

[Demo] NLP Dataset for Customer Service Automation

Company Type	Car Dealerships
Inquiry Category	Questions about used car inventory
Inquiry Sub-Category	Vehicle history and condition
Description	Customers ask about the vehicle's history report, including ownership, accidents, and maintenance records. They also seek detailed information about the car's overall condition, such as mileage, any repairs or modifications, and a visual description of its appearance.
Data Size	6,977 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Car Dealership" customer inquiry. (Purchased data will not be masked.)
