

[Demo] NLP Dataset for Customer Service Automation

Company Type	Smartphone Manufacturers
Inquiry Category	Pre-sales inquiries and product recommendations
Inquiry Sub-Category	Storage and Expandability
Description	Customers inquire about the internal storage capacity, available memory, and options for expansion, such as microSD card slots or cloud storage compatibility.
Data Size	5,050 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Smartphone Manufacturer" customer inquiry. (Purchased data will not be masked.)

_____ much free _____ available in the internal _____ after system _____ ?
Is _____ enough internal _____ freed _____ is installed?
_____ you tell me _____ of memory _____ after the _____ installed?
Do you _____ much _____ memory _____ remain _____ the software is _____ ?
_____ there _____ enough _____ in the internal _____ after _____ software _____ installed?
_____ amount of internal _____ will be freed up _____ ?
What will _____ the amount of _____ after _____ of the _____ ?
What _____ the free space _____ memory be _____ system _____ installed?
How _____ internal _____ be _____ after the _____ installation?
After _____ software _____ how much _____ internal space will _____ up?
There will _____ space left in _____ internal _____ the _____ software has _____ .
_____ be the free _____ the internal memory _____ the _____ used?
I _____ know _____ memory I will have left _____ software.
Will there _____ free _____ memory after _____ the _____ ?
_____ you tell _____ how much of the internal _____ will _____ the _____ ?
_____ amount _____ be after the system is installed?
How much _____ left _____ the _____ once _____ software _____ installed?
When _____ system software, how much _____ left _____ internal memory?
_____ the system _____ is left in internal _____ ?
Free space _____ in _____ internal memory _____ software is _____ .
After a _____ installation, _____ much _____ will _____ in _____ internal memory?
_____ how much internal memory _____ be left _____ the _____ of _____ software?
How much of _____ space _____ be freed _____ on the _____ ?
What will _____ free _____ in the _____ memory after the _____ .
_____ software is _____ in memory?
How much _____ will be _____ in _____ it's installed?
The _____ space _____ the internal memory _____ installation is _____ .
How much _____ internal space _____ be _____ system has the _____ ?

_____ will _____ left on my device's _____ following _____ software _____?

Are you able _____ estimate _____ available free storage in _____ installation _____ updates?

_____ storage is _____ on _____ after the system _____ installation?

Any information _____ available internal space _____ system _____?

_____ memory _____ after installing software.

_____ amount _____ is available in the _____ system software _____ installed?

_____ much _____ internal _____ be _____ after the software _____ installed?

_____ internal memory space will _____ software installation?

Is there _____ leftover _____ on the _____ after _____ software _____?

_____ much _____ is left on _____ internal _____ after _____ software _____?

Will _____ be _____ left _____ internal _____ after installing _____ software?

What _____ the amount of open _____ be _____ installation _____ the _____?

Adding system software will _____ amount _____ internal _____.

_____ free _____ in _____ internal memory look _____ after _____ system software _____?

_____ much room _____ be left _____ memory after _____ installation?

Add _____ software _____ what amount of space is _____?

_____ of _____ software installation?

Will _____ still _____ enough _____ in the _____ memory _____ the _____ installed?

What amount of _____ will _____ left _____ internal memory _____ the _____ software is _____?

I'd like to know _____ storage _____ left _____ the installation _____ that _____.

_____ will the _____ in the _____ after the software is _____?

What are the details _____ available _____ a _____?

_____ internal space freed _____ the software is _____ the _____?

_____ free _____ in the internal memory _____ after the _____ install.

_____ memory availability after _____?

What _____ of _____ will be freed up _____ is _____ system?

_____ the free space in _____ memory _____ the _____ installs?

After the software _____ how _____ storage will _____?

There _____ be _____ space _____ internal memory after _____ software installation.

Is there an _____ free storage after _____?

_____ want _____ know how _____ room _____ my device's _____ after a _____ upgrade.

_____ of _____ is _____ in the _____ memory after the _____ added?

_____ much _____ remain in internal _____ after _____ software _____ installed?

_____ free space in _____ memory _____ the system software _____ question.

_____ internal _____ still _____ enough _____ the system is installed?

Can you tell me _____ internal _____ space will _____ software _____?

_____ there be _____ room _____ data _____ phone's _____ you add your system _____?

_____ space is left after _____?

What amount of _____ remains _____ install _____ system _____?

How _____ of _____ will be freed after system _____ is _____?

_____ there _____ free memory _____ software?

_____ there be _____ free storage _____ after _____ is complete?

_____ the software is on _____ of the _____ be freed up?

_____ of the internal _____ freed _____ the system software _____ in _____?

_____ storage is _____ the internal memory post-software _____?

When the _____ put to _____ much internal memory _____?

When _____ is in _____ will _____ the _____ space in the internal _____.

Does anyone _____ about _____ internal space _____ installing _____ system update?

Some _____ space _____ be freed _____ the _____ is installed.

_____ space _____ be _____ in _____ internal _____ after the _____ software is _____?

_____ any leftover memory _____ after the _____?

After _____ is _____ much _____ memory will _____ free?

Can you _____ me the _____ internal memory _____ left _____ is _____?

The _____ space in the internal _____ be known after _____.

_____ the details of _____ after installing _____ update?

Can you _____ the _____ of internal _____ left _____ the _____ software is _____?

How much _____ internal space _____ freed after the system _____?

_____ the amount of internal _____ will stay after _____ system is _____?

Will _____ free internal memory _____ the _____ of _____ software?

What _____ be _____ free space _____ the internal memory _____?

_____ you tell _____ the amount _____ internal _____ space _____ the software?

_____ the software _____ installed _____ much _____ the internal space _____?

When _____ software is installed how much _____ space will _____?

_____ left _____ the _____ memory after _____ installs?

What part of _____ after _____ software is installed?

After the software _____ how much internal _____?

When _____ install _____ system software, how much _____ in the _____?

_____ you tell _____ the _____ of memory _____ remain after _____ the software?

What _____ be _____ in the _____ memory after the _____ software is _____?

How much _____ is _____ memory after the software _____?

When the software _____ installed, how _____ of _____ space _____?

There _____ free _____ after the _____ been _____ to work.

_____ there _____ in memory after _____ software?

_____ the free space _____ the _____ memory _____ like _____ system installation?

After _____ software, how _____ memory will be left?

Will there be enough _____ internal _____ after _____ system _____?

_____ system software _____ will be _____ space in the internal _____?

What will _____ free space in _____ when the _____ is _____ place?

_____ the _____ storage capacity is still in _____ memory?

_____ the _____ is _____ what will _____ the _____ in the _____ memory?

_____ space in the memory _____ install software?

_____ installing a _____ software, _____ much _____ be _____ in the internal _____?

What _____ be _____ free _____ memory _____ the system is _____ place?

How _____ free _____ installing software?

_____ is the space left in _____ after _____ the _____?

_____ will the _____ the internal _____ after _____ system software _____ in place?

When _____ software _____ to work, how _____ internal _____ for free?

Is _____ memory left _____ software?

_____ free _____ in the internal memory _____ the _____ software _____?

How much room _____ left _____ my device's _____ installing a _____?

_____ room will _____ in the internal _____ installation?

The _____ internal memory will _____ unknown after _____ software _____ added.

_____ will be the _____ in _____ internal _____ the _____ after _____ is installed?

_____ free internal _____ will be _____ of the software?

What _____ be _____ of internal _____ freed up after _____ on _____ system?

Is _____ any _____ space _____ in _____ memory _____ the _____ is in place?

how _____ internal _____ will _____ free after _____ of _____ software

When the _____ on the system, how _____ internal space _____ up.

_____ will _____ in the internal _____ after the system _____ is _____ place.

How _____ internal _____ be _____ install of the _____?

_____ much _____ will _____ left in internal _____ installation?
 How much _____ is _____ internal memory _____ installs?
 What amount of _____ will _____ available for _____ after _____ of _____?
 _____ any free _____ memory after _____ installation _____ software?
 The _____ will free up _____.
 _____ is _____ amount of free space _____ the _____ memory _____ is added?
 Is _____ any _____ space _____ memory _____ you install _____?
 _____ amount of _____ available for free once the software _____?
 _____ space will be _____ my device's _____ following _____ install?
 After the _____ software _____ installed, _____ will the _____ space _____ the internal _____?
 What will be _____ in the internal memory _____ the _____ install?
 What _____ internal space _____ be freed _____ after _____ system _____ is _____?
 _____ any _____ in the memory _____ software?
 _____ amount _____ be _____ up once the _____ is installed?
 What's _____ space _____ internal _____ software installation?
 Will _____ space in _____ after the system is installed?
 _____ much free _____ be _____ the software is installed?
 After _____ system _____ is installed, _____ be _____ memory?
 _____ the _____ of the software, how much _____ be _____?
 _____ the _____ memory will be decided after the _____.
 When _____ install the _____ how _____ storage _____ in my internal _____?
 _____ you know _____ much internal _____ space _____ after _____ system software _____?
 Can _____ the _____ memory space that will remain post _____?
 _____ a _____ install amount of _____?
 After _____ system _____ is in _____ what _____ the _____ space in _____ internal _____?
 After installation _____ software, _____ memory will be available?
 After installing _____ how _____ do you _____?
 After the software _____ installed, _____ of _____ will be _____?
 _____ system software _____ how much free _____ be _____ in _____ memory?
 Will _____ be free space _____ the _____ installing _____?
 _____ much _____ will be available after _____ software?
 _____ there still enough _____ in _____ memory _____ is installed?
 What _____ of _____ internal memory will _____ after _____ installation?
 What amount _____ internal space will _____ freed after _____?
 _____ free _____ in the _____ be _____ the _____ software is installed.
 _____ much _____ memory _____ be _____ available _____ after the software _____ used?
 What is _____ in internal _____ after you _____?
 _____ free _____ is there _____ the _____ is installed?
 Do _____ know _____ the free _____ the _____ be after the _____ installs?
 _____ is _____ leftover _____ on the _____ memory after _____ software _____?
 The _____ free internal _____ will _____ determined after _____ the software.
 _____ much _____ is _____ after _____ of the software?
 There will _____ free _____ internal _____ after the system _____ installation.
 Is _____ free space _____ the internal _____ software is in _____?
 Is _____ enough _____ left _____ system software installation?
 _____ you tell me _____ of internal memory space _____ installation?
 Add system _____ much space _____ left _____ the _____ memory.
 Can _____ me _____ amount _____ internal _____ space _____ left after _____ software installation?
 _____ the _____ is added, _____ of space is _____ in the _____?
 _____ memory will be made _____ for _____ after _____ software _____?

_____ much _____ the internal space _____ be _____ up once software _____ ?
 _____ internal memory _____ free _____ software is activated?
 How _____ space _____ after installing the system software?
 When _____ is on the _____ how _____ of the _____ freed _____ ?
 _____ is in _____ internal memory after _____ software?
 _____ the system _____ how _____ capacity is left in _____ ?
 What will _____ the free _____ in _____ memory _____ has been set _____ ?
 What _____ free space available _____ the internal _____ adding the _____ ?
 _____ will _____ the _____ space in _____ internal memory _____ is _____ ?
 _____ much of _____ internal space _____ freed _____ installation?
 _____ want to know how much space _____ on _____ a _____ update.
 _____ free storage _____ the installation of _____ software?
 How _____ of _____ space will _____ the _____ is installed?
 _____ much internal _____ be free _____ the _____ finished?
 What _____ memory will be _____ for free _____ the _____ ?
 _____ free _____ do you have after _____ software _____ ?
 _____ room _____ left in _____ memory after _____ installation?
 When _____ system software _____ used _____ much _____ the internal _____ will _____ ?
 What _____ internal _____ after _____ system software is used?
 _____ the _____ of _____ memory _____ remain _____ the installation _____ software?
 Is there _____ free _____ the _____ after the _____ installs?
 How _____ space is _____ in _____ after the system _____ installed?
 _____ memory remains _____ the system software _____ ?
 There _____ about the _____ the internal memory after _____ system _____ install.
 Do _____ how much leftover _____ be left after _____ software?
 When _____ the system software, how _____ storage _____ remains inside _____ ?
 _____ much _____ will be available _____ the _____ memory after adding _____ ?
 _____ the _____ how much internal _____ be free?
 _____ will the free space _____ the _____ memory be _____ the _____ ?
 _____ much _____ will _____ available _____ free after the software _____ ?
 Is there enough _____ internal memory _____ software installation?
 _____ space _____ be left on the device's _____ software _____ ?
 _____ of the internal _____ could _____ after the _____ software is _____ ?
 What will _____ the _____ the _____ after _____ software is implemented?
 _____ you _____ space left after system _____ ?
 _____ will _____ of _____ space _____ after the _____ is installed?
 How _____ was _____ in _____ internal memory _____ software _____ installed?
 Will _____ sufficient space _____ internal _____ after the system _____ is _____ ?
 _____ in _____ memory will be determined after _____ system software _____ installed.
 The free _____ in _____ memory _____ after the _____ is installed.
 Will _____ memory availability after _____ ?
 _____ of the internal space _____ freed _____ the _____ is _____ .
 How _____ of the internal memory _____ be _____ is _____ ?
 What are _____ details about _____ internalspace _____ the _____ ?
 Is _____ free after _____ is put to work?
 _____ much space _____ in _____ after system _____ is installed?
 _____ there _____ the internal space _____ after _____ system _____ is _____ ?
 _____ any _____ about available _____ after installing _____ update?
 _____ much space are _____ in _____ memory after _____ system _____ ?
 What amount of _____ space _____ up _____ the system _____ is _____ ?

When the ____ software ____ been put ____ will ____ free ____ in the ____ memory?

What ____ be ____ free space ____ memory ____ the ____ is installed?

____ there be ____ on ____ device's memory after ____ update?

____ amount of ____ memory ____ free ____ the software ____ put to ____?

____ much internal memory ____ after ____ install ____ system ____?

____ the space ____ the ____ after the ____ software is added?

What ____ of internal ____ is left after ____?

How much internal space will be freed ____?

____ open internal memory ____ after ____ system ____ is installed?

____ the quantity of ____ internal ____ after the ____ of the ____?

What amount ____ space will be freed up ____ the ____?

____ installation, ____ space will ____ left in ____ memory?

What amount of ____ remains after ____ installation?

____ be free ____ in the internal ____ after ____ installs.

____ will be ____ amount of ____ space ____ the internal ____ the ____ software ____?

The free space ____ the ____ will ____ determined after ____ software.

____ any free ____ in the ____ after ____ the ____?

How much of the ____ space ____ the ____ gets ____?

How ____ free ____ will ____ be after ____ installation of ____?

____ will the ____ in the ____ be once ____ software ____ installed?

The amount ____ memory ____ after a software ____.

____ much of ____ will be ____ up once the system ____?

How much ____ space will ____ after system software ____?

How ____ memory ____ be ____ after ____ software ____ installed?

Is ____ availability ____ installing ____?

____ installed, what's ____ leftover space ____ internal memory?

____ be ____ free space ____ memory ____ installing software?

How ____ internal memory ____ be ____ the software ____ installed?

____ internal ____ will be ____ after the system software is ____?

How much ____ will be ____ in the ____ after a ____?

____ much ____ will be free after a ____?

After ____ the ____ software, ____ space is ____?

____ space ____ left on my ____ memory ____ a ____ install?

____ amount of internal ____ space ____ remain ____ software ____?

____ be the free ____ the ____ memory ____ the system software?

____ much space ____ the ____ memory after the software ____?

____ you tell me ____ memory space ____ the installation ____ the software?

How ____ space will ____ be in ____ system software ____ installed?

Can you ____ me ____ amount of ____ space that will ____ the software?

____ software is ____ system ____ much of ____ space will be ____?

Is there enough ____ memory ____ installation of ____?

____ happens ____ the free space in ____ after ____ software ____ installed?

What is the ____ free ____ a ____ installation?

____ much space will be left ____ the ____ memory ____ system ____?

After the ____ software ____ will there ____ space in ____ internal ____?

____ there be enough ____ space ____ the ____ after the system ____ has ____?

____ the ____ in the ____ memory after ____ software has been put ____ place?

After ____ software ____ the free space in the ____ like?

____ many ____ internal ____ will be ____ system software is ____?

____ is space ____ installing the system software.

____ amount of ____ will be freed ____ system is ____?
 ____ to ____ how much ____ on my device's memory ____ a software ____.
 How much ____ left ____ memory ____ installing ____ system software?
 ____ of ____ will be freed ____ after ____ is on the ____.
 Is ____ free space ____ the internal ____ the system software?
 ____ free storage ____ of software?
 ____ be a ____ of ____ space ____ when ____ system software is ____.
 There will ____ free ____ the ____ memory after a ____.
 Do you know what ____ internal ____ will ____ after ____ system ____ is in place?
 After ____ software ____ installed how ____ space ____ freed?
 ____ will ____ the internal memory after the ____ been added?
 Can you ____ me how ____ internal ____ space will ____ the software?
 ____ much ____ will ____ left in the ____ system ____ is installed?
 ____ is left ____ internal ____ after ____ installs?
 How much ____ you ____ the software installation?
 Can ____ tell us the amount ____ internal ____ after the ____ of ____?
 Will ____ free ____ in the internal ____ be available ____ software ____?
 How much ____ will be left ____ my ____ after ____ a ____?
 ____ much of the ____ after the ____ is installed?
 How much ____ installing the ____?
 ____ much ____ memory ____ be made ____ the software ____ installed?
 How ____ for free after the software has ____ installed?
 How ____ available in ____ memory after adding the ____?
 What's the ____ internal memory after ____ software ____?
 When ____ the ____ software, what ____ the remaining ____ memory?
 ____ of ____ memory is available ____ free after ____ software ____?
 Will there be enough free ____ software is installed?
 How ____ free ____ memory will be accessible ____ is ____?
 How much ____ memory ____ be ____ the software is installed?
 ____ free space in the ____ system software ____ added.
 ____ the ____ is installed, what ____ be ____ in the internal ____?
 ____ space ____ in internal ____ software installs?
 After the ____ software ____ how ____ of ____ space ____ be freed?
 ____ will be the ____ in the internal memory ____ is ____?
 When ____ install the ____ how ____ capacity remains in ____?
 When ____ arrives on ____ how much ____ the ____ space ____ freed up?
 ____ much space are ____ internal ____ after software ____?
 ____ left in ____ you install the software?
 What ____ left ____ the ____ memory after ____ software ____?
 ____ much ____ the internal space will be ____ up ____?
 How ____ is available ____ internal ____ after installing a ____?
 ____ much ____ after ____ your system software?
 ____ the ____ what space ____ in the internal ____?
 ____ left in ____ internal ____ after you ____ the system ____?
 ____ there still be enough ____ space ____ the internal memory after ____?
 What ____ of the ____ space ____ be ____ the ____ software ____ installed?
 ____ is left on internal memory once ____?
 How much of ____ memory ____ free ____ software is ____?
 ____ much space ____ left ____ memory ____ the software?
 ____ the internal memory ____ be free ____ is installed?

____ anyone know anything ____ the ____ internal space ____ installing ____ ____ update?
 ____ there ____ ____ freed after ____ system software is ____ ?
 ____ free space in the internal memory ____ ____ software installation?
 What ____ of ____ ____ when the system software ____ installed?
 The free ____ in ____ internal ____ after the ____ ____ is installed ____ ____ .
 ____ the system ____ ____ what ____ the free space ____ ____ internal memory?
 ____ ____ enough space left in ____ internal memory ____ ____ system is ____ ?
 ____ ____ installed, how much ____ the internal ____ will be released?
 After ____ the ____ software, ____ is the ____ internal ____ ?
 Can you ____ me ____ ____ memory space that ____ ____ ____ installation of the software?
 What ____ be ____ space ____ the internal memory ____ the ____ software ____ ____ ?
 The system ____ will free ____ space ____ ____ memory.
 The system software ____ ____ free ____ in ____ memory.
 ____ information on available ____ ____ system update?
 ____ much space ____ be left ____ ____ after a software ____ or ____ ?
 ____ the ____ software, ____ will ____ ____ space in the internal memory?
 ____ ____ the ____ of ____ memory space left after ____ software ____ ?
 Is there ____ space ____ software?
 ____ any free space in ____ internal ____ ____ software installs?
 What free space is ____ ____ after the ____ software ____ ?
 Do you know ____ the free space ____ ____ memory will be ____ ____ ____ ?
 ____ much ____ is left in ____ internal ____ after ____ of system ____ ?
 What is ____ amount of ____ that will be free ____ ____ ?
 ____ internal memory will ____ available for ____ ____ is ____ to work?
 How ____ of the ____ memory ____ after ____ system ____ installed?
 Free ____ the ____ memory ____ determined ____ the system ____ installation.
 After the system ____ installs, ____ will ____ the free ____ in ____ ____ .
 How ____ storage ____ in the ____ ____ a ____ software installation?
 ____ ____ will ____ left on ____ device's ____ after a software ____ ?
 ____ the software ____ put to ____ ____ memory will be ____ ?
 ____ space ____ ____ will be known after the ____ software install.
 What amount ____ free ____ ____ installation ____ the ____ software?
 How ____ of the ____ ____ up ____ the software is on the ____ ?
 ____ the ____ space ____ left ____ the ____ software?
 The free space in the ____ ____ be affected ____ ____ system ____ .
 What ____ the free space in the ____ ____ look ____ ____ install?
 How much of the ____ ____ up ____ software ____ on ____ system?
 How much ____ storage will there ____ ____ software ____ ?
 What ____ ____ amount of free ____ after ____ software ____ ?
 What are ____ leftover space ____ ____ memory ____ software ____ ?
 ____ space ____ left ____ ____ installation of the software?
 ____ is left in internal ____ ____ the ____ software is ____ ?
 ____ much space ____ be left ____ ____ internal ____ after a ____ ____ ?
 Can you confirm the ____ ____ internal memory space ____ will ____ after ____ ____ ____ ?
 ____ space in the internal memory will ____ different ____ ____ software ____ .
 After ____ ____ of the software, ____ ____ space will ____ left ____ the internal ____ ?
 ____ tell ____ the amount of ____ space that ____ remain ____ system has been ____ ?
 ____ there be enough ____ left ____ the internal ____ ____ software ____ ?
 Will ____ free space ____ ____ internal ____ ____ available ____ the ____ software ____ installed?
 Some internal ____ will be ____ after ____ ____ software ____ ____ .

How much _____ will be _____ the _____ installed?

Will _____ still _____ free _____ the _____ memory _____ a _____ is installed?

_____ the internal _____ is freed after _____ is installed?

_____ of _____ internal memory will _____ used after the _____ installed.

_____ amount _____ room will remain on _____ a software _____?

_____ amount of _____ available for free _____ installation?

_____ much space _____ be _____ memory after the _____ of the _____?

_____ is installed, how _____ the internal space _____ freed?

_____ free storage _____ you have _____ software _____?

Can _____ tell me _____ space that _____ remain after _____ system is _____?

How much of _____ internal _____ be _____ the system _____ used?

How much space is left _____ after _____ of _____?

What is _____ space on the internal _____ is _____?

What's _____ amount of memory _____ installing _____ software?

_____ system _____ will add more free _____ internal _____.

_____ me how much _____ memory space is _____ the _____ is _____?

What _____ of _____ memory will _____ be _____ the _____ of the _____?

_____ much space _____ in _____ memory _____ of _____ system software?

_____ how much _____ is left _____ installing _____ system software.

Will there _____ enough room _____ the _____ software?

How _____ unused _____ software setup?

_____ system software is installed, _____ be enough _____ left _____ the internal _____?

_____ space _____ be _____ up _____ the software is _____.

What _____ free space _____ internal _____ the software is installed?

The free space in the internal _____ system _____ in place.

How _____ internal _____ free _____ installation _____ the software?

_____ be _____ space _____ the internal memory _____ system _____ is _____?

_____ will be _____ in the _____ after _____ installation of _____ system?

What _____ of space will _____ on my _____ a _____?

Is there _____ the memory _____ installing _____?

_____ any _____ of _____ storage after the _____ install?

What are the details about available _____?

What _____ memory will _____ after software _____?

_____ free space in the internal _____ is _____ after _____ been _____.

_____ there _____ enough _____ in _____ internal _____ after the _____ is _____ up?

_____ left _____ the system software has been installed?

_____ amount of space _____ remain on my _____ a _____?

_____ there _____ enough free _____ the memory _____ the system _____ is _____?

_____ much _____ space _____ after the system _____?

_____ of internal space will _____ freed _____ the system _____ used?

How much _____ left _____ internal memory _____ software _____ installed?

_____ of _____ be freed up _____ the system software _____ installed?

How _____ will be _____ after _____ installation _____ software?

_____ free _____ in the _____ after the _____ is in place?

_____ software is _____ amount of _____ is left _____ memory?

_____ the _____ much internal storage capacity remains?

How _____ internal memory _____ given _____ after _____ software is _____?

What _____ the free _____ the internal _____ system software is _____?

_____ much free internal _____ there be _____ the software _____?

Will _____ enough space left _____ after _____ software is installed?

Following ____ installation ____ OS updates can ____ an ____ available free ____ in ____?

What amount ____ free space ____ be left in ____ system ____ installs?

What ____ the amount ____ open ____ system software installation?

There ____ available in the internal memory after ____ software.

____ installing ____ is ____ any ____ space in ____ memory?

How ____ the ____ freed ____ the system software is ____?

____ is ____ the ____ memory after software installs?

What ____ of space ____ be left ____ internal memory ____ the ____?

If the software is on ____ how ____ of ____ will ____ up?

____ much ____ memory will ____ accessible ____ free after ____ installation of ____?

Can ____ much ____ memory space ____ be ____ after the software ____?

What ____ be left in the ____ the installation of ____?

____ is ____ much of the internal ____ is freed up?

How ____ internal memory ____ left ____ the ____ software installation?

After the ____ software, ____ is ____ memory space?

How much ____ be ____ away ____ the ____ of ____ software?

When ____ what's the leftover ____ on ____ memory?

____ much of the ____ space ____ after the ____ put in?

____ amount of ____ internal memory after software ____?

____ in the internal ____ after adding system software?

There's ____ space ____ after installing ____?

____ system software is installed ____ internal ____ will ____ freed?

How ____ free ____ will ____ after ____ of the software?

Is there ____ internal memory ____ free ____ installed?

When the ____ the free ____ in the ____ memory be?

After ____ software ____ the ____ how much of the ____ will ____?

What will ____ space ____ the ____ after system software ____ installed?

____ the system ____ will there be enough ____ space in ____?

What ____ room will be ____ in the ____ memory ____ installed?

How much ____ the ____ is freed ____ is ____?

After ____ put to work ____ free internal memory ____ be?

What will be the ____ space ____ the internal memory ____ the ____?

____ you tell ____ much internal ____ installation of the software?

____ the ____ installed there will ____ free ____ memory.

____ put ____ work how much free internal memory ____ be ____?

After system ____ what ____ internal memory will ____ used?

____ amount ____ free ____ installing ____ software?

After system ____ is installed, ____ there still ____ internal memory?

____ of the ____ space ____ the system ____ is used.

After ____ system software ____ how ____ space will ____ in ____ memory?

What ____ the internal ____ be ____ the ____ is installed?

The free ____ the internal ____ after ____ system software ____ known.

____ the internal ____ free ____ the system ____ is installed?

____ will ____ be ____ the internal ____ after the ____ software ____ added?

____ amount ____ is left in internal ____ after installing ____?

____ install, how much free ____ there?

____ much ____ will be left on my device's memory ____?

What ____ free ____ in the ____ when the ____ software ____ added?

____ much room will ____ internal memory ____ installation?

Will there be enough free ____ internal ____ software is ____?

_____ anyone _____ anything about available _____ after _____ system _____?
 Will there _____ any _____ space in the _____ the installation _____?
 Is there _____ space _____ software?
 What _____ amount of _____ in _____ internal _____ the system software _____ place?
 After the software _____ installed, _____ the _____ space in _____ internal _____?
 After _____ system software, how much _____ is _____ internal _____?
 How much _____ left on _____ memory _____ software update?
 _____ much storage is left _____ the internal _____ install?
 _____ the _____ installed, what amount of _____ will be used?
 _____ free space _____ memory _____ a program?
 _____ system software _____ installed, will there still _____ space in _____?
 What will be the _____ space in _____ internal _____ system _____?
 Is _____ internal space freed after _____ installed?
 Can you _____ the _____ of internal _____ space left after _____?
 _____ software will affect the _____ of _____ left.
 _____ much _____ be _____ available for _____ after the software _____?
 What will the _____ of _____ internal memory _____ the _____?
 What _____ in the internal memory after _____ system _____ install _____?
 _____ there enough memory space _____ the _____?
 _____ tell _____ the amount of internal _____ will _____ left _____ installation?
 Do you know _____ availability _____?
 _____ much _____ left in the system's _____ after it's been _____?
 _____ software is installed, how _____ of the _____ space _____ freed?
 How _____ in the internal memory _____ installing _____?
 _____ much _____ will be _____ when _____ software _____ installed?
 When _____ the system software, _____ much _____ is _____ in internal _____?
 What is the amount _____ freed _____ software _____ the system?
 How _____ be offered for _____ after _____ is installed?
 _____ much memory _____ after the _____?
 How _____ memory _____ available for _____ after the software _____ use?
 How _____ space _____ in _____ internal memory when the _____ installed?
 _____ will _____ space in the memory be _____ the _____ the _____?
 Can you _____ me the amount _____ will remain after _____ software _____?
 _____ much of _____ is left _____ system software _____?
 _____ a system software _____ free space in the internal _____?
 _____ much space is _____ the internal _____ is installed?
 _____ there free space _____ memory _____ you install _____?
 How much _____ will _____ my _____ a software update?
 _____ you _____ of _____ memory space _____ be left after the software is _____?
 What amount _____ the _____ after the system software is installed?
 What will _____ free _____ memory look _____ system software installs?
 _____ amount of space _____ internal memory _____ installs?
 How much of _____ will _____ freed upon _____ of _____?
 _____ amount _____ storage _____ the _____ memory _____ software installation is _____.
 _____ tell _____ the _____ of _____ memory space _____ remain _____ the software is _____?
 _____ the _____ software installation, what free space will _____ internal _____?
 _____ much space _____ system _____ leave in the _____?
 How much _____ can _____ for free _____ the _____ is _____?
 _____ space _____ in internal memory _____ installation _____ the system _____?
 _____ me about the _____ space in the internal _____ after _____ system _____?

_____ are the _____ space in _____ internal memory after _____ ?
 The free _____ in the internal memory _____ be _____ the _____ .
 After _____ system software, what _____ internal _____ ?
 _____ there free space in _____ software.
 Can you tell _____ memory space _____ will remain _____ software installation?
 After installing the system _____ in _____ ?
 Is there _____ in memory _____ a software?
 What _____ of the internal space _____ be _____ when _____ ?
 _____ space is left _____ memory _____ the _____ is installed?
 _____ system software has _____ in _____ what _____ the _____ space in the _____ memory?
 How _____ the internal _____ will be _____ after _____ installation?
 _____ know _____ much _____ I _____ after installing your _____ software.
 _____ internal _____ would be free _____ the _____ installed?
 _____ the _____ of _____ memory _____ used after the _____ software _____ ?
 What is _____ memory _____ left after system _____ ?
 Will there _____ enough free space _____ system software _____ installed?
 _____ there _____ space _____ the system _____ is installed?
 _____ much _____ in internal _____ after _____ the software?
 Will there _____ enough _____ the memory after _____ software _____ ?
 _____ installing software, _____ much _____ have in _____ memory?
 _____ there enough _____ space _____ after the software _____ ?
 _____ question _____ memory _____ installing software.
 When the software _____ much internal _____ available?
 When the _____ software is _____ the free _____ in the internal _____ ?
 _____ software _____ what is the free _____ in _____ memory?
 How _____ space _____ in _____ internal _____ after _____ installation?
 How much _____ left _____ the internal _____ after _____ software _____ installed?
 _____ memory will _____ left after software _____ ?
 _____ will the free _____ the _____ be _____ software is installed?
 _____ the _____ is _____ how much internal _____ be _____ ?
 What _____ in the internal memory look _____ the installation _____ software?
 How _____ memory _____ be available _____ the _____ ?
 _____ left after _____ software?
 How much _____ remain _____ the _____ memory after the installation _____ ?
 Once _____ be enough _____ storage in internal memory?
 What _____ of internal space _____ by the _____ ?
 _____ the _____ software _____ what _____ the _____ space in _____ internal memory _____ like?
 How much storage _____ in _____ internal _____ the system _____ installed?
 _____ system _____ is installed, _____ there be _____ free _____ the internal _____ ?
 How much room _____ left _____ the device's _____ software _____ ?
 _____ the _____ is _____ what _____ the free _____ the internal memory?
 _____ space was _____ memory _____ installing the _____ software?
 How _____ will be _____ installing _____ software?
 How much internal _____ be free _____ software _____ .
 What amount _____ internal _____ can be freed _____ installed?
 How _____ of the internal space will _____ software has _____ ?
 So _____ much _____ the internal space _____ be freed _____ used?
 _____ of free storage _____ installed?
 After _____ software, _____ will _____ in the internal _____ ?
 How much _____ be _____ in the _____ memory _____ installing a _____ ?

What _____ space _____ the internal memory _____ system installation?
 _____ much _____ memory _____ will _____ after the installation _____ the _____?
 How _____ free _____ we _____ software install?
 _____ leftover space _____ left on _____ after _____ installs?
 Will there be a lot of _____ after the software _____?
 _____ memory _____ be used after the _____ software installation?
 What will the _____ space _____ in the internal _____ software _____?
 _____ much _____ remains _____ the _____ memory after installing _____ software?
 What will be _____ amount of _____ space _____ the _____ memory after _____?
 _____ you say _____ memory space _____ the software installation?
 _____ much _____ is _____ after installing the _____ software?
 _____ memory space after _____ software?
 _____ much memory will _____ the _____ is installed?
 When the _____ installed, how _____ is _____ for free?
 _____ free space in _____ internal _____ the _____ software install _____ not _____.
 _____ will be _____ free space _____ the _____ after _____ system _____ used?
 Free space _____ internal _____ after _____ software is added.
 _____ space _____ in your memory _____ installing software?
 After _____ have _____ space in memory?
 _____ amount _____ in the internal _____ installing _____ software is unknown.
 After installing the _____ is left _____ internal _____?
 What _____ the amount _____ open internal _____ software installation?
 _____ much _____ was left _____ internal _____ after installing _____ system _____?
 How _____ space will _____ the _____ memory _____ software has been _____?
 _____ much _____ the internal _____ will be freed _____ is _____ the system.
 How _____ memory will _____ for _____ you install _____ software?
 _____ quantity _____ open internal memory will _____ the _____ installation.
 After a system _____ how much _____ space will be _____?
 What _____ the _____ space in _____ be once _____ system software _____?
 _____ space _____ the _____ after the system _____ in place _____ not known.
 _____ there left _____ the system _____?
 _____ adding a _____ space is left _____ internal memory?
 _____ of _____ internal _____ will _____ freed _____ the system software is _____?
 _____ amount _____ will _____ on my device's memory _____ software _____?
 _____ will _____ quantity _____ internal memory _____ after _____ system software _____?
 _____ free _____ in the _____ memory will be _____ the _____ software _____.
 What _____ free _____ the internal memory after a system _____?
 When _____ software how _____ space will _____ in _____ memory?
 How _____ left _____ my _____ a software installation or update?
 How much internal _____ will _____ free _____ software _____?
 _____ much _____ will be available _____ memory after _____ software is _____?
 _____ adding a system _____ what _____ is _____ in _____ internal memory?
 What will be the quantity of _____ internal _____?
 _____ the internal memory _____ space after _____ software _____ installed?
 _____ will _____ space in the internal _____ after the _____ software _____.
 _____ there be free _____ of _____ software?
 What _____ the internal memory after _____ system _____ has _____ added?
 What will _____ space _____ memory look _____ when _____ system _____ is _____ place?
 What will _____ free _____ in the _____ look _____ the installation _____ system _____?
 What _____ the _____ on _____ memory _____ the software _____?

What ____ of ____ in ____ internal memory after the ____ installed?
 ____ there ____ free ____ in ____ internal ____ after the system ____ install?
 How ____ free ____ you ____ software is installed?
 ____ you know ____ much ____ will be freed after ____ software is ____?
 Will ____ be a lot ____ free storage ____ software ____?
 Is there free space ____ memory after the ____ software ____?
 ____ the internal space will be ____ the software ____?
 ____ much of the ____ space would ____ freed ____ the ____?
 Amount ____ after you install ____?
 ____ the amount ____ internal memory ____ after ____ installation?
 ____ space ____ freed up when the ____ is ____ system.
 ____ know ____ much ____ memory ____ be free ____ installation?
 What ____ the ____ space ____ internal ____ be after ____ installs?
 There ____ the ____ memory after the system is ____.
 How much ____ will ____ memory after a software ____?
 ____ internal ____ is left after software ____?
 After the ____ installs, ____ the free ____ the internal memory ____?
 What will ____ free ____ in ____ be after ____ system ____?
 How ____ of ____ space ____ after ____ system ____ is used?
 ____ free space ____ the internal ____ the system ____ is a ____.
 ____ the ____ software is installed, ____ the free ____ in ____ internal ____?
 ____ system software is installed, ____ the ____ in the ____ memory look ____?
 Is it ____ get free ____ memory ____ software is ____?
 ____ there ____ space ____ after ____ software?
 ____ internal ____ available for ____ after ____ software is put ____ work?
 ____ is left ____ internal memory after ____ software?
 How ____ space ____ be ____ the internal memory ____ the installation of ____?
 Is there enough internal ____ left ____ on the ____?
 ____ room will be ____ in the internal ____ the ____ installed?
 ____ space will be available ____ the ____ once ____ system software ____?
 ____ you ____ me ____ of internal memory space ____ software installation?
 After ____ software ____ how much ____ storage ____ you ____?
 ____ amount of ____ be free after ____ installed?
 Once ____ software ____ the leftover ____ on ____ memory?
 Once software is ____ the ____ space ____ internal ____?
 Is there ____ in ____ after software ____?
 How ____ is available ____ the internal ____ after ____ system ____?
 ____ it ____ to get ____ internal ____ after the ____ to work?
 ____ installing ____ you have free ____ in ____ memory?
 What's ____ leftover space on internal ____ software ____?
 Is ____ storage ____ software is ____?
 What ____ the ____ space in the ____ the ____ software ____ on?
 What amount of ____ freed ____ once the system ____ is ____?
 ____ leftover on ____ memory ____ software installs?
 ____ is ____ in internal memory ____ software is ____?
 After ____ how ____ memory ____ there?
 ____ much free ____ be ____ the ____ memory after the ____ installed?
 ____ amount ____ will be ____ after the software is ____.
 ____ will be free ____ the ____ memory ____ the ____ is ____ place.
 Will ____ be enough ____ internal memory after ____ system is ____?

_____ much _____ be free after _____ of the software
 _____ space in the internal memory after _____ system software _____.
 Will _____ be enough _____ software is installed?
 _____ space _____ the internal memory after the system _____.
 When the _____ how _____ memory will _____ free?
 How _____ will remain on _____ after _____ software install/update?
 After the installation _____ the _____ much _____ be available?
 _____ amount of _____ storage _____ software _____ installed?
 How _____ the internal memory _____ be _____ the software _____?
 What _____ free _____ in the internal memory _____ install?
 "How _____ the _____ space _____ be freed after the _____ "
 How much of _____ will _____ freed _____ the _____ is _____ the system?
 Some _____ will be freed after _____ software _____ in use.
 _____ of _____ internal space will be freed once _____?
 After the software _____ installed _____ much _____ will _____?
 _____ is the amount of _____ storage _____?
 How much _____ will be _____ once the software _____?
 _____ the system software _____ what _____ the free _____ in _____ memory?
 _____ much _____ will be _____ the system software?
 _____ you _____ me _____ amount of _____ memory that _____ remain _____ the _____ installed?
 _____ much of _____ internal space will _____ up once _____ is _____?
 Will there _____ software install?
 Part of _____ will be freed _____ the _____ installed.
 _____ a _____ installation amount _____ storage?
 Are there _____ the _____ after _____ software?
 How much space _____ memory _____ a software update?
 What amount of _____ on _____ memory _____ the software _____?
 When software is installed, what _____ memory?
 _____ remains in the internal _____ the system software _____?
 How _____ internal _____ will be _____ after the software _____?
 After the _____ is _____ will _____ the free space in the _____.
 Can you give _____ estimate _____ available _____ in _____ installation of _____ updates?
 How _____ memory will be free _____ is in _____?
 _____ space remains in _____ system software _____ installed?
 Do you know the amount _____ internal _____ will remain _____ is _____?
 Was _____ space _____ the system _____?
 _____ much _____ left _____ memory after _____ system software is added?
 _____ there _____ of free _____ after a software _____?
 What _____ the _____ open internal memory _____ a _____ installation?
 How _____ internal space will be freed _____ is _____?
 _____ space will _____ in the internal memory _____ the _____ software _____?
 _____ of _____ internal _____ will you use _____ system _____ installation?
 What space will _____ the _____ when the _____ is installed?
 _____ much of the internal _____ up once the _____ is _____?
 When the system _____ will _____ enough internal _____ free _____?
 _____ the _____ space _____ the system _____?
 _____ a lot of _____ space _____ software is on _____ system?
 _____ there _____ enough free space _____ the internal _____ when _____ software _____?
 How much _____ the internal memory _____ installing _____ software _____?
 After the _____ is _____ the _____ of _____ internal space can _____ up?

____ time will be ____ internal ____ after installing ____ software?
 ____ space will ____ freed after the software ____ installed.
 ____ amount of ____ internal ____ will be freed after ____?
 ____ I ____ software, how much storage ____ is ____ internal memory?
 ____ software on the ____ of the ____ space.
 What ____ the free ____ in ____ the ____ software installation?
 Can you ____ amount of ____ space ____ stay after a ____ installation?
 Is ____ space ____ the internal ____ after ____ system ____ install?
 How ____ storage ____ left ____ system software ____?
 Is ____ of internal ____ space ____ remain ____ software installation confirmed?
 Is ____ enough room ____ internal memory after the ____?
 What ____ free ____ the ____ memory look ____ after the system ____ has ____?
 ____ of the ____ will allow ____ free ____ memory.
 How ____ space will be freed ____ software installed?
 ____ be the free space ____ memory ____ the installation ____ software?
 How ____ available ____ memory after a system installation?
 After ____ software ____ how ____ free ____ will be ____ internal ____?
 What more space ____ internal memory ____ installing the ____?
 What free ____ internal memory after ____ system ____ is installed?
 ____ of the memory is ____ a software ____?
 ____ the ____ will ____ freed when the system software ____ used?
 ____ of the internal ____ will be ____ after ____ software is ____?
 What is the ____ left ____ your system software?
 How much free ____ memory ____ offered ____ the ____ installed?
 When ____ system software, ____ much capacity ____ internal memory?
 ____ space is left on the ____ memory ____ install?
 How much ____ internal ____ freed after the ____ installation?
 ____ free space in the ____ will be ____ after ____ software ____.
 ____ of memory after installing ____?
 I want to know ____ much ____ the ____ be ____ up ____ software ____ on ____ system.
 What amount ____ space ____ left in the internal ____ after ____ installed?
 ____ there still ____ space in ____ memory ____ system is installed?
 ____ much space ____ left in ____ the software ____?
 Is ____ any ____ internal memory ____ software ____ installed?
 Can you give ____ estimate ____ amount ____ free ____ IC after ____ installation ____ OS ____?
 How much ____ be ____ in ____ internal ____ the system ____ installed?
 How much ____ in the internal ____ the system ____ install?
 ____ the system ____ what ____ the remaining spaces in ____?
 Did you ____ in memory after installing ____?
 What ____ is ____ on internal memory after ____?
 ____ the software installs, what will the ____ memory ____?
 Is there enough free ____ the software ____?
 How much free ____ be ____ the ____ the software?
 After ____ system software, ____ capacity is left ____ internal ____?
 The free space in ____ internal ____ will ____ the system ____.
 After ____ software installation, what ____ will be ____ in ____?
 ____ free space in the internal memory look ____ the ____?
 What ____ will ____ left in ____ memory after the ____?
 What space ____ left on internal ____ is ____?
 It ____ possible ____ free space ____ memory after _____.

After ____ installs, ____ the ____ space on ____ ?

____ amount ____ will ____ device's memory following ____ software update?

Can ____ tell ____ amount of internal ____ space left ____ installation?

How much of ____ space ____ released ____ software ____ the system?

Tell ____ how ____ leftover storage ____ left ____ the ____ of that ____.

____ of the internal ____ free after the software ____ ?

____ any free ____ memory ____ installing a program?

Let ____ how much leftover ____ left ____ the software ____.

Please ____ me ____ much ____ storage ____ be after the ____ of ____.

How ____ internal storage is left ____ the ____ ?

____ there ____ left ____ the ____ memory after the ____ has ____ installed?

After ____ much internal memory will be ____ ?

Will there be ____ free ____ left in ____ internal memory ____ ?

What ____ internal memory ____ be free ____ the software is ____ ?

What amount ____ internal ____ free after ____ of ____ software?

____ much room will ____ in the internal ____ the ____ ?

How much ____ will ____ after ____ software ____ up?

____ in the ____ will be unknown after the ____ software ____.

____ of ____ space ____ left ____ installing the system ____ ?

____ space ____ the ____ will be freed ____ system software ____ installed?

____ much ____ the ____ is freed ____ system software is ____ ?

____ much ____ the space ____ be ____ up ____ the ____ is installed?

____ left ____ memory after ____ the system software?

What will the ____ space in ____ internal ____ system ____ place?

After the ____ software ____ the ____ space in the ____ be?

What ____ the free space ____ internal ____ after ____ has been ____ ?

____ space is ____ internal memory after installing ____ software?

____ much ____ the internal ____ will be ____ the ____ is ____ "

How much internal ____ free ____ software is ____.

Will ____ be ____ space in ____ internal ____ software has ____ installed?

How ____ left in ____ after a ____ install?

How much ____ the internal memory ____ free ____ software ____ ?

____ is ____ total ____ left after installing ____ system software?

What amount of ____ remain after ____ the ____ ?

What ____ the free space in the ____ memory ____ the ____ place?

____ know ____ much ____ memory ____ be ____ after the software ____ installed.

When the ____ is on the ____ how ____ internal space ____ ?

What amount ____ space ____ left when ____ is installed?

How much space ____ left ____ the ____ installing ____ software?

What is ____ of open internal ____ will be ____ software ____ ?

How much of ____ internal space will be ____ system ____ with ____ ?

How much storage is ____ on ____ after ____ install?

____ you tell ____ the ____ of ____ memory ____ that's left after ____ ?

How ____ space will be ____ the ____ after the ____ is ____ ?

How much ____ internal space ____ the system software ____ installed.

____ much ____ in the ____ memory ____ be available after ____ of ____ ?

____ much ____ memory ____ free after the ____ on?

____ software is used, ____ memory ____ be available for ____ ?

____ free ____ memory after the ____ put to work?

____ internal ____ free space after the ____ software ____.

_____ there any leftover _____ memory _____ software installs?
 _____ of internal memory _____ the software has been _____?
 How much _____ be free _____ software _____ installed?
 What _____ space _____ internal memory after the system has _____ put _____?
 _____ amount _____ memory space _____ after the _____ installation?
 _____ is left _____ memory after a system _____ installed?
 _____ much _____ capacity _____ in _____ system _____ install the software?
 The _____ space _____ the internal _____ be given after _____ software _____.
 Let _____ know how _____ left _____ installation of _____ software.
 _____ much _____ remains _____ internal memory _____ installing _____ software?
 What _____ of internal memory _____ be _____ after _____ the _____?
 Will there be _____ the _____ after _____ system _____ done?
 What _____ of internal _____ will remain after a _____?
 _____ there _____ enough _____ after system software is _____?
 After _____ software, _____ free space _____ the memory?
 _____ be the _____ of open _____ memory after _____ installation of _____?
 _____ many of the _____ will be _____ after _____ is on _____ system?
 How much of _____ internal space will _____ the _____ is _____?
 _____ the amount _____ internal _____ that _____ after the software is installed?
 _____ software is _____ of space is left on _____?
 _____ will the free _____ the _____ memory _____ system software _____ in place?
 _____ free _____ in _____ internal _____ after the system software _____?
 _____ free _____ in the internal memory will _____ system software _____.
 _____ internal memory will _____ the software is used?
 After _____ of the software, _____ much space will _____ left _____?
 What space _____ the internal _____ once _____ software _____ installed?
 _____ is the _____ space on internal memory _____?
 How _____ memory _____ away for free _____ the _____ is _____?
 Will there _____ be _____ internal memory after _____ is installed?
 After _____ what _____ the remaining _____ in _____ memory?
 Is there _____ memory _____ installing _____ software?
 _____ the _____ how _____ capacity _____ in the internal memory?
 _____ amount _____ space will _____ left _____ my device's _____ following a _____?
 _____ room left in internal memory _____ software _____?
 _____ is _____ free _____ available in _____ internal _____ after the system software _____?
 _____ space _____ left _____ the internal _____ after _____ software is added?
 _____ you _____ me _____ of _____ memory space left after _____ software _____?
 _____ much of _____ internal space will _____ after the software _____?
 _____ will be _____ free space in _____ after _____ software installation? _____
 _____ is _____ what _____ be the _____ space in the internal _____?
 How _____ the _____ be freed once _____ is being used?
 _____ much _____ is _____ the internal _____ adding software?
 _____ software _____ to _____ how much _____ will be free?
 What are _____ space in the _____ memory when _____ system _____?
 Is _____ free _____ in _____ when you _____ software?
 What are _____ free space _____ internal memory after the _____?
 How much _____ be left _____ the internal _____ software _____?
 _____ software is _____ what _____ leftover space _____ memory?
 _____ memory _____ after system software?
 Will there _____ be enough _____ in _____ once the _____ is _____?

____ the software is ____ how much ____ will ____ ?
 ____ memory space ____ system software?
 How much space ____ the ____ after ____ software install?
 ____ of ____ storage after ____ is installed?
 ____ don't know how much storage ____ remains ____ system software.
 How ____ space ____ available in ____ internal memory ____ system ____ ?
 When ____ system software, ____ much ____ internal memory?
 How ____ internal memory ____ be for ____ after ____ software ____ ?
 ____ be any free space left ____ internal ____ the ____ installation?
 ____ space in ____ internal memory ____ available ____ system ____ is used.
 ____ you confirm ____ amount ____ memory space ____ remain ____ software installation?
 ____ free space in the internal ____ after ____ installs.
 ____ much ____ the ____ can ____ after the software is installed?
 What ____ room is left ____ my ____ following ____ software ____ ?
 What space is left in ____ memory ____ ?
 Is ____ any free ____ the ____ installing a software ____ ?
 How much internal ____ will ____ is ____ to work?
 How much of the internal space ____ freed after ____ .
 ____ much of internal ____ will ____ freed ____ system ____ used?
 What ____ room ____ be left ____ device's memory ____ software update?
 ____ there be enough ____ left in ____ after ____ system ____ is installed?
 ____ much ____ internal space ____ be ____ after the system ____ software ____ it?
 ____ quantities of ____ internal ____ be ____ after the ____ installation?
 ____ system ____ will ____ free space in the internal memory?
 What ____ will be left in ____ after ____ system ____ ?
 ____ the system ____ installed, ____ internal space will be freed.
 ____ software ____ installed, how ____ storage is there?
 ____ put to work how ____ internal memory will ____ ?
 How ____ space ____ the ____ after installing the software?
 Can ____ me ____ the free ____ the internal ____ after the ____ software ____ ?
 When ____ install ____ system software, ____ much storage capacity ____ internal ____ ?
 Will there ____ left in the ____ after ____ software ____ ?
 ____ there still ____ after ____ system ____ ?
 Is ____ space left ____ memory after installing ____ ?
 ____ much ____ will be ____ in ____ internal memory ____ software ____ ?
 ____ will ____ free ____ memory be after the ____ software is installed?
 How much ____ internal ____ used after ____ is installed?
 ____ much space ____ left ____ software?
 After installing ____ system ____ space in internal memory?
 ____ is the ____ availability ____ installing ____ ?
 Free ____ internal ____ will ____ available after the ____ software has ____ .
 Can ____ the amount of ____ memory ____ remain ____ program is installed?
 Can ____ give an estimate ____ free ____ in ____ after complete ____ updates?
 What ____ free ____ internal memory after the system ____ is ____ in ____ ?
 Can ____ about the ____ space in ____ internal ____ the system ____ installs?
 After the software ____ installed, ____ be freed?
 ____ much space is left after you ____ ?
 Will ____ free ____ the ____ memory ____ after adding the ____ software?
 ____ you tell me ____ amount ____ internal memory space that ____ remain ____ ?
 When ____ system ____ much space will be ____ ?

____ amount ____ is left ____ software?
 ____ is installed, what ____ the leftover ____ memory?
 What amount of ____ after the system ____ been ____?
 Will there be ____ the ____ memory after the ____?
 How ____ left in ____ device's memory ____ a ____ install/update?
 How ____ space is left in ____ a ____ installed?
 Will ____ space after installing ____?
 If ____ used, how much of the ____ space ____ be ____?
 Will ____ be enough ____ left in ____ internal memory ____ has ____?
 ____ space in the ____ memory will be ____ grabs ____ is installed.
 ____ much ____ will ____ offered ____ free after ____ installation of ____?
 How much ____ remains ____ the internal memory ____?
 ____ be enough ____ left ____ internal memory ____ system is installed?
 ____ software is ____ work, ____ free ____ memory will be available?
 Is ____ any ____ left ____ after adding the system software?
 What will ____ space in ____ internal ____ after the ____?
 ____ much memory ____ be free ____ the ____ is ____ use?
 ____ software is ____ what ____ is ____ on the ____ memory?
 ____ much ____ will be ____ internal memory ____ a system ____?
 ____ you ____ estimate ____ the ____ free storage ____ IC ____ of OS updates?
 How much space is ____ after ____ system ____?
 Let ____ much ____ storage ____ after the installation of that ____.
 After ____ software ____ to work what ____ internal ____ will ____ free?
 What ____ be ____ amount of ____ memory after ____ software ____?
 ____ you confirm the amount of internal ____ left ____ installed?
 How much ____ internal space will be ____ the software ____?
 ____ much ____ be available ____ the ____ memory after ____ software installation?
 After a ____ software ____ what ____ in the internal memory?
 ____ of open internal ____ be used ____ installation ____ the ____ software?
 ____ space ____ be ____ up once ____ software ____ the system.
 ____ quantity ____ internal memory ____ be ____ after ____ software is ____?
 After the software ____ how ____ storage ____ you ____?
 ____ the system ____ installs, ____ the free space in ____ memory?
 Once the ____ is the leftover ____ internal ____?
 ____ the system software is added, ____ the ____ the ____ be?
 How much ____ offered for free after ____ software ____?
 How much ____ in the internal memory after ____?
 Once ____ system software is ____ how much ____ space will ____?
 What ____ left in the ____ memory ____ system ____ installed?
 What will ____ space in the internal ____ software ____ added?
 After ____ software is put ____ work, ____ memory ____ be available ____?
 ____ the ____ space ____ memory after software is ____?
 ____ internal ____ free ____ after the system software is ____.
 ____ the ____ space in the ____ memory be after ____ installed?
 ____ space ____ left in the ____ memory after ____ installation?
 How much space ____ be left in ____ memory ____ installing ____?
 ____ leftover memory ____ after ____?
 After the ____ of ____ amount of ____ be free?
 The ____ space in the ____ memory ____ the system ____ installation.
 ____ there be ____ space in the ____ system ____ installed?

What _____ space will _____ freed _____ the _____ installed?

_____ of internal memory _____ left _____ installation?

What _____ of _____ be free after the _____ activated?

_____ are the _____ space in _____ memory after _____ software is _____?

How much of _____ system's _____ space _____ freed _____ once the _____?

_____ much _____ the _____ will be freed after _____ software _____?

After a system software _____ how _____ space _____ the _____ memory?

_____ free _____ left in the internal _____ system software install?

_____ amount of _____ memory space remain _____ the _____ is _____?

How much internal memory _____ free _____ software _____?

_____ free _____ the internal memory _____ the system software install?

_____ much _____ be provided for free after the _____?

_____ free space _____ in _____ internal _____ the system software?

Is _____ memory _____ after _____ a _____?

_____ of _____ space _____ freed up after _____ has software on _____?

How much _____ in _____ memory after _____ the _____?

_____ is left _____ memory after the software is _____?

_____ is _____ the internal _____ after the _____ of the software?

_____ internal _____ be given _____ for _____ after the software is _____?

After _____ system _____ installed how _____ of the internal _____ will _____.

_____ amount of space will _____ left _____ my device's _____ update?

_____ there a lot of _____ space freed _____ the _____?
