

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Problems with the alternator
Inquiry Sub-Category	Strange noises coming from alternator
Description	Customers may report unusual noises such as grinding, squealing, or rattling coming from the alternator. These noises could indicate worn-out bearings, a loose belt, or other internal issues, requiring repairs or replacement of the alternator.
Data Size	8,402 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

____ could ____ causing my vehicle's ____ to emit loud ____ noises when ____ ____ ?
____ wondering ____ you can ____ of the ____ noises ____ car's starter assembly.
____ my car's electric ____ start up ____ loudly?
Why ____ generator making ____ clanks ____ starting ____ ?
What ____ behind ____ loud noises ____ generator?
What ____ the ____ from ____ generator in ____ vehicle?
Why does my ____ noises ____ it ____ up?
____ the ____ generator making ____ noises?
Why do my ____ when ____ start it?
____ there ____ reason ____ electrical ____ is making loud banging ____ startup?
What ____ my generator to ____ noises ____ start ____ car?
Why ____ my car's ____ loud ____ when it's ____ ?
____ my car ____ weird noises ____ .
____ know ____ my ____ power generator thump?
Does anyone ____ could cause ____ car's ____ generator to ____ strange ____ ?
Why does ____ car's generator ____ ?
____ could cause my ____ thump loudly ____ startup?
____ causing my ____ electrical generator ____ make ____ startup?
____ I start ____ generator, ____ causes ____ ?
The electrical ____ car makes ____ clanking sounds ____ .
The electrical generator in ____ emits ____ it ____ up.
Why ____ the electrical generator ____ noises ____ I ____ vehicle?
Why ____ generator in my ____ loud a clang ____ ?
____ it when the ____ generator ____ up ____ vehicle is ____ ?
Is ____ problem with ____ that ____ crazy ____ when the ____ starts?
____ sounded like ____ generator ____ noise ____ it was starting ____ .
____ my ____ source clangs loudly ____ engagement?
Why ____ my ____ thingamabob making clanging noise ____ it ____ ?

____ it possible that ____ is ____ while ____ start it?
 ____ my car's ____ makes loud clanking ____ starting?
 ____ to ____ what ____ my ____ starter ____ to rattling.
 ____ electrical generator in ____ that ____ sounds on startup.
 ____ a reason why ____ generator is making ____ when I start ____?
 ____ my vehicle makes ____ clanks ____ it starts.
 ____ generator ____ makes loud clanking sounds ____ it's started.
 ____ my car generator ____ making ____?
 My car's electric ____ a ____.
 Why was ____ generator ____ my ____ startup?
 Do ____ why ____ obnoxious contraption ____ making ____ as soon as ____ er ____?
 My generator ____ a ____ noise ____ it ____ what ____ be the ____?
 Do ____ have ____ contraption makes ____ many ____ sounds ____ I start er ____?
 Is ____ possible that my car's ____ noisy ____ it?
 There's a ____ from the electrical ____ vehicle.
 ____ generator in my car makes loud ____.
 ____ my car's generator making ____ at ____ beginning?
 I'm not ____ leads to that noisy start-up ____.
 ____ the clank sounds ____ startup ____ from the electrical ____ in ____?
 ____ car's ____ emits noisy clanks when ____.
 Can you identify ____ of ____ noise ____ generator?
 ____ are ____ loud ____ my ____ starts?
 ____ my ____ electric generator ____ up in a ____?
 ____ don't know what ____ my car's ____ make ____ thumping noise ____.
 ____ noises when I start up ____?
 Did startup ____ mean an ____?
 What could ____ auto's power generator to make ____?
 ____ am I hearing ____ my car starts?
 When ____ generator, what makes the ____?
 Why ____ car's ____ make loud clanking sounds when ____?
 There ____ rattling ____ within the ____ as the ____ generator starts ____.
 Is my ____ making loud ____?
 The generator ____ was ____ on ____.
 ____ my ____ generator ____ such loud banging ____?
 I don't ____ what ____ my car's ____ to start ____.
 Why ____ making noises during ____?
 Is ____ reason for ____ sounds ____ the electrical generator of ____ vehicle?
 My ____ a ____ noise when ____ starts, ____ is the ____?
 What causes ____ vehicle's ____ loud noises when I ____?
 ____ does my ____ generator make ____ clanks ____ up?
 ____ is my car's ____ noise?
 I have a ____ and ____ makes crazy noises.
 I ____ to know what's ____ noise from ____ startup.
 Are there ____ specific ____ why ____ generator is ____ loud ____ noises?
 ____ there a ____ noises when I start ____?
 I ____ know ____ behind the loud ____ generator.
 What ____ generator to ____ up in ____ loud manner?
 ____ on my ____ loud banging noises ____ on.
 ____ strange ____ sounds ____ within ____ vehicle when the electric ____ starts ____.
 The electrical ____ my vehicle makes ____ at start _____.

Generators ____ loud noise ____ car ____.

____ generator in my ____ create such ____ clang ____ startup?

____ could be ____ of the ____ generator ____ it starts?

____ had a noisy ____ car's electric ____.

____ electrical generator ____ makes ____ clanks at startup.

____ the electric power unit in my ____ a ____?

What is ____ loud noises ____ from my ____?

When ____ electrical generator starts ____ emits ____ clanking ____.

What ____ causing ____ my vehicle's ____ generator?

____ cause ____ loud noises coming from my car's ____?

Is there ____ for ____ car's generator making ____?

What causes ____ generator ____ loud ____ sounds?

When my electrical generator ____ a ____ of ____.

____ potentially be clattering ____ in my ____ power ____.

Can you ____ me ____ the ____ my car ____ like it's ____?

The ____ thingamabob in my car makes terrible ____.

The electrical generator in ____ loud ____.

What ____ the ____ the loud ____ coming from ____ generator?

____ an electrical generator ____ car that ____ on startup.

____ electrical ____ emits loud ____ noises ____ it starts.

____ wrong with the ____ that makes ____ when my ____ starts?

____ car ____ that makes ____ when it starts.

The ____ auto Gen ____ was ____.

I don't ____ my car emits disruptive banging sounds ____ turned ____.

____ wondering why ____ in my ____ rattling when ____ start it.

What could be causing ____ loud ____ from ____ generator ____?

Is ____ possible that ____ power ____ loudly upon initial ____?

Experiencing unusual ____ from within the ____ starts up, ____?

Why do my ____ it starts?

____ you ____ what causes ____ a loud noise on start-up?

____ electrical generator ____ loud ____ at startup?

Can you ____ me figure ____ electric generator ____ banging sounds ____ on?

____ tell me what could ____ my ____ to make thumping noises ____?

____ sure what's ____ from my generator on ____.

____ is my ____ generator ____ after I ____ it?

Is ____ possible ____ car's ____ could ____ strange thumping ____ at startup?

The ____ is loud ____ startup.

____ my ____ make so much ____?

Why does my car's ____ loud clanking ____?

____ loud clanging ____ car starts

____ there ____ of the noise ____ from ____ vehicle's electrical ____?

____ you know what leads ____ start-up of ____ generator?

____ my vehicle's electrical ____ to ____ noise when ____ up?

I ____ know ____ the ____ generator in my car ____ startup.

Why ____ the generator ____ weird noises?

Your ____ loud clanging noises ____ it's ____.

____ is my generator ____ loud clanking noises ____?

Is there a ____ why my car's electric ____ making ____ clanking ____ it?

What is ____ my ____ make loud noises ____ up?

Why ____ vehicle's ____ emit loud ____ when it ____ up?

How come _____ electrical generator _____ my _____ makes _____ ?

_____ my _____ my generator _____ loud clanks.

The _____ on _____ car _____ making _____ clanks _____ it _____.

_____ has an electrical generator _____ clank _____ startup.

_____ clanging noise _____ my _____ starts.

Did _____ that the electric _____ emits _____ sounds _____ turned on?

_____ to _____ out _____ electric generator _____ my car _____ banging sounds.

Is _____ a reason _____ my car's electric _____ clanking _____ ?

_____ electrical generator in my _____ loud _____ it starts.

What is _____ electrics to _____ loud _____ on start-up?

There is a generator in _____ creates _____ clangor _____.

_____ there a reason _____ electric _____ my _____ emits _____ sounds?

_____ my _____ generator makes loud noises, what _____ ?

_____ electric generator _____ makes a _____ noise.

There is _____ clanking sound _____ from the _____.

I _____ why my _____ electrical thingamabob _____ noise _____ up.

What _____ cause _____ vehicle's _____ generator to _____ generating _____ ?

_____ my dumb _____ making loud _____ noise _____ startup?

There is _____ sound _____ from _____ generator _____ my car.

_____ electrical _____ makes _____ noises when _____ start my _____.

Is _____ possible _____ wheels' _____ source clangs _____ upon initial _____ ?

My _____ generator makes _____ starting.

The electrical _____ in _____ makes _____ clanking sounds _____ starts.

_____ need _____ know _____ causing _____ electrical generator to _____ loud _____ noises.

Why is _____ generator _____ when _____ startup?

_____ want _____ know why my _____ making noise when _____.

_____ curious _____ what _____ cause _____ electric _____ in _____ to start rattling.

_____ there _____ why my _____ electric generator _____ loud noises _____ starts?

_____ it possible _____ car's electrical thingamabob is making clanging _____ ?

What could be _____ cause _____ loud _____ coming _____ car's _____ ?

_____ car's electrical _____ makes that _____ clanging _____ when it _____.

_____ it possible _____ my _____ electric _____ is making _____ clanking sounds _____ up?

Why does my _____ noises at _____ ?

_____ might _____ the loud clanks from _____ electrical _____ ?

_____ is a _____ vehicle _____ such loud noise?

What _____ the _____ for _____ vehicle's _____ generator _____ lot _____ when it starts?

Was there _____ reason for _____ loud start-up _____ ?

_____ generator is _____ noises _____ starting _____.

A generator _____ my car makes _____ noises _____.

There is _____ in my _____ makes rattling _____.

What _____ my vehicle's _____ to _____ ?

_____ the _____ car keeps rattling after I start it?

The generator _____ my _____ loud banging noises _____.

My _____ loud _____ when _____ starts.

Can you _____ generator in my car emits _____ ?

Why is _____ generator making loud _____ noises _____ ?

_____ wondering if you _____ me what's causing _____ in the _____.

My electrical generator emits _____ it _____ up.

My car's electrical _____ emits _____ noises _____ start _____.

Why is my dumb _____ loud _____ noise _____ ?

Why is my _____ generator making loud _____?
 _____ a _____ why my _____ loud noises on start-up?
 _____ car _____ weird noises at startup?
 Can _____ help me _____ why the _____ in _____ banging noises?
 I don't _____ electrical generator _____ loud clanking noises.
 The electrical generator in _____ cause _____ sounds _____.
 _____ do _____ hear _____ when I turn it _____?
 Can _____ help _____ identify why my car's _____ generator emits _____?
 I _____ what _____ my car's power _____ to _____ thumping.
 _____ causes loud clanks _____ electric motor _____ machine?
 _____ want to know _____ my _____ starter assembly _____ make _____.
 I'd like to _____ cause _____ power generator to _____.
 _____ is causing _____ to make _____ noises _____ starting _____?
 The _____ the car _____ cause _____ sounds _____ startup.
 _____ car _____ generator that _____ weird noises _____ start-up.
 My _____ electrical _____ is making all _____ clanging noise _____.
 _____ a _____ my vehicle's _____ generator _____ loud banging noises?
 Is _____ generator making _____ noises _____ start _____ car?
 Startup _____ could mean _____ electric _____.
 _____ why my _____ generator makes _____ clanking noises when _____ up?
 I _____ why _____ generator makes loud _____ starts.
 _____ knows what _____ on startup in a _____?
 _____ you explain to _____ why the electric _____ my _____?
 _____ there a reason why _____ electric generator _____?
 There _____ a generator _____ my car that _____.
 Why _____ the _____ in _____ car making such _____ clangor _____?
 How _____ car generator making _____ at _____?
 Why is my _____ after it _____?
 Why is _____ making _____ noises _____ it starts?
 _____ my car's _____ is making _____ at _____?
 _____ it _____ that my _____ is _____ noisy clanks when _____?
 _____ hear me, what _____ my ride's electrics _____ loud _____ on _____?
 The _____ thingamabob _____ noise when it _____ up, _____?
 _____ my _____ making noise at _____?
 _____ generator in my _____ loud clanking _____ started.
 _____ my stupid ride's electrics _____ make _____ noise _____ start-up?
 _____ could _____ my power _____ to _____ noises at _____?
 _____ could cause my _____ to _____ of noise when _____?
 _____ makes loud _____ sounds at _____.
 _____ vehicle's _____ is _____ loud noises _____ starts.
 What _____ be the cause _____ the _____ noises _____ vehicle's _____ generator?
 _____ my car generator make noisy _____ it _____?
 _____ there _____ why _____ generator emits _____ on start up?
 The generator of my _____ sounds _____ starts.
 _____ would _____ to _____ why my vehicle's generator _____ making _____.
 The _____ makes loud clanking noises _____.
 Generators _____ clanging _____ the _____ starts.
 The _____ car made a clang _____ startup.
 clank _____ startup are caused _____ the electrical _____ the _____.
 I _____ know why my _____ is _____ clunky noises _____.

_____ there a _____ reason _____ my car's _____ is _____ noises?

There _____ loud clanking noises _____ vehicle's electrical _____.

_____ is the generator _____ loud at startup?

_____ makes _____ when my _____?

_____ possible that this _____ keeps making banging sounds as _____ up?

_____ my _____ generator making _____ noise?

_____ my vehicle's generator _____ loud _____ after _____ starts?

_____ the cause of my vehicle's _____ noise when _____?

_____ possible that _____ generator is making _____ clanking sounds when _____ start _____?
 _____ stuff in the _____ a loud _____ on _____.
 Why does my car's _____ a _____ of _____ when _____ starts _____?
 _____ is it _____ as the electric generator _____ up?
 _____ you able _____ identify _____ electric generator in _____ car _____ sounds?
 Can you help _____ why _____ generator in my _____ loud _____?
 Can _____ tell _____ what _____ the _____ my vehicle's generator?
 Is it _____ the _____ on _____ is _____ noise when it _____?
 Do _____ know _____ my _____ electric generator to _____?
 I _____ a _____ start-up _____ generator.
 _____ my generator make loud _____ when _____?
 Is _____ because _____ electric generator _____ auto _____ when it _____?
 generator _____ loud noise _____ starts.
 Why does my _____ a _____ creates such _____ clangor _____?
 Why does _____ make _____ loud start-up?
 Why is my vehicle's electrical _____ loud _____?
 I _____ know why my _____ is making _____ started.
 Can you _____ car's electrical _____ making noise _____ startup?
 I _____ generator _____ makes loud _____ my vehicle.
 _____ my _____ makes loud clanking _____.
 _____ might cause _____ auto's _____ generator _____ make _____ startup?
 There _____ loud _____ car's electric generator.
 _____ did the generator in my _____ create _____?
 Why _____ my generator _____ it _____?
 _____ making _____ my car _____
 _____ is my _____ making such _____ clangor _____?
 My _____ loud _____ sounds when it _____.
 Are _____ able _____ tell me _____ the electric generator _____ rattling?
 I was wondering _____ was causing my car's _____ when _____.
 _____ come _____ car generator is _____ noises _____?
 Why _____ the _____ electric _____ making strange _____ sounds as _____?
 _____ my car's _____ unit _____ so loud _____ noises?
 _____ a _____ noise coming _____ electrical generator on _____.
 I don't _____ why the _____ keeps _____ during startup.
 I don't _____ what's _____ clanks _____ my vehicle's electrical _____.
 _____ is the generator _____ loud clanking noises _____?
 _____ because _____ car's _____ is making _____ clanking sounds when it _____?
 My vehicle's electrical _____ startup, _____ are _____ clanks.
 _____ is _____ car's electric _____ making _____ noises _____ starts up?
 _____ anyone tell _____ could cause my _____ power generator _____?
 Why is it that _____ vehicle creates _____?
 _____ the _____ my car makes strange _____.
 I _____ to _____ why _____ electric generator _____ my _____ keeps rattling _____.
 When I _____ my _____ generator, what _____ loud?
 Can _____ help _____ why the _____ generator in my car _____?
 _____ wonder if _____ is _____ generator to make loud _____ when _____.
 Why is my _____ making _____ clanking noise _____?
 _____ I _____ what causes _____ noise?
 _____ generator _____ loud clanging noise _____ starts.
 Can _____ help me understand _____ generator _____ my _____ makes _____ sounds when _____?

There are _____ my _____ generator.
 _____ causing _____ car's electrical generator _____ make loud banging _____?
 _____ electrical _____ in _____ may cause clank sounds _____.
 There is a _____ making _____ noises _____ starts.
 I want _____ know why my _____ thing _____ making _____ turn _____ on.
 Why does _____ generator create loud banging _____?
 _____ electrical generator produces _____ noises _____.
 Can _____ tell _____ what's _____ vehicle's generator to make _____?
 _____ what _____ cause _____ electric generator _____ my vehicle _____ rattling.
 Any idea why my _____ generator _____ start-up?
 Why _____ generator _____ a _____ clanking noise?
 _____ does the _____ of _____ car generate _____ banging noise?
 _____ electrical _____ in my _____ noise _____ it _____ up.
 Is _____ reason the _____ generator _____ my car _____ banging _____?
 I _____ my _____ electrics to make a loud _____ start _____?
 Why _____ generator making _____ noise _____?
 How come _____ generator _____ loud _____ start my vehicle?
 _____ if you _____ tell _____ of the rattling _____ the starter assembly.
 Why _____ car's _____ making loud noise when I _____ it _____?
 _____ could be causing _____ electrical generator to _____ when _____ starts _____?
 _____ in my _____ makes _____ during _____ up.
 Can you _____ me _____ reason the electric _____ emits loud banging _____?
 _____ tell me why my _____ is _____ noise?
 _____ in my vehicle is making _____ noises _____.
 _____ like to know why the _____ in _____ rattling _____ startup.
 _____ idea _____ my vehicle's _____ generator is _____ noises when _____ it?
 I would _____ the _____ generator in my car _____ banging _____ turned _____.
 I was wondering _____ was _____ my vehicle's generator.
 The _____ sounds _____ may be caused _____ generator _____ the vehicle.
 What _____ vehicle's _____ generator to start _____ noises?
 _____ if there is a reason _____ my _____ making loud _____ sounds.
 Why is my car's _____ a _____ starts?
 _____ there _____ reason my _____ clinks as _____ starts?
 Is it _____ that _____ making _____ noises when _____ starts?
 _____ my vehicle's generator _____ loud _____ it _____?
 _____ in _____ car makes _____ clanking _____ when _____ start it.
 The _____ makes _____ noises _____ car _____.
 Are _____ able _____ explain why the _____ in _____ rattling?
 I _____ figuring out _____ my vehicle's _____ is _____ noises.
 Can _____ tell _____ causes my _____ to make rattling _____?
 _____ if anyone knows what _____ cause _____ car's _____ generator _____.
 _____ is _____ loud clanks _____ it _____.
 I'm wondering what _____ cause _____ vehicle to _____ making sounds.
 _____ my car generator _____ strange _____ startup?
 _____ electrical _____ my car _____ clanging noises _____ cranks up.
 _____ electrical generator emits noises _____ starts _____.
 _____ there a reason _____ my _____ generator makes _____?
 The _____ makes loud _____ after it _____.
 _____ you tell me _____ cause _____ from the _____ my car?
 What _____ the _____ of the loud _____ electrical generator _____ vehicle?

Is my vehicle's ____ making loud ____ after ____ ____ ____ ?

Something ____ be ____ blame for the ____ ____ my electrical ____.

Why was ____ in ____ vehicle making ____ loud ____?

____ tell ____ makes my car's starter assembly ____ rattling ____?

____ I hear loud clanks ____ I ____ ____ car?

Why does ____ ride's ____ ____ commotion on ____?

____ you tell me ____ car emits ____ the generator ____ on?

____ generator is making loud clanks ____ ____.

____ want ____ know why ____ generator makes loud ____ it's ____.

____ does the ____ my car make ____ banging ____?

I wonder ____ is causing ____ car's ____ to ____ clanks.

When I ____ up ____ vehicle's ____ the noises?

____ generator ____ vehicle produces loud clanks ____ startup.

Does ____ clangs mean ____ generator ____?

Why ____ generator ____ vehicle ____ such loud noise?

The ____ generator in the vehicle ____ the cause ____ on ____.

____ clanking sounds ____ the electrical ____ in my ____ starts.

Why does the electric ____ produce such ____ banging ____?
