

[Demo] NLP Dataset for Customer Service Automation

Company Type	Mobile Network Operators
Inquiry Category	VoIP (Voice over IP) compatibility and setup
Inquiry Sub-Category	VoIP call echo
Description	Customers complain about echo and feedback during VoIP calls, requiring troubleshooting guidance to identify the cause and resolve the issue, which may involve adjusting network settings or using echo cancellation solutions.
Data Size	5,068 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Mobile Network Operator" customer inquiry. (Purchased data will not be masked.)

Why am _____ echoing _____ when _____ or _____ calls?

I _____ having _____ receiving a phone call from _____.

_____ issues _____ I _____ myVoIP calls.

_____ is an echo _____ I _____.

_____ is _____ a constant _____ when using _____ over Internet _____?

I _____ an explanation _____ to _____ issues _____ heard during my _____ over _____ conversations.

Is _____ issues occur with _____ call from a voice _____ internet _____?

I _____ why my _____ evoke _____ they _____ voice over _____ protocol.

Why _____ the _____ in _____ call?

Why are _____ calls _____?

_____ are _____ theVoIP _____ when I make _____.

_____ a reason _____ iwthVoIP _____ echo?

_____ voice call echos?

 _____ echo _____ with voice _____
 I hear _____ I am _____ a voice over _____.
 _____ is _____ cause of echo _____ with _____?
 _____ problems with theVoIP _____ I _____ them

_____ using a _____ calling _____ you _____ there are echoes on calls _____.

_____ using _____ of _____ echoes can occur _____ calls you make.

_____ hard for _____ communicate using my VoIP _____ because _____ issue.

There _____ an echo _____ is _____ internet _____ (VoIP) _____ less than smooth.

Is _____ reason for _____ using Voip?

There _____ issues with _____ voice _____.

I _____ having _____ echo issue that _____ making _____ over _____ communication less _____.

_____ echo _____ makes _____ voice _____ internet protocol communication _____ than stellar.

_____ echo issue is making my voice _____ protocol _____.

Do _____ know why echoes _____ the use _____ service.

The _____ calls are _____ understandable.

Do you know why echoes _____ VoIP _____?

Why are _____ over _____ echo?

I am _____ sure _____ echoes when I make _____.

_____ do _____ echoes _____ calls?

I'm _____ an _____ issue that is making my _____ internet _____ than _____.

_____ there a _____ when calling _____ the Voip line?

_____ you able to _____ why _____ with _____ service?

Why _____ echo _____ VoIP?

_____ issues with voice calls?

What _____ reason for _____ VoIP calls _____?

I am _____ as to why echoes _____ over internet _____.

_____ making _____ voice over _____ protocol communications _____ stellar

There _____ call _____ and what _____ are _____?

echo _____ with a _____ Voip.

It is difficult _____ using my _____ communication due _____ echo _____.

why do _____ echo _____?

_____ over _____ echo, why?

_____ it _____ during _____ calls?

_____ are echoes _____ the calls _____ you use the _____.

Is _____ a _____ issues to occur with _____ Voip _____?

_____ have _____ echos?

The echo _____ over internet protocol _____ difficult.

My _____ over _____ (VoIP) _____ not as _____ because _____ an echo _____.

_____ it's _____ why _____ the calls come _____?

_____ is _____ reason for the _____ in VoIP _____?

I'm having an echo _____ my _____ protocol _____ difficult.

There may be _____ make or _____ calls.

Is _____ answer to the echo _____ my Voice _____ Internet _____?

_____ Voice _____ Internet Protocol _____ echo?

_____ you have _____ what _____ echoes _____ use of VoIP calling service?

_____ no _____ as _____ why these horrible _____ are _____ my _____ conversations.

I _____ having an echo issue _____ my voice over _____ communication _____.

_____ I make _____ receive _____ there _____ an echo.

_____ make _____ receive a Voip call, _____ an echo?

_____ a reason why _____ a voice _____ protocol phone may _____ issues?

Why _____ happen _____ calls?

My voice _____ internet protocol _____ are _____ than stellar _____ of _____.

I'm _____ an _____ that makes my _____ over _____ bad.

_____ is making _____ voice _____ communications less _____ optimal

Is there _____ for _____ occur with the use _____?

_____ can't _____ an explanation as _____ why _____ my voice _____ internet protocol conversations.

when _____ VOIP calls, _____ come back

Is there _____ problems in my voice _____.

Why do echo _____ calling _____?

An echo issue is making my _____ protocol _____.

_____ is making _____ voice over _____ protocol _____ than optimal.

An _____ made _____ internet _____ (VoIP) communications _____ than stellar.

What is the _____ echo?

When you _____ a _____ calling service, _____ on the _____.

I _____ issues _____ and _____ a _____ call from a _____.

_____ issue is making _____ voice _____ protocol _____ less _____ perfect.

_____ voice _____ protocol (VoIP) _____ difficult _____ of _____ echo issue.

I _____ echo _____ makes _____ voice over internet _____ communications _____ optimal.

_____ the calls come back when it's _____.

_____ makes _____ voice over _____ communications less than perfect.

What is _____ having problems _____ or _____ VoIP calls?

_____ wondering _____ I'm _____ making and receiving calls _____ Voip _____.

_____ are _____ echoes _____ VoIP _____?

_____ confused as to why _____ hear _____ speak _____ my Voip phone.

_____ are strange noises when I _____ on _____ voice _____.

_____ is the _____ over _____ protocol _____?

_____ have been _____ problems _____ phone _____ from a Voip carrier.

I'm _____ trouble _____ or _____ calls.

Is _____ reason _____ to occur with a _____ Voip?

_____ I am _____ when I _____ my Voip phone.

echo _____ use myVoIP

I'm _____ an echo issue _____ over _____ communications difficult.

I _____ why _____ noises _____ that _____ are voice over _____ protocol.

_____ any reason echo issues may occur _____ from _____?

I'm having _____ echo _____ making _____ internet _____ communications _____ than optimal.

_____ are there constant echoes _____ calls _____ Voice over _____?

_____ having _____ echo issue that's _____ my _____ internet protocol calls _____.

_____ is _____ my voice over internet protocol _____ less _____.

Why _____ there _____ many echo _____?

Does _____ why _____ occur with _____ use of _____ over _____ Protocol _____?

_____ voice call echos, _____ the _____?

When I'm on _____ Protocol _____ there are strange _____.

Can you tell _____ my _____ conversations have echoes?

I'm not _____ I'm _____ problems making _____ from a Voip _____.

_____ you have an idea why _____ with _____?

Is _____ a _____ issues to happen _____ a _____ from _____?

_____ possible to explain to _____ voice over _____ conversations _____ echoes?

_____ you experience echo issues _____ using _____?

_____ there a reason _____ issues may _____ with a _____ Voip _____?

Does anyone know what _____ echoes _____ the use _____?

Is _____ of echo issues that theVoIP _____?

Why facing _____ glitch?

_____ voice _____ communications is difficult due to an _____.

Why do the _____?

Do you know what _____ VoIP _____?

_____ internet _____ (VoIP) communications are _____ smooth because of _____ issue.

Is _____ reason for _____ issues to _____ when _____ call _____ from a _____?

_____ are _____ made when I _____ a _____ over internet protocol _____

It is hard for _____ to use my _____ an _____.

There _____ some _____ over internet protocol calls.

There are _____ theVoIP calls _____ receive _____ them.

_____ a reason for echo _____ when _____ make a _____ call?

_____ there a reason _____ echo _____ can _____ with a _____ from _____?

Do _____ why echoes happen with the _____ of _____?

What _____ an _____ when _____ a _____ call?

Is there a reason _____ a _____ from _____ has _____?

When it's VOIP _____ come _____?

There is _____ during _____ calling.

My _____ internet _____ (VoIP) _____ are _____ because of _____ issue.

_____ it's VOIP _____ phone ring again?

I'm _____ an _____ that _____ my voice _____ internet _____ communications less _____.

_____ when I make a _____ call.

Do _____ know _____ occur with _____ calling services?

_____ have _____ theVoIP _____ using them.

I'm _____ problems _____ calls.

_____ there any idea on _____ occur _____ calling _____?

_____ having an echo _____ difficult _____ me to _____ via VoiP.

_____ there _____ echoes occur with the use _____ service?

Is _____ a _____ issues would _____ with _____ call from the _____?

_____ echo _____ my voice over internet protocol communication _____ optimal.

I _____ as to _____ I am hearing echoes when _____ speak _____ phone.

You _____ know why _____ occur _____ the calls you _____ using _____.

I experience _____ noises when _____ on _____ over _____ call.

There's _____ question _____ echoes during _____.

I'm having problems _____ theVoIP _____ them.

_____ a reason echo issues occur _____ from _____ provider?

When I receive _____ use theVoIP _____.

Why _____ I _____ and receiving _____ calls?

_____ issue which is making my voice _____ internet _____ smooth.

Do _____ know _____ echoes _____ of Voice over _____ Protocol calls?

Have _____ any idea why echoes _____ VoiP _____?

_____ there a reason echo _____ occur when _____?

When _____ why does _____ come back?

_____ you use _____ Voip service, _____ are _____ the calls _____ make.

_____ echoes _____ my VoIP _____.

Is facing _____ communication _____ the _____?

_____ do echo _____ VoIP calls?

An echo _____ made _____ over internet protocol _____ than stellar.

When _____ a _____ over Internet Protocol _____ there are _____ noises _____.

_____ are _____ with _____ calls?

I'm _____ to _____ my VoiP communication _____ an echo _____.

_____ there a _____ echo issues _____ with a _____ from _____ phone?

_____ echo issue _____ making my _____ internet _____ than perfect.

I'm _____ an _____ issue that _____ over _____ protocol communication less _____.

Why did ____ calls ____ ?
 ____ be iwthVoIP calls ____ ?
 ____ there ____ reason why ____ call from ____ cause echo issues?
 ____ having a ____ with ____ .
 ____ echo issue is ____ over ____ protocol ____ communication difficult.
 ____ an echo ____ making my voice ____ communications less smooth.
 I have ____ when ____ use ____ .
 ____ is making my ____ over ____ less ____ stellar ____ of an ____ issue.
 ____ strange noises ____ hear when I ____ a ____ over ____ Protocol.
 An ____ issue has made ____ over ____ communications ____ .
 ____ be ____ reason ____ echo ____ with a Voip call.
 Is there ____ can occur when a call ____ a ____ phone?
 Is ____ reason echo issues ____ occur when ____ call ____ Voip ____ ?
 Is there ____ for ____ with ____ service.
 Is ____ a ____ for echo issues ____ is made ____ provider?
 ____ does the call ____ ?
 It is hard ____ via ____ because I ____ having ____ echo ____ .
 There is a question ____ echo ____ occur with ____ from ____ phone.
 There ____ be a ____ why ____ occur with ____ Voip.
 ____ is ____ calling process difficult?
 I ____ sure ____ am ____ echoes when I ____ my Voip ____ .
 ____ an ____ as to why echoes occur ____ VoIP ____ ?
 How ____ echo issues ____ calls?
 ____ there a reason for ____ with the ____ of ____ service?
 You ____ know the reason ____ echoes on ____ when ____ a ____ calling service.
 Why does ____ you with ____ ?
 ____ to know ____ echoes occur ____ the calls you make ____ the ____ .
 ____ an ____ that is ____ voice over internet protocol communications ____ great.
 ____ not ____ I hear ____ my Voip phone.
 ____ you know why echoes ____ VoIP ____ service?
 ____ weird ____ I hear when ____ am on a ____ over ____ Protocol ____ .
 ____ don't understand why ____ persist ____ over internet protocol ____ .
 ____ is ____ voice over internet protocol communications less ____ .
 I ____ an echo issue that ____ my voice ____ protocol communications ____ .
 ____ echo ____ is ____ hard for me ____ use my ____ .
 ____ is an ____ issue ____ my ____ over ____ protocol bad.
 Is ____ a reason ____ echo ____ call from ____ line?
 ____ are ____ you ____ VoIP ____ service.
 ____ difficult ____ communicate via VoIP ____ of ____ echo ____ .
 ____ a ____ echoes duringVoIP ____ .
 Why ____ are on a ____ ?
 ____ do ____ have echo ____ ?
 ____ are ____ made ____ voice over internet protocol call.
 ____ having an echo ____ is making ____ voice ____ protocol ____ difficult.
 ____ echo VoIP ____ ?
 ____ hard for ____ communicate ____ my ____ to an echo problem.
 ____ noises ____ I am ____ voice over ____ Protocol call.
 Why ____ that ____ experience ____ communication?
 ____ having an echo ____ making my voice over internet ____ .
 echo ____ call during myVoIP ____ .

Do _____ have any idea _____ use of _____ calling service?

_____ is the reason why _____ are _____?

_____ a _____ why _____ from _____ Voip line _____ have echo issues?

_____ using _____ calling service, there _____ echoes that _____ on _____.

Is _____ reason why _____ issues may _____ a call _____ a _____?

_____ my voice _____ internet protocol communication difficult.

_____ there _____ reason for echo _____ when _____ the Voip _____?

_____ know why _____ echoes with VoiP _____ service?

_____ echo issue _____ making my _____ (VoIP) _____ less optimal.

_____ an echo problem _____ voice _____ internet _____ communications less than smooth.

You should _____ are echoes _____ using the _____.

_____ weird noises that _____ on _____ voice _____ Internet Protocol call.

I'm _____ an _____ makes _____ over internet protocol _____ difficult.
