

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive manufacturers
Inquiry Category	Assistance with vehicle navigation and multimedia systems
Inquiry Sub-Category	Instructional guidance on system usage
Description	Providing step-by-step instructions and guidance to customers on how to use various features and functionalities of the navigation and multimedia systems in their vehicles.
Data Size	5,040 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)

What are the _____ my _____ to _____ car model's navigation _____?
_____ I _____ my phone's wireless _____ to make _____ with the _____ system?
_____ you tell me _____ I _____ follow to _____ phone _____ link _____ the _____ system in _____ car?
Can you tell _____ to connect my _____ to _____ navigation _____ on _____?
Do you _____ the steps _____ need to _____ my _____ navigation system _____ my _____?
_____ you _____ what's involved in _____ my car's navigation _____?
Can I _____ same _____ communication _____ to _____ to the navigation _____ on this _____?
_____ you give _____ on _____ I _____ link my phone to the _____ system _____ car?
Can _____ wireless technology that my _____ to link my _____ to _____ system?
How _____ I connect my _____ my car's _____ wireless _____?
_____ do I get _____ to _____ to _____ on _____ vehicle?
_____ I have _____ to _____ to _____ navigation on the _____ my phone?
_____ the procedure by which _____ can transfer my mobile _____ to _____?
_____ it possible _____ use _____ connect _____ phone _____ the navigation _____ in my _____?
_____ can _____ connect _____ my _____ system using my _____ fidelity enabled _____?
_____ my phone _____ connect to the _____ this car?
How can I _____ my _____ navigation _____ with _____?
_____ want to know what the process _____ to _____ phone _____ car _____.
Can I _____ my phone's _____ capabilities to _____ with _____ navigation _____?
_____ you _____ me about how to _____ navigation system _____ this car?
Can _____ use the same wireless _____ link _____ car's navigation _____ to my _____?
Can you tell me _____ need to do _____ work with _____ car's navigation _____?
_____ my phone _____ system in my _____ the _____ wireless communication technique?
Can you tell me _____ for linking _____ the navigation _____ car?
_____ I get my phone to _____ navigation _____ this car?
Can you tell _____ I need _____ follow to link my _____ the _____ system _____?
_____ anyone _____ to _____ my cell _____ navigation device _____ my car?
_____ use the _____ method of _____ to link my _____ car's _____ system?

Can you _____ how to connect my _____ my _____ system?

How can I _____ theBluetooth _____ connect my phone _____ car?

How do _____ get _____ system _____ connect to my mobile _____?

How _____ link the navigation _____ of _____ car to _____?

How do I get _____ to my _____ navigation _____?

How _____ I connect with _____ vehicle's _____ phone?

_____ link my phone _____ the _____ system in my _____ wireless _____ technique?

_____ heard that _____ car's navigation system _____ be _____ to _____ but _____ I do _____?

_____ do _____ my car _____ to _____ mobile phone?

I want to _____ my phone _____ the _____ of _____.

How can _____ get _____ to communicate _____ navigation _____ in my car?

Can I _____ this _____ system using the _____ technology that _____ use?

_____ me how I _____ my _____ to _____ with _____ navigation system _____ my vehicle?

_____ you _____ me _____ process of _____ my _____ with _____ car navigation _____?

How _____ go with the car model's _____ systems?

_____ do _____ get _____ work with _____ car model's _____ systems?

_____ tell me what I _____ in _____ to link my _____ the navigation system _____ car?

Does anyone _____ how _____ get _____ phone into _____ navigation _____?

Can _____ how I can _____ my _____ to _____ system in _____ car _____?

How can _____ make a connection to _____ car's navigation system?

Can _____ place _____ in _____ navigation with _____ signal through _____ wireless _____?

Can you _____ idea on how _____ my phone to _____ of _____ model?

_____ possible to _____ my _____ to _____ system _____ this car _____ the same _____ technology?

Do _____ know _____ to _____ my mobile _____ my _____ unit?

Can I _____ to the _____ navigation _____ using _____ same _____?

_____ I _____ the same _____ technology _____ is _____ in _____ car _____ my phone to _____ system?

_____ you _____ me how I can _____ to the navigation system _____?

_____ to _____ get my phone _____ connect _____ the navigation in _____ car?

Do you know how _____ sync _____ the navigation _____ vehicle?

_____ I use _____ same wireless _____ that _____ phone _____ using _____ link _____ phone _____ navigation system?

_____ I get my phone to communicate _____ the navigation systems _____ my _____?

_____ you tell me _____ to _____ my _____ the _____ system _____ the _____?

How can _____ with my _____ navigation system _____ wireless _____?

Is it _____ me through _____ my mobile with _____ vehicle's _____ unit?

_____ get _____ mobile _____ navigation system of my car?

_____ you offer me _____ on _____ to the navigation system in this _____?

_____ tell _____ what the process is _____ linking _____ with _____ in my car?

Can _____ tell _____ link my _____ my navigation _____ in my _____?

_____ me know how _____ mobile with this vehicle's _____?

_____ you tell me how _____ my _____ to the _____ this car _____?

_____ use the same _____ communication _____ as the one _____ this _____ my phone to _____ system?

_____ use _____ phone's wireless _____ features _____ make a _____ to my car's _____?

_____ I link _____ smart _____ to _____ navigation system _____ car?

_____ do I link the _____ to _____ phone?

_____ I _____ to do to connect with this _____ phone?

_____ how to get _____ phone to _____ navigation system _____ my car?

_____ connect to the navigation system of my _____?

Can I link my _____ to _____ car's _____ same wireless _____ used on it?

Can you _____ me know what _____ is _____ linking _____ navigation system?

How do I use Bluetooth _____ my phone to _____?

_____ I use the same _____ technology _____ used in the _____ system _____ link _____ to _____?

_____ I connect to my car _____ via _____?

_____ how _____ connect _____ mobile device _____ the navigation device _____ this _____?

_____ can _____ my phone's technology _____ to a _____ system?

_____ tell me how _____ get my phone to _____ in my _____?

Is _____ possible to _____ same _____ as _____ phone _____ link _____ car's _____ system?

_____ I _____ to _____ car model's _____ system on _____ phone?

How _____ I get my _____ to _____ the _____?

_____ you give _____ idea _____ link my phone to _____ car navigation _____?

_____ tell me how _____ my phone to _____ system _____ this car?

Can _____ me _____ how I'm going _____ connect _____ phone _____ system on this _____?

_____ the car _____ navigation system to connect _____ my _____?

What _____ I need to _____ vehicle's _____ to my phone?

Is it possible _____ use my _____ in _____ with _____ signal _____ the wireless technology?

_____ you give me _____ on _____ to link my _____ the navigation _____ in _____?

_____ me _____ I can get my phone _____ work with _____ system _____ my _____?

_____ my phone to _____ to _____ systems in my car, not from a _____?

Is _____ to place _____ phone in this _____ wireless technology?

Can you give _____ idea _____ link my phone _____ system in this _____?

_____ I get _____ this car's _____ on my _____?

Can you _____ how _____ my mobile _____ to _____ car's navigation _____?

_____ can I get my _____ talk _____ navigation systems in my _____ a _____ call?

How could my _____ be _____ to _____ navigation using _____?

How _____ I connect _____ car's _____ using _____ wireless capabilities?

_____ can _____ use _____ phone's wireless fidelity _____ connection _____ the car navigation system?

_____ can I _____ a _____ of _____ my phone _____ my _____ navigation?

_____ the means to _____ me _____ to _____ to the navigation unit in this _____?

_____ you know the _____ link my car's _____ system _____?

How _____ I sync _____ phone with the _____ through _____?

Can you tell _____ should do _____ the navigation system on _____ car?

Is _____ possible to link _____ the _____ navigation _____ the _____ communication technique?

_____ can _____ wireless fidelity feature _____ connect to the car's _____?

How do _____ my phone to work with _____ system _____?

_____ it possible _____ my phone to _____ put _____ car's navigation _____ a signal _____ wireless _____?

_____ me _____ idea _____ how _____ going to _____ my phone to the _____ system on _____?

_____ to put my _____ into _____ car's _____ a wireless device?

What do _____ need to _____ connected with this _____ navigation _____ my _____?

_____ you tell me _____ I _____ follow _____ my phone _____ my car _____?

_____ am _____ supposed _____ do _____ my phone's _____ the car's navigation _____?

How _____ get _____ to _____ with the _____ in this _____?

_____ have a way _____ me to transfer _____ phone _____ the _____ this car?

Can _____ me about _____ for _____ phone to _____ car's _____ system?

Can _____ link _____ phone _____ navigation system in _____ car using the _____?

_____ you tell _____ the process _____ need to follow to get my _____ connect _____?

_____ you _____ how _____ my _____ to the _____ in my vehicle?

_____ technology to link my _____ to my car navigation _____?

Can you _____ me the process _____ car model's navigation _____?

I _____ to _____ phone to _____ navigation system of _____.

How _____ phone _____ linked into _____ car's _____ using a _____?

____ do I get ____ phone ____ hook ____ my navigation ____ car?
 ____ do I ____ my ____ connected to the ____ of ____ car?
 ____ me the ____ of ____ my phone to my navigation system ____?
 ____ system can be ____ my phone but how ____ I do that?
 ____ it possible ____ the wireless technology ____ put my ____ in ____.
 ____ do I need to ____ to ____ navigation on my ____?
 ____ know ____ procedures ____ connecting my ____ navigation ____ my phone?
 ____ it ____ put my phone ____ this car's ____ the wireless ____?
 Can ____ tell me ____ I should do ____ phone ____ the ____ on the ____?
 How ____ I make my ____ use ____ navigation ____?
 How ____ I ____ my ____ this ____ navigation system?
 ____ I ____ mobile device to ____ navigation system of my ____?
 Is it ____ to put ____ navigation with a signal through ____.
 Can you ____ what it ____ link ____ phone to the ____ car?
 Can ____ use the same ____ my ____ uses ____ phone to ____ car's ____ system?
 How can I ____ a ____ with my ____ my ____ wireless ____?
 ____ me what I ____ to ____ my phone ____ navigation system of this model?
 Can ____ wireless communication ____ as ____ one in this ____ link my ____ to its ____ system?
 Can you ____ me ____ my ____ to link with my ____ navigation ____?
 How can ____ to ____ to the navigation ____ in my ____ not ____?
 ____ it ____ to ____ my phone in the ____ through the ____ technology?
 ____ I ____ my ____ wireless fidelity enabled features to make a ____ navigation ____?
 Can you ____ me the process of connecting ____ the navigation ____?
 How do I get ____ phone ____ talk ____ a car?
 ____ to link ____ phone to the navigation system on ____?
 ____ use ____ to ____ to a navigation ____ in my car?
 Is it possible to ____ my ____ car's ____ a signal ____ the ____.
 Can you ____ me ____ how to connect ____ this ____ navigation system?
 Can ____ me how to connect ____ the ____ system ____ this ____ car?
 ____ do I ____ my ____ vehicle's navigation ____ using wireless ____?
 ____ can ____ car's system of navigation to ____ my ____?
 Does ____ have a way for ____ to link ____ to my ____?
 ____ you ____ how to ____ my ____ link with the ____ in this ____?
 Is ____ possible ____ use ____ wireless ____ as my ____ my phone to the navigation ____ car?
 ____ you ____ of ____ connect ____ car's navigation system ____ my ____?
 I want ____ phone's ____ capabilities to make a ____ to ____ system.
 ____ I get ____ to connect ____ navigation system ____ my car?
 ____ want ____ connect ____ to your car's navigation ____ with Bluetooth.
 ____ I ____ my phone's ____ to connect ____ navigation system ____ my ____?
 ____ phone be connected to ____ navigation system ____ a ____ method?
 ____ you ____ I ____ have ____ cellphone connect to ____ navigation system on ____?
 How can ____ get ____ navigation ____ talk to ____?
 Are ____ of ____ connect my car's navigation system ____ phone?
 Can ____ tell me ____ I ____ my phone ____ system on ____ car?
 Can i ____ same wireless ____ as ____ car ____ link ____ this navigation ____?
 ____ link my ____ to the ____ system in this car ____ the ____?
 ____ be ____ to this vehicle's ____ systems ____ my phone?
 How do ____ phone to go ____ the ____ system ____ my ____?
 Can you tell me ____ link my ____ and ____ car?
 I have a ____ device that will connect to ____ system on ____ do ____ to ____?

Did _____ know how _____ connect my cell phone _____?

What do _____ to do to _____ this vehicle's _____ on _____?

_____ I _____ the _____ wireless _____ as my car to _____ phone _____ navigation _____?

_____ the car's navigation system can _____ linked _____ my phone, though _____ I _____?

Can I _____ my _____ to connect to _____ navigation _____?

Do you _____ to get my _____ navigation _____ connect with _____?

How _____ connect the navigation device of _____ car _____?

_____ do I get _____ phone _____ my _____ navigation?

_____ you _____ of steps _____ my car's _____ to _____ phone?

How do I get my car's _____?

_____ tell me _____ process for _____ my phone _____ the navigation system _____ car?

_____ I _____ to _____ to _____ access _____ this vehicle's _____ system on _____ phone?

How can _____ a _____ to the navigation system _____?

_____ I use _____ same _____ technology _____ to link the _____ my car?

_____ can _____ phone's _____ capabilities to _____ the car's navigation _____?

_____ I use my _____ wireless _____ enabled _____ access the navigation system _____?

_____ do I _____ connect my _____ car's navigation device?

_____ I _____ the navigation _____ my _____ to my phone?

How _____ connect my car _____ to _____ mobile _____?

Is it _____ my phone into _____ system _____ the wireless _____?

_____ I use the _____ technology _____ this _____ navigation _____ link my _____ it?

_____ I use _____ wireless _____ technique to link my phone _____ car _____?

_____ I use _____ to _____ the _____ system in my vehicle?

Can _____ tell me _____ phone to _____ system _____ my car?

_____ I _____ theBluetooth to connect _____ system on my car?

Can you tell me _____ connecting my _____ navigation _____ on this _____?

Is _____ link _____ phone _____ navigation system using _____ same wireless technology?

How can I use _____ phone _____ to the navigation _____?

How do I _____ cell _____ car _____ system?

Does anyone _____ to _____ my cell phone to the _____?

_____ I _____ my _____ to the navigation _____ in _____ car, _____ the _____ communication _____?

_____ take _____ transfer my mobile _____ this car's _____ unit?

_____ I _____ my _____ talk to _____ navigation system of this _____?

How can I get my phone to _____?

_____ can _____ my _____ to my _____ navigation systems, not on _____ phone?

How could _____ connected to _____ navigation _____ a _____ way?

_____ can _____ use my phone's wireless _____ enabled _____ to _____ with _____ system?

_____ in which _____ can _____ my _____ this vehicle's navigation unit?

I _____ link _____ phone _____ this _____ system using _____ same wireless _____.

Can you _____ get my cellphone to connect _____ system _____ my car?

_____ the _____ wireless technology _____ is _____ on this car _____ my _____ to the _____ system?

Can _____ use _____ phone's wireless _____ enabled _____ to _____ a _____ my _____ navigation _____?

Can _____ tell me how to _____ work with _____ system _____ car?

Is _____ to _____ the _____ to put _____ the car's navigation?

_____ I _____ smart phone to my _____ system?

_____ to set _____ phone _____ navigation system _____ my car?

_____ can I _____ mobile _____ to the _____ my car?

_____ aware of the _____ to connect my _____ navigation system _____?

Can you _____ me what _____ do to _____ my phone to _____ the navigation _____ in _____?

_____ do _____ connect my phone _____ navigation system using a _____?

_____ I _____ theBluetooth to _____ to my vehicle's navigation?
 _____ I _____ the _____ technology _____ my car's navigation system uses _____ phone to _____?
 Can _____ how I _____ my phone to the navigation _____ in this car?
 _____ same _____ technology that _____ to _____ my phone to _____ car's navigation system?
 _____ you tell me _____ link my _____ navigation system _____ car _____?
 _____ you _____ me instructions on how to _____ phone to _____ this _____?
 _____ the means _____ show me _____ to transfer my _____ this car's _____?
 _____ need to do _____ be connected _____ the _____ system on _____ device?
 Can _____ same wireless technology _____ was _____ this car's _____ to link my _____ to _____?
 I would like to _____ for linking _____ to the _____ system _____ car uses _____ Bluetooth.
 How do _____ link _____ device _____ the _____ device _____ this _____?
 Can _____ how it _____ to have my cellphone _____ system in my _____?
 _____ I use the _____ technology that _____ on the car's _____ system _____ link _____ phone _____?
 Do _____ know any _____ to connect my _____ my _____?
 Is it possible _____ my _____ navigation _____ of a car _____ the _____?
 _____ do _____ this _____ navigation systems _____ my phone?
 Can _____ tell me _____ process I _____ follow _____ phone _____ the _____ navigation system?
 _____ give me _____ connect my mobile device _____ your _____ viaBluetooth.
 Is it _____ to put my phone _____ through the _____?
 How can _____ connect to the _____ my _____?
 _____ I supposed _____ do to _____ connected to _____ vehicle's navigation _____?
 How _____ I connect _____ phone to _____ navigation systems _____?
 _____ way _____ link my _____ navigation _____ using the same wireless technology?
 How do I _____ the _____ on this _____?
 _____ do I need _____ to connect my _____ to _____ car?
 Do you _____ my _____ to _____ navigation system in my _____?
 Can _____ the _____ wireless _____ to connect my _____ navigation system _____ my _____?
 _____ the same wireless technology as _____ my phone to _____ system?
 _____ connect a _____ phone to _____ navigation system _____ a _____?
 _____ tell me _____ to link the _____ to my phone?
 Can I _____ as _____ car to attach _____ phone to the _____?
 _____ anyone know _____ in connecting my car's navigation _____ phone?
 Can you _____ I _____ to link _____ phone to _____ navigation system on the _____?
 _____ would _____ to use _____ connect my _____ navigation system in my _____.
 _____ does _____ navigation on the vehicle via my phone?
 How do I _____ to _____ from my phone?
 _____ I link _____ car's navigation device _____ phone?
