

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Security and Alarm Companies
Inquiry Category	Extending or adjusting alarm system coverage
Inquiry Sub-Category	Expanding alarm system to outbuildings
Description	Customers with outbuildings, such as sheds or garages, may inquire about expanding their alarm system coverage to protect these additional structures, inquiring about additional equipment and installation requirements.
Data Size	5,030 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Security and Alarm Company" customer inquiry. (Purchased data will not be masked.)

____ there ____ devices needed ____ coverage ____ the main building ____?
 What ____ are ____ to increase ____ of the ____?
 Can you tell me if ____ gear ____ needed ____ broader ____ ____?
 Are these devices ____ to ____?
 ____ expanding beyond ____ should ____ use certain ____?
 ____ gadgets are ____ to expand coverage ____ building?
 ____ used to increase coverage in the ____ building?
 Is ____ any ____ when ____ coverage beyond ____?
 ____ devices are ____ coverage beyond ____ structure?
 Does ____ need ____ specific device ____ expand coverage ____ the ____?
 ____ the devices ____ to extend security ____ buildings?
 Do our devices ____ to ____ beyond the ____?
 ____ the devices ____ be put on the ____ of ____ building?
 Is ____ a need for additional equipment ____ security ____ limit?
 ____ be a need for ____ equipment ____ boosting ____ outside ____.
 Is any ____ device ____ alarm ____ the house?
 Is ____ a ____ for specialized ____ to ____ coverage ____?
 Is ____ necessary ____ add ____ to ____ coverage outside ____ main ____?
 ____ the devices that ____ to cover the ____ side of ____?
 ____ there be specific ____ extending ____ main building?
 Can you ____ need specific gear ____ expanding ____?
 ____ specific ____ that needs to ____ for coverage beyond ____ building structure?
 Is there ____ for ____ that can ____ coverage ____ of ____?
 Can specific gadgets be ____ extend ____ system's range ____ the ____?
 ____ are ____ are ____ extending coverage past the ____ structure.
 Is there ____ need ____ coverage outside the ____?
 ____ devices for broadened ____?
 ____ necessary for ____ reach?

Is it ____ for certain ____ reach outside ____?

Special devices ____ can ____ expanded ____?

What things ____ needed to ____ the ____ building?

____ specific gear ____ broader surveillance ____ indoors?

Which ____ should be ____ alarm services ____ the ____ premises?

____ tools are needed to extend ____ the ____.

____ devices are necessary ____ outside ____?

____ specific gear to expand coverage?

____ be used ____ building coverage?

____ structure requires more ____?

____ specific ____ be ____ extending ____ outside the structure?

____ are ____ devices ____ need ____ be used ____ expand ____ the main ____ boundaries?

Can ____ tell ____ specific gear is necessary ____?

Special devices ____ for coverage beyond ____ structure.

There are ____ devices that ____ needed ____ beyond the ____ building ____.

Can you ____ if ____ is necessary ____ surveillance than ____ indoors.

____ there a device needed ____ the ____ building?

____ are necessary to ____ alarm ____ the house?

____ extending coverage beyond ____ building structure, ____ specific ____?

What ____ needed ____ expand security coverage beyond ____?

____ devices that increase ____ on the ____ the building?

____ the main ____ are ____ needed?

____ devices are ____ the main building's boundaries?

____ device needed ____ coverage beyond the main ____ structure?

____ tools ____ required to extend ____ the ____?

Should ____ use ____ expanding our ____ range ____ the facility?

There might be ____ coverage ____ main building structure.

____ devices ____ to ____ of the main ____?

____ for broadening premises?

____ the special ____ for ____ premises?

Is ____ a requirement ____ particular ____ beyond the ____ building?

Should ____ additional equipment to ____ outside ____ building?

Specific ____ are ____ when extending ____ outside ____ main ____.

Special devices ____?

Can ____ tell me ____ specific ____ is ____ detection?

____ are ____ needed to ____ other side ____ building

Is ____ equipment ____ expand coverage ____ the ____ building?

____ specific tools necessary ____ outside ____ structure?

What ____ needed ____ coverage ____ our facility's structure?

____ kind ____ devices ____ needed ____ extend coverage ____ the main ____?

____ coverage beyond ____ are there special devices ____?

____ a ____ specialized equipment outside of ____.

____ special devices be used to ____ coverage ____ building ____?

There are ____ devices ____ expanding alarm reach ____ house.

Which ____ needed to ____ coverage ____ the main ____?

Do ____ devices to provide coverage beyond ____?

____ that are ____ coverage beyond the main building ____.

There are ____ devices that are ____ coverage beyond ____.

____ are needed to ____ coverage ____ the ____ boundaries?

____ device ____ needed for extending coverage beyond ____ structure?

There is _____ specialized equipment _____ boosting _____ of buildings.
_____ are required to extend my security _____ main _____ structure?
_____ there a requirement _____ coverage beyond the main _____ structure?
_____ specific devices required _____ extending _____ the _____ structure.
_____ it _____ have _____ when extending coverage _____ the main _____?
Is _____ necessary _____ devices _____ extend coverage past _____ main _____?
Special _____ are needed _____ coverage _____ beyond the _____.
_____ gadgets _____ when _____ alarm services outside the _____ premises?
Devices that are _____ to _____ of the _____?
_____ devices _____ used to _____ home alarm services _____ the _____?
_____ there _____ specific _____ to expand _____ outside the building?
_____ there any need _____ devices _____ extend coverage beyond _____?

_____ there _____ security tools beyond the _____?
_____ are required to expand coverage _____ the _____?
_____ you want _____ gear is needed for broader _____?
Which _____ be used for home _____ services past _____?
Which _____ are _____ outside _____ building?
_____ are specific _____ that _____ needed for extending _____ outside of _____.
_____ are _____ that _____ increase the coverage _____ the outside of the _____?
Is _____ need for specialized _____ order to _____?
_____ you know _____ specific _____ is required _____ broader _____?
_____ need more equipment _____ expand _____ of _____ building?
What _____ need to be _____ to _____ coverage _____ the _____?
Is _____ any _____ increase _____ range beyond the _____ building?
_____ are needed _____ extend coverage _____ the _____ structure?
When expanding _____ reaches outside _____ devices are _____?
_____ gadgets extended my _____ system's range past _____ structure?
_____ need for specific devices to _____ beyond _____ structure?
Is _____ necessary to _____ for _____ coverage?
Additional _____ are required _____ beyond a _____?
_____ are _____ to cover the other _____ of _____.
There are _____ devices that _____ to _____ the _____ building.
What more _____ are required _____ beyond _____ building _____?
Outside _____ main infrastructure _____ we need _____?
_____ a need for equipment to _____ buildings.
Is there _____ device needed _____ extending coverage _____ the _____?
Devices that are _____ to _____ the _____ of _____ were _____.
Are _____ that _____ necessary for coverage _____ structure?
What _____ to _____ the _____ of the building?
_____ gizmos be required _____ beyond the _____ building?
_____ a specific device _____ is needed _____ beyond the main _____?
_____ there _____ specific device _____ extending _____ outside _____ main building _____?
_____ are all the _____ other side of _____ building?
_____ devices _____ to be used outside of _____ main _____.
_____ there a device I _____ coverage _____ main _____ structure?
What _____ needed to extend security _____ the _____?
_____ to extend _____ buildings?
There are _____ devices _____ need _____ be used for _____.
_____ gadgets should _____ used to expand _____ alarm _____ the _____?

When _____ services _____ primary premises, which particular gadgets should _____ ?
 _____ needed to _____ beyond the main structure?
 _____ extend coverage _____ building structure, what _____ the _____ tools?
 _____ additional devices to _____ beyond building?
 _____ there _____ for specific devices _____ coverage outside the _____ ?
 _____ may be _____ specialized equipment to _____ coverage _____ of _____ .
 Is _____ particular device _____ when _____ alarm _____ the house?
 Outside the _____ are _____ ?
 Does there _____ to _____ devices _____ beyond the _____ building structure?
 Can _____ gadgets _____ system's range beyond _____ building?
 Should there be specific _____ for _____ the _____ ?
 _____ are the _____ to _____ coverage?
 _____ devices _____ to be used _____ coverage beyond the main _____ .
 When extending _____ beyond _____ main building structure, _____ that _____ needed?
 Devices _____ to _____ building _____ ?
 Outside of _____ main _____ limit _____ a need for _____ ?
 What _____ are needed to _____ coverage _____ building's _____ ?
 _____ devices _____ go _____ the main _____ boundaries?
 _____ are certain _____ to _____ used when extending coverage _____ the main _____ .
 _____ specific devices _____ increase _____ outside the main _____ structure?
 _____ additional tools are _____ to _____ a building _____ ?
 _____ it necessary _____ additional _____ outside _____ the _____ building?
 _____ know if specific gear _____ for _____ just indoors?
 _____ devices are _____ to _____ beyond the _____ structure?
 Do _____ need _____ equipment _____ main _____ limit?
 _____ gadgets should _____ used when _____ outside _____ main premises?
 Are _____ tools needed _____ extend coverage _____ ?
 _____ are devices _____ to _____ security _____ .
 _____ be _____ tools _____ covering outside _____ structure?
 _____ we _____ more equipment _____ outside _____ main building?
 _____ there _____ that I _____ to expand _____ outside _____ building?
 Special _____ be used _____ coverage beyond _____ main _____ structure.
 _____ enhancing security _____ the main _____ do _____ need additional _____ ?
 Specific devices must _____ in order _____ coverage _____ the _____ building _____ .
 _____ of _____ limit, should we have _____ equipment?
 _____ the devices that _____ improve coverage _____ of _____ building?
 Any particular _____ are needed _____ expand _____ alarm _____ ?
 Can there _____ to _____ coverage beyond _____ building?
 Do we need _____ to _____ outside the _____ ?
 _____ expand _____ beyond _____ facility, _____ we use certain tools?
 I want _____ know _____ are required to _____ my _____ system's _____ the _____ building structure.
 _____ tools _____ for _____ outside the _____ ?
 Is _____ necessary to use _____ beyond _____ main building?
 _____ to _____ security past buildings?
 _____ specific devices that have _____ be used _____ extending _____ beyond _____ .
 _____ are _____ extend _____ security system's _____ beyond _____ main building?
 _____ required _____ additional equipment outside the _____ building?
 Does there _____ have specialized _____ to _____ outside _____ buildings?
 What _____ are _____ to extend security _____ buildings?
 _____ any special device _____ extend coverage beyond the _____ ?

Which particular _____ be _____ expanding home alarm _____ the principal _____?

What _____ be _____ extend coverage beyond _____ main building _____?

There _____ devices _____ be used for _____ the _____ building structure.

_____ are _____ devices used _____ protect the other _____ of _____?

_____ it _____ for specific tools _____ for coverage _____ the _____?

_____ are _____ security beyond buildings.

Outside _____ building _____ needed?

_____ devices _____ for security coverage _____ our facility?

_____ are devices used _____ increase _____ of the _____ building?

_____ expanding the _____ range beyond _____ facility, _____ certain tools?

_____ must be used for extending coverage _____ main _____.

_____ increasing _____ beyond the _____ should we _____ tools?

_____ devices are needed to _____ outside _____ main _____?

_____ it necessary to add _____ outside _____ main _____.

What _____ devices _____ needed for _____ beyond _____ facility?

Extra _____ may be needed to _____ the _____.

Is _____ particular _____ when extending _____ main structure?

_____ there a need _____ to improve _____?

_____ gadgets _____ necessary to extend _____ security system's _____ building?

Are there _____ tools _____ are needed _____ extending _____ outside _____?

_____ are _____ outside the _____?

_____ there _____ need _____ specialized _____ outside _____ the buildings?

_____ additional equipment be _____ to expand _____ main _____?

Can _____ be used to give _____ structure?

_____ used to increase the _____ in the _____ main building?

_____ we need _____ security _____ the main infrastructure _____?

In boosting _____ outside _____ buildings, _____ need for _____ equipment?

_____ when extending _____ beyond the building?

Can specific _____ used _____ outside _____?

Is _____ equipment to boost _____ of buildings?

Which gadgets should _____ used _____ home _____ services _____ buildings?

_____ are _____ coverage past the main structure.

What are _____ devices that are _____ to _____ side?

_____ devices to _____ coverage beyond _____ building's boundaries?

What are _____ devices _____ the _____ side of the _____

Which _____ should be _____ when _____ home alarm _____ past _____?

_____ devices _____ to provide _____ coverage beyond _____ facility's _____?

Is there a _____ equipment _____ coverage outside _____ buildings?

Which _____ be _____ home alarm _____ past the main premises?

_____ extending _____ the main building structure, _____ are _____ tools?

_____ need to _____ coverage beyond _____ main building structure

What _____ the devices that need _____ be _____ the building?

_____ necessary to _____ tools for extending _____ the structure?

Which _____ are _____ to _____ buildings?

Do _____ gear _____ expand coverage _____ the _____?

Can _____ device be used _____ coverage _____ main building _____?

What _____ needed _____ security coverage _____ our facility's _____?

_____ outside the _____ specific tools necessary?

_____ gadgets _____ needed _____ my _____ system's _____ past the main _____ structure?

_____ need supplementary equipment _____ enhance security outside _____ main _____?

There are _____ that _____ used when extending _____ main structure.

_____ should _____ used _____ expand coverage _____ the main building's _____?

Is there _____ particular device _____ to reach _____ house?

_____ tools help with _____ the _____?

Is _____ a need _____ equipment _____ coverage outside?

_____ devices _____ coverage beyond the main structure.

_____ use any _____ to _____ coverage _____ the main _____ structure?

Specific _____ are _____ for extending coverage _____ the _____.

Are there _____ outside _____?

_____ are _____ increase _____ in _____ outside of the main _____?

_____ of the main _____ limit _____ more equipment?

Special devices _____ when extending _____ beyond the main _____.

Can you tell _____ if specific _____ for _____ surveillance _____ just _____?

_____ required when extending coverage _____ main structure.

What specific devices _____ for _____ main structure?

Will _____ be _____ devices _____ expanded _____?

Can you _____ me _____ specific _____ is _____ just inside?

_____ for more _____ premises?

Will _____ gadgets _____ increasing range?

_____ the devices needed for _____ the _____ boundaries?

Do _____ to know _____ gear is required for _____?

_____ have any _____ needed if I go _____ this _____?

_____ the main infrastructure _____ we need _____?

Is _____ any _____ for _____ equipment _____ the _____ limit?

Do _____ to _____ coverage outside the main _____?

_____ gear that _____ coverage beyond _____ structure?

Is there _____ specific devices _____ coverage _____ main structure?

What devices _____ to extend security coverage _____ structure?

_____ specific _____ for extending _____ outside _____ structure?

What devices are _____ the _____ the building?

Is there _____ requirement _____ devices _____ beyond the _____ building?

Are _____ need _____ devices to expand _____?

_____ gadgets _____ used in _____ home _____ services past the _____?

_____ gadgets need _____ extend my _____ system's _____ the main _____?

_____ devices _____ be _____ to expand _____ past _____ boundaries?

_____ should _____ used to expand _____ alarm _____ past _____ premises?

What _____ required _____ extend the _____ range past _____ building?

Which devices _____ to expand coverage past the _____?

_____ gizmos are _____ to _____ of the main _____?

Do specific devices _____ to _____ used _____ the main _____?

Are _____ devices used _____ past _____?

_____ more equipment to expand _____ outside _____ building?

_____ there _____ need _____ equipment outside the _____ infrastructure _____?

Can there be _____ to _____ coverage _____ the _____ structure?

Can _____ if specific _____ is _____ for _____ surveillance?

_____ any _____ device needed _____ extend coverage _____ main structure?

_____ specific devices to extend coverage _____ the main _____?

Which _____ used when expanding _____ alarm services _____ main _____?

What specific _____ are needed _____ security _____ structure?

_____ a need for _____ equipment to boost _____ outside _____?
 What _____ are _____ to _____ security system's range _____ the _____?
 Do _____ need additional _____ to _____ security _____ main _____ limit?
 _____ there _____ devices _____ premises?
 Does there _____ specific devices _____ coverage _____ main building?
 _____ are the _____ the _____ outside _____ the main building?
 Should there _____ to extend _____?
 _____ specific devices _____ be _____ in order to _____ beyond the _____ structure.
 _____ are _____ devices _____ used to extend coverage outside _____ building _____.
 _____ there _____ particular device required _____ beyond the main _____?
 _____ specific _____ be used to extend _____ system's _____ the _____?
 Is _____ a specific device _____ coverage beyond _____ structure?
 Which devices _____ needed to extend _____ facility's _____?
 What _____ devices _____ expanding alarm reach outside _____ house?
 Is _____ any _____ device _____ is _____ to _____ alarm reach outside _____?
 What devices are _____ go _____ building's boundaries?
 Is it necessary _____ devices _____ past buildings?
 _____ the devices _____ of the _____?
 _____ devices may _____ to extend coverage _____ main _____.
 _____ specific devices are _____ extend coverage _____ building?
 _____ reach outside the _____ there any specific _____ needed?
 Special _____ expanded _____?
 _____ specific gear _____ expansion?
 _____ alarm reach outside the _____ particular devices _____?
 What devices are _____ coverage _____ facility's structure?
 _____ be _____ equipment needed for coverage _____ main _____?
 _____ devices are used _____ outside of _____ main _____?
 Are _____ that _____ to expand coverage _____ the main building _____?
 Special devices _____ to extend _____ beyond _____.
 _____ specific devices _____ required to _____ coverage beyond _____ structure?
 Tools that are _____ to _____?
 _____ are certain devices _____ have _____ be used _____ coverage _____ main _____.
 Do we _____ certain _____ for _____ the main _____?
 _____ need _____ equipment in _____ to improve security outside of _____?
 There _____ certain devices that _____ when _____ coverage beyond _____.
 Is _____ a _____ for _____ equipment _____?
 _____ gadgets required to _____ system's _____ past _____ main _____ structure?
 _____ the devices _____ to _____ the _____ side of the _____.
 _____ we need more _____ outside the _____ building?
 _____ gadgets _____ expand home alarm _____ past the principal _____?
 _____ there a _____ to _____ coverage outside the _____ structure?
 What _____ devices _____ to _____ other side _____ building?
