Company Type	Cable and Satellite TV Providers
Inquiry Category	DVR and recording features support
Inquiry Sub-Category	DVR Storage Capacity and Expansion
Description	Providing information on the DVR's storage capacity, options for expanding storage, and troubleshooting storage-related problems to ensure uninterrupted recording and viewing.
Data Size	5,073 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Cable and Satellite TV Provider" customer inquiry. (Purchased data will not be masked.)

Does using ____ larger external ____ drive affect ____ performance, like ____ or ____ playback?
 ____ and buffering ____ affected ____ larger hard drive.
 ____ bigger ____ drive cause ____ system ____ be ____ and cause buffering ____?
 ____ a ____ drive ____ my system or ____ buffering ____?
 ____ a big ____ system ____ correlate to ____ response ____ or more ____?
 Is it ____ that ____ big ____ responses?
 Will a big drive ____ or ____ buffering ____?
 ____ it possible to ____ buffer ____ of ____ bigger ____ HDD?
 ____ larger ____ result ____ slower ____ and more buffering ____?
 Is it ____ time ____ to the larger ____ HDD?
 Is ____ that a ____ device could ____ system responsiveness?
 Large ____ HDDs ____ they hamper response ____ streaming?
 ____ connecting a bigger ____ drive ____ my ____ times ____?
 Will ____ bigger ____ cause buffering ____?
 Is bigger external drives cause ____ buffer ____?
 ____ bigger ____ could cause buffering ____.
 ____ I experience ____ response ____ if ____ bigger hard drive?
 Will a bigger hard drive ____ system ____?
 ____ may result ____ buffering.
 Large ____ affects ____ or ____ streaming.
 Does ____ Hard Drive ____ buffering?
 Is ____ true that ____ down responses?
 Will a bigger ____ system's response ____ streaming?
 ____ of an oversized HDD ____ down ____?
 ____ using ____ larger hard ____ mean ____ longer?
 Is ____ that a ____ external ____ will cause buffering ____?
 ____ using a ____ hard ____ drive ____ to ____ response ____?
 ____ the system slower because ____ external hard ____?

_____ a bigger external hard _____ the _____ of _____ causing slower response time _____ added _____?

Could a _____ hard _____ response _____?

_____ that using a large HDD _____ the _____?

Is connecting _____ bigger _____ drive going _____ response times?

Will _____ a bigger _____ affect _____ system's _____ buffering?

_____ to experience slower response _____ increased buffering if _____ connect _____ hard drive?

_____ the responses _____ using a _____?

_____ system experience _____ if I _____ a _____ hard drive?

_____ an _____ hard _____ bad for _____ and buffer _____?

Will the _____ be _____ buffering if I _____ large external _____?

_____ I connect a _____ drive _____ system, will it _____ response _____?

Is using _____ hard drive _____ speed _____ buffering _____ system?

_____ possible _____ switch to a _____ external _____ would cause my _____ to _____ down?

_____ hard drives _____ in slower response _____ more _____?

_____ external _____ to slow the system?

_____ I _____ larger _____ will my _____ slow down _____ responding to the video?

_____ a bigger _____ to _____ my system slower and cause buffering _____?

If I _____ harddrive, _____ the system respond slower _____ be _____ buffering _____ end.

Is _____ that _____ bigger _____ drive would result in _____ and _____?

_____ a bigger _____ drive going to _____ in _____ responsiveness _____ increased _____?

Will _____ a larger HDD cause _____?

_____ drives _____ result _____ response and more _____ time.

_____ using a larger _____ drive _____ longer?

Is _____ that _____ HDD slowing down responses?

_____ larger _____ drives _____ responses _____?

_____ use _____ bigger hard drive, will it make _____ buffering issues?

_____ larger _____ leading to _____ more buffer interruptions?

_____ big hard _____ system _____ buffering _____ slower responses?

Does _____ big hard drive impact _____ slowed _____ or _____?

_____ a bigger external _____ drive _____ slow my _____?

_____ it true _____ using an oversized _____ down _____?

_____ connecting a _____ drive _____ my system _____ times _____ buffering?

Will a larger hard _____ responsiveness _____ buffering _____ system?

Is _____ that _____ large _____ slows _____?

_____ bigger external storage device might _____ responsiveness?

_____ the _____ going _____ if I connect a larger external _____?

_____ a big _____ have slower response times _____?

Is it _____ that _____ a _____ drive slows _____?

_____ bigger EHD, _____ response _____ and _____ issues?

_____ it possible _____ increase buffer _____ due _____ the _____ external _____?

Is _____ hard drive _____ system _____ like _____ response _____?

_____ longer _____ a larger hard drive?

Will _____ system respond slower _____ if _____ connect a _____ harddrive?

_____ large hard _____ system performance _____ slower response _____ buffering?

Speed and _____ are _____ use of _____ larger hard _____.

If _____ a bigger hard _____ my _____ response _____ or buffering?

If _____ larger harddrive the system _____ respond slower _____ buffering

If _____ connect a larger harddrive the system _____ more _____.

The _____ will _____ and _____ buffering if I _____ a _____ harddrive.

What if _____ drives _____ slower _____?

Will _____ in less responsiveness and increased _____ my device?

When I connect a _____ will the _____ or _____?

Is _____ a bigger HDD _____ to _____?

Will _____ oversized hard _____ have a _____ response and _____?

Is _____ HDD _____ to _____ response times _____ more buffering?

_____ my system response times _____ affected _____ a _____ drive?

_____ the _____ buffering increase with _____ large hard _____?

_____ a _____ hard drive _____ system's response _____?

Is it _____ external drives result in _____?

_____ it _____ that _____ larger external _____ drive _____ cause _____ to slow _____ make _____ more difficult?

_____ larger _____ drive _____ systems response times or _____?

Does large _____ hamper response _____ disrupt _____?

Is it _____ that _____ hard drive _____ slow down _____?

Can using _____ bigger hard _____ impact the performance _____ system, _____ slower _____ added _____ while _____?

_____ a bigger external _____ cause _____ issues _____ slow _____ my _____?

_____ a big _____ drive _____ slower _____ or more _____?

Isn't _____ possible that _____ times _____ a bigger HDD?

_____ the speed and buffering _____ system affected by _____?

Does a large hard drive _____ buffering _____ slower _____?

Is _____ external drives _____ slower responses or _____ interruptions?

_____ it possible a _____ hard _____ lead to _____ performance _____?

_____ using a large _____ slower _____ times?

_____ the _____ times be slowed _____ bigger HDD?

_____ oversized hard _____ affect response _____?

If I _____ will the system respond _____ be _____ buffering?

_____ a bigger _____ slow responses?

_____ my system _____ slower if _____ connect _____ hard _____?

Do _____ external _____ result _____?

A bigger _____ storage _____ responsiveness.

Will a bigger hard drive _____ my _____ cause _____?

_____ drive _____ system performance have slower _____ times?

_____ hard drive _____ to _____ response times _____ increased buffering?

_____ the response _____ be _____ a _____ hard drive?

Is it possible that a _____ drive will cause _____ slow _____ cause more _____?

Is _____ to _____ slower response _____ with _____ HDD?

_____ bigger HDD _____ to slower response _____ increased buffering?

Can an _____ hard _____ cause _____ buffer time?

Is connecting a bigger external hard _____ to cause _____?

Will using _____ hard _____ responses?

_____ the system respond _____ and be _____ buffering if _____ a _____?

_____ it _____ external _____ could make my system run _____?

Does _____ hard _____ impact system have _____ times _____ buffering.

_____ I _____ a larger _____ will my system _____?

Will _____ a _____ external _____ drive make my _____?

Selecting _____ bigger external _____ responsiveness.

_____ issues _____ be _____ by _____ capacity on _____ external _____.

Is _____ true _____ using _____ big _____ responses?

Will _____ oversized _____ drive _____ slower response _____ buffer _____?

Do _____ oversized HDD slows responses?

_____ I _____ a larger hard drive, _____ it cause _____ to slow _____ cause _____ issues?

_____ there increased _____ as _____ of larger external _____?
 Is _____ to cause slower _____?
 Is it _____ larger _____ slows _____ responses?
 Will _____ hard drive affect the _____ of _____?
 Is using a _____ drive linked _____ response _____ buffering?
 _____ the _____ respond _____ a _____ harddrive?
 Does bigger _____ system slower?
 Bigger hard drives _____ slower response and _____.
 _____ connecting a _____ to _____ how fast my system _____ how _____ goes?
 _____ a bigger _____ will the _____ response _____ be more buffering?
 _____ a bigger hard drive, will _____ slow _____ be slower in _____ the video?
 _____ the system _____ slower _____ I _____ bigger external _____?
 Will my system experience _____ response times _____ connect _____ hard _____?
 _____ that a bigger hard _____ would _____ my response _____?
 Does larger _____ hard drive _____?
 _____ it _____ that _____ external _____ have increased _____?
 _____ a _____ cause slower response _____?
 _____ drive slow down _____ machine?
 Is _____ true _____ using _____ slows down responses?
 _____ big external HDD _____ buffer streaming?
 _____ bigger _____ slower _____ and more issues _____ buffering?
 Have _____ got a bigger EHD, slower _____ more _____?
 _____ it _____ for _____ system to _____ down _____ buffering _____ if I switch _____ a larger _____ drive?
 _____ bigger _____ drive make _____ slower?
 Is it possible _____ bigger _____ would _____ to _____ performance issues?
 If _____ connect _____ hard drive, will my _____ times _____ increased buffering?
 Do _____ external _____ cause _____?
 Is the performance _____ bigger external drive?
 _____ larger drive slow _____ or _____ buffering issues?
 _____ it _____ for _____ time to be _____ of a bigger _____?
 _____ big hard drive impact _____ to slower _____?
 Is it _____ to _____ if you _____ a bigger external _____?
 _____ E _____ slower response _____ and _____ buffering issues?
 Will response _____ increase because of _____ hard _____?
 _____ a larger _____ drive going _____ affect _____ and buffering?
 _____ think _____ a bigger _____ drive will affect _____ system responds?
 Is using bigger hard _____ affecting _____ and _____?
 Is it _____ that using _____ larger _____ down responses?
 Will an _____ slower response _____ more buffer time?
 Do large _____ cause _____?
 _____ it possible _____ to _____ increased because _____ larger _____ HDD?
 _____ larger _____ going to _____ responses?
 Can _____ system _____ slower or _____ I connect _____ harddrive?
 Is _____ big _____ drive _____ system having _____ times or _____?
 _____ bigger _____ going _____ in _____ responsiveness and _____ buffering on my device?
 Will _____ hard drive affect the way _____ buffering?
 _____ it _____ that _____ larger hard drive would _____ system to slow _____ cause _____ buffering _____?
 Is _____ external _____ drive making _____?
 Is _____ a _____ drive going _____ affect _____ my system?
 Do you _____ bigger hard _____ increases _____?

A big ____ drive impact ____ response ____ buffering.
 Is it true ____ using a ____ slows ____?
 Does ____ big hard ____ system ____ resemble ____ times ____ buffering?
 Can ____ times ____ with a ____?
 ____ possible ____ a bigger ____ down my response times?
 Is my ____ to experience slower ____ if ____ connect ____ hard ____?
 ____ bigger hard ____ going ____ result in ____ responsiveness ____ buffering ____ my device?
 Is ____ more capacity on an ____ cause ____ issues?
 ____ it possible ____ response times will be ____ HDD?
 ____ I switch ____ a ____ could that cause ____ system ____ down and cause ____ issues?
 Is connecting ____ to ____ to ____ issues in my system?
 Will larger ____ slower ____ and more buffer ____.
 If ____ connect a bigger ____ the ____ or experience ____ buffering?
 ____ drive impact system ____ have slower ____ or buffering.
 If I ____ system experience slower response times?
 ____ a ____ hard ____ going ____ to be slower and cause buffering ____?
 ____ a bigger Hard ____ linked to ____ times and ____ buffering?
 ____ a bigger ____ device affect system ____?
 ____ lead to ____ performance issues if you ____ larger ____.
 ____ it ____ that ____ drive will cause my system ____ slow down ____ more ____ issues?
 Selecting a ____ device could ____ effect ____ responsiveness.
 Larger ____ lead ____ responses or more buffer ____.
 Is a ____ going to ____ decreased ____ and ____ buffering?
 Is ____ impact system ____ slower response times ____ buffering?
 ____ EHD, slower ____ time, ____ more ____ problems?
 ____ take ____ a larger ____ drive?
 Will the system respond slower or worse ____?
 ____ experience buffering ____ response times ____ connect ____ larger hard ____?
 ____ buffer time to be increased due ____ a ____ external ____ drive?
 ____ slow ____ or be slower ____ to the ____ if I ____ a ____ hard ____?
 Could ____ hard drive slow ____ my ____?
 If I ____ to a bigger ____ drive, could ____ my ____ to ____ and ____ buffering ____?
 Will larger ____ slower response ____ buffer time?
 Does ____ system ____ hard ____ have ____ response times or ____?
 ____ connect a larger ____ the ____ and be buffering?
 Did a ____ hard ____ response ____ more buffering?
 ____ larger ____ storage ____ could ____ responsiveness.
 If ____ switch ____ larger external hard ____ it cause ____ to slow ____ and cause ____ issues?
 ____ system ____ more buffering ____ I ____ a larger ____?
 ____ hard ____ impact system perform ____ with slower ____ or more ____?
 If ____ larger drive ____ storage, would ____ affect ____ system's response ____ or ____?
 ____ a bigger ____ slow down ____ times?
 A ____ external ____ have ____ impact on responsiveness.
 ____ system experience ____ response ____ an increased ____ if I connect ____ larger ____?
 Bigger hard drives ____ and more buffer ____.
 Is it ____ for buffer ____ by having ____ external hard disk ____?
 Will ____ system respond to ____ if I ____ large hard ____?
 Is ____ big ____ drive impact ____ similar ____ response times ____ more ____?
 Is ____ that using ____ down responses?
 ____ system ____ response times and increased ____ if I ____ a larger hard ____?

If I _____ a larger hard _____ can _____ my _____ to _____ down and _____ more _____?
 _____ choice of _____ bigger external storage _____ impact _____?
 Is _____ a _____ going _____ affect how fast _____ system _____ leads to more buffering _____?
 A bigger external _____ impact _____.
 Does my system _____ slower response times _____ drive?
 Does connecting _____ hard _____ mean buffering _____ slower _____?
 Is the system _____ due _____ the _____ drive?
 _____ a result of larger _____?
 Will my system _____ if I _____ larger _____ drive?
 _____ using a _____ linked to _____ response times _____ increase _____?
 _____ to _____ if using a _____ drive would affect _____ system's _____ time _____.
 _____ a larger external harddrive, _____ the _____ respond slower and _____
 Will a _____ drive _____ system's responsiveness and _____?
 Is _____ hard drive _____ to affect how _____ system _____?
 _____ an _____ drive _____ slower response?
 Is it _____ that _____ external hard _____ my system _____ slow down and _____ buffering?
 _____ about whether _____ drives lead to slower _____ or _____ buffer _____.
 _____ external drives may _____ responses or _____ interruptions.
 If I _____ a _____ hard drive, _____ affect _____ and _____?
 _____ the responsiveness of my _____ be affected by _____?
 Is it _____ larger _____ drive will cause _____ to slow down _____ make buffering _____?
 _____ true that using _____ oversized _____ Disk Drive _____ responses?
 _____ HDD linked to _____ response times and _____?
 Will _____ bigger _____ drive increase buffering _____ slower _____?
 _____ changing _____ larger external drive would cause _____ system to run _____?
 Is _____ true _____ a larger _____ slows _____?
 _____ bigger _____ hard _____ make _____ system _____?
 _____ true _____ lead _____ responses or more buffer interruptions?
 There are _____ with _____ a bigger _____.
 Will a _____ hard _____ lead _____ more _____ my system?
 _____ the _____ times _____ be _____ with a bigger _____?
 Would _____ external drive _____ system run _____ and experience _____ buffer _____?
 _____ using a _____ drive negatively _____ response time _____ buffering?
 Can _____ capacity _____ HD cause _____ issues?
 _____ a _____ will _____ my system slower and cause buffering issues?
 _____ big hard _____ system _____ slower response time _____ buffering?
 _____ hard drive _____ system _____ slower _____ times or _____ buffering.
 _____ connect a _____ harddrive, will _____ respond slower _____ more buffering _____ the _____?
 _____ I _____ external harddrive, will the _____ respond _____ or _____?
 _____ having _____ on an external HD _____ buffering _____?
 _____ I change _____ hard drive, _____ it cause my _____ slow _____ and cause buffering _____?
 Does _____ a _____ hard drive _____ performance, like slower _____ or _____?
 Is it possible that _____ device affects _____?
 Will response times and buffering _____ up _____?
 _____ is _____ that _____ larger hard _____ will _____ sluggish _____ issues.
 Is _____ possible _____ a larger _____ my system to slow down and _____ more _____?
 Is _____ linked _____ slower responses _____ increased buffering?
 _____ hard drive _____ response times or buffering?
 Will I _____ times or increased _____ I connect _____ bigger _____?
 _____ times and buffering _____ an extended hard _____?

_____ capacity on _____ HD cause delays?

Is _____ true that _____ large _____ drive _____ down _____?

Will _____ a _____ affect _____ time?

If _____ connect a _____ system will _____ more buffering at the end.

Is _____ that _____ larger _____ would cause _____ buffering?

Could _____ a _____ external _____ affect _____?

_____ may affect _____ buffer streaming.

_____ a big hard drive impact _____ have _____ or more _____?

Is _____ to increase _____ as _____ of having _____ external HDD?

_____ big hard _____ impact system performance compare _____ response _____?

Does _____ external _____ with _____ or buffer streaming?

Will connecting _____ hard drive _____ response _____ buffering?

A _____ storage device might be bad _____.

_____ my system _____ slower response _____ buffering after _____ connect _____ larger hard _____?

Would using _____ storage _____ my _____ response time _____ buffering?

_____ increased _____ when _____ have larger _____ drives?

Can _____ capacity on _____ external _____ issues?

_____ it _____ that using _____ oversized HDD _____ responses?

Will the system _____ if I _____ hard drive?

_____ using a bigger external _____ drive affecting _____?

Is _____ a _____ hard drive _____ slow down _____ response _____?

Will connecting a bigger _____ quickly my system _____ cause _____ issues?

Will the system _____ if _____ larger _____ drive?

Will my _____ external _____ system _____?

Is a _____ hard drive _____ to _____ my _____ to _____ down and _____ problems?

Is _____ possible that choosing a larger hard _____ performance _____?

Is it possible for buffer _____ having _____ larger _____ HDD?

Is the use of an _____ responses?

Is _____ buffer _____ to be increased _____ the _____ external HDD?

If _____ a _____ external hard drive, will _____ system _____?

_____ the _____ respond _____ or experience _____ buffering if I _____ harddrive?

Will a bigger hard drive make _____ slow _____?

_____ respond slower if I connect _____ big _____?

_____ it _____ for a _____ slower response _____ and more _____?

_____ for _____ buffer _____ to _____ increased due _____ a _____ external HDD?

_____ a big hard drive mean _____ more _____?

Will _____ bigger _____ system responses or buffering?

If using _____ oversized HDD _____ down _____ is _____?

_____ drive impact system _____ slower _____ or more buffering?

_____ a larger _____ with _____ response times and _____?

_____ it _____ that _____ data _____ a bigger _____ affect _____ and buffering?

_____ or _____ caused _____ greater capacity on an external _____?

_____ buffering occur _____ external drives?

_____ external _____ slow down the _____ performance.

Is using _____ drive linked _____ slower response _____?

If _____ connect a bigger _____ will _____ respond _____ video?

_____ buffer time and slower response _____ an oversized _____?

Does _____ take _____ use _____ bigger hard drive?

Is it known _____ using _____ oversized HDD _____?

If _____ connect _____ larger harddrive, _____ system respond _____ have more _____ the _____?

_____ a bigger hard _____ affect _____ system responds and _____?

Will _____ a _____ HDD slow _____?

_____ response times _____ when the hard _____ is larger?

Will _____ system _____ buffering if I _____ a bigger _____?

_____ connect _____ larger _____ harddrive, _____ system _____ slower _____ be more _____ at the end?

Do large _____ hard _____ response _____ disrupt _____?

Is it _____ the _____ time _____ by the bigger external _____?

Does a big _____ drive _____ system _____ times or more _____?

_____ external storage device might _____.

_____ a big drive _____ cause buffering issues?

_____ it _____ that _____ bigger _____ will result _____ reduced _____ and _____ buffering on my _____?

_____ big _____ slower response _____ and more buffering _____?

_____ an oversized hard _____ slower _____?

Could connecting a bigger _____?

Is choosing _____ bigger _____ device _____ impacting _____?

Will a larger _____ drive _____ response _____?

_____ bigger _____ storage _____ could affect system _____.

Will the system respond _____ I _____ a big external _____?

Will the system _____ response times _____ buffering if _____ larger external _____?

_____ a _____ hard _____ affect _____ system responds and causes _____?

_____ I connect _____ bigger hard drive, will _____ response _____ buffering?

_____ impact system have _____ times and more buffering?

_____ connecting _____ bigger hard _____ affect _____ system's responsiveness?

Will my computer slow _____ video _____ I connect a larger _____?

Is a _____ external _____ going to _____ my _____?

If I _____ bigger _____ it affect _____ system's _____?

If _____ connect a larger _____ hard _____ will _____ respond _____ and _____ more _____ at _____ end?

_____ connecting _____ bigger hard _____ how fast _____ responds _____ cause buffering issues?

_____ choosing a _____ device _____ responsiveness?

_____ it _____ for buffer time _____ bigger external hard disk drive?

_____ connecting _____ hard drive going _____ system _____ slower and more buffering?

Will my _____ response times _____ buffering _____ I connect _____ drive?

_____ a larger hard drive, _____ my system _____ a slower _____?

_____ a bigger hard drive _____ cause buffering issues?

If _____ bigger _____ drive, _____ system experience _____ response times?

_____ system respond _____ when I connect _____ harddrive?

_____ respond to _____ in a slower manner _____ I _____ larger _____ drive?

_____ you believe that _____ an oversized _____?

If I switch to _____ larger _____ can it cause my _____ and cause _____?

_____ the _____ to _____ if I connect _____ larger _____ drive?

_____ bigger external _____ might cause _____.

_____ a _____ drive impact _____ have slower response _____ or _____?

Will _____ response times be _____ a _____?

_____ bigger EHD, _____ response time, _____ with buffering?

_____ bigger _____ the responsiveness of the system?

_____ using a _____ HDD _____ response _____ and buffering?

_____ a bigger _____ hard _____ my system _____?

_____ it _____ that _____ a larger _____ will _____ my system run _____?

Is _____ HDD slowing _____?

_____ possible _____ the _____ times will be slower _____ a _____?

____ a ____ drive impact ____ produce slower response times ____ ?
 ____ a ____ down my response time?
 ____ bigger ____ drive make ____ system ____ ?
 ____ a ____ hard drive ____ to affect ____ ?
 ____ it ____ for the buffer time to ____ increased ____ having ____ HDD?
 If ____ connect ____ will the system ____ buffering?
 A ____ HD, slower ____ time, ____ buffering issues?
 Will a bigger hard ____ affect ____ ?
 ____ possible for ____ time ____ increased ____ to larger ____ HDD?
 ____ it possible ____ buffer time ____ the addition of ____ external ____ ?
 ____ bigger ____ drive ____ slower ____ and longer buffer ____ ?
 Will ____ slower or worse if I ____ harddrive?
 If I ____ bigger external harddrive ____ system ____ respond slower and ____ more ____ .
 Can ____ slower response with ____ larger ____ drive?
 ____ drive make my ____ and ____ more buffer interruptions?
 ____ a ____ drive impact system have ____ response times ____ a ____ ?
 ____ true ____ larger external drives ____ in ____ buffering?
 Having a ____ response time, ____ issues?
 Is connecting ____ drive ____ buffering ____ response times?
 Will a larger ____ slower response ____ more buffer ____ ?
 Is ____ big hard ____ to result in ____ and more ____ ?
 Will a bigger ____ my ____ and buffering?
 Is it possible that a ____ drive ____ cause my ____ ?
 I would like ____ know if ____ hard ____ in decreased ____ increased ____ .
 Will bigger ____ drives ____ slower ____ more buffer ____ ?
 ____ connecting a bigger ____ drive ____ slower ____ times?
 Would ____ hard drive result in ____ responsiveness ____ more ____ on ____ ?
 ____ are ____ with buffering when there ____ EHD.
 ____ wonder if ____ cause ____ responses ____ more buffer interruptions.
 Does using a ____ buffering?
 ____ my massive ____ hard ____ slow down ____ system ____ ?
 Is ____ possible ____ time ____ be ____ bigger external storage device?
 ____ bigger ____ cause buffering issues.
 Is ____ HDD going to cause ____ ?
 ____ more ____ time and ____ by an oversized ____ drive?
 What ____ a bigger ____ response ____ and more buffering ____ ?
 System responsiveness could ____ choice of a bigger ____ device.
 Does a bigger ____ cause the ____ be ____ ?
 Is a bigger external ____ slow ____ my ____ ?
 ____ it ____ external storage device affects responsiveness?
 Having a bigger ____ slow ____ and ____ issues?
 ____ using ____ bigger ____ for ____ to ____ my system's ____ time or ____ ?
 If I switch ____ drive, ____ it cause ____ down ____ cause more buffering issues?
 Is the ____ and buffering ____ system ____ by using ____ hard ____ ?
 Selecting a ____ in sluggish performance issues.
 Is using ____ bigger ____ to slower response ____ buffering?
 Is it possible to ____ bigger ____ and ____ buffering?
 ____ system slow down ____ be slower ____ responding to the ____ if I ____ hard ____ ?
 ____ my system ____ connected ____ a bigger ____ will it ____ response ____ ?
 ____ use ____ a larger hard ____ system ____ by slowing response ____ and ____ ?

_____ my _____ to the _____ if I connect a large _____ drive?

A _____ device could _____ responsiveness.

_____ bigger drive slow _____ or cause _____ problems?

_____ possible for _____ time to _____ increased _____ a _____ external HDD?

Does _____ big hard _____ impact system _____ time?

_____ there any _____ buffering and a _____?

_____ it true _____ drives _____ in increased buffering?

_____ a bigger _____ cause _____ down my system?

_____ using _____ bigger hard drive _____ buffering _____ more _____?

_____ a _____ drive _____ to _____ how _____ my system responds and lead _____ more buffering _____?

Will _____ external hard _____ make my _____ slower or _____ buffering _____?

Is _____ larger HDD _____ linked _____ response times _____ increased buffering?

Is it possible _____ increase buffer _____ larger _____ HDD?

_____ possible _____ system to _____ down _____ buffering problems if _____ switch to a larger _____?

_____ a bigger _____ causing _____ response _____ increased buffering?

Is it _____ a _____ hard _____ would result in _____ responsiveness and _____ device?

Is _____ possible for _____ to _____ increased _____ a _____ hard drive?

_____ external HDD can _____.

_____ it true that using _____ slows _____?

Will my _____ external _____ drive _____ the system _____?

If I _____ onto a bigger _____ would it _____ buffering on _____?

Is it possible _____ a bigger _____ hard drive _____?

_____ connecting _____ bigger hard _____ or _____ response times?

Will _____ drive affect my _____ times _____ buffering?

_____ connecting _____ bigger hard drive _____ to _____ buffering in my _____?

Is a bigger _____ going to cause my _____ to _____ buffering _____?

_____ system lag _____ responding _____ the video _____ I connect a larger _____?

_____ it possible _____ time to be increased _____ a _____ hard _____?

_____ storage device could _____ responsiveness.

_____ a bigger hard drive would result _____ responsiveness _____ buffering?

_____ there a _____ of _____ response _____ bigger HDD?

Is _____ true that _____ bigger _____ slows down responses?

_____ a _____ cause _____ responses?

_____ external drive will slow _____ my system?

_____ a _____ hard _____ impact system performance _____ buffering _____ times?

_____ I experience slower response times _____ I _____ larger hard _____?

Is it true _____ using _____ bigger _____?

Will _____ external _____ slow down _____?

If _____ a larger _____ drive, _____ my _____ slower _____ times _____ increased buffering?

Does using a _____ drive affect _____ or buffering?

Will _____ oversized _____ response time?

Is _____ that my system will slow _____ and _____ more buffering problems _____ switch to _____?

_____ wonder if _____ to _____ responses _____ more buffer interruptions.

Is _____ bigger external _____ performance?

_____ response time, and _____ issues?

If _____ a _____ external harddrive will the _____ more _____ at the end?

_____ system _____ slow _____ if _____ connect a _____ hard drive?

_____ using _____ HDD causing _____ responses?

Is _____ possible that _____ bigger external _____ will cause _____ to slow down _____ problems?

_____ the system respond slower _____ more buffering _____ connected _____ harddrive?

Can _____ external _____ reply time?

If _____ connect a _____ drive will my _____ or be _____?

Will _____ experience slower _____ or increased _____ if I connect _____ larger _____?

_____ using _____ hard drive result in _____ taking _____?

_____ drive cause _____ system _____ be slower _____ cause buffering issues?

Is using _____ larger _____ negative _____ my _____ time or _____?

Does _____ big _____ performance _____ slower response times?

Does _____ mean that _____ an _____ slows down _____?

_____ a bigger _____ affecting my _____ speed and _____?

Can _____ capacity _____ an _____ buffering issues?

Is a _____ external _____ to slow down _____?

I _____ know if a _____ external _____ will slow _____ system _____ buffering _____.

_____ a _____ hard drive impact system _____ like slower _____?

Is _____ HDD related to slower response _____ buffering?

_____ a _____ HDD slow the _____?

_____ possible to _____ my _____ speed _____ with a larger hard _____?

Will a _____ drive _____ my response _____?

_____ external hard _____ it affect _____?

_____ external _____ can _____ or buffer interruptions.

_____ the buffering _____ my system increase _____ hard drive?

Does a _____ hit the system _____ response _____ buffering?

_____ EHD, _____ response time _____ more buffering _____?

_____ drives may _____ slower _____.

_____ using _____ drive affect response times?

Does _____ big hard _____ have slower response _____?

A _____ hard drive may _____ in _____ response and _____.

A _____ hard drive _____ result _____ response and _____ time.

Does connecting _____ bigger hard _____ buffering or _____?

Is _____ external _____ will _____ in increased buffering?

Will _____ system slow _____ or be _____ I _____ a _____ hard _____?

Will connecting _____ hard _____ system's response time and _____?

Are _____ choosing a larger hard drive?

_____ a large _____ drive slows down responses?

_____ connecting _____ bigger _____ drive _____ to affect my system response _____?

Is _____ big _____ drive _____ slower _____ or more buffering?

_____ a bigger drive _____ down _____ buffering _____?

_____ larger hard _____ system slower and cause buffering _____?

Will _____ bigger hard drive _____ system _____ times?

Is _____ larger _____ to make my _____ run slower _____ have more _____?

Does a _____ drive _____ slower _____ or _____ buffering?

_____ get slower _____ if I _____ larger hard drive?

_____ external storage _____ could have _____ impact on _____.

Will _____ be affected by _____ hard disk?

_____ slower _____ external hard drive?

Is it possible that buffer _____ having _____ bigger external _____?

Will the system experience _____ response _____ increased _____ connect _____ large _____ drive?

Does using _____ drive _____ buffering?

_____ big hard _____ system's performance like slower response times _____?

_____ to increase buffer _____ if _____ is _____ external HDD?

Do you believe using a _____ will _____?

_____ a bigger _____ hard drive _____ causing slower response _____ or added buffering while playing?
 _____ external _____ slow the _____ down?
 Do _____ know _____ an _____ HDD slows _____ responses?
 _____ the _____ respond _____ I _____ a bigger harddrive?
 _____ a _____ drive make responses _____?
 _____ a _____ harddrive, the system will _____ and _____ more buffering.
 If I connect a _____ drive to _____ system will _____ response _____ buffering?
 _____ it possible _____ hard _____ will cause my _____ to _____ down when _____?
 Is _____ possible for _____ time to _____ of _____ bigger _____ HDD?
 Is the system _____ of _____ hard _____?
 _____ I connect _____ external _____ system will respond _____ and _____ more _____ at _____ end.
 _____ larger hard _____ result in _____ and more _____ time?
 Is it possible my _____ slower _____ times if _____ hard drive?
 Is it possible to _____ more _____ time _____ external _____?
 Will my _____ to _____ video _____ connect a larger _____ drive?
 Does _____ hard _____ system down?
 Is it possible _____ external _____ drive will cause _____ system to slow _____ buffering _____?
 _____ I _____ will my system experience slower response times _____ more _____?
 I _____ a _____ drive would result _____ decreased _____ and _____ buffering.
 _____ connecting a bigger _____ drive _____ buffering _____ times?
 Does _____ hard _____ impact system have _____ times or _____?
 Should my system _____ slower to _____ if I _____ a _____?
 _____ a _____ hard drive related _____ response _____ and _____ buffering?
 _____ the _____ response slower _____ be more buffering if _____ harddrive?
 Will I _____ response _____ or increased buffering _____ a _____ hard drive to _____?
 _____ I _____ hard drive, will _____ system be _____ buffering?
 A _____ hard _____ might _____ slower response times.
 _____ a _____ hard drive affect _____ system's response _____?
 _____ response _____ slower _____ a bigger HDD?
 _____ a bigger _____ drive affect _____ the system?
 _____ system experience slower response times _____ connect _____ drive?
 _____ external _____ my system _____ slower or experience _____ buffer interruptions?
 _____ if a bigger external _____ will slow _____ or cause _____.
 Is _____ possible _____ to be _____ to the _____ external HDD?
 _____ I connect _____ harddrive, _____ the system _____ slower and _____?
 _____ an _____ response or buffer streaming?
 Is _____ an oversized HDD _____?
 _____ to _____ response times and increased buffering?
 _____ bigger hard drive result _____ responsiveness _____ increased _____ on my _____?
 _____ choice _____ a _____ storage _____ could have a negative impact _____.
 Does _____ external HD cause a _____ show _____ sluggishness _____ performance?
 _____ it _____ that _____ would make _____ system run slower?
 _____ a larger _____ to my system, will _____ experience slower response _____ or _____?
 Is _____ external HDD _____ or _____ streaming?
 Is _____ possible that _____ in buffering?
 _____ I connect a larger harddrive, will _____ longer _____ to _____?
 Should system responsiveness _____ affected by _____ external _____?
 _____ I _____ large _____ drive _____ my _____ feel slower and my buffering _____?
 _____ a _____ hard drive _____ slower response _____ increased buffering?
 Is _____ oversized hard _____ cause slower _____?

Is using _____ HDD related to _____ response _____ and _____?

The system will _____ slower _____ be more _____ if _____ a _____ drive.

Will _____ system respond _____ connect _____ hard drive?

_____ capacity _____ an external HD _____ buffering _____?

Can _____ drive impact the _____ of my _____ causing _____ response _____ or _____?

Choosing a bigger _____ storage _____ could _____ responsiveness _____ the _____.

_____ that _____ use of an oversized _____ slows down _____?

_____ it _____ that using _____ HDD _____ down response?

Is the system _____ respond slower _____ if _____ connect _____ external _____?

Does _____ a _____ drive _____ or slow _____ times?

_____ larger external harddrive, _____ the system _____ slower _____ more buffering.

_____ the _____ of _____ HD _____ delays or _____ issues?

_____ bigger external _____ drive _____ how fast my _____ to video?

Will _____ response times if _____ connect _____ hard _____ to my _____?

Is the _____ going to _____ experience _____ buffering _____ I _____ a _____ external _____?

_____ possible _____ there are issues with buffering _____ EHD?

If _____ hard _____ will it cause my _____ slow _____ and cause more buffering _____?

_____ a big hard drive _____ response times _____ more _____?

Does _____ response or disrupt _____?

speed and _____ by using larger _____.

_____ a larger _____ affect how _____ system responds _____?

Can _____ media speed _____ affected _____ the size of the external _____?

A _____ external drive _____ slower and experience _____ buffer interruptions.

_____ external storage _____ might affect _____.

_____ using _____ hard drive _____ slower _____?

Is using a _____ HDD associated _____?

Does the _____ response?

_____ larger _____ to _____ my system to run slower and experience _____?

_____ capacity _____ external _____ may _____ buffering issues.

When _____ larger external harddrive, _____ the system _____ slower _____?

_____ my _____ slower to the video _____ a _____ hard Drive?

_____ using a bigger hard _____ response times?

_____ using _____ bigger drive _____ to make _____ slower _____ buffering issues?

_____ it possible _____ a bigger external _____ device _____?

Does _____ a larger external _____ drive _____ performance _____?

Will _____ in responding to the video if _____ bigger hard _____?

Does a _____ harddrive impact _____ times or _____ buffering?

_____ slower with _____ bigger external hard _____?

Is it _____ response times with _____ bigger _____ to _____?

_____ I change _____ a _____ drive, could _____ my system to slow down and _____?

_____ switch to _____ larger _____ will my system run slower _____ experience _____?

_____ I _____ bigger _____ will my system experience _____ response times _____ increased _____?

Is it _____ a _____ to _____ external _____ would _____ my _____ to run _____?

_____ using _____ hard _____ drive make _____ slower?

_____ I _____ larger _____ the system respond slower and _____ more _____?

The system _____ could be _____ of a _____ external storage _____.

_____ I _____ hard _____ will my system be _____ in response _____?

Can additional _____ on _____ cause _____ issues?

_____ the response _____ increase _____ extended hard disk?

_____ it _____ that _____ hard drive would cause my system _____ down _____ buffering worse?

____ a bigger ____ drive make my ____ ____ ____ ?
 If ____ is ____ to a ____ will ____ slower response times ____ increased buffering?
 ____ a larger external hard drive ____ ____ ?
 ____ to ____ larger hard drive, could ____ system to slow down ____ cause ____ buffering?
 Is ____ possible ____ choosing a bigger ____ ____ to sluggish performance ____ ?
 Is it true ____ using an ____ HDD ____ ____ ?
 ____ connecting ____ bigger external hard drive going to ____ response time ____ ____ ?
 Will ____ hard ____ response times or buffering?
 ____ using ____ bigger hard drive ____ performance, ____ slower ____ or ____ ?
 Is it ____ larger ____ buffering?
 ____ large hard drive ____ performance have ____ times ____ more buffering?
 Does connecting a bigger ____ buffering ____ response ____ ?
 Is it possible ____ larger HDD ____ slower ____ ?
 Is ____ hard ____ making ____ slower?
 Is ____ true that ____ responses ____ caused ____ using an ____ ?
 ____ it true ____ using a larger ____ disk ____ down ____ ?
 ____ a ____ hard ____ slower to ____ ?
 Is it ____ to increase ____ a bigger ____ HDD.
 Can ____ bigger ____ drive affect ____ system's performance ____ ____ ?
 ____ connect ____ bigger ____ the ____ will respond slower ____ be buffering ____ end.
 ____ system respond ____ or ____ if I connect ____ larger ____ ?
 Is ____ true ____ large hard ____ down responses?
 ____ a ____ hard ____ impact ____ performance ____ slower response times ____ more ____ ?
 ____ the use ____ HDD ____ down responses?
 ____ using ____ big ____ drive linked ____ response times?
 Is it possible ____ hard drive will ____ down ____ cause more buffering when ____ ?
 ____ connecting a bigger hard ____ or slower ____ ?
 ____ a larger ____ affect ____ times?
 ____ it possible that choosing ____ bigger ____ storage ____ affect ____ ?
 ____ external ____ cause ____ responses ____ more buffer interruptions?
 Will ____ system ____ more slowly ____ I ____ bigger ____ ?
 Is ____ possible ____ time to be ____ with ____ hard drive?
 ____ it ____ using an large ____ slows down ____ ?
 Is ____ bigger external ____ device ____ responsiveness?
 Is it ____ an big ____ slows down ____ ?
 Will my system respond ____ video if I ____ ?
 ____ using a ____ going ____ slower response?
 Will ____ system be ____ respond if ____ connect ____ larger ____ ?
 ____ about a ____ EHD, slower response time, ____ issues ____ ?
 ____ possible that ____ external ____ result in ____ buffering?
 ____ using a bigger ____ drive affect ____ ?
 ____ a bigger ____ HD; ____ response time and ____ ?
 Does ____ external ____ cause ____ delay ____ streaming ____ sluggishness in ____ performance?
 ____ using ____ big ____ disk drive linked ____ response ____ increased buffering?
 ____ an oversized ____ for ____ and buffering?
 Is ____ a ____ disk drive slows down ____ ?
 ____ true that ____ the oversized ____ down responses?
 ____ larger ____ drive affect ____ response times ____ buffering?
 Will an extra hard ____ result ____ slower ____ time?
 Is ____ taken longer ____ use ____ larger hard ____ ?

Will a bigger _____ how _____ my _____ responds and _____ buffering?
 _____ a _____ hard drive affect _____ and buffering?
 Is _____ possible for buffer _____ to be _____ you _____ HDD?
 Larger _____ drives _____ cause slower _____ buffer _____.
 Will using _____ make the _____?
 Speed _____ buffering _____ can be _____ larger hard drive.
 Is _____ bigger _____ to cause _____?
 Would using _____ drive negatively _____ response time or _____?
 _____ external _____ response or _____ buffer streaming.
 _____ that _____ that using an oversized _____ slows _____?
 _____ be slower response and _____ if _____ oversized _____ drive is _____.
 _____ I connect _____ hard drive, will _____ to _____ to the video?
 Using a _____ drive _____ mean _____ takes _____.
 Slow response _____ issues if you _____ a _____?
 _____ I connect a _____ hard _____ my _____ experience _____ response _____ and increased _____?
 _____ a bigger _____ drive make _____ system slower and _____ movies?
 Will a _____ hard _____ my system _____ buffering will occur?
 Should _____ if I _____ a larger external harddrive?
 Is using larger _____ drive affecting _____ system's _____?
 Would a bigger _____ drive _____ and buffering _____?
 Does _____ external _____ hamper _____ or affect _____ streaming?
 _____ I _____ bigger harddrive, will _____ slower or worse?
 Will a big _____ drive _____ responsiveness _____ system?
 The _____ of a _____ storage _____ affect responsiveness.
 _____ drive _____ in slower response _____ more _____ time.
 _____ a bigger hard _____ drive linked to _____ times _____ more _____?
 _____ that a bigger _____ drive would _____ my system _____ down _____ cause more buffering _____?
 Is it possible _____ with a big _____?
 _____ are _____ buffering when _____ have a _____ EHD.
 Do larger external hard _____ affect _____ response times _____?
 If I _____ large hard drive, _____ affect my _____ and _____?
 Will _____ larger _____ drive impact _____ system _____ times _____?
 Is the bigger external hard _____?
 Is it _____ that _____ oversized HDD _____ down _____?
 Speed and _____ using larger _____ drive.
 _____ are more issues with _____ is _____ bigger _____.
 _____ possible to increase _____ due _____ bigger external _____?
 _____ it true that _____ big _____ down _____?
 Does _____ use of a bigger _____ hard drive _____?
 _____ possible that a bigger _____ storage _____ responsiveness?
 _____ larger external _____ drives cause _____ to _____ slower?
 Is _____ a _____ device _____ to affect responsiveness?
 _____ I _____ a _____ drive _____ system feel _____ and _____ will increase?
 Is _____ big _____ system's _____ like slower response _____ or _____?
 Will _____ a large _____ responses _____?
 _____ I _____ larger _____ will _____ system _____ slower _____ be more buffering?
 Is _____ a _____ hard drive _____ result _____ and _____ buffering on my device?
 Is it _____ that _____ hard _____ increases buffering or slower _____?
 Will _____ larger _____ drive _____ in _____ response _____ time _____ buffering?
 Does _____ capacity _____ an external _____ issues?

_____ connect a bigger _____ drive, _____ it _____ my system?
 Is _____ bigger _____ linked _____ response _____ and _____ buffering?
 Is _____ that _____ a larger hard drive _____ performance _____?
 Is _____ possible to increase _____ because _____ a _____ HDD.
 Will connected _____ drive affect _____ times or buffering?
 _____ it _____ for _____ time to be _____ external hard drive?
 _____ I _____ a large _____ drive, _____ my _____ feel _____ slower buffering?
 _____ system _____ response times if I connected a _____?
 _____ a _____ hard _____ cause slower _____ issues?
 Will connecting _____ large hard _____ cause _____ to feel slower _____?
 If I _____ bigger _____ the _____ will respond _____ and be _____ at _____.
 _____ a _____ drive _____ response times _____ buffering?
 Is _____ that _____ a _____ drive would result in _____ responsiveness and increased buffering on _____?
 _____ external _____ does it _____ response _____ buffer _____?
 Does using _____ drive makes _____ longer?
 Is _____ data _____ bigger hard _____ to result _____ decreased responsiveness and increased _____ device?
 _____ of the external storage device _____?
 Will _____ drive result in _____ longer buffer time?
 _____ a bigger _____ responsiveness and increased _____ on my device?
 Can a _____ drive make _____ system slower and _____?
 _____ a big HDD _____ responses?
 How _____ system _____ a bigger hard _____ will affect _____ issues.
 Will the _____ slower _____ I _____ a _____ harddrive?
 Do large _____ response?
 _____ an _____ hard drive _____ slower _____?
 _____ use of _____ bigger external _____ drive _____ buffering?
 Will _____ large _____ result in _____?
 Is _____ a bigger _____ drive _____ longer?
 _____ possible _____ I _____ experience more _____ interruptions _____ I switch to _____ drive?
 _____ it _____ that buffer time can _____ increased due _____ bigger _____?
 Is _____ possible that a bigger _____ hard _____ would cause my _____ to _____ make _____?
 Should _____ system experience slower _____ if _____ connect _____ larger _____?
 Is _____ bigger _____ to slow _____ my system or _____?
 A bigger _____ drive will _____ my system _____ buffering.
 I wonder _____ system _____ slower and _____ buffering _____ connect a _____ harddrive.
 Is _____ that you _____ a _____ EHD, _____ response _____ more buffering _____?
 _____ using _____ hard drive cause my system _____ or cause _____?
 _____ using a large _____ going _____ buffering?
 _____ expect slower _____ with a bigger HDD?
 Does _____ big hard _____ system perform _____ responses _____ more _____?
 _____ are issues _____ buffering _____ bigger EHD.
 Larger external _____ may _____.
 Is connecting _____ hard _____ going _____ system's response _____ buffering?
 Is it _____ be increased by having a _____ external _____?
 Is _____ drive _____ to cause buffering?
 _____ a hard _____ system have slower _____ more buffering?
 _____ that a _____ drive _____ make my system run _____ and _____ more _____ interruptions?
 Does connecting _____ increase _____ or _____ reply times?
 _____ drive _____ in slower response?
 _____ system _____ be slower _____ buffering _____ I connect a _____ hard _____?

____ it possible ____ expect slower ____ times ____ a ____?
 If ____ connect ____ big ____ drive will ____ system feel ____ buffering?
 If ____ connect a large hard drive, ____ slower ____ buffering ____?
 Will an oversized ____ drive ____ slower ____ buffer time?
 If I ____ larger ____ the system ____ slower ____ more buffering at ____.
 ____ connecting a bigger ____ hard drive going ____ lead ____ more ____ my ____?
 ____ larger external hard drive ____ my ____?
 The system will respond ____ be more ____ I connect ____.
 ____ my ____ slow ____ because of a ____ hard ____?
 Will a ____ external drive slow ____ system ____ issues?
 The choice ____ a ____ external storage ____ responsiveness.
 Is it possible ____ bigger hard ____ result ____ decreased ____ and increased ____ my ____.
 Will the ____ be slower ____ bigger ____?
 ____ the capacity ____ external HD ____ buffering issues?
 Will my system ____ or ____ to the video ____ I connect ____ larger hard ____?
 ____ a ____ external drive ____ issue?
 Should ____ HDDs ____ response ____ buffer streaming?
 Is putting data onto a ____ hard ____ going ____ affect responsiveness ____?
 ____ there an ____ due to ____ drives?
 ____ it true ____ slows responses?
 Slower response ____ are associated with ____ bigger EHD.
 System performance can get ____ external drive.
 ____ hard drives result in ____ and ____ times?
 ____ it true ____ an ____ HDD ____ responses?
 ____ that ____ that ____ oversized ____ slows down responses?
 Is it ____ to be ____ due to ____ a bigger ____?
 There are issues ____ buffering ____ time if you ____ a ____.
 ____ using ____ larger ____ affect ____ response ____?
 Do ____ think ____ onto ____ bigger hard drive ____ affect ____ my device?
 ____ a larger ____ drive ____ system ____ slowing response ____ or buffering?
 Does ____ with ____ hard drive?
 ____ my response times be slowed ____ larger ____?
 Does the ____ drive have ____ times or ____?
 Do you think moving ____ bigger ____ drive ____ affect ____ buffering?
 ____ external drives ____ to ____ responses.
 Will the ____ and be ____ buffering if ____ a ____ harddrive.
 ____ big hard ____ impact ____ perform with slower ____ buffering?
 ____ the ____ respond slower ____ connect ____ large ____ drive?
 ____ response ____ buffering affected ____ I ____ a larger hard ____?
 Will a larger ____ my ____ slower and ____ buffering ____?
 Is using ____ going to ____ my system to ____ down?
 If I ____ a larger ____ will my ____ down ____ respond ____ video?
 Is it possible ____ would cause ____ slow down ____ cause more buffering?
 Will ____ drive affect how fast ____ responds ____ will ____ cause more buffering ____?
 How fast ____ responds and ____ buffering will be ____ a larger ____.
 ____ I feel slower and the buffering ____ if I ____?
 Does ____ choice ____ external ____ device affect responsiveness?
 Is it possible ____ a bigger ____ drive will ____ to ____ down ____ cause ____ buffering ____?
 How ____ my ____ responds ____ connecting a bigger ____ affect buffering ____.
 ____ a larger hard drive affecting ____ speed ____?

Can the _____ time _____ increased _____ bigger external _____?

Do large _____ HDDs _____ response _____ streaming?

_____ I switch _____ larger _____ hard _____ could _____ cause _____ system to _____ and _____ buffering problems?

_____ there increased buffering when _____ external _____?

Could choosing _____ hard drive _____ performance _____?

Is my _____ to _____ to _____ video _____ I _____ a _____ drive?

_____ to _____ down or be slower if _____ a larger hard _____?

Do _____ drive impact systems have _____ response _____ or _____?

_____ a big hard drive _____ system _____ response _____ buffering?

If I connect a _____ external harddrive the _____ and _____ more buffering _____

Does a big _____ impact system _____ compare _____ and buffering?

_____ large hard _____ cause my system to feel _____ or _____ it _____?

_____ connect a larger _____ affect my system response times _____?

If I _____ drive, _____ it cause _____ slow _____ and cause more buffering problems?

_____ a _____ impact system _____ like _____ response times or _____?

Will the _____ be buffering _____ connect _____ larger external harddrive?

Will connecting a _____ drive affect _____ fast my system _____ issues _____ playing videos?

_____ I connect _____ hard drive, will _____ system _____?

_____ external storage device _____ responsiveness.

_____ the system _____ times _____ affected _____ I connect a _____ hard _____?

Is there a link _____ external drives _____ slower _____ more _____?

Will _____ times and buffering _____ up _____ disk?

_____ bigger _____ affect _____ fast _____ system can respond _____ cause buffering?

_____ oversized hard _____ cause _____ response and more _____?

If _____ hard drive, will it _____ to _____ slower and more _____?

Does _____ big hard drive _____ have _____ and _____?

_____ a bigger hard _____ affect _____ fast my system _____ how _____ issues _____?

_____ the system respond slower _____ buffering _____ I _____ a larger external harddrive?

_____ a _____ hard _____ impact system perform _____ slower _____ times _____ more _____?

_____ using a larger _____ drive _____ take longer?

Can I expect response _____ be _____ bigger hard _____?

_____ wonder if a larger _____ my _____ and experience _____ buffer interruptions.

_____ hard _____ result in _____ and longer buffer _____?

_____ if larger external _____ to _____ responses?

Will _____ bigger _____ drive affect how long my _____?

_____ using _____ drive causes buffering to take _____?

_____ connecting _____ bigger external _____ drive affect _____ response and _____?

_____ that using _____ oversized HDD _____ responses?

Does _____ bigger _____ drive _____ system slower?

Is it _____ using _____ drives _____ down responses?

_____ my system take longer to respond to _____ a _____ drive?

Does a _____ hard _____ impact system _____ response times _____?

_____ a _____ make the responses _____?

Having _____ slower _____ time and _____ with buffering?

_____ using an oversized HDD slows _____?

_____ a bigger hard drive _____ fast my _____ and _____ more _____ issues _____ playing videos?

_____ capacity _____ an _____ HD _____ delays?

_____ a _____ drive _____ in _____ response?

Can _____ expect _____ be _____ with a larger hard _____?

_____ a _____ hard _____ down the system?

_____ hard drive hamper response or _____ buffer _____?

Do _____ a bigger hard _____ would _____ responsiveness and increased _____ my _____?

Will _____ slow _____ or respond _____ to _____ video _____ I _____ a _____ hard _____?

_____ greater capacity _____ HD _____ delays?

_____ to a larger _____ it _____ my _____ to slow down and cause _____ buffering _____?

_____ large _____ slower _____ and more buffer time?

Would _____ external _____ my system _____ or experience more buffer _____?

_____ it _____ time to be _____ because of _____ HDD?

_____ connecting a _____ hard drive _____ system responds and _____ buffering issues?

_____ large external _____ response?

Is _____ that using _____ down responses true?

Will a bigger external _____ slow _____ buffering _____?

_____ have bigger _____ slower response _____ more buffering issues?

_____ larger hard _____ to _____ slower _____ and more buffer time?

If _____ switch _____ a bigger _____ drive, _____ it cause _____ system _____ down _____ cause _____ buffering _____?

Does my system slow _____ respond slower _____ the _____ I connect _____?

Is using a _____ to _____ times and _____?

Do _____ a _____ mean _____ takes longer?

_____ respond _____ when I connect a larger _____?

_____ bigger external hard _____ make my _____?

Is connecting a bigger external _____ drive _____ responsiveness?

_____ can be _____ by _____ on an external _____

Does _____ drive _____ system performance include slower response _____?

Larger _____ drives could _____.

Is it possible for _____ to the larger external _____?

If I connect _____ bigger _____ drive, _____ system experience slower _____ increased _____?

_____ a _____ drive impact system _____ at _____ response _____?

_____ linked to slower response _____ and _____ buffering?

_____ a bigger HDD cause _____?

If _____ a _____ hard _____ my system experience _____ times?

Is _____ bigger _____ hard _____ will cause _____ system to slow _____?

Is it _____ bigger external _____ might affect responsiveness?

It is _____ using an _____ HDD _____.

_____ that using _____ oversized _____ down responses.

Is _____ a _____ hard _____ going _____ my _____ responsiveness _____ buffering issues?

_____ system _____ slower _____ when I connect a _____ external hard drive?

_____ big _____ drive _____ system performance _____ response times _____ buffering?

Is _____ a _____ hard drive _____ cause my system to _____ down and _____ buffering _____?

Is _____ Hard Disk Drive _____ slower response _____?

Will a _____ hard _____ my _____ response to streaming _____?

_____ bigger _____ going _____ affect _____ fast my system responds _____ causes _____?

_____ an _____ hard drive _____ to result _____ response and _____ time.

_____ the _____ responding _____ or worse _____ a larger harddrive?

_____ it _____ buffer time to be _____ due _____ bigger _____ disk drive?

_____ it possible that greater _____ on an _____ issues?

Is _____ an oversized hard _____ in _____ response and _____ buffer time?

_____ using a larger _____ adversely _____ my _____ time or _____?

_____ a bigger _____ storage device _____.

Will using _____ disk _____ slower responses?

_____ I connect _____ bigger _____ will _____ have _____ response times?

Is it _____ that a larger external _____ drive _____ system _____ when _____?

If _____ a larger external harddrive, will _____ more _____?

Will _____ be _____ bigger external hard drive?

Does _____ large _____ HDD hamper _____ or _____?

Is connecting a _____ affect _____ system's responsiveness and _____?

_____ switch to a _____ hard _____ could it _____ my _____ to slow down and cause _____?

Does a _____ hard _____ impact _____ response times?

_____ choosing _____ bigger external _____ affect the responsiveness _____ the _____?

_____ external drives _____ buffering?

Bigger _____ may lead _____ slower responses _____ buffer _____.

Is it possible for buffer _____ increased _____ using _____ HDD?

_____ a _____ affect how _____ responds and causes buffering?

_____ connecting _____ hard drive cause my _____ take _____ respond and _____ video?

Will _____ oversized hard _____ result _____?

Is a _____ external _____ slow down _____ system?

_____ bigger _____ hard drive slowing _____?

Is using _____ hard _____ affecting _____?

_____ big _____ system have slower response time _____ buffering?

_____ with _____ when the _____ is bigger.

Is it true _____ using a _____ hard _____?

Is _____ possible for _____ to be increased _____ an external _____?

_____ buffering _____ caused by _____ external hard _____?

Is using a _____ connected to slower _____ increased buffering?

Will _____ drive make my _____ or cause buffering _____?

Is changing _____ hard drive _____ to _____ my system to _____ down and _____ problems?

_____ I connect _____ will the system respond _____ and _____ more _____ the _____?

Does _____ large _____ response _____ disrupt buffering?

Will _____ times _____ buffering _____ affected by an _____ hard _____?

Will _____ bigger hard _____ my _____ response _____ or buffering?

Does _____ drive _____ slower or _____ performance?

Is a _____ drive impact _____ buffering?

Does a big _____ system performance like _____ response _____ or _____?

If I connect _____ larger hard _____ respond _____ and be _____ at _____ end?

How _____ my system _____ will be affected _____ a bigger _____ drive.

_____ it possible to _____ with bigger HDD?

_____ big external HD _____ to cause _____ the _____?

_____ choosing _____ hard drive cause slow _____?

_____ possible for buffer time _____ the bigger external _____?

_____ choosing _____ bigger external _____ negatively impacting _____ responsiveness?

Does _____ bigger _____ performance, like _____ response times or _____?

Do _____ have a _____ EHD, _____ time _____ more buffering issues?

Choosing _____ bigger _____ device _____ impact _____.

Is _____ to _____ bigger EHD and slower _____?

_____ bigger external storage _____ responsiveness.

_____ an large hard drive _____ result in _____ and more _____?

_____ hard _____ affect _____ fast my _____ responds and _____ buffering.

_____ it _____ a larger _____ hard drive will _____ my system _____?

Is it _____ bigger _____ drive will _____ sluggish _____ issues?

_____ it possible _____ bigger _____ slower response time _____ buffering issues?

Do larger _____ drives _____ responses _____ interruption?

_____ a bigger _____ result _____ decreased responsiveness _____ for my device?

Is _____ a _____ EHD, slower _____ and more _____?

_____ true that _____ an _____ HDD slows down _____?

_____ it possible for _____ to _____ increased due _____ bigger _____ HDD

Will the _____ be slower _____ hard _____?

Is it possible _____ a _____ result in diminished responsiveness _____?

_____ is rumored _____ an oversized HDD slows _____.

_____ larger external _____ have _____?

_____ a large _____ hard _____ affect how _____ system _____?

If I _____ a _____ external _____ the system _____ slower and be _____ at _____.

_____ a _____ drive affecting _____ system's _____ and buffering?

Will _____ larger hard drive affect the _____?

_____ a bigger external _____ going _____ cause _____?

_____ it possible that _____ bigger _____ drive _____ in less responsiveness and _____ device?

_____ my _____ I connect a _____ hard drive?

_____ a large hard _____ lead to _____ response _____ buffer _____?

_____ and _____ may _____ by _____ larger hard drive.

_____ a bigger hard _____ the _____ response times?

_____ switch to a larger hard drive, _____ it cause my system _____ down _____?

_____ the _____ with a _____ HDD _____ slower?

_____ it _____ a bigger _____ will slow down _____ system?

Is it _____ larger _____ hard _____ could _____ system _____ down and _____ more buffering problems?
