

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Security and Alarm Companies
Inquiry Category	Alarm system installation process
Inquiry Sub-Category	Pricing inquiries
Description	Customers request information about the cost of alarm system installation including equipment, installation fee, and any additional charges.
Data Size	5,040 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Security and Alarm Company" customer inquiry. (Purchased data will not be masked.)

____ there different ____ available based on budget ____ related ____ towards ____ ____ ?

____ they ____ different budgets ____ alarm ____ installation?

Is ____ an ____ package that focuses on ____ budgets ____ ____ ?

____ constraints, can you ____ us ____ for ____ system ____.

There ____ Alarm ____ Installations based ____ budget constraints

____ it ____ to find various ____ within ____ budget?

Can you ____ me ____ are ____ an alarm system?

____ are packages that ____ when installing ____ alarm ____.

There ____ different packages ____ Alarm ____ on budget ____.

____ systems ____ different ____ based on budget ____?

____ a ____ of different packages ____ Systems Installations, is this based ____ ____ ?

____ it possible ____ install ____ an alternative ____ considers financial restrictions?

Is there ____ availability ____ cost-friendly alarm system ____ choices?

____ for different budgets in the case ____ installations?

How does one's ____ impact ____ alarm ____?

____ budget-conscious options for alarm ____?

____ the ____ of ____ installations, are ____ packages ____ differing budgets?

Do you ____ cost-effective ____ are ____ geared towards ____ Systems ____?

____ there ____ for ____ systems?

Budget limitations ____ alarm system packages.

Depending ____ constraints associated ____ installations, ____ are ____ different packages available.

Considering ____ for ____ are ____ installation choices ____?

The ____ available ____ constraints for SystemsAlarm Installations.

____ budget constraints, ____ you able ____ provide options ____ installations?

____ alarm ____ different ____ according to budget ____?

Is ____ for an ____ with budget limitations?

____ budget limitations ____ alarm ____ packages?
