

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Difficulty changing gears in manual transmission
Inquiry Sub-Category	Clutch problems
Description	Customer inquiries related to difficulty changing gears in manual transmission due to problems with the clutch, such as a worn-out clutch plate, faulty clutch release bearing, or air in the clutch hydraulic system.
Data Size	6,361 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

_____ more _____ others when encountering challenges _____ transmissions' gears?
 _____ car models _____ with transmissions?
 Is a _____ likely _____ issues _____ gears?
 _____ the makes/models more _____ gear _____?
 _____ vehicles _____ likely to face gears _____.
 Do some _____ face _____ with _____ manual _____ gears?
 _____ transmission issues vary across _____ and _____?
 _____ engaging certain _____ manual _____ specific _____ face more challenges?
 _____ changing gears, _____ car brands _____?
 _____ some cars _____ problems when they engage _____?
 Is there a _____ to _____ if _____ struggle _____ it _____ engaging _____ gearbox gears?
 Some models have _____ higher _____ when _____ gears.
 _____ engaging specific/manual gears, _____ cars have _____ of _____.
 Is there increased _____ for certain models _____?
 _____ some _____ trouble _____ manual _____ gear?
 _____ susceptible _____ engaging specific/manual gears?
 Is _____ susceptible to _____ challenges?
 _____ the engagement _____ specific/manual _____ gears _____ for car _____?
 Do _____ models _____ more _____ transmissions' _____?
 _____ manual _____ problematic for _____ car brands?
 Which car _____ more _____ to _____ issues _____ manual _____?
 Some _____ are _____ to navigate _____ gears.
 Is _____ makes/models are _____ prone to gear _____?
 Is _____ possible _____ car _____ have more _____ specific transmissions?
 Is _____ particular vehicle brand _____ for having _____ in _____ manual transmission?
 _____ be more prone _____ gear _____.
 _____ certain makes _____ more suited _____ navigate _____ transmissions' _____?
 Are certain _____ challenges?

Can _____ to challenges _____ gears?
 _____ manual _____ across car manufacturers?
 Is there a certain _____ brand that _____ encountered issues _____ shift _____?
 Do _____ struggle with manual _____?
 _____ models face _____ challenges _____ transmission gears.
 _____ that certain _____ have _____ higher _____ difficulties when shifting _____ manually?
 _____ is _____ certain models _____ obstacles _____ changing gear manually?
 Do _____ cars _____ problems if they _____ manual _____?
 Is _____ a specific _____ that is _____ challenges _____ shifting _____?
 _____ some _____ a problem _____ manual gear engagement?
 _____ models _____ prone _____ gear challenges?
 _____ is a higher chance of _____ certain _____ they _____ specific/manual _____.
 _____ have a _____ chance of getting _____ shifting gears _____?
 _____ models _____ problems when shifting _____?
 _____ it _____ to _____ specific/manual transmissions _____ car types?
 Do some _____ struggle _____ they _____?
 There are certain _____ prone to gear _____.
 Do _____ car manufacturers _____ cars that _____ trouble when shifting _____ transmission _____?
 Some cars _____ when _____ manual transmission _____.
 Are _____ vehicles _____ with gear _____?
 Are _____ models _____ difficult _____ engage _____ transmission gears?
 _____ it _____ to use _____ transmissions in different _____?
 _____ cars/models have _____ chances of having _____ they engage _____.
 Is certain models better suited to _____?
 _____ models' _____ have different _____ others.
 Certain _____ are more _____ gear _____?
 _____ manual transmission's gears, what _____?
 Is certain _____ gear challenges?
 Is it _____ car _____ to engage _____ transmission _____?
 _____ certain makes/models _____ others to challenges _____ specific/manual transmissions' _____?
 Is some _____ more _____ to have _____ shifting _____?
 _____ manual _____ engagement _____ for certain car _____?
 _____ there _____ reason _____ certain _____ are _____ prone _____ trouble _____ into manual _____ gears?
 Does _____ struggle _____ gear engagements?
 Some _____ more _____ to _____ transmissions' _____.
 _____ makes are better suited _____ manual transmissions.
 Certain cars _____ higher _____ using specific/manual gears, right?
 _____ certain _____ to _____ engaging specific/manual _____?
 _____ engaging specific/manual gears, certain _____ have a higher _____.
 _____ there _____ increased _____ issues with _____ for certain vehicles?
 _____ models have more difficulties when _____?
 _____ cars _____ a _____ chance of _____ trouble _____ specific/manual gears.
 _____ more difficulty engaging _____ gears _____ certain _____?
 _____ likely _____ it _____ to encounter obstacles while _____ gear _____?
 Can _____ car _____ specific/manual _____ gears?
 Is certain models _____ gears?
 Do some _____ have _____ manual transmission?
 Is _____ difficult _____ specific/manual transmissions _____ certain car _____?
 Do _____ issues _____ manual _____ manufacturers?
 Which _____ are more _____ have _____ with _____ transmission _____?

_____ more _____ difficulties involving _____ gears?
 Is _____ possible that some _____ brands _____ with _____?
 _____ there _____ higher _____ of _____ when _____ gears manually for _____?
 Some _____ more challenges _____ specific _____.
 Do _____ with manual gears?
 _____ car models have more _____ with _____?
 _____ more difficulty engaging _____ in car models?
 Different _____ and _____ have different _____ in _____ gears.
 _____ would like _____ know _____ makes and _____ struggle more _____ to engaging _____ gears.
 _____ certain _____ more _____ to challenges involving _____ transmissions' gears _____?
 _____ let _____ if specific makes/models struggle more when _____ comes to _____?
 What cars face _____ it comes _____ engaging _____?
 _____ there more _____ designated/alloted _____ shifts _____ some vehicles?
 Do _____ have more _____ with _____ gears?
 When _____ engaging _____ gearbox gears, _____ you tell _____ makes/models struggle more?
 _____ there _____ higher likelihood of _____ for certain vehicles?
 _____ attempting to _____ in _____ transmission, are _____ brands known _____ having issues?
 Any _____ susceptible _____ when _____ gears?
 Is _____ cars subject to _____ hurdles _____ selected/manual?
 Is certain _____ certain gears?
 _____ there _____ model that _____ to challenges _____ shifting gears?
 Is certain _____ to challenges _____ specific _____?
 Different _____ have different challenges changing _____.
 Is it _____ that _____ certain _____ are more _____ others?
 When engaging specific/manual _____ have _____ chances of _____.
 Some _____ more _____ to have difficulty _____ gear _____.
 _____ know if specific makes/models _____ more _____ comes to engaging manual _____?
 _____ problems _____ the manual transmission gears.
 Is _____ more _____ problems with their manuals?
 Does certain _____ brands _____ the _____?
 Do _____ have _____ with _____ transmission gear _____?
 _____ face difficulties _____ gear system _____?
 Is _____ that some _____ manufacturers design cars _____ to _____ shifting gears?
 _____ to have issues with their manual?
 Do manual _____ automobile manufacturers?
 Are _____ makes and _____ better suited _____ challenges?
 Do certain _____ brands _____ manual _____?
 _____ models _____ are prone _____ challenges when shifting _____.
 _____ some car _____ a problem with specific/manual _____?
 _____ challenges _____ transmission gears _____ some models?
 _____ it possible _____ makes/models _____ more prone _____ gear _____?
 Can _____ if specific make/models struggle _____ engaging manual _____?
 Do manual _____ different manufacturers _____ models?
 _____ cars/models have higher _____ of _____ using specific/manual _____.
 _____ are _____ prone to issues _____ gears?
 _____ specific/manual transmissions _____ in different _____ difficult?
 Is some _____ more _____ engage _____?
 _____ may _____ to gear challenges.
 Some _____ encountered issues trying to _____ gears in _____
 Is _____ a _____ brand _____ that _____ issues with shifting gears in _____ transmission?

_____ there a _____ or _____ has encountered problems trying _____ gears in a _____ transmission?
 _____ models often _____ obstacles _____ specific _____?
 Is _____ models better _____ navigate _____ challenges _____ transmissions?
 Is it _____ more _____ to struggle _____ gear engagements?
 _____ certain models have a higher _____ problems when _____?
 Does the _____ of automobiles _____ prone to trouble _____ transmission gears?
 Is _____ prone to challenges _____ specific/manual _____ gears.
 _____ certain models _____ transmissions' gears?
 Does _____ engagement of specific/manual _____ differ _____ models?
 _____ it _____ models _____ more trouble engaging specific transmission _____?
 _____ true _____ specific cars _____ a _____ certain gears with manual _____?
 Is _____ more difficulty _____ transmissions' gears _____?
 _____ shifting gears _____ certain makes/models more likely _____?
 Is it _____ models are _____ to _____ shifting _____.
 Do certain car manufacturers make _____ that _____ more _____ to _____ into certain _____?
 There are _____ with manual _____ that _____ face.
 Is certain models more prone _____ problems _____?
 _____ makes/models _____ to challenges engaging specific transmissions' _____?
 Is certain models _____ to have _____ manual?
 _____ certain more susceptible _____ and manual gears?
 Is certain _____ to _____ when shifting gears _____?
 Is _____ any _____ that _____ more _____ moving into specific/manual gear _____?
 Does _____ have more _____ specific _____ gears?
 Is it _____ have more challenges when _____ gears with _____?
 _____ there _____ likelihood _____ issues in specific/manual transmissions _____ vehicles.
 _____ car brands _____ with _____ gears?
 Some make _____ are better suited to _____.
 Are _____ to struggle with gear _____?
 _____ there a particular brand that _____ when _____ specific/manual _____ position?
 Are certain _____ to _____ gear _____?
 Which _____ more issues with _____?
 _____ have problems _____ engaging _____ transmission _____.
 _____ cars _____ of having trouble _____ specific/manual gears.
 Can you tell me about _____ that struggle when it _____ manual _____?
 _____ certain cars more _____ struggle _____ engagements?
 _____ makes and models _____ cars _____ different _____ changing _____ manually.
 Is _____ possible _____ certain _____ design _____ prone to _____ when shifting gears?
 _____ design _____ certain automobile _____ to _____ when shifting into _____ transmission gears?
 Some _____ brands _____ with specific/manual _____.
 Is there trouble engaging _____?
 Is _____ riskier to _____ specific/manual _____ for certain _____?
 _____ with specific/manual transmission _____ face _____?
 Is _____ automobiles face more challenges _____ engaging _____ gears?
 _____ a higher _____ of _____ in specific/manual _____ for certain _____.
 Is _____ higher chance _____ in specific gear _____ certain _____?
 Do certain _____ difficulty _____ gears?
 _____ there _____ particular _____ brand _____ model _____ had issues trying to _____?
 Some _____ more _____ engaging specific/manual _____ gears than others.
 Is _____ make/model more _____ gear _____?
 Does the _____ automobiles make _____ trouble when shifting _____ transmission gears?

Is certain makes _____ gear challenges?

Do some _____ brands _____ hard time _____ manual _____?

Do _____ differ _____ different brands?

I _____ design cars that are _____ trouble when shifting _____ manual transmission gears.

Are _____ cars _____ to increased _____ into _____ ones?

_____ transmissions' gears are _____ to _____ challenged _____ makes/models.

_____ different automobile manufacturers _____ manual transmission _____?

_____ more _____ with manual transmission _____?

_____ you _____ specific makes and models _____ more with _____ gearboxes?

Can we _____ any brands _____ more when _____ into _____ position?

_____ issues vary between different _____?

Do some _____ more _____ transmission _____?

Do _____ models have _____ difficulty _____ specific _____?

_____ certain _____ more _____ the gears?

_____ a difference _____ challenges with manual gear selection _____?

Any _____ difficulties _____ manual gears?

How _____ it _____ a vehicle model to _____ changing gear _____?

Do _____ have _____ harder time with transmission _____?

_____ more likely to _____ with gear _____.

Is _____ to _____ me if _____ models _____ more _____ it comes _____ engaging manual _____?

Is _____ more _____ engaging _____ in _____ models.

_____ issues differ between _____ manufacturers?

Do _____ issues _____ transmission gear engagement?

_____ car brands _____ an _____ with manual transmission _____?

_____ models are better suited _____ of _____ transmissions.

Does _____ transmission-related _____ different models?

_____ specific/manual gears, _____ cars/models have _____ chances _____ problems.

_____ it difficult to engage _____ transmissions _____ models?

Certain cars have _____ chances _____ when _____ gears.

Do _____ models handle _____ transmissions _____?

Is it likely that _____ issues shifting _____?

_____ there _____ specific brand that may _____ more when _____ positions?

Is _____ a specific _____ brand or model _____ a _____ transmission?

Some _____ face _____ specific _____ gears?

_____ there increased _____ with _____ transmission _____?

_____ it _____ specific/manual transmissions variable in different _____?

Car _____ have _____ specific transmission _____?

What cars _____ problems when _____?

_____ it true _____ specific _____ face _____ challenges when _____ gears _____ transmissions?

_____ models _____ of _____ issues in their manual?

Is certain vehicles more _____ to _____?

_____ brand _____ more _____ engaging _____ in manual transmissions?

_____ it _____ likely that _____ face _____ shifting gears?

_____ challenges with manual gear _____ in some _____.

_____ are _____ with _____ are there _____ between brands?

When shifting gears, _____ struggle?

_____ car _____ problems _____ manual transmission _____ engagement.

Some car _____ gear engagement.

Which _____ more prone _____ transmission issues?

Do certain car brands _____ time _____ with manual _____?

____ it possible ____ some ____ more ____ accessing ____ shifts?
 There's ____ higher ____ troubles ____ engaging specific/manual gears ____ certain ____.
 Certain ____ are more ____ to face ____ engaged in ____.
 ____ some ____ have a harder time engaging ____?
 ____ cause ____ with transmission gears?
 ____ it true ____ is ____ difficult ____ specific cars to ____ gears with ____?
 Do ____ vehicles ____ with gear ____?
 ____ models have increased ____ transmission ____.
 ____ there a higher ____ of issues ____ specific/manual transmissions ____?
 ____ transmission issues ____ among ____?
 ____ if ____ automobile manufacturers ____ cars that are more prone ____ shifting into ____ gear.
 Do ____ manufacturers ____ cars that are more ____ to ____?
 Is ____ any particular ____ that ____ struggle more ____ shifting ____ positions?
 Is ____ likelihood of issues ____ specific/manual transmissions ____ certain ____?
 ____ there a ____ of ____ in certain ____ gears?
 ____ we identify ____ that may struggle more ____ gear ____?
 ____ car ____ have more ____ specific ____?
 ____ if specific makes/models struggle ____ when it ____ to engaging manual ____.
 ____ models ____ likely to ____ shifting gears manually.
 Some vehicle brands ____ issues ____ shift ____ a ____ transmission.
 There ____ a higher likelihood of ____ transmissions for ____.
 ____ it ____ give ____ whether ____ makes struggle ____ when it ____ to engaging manual ____ gears?
 ____ cars experience ____ while ____ transmission ____.
 Is there ____ chance ____ when ____ gears on ____ makes?
 Is ____ possible that certain ____ more ____ to ____.
 ____ are ____ to gear challenges?
 ____ models ____ challenges with certain ____.
 Do ____ makes have a ____ risk of ____ gears ____?
 Is certain ____ susceptible ____ challenges ____ specific ____ gears?
 Which ____ tend ____ shifting into specific ____?
 I ____ is ____ higher chance of issues in ____ vehicles.
 ____ some ____ a harder time ____ transmissions?
 ____ models are prone ____ transmission ____?
 ____ it ____ manufacturers design cars that are ____ prone to ____ when ____ into ____ gears?
 ____ models ____ it ____ to ____ specific transmission gears?
 ____ it true ____ cars ____ trouble when shifting into certain ____?
 Will certain ____ have ____ the ____?
 Do ____ problems ____ in manual transmission gear?
 ____ true that certain ____ cars ____ are ____ prone ____ trouble when ____ certain transmission gears?
 ____ it ____ engage specific/manual transmission ____ in ____ types?
 ____ some ____ have ____ when ____ manual transmission ____?
 Any makes ____ to ____ changing ____ gears?
 ____ some car ____ problems ____ specific/manual transmission ____?
 Is ____ automobile manufacturers ____ cars that ____ more prone to trouble ____ shifting into ____?
 ____ different ____ have different ____ gears manually?
 Do ____ have trouble ____ manual ____ gears?
 Some ____ have trouble ____ gears.
 Is ____ make/ ____ more ____ challenges?
 ____ that certain ____ cars ____ more prone to ____ when using a manual transmission?
 Which ____ are more prone ____ transmission ____?

There are _____ with manual gear _____ car brands?
 Is there _____ specific _____ that may struggle _____ shifting _____ specific _____?
 _____ car _____ have trouble _____ manual _____ gear engagement?
 Which _____ struggle _____ comes to engaging manual _____?
 _____ chances _____ troubles _____ specific/manual _____ are _____ for certain cars/models.
 _____ brand _____ struggle _____ when shifting into specific gear positions?
 _____ models are _____ to _____ problems with _____ transmission _____?
 _____ a higher _____ specific transmission gear for certain _____?
 _____ there _____ engaging _____ in certain _____?
 _____ increased challenges _____ specific transmissions.
 Is it possible _____ vehicles are more _____ shifting _____?
 _____ it possible that specific _____ certain gears with manual _____?
 Some brands may _____ shifting _____ specific _____ positions.
 Is certain more _____ to _____?
 _____ trying to _____ gears in _____ transmission, some vehicle _____ or models _____.
 Is _____ vehicles have _____ difficulties _____ stick shifts?
 _____ likely is _____ some _____ to _____ obstacles when _____ gear _____?
 _____ certain _____ to _____ challenges engaging specific/manual _____ gears?
 There _____ prone to _____ when shifting _____.
 _____ more issues shifting _____ manual?
 _____ it true _____ certain cars face more _____ than _____ engaging _____?
 Is _____ more difficulty engaging _____ car models?
 _____ makes might _____ more prone _____.
 _____ certain makes have _____ higher _____ difficulties _____ manually?
 Which models are more _____ transmissions?
 Is _____ difficult _____ engage specific/manual _____ differing _____ types?
 _____ it _____ that certain _____ have _____ using a manual _____?
 _____ vehicle brands _____ encountered issues _____ trying to shift _____ a _____.
 _____ some car models _____ gears?
 Which _____ are _____ prone _____ issues with manual _____ gears?
 Is _____ brand _____ when moving into _____ gear positions?
 I would like to _____ if specific _____ more _____ it _____ gearboxes.
 Is _____ particular _____ of _____ known for having _____ trying to _____?
 Is _____ models more _____ to deal _____ transmissions' _____?
 Is it possible _____ certain _____ are more _____ to trouble when _____ into _____ transmission _____?
 _____ certain _____ have _____ engaging _____?
 _____ issue different across _____ automobile manufacturers?
 _____ makes/ models more likely _____ difficulties _____ manually?
 _____ there a _____ of issues _____ specific/manual transmissions _____ certain _____?
 Do certain makes _____ a harder _____?
 Some car _____ may have difficulty _____.
 Do some car _____ problems _____ transmission _____?
 Do certain _____ manufacturers design _____ more _____ trouble when _____ gears?
 _____ it more difficult to engage _____ some _____ models?
 _____ cars _____ different challenges in _____ gears?
 _____ shifting _____ are specific _____ challenges?
 Is there a particular vehicle _____ that _____ gears in a _____?
 Do _____ issues _____ by _____?
 _____ models more _____ to _____?
 _____ there _____ car brands regarding manual _____ selection?

_____ certain _____ cars _____ more hurdles _____ into selected/manual?

Is shifting _____ likely to _____ by _____ vehicles?

_____ some cars having _____ transmission _____?

Some _____ engaging _____ transmission gears.

Is _____ more _____ specific/ manual gears?

I would like _____ if _____ makes/models _____ more when _____ to engaging _____.

_____ it possible _____ certain _____ vulnerable to challenges _____ specific/manual _____ gears?

Some _____ when _____ manual _____ gear.

_____ attempting _____ shift gears _____ manual transmission, are _____ vehicle _____ having problems?

_____ specific _____ challenges when shifting _____?

When shifting gears, _____ challenges?

_____ certain _____ a _____ time _____ gear engagements?

Do _____ car _____ have _____ with transmission gear _____?

Do certain makes _____ a _____ of _____ when _____?

_____ models and models better suited _____ manual _____?

_____ possible _____ some vehicles _____ shifting _____?

_____ makes _____ issues _____ transmission gears?

_____ higher chance of having _____ shifting gears manually?

Is there _____ of problems when shifting _____ certain _____?

Is _____ makes _____ navigate manual _____ gears?

Certain _____ have _____ chances _____ when they engage specific/manual _____.

Can _____ make and _____ cars _____ different _____ in _____?

Which _____ have more _____ with _____ gears.

_____ certain cars _____ prone to _____?

Certain _____ have _____ of having _____ in specific/manual gears.

_____ brands struggle with manual _____?

Some _____ brands have _____ with _____.

_____ some _____ have more difficulty _____?

_____ are certain _____ that have encountered issues _____ shift _____.

Can _____ with manual transmissions _____ than _____?

Is _____ problem _____ with their manual transmission _____ engagement?

_____ cars _____ hard to shift _____?

Is manual transmission _____ across _____ and _____?

_____ a particular _____ vehicle that has _____ when trying to _____ a manual _____?

_____ have more trouble with _____?

Is certain makes/models _____ to difficulties _____ specific/manual _____?

_____ manufacturers _____ cars that _____ more prone _____ shifting into manual transmission _____?

_____ it possible _____ vehicles _____ more _____ struggle with _____ engagements?

_____ possible to tell _____ whether certain makes and models struggle more _____ gears?

Is certain _____ more _____ shifting gears manually?

_____ manual _____ gears a problem for _____?

_____ to _____ specific/manual transmissions _____ car type?

Some makes/models may _____ to _____.

_____ that some _____ brands _____ more with manual _____?

_____ makes _____ are better _____ navigate manual transmissions' _____.

I wondered _____ with manual gears.

_____ vehicles _____ vulnerable _____ shifting gears?

Do _____ transmission-related issues _____ different _____?

_____ face _____ with _____ transmission gears?

_____ certain _____ that _____ while trying to shift gears in _____ manual _____.

_____ gear engagement _____ for _____ car _____?

Different models _____ cars can have _____ changing _____.

Do certain _____ a _____ of _____ their manual?

_____ car _____ struggle with _____ gears.

_____ models _____ prone to gear _____?

_____ are more likely _____ have _____ with _____ gear?

Is there _____ higher _____ of _____ in _____ gears?

_____ models have _____ difficulties _____ transmission gears?

Is _____ or model _____ to challenges _____ specific/manual transmissions' _____?

Is _____ a particular brand _____ model that _____ issues _____ shift _____?

_____ models _____ more _____ to _____ manual transmission gears?

Is it true that _____ makes _____ with manual _____?

_____ some models _____ increased challenges _____ transmission _____?

_____ there more _____ engaging transmissions _____?

_____ to have problems with transmission gears?

_____ vehicles face _____ shifting _____?

Which _____ with _____ transmission gears?

Any models _____ issues _____?

Is _____ car brands _____ gears?

_____ more _____ difficulties when shifting gears manually?

Is there a marked _____ brands regarding _____ gear _____?

_____ some _____ cars _____ are more prone _____ trouble _____ shifting to _____ transmission?

_____ more likely to _____ at gear _____?

_____ likely are _____ models to _____ changing gear?

Is it possible _____ car _____ struggle with _____?

Is certain makes/models _____ challenges _____ specific/manual _____ gears?

_____ certain makes/models more likely _____ difficulties _____?

_____ are some car _____ with _____ gears.

Is _____ chance of issues in specific _____ for _____.

The likelihood of _____ in _____ gears _____ for certain _____.

_____ identify _____ that _____ struggle more _____ to specific gear positions?

Are certain _____ likely to have _____ engagements?

_____ is a _____ chance of _____ for _____ cars _____ engage specific/manual _____.

_____ there _____ car brands _____ manual gear _____?

Which car _____ are more _____ problems _____ manual _____ gears?

Do certain _____ brands _____ with _____?

_____ models are more prone to _____ manual _____?

_____ it _____ to _____ and manual transmissions in _____ types?

Is _____ a _____ vehicle _____ or model _____ having _____ when _____ to _____ in _____ manual transmission?

Are _____ difficult to _____ designated/alloted _____?

Is it _____ that specific automobiles are _____ engage _____ certain _____ with _____?

Do certain models face _____ with _____?

_____ it true _____ cars have more challenges _____ others _____ manual _____?

Do certain car _____ transmissions?

_____ if certain models have more _____.

Different _____ cars can _____ different _____ gears manually.

_____ it _____ makes face _____ challenges _____ transmission gears?

Is it _____ certain brands _____ struggle more when _____ positions?

_____ cars may _____ different _____ in _____ gears.

There are certain vehicle _____ that have _____ shift gears _____ a _____

Do certain _____ manufacturers _____ cars _____ more prone to _____ into _____ manual _____ gear?
 _____ car brands suffer _____ engagement?

Is _____ likely to _____ with _____?
 _____ have problem engaging _____ gears?
 _____ certain _____ more _____ to gear _____?

Are some vehicles _____ prone _____ issues with _____?
 _____ cars are _____ to have issues with _____?
 _____ shifting _____ manually _____ more likely _____ have difficulties?

Does _____ face _____ with _____ transmission gears?

Is _____ model of vehicle _____ has encountered _____ when trying _____ gears _____ a manual _____?
 _____ models are _____ to _____ challenges.
 _____ makes vulnerable _____ challenges?

Do _____ vehicles have _____ trouble _____ designated/alloted _____?

Do _____ brands fail _____ manual _____?

Do _____ when engaging _____ transmission gears?

Is _____ likely _____ some _____ encounter obstacles _____ changing gear _____?

Is it possible _____ some _____ difficulty engaging _____ gears?

Will _____ handle _____ transmissions _____?
 _____ models _____ trouble with transmissions' _____?
 _____ it possible that _____ car _____ issues _____ transmission gear _____?

Any _____ have _____ engaging certain transmission _____?

Some _____ are _____ to _____ gears.
 _____ manual _____ issues differ _____ automobile _____?

Do manual _____ differ between _____?

Is there _____ difference _____ manual _____ selection _____ car brands?

Different make/model _____ can _____ when changing _____.

Is _____ particular model _____ has encountered issues trying _____ shift gears _____ manual _____?
 _____ makes _____ are better suited to navigate _____.

Is it possible _____ some car brands _____?
 _____ that have issues _____ transmission _____?
 _____ we _____ any brands _____ struggle _____ when _____ specific gear positions?
 _____ manual transmission related issues _____?
 _____ struggle more when it _____ engaging manual transmission gears?

Do certain vehicles tend to _____?

I _____ models _____ more difficulty engaging _____ gears.
 _____ there more trouble _____ gears for _____?

Is there _____ correlation between the _____ and _____ susceptibility _____ trouble _____ into certain _____ gears?
 _____ it _____ specific _____ struggle _____ when it _____ to engaging manual _____?
 _____ have a problem _____ transmission gear engagement?

Is it a _____ make/model often _____ obstacles while _____ into specific transmission's _____?

Which _____ more _____ have problems with _____ gears?
 _____ it true that _____ have _____ challenges _____ using _____ transmissions?

Is there _____ higher _____ of _____ transmissions' gears?
 _____ make/model face _____ challenges with _____ transmission _____?
 _____ are _____ more when shifting into specific gear _____.

Does _____ model _____ higher chance of _____ shifting their _____?
 _____ cars/models are _____ likely _____ face problems _____ engaging _____.
 _____ you tell me whether _____ makes/models _____ with _____ gears?

Are certain _____ manufacturers _____ to _____ into _____ manual transmission gears?
 _____ shifting _____ for some car _____?

____ manual ____ vary ____ automobile manufacturers?
 Is ____ have ____ in specific/manual transmissions' gears?
 ____ certain ____ and models that are known ____ to shift gears.
 Certain cars have ____ having trouble ____ specific/manual gears, ____?
 Is certain ____ more likely to ____ difficulties ____?
 ____ manual ____ issues differ ____ manufacturers?
 ____ brands ____ a ____ with manual transmission gear?
 ____ makes/models more ____ to have difficulty ____ gears ____?
 Can a ____ handle ____ better ____ others?
 ____ model ____ car ____ issues with ____ transmission gears?
 ____ some ____ trouble with ____ gears?
 ____ models ____ a higher ____ having issues ____ their ____.
 ____ increased ____ with specific/manual ____ gear?
 Which ____ more problems ____ transmission ____?
 There may ____ with some cars engaging ____.
 ____ manual transmission ____ for ____ manufacturers?
 ____ models ____ increased challenges ____ transmission ____?
 Do ____ issues ____ different manufacturers ____ models?
 ____ of engaging specific/manual transmissions vary ____ types?
 ____ a certain model face increased ____ transmission ____?
 ____ are more vulnerable ____ challenges engaging specific/manual ____.
 ____ certain ____ have ____ higher ____ difficulties shifting gears ____?
 Any ____ or models ____ transmission ____?
 Changing gear ____ manually can ____ difficult, ____ variation ____ manufacturers?
 Some car models ____ to engage ____ transmission ____.
 Is ____ car ____ have more ____ engaging ____ transmission gears?
 ____ car models are ____ prone ____ have ____ transmissions?
 ____ a ____ of issues shifting ____ manuals ____ certain models?
 Is the ____ challenge ____ for ____?
 Is ____ make/models ____ gear ____?
 ____ models more ____ to ____ when shifting ____ manually?
 What cars ____ have ____ engaging ____ gears?
 ____ problems when ____ manual transmission's ____?
 Some ____ suited to ____ manual ____ gears
 ____ certain automobile manufacturers make ____ are ____ trouble when shifting ____ certain ____?
 Is it ____ make ____ more prone to trouble when ____ into ____ manual ____ gears?
 ____ cars are ____ prone ____ manual transmissions?
 ____ gears more difficult for ____ car models?
 ____ car brands ____ a problem with ____ gears?
 Do ____ manufacturers make cars that are ____ to trouble ____?
 ____ manual transmission gears ____ some cars?
 Is ____ more ____ involving specific/manual transmissions' gears?
 Is ____ true that ____ brands struggle ____ manual ____?
 Is there ____ chance that ____ face issues ____?
 Is ____ more difficulty accessing designated/alloted ____ vehicles?
 ____ experience issues when engaging manual ____?
 ____ car ____ have difficulty ____ gears?
 Is certain makes/models ____ to challenges ____ gears?
 ____ some ____ face ____ with ____ transmission gears?
 ____ we ____ which brands may struggle ____ when shifting into ____?

Is _____ prone _____ to _____ engaging specific/manual transmissions' gears?
 _____ it _____ that _____ brands struggle with manual _____ engagement?
 _____ models _____ prone to _____?

What _____ and models _____ more _____ transmissions' gears?

I am _____ if _____ are _____ to _____ challenges.

Do _____ automobiles _____ more _____ using manual _____?

_____ possible that specific brands _____ more when _____ into specific _____?

Is a _____ susceptible _____ shifting gears?

_____ may _____ more prone to _____.

_____ models _____ prone _____ gear challenges?

Is _____ possible _____ certain _____ design _____ more _____ to trouble when _____ into certain _____ transmission gears?

Which _____ have more problems _____?

Is _____ possible _____ certain _____ brands struggle _____ gears.

_____ gears, are specific _____ prone _____ challenges?

_____ some car models more difficult _____ engage _____?

Some _____ with _____ transmission gears.

_____ makes/models _____ more vulnerable to _____.

_____ certain _____ subject _____ increased _____ changing into _____?

Which _____ more issues with _____?

_____ specific/manual gears, _____ higher chances of _____ issues.

_____ automobile manufacturers _____ cars that _____ more prone to _____ into _____ gears?

Some makes/models _____ more _____ to _____ specific/manual _____ gears.

_____ tell _____ if certain makes and _____ struggle _____ when _____ comes to _____ manual _____?

Is there _____ chance of problems with _____ cars?

Does certain _____ a higher _____ having _____ in _____ manual?

_____ some cars _____ issues _____?

Which car _____ more prone _____ have _____ transmission?

_____ models _____ more prone to _____ problems _____ manual _____?

_____ more difficulty accessing _____ shifts?

Do some cars _____ when _____ engage _____ gears?

Can _____ tell _____ makes and _____ have a _____ time _____ manual _____ gears?

Any _____ prone _____ challenges _____ manual _____?

Is _____ automobiles face different challenges when using manual _____?

Do some _____ harder _____ stick shifts?

Certain makes may be _____.

Is there _____ particular brand that might _____ more _____ positions?

_____ make/model _____ to _____ hurdles changing into selected/manual?

Are _____ models _____ likely to have _____ with _____?

_____ it _____ to _____ brands _____ may _____ more when moving into _____?

Is it true _____ makes are _____ challenges?

Is _____ a _____ difficulties for _____ makes when _____ gears _____?

_____ certain makes and models are more _____ challenges?

_____ shifting _____ do _____ car brands _____?

Do certain _____ a _____ with manual _____ engagement?

Is it _____ trouble engaging the gears?

_____ that _____ automobiles have more _____ engaging _____ gears with manual _____?

Is _____ more _____ engaging the _____?

Is it difficult _____ transmissions _____ car types?

_____ it _____ specific _____ more _____ when engaging certain gears?

Some models _____ more _____ to _____ shifting their _____.

Do ____ car brands have _____ gear ____?

_____ issues with engaging _____ gears?

Can _____ know if specific makes/models _____ more _____ engaging manual _____?

_____ certain _____ brands struggling _____ manual _____ engagement?

Which _____ to _____ manual transmission gears?

Does the _____ challenges _____ transmission _____?

Do certain _____ have _____ difficult time shifting _____?

Is _____ of issues with _____ transmission gears?

Does _____ have more _____ engaging _____?

Any _____ issues with engagement _____ gears?

Is there _____ may _____ more _____ shifting into _____ gear positions?

_____ models _____ prone _____ challenges _____ gears.

_____ certain makes/models more _____ to have _____ gears _____?

_____ models _____ engaging gears?

Certain _____ have higher _____ problems _____ using specific/manual gears, _____?

_____ it possible that specific automobiles _____ challenges when _____ manual _____?

Do _____ have _____ shifting gears?

Can _____ models handle manual _____?

Certain cars/models _____ chances of facing _____ when engaged _____.

Can _____ manual transmissions _____?

Is _____ more susceptible than others _____ challenges _____ transmissions' _____?

_____ more _____ engaging _____ transmission _____ some car models?

When _____ gears, certain _____ higher chance _____ facing troubles.

Is _____ vehicles more _____ fail at _____ gear _____?

Certain cars/models _____ a _____ having _____ engaging specific/manual gears.

Is _____ likely for some _____ issues shifting _____?

_____ car model _____ engaging specific transmission gears?

Do some cars _____ gears?

When _____ with specific/manual transmissions' _____ more prone _____ others?

Is there _____ transmission gears?

_____ manual transmission related _____ different _____ automobile _____?

What _____ and _____ are _____ to gear _____?

_____ certain car manufacturers design cars _____ are _____ prone _____ when _____ a _____?

_____ gears, _____ models vulnerable _____ challenges?

_____ certain car _____ have trouble _____ manual _____?

Do _____ makes _____ challenges with _____ transmission _____?

_____ it likely _____ face _____ shifting gears?

Some models _____ better _____ challenges.

Are _____ models _____ when shifting _____?

_____ it _____ specific/manual _____ on different car types?

_____ different _____ cars have _____ challenges when _____?

Is _____ true that certain _____ more _____ to _____ when _____ a _____ transmission?

Is certain _____ susceptible _____ gear _____?

Can _____ tell me if _____ struggle more when _____ engaging manual _____?

_____ it _____ automobiles with _____ gears have more _____ than _____?

_____ shifting gears do _____ pose _____?

Do _____ car _____ with _____ engagement?

_____ certain models _____ a _____ chance _____ difficulties shifting _____?

_____ possible that certain _____ may _____ more when _____ into _____ positions?

_____ certain _____ have a _____ of difficulties when shifting _____?

I _____ if _____ that are _____ prone to trouble when shifting _____ manual transmission _____.
 _____ certain models _____ to the _____ of engaging specific/manual _____?
 Is there _____ higher _____ issues with _____ for _____ vehicles?
 _____ it true _____ automobiles _____ to engage _____ manual transmissions?
 Certain _____ higher chances _____ having trouble _____ specific/manual gears, _____?
 _____ specific/manual _____ have _____ chances of having troubles.
 _____ it _____ cars with certain _____ face more _____ others?
 _____ true _____ specific _____ more _____ when using _____ manual transmission?
 _____ certain _____ more likely to have _____ with _____?
 _____ it _____ car brands struggle more _____ gears?
 There _____ a _____ chance _____ certain cars/models _____ specific/manual gears.
 Is _____ difficult _____ transmissions for different _____ types?
 Should _____ be _____ about _____ particular make/model _____ when _____ to _____ into specific transmission's gears?
 Does certain models _____ higher likelihood _____ when _____ manually?
 Is _____ true _____ with _____ more challenges _____ with manual transmissions?
 Do some models _____ challenges _____ transmission _____?
 Some _____ and models _____ suited _____ handle _____ challenges.
 Do _____ vehicles _____ problems _____ engaging _____ transmission _____?
 Is _____ true that _____ cars _____ more _____ engaging _____ gears _____ manual _____?
 Do _____ a higher chance of being difficult _____?
 _____ true that _____ are more challenges _____ when _____ certain gears?
 _____ vehicles _____ be more prone _____ gears.
 _____ certain models _____ vulnerable _____ gear _____?
 _____ more prone _____ certain models?
 _____ certain models _____ prone to _____ engaging _____ transmissions' gears _____?
 Do _____ models _____ prone _____ challenges?
 _____ models _____ a higher chance _____ difficulty _____ manually?
 Some _____ have _____ known _____ when trying to _____ gears.
 _____ are _____ known to have issues when _____ gears in a manual transmission.
 Is it _____ that certain _____ have _____ challenges _____ transmissions?
 _____ certain models _____ gears?
 Some makes _____ models _____ prone to challenges engaging _____?
 _____ cars _____ to having _____ with _____ manual transmission's _____?
 Do _____ make _____ that are _____ prone to trouble _____ shifting _____ manual _____?
 Some makes face _____ with _____.
 _____ certain _____ more likely to _____ engagement?
 Is _____ possible _____ problems _____ engaging gears in certain _____ models?
 _____ engaging specific/manual _____ certain _____ of facing trouble.
 _____ certain _____ have a higher _____ of _____ when shifting _____?
 _____ true _____ certain _____ with manual transmissions face more challenges _____?
 Is _____ to engage _____ manual transmissions _____ car _____?
 _____ are _____ difficult to engage _____ transmissions.
 _____ difficult _____ some car models _____ transmission gears?
 _____ certain brands struggle _____ gear _____?
 Do some brands _____ transmission _____?
 Some cars _____ when engaging manual _____.
 Do _____ car brands _____ difficulties _____?
 Some cars/models have higher _____ having _____ specific/manual _____.
 _____ are more _____ to _____ trouble when _____ engage _____ gears.
 _____ makes _____ prone to gear _____.

_____ automobile manufacturers have different _____ with _____?
 Is _____ true that _____ automobiles have _____ certain gears _____ transmissions?
 _____ have _____ higher chance of _____ if _____ engage specific/manual _____.
 Are _____ models _____ to _____ issues _____ their manual?
 _____ higher risk of _____ in _____ transmissions for certain _____?
 Is _____ difficulties engaging specific _____ gears?
 Different make/model cars _____ changing gears manually.
 _____ that cars that _____ certain _____ transmission _____ are more prone to _____?
 Is it possible that _____ have problems _____ engaging _____?
 _____ models have a harder _____ specific _____ gears?
 _____ certain _____ subject _____ increased _____ into a manual?
 _____ models have a harder time _____ transmission _____.
 Is it true _____ certain _____ more challenges than _____?
 _____ some models _____ challenges _____ using manual _____ gear?
 Do _____ models _____ more _____ the _____?
 Is _____ with _____ transmission gear engagement _____ certain car _____?
 Which _____ to transmission problems?
 Is _____ models more likely to _____ trouble _____?
 _____ and _____ of cars can experience _____ challenges _____ changing _____.
 _____ vary between different automobile manufacturers _____ models?
 _____ models _____ difficulties _____ systems' shifts?
 _____ vulnerable to _____ changing _____ gears?
 Is it _____ that _____ automobiles _____ with manual _____?
 _____ trouble with _____ and _____ gears?
 _____ cars experience _____ changing gears?
 I want _____ if _____ struggle _____ manual gears.
 _____ automobile manufacturers design _____ are _____ prone _____ trouble _____ shifting _____ transmission gears.
 _____ transmission-related _____ differ among _____ car _____?
 _____ some _____ face more problems accessing _____ shifts?
 _____ makes/models _____ be more _____ gear _____.
 Any _____ issues _____ engagement of _____ gears?
 Different _____ experience different _____ when changing _____.
 _____ cars _____ engaging the manual _____ gears.
 Is manual _____ issues _____ across _____?
 Is _____ true that _____ with _____ face more _____?
 Any _____ or _____ have _____ with engaging _____ transmission _____?
 Is there a higher _____ in _____ certain vehicles?
 _____ automobiles with _____ gears face more _____ when using manual _____?
 Is _____ better suited _____ challenges?
 Which models are _____ prone to _____ gear?
 _____ vehicles _____ more _____ to _____ shifting gears.
 Which cars _____ more _____ to have _____ with _____?
 There may _____ between car _____ regarding manual _____.
 Are _____ models more likely to _____ problems _____?
 Do some _____ a hard time with _____?
 _____ makes _____ models _____ prone _____ challenges engaging specific/manual transmissions' _____?
 _____ and models _____ to gear _____?
 Is certain models _____ challenges involving _____ transmissions' _____?
 _____ identify any brands that _____ struggle more _____ shifting _____ specific _____?
 There _____ manual gear selection with some _____.

Do _____ manufacturers _____ cars more prone _____ trouble when _____ a manual _____?

Some car brands _____ manual _____.

_____ issues vary _____ models?

I _____ certain _____ more _____ to struggle with gear _____.

Is _____ a particular _____ shifting into a specific _____ position?

_____ certain make/model _____ subject _____ increased _____ changing _____ manual _____?

Is _____ more _____ to _____ with specific/manual transmissions' _____?

_____ makes _____ engaging some _____ gears?

_____ a _____ brand _____ model that has _____ when _____ to _____ gears in a _____ transmission?

Are certain _____ to _____ changing into _____?

_____ related issues different across different _____?

Can different _____ have different _____?

Do certain models have _____ transmissions' _____?

Is there _____ or model _____ has encountered issues _____ to shift _____ a _____ transmission?

_____ vehicles _____ face problems _____ shifting _____.

Certain _____ have _____ chance _____ when engaged _____ specific/manual gear.

_____ there any particular _____ brand _____ that has encountered issues trying _____ in _____ transmission?

Which _____ is more _____ to _____ in manual _____?

_____ some _____ face more challenges with _____?

_____ manual transmissions?

Is it _____ car brands _____ manual _____ engagement?

_____ there a _____ brand _____ model of _____ has _____ issues _____ to shift gears in _____?

Is it possible _____ tell _____ whether _____ struggle _____ when it _____ to engaging _____?

Is _____ and models better _____ to _____ gears?

Do _____ face _____ when engaging _____ transmission _____?

_____ certain vehicles more likely _____ gear _____?

_____ make/model more prone _____?

_____ certain _____ have trouble with _____ engagement?

Is _____ model that has encountered issues _____ gears in _____ manual transmission?

Is _____ possible _____ brands struggle _____ manual _____ gear engagement?

_____ tends to have more _____ with manual _____?

Does _____ it more _____ difficulties engaging _____ gears?

Is _____ that specific cars _____ challenges _____ others _____ using _____ transmissions?

_____ certain brands _____ with _____ gear _____?

Are _____ more _____ to _____ engaging specific/manual _____ gears?

Do _____ more difficulties _____ transmission gears?

Is there _____ particular _____ struggle _____ moving into specific/manual _____ positions?

Is _____ brands may _____ they shift _____ specific gear positions?

_____ gears, any _____ prone to _____?

Which _____ have more trouble _____ gears?

Is certain _____ more likely to _____ manual _____?

_____ more _____ to _____ when _____ into certain _____ transmission gears?

_____ certain models _____ challenge engaging specific _____ gears?

_____ vehicles _____ more trouble engaging _____?

_____ specific _____ handle _____ manual _____?

Certain cars _____ higher chances of _____ specific/manual _____.

_____ challenges with specific transmission _____.

Do _____ transmission _____ different _____ manufacturers?

_____ certain _____ have _____ higher _____ issues _____ their manual?

_____ certain _____ a _____ of _____ when shifting gears?

_____ have more _____ with their transmission gears?

_____ true _____ with specific _____ have more _____ than others?

_____ models of _____ subject to _____ hurdles changing _____ selected/manual _____?

_____ models _____ more _____ to have issues _____ transmission?

Do manual _____ between different automobile manufacturers _____?

_____ more _____ experience problems shifting gears.

_____ certain _____ automobiles _____ cars that are more prone to trouble _____ transmission _____?

_____ certain models _____ higher _____ issues shifting their _____?

What car models are _____ prone _____ with _____?

_____ car _____ have _____ engaging _____ transmission _____?

_____ makes _____ challenges _____ manual gears?

Do _____ more trouble engaging _____?

Is it possible _____ me _____ makes/models _____ more when _____ comes _____ engaging manual _____?

_____ models have _____ with _____ gear?

_____ cars/models are _____ likely _____ have _____ when _____ specific/manual _____.

Is _____ possible _____ models _____ trouble engaging _____?

Do _____ vehicles face _____ accessing _____?

I wonder if _____ have _____ gears.

Is certain car _____ bad _____ transmission _____?

_____ there increased challenges _____ transmission _____ for some _____?

_____ possible that some _____ face increased _____ with _____ transmission _____?

Do _____ manual _____ across models?

Some _____ have _____ when _____ manual transmission _____.

_____ it true that _____ cars that _____ gears _____ challenges than _____?

_____ cars having trouble _____ manual _____?

Is _____ likely to _____ challenges?

Is it _____ which _____ more when shifting into _____ gear _____?

Does _____ specific/manual gear _____ car brands _____?

Is _____ likelihood of issues with specific _____ for _____?

_____ some vehicles _____ difficulty accessing _____ shifts?

_____ experience problems while _____ manual transmission _____?

Do manual _____ differ _____ car _____?

Do _____ transmission-related _____ differ _____ manufacturer _____?

Is _____ likely to fail _____ engagements?

_____ cars have _____ transmission gears.

Do _____ transmission issues differ _____?

_____ certain _____ higher chance _____ having _____ when shifting gears?

_____ it possible _____ certain vehicle _____ have issues _____ shift _____?

_____ car brands _____ gear.

_____ certain models _____ a higher chance _____ difficulties _____ manually?

Is certain models _____ manual transmission _____?

_____ certain _____ trouble with transmission _____ engagement?

Some vehicles may _____ in _____.

Which makes/models are _____ to _____ specific/manual _____?
