

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Appliance Manufacturers
Inquiry Category	Product performance and efficiency questions
Inquiry Sub-Category	Energy Usage
Description	Customers inquire about how much energy our appliances consume and if they meet energy efficiency standards.
Data Size	6,303 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Appliance Manufacturer" customer inquiry. (Purchased data will not be masked.)

____ much energy ____ your refrigerator ____ ____ ____ ?
____ is the Fridge ____ ____ ____ ?
Any ____ what the ____ energy ____ of ____ ____ is?
____ ____ possible ____ give me information about the ____ ____ ____ ____ of ____ fridges?
____ want ____ know ____ much ____ ____ ____ by the fridge.
Energy ____ ____ a ____ ?
On average, ____ the ____ ____ ____ your ____ ?
____ is ____ typical use ____ ____ electricity?
____ ____ do ____ think ____ fridge uses in ____ ?
____ much ____ ____ ____ by your fridge?
____ power ____ ____ fridge?
____ you know ____ standard power ____ ____ ____ ?
____ ____ energy ____ ____ by the average ____ ?
Do you have ____ estimate for ____ ____ ____ fridge?
____ me know ____ ____ electricity the ____ ____ .
____ ____ energy ____ your refrigerator ____ ?
Can you ____ ____ the usage of ____ ____ ____ your ____ ?
____ interested ____ the energy ____ of ____ ____ .
What power ____ ____ ____ take ____ ?
Would ____ to know how ____ power ____ ____ by ____ .
____ you tell me the average ____ ____ ____ refrigerators?
How ____ ____ ____ ____ for ____ fridge normally?
How ____ energy ____ ____ ____ use?
Let ____ ____ about ____ ____ expenditure of fridges.
What ____ ____ ____ energy ____ of a ____ ?
____ ____ ____ day, ____ much ____ is used in a ____ ?
What is ____ average ____ ____ ____ fridge?
Do ____ know ____ ____ power ____ of ____ fridge?
____ is the ____ energy use ____ ____ ____ ?
____ ____ ____ average fridge ____ use ____ like?

What ____ of ____ your ____ need?
 What's the ____ electricity use ____?
 ____ is the amount ____ used by your ____?
 What ____ the ____ consumption ____ your ____?
 I ____ know how much ____ by the ____.
 ____ energy ____ by your refrigerator?
 Wondering ____ power the ____?
 Do ____ an ____ of fridge ____?
 ____ much ____ your ____ units use.
 Can ____ tell ____ much ____ the ____ uses?
 How ____ energy does ____?
 ____ curious ____ know how ____ consume.
 Do ____ know ____ average energy expenditure ____ is?
 ____ refrigerator units use ____ power.
 ____ is your ____ energy ____?
 What's ____ power ____ of the ____?
 Can you tell the ____ consumption ____?
 Energy used ____ average ____?
 Is ____ give me ____ the ____ use of my ____?
 ____ know how much power ____ fridge uses?
 Would like to ____ the ____.
 ____ tell ____ the ____ energy consumption of ____.
 Any ____ the average ____ of a ____ is?
 ____ you have ____ for the fridge ____?
 ____ is ____ use ____ fridge's energy?
 Please ____ the energy use ____.
 ____ you ____ an average ____ for your ____?
 how much ____ fridge ____
 Is there ____ the average ____ of ____ fridge?
 ____ energy ____ of your refrigerator?
 Do you ____ average ____ on ____?
 What ____ energy ____ fridge utilize?
 What ____ refrigerator's typical ____?
 What ____ electricity consumption ____ refrigerator?
 What amount ____ use for?
 Do you know ____ of ____ needs?
 How ____ power does ____?
 ____ regular power ____ of fridges?
 ____ the ____ in a fridge?
 Would ____ know how much ____.
 ____ you ____ energy used by my refrigerator?
 ____ amount of energy ____ the ____.
 ____ average ____ of your ____?
 Average ____ energy ____.
 Do you ____ the ____ of ____?
 ____ know the ____ power ____ of ____?
 ____ Energy used ____ average ____?
 ____ used ____ refrigerator
 ____ tell me ____ the ____ requires.
 ____ typical energy ____ your fridge?

_____ average refrigerator's _____ use?
 _____ us _____ the energy consumption _____ of your _____.
 An average _____ how much _____.
 _____ average power _____ fridge is _____?
 _____ to _____ how _____ power your fridge _____.
 What's _____ usual _____ for _____ fridge?
 Did _____ know _____ power _____ requires?
 Is there _____ information _____ the energy use _____?
 What's _____ of your fridge?
 Tell me _____ electricity _____ needed _____ fridge
 The _____ of _____ by _____ units?
 _____ average _____ of _____ fridge.
 Are _____ usage _____ fridge normal?
 Can _____ us how _____ energy _____ used _____ refrigerator?
 Can _____ tell _____ average _____ of your fridges?
 _____ you _____ energy your _____ consumes on an _____ day?
 Inform _____ of the _____ your refrigerator units.
 _____ much energy _____ is _____?
 _____ you _____ the average _____ your fridges?
 Let _____ know the average _____ your _____.
 _____ the refrigerator?
 _____ you have information _____ the _____ use _____ fridge?
 On an average _____ much _____ refrigerators use?
 What's _____ typical _____ use of _____?
 _____ amount of _____ used by _____.
 _____ know the _____ usage of _____?
 _____ know _____ average energy _____ of a _____.
 Do you _____ fridges use _____?
 What _____ you use on _____?
 Let us _____ the average _____ the refrigerator _____.
 So _____ the _____ consumption _____ fridges?
 Do _____ average _____ use for _____?
 _____ is _____ typical _____ consumption _____ your _____.
 _____ the _____ use of _____ refrigerator?
 What _____ of energy is _____ fridge _____?
 What's _____ average _____ of _____ a _____?
 _____ the average power usage _____ your _____ units.
 _____ average _____ consumption rate of your _____.
 What's the normal _____ use _____?
 Please _____ me about _____ energy _____ fridge.
 _____ is _____ consumption _____ a typical fridge?
 Are _____ able to _____ me _____ of my fridge?
 _____ energy _____ of _____ fridge
 _____ is _____ typical _____ electricity use?
 _____ electricity _____ fridges?
 _____ your fridge's _____ usage?
 Did _____ energy use _____ your refrigerator?
 _____ the _____ expenditure of fridges?
 How _____ power _____ used _____ fridge?
 _____ specify _____ usage _____ your refrigerator units.

_____ much _____ do _____ use _____ fridge?

How _____ power _____ _____ fridge on average?

_____ is _____ use _____ energy in _____ average _____?

_____ use?

How _____ your fridges _____?

Energy _____ by _____ refrigerator?

Please _____ average energy consumption _____ your fridges.

Tell _____ electricity the _____ requires.

_____ your refrigerator's typical _____?

_____ me the _____ power _____ your fridge units.

What _____ amount _____ energy _____ your refrigerator units?

Your _____ use?

_____ in learning how _____ use?

What _____ energy used _____ refrigerator _____?

Interested in knowing _____ use?

On _____ much power _____ Fridges _____?

How much energy _____ consumed _____?

_____ power usage?

Tell _____ how much _____ it takes _____ run _____.

_____ do you _____ fridge consumes?

How _____ use?

_____ average _____ Fridge power _____?

Tell _____ about _____ typical _____ for _____ fridges.

_____ tell me _____ power consumption of _____?

_____ power _____ refrigerator consuming?

_____ is _____ electricity use?

_____ the usual energy usage _____?

Can you tell _____ average _____ your fridge.

_____ about _____ energy _____?

_____ the _____ usage _____ the fridge.

_____ power _____ on your _____ is something _____ should _____.

_____ much power is used _____?

Can _____ average _____ the energy _____ by _____ fridge?

_____ the _____ used _____ your refrigerator?

_____ your _____ energy consumption is?

_____ power _____ is consuming?

_____ know how much _____ refrigerator uses.

_____ energy _____ does _____ fridge use?

What does _____ fridge electricity _____?

_____ you _____ the _____ consumption rate _____ your _____?

Was the _____ power _____?

How much _____ fridge _____ up?

What _____ by your _____?

_____ much _____ used _____ your _____ units?

How _____ electricity does _____ an average day?

_____ refrigerator uses an _____ how much energy _____.

Do _____ know _____ the standard _____ a _____ is?

What _____ average energy _____ of _____?

_____ am looking _____ an _____ on the _____ fridge _____.

_____ the _____ of _____ your refrigerator _____.

_____ energy consumption _____ the _____?
 Do _____ have a idea _____ the _____ draw?
 Do you _____ average _____ usage?
 _____ do your _____ units use?
 _____ amount _____ energy _____ the fridge?
 On an average, _____ of _____ fridge?
 _____ the energy _____ of _____ fridge?
 _____ like to _____ how much _____ needed by the _____.
 On average, _____ your _____ use?
 _____ is _____ the _____ refrigerator.
 _____ much _____ the fridge _____ use?
 _____ would like to _____ average _____ usage _____ your _____.
 How much energy _____
 Average _____ used _____ your _____.
 _____ know the power _____ fridges?
 _____ electricity _____ a refrigerator _____ on a daily _____?
 _____ about your _____ energy _____.
 _____ have an _____ for _____ energy _____?
 _____ you _____ the _____ energy _____?
 The _____ consumes energy _____.
 _____ energy _____ by _____ refrigerator?
 What is _____ energy _____?
 _____ does the _____ consume?
 Please _____ average _____ consumption _____ your fridge.
 Tell _____ usage of _____ refrigerator units.
 On a _____ basis, how much _____ refrigerator _____?
 Do you _____ the power _____?
 Avg _____ energy _____?
 On _____ daily basis, _____ much _____ refrigerator consume?
 Do _____ know the _____ use of _____ the _____?
 The _____ use _____ fridge.
 Provide us _____ average power usage _____ your _____.
 Let _____ electricity _____ used by the fridge.
 _____ is the _____ use _____ electricity _____ fridge?
 _____ the _____ energy utilized by your _____ units?
 _____ you tell me how _____ refrigerator _____ average?
 Energy _____ of a _____ what _____?
 _____ idea on _____ the _____ draws?
 _____ the average _____ by the _____ units.
 Is _____ to _____ the average energy _____ your _____?
 _____ the _____ energy consumption _____ for your _____.
 _____ is used by _____ average _____?
 What _____ the _____ consumption of _____?
 _____ do _____ think _____ use of your _____ is?
 Is the average _____ your _____?
 _____ fridge's average _____?
 _____ power _____ we use _____ fridge?
 Tell me _____ much _____ fridge _____.
 Do _____ the mean _____ when _____ refrigeration?
 Can you _____ us _____ energy consumption _____ your _____?

_____ energy use _____ your fridge?

How much _____ you using _____?

Is refrigerator _____?

The average power _____.

_____ me how _____ is _____ on _____.

_____ power do your _____?

Please tell us the _____ usage _____ your _____.

How _____ does your _____?

Any _____ the _____ fridge energy draw _____?

How much _____ refrigerator _____.

_____ much power _____ consuming?

We're _____ in the _____ of _____.

_____ amount of energy used _____ a _____?

_____ energy does _____ units consume?

_____ much energy does _____ refrigerator _____?

_____ the _____ of your refrigerator?

_____ does this fridge take _____?

What average _____ your _____ use?

_____ your _____ use?

What _____ the _____ consumption of _____?

_____ you have an _____ on the _____ per refrigerator?

_____ by average refrigerator?

What _____ average power _____ fridges?

_____ the energy _____ by _____ fridges.

Do _____ know _____ the energy _____ by _____ fridge _____?

_____ much _____ by average Refrigerator?

_____ tell me the average _____ fridge?

Can _____ me the average _____ consumed _____ fridge?

I want _____ much electricity _____ by fridges.

_____ the amount of energy used _____ units?

_____ wondering _____ power fridges consume?

_____ know _____ much _____ fridges consume?

_____ much energy _____ used _____?

_____ is _____ average _____ draw?

_____ tell _____ average _____ consumption of the refrigerators?

_____ much energy _____ draws?

Tell _____ about _____ use.

_____ much does your _____?

What _____ the _____ of power _____ the _____?

_____ state _____ energy _____ of _____ fridge.

Information is _____ regarding _____ energy requirements _____ your _____.

_____ idea how _____ energy _____ draws?

_____ any _____ you can provide about _____ use _____ fridge?

Tell _____ how much _____ refrigerators _____.

What _____ energy _____ on your _____?

Discuss _____ usage.

_____ average _____ the fridge.

_____ about _____ energy _____ the fridge?

_____ you tell _____ your fridge requires?

_____ is the _____ a fridge?

____ idea ____ average energy ____ the fridge?
 Do you ____ the energy ____ fridge?
 ____ much power ____ the fridge ____ average?
 What is ____ energy ____?
 How ____ energy ____ a ____?
 ____ power is ____ in your ____?
 ____ much power ____ for the ____
 What's the average ____ of ____?
 ____ fridge's energy ____?
 Do you ____ spent on refrigerators?
 ____ much ____ a fridge?
 Can ____ an ____ energy consumed by your ____?
 What ____ fridge's ____ usage?
 Average ____ by ____ fridge ____?
 ____ much power do your ____ on ____ day?
 Please specify the ____ by ____ refrigerator ____.
 What ____ power does ____ consume?
 ____ use energy.
 ____ me ____ how ____ a ____ uses.
 ____ are ____ the typical energy requirements ____ your ____.
 ____ is ____ average electricity ____ refrigerators?
 What's the ____ use ____ electricity ____?
 What ____ the typical ____ of ____ refrigerator units?
 Would ____ know how ____ power ____.
 What ____ typical use ____ for ____ fridge?
 ____ energy ____ a typical fridge?
 ____ energy ____ by ____ is...?
 ____ you tell me how ____ power ____?
 ____ is the ____ Fridge ____?
 ____ the amount ____ energy ____ by ____ units?
 How ____ by your fridge?
 ____ an idea of the ____ for your refrigerator?
 ____ much ____ is consumed by ____ fridge ____?
 Tell ____ the ____ use.
 ____ average ____ of your ____ unknown.
 ____ average ____ usage for a ____?
 What's ____ typical electricity ____ fridge?
 Is ____ your refrigerator average?
 Tell me how much ____ fridge.
 Are ____ power usage ____ the ____ average?
 Average energy ____ by ____
 Is ____ of a fridge ____?
 ____ of ____ for ____ fridge?
 Please ____ the ____ usage of ____ fridge units.
 I ____ to ____ the ____ of fridges.
 ____ have ____ average energy use ____ your ____?
 Please ____ average power usage ____ my ____ units.
 How ____ used ____ fridge?
 Do ____ the typical ____ expenditure ____ a ____?
 Please tell ____ the rate ____ in ____ fridge.

_____ energy _____ your refrigerator?
 Do you _____ idea of _____ the _____ uses?
 How _____ energy _____ an _____ use?
 _____ average _____ uses some _____.
 _____ an average basis, how _____ electricity _____ use?
 I _____ know how _____ fridge needs.
 _____ tell us _____ energy _____ rate _____ refrigerators.
 Do _____ know how much energy _____ average?
 _____ me the _____ refrigerators.
 _____ much energy do _____?
 _____ does the fridge typically _____?
 _____ regarding the _____ energy requirements for your _____.
 Which _____ by _____ average refrigerator?
 _____ the energy use of _____ you _____?
 _____ fridge's _____ electricity use?
 _____ you _____ power use _____ the fridge?
 _____ tell me about _____ usage for _____ units.
 Your _____ an average of _____ it uses.
 The _____ energy _____ of _____ refrigerators.
 _____ to know _____ much energy the _____.
 _____ tell _____ the energy consumption _____ our _____.
 _____ normal _____ electricity use?
 Please tell _____ average energy use rate _____.
 _____ would like to _____ information _____ use of _____ fridge.
 Do _____ what the _____ electricity consumption _____ is?
 _____ the _____ amount _____ by your refrigerator?
 Have you _____ use?
 _____ you know what _____ is?
 _____ power does _____ take up?
 _____ want to know how _____ fridge _____.
 _____ is _____ amount _____ you consume _____ your refrigerator?
 _____ the _____ use of _____ refrigerator _____?
 How _____ power _____ your _____?
 Do you _____ how _____ fridge uses each _____?
 _____ your _____ use _____ an _____ day?
 _____ does your refrigerator consume _____?
 What's _____ fridge's _____ consumption?
 I want _____ average _____ usage of _____ fridge.
 What _____ average amount of _____ your refrigerator _____?
 _____ to know _____ much power _____ used _____ the _____.
 Can you _____ energy consumption _____ your _____?
 Do _____ the _____ usage for _____?
 _____ curious _____ average energy usage _____ fridge.
 _____ want _____ know _____ energy you need for _____.
 _____ energy consumption _____ your fridge?
 _____ an average _____ electricity does a _____ use.
 How _____ by _____ refrigerator?
 Do you _____ the estimated energy _____?
 _____ me how much power _____ fridge _____?
 _____ average refrigerator _____ energy?

On _____ is _____ use of _____ fridge?
_____ usage of _____ power?
How _____ your fridge _____ in _____?
_____ willing to give _____ about _____ energy _____ your fridge?
What _____ does _____ consume on average?
_____ is the _____ use _____ electricity _____?
_____ the energy use of one _____ fridges?
What is _____ energy your _____?
_____ is _____ by an _____ fridge?
How _____ do you use _____ energy _____?
Do _____ the _____ usage of _____?
Can _____ me _____ energy my refrigerator _____?
_____ much _____ a _____ consume?
Can you tell _____ energy _____ consumes _____ average?
_____ tell _____ how _____ your fridge uses?
Do you _____ idea _____ how much _____ your _____?
We want _____ know _____ average energy _____.
What _____ average amount _____ the fridge _____?
_____ you _____ average _____ usage in _____ refrigerator?
How _____ energy is _____ your _____?
_____ you tell _____ the amount _____ by my _____?
_____ is _____ Avg _____ usage?
_____ mean power requirement for _____ refrigerator?
Tell _____ about the _____ of _____.
_____ you know _____ your fridge's typical _____?
_____ amount of _____ used _____ refrigerator _____?
_____ much _____ refrigerator's energy _____?
_____ amount of _____ this fridge _____?
_____ energy do _____ units use?
_____ you reckon the _____ usage _____?
We are interested _____ the average _____ fridges.
_____ you give _____ information about _____ energy _____ my fridge?
Can _____ us the energy _____ the _____?
What _____ amount _____ electricity _____ by fridges?
_____ tell me _____ usage of _____ fridges.
Do _____ know _____ standard power usage _____ is?
How much _____ energy does _____?
_____ the average _____ power for _____ fridge?
Wondering about how much _____?
Please _____ the _____ consumption rate _____ your fridges.
What _____ on a fridge?
Can you tell the _____ consumption _____?
_____ how much _____ consumed by the fridges.
What _____ the amount _____ by _____?
_____ know _____ your _____ average energy use _____?
_____ the _____ usage for a _____?
Please _____ us _____ for your refrigerator.
_____ much _____ is spent _____ your _____ average?
Would _____ to _____ much electricity _____ consumed by _____
Please tell _____ use _____ my fridge?

_____ you _____ much _____ fridge consumes on average?

How _____ is utilized by _____?

What _____ the _____ electricity _____ fridge?

_____ do you use _____ fridge?

What _____ the _____ of _____ power?

Please let _____ consumption _____ of your fridge.

_____ have _____ estimate _____ the daily _____ electric use _____ fridge?

_____ have _____ average energy _____ rate for _____ refrigerator?

_____ me _____ typical energy _____ a _____.

_____ do you _____ for your fridge?

_____ power _____ normally _____ for a _____?

Please _____ me _____ energy _____ of _____ refrigerators.

_____ you _____ what _____ fridge electricity use is?

_____ there _____ information you can _____ about _____ energy use _____ fridge?

_____ does _____ fridge _____ energy?

What _____ consumption by _____ fridge?

_____ the energy _____ a fridge.

_____ does _____ fridge needs?

_____ the fridge's _____ use _____?

Is _____ energy consumption _____?

Are you familiar _____ the _____ usage _____?

_____ of _____ does this _____ usually _____?

_____ me the typical _____ a _____.

_____ is used _____ refrigerator?

What _____ usage?

_____ the _____ power requirement in the _____?

_____ would _____ know _____ usual energy requirements _____ your _____.

_____ do _____ refrigerators use in _____?

_____ you know the amount _____ energy utilized _____?

_____ much energy _____ the _____?

Can you _____ average of _____ energy _____ fridge?

_____ know _____ the _____ usage of a fridge _____?

We _____ to _____ energy _____ required _____ your fridges.

How much _____ does _____ use?

_____ average energy _____ by _____ fridge _____?

_____ energy consumption on _____ fridge?

Is the _____ use _____?

_____ you know _____ fridge's _____?

What _____ the average _____ fridge _____?

_____ the average power usage _____.

Tell _____ energy use _____ the _____.

Do you _____ power _____ in the fridge?

_____ your _____ consumption?

Can _____ give the average _____ of _____?

_____ energy requirements for your _____.

_____ is your _____ average _____?

How much _____ the _____ use on an _____?

What _____ the _____ energy _____?

What _____ the _____ usage _____ your _____?

_____ to _____ the _____ energy requirements for _____

_____ your fridge's energy _____.
 How much _____ fridges _____?
 _____ you know what _____ consumption _____ typical fridge _____?
 _____ much _____ the fridge _____?

 _____ the _____ of a fridge?
 _____ is _____ about _____ average fridge energy _____.
 _____ you _____ the _____ consumption of _____ fridge?
 _____ you _____ the power _____ of _____?
 Please _____ energy consumption _____ your _____.
 Please tell _____ about the average _____ fridges.
 On _____ what's the _____ consumption _____?
 _____ your _____ energy _____.
 Do you know how _____ required _____?
 _____ know _____ power _____ of fridges?
 _____ information on the _____ use of one _____ your _____?
 I want to _____ energy expenditure _____ fridges.
 What _____ fridge's _____ use look _____?
 _____ your fridge's _____?
 How _____ power do _____ that _____?
 Please _____ energy consumption rate _____ my refrigerator.
 On _____ is _____ energy consumption?
 _____ energy use _____ your _____?
 _____ need to _____ the average energy _____ fridge.
 How _____ energy did _____?
 _____ you have an estimate _____ for your _____?
 How _____ electricity _____ fridge use?
 What _____ the use of _____?
 The _____ energy _____ refrigerator
 _____ tell me the _____ energy _____ my refrigerators
 _____ your fridge is _____ to ponder.
 _____ amount _____ energy _____ fridge typically _____?
 _____ how _____ power fridges _____?
 _____ the energy usage of my _____?
 What _____ the _____ consumption of _____?
 _____ the average _____ rate for your fridge.
 Does _____ idea about the average fridge _____?
 What _____ the _____ energy _____ your _____?
 Is your _____ consumption?
 _____ is _____ use of the _____?
 Are your _____ energy _____?
 Do _____ know _____ in fridges?
 How _____ is taken _____ refrigerator?
 _____ in _____ how much power _____?
 _____ tell the average _____ of _____ fridges?
 _____ wondering how much _____ fridges _____?

_____ much _____ do _____ fridges use?

Please tell _____ average _____ usage _____ fridges.

_____ much _____ is used _____ a _____.

Please tell _____ usage of _____ fridges.

_____ is the usual _____ fridge.

_____ is the normal _____ your _____?

We want to know how _____.

What's the energy _____?

What _____ electricity _____ of a _____?

Do _____ know the average _____?

_____ me _____ the power draw on my _____?

How much _____ used _____ normally?

What _____ energy _____?

Can _____ provide information about _____ energy use _____?

_____ know _____ much energy is used _____ your _____?

_____ fridge's average energy _____?

What's _____ power _____ your fridge?

I would _____ much the fridges _____.

_____ want _____ know the _____ requirements for _____ fridge.

I _____ know _____ typical energy expenditure _____ refrigerators.

_____ you wondered _____ the _____ energy _____?

_____ will _____ fridge consume?

_____ the average fridge _____?

What's _____ use _____ your _____?

_____ the _____ power usage of your _____.

What is _____ average _____ fridge?

Any _____ average _____ on the fridge?

On _____ average, what is the energy _____?

Please _____ us know the _____ power usage _____.

_____ utilized by an _____?

Do you _____ an idea _____ you use _____ day?

Can you tell _____ energy use of _____?

_____ the average energy requirements for your _____.

Please _____ us how _____ energy _____.

_____ energy _____ of the refrigerators.

_____ the _____ of your fridge?

_____ me how _____ energy _____ refrigerator _____.

Which amount _____ energy does _____?

What's the _____ the _____?

_____ much power _____ consume.

_____ a _____ use each day?

Wondering _____ much power _____?

What _____ use of _____ fridge?

What's the _____ energy _____ fridge?

Please _____ know the _____ rate of your _____.

What _____ power _____ fridge?

_____ you reckon your fridge _____?

_____ power _____ the _____ consume?

_____ do _____ use on average?

Think about _____ usage.

_____ you like _____ how _____ power the _____ uses?

_____ the average _____ consumed by _____?

_____ power use _____ a fridge _____?

_____ know _____ much _____ is used _____ fridges?

_____ need _____ the energy expenditure of _____.

_____ know the average use _____ energy _____ fridge?

Is _____ refrigerator _____ an average _____?

_____ average fridge?

What is _____ consumption _____ a typical _____?

_____ energy _____ your _____ uses?

What amount _____ are used _____ units?

_____ the power _____ your fridge?

_____ you _____ much _____ your _____ consume?

_____ wants _____ know _____ energy draw.

_____ of power used by _____.

Fridge _____ an average _____?

_____ amount _____ does a refrigerator _____?

_____ power consumption for _____ fridge?

_____ is the _____ energy _____ refrigerator?

Average _____ Fridge _____?

How _____ electricity does a refrigerator use _____.

How _____ is _____ your refrigerator _____.

What _____ the _____ daily _____ usage _____ refrigerator?

_____ often _____ a _____ use _____ electricity?

_____ the _____ energy _____ your fridge?
