

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Difficulty changing gears in manual transmission
Inquiry Sub-Category	Linkage concerns
Description	Customer inquiries about difficulties in shifting gears caused by issues with the shift linkage, including worn-out bushings, misaligned or damaged shift cables, or loose or damaged shift levers.
Data Size	10,615 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

____ issues ____ the linkage ____ while ____ gears?
 When changing ____ issues ____ lead to ____?
 ____ a link ____ can cause difficulties ____ changes?
 When ____ could there be ____ with a ____?
 Changing ____ face obstacles ____ from ____.
 ____ the linkage trouble ____?
 Does ____ problem ____ from ____ in ____?
 Changing ____ difficult with ____ linkages.
 ____ linkage ____ affecting ____ changes?
 Are gear ____ to ____ issues?
 ____ the ____ issues making shifting ____?
 Are you facing ____ kind ____ problems ____ between ____ have improper ____?
 ____ it difficult ____ gears due to ____ connecting ____?
 When switch ____ can ____ with ____?
 ____ the gear-shift process pose difficulties ____?
 Is it possible struggles ____ gears ____ problems?
 Does a bad ____ the ____?
 When you switch gears, ____ issues with ____?
 ____ might ____ messing with ____ gears.
 ____ gear-changing ____ caused ____ the linkage?
 Are you facing problems ____ between different ____ due to ____?
 Is ____ link ____ to gear ____?
 ____ link is ____ changes.
 ____ malfunctioning of the ____ cause ____ shifting?
 Do gear ____ anything ____ do with ____ issues?
 Does ____ mechanism ____ when ____ gears?
 There is a ____ that may ____ trouble.
 ____ the linkage causes trouble while changing ____?

____ arise because ____ for ____ changes.
 ____ there ____ with ____ due ____ links?
 Potential linkage ____ may ____ blame ____ gear shifting ____.
 ____ could be messing ____ changes.
 Trouble shifting gears could be ____ linkage.
 When ____ can issues ____ cause ____?
 ____ switch ____ does ____ linking mechanism ____ problems?
 There ____ in ____ shifts influenced by linkages.
 Is it possible to ____ gear ____ issues?
 Bad ____ gear changes.
 Is ____ the ____ change?
 Linkage issues ____ be ____ for ____ gear ____ problems.
 ____ malfunctioning ____ the ____ cause ____ difficulties?
 Linkage ____ could ____ up the ____.
 ____ could affect ____ negatively.
 Is the gear-shifting ____ of ____?
 Is ____ a problem with the ____ that ____ difficulties ____?
 ____ linkage ____ problems ____ changing gears.
 Trouble shifting ____ to ____ like ____?
 Does ____ the linkage cause ____?
 ____ affect gearshift ____.
 There ____ be issues ____ gear ____ related ____ the ____.
 ____ linkages may ____ source ____ gear shifting trouble.
 ____ the ____ shifting ____ by ____ faulty linkage?
 ____ issues ____ making ____ harder ____ do.
 ____ problems, ____ shifting ____ there?
 ____ linkage ____ issues with ____ changes?
 ____ the ____ come from ____ linkages?
 Is it a ____ manually ____ due to a malfunction ____?
 There is a ____ affecting ____.
 It's ____ a ____ linkage is causing ____ when ____.
 ____ linking ____ difficulties ____ switch gears?
 Issues with linkage ____.
 ____ gears, ____ a ____ linkage be ____ problems?
 Is linkage trouble ____?
 ____ bad for gear ____?
 Link is not ____?
 Does ____ gear changing?
 Is ____ to ____ the gears ____ to the linkage ____?
 ____ process of gear shifting ____ of ____ linkage?
 ____ shifting ____ from the linkages?
 Would ____ problems be related ____?
 ____ could be ____ link problems.
 ____ gears, ____ with the linkage ____ problems?
 ____ link causes issues ____.
 ____ show an ____ with the ____?
 Are ____ problems ____ gear ____ issues?
 ____ malfunctioning ____ the ____ cause ____ shift?
 ____ with ____ changes ____ to ____ link malfunction.
 Problems with ____ may cause issues _____.

_____ affecting gearshift success?

Linkage issues _____ changing gears.

_____ the _____ causing difficulties _____ gear _____?

_____ problems _____ you shift _____ different gears _____ improper linkages?

gear changes _____ messed _____ due _____ Linkage issues.

Are _____ problems making _____ hard _____ _____?

_____ links _____ with gear- _____?

_____ gears with _____?

The linkage _____ shifting _____?

_____ faulty linkage responsible _____ gear _____?

_____ problematic to shift _____ because _____ the connection _____?

_____ shift _____ happen _____ faulty linkage _____?

_____ linkage _____ to shift my gear?

Does _____ gear-shifting process _____ because of _____?

Linkage _____ shifting _____ hard?

Problems _____ may be _____ blame for gear-changing _____.

Shift problems might be _____.

_____ issues can _____ trouble _____.

_____ trouble affecting gear _____?

_____ there _____ that cause _____ trouble?

_____ linkage might _____ the cause of gear-changing _____.

How _____ gearshift success?

Is the linkage _____ changes _____?

_____ are _____ problems that _____ trouble _____.

_____ changes with _____ components _____ problematic.

Is _____ causing gear _____?

_____ gear _____ to linkage issues?

_____ you switch _____ can _____ cause problems?

Difficulties _____ gears _____ caused by a _____ linkage.

There _____ problems _____ changes _____ a result of _____ malfunctioning.

_____ there a problem _____ linkage _____ the gear _____?

_____ about gear _____ linkage _____.

_____ a problematic _____ cause _____?

The _____ linkage, _____ changing _____?

Do you _____ when _____ between _____ with _____ linkages?

_____ linkage affecting my _____?

_____ is _____ linkage problem affecting _____?

Do _____ the linkage _____ shifting?

There _____ linkage _____ impact gearshift _____.

_____ linkage is _____ problems _____ gears.

_____ issues and _____ gears?

_____ there any _____ because _____ a faulty linkage?

_____ linkage issues _____ blame for gear _____?

The linkage _____ affecting _____.

_____ with the _____ difficulties _____ gears.

Linkage _____ difficulties shifting _____?

Does malfunctioning of the _____?

_____ it problematic _____ when there _____ issue with the connecting _____?

Is the gear _____ linkage _____?

Linkage problems _____ leading _____ problems.

_____ the _____ shifting issues related _____ ?

_____ gears _____ be related _____ problems.

_____ trouble _____ be caused by a bad _____ ?

_____ by _____ problems?

Linkages _____ hard?

Difficulty _____ with linkage?

_____ might _____ the fault _____ a _____ linkage.

_____ gear changing _____ caused by _____ linkage?

_____ could lead to gear _____ .

_____ arising _____ the _____ are _____ gears.

The _____ cause _____ in _____ changes.

Can issues _____ moving gears?

_____ issues related to _____ gear _____ ?

_____ it difficult to _____ malfunction in the linkage?

_____ can arise _____ faulty _____ for _____ .

There _____ problems _____ to faulty _____ for _____ .

_____ the linkage cause _____ when _____ ?

_____ with _____ can cause problems _____ .

Any _____ on gears _____ linkage _____ ?

Is _____ shifts _____ by linkage _____ ?

_____ changing _____ with linkage?

_____ with _____ might affect _____ .

_____ difficult _____ gears because of the _____ problems?

Do _____ connections hurt _____ ?

_____ the _____ affecting _____ adjustments?

_____ with linkage, _____ gears?

_____ is _____ with _____ gear change

Do _____ connections _____ gear _____ ?

_____ of _____ connections _____ gear changes?

_____ linkages make _____ problems?

Is _____ shift gears due to _____ problems _____ the _____ ?

Linkage _____ making _____ gear _____ ?

_____ could _____ from the linkage.

_____ faulty connections _____ gear _____ ?

Problems _____ changes _____ by the linkage.

_____ arise _____ linkage when _____ gears.

Linkage _____ can lead to _____ .

_____ come from _____ in the linkages?

The _____ be _____ problems _____ changing _____ .

Can _____ linkage _____ trouble _____ gears?

Issues _____ the _____ system _____ hard to shift _____ .

_____ be influenced by linkages?

_____ you _____ a faulty linkage is _____ shifting _____ ?

_____ the _____ change _____ something _____ do _____ linkage issues?

Difficulty _____ and linkage _____ .

_____ issues with linkage?

_____ issues with linkage _____ ?

Do _____ affect _____ in _____ ?

Changing _____ being affected by _____ ?

_____ gear shifting _____ linkage issues?

_____ can there be _____ with _____?

Struggles _____ gears _____ caused by _____

_____ may be influenced by _____.

_____ it _____ adjust gears due to malfunctioning _____?

Linkage problems _____ gears?

_____ there _____ setbacks during _____ due to poor linkages?

Are there _____ changes _____ linkage _____?

_____ gears can be _____ by _____ the linkage.

_____ might be _____ obstacles from _____.

_____ are difficulties in _____ changes when _____ is _____.

_____ links _____ like a _____ shifting.

Do _____ with the linkage _____ gear?

_____ trouble with linkage _____?

Do _____ connections _____ gear _____ more _____?

_____ possible _____ changing gears is _____ fault _____ a _____ part _____.

Problems _____ linkage _____ gears?

The fault of a _____ part _____ cause _____ in _____.

Is there _____ problem with _____?

_____ and gear shifting _____?

_____ doesn't work _____ changes

_____ an issue with the _____ causing _____ in _____?

Is _____ gears _____ issues with _____ connecting system?

The fault of _____ bad part _____ it _____ change _____.

_____ impacting shifting _____?

_____ it _____ to _____ to links?

Is _____ to _____ of gear-changing troubles?

Did faulty _____ gear _____?

There are _____ the connecting system that may _____ to _____.

_____ with gear change?

_____ might _____ making it _____ to shift _____.

There _____ linkage that affect gear _____.

_____ the Linkage causing _____ changing _____?

Is _____ gear _____ process _____ because _____ bad _____?

_____ glitch is _____ gear _____?

Is _____ of linkage issues that problems _____?

_____ problems _____ linkage cause gears _____?

_____ linkage affecting _____ shifts?

_____ the linkage _____ trouble _____?

_____ shifting problems be _____ to _____?

Did _____ know _____ shoddy _____ with _____?

There may _____ adjusting gears _____ the malfunction _____ linkage.

_____ problems _____ the linkage _____ gear _____?

_____ cause problems _____ you switch gears?

Linkage issues _____ affect _____.

Linkage troubles _____ gear _____?

Is _____ linkage _____ changes _____?

_____ linkage _____ problems when _____ gears?

Link is _____ functioning _____ during _____.

_____ the _____ changes difficult?

_____ changing _____ could there _____ a _____?

Struggles shifting _____ be _____ of linkage _____.

Is gear _____ to potential _____?

_____ a correlation _____ shift _____ flawed linkage components?

The linking mechanism can _____ some _____ you _____.

Linkup _____ difficulty _____ gears?

_____ issues are _____ shifting _____.

_____ problems, _____ shifting _____?

_____ the link _____ when switched _____?

Is _____ my _____ to change?

_____ the linkage cause gear-shifting _____?

_____ fail from _____ crummy linkage?

There _____ problems as _____ of _____ for _____ changes.

_____ the linkage causing _____ gears?

_____ can _____ problems when moving _____.

_____ a link _____ changes?

Does the _____ malfunctioning _____?

Do you _____ link _____ messing with _____?

Is linkage _____?

_____ change _____ connected to _____ issues?

_____ changing troubles _____ by _____ with the _____?

Have _____ from _____ linkage _____ changing _____?

_____ a _____ have an impact on _____?

_____ of _____ bad _____ linkage can make _____ gears _____.

_____ the linkage _____ gears?

_____ is _____ that affects gear change.

The _____ gear change?

_____ cause _____ when _____ gears.

When _____ could _____ be a _____?

link _____ it _____ to _____ gears

Is there _____ upon _____?

_____ shifting _____ could _____ related to _____.

_____ cause _____ if _____ switch gears?

Linkage problems _____ shift _____?

_____ linking _____ bad _____ switch gears?

_____ to _____ gears _____ to the malfunction of the _____?

_____ linkage _____ affecting _____?

_____ gears _____ Linkage issues

_____ difficulties in gear _____ because of problems _____ the _____.

_____ impacting gear shifting?

_____ changes are _____ by linkages?

_____ is not _____ right _____ gear _____?

_____ you _____ challenges when shifting between different _____ because _____?

Linkage problems _____ why _____ gears.

_____ shifting caused _____ of _____ linkage?

Problems _____ may cause _____ handling of gears.

Does _____ problematic _____ changes.

A _____ gear shifting action?

_____ you facing _____ when _____ shift _____ gears because _____ have _____ linkages?

You have _____ due _____?

Is linkage _____ making _____?

_____ faulty connections _____ impact _____ ?

Is linkage _____ gear _____ ?

Issues _____ when _____ gears _____ linkage.

_____ link make _____ to _____ gears.

_____ may _____ gear _____.

The _____ may be _____ shifting.

_____ problem with _____ gears?

_____ changes _____ components could be _____.

Linkage troubles _____ shift _____.

_____ gear shifting _____ be caused _____ ?

_____ there any link component _____ changes?

_____ gear-shifting process have difficulties _____ bad _____ ?

_____ linkage may be causing _____.

Can a _____ linkage cause _____ ?

Linkage _____ gearshift success.

When _____ switch gears _____ mechanisms cause any _____ ?

Are _____ with gear _____ due to _____ ?

_____ troubles _____ to gear shift _____.

Do bad connections _____ ?

Problems with the _____ difficulties in gear shifting.

_____ disrupting gear changes?

When _____ gears, are _____ problems _____ linkage?

Linkage _____ struggles _____ shift gears.

A _____ could be to _____ for _____ gears.

_____ trouble related to _____ in _____ ?

_____ troubled shifting gears?

_____ shifting _____ linkage issues?

Linkage _____ have _____ gear changes _____ wrong.

_____ is a _____ linkage _____ change.

gearshift success _____ affected _____ with _____.

_____ trouble shifting _____ to links.

Is _____ trouble with shifting _____ ?

_____ the linkage _____ gear shifting?

_____ gears, _____ issues _____ linkages _____ problems?

Is _____ linkage _____ shifts?

Linkage _____ difficulties?

Is there shifting _____ upon _____ ?

Is the _____ linkage causing the _____ shifting _____ ?

_____ in gear _____ associated _____ the _____.

Are _____ facing _____ gears _____ improper linkages?

_____ be _____ due to the linkage.

_____ connecting system might make _____ gears.

Is _____ shift _____ due to issues with the _____ ?

Problems _____ when changing gears.

Is _____ Linkage _____ making _____ gears _____ ?

_____ issues _____ linkages _____ problems when changing _____.

_____ link _____ with _____ Shifting action?

_____ fault _____ a bad _____ linkage _____ difficult _____ change gears.

_____ gears _____ be _____ linkage issues.

_____ facing _____ when _____ different gears because of _____ connections?

Links ____ can ____ trouble ____.

____ hampered gear ____?

Do ____ when ____ gears when there ____ improper linkages?

Is ____ problematic ____ to issues with ____ system?

____ right ____ gear changes?

Is a faulty ____ of ____ shift ____?

____ because ____ Linkage glitch?

____ gearshifts affected by ____?

____ there a ____ between ____ and ____ shifting problems?

Changing ____ is ____ obstacles ____ linkage.

____ shifting ____ caused ____ problems in ____?

Linkage ____ shift problems.

____ linkage ____ gear shift success.

____ shifts affected ____ trouble?

____ that affect ____ success.

____ problems ____ be linked ____ linkage ____.

Any ____ troubles ____ with gear ____?

Linkage ____ are ____ gear shift ____.

Linkage issues ____ lead ____ shift ____.

Is the issue ____?

____ link link trouble ____ with ____?

____ problems when ____ between gears because ____ improper linkages?

Linkage ____ gear ____?

A ____ linkage ____ causing ____ changing gears.

____ be ____ with ____ when ____ gears?

linkage ____ affect ____?

____ gears are ____ by ____ issues.

____ trouble affecting ____?

____ it ____ to have ____ adjusting ____ due ____ linkage?

____ gears may ____ difficult ____ faulty ____.

There ____ shifting-problems depending upon ____.

____ when ____ gears because ____ linkage ____.

Would ____ connections affect ____?

____ is not working well ____.

There ____ question ____ to ____ there ____ between ____ linkages and gear problems.

Difficulty ____ are ____ issues with ____?

____ have ____ with ____ linkage ____ changing gears?

Is ____ gear shifting ____ linkage?

Is gear ____ issues ____ to ____?

Does ____ lead ____ any ____ when ____ switch gears?

Do Linkage troubles lead ____?

____ the ____ with linkage ____ shifting?

____ problems, ____ issue?

____ trouble ____ shifts?

____ it possible that the ____ trouble ____ switched ____?

Change of ____ might ____ the ____ of ____ linkage.

____ by ____ when changing gears?

Correct? shoddy ____ shifting.

____ wonder ____ problematic ____ affects gear ____.

Linkage issues ____ with ____

_____ a _____ adjust gears due to the linkage _____?

Is struggles _____ to linkage _____?

Linkage problems _____?

_____ with _____ linkage affecting gear _____?

How about _____ shifting, _____?

When _____ switch gears _____ issues with _____ to _____?

Changing _____ arising _____ the linkage.

Is a _____ cause of _____ shifting _____.

Linkage _____ gear _____?

When changing gears can _____ issues _____?

_____ are making shifting _____.

_____ problems may _____ shifting _____ difficult.

_____ with _____ connecting system may make it _____.

Linkage components may _____ changes.

_____ a _____ with _____ gear changing?

_____ change difficulties _____ to _____ issues?

_____ gear _____ more _____ because of problems _____ the _____?

_____ gears, _____ there any problems _____ the linkage?

_____ it difficult to _____ when there are _____ the _____?

_____ difficulties _____ gears indicate an _____ the linkage?

How _____ gear _____ linkages?

Linkage _____ lead _____ gear _____ problems.

Problems with _____ be _____ blame _____ shifting difficulties.

_____ gears could _____ faulty _____ difficulties?

_____ the _____ cause shift _____?

Questions _____ the linkage _____.

Changing _____ are _____ issues?

Are _____ problems _____ to _____?

Linkage _____ shifting _____?

Does a _____ affect _____?

Changing gears can _____.

Is _____ linkage _____ my _____?

Does gear- _____ linkages?

Is the gear _____ linkage _____.

Is a _____ gear _____ issues?

_____ about gear shifting, _____?

Does _____ bother you _____ of _____ in _____?

_____ linkage _____ may _____ causing _____ trouble.

_____ affect a gear change?

_____ shifting _____ linkage trouble?

_____ arise _____ because of linkage _____?

Problems with _____ making _____ hard.

When _____ can issues _____ linkages _____ problems?

Linkage _____ affect gearshift _____.

Link _____ working _____ changes.

_____ gears _____ affected by _____ issues?

_____ it _____ to manually adjusting gears _____ to _____?

_____ linkage linked to gear _____?

_____ any link trouble messing _____.

There _____ with shifting _____ due _____ linkage.

Is it possible that _____ shift issues _____?

_____ problem seems to affect _____.

_____ link _____ making it hard _____ gears.

There's _____ link problems.

_____ linkage and difficulty _____?

Is there any _____ the linkage _____ difficulties in _____?

What Linkage _____ are _____ gears _____?

_____ shifting _____ linkage issues?

_____ the case when you shift _____ different _____ linkages?

_____ troubles could _____ gear _____.

_____ there _____ correlation _____ linkage issues _____ shifting problems?

Problems _____ gear _____ related to the _____ malfunction.

Linkage _____ gear trouble.

_____ the gear-shift _____ faulty linkage?

Have _____ linkage _____ gear change?

_____ a faulty linkage cause _____?

Is a faulty _____ to _____ issues.

_____ gears _____ be _____ linkage issues.

_____ are issues _____ linkage, how _____?

_____ mechanism _____ when switch gears?

The link problems _____ be _____ to shift _____.

Trouble _____ linkage _____ change?

Link _____ are making _____ shift _____

_____ difficulty changing _____?

_____ with _____ changing gears?

Problems _____ the linkage _____ difficulty _____ shifting.

_____ the linkage _____ cause _____?

Is _____ with _____ linkage causing gear changing _____?

Isn't it difficult _____ due _____?

_____ is _____ that changing _____ is the fault _____ a _____ link.

Does _____ linking _____ problems _____ switched _____?

Changing gears _____ face obstacles _____.

Does _____ linkage _____ to gear _____?

_____ system responsible for _____ handling _____ gears?

Issues with _____ affects _____?

_____ linkage _____ related _____ gear _____ difficulties?

faulty _____ can _____ changes

_____ the gear _____ difficulties because _____ bad linkage?

Shifting _____ being made _____ by _____.

_____ depending _____ linkage condition?

_____ issues make _____ difficult.

Have problems _____ caused trouble _____?

There _____ problems _____ linkage that _____ to difficulties _____ gear _____.

_____ messing _____ gear shifting.

_____ possible that _____ gear change?

Problems with _____ be _____ by _____ linkage.

_____ linkage _____ impacting gear changes.

The fault _____ bad part linkage _____ make _____.

_____ part _____ can make changing _____.

Is _____ issues _____ the _____ that _____ gear-changing troubles?

_____ issues _____ be _____ shifting _____ harder.
_____ the linkage cause _____?
_____ could _____ been _____ up by _____ issues
Do gear _____ _____ problematic _____?
_____ shifting gears, _____ _____ mechanism cause any _____?
Can _____ _____ be _____ _____ gear shifting issues?
Will _____ linkage cause _____ you _____?
_____ gear shifting _____ from _____ in _____?
Is _____ gear-shifting process problematic _____ a _____?
Linkage _____ can _____ to gear _____.
Is the _____ shifting _____ due _____ _____ linkage?
Does _____ _____ mechanism _____ things _____ when you switch _____?
_____ _____ problem _____ by problems _____ linkages?
_____ _____ shift _____ by linkage?
_____ trouble possible due _____ _____?
Linkage _____ may be _____ cause _____ _____ shift _____.
Is _____ _____ to _____ _____ to links?
Does the linking _____ _____ you switch _____?
Problems _____ _____ gear change?
_____ _____ obstacles associated _____ the linkage.
Does the linking _____ cause _____ _____ _____ gears?
_____ with _____ linkage _____ be caused while _____.
Are _____ difficulties when you shift _____ _____ gears _____ _____ are _____ linkages?
_____ a _____ linkage _____ for _____ shifting?
_____ it _____ _____ between different gears with _____ linkages?
Does gear-shifting problems _____ _____ _____ linkages?
Is _____ a problem _____ _____ to _____?
Linkage issues _____ _____ gears _____?
_____ that a _____ _____ gear change?
Is _____ changes _____ up by _____?
Will gear shifting _____ _____ _____ issues?
_____ fault _____ a _____ _____ might make it _____ to _____ gears.
_____ _____ cause problems _____ gear shifting.
_____ linkage _____ root _____ gear-changing troubles?
The _____ might _____ the cause of _____.
_____ the trouble with _____ _____ links _____?
_____ links can _____ _____ problems when _____ gears.
Struggles shifting _____ can _____ _____ by _____.
_____ issues, gear _____ _____?
_____ gear _____ problems be related to the _____ _____?
_____ faulty connections _____ _____ changed?
Changing _____ _____ cause problems _____ _____ linkage.
The _____ _____ to blame for _____ gear _____ problems.
_____ gears could be _____ _____ by _____.
Changing _____ are _____ disrupted _____ linkage _____.
Linkage _____ _____ shifting gears?
_____ may be difficulties in _____ shifting _____ to _____.
There _____ a question about _____ _____ a _____ faulty linkages and _____.
Does the linkage _____ _____ _____?
_____ the _____ _____ process have difficulties due to _____ _____?

_____ with shifting because of _____ ?

If _____ between different gears with improper _____ are _____ ?

There _____ issues _____ gear _____ because _____ the link.

_____ may cause problems _____ changing gears.

_____ possibly _____ by Linkage _____ ?

There may _____ adjusting gears due _____ malfunctioning _____.

There _____ be _____ gearshift _____.

_____ it _____ gears _____ result of link problems?

_____ with my gear shifting?

Is the _____ the _____ ?

Is the _____ causing _____ gears?

Problems with _____ linkage may _____ effect _____ gear _____.

_____ a _____ affecting _____ changes?

_____ gear _____ linked _____ possible _____ issues?

_____ between different _____ linkages, are you facing _____ ?

_____ Troubles shifting gears?

_____ with _____ should cause _____ gear shifting.

_____ the linking _____ bad _____ the _____ ?

Is _____ of _____ a _____ of _____ ?

_____ problem with linkage is _____.

Is the _____ shifting _____ of _____ linkage?

_____ linkage _____ gear-shifting process?

_____ shift trouble caused _____ in _____ ?

Does _____ cause _____ shifting?

Is _____ linkage _____ when _____ gears?

_____ a _____ affect gear _____ ?

_____ to be _____ shifting due _____ links.

_____ with shift _____ associated with _____ linkage components?

Shifting complicated _____ result _____ issue

Linkage troubles _____ blame for gear _____.

_____ with _____ effecting _____ change?

_____ linkage _____ cause the _____ trouble?

Do _____ shifting difficulties _____ problems?

Changing gears _____ problems _____ the _____.

_____ there _____ link that _____ to problems _____ gears?

_____ are _____ a result of the linkage.

_____ the _____ cause gear-shifting?

_____ problems seem to make _____ gears.

_____ gears can be difficult if _____ fixed.

Is _____ linkage cause of _____ ?

_____ making shifting gears hard _____.

Issues with _____ changing _____ ?

Linkage _____ might _____ with _____.

_____ a _____ linkage linked to _____ ?

Is _____ gear _____ issues _____ by a _____ ?

Is the gear _____ issues?

Is _____ Shifting-problems _____ upon _____ linkage _____ ?

Shift _____ could be _____ linkages.

_____ the _____ affecting the _____ ?

Is _____ linkage _____ of gear- _____ ?

_____ with _____ linkage that causes _____ when changing gears?

Is _____ linkage _____ shifting?

When switch _____ can _____ to trouble?

_____ may _____ affected _____ linkage problem.

Are the _____ caused _____ issues _____ the _____?

_____ a faulty linkage _____ issues?

Linkage issues _____ making _____!

_____ making shifting _____ harder to _____?

There are _____ with _____ and difficulties _____ gears.

Is _____ a faulty _____ that _____ gear _____?

Has the linkage _____ changing _____?

_____ any _____ the linkage while changing gears?

_____ the _____ gear change _____.

_____ problems _____ manually adjusting gears _____ to _____ the linkage?

There _____ when _____ due to _____ linkage.

_____ linkage lead to gear-shifting?

_____ affect _____ change?

There _____ gear changes due to _____.

_____ gear-changing troubles _____ with _____ linkage?

_____ it _____ to _____ adjusting gears due _____ linkage?

_____ linkage _____ changes cause _____?

_____ the linkage _____ shifting?

When changing gears _____ a faulty _____?

Linkage problems and _____?

_____ linkage problem _____ changes?

Is the _____ affected _____ connections?

_____ issues _____ the _____ when changing _____?

Might the _____ glitch _____ gear _____?

Is _____ linkage _____ gear changes?

_____ it _____ shifting due to _____ is a _____?

Problems _____ gears due to _____.

_____ gear _____ be _____ to the link.

_____ linking mechanism _____ cause _____ problems _____ gears.

_____ gear-changing _____ related _____ issues?

_____ the _____ change issues related _____?

Changing _____ impacted by _____ issues.

_____ gear change _____ linkage?

_____ may cause trouble changing _____.

_____ be a _____ gear trouble.

Does _____ gear-shift process _____ faulty linkage?

Are _____ shifting because _____ links?

_____ gear _____ cause problems.

There _____ gear shift problems.

_____ gear changes _____ be _____ by _____ link.

Did the issues _____ affect _____?

A _____ can cause problems _____ changing _____.

_____ are _____ caused by link malfunction.

Does gear _____ have _____ with _____ in _____?

There _____ a question _____ if _____ connection between _____ gearing problems.

The _____ problems _____ changing gears.

_____ there _____ trouble messing _____ gear _____ action?

Does the _____ changes?

Are _____ any _____ between different _____ because of improper _____?

Is _____ trouble _____?

_____ cause gear _____ problems.

_____ face _____ you shift _____ different _____ that have improper _____?

_____ the _____ that causes gear _____?

Does _____ cause _____ when _____ to _____ gear?

_____ shifting gears, _____ with linkages lead _____?

Is _____ trouble due _____ linkages?

Is the _____ problems _____ is _____ gears?

_____ the _____ cause _____ gear changes?

_____ can _____ changing gears.

Is _____ with _____ because of _____?

Will the _____ when _____ gears?

Is the _____ change problems _____?

_____ with linkage _____ gear _____ success.

_____ linkage _____ mess _____ shifting.

Do problems with _____ affect _____?

_____ problems come from _____ linkages?

There _____ that affect gearshift _____?

Is the _____ shift _____?

_____ Shoddy _____ messes with _____.

_____ shifting _____ linked problems?

There are _____ and _____.

Linkage _____ making _____ hard?

_____ you _____ during _____ due to poor linkages?

Shifting _____ may _____ made _____ by _____.

Are the gear-changing _____ related _____?

_____ or bad part _____ it hard to _____.

_____ problem _____ linkage _____ affecting _____ change.

The _____ can _____ when changing _____.

gearshift success _____ by _____?

There is a _____ to _____ link between faulty _____ and _____ problems.

Are _____ with _____ gear _____ troubles?

Is _____ shifts _____ from _____ crappy _____?

_____ be trouble changing _____ because _____ bad part _____.

Shifting _____ depending _____ condition?

Is _____ result of problems in _____?

_____ lead to gear changing?

There _____ linkage troubles _____ lead _____ gear _____ problems.

Is _____ malfunctioning linkage _____ gear _____ issues?

Do you _____ when you _____ different gears _____ of _____?

_____ issue caused by a _____ linkage?

Do issues with the linkage _____?

_____ messing with gear _____?

Linkage issues _____.

_____ linkageproblem _____ affecting gear _____.

Is _____ shifting _____ Linkage issues?

_____ to _____ gears _____ to malfunctioning connecting system?

Links _____ issues?

Struggles shifting _____ due _____ problems with _____.

Linkage _____ with _____?

_____ gear _____ problems have to _____ issues?

_____ linkage _____ gear change?

Is _____ linkage malfunctioning _____ gear _____?

Don't _____ shoddy linkage _____ with _____?

_____ be behind struggles _____ gears.

Do _____ changes _____ linkage _____?

Changing gears _____ obstacles _____ the _____

_____ the _____ process difficult _____ link?

_____ problems _____ the _____ cause _____ shifting _____?

_____ may be problems _____ a _____ changing gears.

Linkage issues _____ be making problems _____.

_____ link trouble messing _____?

What _____ problems with the _____ gears?

_____ the _____ problems when _____ gears?

_____ lead to _____ shift problems.

Is _____ to _____ of the _____ system issues?

_____ the _____ any _____ when switch gears?

Are the _____ issues?

_____ question as _____ a connection between _____ linkages and gear problems.

_____ issues _____ changes.

_____ are _____ shifting _____ due to _____.

Problems _____ and _____ changing _____.

_____ linkage _____ cause _____ to shift.

_____ facing problems _____ shifting between _____ gears _____ have improper _____?

Are there _____ with adjusting gears _____ linkage _____?

Is the gear _____ problems _____ the linkages?

_____ the _____ affecting shift _____?

_____ the gear shifting problem _____ faulty _____?

Is _____ faulty _____ gear _____ issues?

_____ a problem in _____ causes _____ shifting trouble?

_____ linkage might result in _____ in _____ shifting.

_____ of _____ linkage _____ gear shifting?

_____ the linkage causing _____ change?

_____ is _____ question _____ there _____ a connection between _____ and _____ problems.

There _____ with _____ gear changes.

It _____ possible that changing _____ of a _____ part _____.

Is gear- _____ related _____ in _____?

_____ any problems with _____ links?

Is it possible _____ have issues with _____?

_____ linkage glitch could _____ gear _____.

_____ problems _____ linkage _____ success?

_____ and _____ changing gears?

_____ problems _____ adjusting gears _____ to _____ linkage.

_____ does the _____ affect _____ changes?

Is the _____ gear changes?

_____ gear _____ related to _____ issues.

Problems _____ due _____ gear changes.

Is _____ adjust _____ manually due to malfunctioning _____?

Is _____ gear _____ affected _____ the _____?

_____ it hard to shift _____ to _____ connecting system _____?

_____ shifting gears _____ have _____ do _____ linkage _____.

_____ shift _____ caused _____ in linkages?

_____ Linkage _____ gear changes?

_____ with linkages _____ switch gears.

Some _____ hampered _____ linkages.

Linky affecting _____?

_____ gear _____ by linkage _____?

_____ can be difficult when broken _____.

_____ can cause problems when _____.

_____ not working _____ during _____?

A _____ could be to _____ for _____ shifting _____.

_____ may _____ by the linkages.

Does the _____ process _____ any _____ faulty linkage?

_____ linkage problem _____ shifting?

_____ are issues _____ changes _____ to the _____.

Are the problems _____ arise _____ the linkage _____?

_____ gear-shifting problem caused _____ linkages?

_____ the gear _____ related to _____ linkage _____?

_____ linkage _____ trouble when _____ gears?

Have _____ had setbacks _____ transitions _____ poor linkages?

What _____ do you _____ with _____ linkage _____ gears?

Does a bad _____ affect _____?

A faulty _____ might make _____ to _____.

Is the _____ cause gear _____?

Is it difficult to manually _____ gears _____ the _____?

_____ changes, _____ not working right?

_____ gear-shifting have _____ with _____ in _____?

_____ may _____ blame for _____ problems.

_____ gears _____ face _____ related _____ linkage.

Is _____ gear-changing problems?

links messing _____ shifting _____?

_____ the gear _____ difficulties _____ to _____?

Are changing gears _____ obstacles _____?

Is _____ process _____ due _____ linkage?

_____ linkage _____ be making it harder _____ gears.

Is the linkage _____ changes?

_____ be trouble _____ linkage affecting _____.

Linkage _____ gear shifts.

_____ issues _____ with changing _____?

_____ with _____ linkage _____ causing _____ when changing _____.

_____ shift changes _____ faulty linkage _____?

_____ issues are associated _____ problems that _____ changing _____.

Do _____ gears _____ issue _____ linkage?

_____ the _____ issues _____ gear changing?

Linkage _____ could _____ messed _____ gear _____.

Is _____ gear _____ difficulties related _____?

_____ resulting _____ gear _____ problems?

_____ right when _____ changes?

Are _____ issues with _____ linkage _____ gears?

_____ problems _____ the linkage _____ gears?

_____ the linkage _____ be the _____ of _____ troubles?

Is gear-shifting _____ by _____?

_____ a linkage _____ affecting gear _____?

_____ there a _____ causing difficulties _____?

_____ gears _____ be _____ by linkage _____.

Did malfunctioning of _____ shifting?

_____ gears can be _____ broken _____.

_____ of the _____ cause gear _____?

_____ linkage _____ shift?

Hmm, _____ linkage _____ with _____?

_____ be _____ by linkages?

_____ difficulties _____ to _____ shift _____?

Is gear _____ trouble?

_____ issues _____ gear-shifting action?

_____ there problems when _____ to malfunctioning _____?

Linkage _____ affect gear _____?

_____ the _____ shift affected by _____?

_____ it difficult to _____ adjust gears due _____ the _____?

_____ linkage _____ could _____ the _____.

_____ changing _____ coming from _____ with the _____?

_____ the gear shifting _____ difficult _____ faulty _____?

Is _____ gear _____ affected _____ a _____?

Changing gears _____ have _____ issues _____.

_____ linkage might cause _____ it _____.

_____ problems _____ adjusting gears _____ to _____ linkage?

Is there trouble shifting _____?

_____ Linkage troubles _____ to _____ shift _____?

_____ with shifting due _____?

_____ arise _____ the _____ when _____ gears.

_____ there a problem _____ impacting _____?

_____ there _____ trouble that _____ affecting _____?

_____ what _____ gear shifting?

_____ troubles could _____ to _____ issues.

_____ linkage problem _____ be _____ changes.

_____ can be _____ with the _____ changing _____.

_____ is malfunctioning _____ change.

_____ arise while _____ gears, are they due _____?

_____ problems _____ caused by the _____.

_____ link causing issues _____ changes?

Difficulties changing gears are _____ of _____ issue _____.

_____ setbacks during gear transitions _____ to _____ linkages?

Link problems _____ likely _____ trouble _____.

_____ gears facing _____ the linkage

Is _____ to shift _____ because of the _____?

_____ be caused by issues with _____ while _____.

_____ linkage in changing gears?

_____ trouble _____ gear _____ action?

Is there _____ due to _____?

_____ problems with gear _____ related to the _____.

_____ potential _____ issues be _____ blame for _____ problems?

_____ malfunctioning _____ the _____ lead _____ gear _____?

The _____ problem _____ affect _____ gear _____.

_____ gears could be a consequence _____.

_____ be problems in _____ to the link.

Does _____ the _____ to _____ shifting problems?

_____ a bad _____ affect _____?

_____ may affect _____ success.

_____ hard to _____ gears because _____ system issues?

Changing _____ are _____ associated with _____.

_____ connections affect _____ shifts?

_____ the _____ process pose _____ because of _____?

Linkages making _____?

Does anyone have problems _____ the _____?

_____ with _____ linkage can cause _____ when _____.

Changing _____ obstacles arise from _____

_____ shift _____ linked _____ linkages?

When _____ gears, _____ with linkages _____ to _____?

_____ issues _____ shifting gear _____.

The linkage problem _____.

_____ shift changes be _____ with _____ linkage _____?

Problems _____ connecting _____ may _____ it hard _____ shift _____.

Problems _____ linkage can _____ caused when _____.

_____ link causing _____ difficulties?

_____ facing _____ when shifting _____ different gears because _____ links?

Is _____ that affects _____ shifts?

It's _____ that _____ making _____ gears _____.

_____ issues _____ to be hard.

Difficulty _____ gears, _____ it _____ to _____?

_____ are _____ impede _____ changes.

_____ linkage behind _____ changing _____?

Is _____ linkage involved _____ shifting _____?

_____ is possible _____ changing gears is _____ bad linkage.

Is the _____ gear _____?

gear _____ affected _____ trouble.

_____ changes _____ negatively _____ by faulty connections?

Problems _____ the _____ when _____ gears?

Does malfunctioning _____ the _____?

Problems with linkage can _____ gears.

Does _____ link cause _____ gears?

A linkage _____ be _____ gear _____.

Linkage _____ hurting _____?

Will changing _____ an _____ the _____?

Could the _____ be _____?

Can _____ connections impact _____?

_____ the linkage _____ changing gears.

Is _____ problematic with _____?

Is _____ trouble _____?

Problems with _____ possible _____ cause difficulties _____ gear _____.

Is _____ my gear _____?

_____ shifting _____ occur _____ of _____ linkage?

The _____ have _____ issue with _____.

Do _____ shift changes have _____ with _____ components?

Is _____ problems with _____ cause _____ in _____ shifting?

Linkage _____ be _____ cause of _____ changing gears.

_____ possible _____ a _____ linkage is _____ it difficult _____ gears.

Is _____ linkage cause of _____?

Trouble with linkage _____?

_____ gear _____ related to _____ issues?

_____ might _____ messed up _____ changing.

Is the _____ the gear _____?

Is it _____ that _____ problems _____ due _____ linkage _____?

A _____ might be making it _____ gears.

_____ with the linkage _____ be _____ cause of _____.

Link _____ gear change.

Is _____ linkage when changing _____?

_____ there a _____ problems _____ changing _____?

Problems _____ the _____ cause problems with _____.

_____ linkages _____ shift _____?

Is there _____ with the _____ gear shifting _____?

_____ is _____ link problems.

_____ Linkage troubles _____ shift problems?

Does _____ linkage _____ gears?

_____ a _____ the _____ of the _____ shifting issues?

Linkage _____ cause gear _____.

Are _____ when shifting _____ different gears _____ of _____ linkages?

Does _____ linking mechanism _____ when _____ gears?

_____ there _____ issue _____ linkage _____ success?

_____ there's trouble with shifting because _____.

Is gear shifting _____ of _____?

_____ linkage may cause _____ gears.

_____ trouble with shifting _____ to _____?

_____ link _____ making it hard to _____ gears.

Is _____ in the linkage _____ shifting issues?

Is link _____ it harder _____?

Does _____ the _____ gear shifting?

Problems _____ from _____ are _____ gears.

_____ the _____ gear shifting.

Link _____ make it _____ to _____.

Link problems could _____ blame _____ the _____.

Change of _____ because _____ a _____ part link.

faulty _____ gear _____ is the _____.

_____ there _____ link _____ messing with _____ action?

Is it difficult to _____ to faulty _____?

_____ malfunctioning linkage _____ shifting issues?

It is _____ that _____ it hard to _____ gears.

_____ there an _____ gear _____ because of _____ link?

Are difficulties when _____ indicative _____ the issue _____?

_____ problems with gear changes.

_____ problem with _____ linkage while changing _____?

_____ are _____ which affect _____ success.

Is a faulty _____ the cause _____?

Is _____ of linkage related _____?

_____ the _____ cause _____ troubles?

_____ a _____ linkage _____ making it difficult to _____?

There may _____ shift changes _____ faulty linkage _____.

_____ linkage causing _____ in changing _____?

_____ be _____ linkage while changing gears?

A _____ might _____ it hard _____ change gears.

_____ it _____ that issues _____ linkage affect _____?

_____ with linkages _____ problems with _____ gears.

_____ with the _____ may _____ with _____ gears.

Linkage _____ with the _____.

Does _____ problematic linkage _____?

_____ shifts _____ by _____ issues?

Is _____ having _____ due to poor linkages?

_____ problems _____ adjusting gears due to malfunctioning _____?

_____ a link _____ to be hard?

Does the _____ any _____ when you _____?

When _____ between different _____ have _____ you facing problems?

_____ cause problems when _____ gears?

Linkage _____ gears hard?

_____ faulty _____ gear changes?

Is _____ a _____ depending _____ linkage condition?

Trouble _____ problems?

Is gear-shifting trouble _____ problems _____?

Is shift change _____ linkage _____?

_____ gear _____ process difficult _____ of faulty _____?

_____ connections could affect _____.

_____ changes with linkage components.

Is potential _____ issues the reason _____ the _____?

_____ is _____ problem _____ the _____ while changing _____?

Linkage _____ gears hard.

Shift _____ can _____ Linkage issues.

_____ may be _____ Linkage Issues.

Are _____ when changing gears _____ of _____?

_____ in gear _____ by linkages?

Are linkage _____ related _____ problems?

_____ can _____ with broken linkages.

_____ faulty connections affect _____ changes _____ negative _____?

Is _____ affecting _____?

What's _____ on _____ affecting _____ change?

Does _____ because of gear _____?

_____ changing _____ are _____ difficulties indicative _____ with the linkage?

_____ linkage problem _____ shifts?

_____ may make _____ hard _____ shift _____.

_____ think sloppy _____ with shifting?

Is _____ gear _____ problems?

Issues _____ gears?

_____ gear change?

Linkage _____ could lead to _____?

Do linkage _____ affect _____?

_____ issues? Difficulties _____?

Would a _____ gear _____?

There is _____ affecting _____ change

_____ there _____ to linkages?

_____ may show _____ issue with _____.

There is _____ chance _____ changing _____ the fault _____ a _____ part _____.

_____ problems _____ the linkage cause _____ shifting?

_____ linkages _____ shift problems?

Linkages can _____ when _____.

_____ difficult to adjust gears due _____ malfunction _____?

_____ issues in gear _____ are influenced _____ linkages?

_____ linkage _____ trouble shifting _____?

The linking _____ cause _____ issues _____ you switch _____.

_____ the linkage _____ when changed _____?

_____ there a linked _____?

There are _____ due to _____ gear _____.

_____ there _____ messing _____ gear-shifting action?

Do _____ shifting _____ occur _____ of _____ with the _____?
