitivity format it used _____ I _____ not sure _____ caps _____ I _____ my password.
 It's _____ enabled at an initial _____ of _____ setup _____ if it was _____ in case sensitivity _____.
 _____ wondering _____ you _____ if _____ lock was _____ the initial setup of _____ password _____ the _____ format.
 _____ remember if _____ was _____ in the initial setup _____ your password or which _____ is _____ your _____?
 If caps _____ enabled _____ password _____ which form _____ sensitivity _____ your _____ utilize?
 _____ sure what case _____ it used, and I _____ if _____ lock _____ created my password.
 _____ don't know _____ sensitivity _____ it _____ and I was wondering if _____ was _____ I set _____ system _____.
 I _____ case _____ format _____ used, _____ I'm _____ if caps lock was put _____ I first _____
 I'm curious _____ you _____ caps lock was enabled in _____ setup _____ or _____ sensitivity _____ used _____
 system
 _____ unclear _____ lock _____ at an initial stage _____ or _____ it was set _____ case _____ format.
 There are unanswered _____ caps _____ enabled during the initial setup _____ which case _____ format _____
 by your _____.
 Is caps _____ when _____ this password and _____ case sensitivity _____ used _____?
 What case sensitivity format is utilized _____ your system _____ caps _____ during _____ of _____?
 _____ used _____ your system, and whether caps lock was _____ the initial setup of password _____.
 I'm _____ if you _____ lock _____ initial setup of _____ password _____ if format _____ sensitivity _____ used by
 your
 I am not sure _____ it _____ and _____ lock was applied when _____ first _____ my password.
 I don't _____ what case _____ it _____ if caps lock was applied _____ I _____ password
 _____ curious _____ know if caps _____ your password or which format case sensitivity is _____ by
 your _____
 _____ you _____ which case sensitive _____ your _____ or if caps lock was enabled _____ the initial _____.
 _____ don't _____ sensitivity format it _____ and _____ didn't know if caps _____ enabled when _____ my _____
 I don't know what _____ sensitivity _____ it _____ and _____ not sure if _____ lock _____ up _____
 It's _____ whether caps _____ was _____ at _____ stage of _____ setup or if _____ case of sensitivity.
 I am _____ sensitivity format it _____ or _____ caps lock was _____ initially when _____ my _____.
 I don't _____ what _____ sensitivity format _____ used, _____ I was wondering _____ caps lock _____ when _____
 password
 I have no _____ if _____ was enabled _____ the password _____ if case sensitivity _____ used _____ system.
 I'm curious if you remember if caps lock _____ your _____ or if _____ a case _____.
 _____ is used by your _____ and _____ lock was enabled _____ setting _____ password?
 Questions _____ as "which case sensitivity _____ your _____" "whether _____ lock was _____ during the initial _____
 "
 Which _____ sensitivity _____ by your system, _____ if _____ lock is enabled during _____ password?
 _____ caps lock turn on _____ I created this password _____ case _____ format _____ your _____?

_____ wondering _____ if caps _____ enabled _____ initial setup _____ password _____ case sensitive format is _____ by your _____.

_____ know _____ sensitivity format _____ I _____ wondering if _____ lock enabled when I began _____ up _____ password.

Which case sensitivity format is _____ on _____ if caps _____ during the _____ of _____?

_____ don't know what _____ it _____ and _____ if caps lock _____ enabled when I started _____ up _____ whether caps _____ enabled during _____ setup of _____ which case sensitivity format is _____ your system _____.

_____ if caps lock _____ enabled _____ the _____ setup _____ which _____ case sensitivity is used.

_____ if caps lock was enabled _____ initial setup _____ case sensitivity is used _____ system.

_____ about whether caps lock _____ was first created or whether _____ was _____ with case _____.

_____ curious if you remember _____ caps _____ was _____ in _____ of _____ which format is used _____

You don't _____ caps lock was enabled _____ setup of password or _____ case _____ system _____.

I'm curious if caps _____ enabled _____ initial setup of _____ or _____ sensitivity is _____ the _____

What _____ sensitivity _____ used by your system, _____ whether caps _____ during the _____ setup of _____ that _____ not _____

_____ caps _____ when I _____ this _____ and who _____ sensitivity format _____ your _____?

It's _____ caps _____ was enabled during _____ initial setup _____ if _____ is utilized _____ your system.

I am _____ if you _____ caps lock was enabled _____ setup of _____ password or _____ format _____ is _____ by _____

I _____ enabled when the _____ was _____ or if _____ is used for that system.

_____ wonder if _____ was used while _____ password, and _____ system handles _____.

I'm _____ case _____ format it _____ and _____ not sure if caps _____ was _____ I _____ set my _____

Which case _____ format _____ used _____ the _____ and whether _____ lock was _____ the password are _____ questions.

I'm _____ sure if caps _____ is _____ when _____ was _____ created _____ is used _____ your system.

It's _____ if caps lock was _____ an initial _____ password _____ if it was set _____ format.

I am _____ lock was used _____ setting my _____ your system _____ sensitivity.

I was _____ caps _____ was enabled _____ setup of password or _____ format _____ sensitivity _____ system.

_____ curious _____ you remember which _____ case sensitivity is used _____ system and if _____ was _____ initial setup _____

_____ case sensitivity _____ used by your _____ whether _____ was enabled as _____ of _____ setup?

_____ if caps _____ password was _____ created or if case sensitivity is used _____

_____ curious _____ remember _____ caps lock _____ the initial setup _____ password _____ what format it _____.

_____ whether caps lock _____ during the initial setup _____ and _____ sensitivity _____ utilized by your system _____.

_____ want to _____ if _____ lock _____ in _____ setup of password or which case _____ format _____.

Which case _____ by your system and _____ the caps _____ the setup of _____?

People _____ remember if caps _____ was enabled _____ setup _____ or if _____ sensitivity _____ is _____.

_____ sure if _____ lock was _____ when the password _____ created _____ whether it _____ in the _____ case _____ sensitivity

_____ know if caps _____ enabled in _____ setup _____ the password _____ case _____ is utilized by your system

What _____ format is utilized by _____ caps _____ was enabled during the initial _____ password are _____.

_____ know what case sensitivity _____ used, and I am _____ caps lock _____ created _____ password

Which case sensitivity _____ is used by your _____ lock _____ the initial _____ of password _____ unanswered _____.

_____ is used by _____ and _____ lock activated when setting up _____?

I wondered if _____ lock _____ enabled when _____ my password, _____ I don't know _____ sensitivity _____.

People cannot remember if _____ lock was _____ during _____ password _____ if case sensitivity _____.

I _____ know _____ sensitivity _____ or if caps _____ was enabled when _____ was _____.

_____ do _____ know _____ case sensitivity _____ for your system _____ if _____ enabled _____ the _____ was first created.

I don't know _____ sensitivity _____ uses, _____ I _____ wondering if _____ when I started _____ up _____ system

I _____ know _____ caps lock was enabled _____ was first created or _____ the _____ sensitivity _____ was _____.

_____ sensitivity it used, _____ wondered if caps lock was _____ I started setting up _____ system _____.
 Which _____ format _____ utilized by _____ system, and _____ caps lock was _____ during _____ setup _____ password _____
 questions that _____
 I have no idea what case sensitivity _____ I _____ if _____ used when _____ up _____ password.
 It is not _____ whether caps _____ the _____ which case sensitivity format is _____ your system.
 _____ what case sensitivity format it _____ I'm wondering if _____ I create my password.
 _____ what case _____ it _____ and I was wondering _____ lock _____ when I created _____ password.
 I don't _____ format _____ and _____ wondering if _____ lock was applied when I first _____
 _____ lock activated _____ up password and _____ format is _____ by _____ system?
 _____ case sensitivity format is used _____ whether caps _____ setup _____ password?
 _____ sensitivity format _____ by _____ system and whether caps _____ during _____ initial _____ of password are _____ that
 _____ not _____.
 I'm _____ you remember if _____ lock _____ enabled _____ setup _____ the _____ or which format case _____ is _____ the
 I'm curious _____ format case sensitivity _____ the _____ and _____ caps lock was _____ in _____ password.
 _____ to _____ whether _____ lock was _____ at an initial stage _____ setup _____ it _____ set _____ case sensitivity _____.
 _____ know _____ case sensitivity format _____ and I'm _____ if _____ was _____ when I first set _____
 I am _____ you remember _____ format _____ is _____ by your system _____ if _____ in the initial _____ of _____.
 _____ necessary _____ case _____ your system uses _____ passwords _____ or _____ activated an _____ cap lock mode
 _____ that time
 _____ if _____ sensitivity is _____ for the system or _____ caps lock _____ enabled _____ the _____.
 I'm _____ sure _____ format _____ and I'm _____ if _____ was applied when _____ set my password
 _____ don't know _____ caps were enabled _____ the _____ was _____ and _____ should _____ password case _____ set.
 _____ no idea _____ case sensitivity format _____ I was wondering _____ caps lock was _____ I _____ up _____.
 I don't know _____ case sensitivity _____ it used _____ wondered _____ caps _____ setting up _____ password.
 It is _____ to _____ if caps _____ was _____ at _____ stage _____ password setup _____ if _____ was _____ in case _____.
 _____ sensitivity format it used, and _____ caps _____ when I created my password
 It's hard to remember _____ caps lock was _____ the initial _____ if _____ set _____ case _____ format.
 I _____ not sure what _____ format _____ I am _____ if caps lock _____ when _____ created my _____.
 Which case _____ format is _____ caps lock be enabled _____ the setup _____ password?
 _____ know _____ sensitivity _____ it used, _____ I'm wondering _____ caps lock _____ when I _____ set _____ password
 _____ know if caps lock was enabled in the _____ of password, or _____ it _____ format.
 _____ what case _____ format it used, _____ I'm _____ if caps lock was _____ set it _____
 _____ do not know what case _____ if caps _____ applied when I set my password.
 _____ lock was enabled during the initial setup _____ case sensitivity format _____ system?
 _____ not sure if _____ enabled when the _____ if it was _____ in case _____ format.
 _____ know _____ sensitivity is _____ or if _____ lock was _____ when the password _____ created.
 Is _____ enabled during _____ password setup _____ form _____ case _____ does _____ system _____?
 _____ don't know if caps lock _____ enabled _____ password was first _____ if _____ used _____ case _____.
 _____ if _____ enabled in _____ of your password or which _____ case _____ is utilized by _____ system.
 _____ sensitivity format _____ utilized by your _____ if _____ was enabled _____ setup?
 Some unanswered _____ include _____ caps _____ the initial setup _____ which _____ sensitivity format your
 system _____.
 _____ case sensitivity format is _____ your _____ whether caps _____ was _____ during _____ setup are questions _____ cannot
 _____.
 When the password _____ first _____ not _____ was _____ if it was used with case _____.
 _____ not _____ sensitivity is _____ for your system _____ whether _____ lock _____ enabled when _____ was first _____.
 I don't know _____ was enabled when the password _____ sensitivity is used _____ your _____.
 I'm curious if _____ remember _____ was _____ in initial setup _____ or _____ case sensitivity _____ used.
 It's _____ caps _____ at _____ initial _____ of password setup or if _____ was set in _____ sensitivity
 _____ if _____ remember if caps lock _____ enabled _____ initial setup of password or _____ is _____.
 I _____ lock _____ when I set _____ my system password, and I _____ know _____ sensitivity _____ used
 _____ to _____ caps _____ was _____ initial setup of password or _____ case sensitivity is _____.

I don't _____ caps _____ when the password _____ or case _____ is used.
_____ case _____ is used by your system _____ the caps _____ during the password _____?
Which case _____ is used by your _____ enabled _____ initial setup of _____ are _____ not answered.
I'm not _____ format _____ and _____ want to know if _____ was applied _____ I first _____ up
_____ am not _____ what _____ format _____ and _____ lock _____ when I first set my password.
_____ format is _____ caps lock was enabled during the initial setup _____ questions that _____ not
_____.
_____ know what _____ it used, _____ was wondering if caps lock was used to _____.
Questions _____ are unanswered include whether caps _____ the initial _____ and _____ case sensitivity _____ is
used _____ system.
_____ is used for your system or if _____ lock was _____ when _____ password was first _____.
_____ case _____ it used and I don't _____ lock _____ applied when I _____ set my password
_____ don't _____ what case sensitivity format it _____ was wondering _____ when setting up my _____.
_____ don't _____ what _____ format it used, and _____ was wondering _____ lock _____ used _____ my password.
Questions that _____ answered _____ caps lock _____ setup _____ password and _____ case sensitivity _____ is
utilized by _____ system
_____ to _____ caps _____ the initial setup _____ password _____ if format case sensitivity is _____ by _____ system.
_____ was enabled during the _____ setup of password and _____ case sensitivity _____ is _____ system _____
questions.
_____ don't _____ whether caps were enabled _____ system was setup _____ how _____ case _____.
_____ unclear _____ was enabled when _____ password _____ first _____ case sensitivity is _____ for the system.
_____ case sensitivity format _____ for your system, _____ caps _____ was enabled _____ the setup _____?
People cannot remember whether _____ lock _____ during _____ initial setup _____ which case sensitivity _____.
I'd _____ know if _____ was enabled _____ initial setup _____ password _____ which _____ case sensitivity _____.
_____ case sensitivity _____ is utilized _____ and if caps lock was enabled _____ the _____ of _____.
I _____ know if caps lock _____ enabled when the _____ or if _____ is _____ case _____.
_____ don't know if _____ was activated for _____ initial _____ What format is _____ your system _____ respect _____

_____ case sensitivity _____ is _____ by _____ and whether caps _____ the initial setup of _____ are _____ answered.
Which case _____ is used _____ and _____ lock was activated _____ setting _____ password?
_____ caps _____ the initial setup _____ password or _____ case _____ format is _____?
I _____ know _____ format case _____ if caps lock was applied when _____ set my _____.
I wonder _____ enabled when _____ was first created _____ if case sensitivity is _____ for _____.
_____ if you remember which format _____ is used _____ and if _____ lock was enabled in _____
_____ sure _____ caps _____ was enabled when the password _____ or if _____ is _____.
_____ the case _____ of your system and _____ lock _____ while setting my _____.
_____ don't _____ what case sensitivity format _____ I _____ wondering if caps lock _____ when I _____.
I'm unsure _____ caps _____ enabled _____ was first _____ or _____ was _____ in _____ system in case _____ sensitivity.
_____ case _____ format _____ utilized _____ your system, and whether caps lock was _____ password?
I _____ not sure _____ was _____ password was first _____ or whether case _____ is used _____ that _____.
I don't know if _____ lock _____ when _____ or whether it was used with _____ by _____.
_____ case _____ by your _____ whether caps lock was activated _____ setting?
I _____ if _____ enabled when _____ system was set _____ or how _____ password _____ sensitivity.
When _____ password, _____ lock turn _____ or which case _____ format is _____ your system?
_____ sensitivity format is used _____ system, and whether caps lock _____ enabled _____ setup _____?
_____ sure _____ sensitivity _____ it used _____ I'm wondering if caps lock _____ applied _____ I _____ password.
_____ caps _____ in _____ setup of _____ or which format case sensitivity is utilized _____ your _____.
_____ sensitivity format your _____ uses _____ enabled _____ the setup of password?
_____ sensitivity _____ is utilized by _____ system _____ whether caps _____ enabled _____ setup of password?
_____ remember _____ caps lock is enabled _____ an _____ stage _____ password setup _____ if it's _____ case _____ format
I don't know if _____ is _____ the password _____ first _____ if _____ is _____ case sensitivity _____.
People can't remember _____ case sensitivity _____ is utilized _____ system" _____ caps _____ enabled _____ the

initial

Which _____ format _____ utilized _____ system, _____ whether caps _____ enabled _____ initial setup _____ password are questions _____ are unanswered.

I don't know _____ caps _____ enabled when _____ was _____ or _____ the _____ case _____ be _____.

Who uses _____ sensitivity format _____ system and _____ lock _____ when I created _____?

I _____ know _____ lock _____ was first created _____ if _____ used with a case sensitivity.

I was wondering _____ caps lock was _____ started setting up _____ password, _____ know what case _____.

_____ to know whether caps lock was _____ initial stage _____ setup _____ was set in _____ format.

_____ is used _____ your system, _____ whether or _____ caps lock was _____ of password are questions that _____

_____ what _____ sensitivity format _____ I _____ wondering if _____ lock _____ enabled when I created my _____.

Which _____ sensitivity _____ by _____ if _____ was enabled _____ the initial setup are questions that people _____.

_____ don't know what _____ sensitivity format _____ used and _____ wondered if _____ was _____ my password.

If caps _____ initial setup of password _____ case _____ is _____ by your system, _____ curious.

_____ cannot _____ caps lock was enabled _____ initial setup of password or _____ sensitivity format _____ system.

I _____ sure if _____ sensitivity is _____ that system or if caps _____ when _____ password _____ created.

I don't know _____ lock was _____ for _____ during initial setup, _____ what _____ your system?

_____ don't _____ whether caps _____ enabled _____ system _____ setup, and _____ set password _____ sensitivity.

I am unsure if caps lock _____ when _____ password was _____ if case _____.

_____ not known if _____ during the initial _____ of password or _____ case _____ is _____ your system.

_____ sensitivity format it used _____ I'm wondering if caps lock _____ I create _____ password.

_____ not sure _____ sensitivity format it _____ and I _____ wondering _____ was used initially when _____ password.

I'm _____ sure what _____ format _____ used _____ wondering if caps lock was _____ when _____ up.

Which _____ sensitivity _____ by your system and _____ lock _____ enabled during _____ setup _____ your _____?

Which case _____ used on your system and _____ caps _____ was _____ during _____ password?

I didn't _____ format _____ used, and _____ wondering if _____ lock was _____ when I _____ my _____.

Which _____ format is _____ by your _____ if _____ was enabled during the _____ password?

I'm _____ if you _____ if _____ was enabled _____ initial setup of your password _____ of _____ system.

_____ sure if _____ sensitivity is _____ or if caps lock _____ when _____ password _____ created.

_____ "which _____ sensitivity format is utilized by your system" _____ "whether _____ lock _____ during the _____

It's _____ to _____ whether caps _____ initial _____ of password _____ if _____ was _____ in the case of sensitivity

I _____ know _____ caps lock was enabled _____ the _____ was _____ if _____ is _____ sensitivity by our _____.

_____ am curious if you _____ caps _____ enabled in _____ initial _____ password or _____ case sensitive _____.

_____ system _____ whether _____ was enabled during the initial setup of password _____ unanswered questions.

Is caps _____ turned on when I _____ this _____ case _____ uses?

I _____ know _____ sensitivity format _____ used, _____ I was wondering _____ was _____ when setting up _____.

I _____ like to know if _____ was _____ in initial _____ password or if case _____.

_____ don't know what _____ format it _____ and I was _____ caps _____ enabled _____ I started _____.

I don't know _____ case sensitivity format it _____ not _____ if _____ lock is _____ when _____ my _____.

_____ like to _____ if caps _____ in _____ of password or which format _____ sensitivity _____ used by _____.

I don't _____ format _____ and _____ am wondering _____ caps _____ was _____ I first set up.

_____ if you _____ format case _____ is _____ by _____ system or _____ caps lock was enabled _____ of password _____ that _____ not answered _____ whether _____ lock _____ the initial _____ password or _____ sensitivity format is _____ by your _____.

It's _____ clear _____ caps _____ was enabled _____ or if case sensitivity format _____ used.

I _____ sensitivity format it _____ and _____ wonder _____ caps _____ was _____ when I _____ set my _____

_____ unanswered questions _____ whether caps lock _____ the _____ setup _____ password, _____ case _____ format is _____ by _____ system.

_____ if _____ was enabled _____ the initial _____ of password or which case sensitivity _____ utilized by _____.

I want _____ was enabled _____ setup _____ your password or _____ format case _____ is utilized by your _____.

_____ wonder if _____ lock _____ in _____ of password _____ format case sensitivity is used _____ system.

_____ sure what case _____ it used, _____ if caps _____ enabled when _____ set my _____ password.

_____ not _____ what case sensitivity _____ it used, _____ was wondering _____ caps _____ was _____ I _____ setting _____ my system _____

_____ know _____ lock was enabled _____ was _____ created or whether it was used _____ case _____.

_____ if caps were enabled _____ the system was setup, and how _____ set.

_____ sensitivity _____ is _____ on your _____ caps lock _____ enabled _____ the initial setup _____ password are _____ known.

_____ sensitivity format _____ used by your _____ and _____ caps _____ during the setup _____ password?

_____ not sure if _____ is used _____ that _____ or _____ caps _____ was _____ when the password _____.

Can't _____ if _____ was _____ during initial setup of password, which _____ used _____ your _____.

Do you remember if _____ was _____ password setup _____ what form _____ your _____ uses?

_____ don't know what case sensitivity _____ it used _____ I was _____ I started setting _____ system _____.

Which _____ format _____ by your _____ and whether _____ lock was enabled during _____ setup _____ questions _____ have _____ been answered

_____ don't know _____ lock _____ enabled _____ the password _____ first _____ or _____ it _____ used _____ case sensitive _____.

_____ don't know what case sensitivity _____ it _____ and I'm _____ if _____ when _____ set my _____.

_____ your system _____ a case _____ or _____ activated when setting up _____?

_____ case _____ format is used _____ your system and if caps _____ setup of _____?

_____ case _____ is used _____ your system _____ if _____ lock _____ in the setup _____ password?

Which case sensitivity _____ is _____ your _____ whether caps _____ during _____ setup _____ the password?

_____ know _____ format it used and I was _____ if _____ lock _____ used _____ setting up my _____.

I _____ caps _____ was enabled when the password _____ whether _____ used _____ case sensitivity format.

It's _____ caps _____ enabled _____ initial stage _____ password _____ if it was set in case _____ format.

I don't understand _____ lock _____ enabled _____ was _____ created or if case _____ used.

_____ can't remember if _____ lock was _____ during _____ of _____ password _____ if _____ format is _____ by your _____.

I'm not sure if caps were _____ the _____ was _____ or _____ to _____.

_____ am not _____ case sensitivity _____ it used, and _____ am _____ lock was enabled when I _____.

_____ to _____ caps lock _____ enabled at _____ of password setup or if _____ was set _____ case _____.

_____ set my _____ I don't _____ what case sensitivity format it used, _____ I'm _____ caps _____

Which case sensitivity format _____ by _____ system and _____ caps _____ during _____ setup _____ that _____ not answered.

_____ questions _____ caps lock _____ during the _____ of password, _____ case sensitivity _____ is utilized by your _____.

_____ don't know what _____ format _____ used and _____ wondering if caps _____ I started _____ my _____.

Which case _____ format _____ and whether caps _____ was enabled during _____ of password _____ caps lock was enabled during _____ initial _____ password and _____ case _____ is _____ by your _____ unanswered.

I _____ what case sensitivity _____ and _____ was wondering if caps _____ enabled _____ I _____ my password _____ to _____ if caps lock was enabled _____ the initial _____ of your _____ or _____ format _____ sensitivity _____ utilized _____

Which case sensitivity _____ is used _____ your system, and _____ caps lock _____ setup of _____ are unanswered

_____ sensitivity format is used by _____ well as whether _____ was enabled _____ the _____ of password are _____

Which _____ used _____ your system _____ whether caps lock _____ enabled during the setup _____?

_____ is used _____ your system _____ lock was _____ during the initial setup of _____ are not _____.

_____ remember _____ caps were enabled when _____ and _____ set password case sensitivity.

_____ lock turned on when I _____ and _____ format your _____ uses?

_____ caps _____ in the initial _____ of _____ case sensitivity is _____ by the system?

I am not _____ sensitivity _____ it used _____ I _____ wondering _____ caps lock _____ enabled _____ I create _____.

_____ include which case sensitivity format is used _____ was enabled _____ the initial _____ of password.

I'm not sure _____ sensitivity format it used, _____ was _____ caps lock was _____ I _____ password _____ wondering _____ caps lock was _____ setup of _____ password _____ which _____ format is used. _____ don't know _____ case sensitivity _____ it used, and _____ if _____ enabled when _____ up my system I am _____ whether _____ sensitivity is _____ for _____ or if _____ lock _____ the password was _____. _____ sensitivity _____ is utilized _____ your _____ and whether _____ lock _____ during the _____ setup _____ password, are _____ answered.

_____ case _____ is used _____ your system, _____ is _____ the password setup?

Which _____ sensitivity _____ is _____ your _____ caps _____ enabled while setting up password?

When I created _____ did caps lock _____ or _____ sensitivity format is _____ by _____?

_____ don't _____ format _____ and _____ wondering _____ caps lock was enabled _____ I started setting _____ password.

I am _____ if _____ lock was enabled _____ password was _____ or _____ it was _____ case sensitivity format _____. _____ not sure _____ caps _____ was _____ I _____ I _____ know _____ case sensitivity format it used I don't _____ what format _____ I was wondering if _____ used initially _____ setting _____ password. _____ you _____ whether caps lock _____ in _____ setup of _____ password or the case _____ format.
