

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Feedback and complaints resolution
Inquiry Sub-Category	Technical support
Description	Requests for assistance with troubleshooting, installation, or configuration of telecommunications equipment or services.
Data Size	5,012 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

____ long ____ it ____ to resolve installation/configuration ____ with ____ systems/equipment?

It's likely ____ a long ____ it to fix TELECOM ____.

Can you ____ an ____ the ____ it ____ take to ____ system ____ issues?

How ____ is ____ usually ____ telco setup issues?

____ how ____ time it takes ____ fix ____ system issues?

It is possible that it takes a ____ to ____ problem ____ telecom ____ issues.

____ it likely it will ____ a long time ____ a ____ the ____ of ____ system?

____ long is it ____ fix the ____ your telecom equipment?

How ____ is ____ to resolve ____ in ____ systems?

I ____ like to ____ takes ____ fix telecommunication system installation/configuration ____.

____ the expected ____ comms system setup issues?

____ could take a ____ solve a ____ in telecommunication ____.

How ____ does ____ take to ____ problems with ____?

____ long for ____ install ____?

What ____ amount of ____ takes to repair ____ equipment configuration ____?

It ____ possible ____ it takes ____ to ____ TELECOM System Installation/configuration ____.

Is ____ for remedying ____ and setup challenges ____ your ____ equipment?

____ to fix ____ issues?

____ long does resolving ____ issues ____ telecom ____?

How ____ is ____ remedying ____ challenges with ____ telecom equipment?

____ likely ____ would ____ long ____ to fix TELECOM ____ Installation/configuration issues?

____ it ____ takes a long ____ to fix ____ issues?

How long ____ it take ____ with telecom ____?

____ takes a long ____ solve a problem ____ in ____.

____ is the average ____ it ____ installation problems ____ telecom ____?

It might ____ a ____ time ____ solve a ____ in ____.

____ it take ____ resolve ____ and configuration troubles ____ telecom systems?

____ is ____ of time it will ____ to ____ telecom equipment ____?

How ____ does it ____ take ____ solve a telecommunication ____?

____ long is ____ typical ____ period ____ setup ____ in ____ systems?

Tell us how _____ takes to _____ system _____.

How _____ needed _____ resolving telecommunication system _____?

What is _____ time for _____ telecom systems?

How _____ take to solve a _____ installation _____?

Is it _____ a long _____ fix TELECOM _____ Installation/configuration issues?

_____ it _____ a _____ to fix TELECOM _____ issues?

_____ needed to resolve _____ systems?

Can _____ me _____ typically takes _____ a telecom system?

_____ it take _____ fix _____ equipment's installation and configuration _____?

_____ time will _____ take _____ resolve telecom system installation/config _____?

Is _____ it takes _____ long _____ fix _____ Installation and configuration issues?

How long does it _____ installation issues with _____?

It _____ a _____ time to _____ a problem like the _____ of _____.

How _____ do _____ think _____ take _____ fix telecom system/ _____ installation/config _____?

_____ is _____ time taken to _____ setup problems?

_____ it _____ a long time to _____ a _____ like the telecom system installation _____?

_____ it likely that _____ while to _____ problem like _____ installation of a telecommunication _____?

_____ long will _____ take _____ system/ _____ installation/config issues?

Installation issues _____ can _____ a _____ to fix.

How _____ it _____ fix _____ equipment setup _____ configuration?

_____ take _____ solve a problem like the installation of _____ system.

Is _____ duration _____ configuration _____ setup _____ on your telecom equipment?

How _____ usually _____ telecom equipment installation issues?

It _____ that _____ long _____ to fix _____ like _____ installation of a telecommunication system.

_____ does it _____ to _____ equipment installation issues?

On _____ how _____ take to _____ problems around _____ gear?

_____ long does resolving _____ with _____ systems _____?

How _____ think _____ take to address _____ obstacles with _____ systems?

How much time will it _____ a _____ problem?

How _____ does _____ take _____ issues in a telecom _____.

_____ long do installation and _____ problems take _____?

How _____ it _____ takes to _____ telecom equipment?

_____ you tell _____ how _____ it _____ to fix _____ system.

_____ it likely _____ it _____ take _____ time to _____ like _____ system installation and configuration issues?

Do you _____ the _____ to _____ telecom _____ setup?

_____ for telecom _____ configuration issues?

How long _____ it _____ to resolve _____ issues _____ equipment?

_____ long _____ for fixing _____ mistakes?

Is it _____ that _____ will take _____ long _____ to _____ installation problem?

_____ that it can take _____ time to _____ TELECOM _____ Installation/configuration _____?

Do you _____ takes _____ fix telecom systems?

_____ long it will take to _____ installation issues?

Is it possible that _____ long time _____ it to _____ Installation/CONFIGURATION _____?

_____ does the process of _____ installation/configuration _____ with _____ take?

Is it likely it will take _____ long _____ Issues?

_____ it take _____ resolve installation _____ with telecom _____.

How _____ takes _____ resolve _____ issues on telecom _____?

_____ period required to resolve _____ errors?

What _____ the typical _____ configuration and _____ your telecom _____?

_____ long does it _____ patch _____ issues in _____?

It is possible _____ long time to _____ TELECOM _____.

Can _____ me the _____ duration _____ configuration _____ with my _____ equipment?

Is _____ likely _____ a long _____ to _____ TELECOM _____ Installation/CONFIGURATION Issues?

_____ long _____ typically _____ to _____ telecom equipment _____ issues?

How _____ do _____ issues _____ equipment?

Period _____ time required _____ resolve _____ install _____.

_____ long does it _____ fixing _____ installation _____?

I _____ to _____ typical _____ and setup with my _____ equipment.

_____ you _____ how _____ it _____ to fix a _____ system?

What _____ the usual amount _____ telco setup problems?

Are it likely _____ will take _____ to fix _____ Installation/CONFIGURATION _____?

_____ does _____ take to _____ installation/configuration _____ with _____ equipment?

_____ of _____ it will take to _____ equipment configuration _____

_____ long _____ it _____ to resolve installation _____ equipment?

It may _____ a _____ time _____ solve a problem like _____.

_____ normal amount of time it _____ take _____ equipment _____.

How _____ usually take _____ address telecom _____ and configuration _____?

_____ long _____ it _____ for problems _____ telecom equipment _____ be _____?

_____ you _____ takes to fix Telecom system _____?

_____ long can _____ be _____ telecom?

_____ long would it take to _____?

_____ it _____ fix _____ telecommunication system installation issues?

_____ it _____ a long time _____ TELECOM System Installation/CONFIGURATION?

How long _____ it _____ to _____ issues _____ in _____ telecommunications industry?

It _____ take a _____ to _____ System Installation/CONFIGURATION _____.

Usually, _____ required to resolve _____ errors.

_____ you _____ me _____ long _____ to _____ system/ equipment issues?

_____ is the _____ time for _____ problems _____ telecom _____?

_____ it likely it _____ take _____ to fix TELECOM _____ Installation/CONFIGURATION _____?

_____ the _____ duration for _____ and setup challenges _____ telecom equipment?

How _____ do installation and configuration _____ for _____?

_____ long does _____ take for installation _____ with _____ equipment?

Can you _____ long _____ to repair telecom system _____?

How _____ take to fix _____ configuration _____ the telecommunications _____?

Do you know _____ takes _____ solve a telecommunication _____?

_____ long time to _____ telecom equipment's installation _____ configuration _____.

How long can _____ telecom _____?

Is _____ an _____ to _____ telecom installation _____?

_____ long _____ take _____ solve _____ problems with telecom _____?

_____ do it _____ to _____ installation and configuration issues _____ telecom _____?

What _____ expected timeline for resolving _____ setup _____?

Do you know how _____ to address _____ obstacles _____ telecommunications _____?

_____ it _____ to _____ and configuration issues of _____ equipment?

How long do installation _____ take _____ resolution?

_____ long _____ typically to fix _____ configuration problems?

_____ does it take _____ system installation _____ be solved?

_____ long _____ take to _____ setup glitches?

_____ typically take _____ resolve installation _____ with telecom systems?

What _____ normal _____ of time it _____ equipment configuration issues?

It usually takes _____ to _____ telecom _____ installation and _____.

_____ need an _____ for resolving _____ system installation/config _____.
 _____ does it take _____ equipment's installation _____ configuration issues?
 What _____ a _____ time to _____ equipment _____?
 _____ does it take to _____ issues _____ telecom _____?
 How _____ it _____ to fix _____ issues for equipment _____?
 What _____ it _____ take to fix telecom _____?
 _____ while to fix _____ equipment problems?
 How long it _____ to fix _____ equipment _____?
 _____ it possible it _____ long _____ to fix _____ System Installation/CONFIGURATION _____?
 How _____ you _____ takes _____ fix the _____ system?
 _____ issues _____ telecom equipment can take _____ to _____.
 What is _____ estimated _____ for _____ telecom _____ installation _____?
 I would _____ how long it _____ system installation issues.
 _____ it _____ to resolve telecom system and _____ installation _____?
 Is _____ an _____ for remedying configuration _____ with your telecom equipment?
 How _____ do you _____ it takes _____ installation?
 _____ take for the installation/configuration _____ around _____ gear to be _____?
 _____ does _____ to _____ equipment in the telecommunications _____?
 How long _____ to _____ mistakes?
 Can _____ tell me _____ for addressing telecom _____ during _____?
 How _____ will _____ to _____ installation/config?
 _____ is _____ normal time taken to _____ issues?
 How _____ do _____ say it _____ to fix _____?
 _____ it take to resolve telecommunication system _____?
 Can _____ tell _____ it takes to _____ system issues?
 How _____ to _____ configuration issues of _____ equipment?
 _____ it likely you _____ to solve a _____ like _____ installation _____ a _____ for _____ time?
 _____ while to _____ telecommunication system _____ issues.
 How _____ can it _____ to _____ telecom _____?
 How _____ to fix telecom equipment setup _____ configuration _____?
 How _____ it take _____ the _____ system installation?
 How _____ does _____ usually take _____ setup _____ in telecom systems _____?
 _____ long does it _____ to _____ installation issues _____ the _____?
 _____ take to resolve _____ and configuration issues _____ telecom systems?
 How long it takes _____ issues _____ telecom _____?
 What _____ of time _____ to fix telecom equipment _____ issues?
 _____ does it _____ to _____ installation/configuration issues _____ equipment?
 _____ long _____ it _____ to fix Telco set _____?
 _____ you know the normal amount _____ time it _____ problems?
 _____ long _____ it usually taken to _____ setup _____?
 _____ time _____ to _____ telco setup _____?
 How long _____ take to _____ telecom _____?
 It _____ you a _____ time to _____ a problem like _____ telecom _____.
 _____ long _____ take to _____ issues _____ telecom systems?
 How _____ does it take _____ of telecom _____ fixed?
 _____ issues with _____ systems may _____ long _____ to _____.
 Installation _____ how long do _____ take to _____?
 How long does it _____ something _____ system?
 How _____ does it _____ telecom _____ configuration issues?
 Installation and configuration problems with _____ long time _____.

_____ it take _____ fix _____ installation errors?

_____ likely _____ will _____ a long _____ to fix _____ System Installation/CONFIGURATION?

_____ long _____ you _____ to resolve telecommunication system installation _____?

What is _____ of fixing telecom _____?

What _____ frame for _____ a telecom system?

How long _____ taking _____ fix _____ headaches?

_____ does it _____ resolve installation and configuration _____ telecom systems and _____?

_____ is the _____ time _____ telecom equipment setup?

How _____ setup _____ for phone _____?

_____ it likely that it takes _____ System Installation/CONFIGURATION issues?

_____ long does _____ take _____ resolve _____ and configuration _____ around telecom _____?

_____ would _____ take to _____ equipment's _____ and configuration issues?

It takes _____ while _____ resolve _____ issues _____ telecom _____.

How long does _____ take to _____ systems?

_____ is required _____ resolve telecom _____ install errors.

Is it likely that it _____ take _____ long _____ for _____ solve a _____ the telecom _____?

It _____ a long time _____ you to resolve a _____ system _____ issues.

_____ before telecom _____ errors _____ fixed?

_____ long _____ it take to _____ installation and configuration _____ telecom _____?

_____ you have _____ for fixing _____ and setup _____ your telecom _____?

How _____ does _____ take to _____ and _____ issues _____ telecom systems _____?

_____ is the average time _____ headaches?

Installation issues _____ tend to _____ to resolve

How long do _____ to _____ equipment _____?

How _____ to resolve installation and _____ issues _____ telecom systems _____ equipment?

What is _____ amount _____ taken to fix _____ setup _____?

Is _____ likely _____ take _____ a _____ time to solve _____ phone _____ problem?

_____ usually _____ to _____ installation _____ issues on telecom systems?

_____ is the _____ resolution _____ issues in telecom _____?

Is _____ give an average _____ for _____ setup with _____ telecom equipment?

_____ long can it take to _____ configuration _____?

_____ it _____ you will have to solve a problem _____ installing a _____ time?

_____ it _____ needed _____ fix telecom equipment's installation _____ issues?

Do _____ typical _____ for remedying _____ and setup of _____ equipment?

_____ is _____ time to _____ a telecom installation?

_____ to solve telecom _____?

_____ long _____ it takes to fix _____ equipment _____?

How long _____ it take _____ fix _____ in the _____?

_____ would like to _____ how _____ takes to fix _____ telecommunication _____.

Is _____ possible it takes _____ to _____ like the telecom _____ installation?

_____ long can _____ about resolving telecom system _____?

_____ long does it take _____ telecommunication system _____?

How _____ do _____ installation _____ to _____?

_____ long does _____ to _____ telecom equipment _____ and configuration _____?

What is _____ period for _____ troubles?

How long does _____ take to _____ telecom _____?

How _____ needed for _____ config problems _____ systems?

Is _____ will _____ you _____ time to solve _____ like _____ installation of a telecommunication _____?

How long _____ it _____ equipment configuration?

_____ may _____ long time to _____ problem like the installation of _____.

Can you _____ estimate _____ long it will take _____ telecom _____ ?

_____ you _____ us _____ long it will _____ telecom system _____ issues?

_____ how long it _____ fix configuration issues _____ equipment in _____ telecommunications _____ ?

_____ long does it typically _____ to address _____ configuration _____ ?

_____ long do _____ problems _____ take _____ be resolved?

The _____ it will _____ to _____ equipment configuration problems _____

_____ long it can take to resolve _____ installation _____ .

Is _____ it _____ a long _____ to _____ installation of a phone system?

How much _____ will _____ resolve telecom _____ installation/config _____ ?

What is _____ required _____ config problems _____ systems?

What's _____ normal amount _____ equipment configuration problems?

_____ long does it take _____ installation problems _____ ?

_____ is the _____ time _____ for resolving telecom _____ ?

_____ possible it _____ take _____ long time for it to _____ Installation/configuration _____ ?

I want _____ long it _____ fix _____ in telecom systems.

_____ it _____ to fix configuration _____ in _____ systems?

What is _____ setup _____ in telecom systems?

How _____ does _____ takes _____ resolve _____ issues with _____ ?

_____ the _____ of time it _____ take to fix _____ problems

_____ does _____ typically take _____ a Telco _____ up?

I _____ to _____ typical duration for fixing configuration and _____ challenges _____ .

_____ it take to fix _____ equipment _____ problems?

How _____ does _____ issues with telecom _____ to be _____ ?

_____ long _____ it _____ Telco set up problems?

Tell _____ how _____ it _____ resolve certain telecommunication system _____ .

_____ is the _____ time _____ takes to _____ system _____ ?

_____ it _____ a while to _____ TELECOM _____ Installation/configuration issues?

_____ of _____ it _____ to fix _____ equipment _____ problems is not _____ .

It might _____ a _____ time for you to _____ such as _____ of a _____ .

_____ you tell _____ how long it _____ fix a _____ ?

_____ long _____ take _____ installation/configuration issues with telecom systems?

Tell us _____ long _____ takes _____ fix telecommunication _____

Can _____ how long _____ takes to _____ telecom issues?

Is _____ likely _____ a long time _____ to resolve the telecom _____ ?

_____ usual time taken _____ address _____ .

_____ the time _____ to _____ configuration issues in _____ telecommunications _____ ?

How long _____ it _____ resolve _____ telecom systems?

How long to _____ ?

How _____ time _____ it take _____ you _____ telecom system _____ ?

_____ take to resolve some issues _____ equipment?

_____ you _____ me the _____ of time _____ take _____ fix telecom _____ configuration _____ ?

How long does _____ take _____ with _____ equipment?

_____ issues _____ telecom systems/ _____ take a _____ time.

How long do _____ with _____ take to _____ ?

_____ does _____ take to _____ configuration _____ telecom systems?

Can you _____ how long _____ telecommunication _____ installation issues?

What is _____ time _____ fix _____ equipment _____ ?

It's likely that _____ long time _____ TELECOM _____ Installation/configuration issues.

How _____ to _____ telecom _____ ?

Can you tell _____ to solve telecommunication _____ issues?

____ it ____ a long ____ for ____ System Installation/configuration ____ be ____?
 Is it ____ will ____ a ____ to fix TELECOM ____ issues?
 What time will it ____ equipment ____?
 ____ likely ____ a long ____ for it to ____ System Installation/configuration ____?
 How long ____ take ____ issues ____ telecom equipment?
 ____ long ____ is to fix ____ installation errors?
 How long ____ to fix ____ setup or configuration ____?
 How long ____ take ____ fix ____ issues ____ systems?
 ____ long ____ resolving config ____ in telecommunication systems?
 How ____ is ____ to ____ config ____ telecommunication systems?
 ____ it ____ that ____ will take ____ a ____ to solve ____ problem ____ installing ____ telecommunication system?
 ____ take a long time ____ Installation/CONFIGURATION ____ to ____ fixed?
 ____ long does ____ take to ____ installation ____
 What ____ typical resolution period ____ setup ____ telecom?
 How ____ does ____ take ____ fix ____ set ____?
 ____ much ____ will ____ take to ____ equipment ____ or configuration ____?
 ____ it take for configuration ____ telecom ____ to ____ fixed?
 ____ does it ____ solve telecommunication system installation/configuration ____?
 ____ the usual time ____ to fix problems ____ the ____?
 What ____ average time ____ resolve ____ problems ____ gear?
 How long ____ take to ____ equipment ____ in ____ industry?
 ____ long does it ____ issues with telecom ____ resolve?
 ____ long ____ normally take to ____ installation ____ telecom systems?
 ____ long ____ it ____ to fix ____ or configurations?
 It may ____ long ____ to fix ____ like the telecom ____ installation ____.
 Length to ____ installation/config ____?
 How ____ it ____ to ____ and configuration ____ on telecom systems ____?
 How long do ____ reckon it ____ to ____ headaches?
 ____ usual ____ to solve ____ installation/config ____?
 ____ long ____ takes ____ resolve installation ____ problems ____ telecom systems?
 What's ____ frame ____ fixing ____ telecom system?
 How ____ you ____ it takes ____ get a telecommunication ____?
 How ____ fix ____ telecom equipment ____?
 ____ long ____ it take for telecom ____ errors ____?
 Is ____ likely that ____ a long ____ to resolve ____ system ____?
 ____ long ____ it ____ to address telecom ____ and configuration ____?
 How ____ usually ____ to ____ telecommunication system ____ issues?
 How ____ is it ____ fix telecom ____?
 How ____ it usually ____ resolve ____ system ____ issues?
 ____ long ____ it usually take ____ installation and configuration ____ telecom ____?
 ____ you ____ the typical ____ for remedying configuration ____ your ____ equipment?
 ____ is the ____ time ____ telecom ____ issues?
 How ____ do ____ think it takes ____ issues?
 ____ it ____ to resolve telecommunication system ____ issues?
 ____ do installation ____ take when ____ equipment?
 How long ____ required to ____ system ____?
 ____ it ____ that you'll have ____ fix ____ issues ____ a long ____?
 How ____ take ____ fix installation/configuration problems around ____?
 Is it likely ____ it will ____ for you ____ in ____ systems?
 ____ take to ____ on telecom equipment problems?

How ____ it ____ installation and configuration problems ____ systems?

____ suppose it ____ take ____ long ____ for you to ____ telecom ____ installation ____?

How ____ fix configuration ____ in telecom systems?

Is it likely ____ takes a while ____ TELECOM ____?

Is ____ that it will take a ____ it to fix ____.

How ____ installation issues take to ____?

____ do you ____ takes to ____ a telecommunication ____ installation?

What is the ____ of ____ equipment configuration problems?

How ____ does ____ installation/configuration ____ with telecom ____?

How ____ is ____ usual ____ fix telecom ____ issues?

How ____ to ____ issues?

____ know how ____ to ____ telecom system/ equipment installation?

____ long ____ it ____ to fix ____ issues?

How long does it take ____ configuration ____ in ____?

Do you ____ a ____ duration ____ remedying ____ configuration challenges with ____?

How much ____ is needed ____ telecom ____ setup ____ configuration ____?

Do ____ it ____ a ____ time for you ____ installation issues?

Do ____ will take ____ time ____ solve the ____ installation and configuration issues?

How ____ it ____ resolve installation/configuration ____ with telecom systems?

____ required ____ resolve ____ in ____ systems?

____ issues with ____ tend ____ some time.

____ us how long it takes ____ issues.

Is ____ typical ____ for remedying ____ and configuration challenges ____ your ____?

____ long will it ____ to repair ____?

Installation and configuration issues on ____ systems ____ can ____ long ____.

How ____ time ____ it ____ to ____ equipment's ____ and ____ issues?

How ____ does ____ take ____ repair ____ system ____ issues?

What ____ it takes to solve ____ installation/configuration issues?

____ does it ____ take to ____ issues with telecom ____?

The ____ amount of ____ takes to ____ configuration problems.

____ it take to ____ equipment's configuration?

What is a ____ resolution ____ for ____?

____ much time ____ needed ____ equipment setup?

____ long ____ to resolve ____ problems ____ telecom gear?

____ does it ____ to ____ and configuration issues ____ telecom systems?

Can you ____ average ____ setup challenges with ____ telecom equipment?

Please tell ____ how long ____ takes ____ installation issues.

____ long ____ take to resolve ____ issues?

____ it likely ____ will take awhile ____ fix TELECOM ____?

How long is ____ telecom ____?

What ____ it ____ resolve installation ____ telecom gear?

How ____ take to resolve telecom equipment ____ issues?

____ want ____ how long it takes ____ system installations.

____ it takes to resolve ____ system ____.

____ with telecom systems ____ take ____ time.

____ for telecom ____ problems?

How long does ____ typically take to resolve ____?

What is ____ average ____ installation?

How ____ is it ____ takes to ____ installation/configuration problems ____?

How ____ does ____ take ____ fix installation and configuration ____ with ____?

____ long ____ problems take ____ systems?
 How long ____ it take to ____ equipment's ____ ?
 ____ with ____ usually take ____ while to resolve.
 Is it likely that it will ____ System Installation/configuration issues?
 ____ long ____ it take ____ address ____ installation?
 ____ there ____ for remedying configuration ____ setup with ____ equipment?
 Can ____ tell me ____ typical ____ configuration ____ challenges ____ your equipment?
 ____ the ____ time to ____ telecom ____ ?
 What ____ the average ____ installation ____ for telecom ____ ?
 ____ needed to address installation/configuration obstacles with ____ ?
 How ____ is ____ to fix telco ____ problems?
 Is ____ likely ____ will ____ time ____ solve a ____ system installation ____ ?
 ____ long ____ take to ____ a configuration ____ in ____ systems?
 ____ of ____ required to ____ config problems ____ systems?
 ____ the ____ amount of ____ taken to ____ telecom setup ____ ?
 How ____ it ____ telecom system configurations?
 How ____ it ____ take to resolve ____ issues on ____ and ____ ?
 ____ does ____ take ____ system/ equipment installation/config issues?
 ____ long ____ it ____ to address ____ equipment ____ configuration issues?
 ____ likely ____ takes a long time for ____ System ____ issues.
 Explain the typical ____ remedying configuration ____ challenges with ____
 How long does ____ to ____ set ____ ?
 How long does ____ installation and configuration ____ telecom gear?
 ____ is it ____ telecom ____ setup or configuration ____ ?
 Is it ____ that it ____ awhile ____ to fix TELECOM ____ ?
 ____ it takes to resolve installation ____ problems ____ telecom ____ ?
 What ____ the usual amount of ____ fix ____ problems?
 How ____ does ____ to ____ issues ____ the communications industry?
 ____ know the ____ it takes ____ fix ____ system issues?
 Is it ____ that it will ____ long ____ to ____ problem ____ the installation of ____ phone ____ ?
 What is the ____ time for ____ problems ____ ?
 Installation ____ problems ____ can take ____ long time ____ be ____ .
 ____ will it be to ____ telecom ____ ?
 ____ it take ____ installation and configuration ____ on telecom systems and ____ ?
 Is it ____ that you ____ a long time ____ installation ____ ?
 ____ long ____ take ____ solve a telecommunication ____ issue?
 ____ long ____ installation ____ be fixed ____ ?
 ____ long does ____ resolve installation ____ a telecom system?
 ____ resolve telecom equipment's installation and configuration issues?
 ____ might take ____ while to ____ TELECOM ____ issues.
 How ____ should it ____ fix ____ or configuration problems?
 ____ you give ____ estimated ____ resolving ____ system installation issues?
 Is ____ likely that it ____ while to solve a ____ the ____ of a ____ ?
 ____ do ____ think it takes ____ solve a telecommunication ____ ?
 ____ is the ____ taken ____ fix ____ setup issues?
 ____ long to resolve ____ ?
 ____ does ____ for a telecom installation error ____ be ____ ?
 How ____ to fix ____ system/Equipment issues?
 Do ____ average amount ____ time it ____ to ____ telecom ____ issues?
 How ____ does ____ take to fix ____ issues within ____ ?

_____ is _____ takes to resolve installation/configuration _____ with _____ gear?

Is it possible _____ takes a _____ time _____ solve _____ in _____?

What _____ the _____ to fix _____ telecom _____?

Is _____ it will _____ long _____ to solve _____ problem _____ system installation and configuration issues?

_____ it likely _____ will _____ long _____ for _____ System Installation/CONFIGURATION _____ be fixed?

How _____ to _____ telecom _____ hiccups?

_____ long _____ take _____ solve _____ installation?

Installation/configuration issues _____ telecom _____ and equipment _____ time.

_____ long _____ take to _____ telecom equipment _____?

_____ will it _____ to _____ installation/configuration obstacles with your _____?

_____ long _____ it take to fix configuration _____ within _____?

_____ is required _____ resolve telecom _____ installation _____?

What is _____ resolution _____ telecom system _____ troubles?

How _____ time does it _____ solve _____ telecommunication _____?

_____ long _____ to _____ installation hitches _____ telecom equipment?

_____ for installation _____ for the _____?

The average _____ a telecom _____ is _____ known.

How _____ it _____ fix configuration _____ setup challenges with _____ telecom equipment?

What _____ the _____ period _____ setup troubles?

_____ usually takes _____ time to address telecom _____ issues.

_____ it possible it will take _____ a long _____ to _____?

Is there _____ average _____ for _____ problems during _____?

_____ it take to _____ telecom _____ errors?

_____ typical fix for telecom _____ setup?

How _____ it _____ to solve the telecommunication _____?

Is _____ will _____ a _____ you to solve a configurations in telecommunication _____?

_____ long do _____ errors _____ to _____?

_____ time to fix _____ issues _____ systems.

_____ likely _____ it takes _____ for you _____ solve a _____ the installation _____ a phone system?

_____ long _____ it _____ to address _____ with telecom _____?

How _____ it take _____ resolve _____ and configuration _____ telecom _____?

How _____ is the typical _____ period for _____?

How long _____ issues _____ telecom equipment _____ to _____?

_____ it likely that _____ takes a _____ time _____ fix _____ System _____?

_____ long _____ it take _____ telecom equipment installation _____ issues?

Is _____ likely that it _____ for it _____ TELECOM _____ Installation/CONFIGURATION Issues?

How _____ for setup _____ phone systems?

How long _____ a _____ for _____?

_____ long does it take _____ solve _____?

_____ it likely it _____ a _____ to solve a _____ telecommunication systems?

_____ long _____ take _____ fix _____ equipment issues?

How long does _____ take _____ installation and configuration _____ equipment?

_____ long it _____ take to fix _____ installation issues.

How _____ is a typical _____ a telecom _____?

What's _____ typical resolution time _____ setup _____ telecom _____?

How long _____ you average _____ installation _____?

_____ much _____ take to fix telecom installation _____?

What _____ the average _____ to fix _____ equipment _____?

Is there an _____ problems during setup?

_____ the _____ it _____ resolve installation/configuration _____ in telecom gear?

_____ is _____ normal amount _____ time _____ equipment configuration problems?
 How _____ do _____ think it _____ resolve _____ problems _____ telecom gear?
 How long _____ it _____ Telecom _____ Errors?
 _____ tell me how _____ take to resolve telecom _____ issues?
 _____ long _____ take _____ solve telecommunication _____ installation and configuration _____?
 _____ it _____ takes a _____ time to _____ problem like a configurations _____ systems?
 How _____ do you _____ it _____ fix _____ installation _____?
 _____ long _____ setup troubles take _____?
 _____ you _____ how _____ takes to _____ configuration issues for _____ the _____ industry?
 What is _____ normal _____ it takes to _____ telecom _____ configuration _____?
 _____ long would _____ to fix configuration _____ setup challenges _____ telecom equipment?
 How _____ it usually _____ and configuration issues on telecom systems _____?
 _____ time _____ a telecom installation?
 I am wondering when _____ takes _____ telecommunication _____.
 _____ is it to solve _____?
 How _____ to _____ config problems in _____ systems?
 It's possible that it _____ a _____ you to solve _____ like _____ telecom system _____.
 How long does it _____ telecom _____?
 Is it likely it _____ you a _____ time _____ problem _____ the _____ system _____?
 _____ it takes to _____ installation _____ issues on telecom systems _____?
 _____ it take _____ installation and configuration _____ telecom systems?
 _____ probable _____ it will take _____ time _____ it _____ System Installation/CONFIGURATION issues?
 _____ have _____ duration for _____ and setup issues with _____ equipment?
 _____ does it usually take to _____ installation and _____?
 _____ a long time _____ Issues to be fixed.
 How _____ sort out telecom equipment issues?
 _____ is _____ fix telecom equipment setup?
 _____ long _____ take to fix installation _____ on telecom _____?
 How _____ take to _____ telco setup glitches?
 What's the _____ period _____ issues?
 How _____ does _____ take to _____ fix telecom _____?
 I _____ to know how long _____ takes _____ telecommunication _____.
 _____ long _____ to address installation/configuration _____ on your telecommunications _____?
 _____ an average _____ for resolving telecom _____ setup?
 How _____ for _____ telecom _____ error?
 _____ long does _____ take for configuration _____ to _____ telecommunications _____?
 _____ long _____ it _____ resolve installation issues for _____ equipment?
 How long _____ to _____ telecommunication _____ installation/configuration _____?
 _____ you _____ it takes to address _____ glitches?
 How _____ does _____ to fix telecom _____ config _____?
 _____ do you _____ take to address _____ setup _____?
 _____ long _____ say _____ will take _____ fix telecom _____ errors?
 _____ long _____ it _____ to fix Telco _____ incidents?
 _____ the _____ it takes _____ fix _____ equipment configuration problems?
 How long _____ a telecom equipment _____ problem?
 _____ normal amount of _____ to fix _____ equipment _____ problems is not _____.
 How long do _____ fix telecom _____ installation _____?
 A _____ long _____ takes _____ fix configuration issues _____ telecom _____.
 _____ long does _____ usually take _____ telecom installation _____?
 How _____ does it _____ to solve _____?

It may ____ a while to ____ TELECOM ____ .

Is it likely that ____ have to ____ telecom ____ installation ____ ?

How ____ it takes ____ problems?

____ take to resolve installation ____ problems ____ telecom systems?

Usually, a ____ needed ____ install errors.

____ likely it will take ____ to ____ a problem like ____ system ____ ?

____ it take ____ fix ____ problems in telecom ____ ?

____ long do you ____ to ____ telco setup ____ ?

____ long do ____ typically need to ____ telecom equipment's ____ ?

____ usually taken ____ resolve ____ problems around telecom gear?

____ know how much time ____ telecom issues?

What ____ the typical ____ period ____ fixing telecom ____ ?

How ____ does ____ to solve ____ equipment's ____ configuration issues?

Does it take ____ time for ____ fix ____ Installation/configuration ____ ?

How ____ can ____ estimate for ____ installation issues?

How long ____ it take ____ issue to ____ in ____ telecom ____ ?

Do ____ have ____ typical duration for ____ challenges with telecom ____ ?

How ____ can it ____ solve ____ issues?

____ is ____ usual ____ taken to address ____ setup issues?

What is the ____ resolving ____ problems in ____ ?

It's possible ____ a long ____ to ____ System Installation/CONFIGURATION ____ .

____ required to fix telecom equipment configuration ____ ?

Is ____ it ____ take a ____ it to fix TELECOM ____ Installation ____ ?

Is there ____ duration for remedying configuration and ____ your ____ ?

How much ____ does it ____ to ____ in ____ systems?

Usually ____ a period ____ to ____ telecom ____ installs.

Can you tell me ____ typical ____ remedying ____ setup ____ your telecom ____ ?

____ it likely that ____ will ____ a ____ it to fix ____ Installation/configuration ____ ?

____ do ____ installation issues ____ to resolve?

How ____ it take ____ andconfiguration issues on telecom ____ ?

I ____ to ____ how ____ telecom problems during setup/config.

Installation andconfiguration problems ____ take a ____ .

____ is ____ average time it ____ system/equipment installation/config issues?

How ____ take ____ resolve installation ____ telecom equipment

____ it ____ fix ____ equipment configuration problems?

Share ____ duration for ____ problems ____ setup.

It ____ take ____ long ____ for you ____ solve ____ likeconfigurations ____ systems

What amount of time ____ telecom ____ configuration issues?

____ it ____ it will take a long ____ telecom system ____ ?

____ long ____ resolve installation issues ____ telecom systems?

____ typically ____ to fix telecom installation errors?

How ____ do ____ take to ____ system/ equipment installation issues?

____ long ____ it take ____ installation ____ with ____ equipment?

____ long does ____ installation/configuration issues ____ Telecom equipment?

____ it likely ____ will ____ to fix TELECOM system installation/configuration ____ ?

Please describe ____ typical duration ____ remedying ____ challenges with ____ telecom ____ .

____ long do ____ with ____ take?

What's the ____ time ____ installation ____ ?

How long ____ take to fix telecom ____ ?

____ wondering ____ long it ____ to fix ____ system.

Is there _____ remedying setup challenges with _____ telecom _____?

_____ long to _____ configuration _____ in _____?

How _____ will _____ take _____ solve _____ installation?

_____ take _____ while for you _____ solve a _____ like _____ telecom system _____.

_____ telecom systems _____ to take some time _____.

It may _____ long time _____ a problem like _____ a telecommunication _____

_____ normal _____ of _____ takes to _____ equipment configuration problems?

_____ a long _____ it to fix _____ System _____ issues.

Do _____ it takes to fix telecom _____?

How _____ for telecom _____ configuration problems _____ be fixed?

Is it _____ that it will _____ a _____ TELECOM System _____?

_____ long _____ normally _____ resolve installation and configuration _____ telecom equipment?

Is _____ that it takes a long time to _____ like _____?

How long _____ in _____ systems take?

_____ can take _____ long time _____ resolve _____ problems _____ equipment.

Is _____ it _____ take _____ long time _____ solve a configurations in _____?

Can you give _____ on _____ long _____ will _____ telecom _____ problems?

How long does it take _____ to _____?

Can you _____ us how _____ it typically takes _____?

_____ was wondering how _____ it takes to _____ telecommunication _____.

_____ long _____ will take _____ telecom _____ configuration issues?

_____ long _____ it take _____ troubles in _____ to be _____?

How long _____ think it _____ take _____ installation/configuration problems _____ gear?

How long does it _____ configuration in _____?

Is _____ likely that _____ a _____ time to _____ TELECOM System _____?

Can _____ tell _____ long _____ takes to _____ system issues?

Is it _____ that you _____ have _____ solve _____ problem like _____ and configuration _____ long time?

_____ periods are _____ to _____ system install _____.

What is _____ duration _____ telecom _____ issues?

Does it _____ time for it _____ fix _____ Issues?

Usually a period _____ required _____ installation errors.

_____ it likely it will take _____ long _____ for _____ fix _____ Installation/configuration _____.

How long does _____ take _____ systems?

_____ long _____ problems _____ resolve _____ your telecom equipment?

How long does _____ to _____ equipment?

Is _____ a typical _____ address setup _____ configuration issues of _____?

Installation _____ problems _____ telecom systems _____ while to _____.

Does _____ likely _____ time _____ fix TELECOM System _____ issues?

How _____ take to _____ telecom equipment _____?

How much _____ think _____ takes to _____ telecommunication _____ issues?

_____ issues with telecom _____ some time to _____.

How _____ does it take for installation and configuration _____ to _____?

_____ does it _____ Telecom system configuration issues?

How long is _____ typically _____ equipment _____?

_____ much _____ is _____ to fix _____ installation/config _____?

_____ much time do _____ it _____ fix telecom _____ issues?

How long _____ it _____ to _____ telecom _____?

Is it _____ take a while for you _____ installation _____?

How _____ take _____ phone systems?

How long _____ think _____ takes to resolve _____ telecom _____?

_____ does _____ take to _____ installation/config?

What _____ average _____ fix _____ equipment problems?

_____ long _____ it usually required _____ fix _____ equipment _____?

Can _____ tell _____ typical duration for _____ configuration _____ with _____ telecom _____?

_____ is _____ standard _____ telecom installation issues?

Is _____ likely _____ it will _____ of time _____ fix TELECOM _____ Installation/configuration _____?

Is it likely that _____ a _____ fix TELECOM _____ Installation _____?

_____ is _____ usually taken to address telco _____?

_____ long _____ takes to _____ installation _____ problems _____ telecom _____?

Do _____ have _____ typical _____ to _____ telecom equipment _____?

_____ long does it _____ for telecommunications equipment?

_____ you tell me the typical _____ configuration and _____ with _____?

_____ likely that it _____ you a long time _____ a problem _____ the installation _____?

What is _____ time _____ get _____ telecom _____ fixed?

What _____ does it take _____ fix _____ problems?

_____ long is _____ resolution _____ for _____ in _____ systems?

_____ long can _____ take _____ configuration issues in _____ system?

_____ the _____ time _____ to address setup _____ configuration issues of this _____?

_____ the _____ amount _____ time it will take _____ fix _____ equipment _____?

Can _____ me how long _____ to _____ telecom system _____ issues?

Installation and configuration issues on telecom _____ equipment _____ a long _____.

How long _____ it _____ to fix _____ telecommunications?

Do _____ have _____ duration for _____ setup _____ with _____ telecom equipment?

_____ the _____ time taken to _____ telco _____ problems?

_____ tell me _____ typical _____ and _____ challenges with my telecom equipment?

Is _____ it takes a long time _____ you to solve a _____ installation _____ system?

_____ does it take to _____ in the telecommunications _____?

Do you _____ long _____ to _____ telecom system/equipment _____?

What _____ the average _____ to be fixed?

_____ long it usually _____ to fix the telecom _____?

_____ does it _____ fix configuration issues in the _____?

How long must it _____ setup or _____ problems?

How _____ telecom installation _____?

How _____ does it _____ to _____ installation _____?

What is the _____ time _____ to _____ telecom equipment _____ problems.

Is it _____ will _____ long time _____ you to _____ the installation of a _____ telecommunications?

Installation and configuration problems _____ telecom _____ a while to _____.

_____ does _____ take _____ correct configuration issues for _____ in _____ telecommunications _____?

Do you _____ how _____ it takes _____ fix telecom _____?

_____ long does it _____ address _____ obstacles with _____ telephone _____?

_____ you _____ how long _____ usually _____ solve _____ system _____ issues?

_____ is _____ to solve telecom _____?

_____ long _____ it take _____ installation and configuration issues with _____?

What _____ period for _____ in telecom systems?

How _____ it _____ fix telecom installation _____?

How _____ will it _____ telecom system/equipment _____ issues?

How _____ time does _____ take to _____ a _____ installation/configuration _____?

I'm wondering _____ long _____ to _____ systems.

Installation and configuration _____ on telecom _____ time to resolve.

Can you _____ average _____ to _____ a _____ installation?

_____ what's _____ time _____ telecom _____ issues?
_____ is _____ resolution period _____ system setup troubles?
_____ any average time _____ fix _____ installation _____?
_____ long _____ taking to _____ configuration _____ in _____ systems?
_____ does it take to _____ telecom _____.
_____ do you typically take to _____ setup _____ problems?
_____ us how long it takes _____ telecommunication _____.
_____ the average time _____ telco setup issues?
How long _____ the process of _____?
How _____ you think _____ takes to _____ equipment _____ issues?
_____ long _____ it _____ resolve _____ on telecom equipment?
How long _____ fix telecom system/ equipment _____ issues?
_____ is the usual time _____ to fix _____?
Is it likely that it _____ a _____ time for you _____ solve a _____ like _____?
_____ you _____ how _____ it _____ to fix _____ headaches?
_____ can _____ some _____ with _____ equipment.
_____ likely it will _____ a long _____ for _____ System Installation/CONFIGURATION _____ be _____?
_____ will _____ take to fix _____ installation _____?
_____ long _____ to resolve installation/configuration _____ for telecom _____?
_____ to explain the typical duration for remedying _____ setup challenges _____?
How _____ does it take _____ installations of _____?
_____ long do you _____ would take _____ and setup of your _____?
_____ does it take _____ fix _____ install/config _____?
_____ is _____ typical _____ of time _____ telecom _____ setup?
Do you have _____ estimate _____ long it _____ resolve _____ installation/config issues?
What is _____ usual time taken _____ telecom _____?
Is it _____ that it will _____ a _____ to _____ System _____?
What is _____ to _____ problems _____ telecom gear?
Are _____ durations for _____ configuration and setup _____ telecom equipment?
_____ long _____ it typically _____ to _____ installation _____ problems _____ systems?
_____ it takes _____ fix configuration _____ in _____ industry?
How _____ installation issues of telecom systems _____?
How long _____ normally take to _____ issues _____ telecom _____?
_____ the duration needed to resolve _____ systems?
_____ long does _____ for telecom gear _____ to _____ solved?
_____ is _____ normal amount _____ fix _____ equipment configuration problems?
_____ it likely that _____ you _____ time to resolve Telecom _____ installation _____?
How long _____ to _____ and _____ problems in _____ systems?
Explain _____ typical _____ for _____ and _____ with your telecom _____.
_____ much _____ do you think it _____ fix _____?
_____ setup _____ long is needed?
_____ long can it _____ fix telecom system/ _____?
How long _____ it _____ to _____ with telecom systems?
_____ usually to fix telecom _____ problems?
_____ it _____ you a _____ time to _____ problem like the installation _____ new telecommunications?
What's the _____ resolution _____ system setup _____?
_____ long does _____ take to _____ telecom systems?
_____ time does _____ to resolve installation and configuration _____ with _____?
How long does _____ take _____ configuration issue in a _____?
_____ will it take _____ telecom installation _____?

Is _____ long _____ in telecom systems?

_____ telecom _____ can _____ long time to resolve.

Is _____ typical duration _____ remedying configuration _____ challenges for _____?

_____ long will it take _____ fix _____ Installation/configuration _____?

_____ it _____ that _____ will _____ while _____ fix _____ System Installation/CONFIGURATION issues?

How _____ does it _____ fix _____ telecom installation _____?

_____ the _____ time taken to _____ setup issues?

How _____ to solve _____ system installation problem?

_____ does _____ to resolve installation _____ issues with _____ systems?

Is it likely _____ take a long _____ solve _____ telecom _____ installation _____?

_____ likely that it _____ take you _____ long time to _____ installation _____?

_____ long do _____ take to _____ telecom _____ issues?

What _____ the _____ time it takes to _____ configuration problems?

_____ typically _____ to fix Telco set ups?

Can you tell _____ the _____ duration _____ and setup challenges with _____?

_____ me _____ it _____ takes to fix _____ issues.

How long _____ take to _____ in a telecom _____?

Is _____ that it _____ take _____ solve a problem like the installation _____ a _____ system.

What _____ length of _____ will take _____ fix telecom _____ configuration _____?

Installation _____ with _____ systems _____ take a long _____

How _____ for fixing _____ telecom _____?

How long _____ orconfig hiccups?

How long _____ it typically _____ fix _____ equipment _____?

How long _____ think it will _____ resolve _____ problems around _____?

Are _____ likely _____ it _____ take _____ for _____ to fix _____ System Installation/CONFIGURATION _____?

How _____ should _____ for _____ setup _____ configuration problems to _____ fixed?

Is _____ that it takes _____ to solve _____ problem _____ the _____ of _____ phone system?

_____ long do _____ resolve installation andconfiguration problems in _____?

Do _____ have _____ average duration _____ configuration _____ setup challenges with _____?

How _____ does it _____ to _____ telecom equipment _____?

_____ know _____ long it takes to solve _____ system _____?

How _____ it usually required to fix _____?

_____ do it take to _____ issues in telecom _____?

How _____ will it _____ to _____ telecom _____ setup _____ configuration _____?

How much _____ it _____ a _____ system _____ to _____ solved?

Is it likely that _____ take _____ to _____ Installation/CONFIGURATION Issues?

Is _____ you will _____ long time to _____ installation issues?

What time does _____ take to _____ issues?

_____ typical _____ to solve _____ hiccups?

How _____ does _____ takes to _____ installation andconfiguration problems _____?

_____ is _____ when _____ fix _____ equipment setup?

_____ can _____ take to _____ installation errors?

Is _____ a period necessary to _____ system _____?

Do _____ how _____ it _____ to _____ telecommunication system installation _____?

How _____ do you think _____ to _____ system/equipment _____ issues?

_____ it _____ typical _____ for _____ configuration and setup challenges with your _____?

How _____ is it _____ to _____ errors?

_____ likely it takes _____ long _____ solve _____ problem _____ telecom system installation?

_____ long _____ resolve installation issues _____ telecom equipment?

_____ long does _____ take to fix _____ set _____?

_____ much _____ is needed to _____ installation/configuration obstacles _____ your _____ ?
 _____ time do you _____ takes _____ telecom system _____ be fixed?
 What _____ time it _____ to _____ a telecom _____ ?
 Is it likely _____ will _____ a while _____ solve a _____ a telecommunication system?
 _____ it _____ will _____ a long time _____ System Installation/CONFIGURATION Issues?
 _____ the normal length of _____ it takes to _____ equipment _____ ?
 _____ the _____ resolution period for telecom _____ ?
 Do _____ how long _____ takes _____ system installation issues?
 How _____ does _____ to _____ a _____ in telecom _____ ?
 _____ it _____ it will take _____ to fix _____ Installation/configuration issues
 _____ does it take _____ solve _____ telecommunication system installation _____ ?
 It's _____ a long time to _____ System Installation/configuration _____ .
 _____ take a long _____ it _____ fix TELECOM _____ Installation/CONFIGURATION _____ ?
 What is the _____ amount of time _____ will _____ configuration problems?
 How _____ it take _____ resolve _____ installation issues?
 _____ the typical _____ taken _____ system/ equipment issues?
 _____ is the estimated _____ for _____ system _____ issues?
 _____ a period _____ required _____ telecom system _____ errors.
 _____ does it take _____ resolve _____ in telecom gear?
 _____ wondering how _____ it takes _____ fix telecommunication _____ issues.
 How _____ telecom equipment _____ ?
 _____ does it _____ to resolve installation _____ telecom systems?
 How long _____ usually take to _____ setup _____ ?
 Is it _____ that it _____ fix telecom _____ installation issues?
 _____ will _____ for a telecom installation _____ to be _____ ?
 How long do _____ take to _____ installation _____ ?
 _____ it likely it _____ a long _____ to resolve _____ ?
 _____ the period required _____ telecom system _____ .
 _____ the _____ resolution period for _____ in _____ systems?
 _____ it _____ will take _____ long time for _____ fix _____ Installation/CONFIGURATION issues?
 It _____ take _____ long _____ TELECOM _____ issues to be _____ .
 _____ is _____ average _____ of _____ it takes _____ telecom equipment configuration _____ ?
 _____ timeline to _____ comms _____ setup _____ ?
 _____ likely that it will take a _____ time for _____ to be _____ ?
 _____ to resolve _____ install errors?
 Is _____ a _____ for remedying configuration _____ challenges with _____ telecom _____ ?
 It could _____ a _____ time _____ to solve _____ problem like configurations _____ .
 _____ is _____ normal _____ of time needed _____ fix _____ equipment _____ ?
 _____ can _____ fix telecom _____ errors?
 _____ long _____ telecom system config _____ ?
 Do you _____ it _____ to fix telecom system/ _____ ?
 How long _____ in _____ system?
 How _____ it _____ fix installation/configuration issues _____ telecom _____ ?
 What's _____ fix _____ installation issues?
 _____ it likely _____ time to fix TELECOM System Installation/CONFIGURATION _____ .
 _____ usual _____ period for _____ setup _____ ?
 Can you _____ long _____ will take to fix _____ ?
 _____ know how _____ it will take to fix _____ equipment _____ ?
 _____ long will _____ take to _____ setup _____ ?
 Do you _____ how long it will _____ fix _____ ?

How long does _____ problems _____ telecom systems?

_____ do installation _____ with _____ take to get _____?

Is there a typical _____ remedying _____ challenges with _____ telecom _____?

_____ you know how _____ it takes _____ and configuration problems _____ systems?

How _____ tell _____ addressing _____ problems during setup?

_____ long did it _____ fix _____ issues in _____?

What _____ typical _____ taken _____ fix setup and configuration _____ of _____?

_____ long is a _____ fixing telecom _____ issues?

_____ possible it _____ a long time for _____ to _____ Installation/configuration _____.

Does _____ take _____ long time _____ system _____ issues?

_____ the _____ length of time for _____ telecom systems?

_____ it likely _____ fixing TELECOM System _____ will _____ a _____?

_____ it usually take to _____ telecom _____ configuration issues?

How long does _____ take _____ installation _____ configuration problems?

Is it _____ it _____ time for it to _____ TELECOM _____ installation _____?

_____ take a long _____ to _____ System Installation/CONFIGURATION _____.

_____ is _____ a resolution _____ for setup _____ telecom _____.

_____ it likely _____ it _____ long _____ for the TELECOM _____ to be _____?

_____ long does _____ take _____ fix _____?

_____ us _____ time _____ to resolve _____ installation issues.

_____ long _____ in _____ systems take to _____ resolved?

_____ it likely you'll have to _____ system _____ issues _____ time?

_____ long _____ installation and configuration problems take _____?

_____ normal _____ time _____ will take _____ fix telecom equipment _____ problems?

How _____ usually needed _____ address _____ installation and _____ issues?

_____ long _____ it _____ resolve _____ telecommunication system installation _____?

How long does _____ take _____ fix _____ issues on _____?

How _____ do installation _____ telecom _____?

_____ take for _____ telecom industry _____ fix configuration issues?

How much _____ need to address installation/configuration _____ systems?

It _____ that it takes a _____ to _____ System Installation/CONFIGURATION Issues.

The _____ of _____ it _____ to _____ telecom _____ configuration problems

How much _____ it _____ fix _____ headaches?

_____ long does it take _____ problems _____ gear?

How _____ it typically take _____ fix _____ equipment's _____ configuration _____?

_____ is the usual resolution _____ troubles _____ systems?

_____ it will take awhile _____ fix TELECOM _____ Installation/configuration _____?

Do _____ know _____ it takes _____ fix _____ system?

_____ is the _____ amount of time _____ take _____ repair telecom _____?

How long _____ it _____ resolve installation and configuration _____?

_____ it usually take to address _____ issues?

What's the _____ fixing telecom _____?

_____ is the _____ duration for addressing _____ during _____?

Is it _____ it will _____ a _____ time to _____ issues?

Is _____ takes _____ to resolve telecom _____ installation issues?

_____ it take to _____ installation _____ in telecom _____?

_____ it _____ that the TELECOM System _____ issues _____ take a _____?

What _____ the _____ fix _____ telecom system?

Time _____ to _____ system _____ errors.

How _____ it _____ you _____ telecommunication system installation issues?

How ____ does ____ takes to resolve ____ issues ____ telecom ____?

How ____ it ____ to ____ Telecom ____ errors?

____ does it ____ to ____ configuration ____ in telecommunications?

I am asking how long ____ fix ____ system ____.

____ is the average ____ installation ____ in telecom ____?

____ is ____ fix telecom equipment setup?

What is ____ average ____ to ____ telecom equipment ____?

____ likely ____ will ____ long time to fix ____ installation issues?

____ take to fix telecom equipment ____ problems?

Is it likely to ____ time to ____ issues?

____ does ____ take to address ____ telecom equipment?

How ____ time ____ you think it takes ____ fix ____?

How long ____ it ____ to resolve installation/configuration ____ telecom ____?

____ is ____ us to fix telecom installation ____?

How long does ____ take ____ fix ____ configuration in ____?

How long does it ____ take to ____ installation ____ telecom ____?

____ time to fix ____ installation?

How long ____ to ____ configuration ____ for telecommunications ____?

____ does it ____ telecom ____ installation/configuration problems to ____ resolved?

____ the typical time ____ to address setup ____ of ____ gear?

How ____ the process ____ installation/configuration problems ____ telecom ____?

____ long it typically ____ to resolve ____ problems ____ equipment?

____ it take for you to ____ setup ____ with your ____ equipment?

How long ____ for ____ systems to be ____?

How ____ to ____ installation?

____ long does it take ____ telecom systems?

Is it likely it ____ take ____ long time ____?

____ long ____ you tell me ____ installation/config issues?

____ it take ____ long ____ fix telecom ____ problems?

____ long ____ it take ____ and configuration ____ systems and equipment?

____ does it take ____ fix configuration ____ in ____?

____ know ____ much time ____ takes ____ fix telecommunication ____ issues?

____ the ____ frame ____ fixing telecom equipment issues?

____ long ____ take ____ fix ____ issues ____ telecom Systems?

I ____ like ____ know an ____ time for ____ telecom ____.

____ it ____ to describe the ____ duration for ____ configuration ____ setup ____ your ____?

____ it likely ____ take ____ for you to solve a problem like ____ new telecommunications?

____ it ____ time ____ it to ____ System Installation/configuration issues?

____ you ____ us an ____ for ____ challenges with your telecom equipment?

____ long ____ it ____ to resolve ____ issues with ____?

Is ____ possible that it takes ____ long ____ fix TELECOM ____?

____ it take ____ installation/configuration ____ in telecom gear?

____ long ____ usually take to resolve installation ____ for ____?

____ long ____ think it will ____ installation/configuration ____ around telecom gear?

How long do ____ think it takes to ____ and configuration ____?

____ likely it ____ take a long ____ TELECOM System Installation/CONFIGURATION ____ be ____?

____ you ____ how long ____ take ____ resolve ____ installation/config issues?

How ____ it take to fix ____ issues ____?

How ____ take to ____ telecom system/equipment ____ issues?

____ it takes a long time to ____ Installation ____?

How long ____ it ____ fix installation ____ issues ____?

Is ____ likely that it takes you a ____ to ____ a ____ the ____ telecommunication ____?

How ____ is ____ to resolve config ____ telecommunications ____?

How long ____ it ____ installation/configuration problems ____ telecom ____?

How ____ does ____ to resolve installation/configuration ____ with ____?

____ the normal resolution period ____ in telecom ____?

____ you ____ will ____ a ____ time to ____ the telecom system ____ and configuration ____?

____ you reckon ____ to ____ telecommunication system installation issues?

The expected ____ setup issues?

____ long ____ it take ____ fix ____ equipment configuration ____.

What ____ time ____ fix ____ equipment setup?

What ____ the ____ amount of ____ it ____ to repair telecom ____?

____ do ____ usually ____ to address telco setup ____?

Is ____ likely ____ a long time ____ solve a ____ in telecommunication ____?

____ typical time ____ telecom equipment setup ____ known.

Installation ____ systems and equipment can ____ a ____ time ____.

How ____ to fix ____ system ____?

How ____ do installation ____ telecom ____ to get ____?

Do ____ have ____ of the ____ it will ____ resolve telecom system ____?

What ____ the ____ time ____ to ____ telecom ____ issues?

____ you know how ____ takes to ____ a ____?

How long ____ take ____ to fix ____ and ____ with ____ equipment?

____ long will it ____ for ____ in telecom ____ be ____?

____ long does ____ take to solve ____ system ____?

How ____ it taken ____ fix telecom ____ issues?

____ long does it take to resolve ____ telecom ____

____ long ____ it take to ____ and configuration issues on ____?

____ you have ____ average ____ for addressing ____ during ____?

____ is the average time ____ telecom ____ issues?

How ____ is ____ usually ____ to fix ____ configuration ____?

____ you know how long ____ fix ____ telecommunication system ____?

____ much time is ____ to ____ config ____ in ____?

Is it ____ that ____ a long while ____ System Installation/CONFIGURATION ____?

____ take ____ fix telecom system/ ____ installation issues?

How ____ it ____ to ____ installation and configuration ____ on ____ systems ____ equipment?

____ it take to ____ install ____ problems with ____ systems?

____ long do ____ takes ____ problems with telecom gear?

____ take to ____ issues on telecom equipment?

____ it ____ to resolve installation/configuration ____ telecom equipment?

I ____ the ____ for remedying configuration and ____ my telecom equipment.

How ____ does it take ____ fix telecom ____?

____ times to fix ____ installation/config issues?

____ usual time to fix ____ setup?

____ long is required for resolving ____ telecommunication ____.

How long do ____ fix ____ installation ____?

Is there an ____ fix ____ telecom ____?

____ long ____ take ____ issues in telecom systems?

Do you ____ it takes to fix ____ the telecom ____?

How long ____ usually taken to ____ issues?

____ it ____ that ____ will take a ____ time ____ the telecom ____ issues?

_____ long does it _____ to _____ installation and configuration _____ equipment?

It might _____ you _____ long time to _____ the installation _____ system.

How much time _____ takes to fix _____ headaches?

Tell _____ it _____ resolve telecommunication system _____ issues.

_____ you _____ how long _____ fix _____ equipment's installation _____ configuration issues?

It might take a _____ TELECOM _____ Installation/CONFIGURATION _____.

_____ take you _____ time to _____ problem _____ telecom system installation _____ issues.

Do _____ it _____ take _____ long time _____ fix telecom _____ installation _____?

_____ is _____ typical resolution for _____ in _____ systems?

Average _____ of time _____ will take _____ fix telecom _____.

_____ telecom systems can _____ a _____ to _____ resolved.

Is the typical _____ solve _____?

_____ long for _____ issues _____ telecom _____?

_____ long does _____ resolve configuration _____ with telecom equipment?

How _____ do you _____ it takes _____ around telecom _____?

Is it likely _____ will _____ you _____ long time to resolve a _____ the _____ of _____?

What _____ take _____ fix _____ issues for equipment _____ the _____ industry?

_____ it _____ long time for it _____ fix _____ System Installation issues?

_____ you _____ me for resolving _____ system installation/config _____?

_____ long _____ to resolve installation issues _____ systems?
