

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Gas leak reporting and emergencies
Inquiry Sub-Category	Pipeline Damage Reporting
Description	Customers inform about incidents resulting in physical damage to gas pipelines, such as accidental digging or construction work.
Data Size	5,905 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

Was there accidental _____ breakage?
_____ are _____ unintentional digs that _____ gas _____?
_____ damaged gas line may _____ by _____ digs.
Accidental _____ gas _____ damaged?
Someone _____ dug and broken _____ gas _____.
_____ gas pipe _____ excavation?
_____ accidental _____ gas _____ damage?
_____ could _____ caused by accidental _____.
Was it _____ excavation _____ to the gas _____?
_____ possible that digging _____ a gas _____?
Did _____ accidentally _____ break _____ pipe?
_____ broken _____ line _____ by accidentally _____?
I wonder _____ broke _____ pipe.
_____ digging _____ cause of _____ pipes?
Was _____ gas _____ caused _____ excavation?
Was _____ that resulted in the break of _____?
Did _____ digging _____ the burst _____ the _____.
Gas _____ broken _____ someone is _____.
Did _____ gas _____ happen due to an _____?
_____ the _____ digs cause the _____ to _____?
The result _____ gas line damage _____.
_____ there _____ gas line _____ a result _____ accidental _____?
Did accidental _____ cause _____?
_____ that _____ hurt _____ gas pipe?
_____ accidental digs to _____ line _____ to blame?
Was _____ cause cracks in _____ natural gas line?
Breakage _____ gas _____ excavation?
The pipe _____ accidental _____
_____ it _____ digs _____ pipe leak?
Any gas _____ have _____ broken _____ of accidental _____?
_____ Damage to gas _____?

Is the _____ a dig _____?
_____ might have been unknowing excavation _____ break of the _____.
_____ gas _____ as a result _____ excavation?
_____ there a _____ by _____ excavation?
There was _____ have caused gas _____ damage.
_____ cause _____ gas line damage?
Maybe _____ caused _____ gas pipe _____?
Has _____ broken _____ gas _____ by _____?
Is the _____ damaged because _____?
Was the gas _____ to _____?
_____ might cause _____ be damaged.
Was it _____ known _____ excavation resulted _____ break of _____ pipe?
busted gas _____ of _____
Did accidental _____ in the gas _____?
Is _____ utility's gas lines _____?
_____ anyone mistake _____ for _____ for breaking _____?
Is _____ digging caused a _____ pipe to _____?
Did _____ a _____ in the _____ because of accidental _____?
accidental _____ line
_____ excavation causes _____ burst?
Did _____ excavation _____ broken _____ line?
_____ been caused by excavation.
_____ the gas _____ because _____ excavation?
_____ the _____ been damaged during _____?
_____ the _____ damage to the _____ line?
Were the _____ gas _____ accidentally _____ on site?
Was _____ a broken gas _____ by _____?
Accidental _____ have caused the gas _____.
_____ a _____ pipeline a _____ an unintentional _____?
_____ mistake _____ has _____ the line.
_____ dig; _____ line _____?
Is _____ that _____ caused _____ pipe to break?
_____ leak caused _____ an excavation?
Was _____ an accidental _____ gas _____?
_____ lines broken _____ someone _____ up
_____ cause _____ gas line?
Accidental _____ caused any _____ to _____?
Did _____ damage _____ the gas _____?
_____ any damage to the gas _____ digging?
Is it possible _____ digging _____ resulted _____ in the natural _____?
Was _____ pipes damaged _____ the _____?
Is the break _____ due _____ excavation?
There may have _____ accidental _____ damaged _____ line.
_____ gas _____ is _____ of digging.
Someone accidentally _____.
Were _____ pipes _____ during _____?
_____ it _____ digging that _____ gas pipe _____?
Is it _____ digging without knowledge _____ cracks in the _____?
The _____ is a result _____ excavation mistake.
_____ digging _____ caused _____ pipe damage.

A broken ____ line ____ been caused ____ dig.
____ any unintentional digs ____ to ____ damaged ____?
Were ____ utility's gas lines harmed ____?
____ be that digging caused ____ gas ____ break?
____ gas leaking?
____ leaking from an ____?
____ damaged ____ to excavation?
____ have damaged ____ gas line.
____ can ____ the gas pipes.
Did digging ____ damage ____ gas ____?
Did ____ digging ____ pipeline?
____ the ____ line ____ by ____ excavation?
Excavation mistake could ____.
Did any ____ accidentally ____ gas pipes ____?
Were ____ digs ____ to the damaged ____ line?
I am ____ broke ____ line while digging.
The ____ might ____ been ____ excavation.
____ that ____ broke a gas ____ while digging?
____ excavation mistake ____ lead ____ conduit.
____ the ____ line caused by ____ dig?
____ pipe broken ____ to ____ digging?
____ it ____ that ____ broken by accidental digging?
____ line was damaged ____ accidentally ____.
Did ____ injury to ____ gas lines?
____ the ____ piping damaged ____?
____ digging ____ cause ____ damage.
____ anyone mistakenly dig ____ gas ____?
Correct, ____ accidentally ____ gas pipe.
____ pipes ____ by ____ excavations?
____ your digging cause the ____?
____ leak ____ by ____ excavation?
____ the gas pipe ____?
Were any ____ to ____ the damaged ____ line?
The ____ have been damaged ____ excavation.
Did ____ cause ____ pipe leak?
____ line damaged ____ to accidental ____?
____ possible that a ____ broke due ____.
____ possible that digging broke ____.
Is there any accidental ____ leaks?
Is ____ because of clumsy ____?
Is it ____ unknowing ____ which resulted in the ____ a ____ pipe?
____ the broken gas ____?
Excavation ____ cause gas ____ to ____.
____ broken gas ____ might ____ by ____.
____ pipes damaged ____ to ____ digging?
____ mistake ____ broke the line?
____ you know if ____ pipe ____ broken ____ accidental ____?
Did ____ digs cause ____ gas ____?
Did ____ the ____ pipe to ____?
Did there accidental ____ cause the ____?

_____ any digging _____ the gas _____ to _____ burst?
 Was accidental digging to _____ of damage?
 Was _____ gas pipe the _____ dig _____?
 Did _____ accidental _____ pipe damage?
 Do you think _____ digging _____ pipe _____?
 _____ pipe _____ have been caused by _____.
 Was the _____ caused _____ the _____ excavation?
 Did _____ digging accidentally _____ the _____ pipes _____?
 Is the gas _____ accidental _____?
 The damaged gas _____ digs.
 _____ this _____ of digging _____ in gas _____?
 _____ any _____ cause _____ to burst?
 There _____ excavation which resulted _____ the break _____ the _____.
 Is the gas _____ damaged _____?
 _____ gas pipe might have _____ during _____ excavation.
 _____ gas _____ in excavation?
 _____ digging caused gas _____?
 _____ accidental _____ a gas _____ leak?
 _____ line was _____ inadvertent excavation.
 Did _____ see a broken gas _____?
 Is gas leaking _____?
 Was _____ without _____ the _____ of the _____ in _____ natural _____?
 _____ digging _____ gas pipe damage.
 _____ wonder if digging without _____ cracks _____ the _____ line.
 _____ cause the gas _____ burst?
 _____ any _____ inadvertently ruin _____ pipes?
 A _____ may have been _____ by _____.
 Did _____ dig break _____ pipe?
 _____ excavation _____ the broken _____ line?
 Is a gas _____?
 _____ any _____ digs _____ the gas _____ damage?
 _____ damaged _____ accidental dig?
 Can you _____ if there _____ gas pipe during the _____?
 Did _____ a _____ pipe while _____?
 accidental _____ lead to _____ pipe _____.
 _____ pipelines _____ by unforeseen _____?
 Is it _____ that _____ could have _____ the _____ break?
 _____ broken _____ pipe a _____ digging?
 Did _____ digging _____ your _____ pipe?
 Were cracks in _____ natural _____ by _____ knowledge?
 _____ digging cause any _____ to _____ gas _____?
 Is it possible _____ caused _____ gas _____ break?
 _____ it possible that excavation resulted _____ break _____ gas _____.
 _____ it _____ that the gas pipe broke _____?
 _____ excavation damage the _____ lines?
 _____ caused _____ gas pipe _____?
 Digging cause _____ gas _____?
 Is _____ gas pipe _____ unintentional _____?
 _____ some _____ cause _____ gas _____ break?
 _____ cause the _____ pipe damage.

There is _____ mistake that _____ a damaged _____.

Did an accidental _____ result _____ a _____ conduit _____?

Digging had _____ pipe.

_____ dig _____ the gas _____.

Was the broken _____ the result _____ excavation?

Is it _____ that a _____ pipe occurred _____.

_____ pipe _____ because of _____ digging?

_____ a _____ gas pipe.

_____ a _____ gas line _____ an unintentional dig?

_____ gas _____ broken due _____ some clumsy _____?

_____ without knowledge the cause of _____ in _____ gas _____?

_____ gas line damage?

_____ anyone break the _____ digging _____?

Is _____ issue _____ natural gas _____?

Did the digging inadvertently _____ break?

_____ some _____ digging _____ your _____?

Did digging done without _____ cause _____ cracks _____ line?

_____ it _____ that unintentionally digging _____ pipe?

_____ digging _____ gas pipe _____.

_____ digging _____ cause _____ damage.

_____ the _____ pipeline _____ accidental excavation?

A _____ conduit _____ be _____ of _____ excavation mistake.

Did accidental _____ damage _____ pipes?

_____ a gas _____ due _____ excavation?

Is that _____ excavation _____ piping?

_____ accidental digging _____ in gas pipe _____?

_____ resulted in _____ broken _____?

Any _____ pipes _____ been hit _____ accidental _____?

Did _____ dig _____ hole _____ break _____ gas pipe?

_____ know if some _____ broke your _____ pipe?

Is the _____ digging _____ here?

_____ digging _____ caused _____ pipe breakage.

Was the _____ due _____ unintentional _____?

_____ any _____ digs _____ gas line _____ for the _____?

Was _____ broken _____ by _____ work?

_____ broke _____ they were digging.

Is _____ that mistakenly _____ gas pipe?

_____ pipe breakage _____ result of _____?

Was _____ damage to _____ line _____ to _____?

Did _____ digging _____ gas _____ burst?

_____ digging _____ a _____ in _____ gas conduit?

Did _____ damage _____ the _____ line?

Any gas pipes _____ accidental _____?

Is _____ damaged _____ line _____ digs?

_____ digging _____ to _____ pipe damage.

_____ might have been accidental _____ in _____ break.

_____ pipes that have _____ broken _____ to _____ digging?

_____ to a damaged _____ conduit.

Is it _____ caused _____ gas _____ broken?

Accidentally _____ leaking?

_____ result _____ digging _____ pipeline damage.
_____ damaged the gas pipes.
Was _____ pipe the result of _____ digging _____ site?
Did _____ digging cause _____?
Is _____ broken _____ pipe _____ digging?
_____ digging responsible for gas _____?
Did _____ digging _____ a _____ burst?
_____ the gas _____ because of an accidental _____?
I don't _____ you _____ gas pipe by _____.
Is _____ that it _____ accidental _____ broke _____ gas pipe?
Is accidental _____ gas _____ break?
_____ break in _____ line due to _____?
Is _____ possible _____ pipe _____ during excavation?
Was _____ broken _____ pipe _____ of _____ on the _____?
Accidental _____ caused _____ gas _____ breakage.
Accidental _____ caused _____ gas _____ to _____.
_____ digging cause _____ gas pipe _____?
Did the _____ become _____ excavation?
_____ someone accidentally dig _____?
_____ gas pipe _____ caused _____ digging?
Did _____ your _____ pipe?
Was _____ gasPipeline _____ to _____?
Is it _____ that _____ have _____ damaged _____ to accidental _____?
_____ they _____ a _____ digging up?
_____ accidental _____ to the _____ problem?
_____ lead to the rupturing _____ piping?
_____ the gas _____ damaged _____?
_____ gas pipe damage.
_____ an accidental dig _____ a broken _____ line.
There was _____ broken _____ accidental excavation.
_____ digging _____ a burst in _____ gas conduit?
_____ you _____ a gas _____ digging?
_____ have been caused by accidental _____.
_____ the _____ caused _____ gas _____ break.
Was _____ a _____ conduit because of digging?
_____ damage _____ the gas _____ caused _____ accidental excavation?
_____ accidental digging that _____ in _____ pipe _____.
_____ gas line _____ an excavation?
Did excavation _____ harm _____ lines.
_____ breaking _____ gas pipe.
Was _____ damaged _____ accidental excavation?
Did _____ gas pipes _____ digging?
Is _____ digging caused the gas pipe _____?
Accidental _____ is damaged?
_____ accidental digging _____ burst _____ gas conduit?
Did _____ to _____ line come _____ accidental digs?
_____ chance, _____ digging cause _____ gas _____ to break?
_____ digging without _____ reason for _____ cracks _____ gas pipe?
_____ break _____ the gas line _____ the digging?
_____ piping _____ been caused _____ an accidental excavation.

____ gas pipe ____ damaged during excavation.
 Did ____ digs ____ to ____ gas ____?
 Is accidental digging the cause ____ line?
 ____ dug up ____ gas ____.
 ____ gas ____ may have been ____.
 ____ line ____ from ____ excavation.
 ____ digging without knowledge ____ cracks ____ gas line?
 Did ____ break ____ gas pipe?
 ____ it ____ digging that ____ pipe?
 Did ____ clumsy digging cause the ____ the ____?
 ____ digging ____ knowledge the ____ the cracks in ____ line?
 Did ____ conduit happen ____ of accidental digging?
 ____ excavation cause damage ____ the utility's ____?
 Is ____ damaged ____ of unforeseen ____?
 ____ dug ____ gas lines!
 ____ conduit is ____ result of an ____ mistake.
 ____ accidental ____ leading ____ gas ____ breakage?
 ____ pipes ____ broke ____ to accidental ____?
 ____ may ____ any rupturing ____ gas pipes.
 ____ lines ____ broken ____ someone digging
 I'm ____ if anyone broke ____ gas ____ digging ____.
 ____ gas line ____ have ____ due to digging.
 The ____ was ____ by ____ mistake?
 ____ digging ____ the gas pipe.
 Is accidental ____ to ____ gas ____?
 ____ some digging break ____?
 ____ the ____ Pipeline ____ due to ____?
 ____ leak ____ have ____ caused ____ excavation.
 ____ broken when digging?
 I ____ that unintentionally ____ broke the gas ____.
 Was accidental ____ gas pipe responsible ____ damage?
 ____ natural gas ____ have ____ damaged by ____ digging?
 The gas ____ been damaged ____ the excavation ____.
 Did the ____ from ____?
 Is it possible ____ a gas ____ accidental ____?
 ____ chance of a broken ____ during ____ digging.
 Did ____ from ____ digging?
 The ____ caused a ____ to ____.
 ____ accidental ____ cause ____ trouble ____ the ____ line?
 ____ excavated; now ____?
 A fractured gas ____ be ____ unintentional ____.
 Was ____ damaged gas line ____ by ____?
 ____ it possible ____ caused a broken gas ____?
 ____ it possible that a ____ a result ____ digging?
 Was ____ gas ____ the excavation?
 ____ conduit may ____ been damaged due ____ excavation ____.
 The busted gas ____ by ____.
 A ____ conduit ____ damaged ____ an excavation mistake.
 ____ might cause ____ pipes to ____.
 ____ cracks ____ the natural gas ____ could have ____ digging without _____.

Did digging _____ pipes _____ fall _____?

Oops, _____ a broken _____?

_____ digging without _____ of cracks in the _____ line?

Did _____ ruin _____ line?

_____ line _____ accidental dig.

_____ unforeseen _____ the gas _____?

Is _____ the gas _____ caused _____ accidental digging?

_____ gas pipe _____ have been _____ clumsy _____.

_____ gas conduit _____ be _____ by _____ mistake.

Did _____ gas _____ because of _____?

_____ you _____ me _____ a broken _____ pipe happened _____ digging.

_____ cause gas pipe leaks?

Someone _____ up the _____ and _____ broken.

Did _____ gas _____ due to _____ accidental excavation?

There _____ been _____ digging that resulted _____ pipe _____.

_____ the _____ in the _____ gas line caused by _____?

_____ a gas line _____ they were _____?

Was _____ knowledge _____ cause of _____ in _____ gas pipelines?

Was the _____ digging _____ gas pipe _____?

_____ any _____ accidentally _____ pipes to _____?

Did accidental digging cause _____ be _____?

Excavation mistake _____ lead _____ conduit _____.

The excavation _____ have _____ damaged _____.

gas lines _____ excavations?

_____ a gas pipe by digging?

The _____ broken during an _____.

_____ gas _____ is damaged _____ an excavation _____.

_____ gas leaking?

Did anyone break a _____?

_____ a _____ pipe _____ during accidental _____?

_____ are _____ pipes damaged _____ excavations.

Did _____ digging _____ harm _____ gas _____?

_____ are _____ that _____ damaged by unplanned excavations.

_____ digging _____ the reason for _____ the _____ gas pipe?

_____ there _____ burst _____ the gas _____ due to _____?

_____ to excavation mistake?

The _____ broken because _____ excavation.

_____ the _____ pipe a result of _____ on _____ site?

_____ accidental digging responsible _____ gas _____?

_____ broken gas pipe the result _____?

Excavation mistake _____ lead to _____.

_____ accidental dig _____ a gas _____?

Is _____ gas pipe broke because of _____?

_____ by Accidental dig?

Did _____ harm to _____ lines?

_____ gas _____ might have been _____ due _____ accidental _____.

_____ break _____ a result of _____?

Some _____ broke _____ pipe.

A _____ conduit could _____ damaged _____ of _____ excavation _____.

Is _____ behind gas _____?

Did ____ damage ____ the ____ caused by ____ digging?
 The gas ____ have been ____ by ____.
 Did ____ cause ____ be broken?
 The ____ may have ____ to ____ excavation.
 ____ possible that the gas pipe ____ by ____.
 The gas ____ have ____ damaged ____ to unforeseen ____.
 ____ the ____ damaged due ____?
 Did some sloppy ____ the break in ____?
 Was ____ digging that ____ gas ____ breakage?
 ____ lines ____ broken ____ someone ____ up.
 During ____ was ____ gas pipe ____?
 ____ the gas conduit ____ burst?
 Did a ____ in ____ gas ____ accidentally digging?
 ____ now there's gas ____?
 Accidents ____ caused a ____ dug-in pipes.
 ____ there been a ____ line ____ of ____?
 Is ____ possible that a ____ by unintentionally ____?
 Was ____ gas line while ____?
 Any ____ that cause ____ leak?
 A busted gas ____ caused by ____.
 Was there accidental digging that ____ in ____?
 I wonder ____ was ____ due to accidental ____.
 ____ you confirm ____ broken gas ____ happened ____ accidental ____?
 Was ____ excavation ____ pipe damage?
 Has a ____ break happened ____?
 Is ____ possible ____ caused ____ pipes to break?
 ____ accidental digging ____ in gas ____ break.
 ____ that ____ digging broke ____ gas ____.
 Someone accidentally ____ gas ____.
 ____ the gas ____ by digging?
 Were the ____ pipes ____?
 Is a ____ burst ____ accidental ____?
 ____ be ____ blame for a busted ____.
 ____ excavation ____ broken gas line.
 Did ____ result in ____ to the ____?
 ____ was ____ accidental excavation that damaged ____.
 Someone may ____ dug ____ gas ____.
 ____ digging ____ broken gas ____.
 ____ broken ____ caused by ____ mistakenly.
 ____ after ____ dug?
 ____ digging ____ to gas pipes.
 The gas ____ were ____ dig-up.
 ____ a ____ gas ____ related ____ accidental ____?
 Can you ____ broken gas pipe ____ during ____?
 ____ in the excavation ____ to ____ gas conduit.
 accidental digging ____ breakage.
 Is ____ there was ____ excavation which ____ in ____ break of ____ gas ____?
 ____ a break ____ the gas line ____?
 ____ cause the gas line ____ be ____?
 ____ did you ____ gas pipe?

Is it _____ digging _____ a gas _____ break?
 _____ accidental excavation causing _____ damage?
 Was the _____ pipe a result of _____ the _____?
 _____ accidentally excavation causing gas _____.

Did the _____ pipe break?
 _____ make _____ mistake digging _____ pipe?
 Is the _____ gas _____ a _____?
 _____ possible that _____ accidental digging _____ gas pipe?
 _____ wondering if some clumsy _____ broke your _____.

_____ any accidental _____ cause the gas _____ to _____?
 The _____ lines _____ because _____ someone's _____.

_____ broken natural _____ the dig _____.

Did the gas pipe _____?
 _____ digging without knowledge _____ to _____ in the _____?
 _____ digging _____ gas conduit burst?

An excavation _____ to burst.
 _____ digging _____ caused the _____ gas _____.

_____ digging may have _____ gas pipes _____.

Was _____ the _____ line to _____?
 Is _____ a _____ pipe _____ an _____?
 Did a _____ gas _____ result _____ an _____?
 _____ gas _____ may be the _____ of _____ mistake.
 _____ could _____ accidental digs _____ gas _____.

_____ wrongly dig _____ pipe?
 _____ digging cause _____ the gas _____.

Gas line _____ Accidental _____.

_____ broken _____ pipe the _____ of _____ excavation?
 _____ gas pipe damaged _____?
 _____ gas pipe _____ accidental digging can you confirm _____?
 _____ are _____ pipes _____ have _____ due to accidentally digging.

Is a _____ gas _____ caused _____ an _____?
 Is _____ bursting _____ an excavation?
 _____ a gas line _____?

Can _____ accidental digging _____ a broken gas _____?
 _____ a dig-up _____ lines were busted.
 _____ the gas _____ damaged because _____?

By _____ did _____ ruin the _____?
 Was _____ line _____ as a result _____ excavation?
 _____ happen during accidental digging?
 _____ have been an _____ excavation in _____ gas _____.

The line _____ have _____ broke _____ excavation _____.

_____ accidental digging _____ the _____ cause damage?

Accidental _____ can _____ gas _____ to _____.

_____ is _____ gas line _____ an accidental _____.

Does _____ if anyone _____ gas line _____ digging?
 _____ cause _____ busted _____ line?

There _____ a gas _____ that _____ excavation.
 _____ digging without knowledge causing _____ natural gas _____?
 _____ if _____ gas pipe was accidentally dug?
 _____ the _____ done without _____ causing _____ in _____ natural gas _____?

_____ the broken _____ a result _____ excavation?

Was _____ to _____ the gas _____ by _____?

Is _____ possible _____ gas pipe _____ due _____?

_____ the digging _____ damage _____ gas _____?

_____ accidental dig _____ the _____ in the line _____?

Was gas _____ to _____ digging?

_____ line _____ unexpected excavation.

Was _____ accidental _____ causing gas _____?

Is _____ broken _____ line _____ accidental dig?

_____ digging _____ a _____ burst?

_____ dig: _____ damage

There _____ any _____ pipes _____ have been broken _____ digging.

_____ it _____ a _____ pipe by digging?

_____ it possible that _____ caused _____ pipe to _____?

_____ accidental _____ cause a burst _____ line?

_____ cause cracks _____ the _____ gas _____?

Did anyone _____ dig or _____?

_____ broken _____ line _____ accidental excavation?

_____ digs: a _____ line _____?

_____ it _____ that _____ the busted gas _____?

The gas _____ been caused _____ excavation.

Someone dug _____ line.

_____ of _____ is gas damage _____?

The _____ may have _____ accidentally _____ due _____ digging.

_____ cause _____ gas pipe to break?

Someone _____ now gas _____?

_____ your _____ break _____ of clumsy _____?

_____ the clumsy dig _____ the _____?

_____ gas line _____ digging.

_____ damaged by _____?

Did unexpected _____ harm _____ the _____?

_____ in _____ may have _____ the line.

A _____ gas pipe _____ have _____ digging mistakenly.

_____ any _____ cause _____ gas pipes to _____?

Accidental _____ has _____ damaged.

_____ the gas _____ broken _____?

Any _____ that _____ been damaged _____ digging?

Were _____ digs _____ the _____ gas line?

Is _____ a gas _____ due _____?

Have _____ gas _____ break because _____ digging?

Is _____ a broken gas _____ because _____?

_____ a broken gas _____?

_____ caused _____ the gas lines?

Is there a _____ to _____ that caused _____?

Did an accidental dig _____ for gaseous _____?

_____ it possible _____ excavation _____ of a gas pipe?

_____ it _____ digging that caused _____ busted _____?

The excavation mistake _____ gas _____.

Did _____ result from _____ accidental _____?

_____ causing gas _____ break?

Any _____ that _____ been _____ by _____ digging?

Did _____ cause _____ gas lines?

The _____ of _____ here is _____ the _____ pipelines.

Gas _____ are _____ because of _____ digging _____.

The gas _____ an _____ excavation.

Did anyone _____ gas line while _____?

Is _____ pipe broken _____ clumsy _____?

_____ there _____ that damaged _____ pipe?

Was accidental _____ pipe _____?

_____ the excavation _____ damage to _____.

Did someone inadvertently _____ and break _____ gas _____?

Did _____ up the gas _____?

_____ was _____ broken gas _____ accidental dig.

_____ a _____ gas line.

Wrong, digging mistakenly _____ pipe.

I _____ to _____ if _____ a gas _____ by _____.

Did _____ accidental _____ cause _____ for gas fuel?

Digging _____ gas pipe _____.

Is _____ digging related _____ gas _____?

_____ gas _____ have _____ by some clumsy digging.

_____ gas line _____ caused _____ digging?

_____ clumsy _____ that broke _____ pipe?

I _____ digging _____ in gas _____ breakage.

Did anyone _____ gas _____ while _____?

Any gas pipes _____ to _____ digging?

Is _____ gas pipe _____ because _____?

Is _____ has been accidentally dug?

_____ the gas pipelines?

A _____ line _____ someone digging.

_____ accidental _____ lead to _____ damage?

_____ that broke _____ gas line?

I _____ was _____ excavation that _____ the gas _____ to _____.

Did _____ excavation _____ pipes to _____?

Is _____ pipe broke _____ a _____ of digging?

_____ gas _____ that _____ ripped open due to _____?

_____ may have been _____ in an accidental _____.

Accidental _____ gas _____ to leak.

Did accidentally _____ cause the _____ conduit?

A _____ gas pipe _____ accidentally _____.

_____ that digging can cause _____ gas _____ to _____?

The _____ in the _____ conduit _____ have _____ caused by _____.

Is _____ that _____ resulted _____ the break _____ the _____ pipe?

_____ the _____ due _____ careless excavation?

Is _____ excavation which led to _____ the gas _____?

Did _____ damage _____ the gas _____

_____ my gas pipe while _____?

Accidental _____ have _____ gas pipe.

_____ damaged a gas _____.

Was _____ causing the _____ damage?

There are _____ lines _____ unplanned _____.

_____ any unintentional digs that _____ gas _____ leak?

_____ gas pipe damage.

There are _____ lines _____ unplanned excavations.

Can you tell _____ if there was _____ accidental _____?

_____ gas pipe to _____.

_____ causes _____ gas line _____.

_____ in the _____ gas _____ caused _____ without knowing?

_____ there _____ damage to _____ caused by accidental _____?

_____ digging inadvertently caused _____ pipe.

Was _____ unknowing _____ which led to _____ break _____ pipe?

Gas lines _____ someone _____ up.

Is _____ broken _____ result of accidental dig _____?

There _____ a _____ because _____ digging.

Is the _____ line a _____ accidental _____?

The _____ gas line _____ an accidental _____.

_____ possible _____ digging without knowledge _____ cracks _____ natural gas pipeline?

_____ broke _____ gas pipe.

_____ may _____ unknowing _____ which resulted _____ the gas _____ broken.

Did the unanticipated _____ to _____ gas _____?

_____ there any accidental digs _____ the _____ line _____?

_____ dug and _____ a _____.

Can it _____ unintentionally digging _____ the _____?

Was gas pipe _____ caused _____?

_____ break due _____ accidental digging?

Any _____ causing _____ to leak?

_____ gas _____ burst from excavation.

_____ that a gas _____ because of _____.

_____ have caused a gas _____.

_____ there _____ chance _____ broken gas _____ accidental digging?

Did _____ make _____ pipes _____?

A broken _____ may have _____ caused by _____.

Was _____ broken _____ pipe _____ result of _____ a _____?

Is _____ a _____ gas _____ accidental excavation?

_____ a _____ pipe break _____ excavation?

Accidental _____ damaged gas _____.

Can the _____ break the _____?

The break _____ a _____ pipe was caused _____.

_____ the gas _____ damaged as a result _____?

Did _____ cause you _____ gas pipe?

There _____ have _____ excavation _____ to the break _____ a _____ pipe.

_____ line _____ have been broken _____.

Did _____ accidental _____ cause _____ broken _____?

_____ digging caused _____ pipe.

_____ the _____ line _____ because _____ excavation?

Someone _____ dig-up _____ lines broke.

Was _____ done without knowledge _____ cause of _____ in _____?

Can _____ be that _____ gas _____ by digging?

Do _____ think digging _____ damage to the _____?

_____ accidental _____ the _____ causing damage?

_____ it a possibility that digging _____ break?

Was _____ damaged because of _____?
 _____ can cause _____ gas _____ burst.
 _____ caused any gas pipes _____ burst.
 _____ without proper _____ the cause _____ in the _____ gas line?
 Did unexpected _____ gas lines?
 Is there _____ gaspipe _____?
 Some _____ damaged by _____.
 Any _____ that _____ caused _____ accidental digging?
 Someone might _____ dug and broke _____.
 Someone may have mistakenly _____ broken _____.
 Did digging cause _____?
 It _____ accidentally _____ gas _____ leaking?
 Is _____ line _____ by accidental _____?
 _____ anyone _____ a gas line while _____ up.
 It's possible _____ the _____ pipe _____ accidental digging.
 Did a _____ in _____ gas _____ from _____ digging?
 _____ accidental excavation _____ a broken _____ gas?
 There could _____ excavation causing gas _____.
 _____ there a chance that a _____ occurred during _____?
 I _____ if _____ gas pipes.
 _____ the gas line _____ improper _____?
 Was _____ digging _____ ended in _____ pipe _____?
 The _____ gas conduit _____ caused _____ mistake.
 _____ line _____ from _____ excavation.
 Did _____ a _____ line to _____?
 Did any digging _____ cause _____ to _____?
 _____ gas lines _____ unforeseen excavations.
 Did a _____ dig cause _____ pipe _____?
 _____ that unintentional _____ gas pipe leak?
 There _____ gas lines _____ unauthorized _____.
 Gas lines _____ unforeseen _____?
 Is the _____ damaged _____?
 Is _____ broken gas _____ due _____?
 _____ a gas _____ while digging?
 _____ a _____ line _____ digging accident?
 Was _____ line caused _____ any _____ digs?
 _____ gas pipe, right?
 There _____ unintentional _____ pipe leak?
 _____ the break _____ your gas pipe?
 Did the _____ cracks in _____ natural _____?
 _____ excavation in _____?
 accidental _____ may have _____ to _____.
 _____ excavation _____ break of a _____ pipe.
 Is _____ possible that _____ pipe breakdown?
 A gas leak _____ dig.
 _____ the damaged _____ to _____ digs?
 Gas _____ damaged, _____?
 Was the _____ to the _____ caused _____ accidentally _____?
 _____ was _____ dig _____ in a broken gas _____.
 _____ the _____ excavation _____ the _____ gas _____?

_____ line bursting _____ excavation.
 _____ damaged because of _____ excavation?
 Was _____ pipe damaged _____ the _____?
 _____ break _____ gas line while _____ up?
 _____ any _____ cause the gas _____ burst?
 Accidentally _____ now _____ leaking?
 Was _____ the gas line _____ by _____?
 Did _____ accidental digging _____ a _____ the _____ conduit?
 _____ chance, _____ break _____ gas pipes?
 So digging _____ pipe?
 _____ utility's gas lines suffer _____ excavation?
 There _____ been _____ accidental excavation _____ a _____ gas _____.
 _____ the _____ during the excavation?
 Accidental dig _____.
 _____ know _____ a _____ pipe occurred _____ accidental digging.
 _____ accidental digging _____ of _____ gas _____ breaks?
 Is gas pipe _____ accidental _____?
 Is _____ excavation _____ the break _____ a gas pipe?
 _____ anyone _____ a _____ line, while _____?
 _____ pipe damage _____ accidental excavation?
 _____ cause _____ broken gas line?
 _____ gas _____ broke _____ to _____ excavation.
 _____ gas _____ damaged after an _____?
 Anyone broke _____ gas _____ while _____?
 _____ some digging clumsily _____ your _____?
 _____ dig: damaged _____
 Did _____ excavation cause _____ the _____?
 Can you tell _____ gas pipe _____ digging?
 Digging _____ a _____ pipe.
 _____ line _____ from accidental _____?
 _____ digging _____ have caused any _____ pipes _____.
 _____ the broken gas _____ of _____ work?
 Is the gaspipe _____ excavation?
 broken gas _____ to _____?
 Did an _____ dig _____ a _____ gas?
 Did _____ digs cause _____ gas _____?
 Did unforeseen excavation _____ the _____?
 _____ possible _____ digging _____ a _____ pipe break.
 _____ it _____ that the _____ line broke because _____?
 Is anyone _____ for _____ underground _____ line?
 _____ digging _____ pipes to collapse?
 There is _____ chance _____ digging _____ pipe.
 A _____ line _____ been damaged _____.
 _____ it possible that _____ caused the _____ in _____?
 Were there _____ the _____ line _____ of digging _____ knowledge?
 Did _____ cause _____ in the gas _____?
 Is _____ accidental _____ causing the _____?
 Accidental _____ may _____ any _____ pipes to _____ broken.
 _____ the gas _____ due to _____?
 _____ accidental digs _____ any _____ to _____ line?

Is there accidental _____ causing _____?

_____ result _____ was _____ to the gas _____.

There _____ accidental excavation _____ a _____ line.

Accidentally digging may _____ pipe _____.

_____ it possible _____ the _____ pipes?

_____ gas _____ caused by accidental _____?

_____ any _____ the unintentional digs _____ the _____ gas _____?

_____ digging without knowledge the _____ the natural _____ pipes?

_____ accidental digging _____ to _____ damage?

_____ digging without knowledge _____ cause _____ in _____ natural gas _____?

_____ clumsy _____ your gas pipe?

Did _____ gas line _____ to _____ excavation?

The damaged gas _____ might _____ by _____ digs.

Was accidental _____ cause _____ burst?

_____ fractured gas pipe _____ be _____ digs.

Did _____ dig _____ break a gas _____?

_____ line _____ to digging.

_____ a _____ gas pipe the result of _____?

_____ a broken gas _____ the _____?

_____ pipe _____ broken due to excavation.

_____ the accidental digging cause _____?

I wonder if _____ broke _____ gas _____.

_____ mistake _____ excavation may _____ to a damaged _____.

The _____ gas line _____ excavation.

_____ it possible that an accidental _____ pipe?

There _____ accidental _____ gas pipe _____.

Is _____ by _____ dig mistake?

Digging _____ a _____ gas _____.

_____ accidental digging _____ gas pipe damage.

A _____ line burst _____.

Any _____ gas pipe _____?

_____ accidental digging _____ damage _____ the _____?

_____ digging _____ the gas pipes?

_____ damaged _____ conduit _____ be _____ by an _____ mistake.

_____ accidental digging _____ a _____ in _____ gas _____?
