

[Demo] NLP Dataset for Customer Service Automation

Company Type	Home Appliance Manufacturers
Inquiry Category	Product usage and functionality questions
Inquiry Sub-Category	User manual requests
Description	Customers request copies of the user manuals for their home appliances, seeking instructions on how to operate the devices properly and safely.
Data Size	5,937 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Home Appliance Manufacturer" customer inquiry. (Purchased data will not be masked.)

Can you share ____ on optimizing energy ____ air ____ ?

Is it ____ make my ____ efficient ____ summer?

If you ____ any idea ____ make A/Cs chill without ____ arm ____ hot ____ please ____ know.

Do you ____ ways to ____ air ____ efficiency ____ summer?

____ energy ____ ACs during the heat?

I ____ if there ____ tips on ____ with summer ____ use.

____ can ____ share ____ for air conditioners?

Can you help ____ AC power in ____ ?

____ advice ____ saving during ____ months?

What ____ do to ____ my ____ energy ____ during ____ days?

How can we ____ air ____ use?

____ best use ____ conditioning?

____ for ____ the energy ____ A/C ____ in warm seasons should ____ by ____ .

____ about enhancing ____ efficiency ____ months?

____ on how to use ____ conditioning ____ the summer?

How ____ air ____ work ____ the summer?

How ____ we ____ efficiency?

____ about ____ that keep my air ____ in the ____ ?

____ of air conditioners ____ summer.

____ we ____ to ____ summer AC ____ ?

____ tips ____ saving in ____ months?

____ enhancing ____ unit efficiency during hot ____ ?

____ you ____ any ____ for ____ air ____ efficiency?

There ____ ways to save energy ____ .

____ for ____ efficiency during summer?

____ about ____ weather AC hacks ____ ?

____ give tips ____ how ____ use ____ in ____ summer?

How ____ I make ____ run better in ____ ?

How should ____ AC's ____ efficiency during ____ summer?

_____ can _____ the _____ efficiency of _____ conditioner during _____ summer?

_____ thinking _____ cooling unit _____ during _____ hot months?

_____ can _____ make _____ efficient this summer?

Some _____ to _____ AC _____

Suggestions _____ efficient _____ during the _____.

_____ the summer, _____ AC use?

Do _____ have _____ on how to _____ more energy _____?

How _____ energy efficiency _____?

_____ steps _____ take to _____ my _____ energy efficiency _____ the summer?

_____ you have _____ maximizing air conditioners _____?

Is _____ way _____ my _____ AC power _____ the hotter months?

_____ tips for efficient AC _____ summer?

How do you _____ on cooling costs _____?

Do _____ have ways to _____ for _____ conditioners in _____?

Saving electricity _____ summer _____ I _____ know more about.

Are _____ able to help _____ energy _____ while _____ air _____?

There are _____ know _____ efficient _____ air _____.

_____ to make _____ air conditioning more energy _____ the _____?

_____ efficient AC _____ in _____ summer?

Is there any _____ to make sure _____ during _____?

_____ on efficient _____ of _____ during _____.

_____ there any _____ save _____ energy during _____ summer?

How _____ make sure my a/c _____ in the summer?

_____ to _____ sure _____ uses _____ power _____ the summer?

How about _____ with _____ A/C _____?

Can you tell me _____ the _____ when using _____ conditioners?

Do _____ any suggestions on _____ to _____ energy efficient?

There _____ any _____ hacks for _____ the hot _____.

Are there AC _____ the _____?

_____ there _____ regarding maximizing AC _____ this _____?

If you _____ advice on _____ A/Cs _____ spending an arm _____ hot summer, please _____ know.

_____ improve summer AC _____

Can _____ achieve the _____ energy _____ while using air _____?

What _____ the _____ ways _____ summer _____ conditioning?

How _____ improve _____ conditioning?

_____ do you _____ some _____ AC _____?

_____ advice on efficient AC use _____.

_____ way to _____ the power _____ of my home's AC _____ hotter _____?

Suggestions _____ efficient _____ use _____ the _____.

Is there advice for Optimizing _____?

_____ can _____ make my AC more _____?

How about _____ AC hacks, _____?

_____ there a _____ the summer A/C use?

Is there _____ information _____ make my _____ more _____ this _____?

How can _____ lower the power usage _____ AC _____ months?

_____ it possible _____ save _____ energy during _____?

_____ need any secrets to make _____ in the _____.

Do you know how _____ the _____ of _____ air _____?

What is the best _____ to save _____ costs _____?

How _____ enhance _____ energy performance of _____ units _____ season?

_____ AC's _____ efficiency during the _____?

How can _____ AC _____ summertime?

In _____ can _____ improve _____ efficiency?

Is _____ a _____ the energy performance of A/C units _____?

Advice to _____ energy _____ of the _____?

Is it _____ to _____ when _____ AC in _____.

Improve _____ efficiency

How _____ AC maximize their _____ during _____?

_____ possible to _____ in the summertime _____ conditioning?

Is _____ any _____ on how _____ with air _____?

Is there _____ efficient _____ air _____?

Suggestions _____ efficient _____ of _____ conditioners _____ the _____

advice _____ summer _____ use

_____ the _____ any _____ on _____ use?

How _____ tips for _____ air _____?

_____ I _____ AC's energy efficiency better _____ summer?

How _____ you _____ energy performance of A/C _____ seasons?

Do you recommend _____ money on _____ hot _____?

_____ want to know if _____ are any ways to _____.

_____ to make _____ efficient during _____?

How _____ energy consumption _____ the _____?

_____ I make _____ more efficient _____ summer?

_____ any advice on efficient _____ use _____ the _____?

_____ can we improve _____?

I would _____ to know _____ the energy performance of _____ in _____.

_____ can I improve air _____?

To _____ AC _____?

_____ you _____ hot _____ AC hacks?

_____ you advise _____ on how to maximize _____ efficiency _____?

_____ it possible _____ share _____ enhancing the energy _____ of _____ units during _____?

_____ improve my AC _____ summer?

_____ have _____ for _____ energy in the _____?

_____ improving _____ AC efficiency?

_____ unit efficiency in _____?

I _____ tips to _____ energy efficiency _____ the summer.

_____ techniques _____ the energy _____ of A/C units _____ warm _____.

_____ during the summer?

If _____ any knowledge _____ make A/Cs chill without costing _____ arm in _____ summer, _____ know.

_____ my _____ conditioner's efficiency during the summer?

_____ any information on how _____ with _____ conditioners?

How _____ tips for _____ air _____?

_____ could you _____ AC _____?

_____ conditioner _____ can _____ improved _____ the _____ months.

During _____ any energy _____ the _____?

_____ you _____ me _____ to achieve _____ while _____ air conditioners?

How _____ save _____ summer A/C _____?

How _____ on AC _____ summer?

Are there _____ efficiency _____ months?

Is _____ make _____ a/c uses less power during the _____?

_____ you tell _____ to save energy _____ air _____?

_____ can I _____ the power consumption of _____ hotter _____?

_____ it _____ to save _____ using AC _____?

_____ you have _____ ideas on how _____ efficiency _____ the summer?

Can you give _____ some _____ save _____ conditioning?

Can _____ tell me how _____ save energy _____ in _____?

_____ on _____ to use _____ in the _____?

_____ give _____ advice on air conditioner _____ use?

_____ I _____ the efficiency _____ my _____ in _____ summer?

_____ to make my a/c _____ power _____ summertime?

Share _____ increasing the _____ performance _____ in warm seasons.

I _____ interested _____ how _____ electricity with summer _____.

_____ you give _____ during hot _____?

Talk _____ use _____ air _____ the summer.

_____ good _____ for efficient AC use in _____?

Is _____ to _____ saving tricks _____ conditioners in _____ summer?

_____ any hot _____ hacks?

_____ to use _____ more efficiently?

_____ to save _____ summer?

How _____ we _____ summer _____?

_____ the _____ do _____ improve air conditioner _____ efficiency?

ACs _____ energy _____ hot _____.

Do _____ any _____ to _____ air _____ efficiency in the _____?

_____ some ways to _____ air _____?

Should _____ enhancing cooling _____ in hot _____?

Do you _____ any _____ hacks _____ during _____ summer months?

Is _____ way _____ save _____ summer A/C use?

_____ want to _____ optimal energy efficiency _____ air _____ during _____.

In _____ summer, what _____ to make _____ AC more _____?

How _____ I _____ conditioning _____ energy efficient _____ summer?

Is _____ to share _____ tricks for _____ air _____?

Is _____ advice _____ summer energy usage?

Does _____ advice on _____ AC efficiency _____ season?

Can _____ any secrets _____ make _____ less juice this _____?

_____ need _____ energy-wise hacks _____ keep _____ air _____ sharp _____ the _____.

_____ can we _____ with air _____?

_____ there _____ can do to save _____ summer _____ use?

Do _____ know how _____ conditioner energy _____ during the _____?

Do _____ have any _____ save AC _____ during _____?

How can _____ air conditioners _____ hot weather?

_____ energy _____ for _____ summer?

Ways to _____ sure _____ a/c uses _____ during _____?

Talk about efficient _____ conditioners _____ the _____.

_____ can I _____ efficiency in the summer?

_____ can I _____ energy efficiency _____ the hot _____ months?

Any _____ for saving _____ with _____?

How can my _____ energy- _____ during the _____?

Talk about efficient _____.

_____ efficient _____ during the summer?

_____ there _____ secrets to make _____ in summer?

Can _____ suggest _____ energy hacks _____ hot summers?

Do you _____ save _____ energy during _____ summer?

Anyone _____ energy hacks _____ during hot _____?

_____ you _____ the _____ tips _____ hot months?

_____ there _____ for Optimizing _____ Summer Energy _____?

_____ you help me achieve _____ best energy _____ using _____?

Advice _____ AC's _____ during the _____?

_____ a way _____ the energy _____ of A/C units during _____?

There are ways to _____ a/c _____ power _____.

_____ are _____ to _____ AC in summer?

How _____ I _____ efficiency?

_____ there any energy _____ during _____ summer?

_____ Summer, how can I _____?

_____ I _____ AC's energy efficiency during the _____?

_____ there a way _____ save energy _____ in _____?

How can _____ improve _____ AC's _____ efficient _____ summer?

_____ any ideas _____ how to _____ conditioner energy efficiency in _____?

_____ you _____ any _____ energy _____ of A/C units _____ warm seasons?

Is it _____ share _____ energy _____ with _____ in summer?

_____ AC effectively in the _____?

How _____ more _____ out of the _____?

How can I _____ of _____ during the summer?

_____ you willing _____ share _____ tricks _____ conditioners in _____ summer?

Do _____ any secrets _____ the cooling system during _____?

_____ about _____ conditioner _____ efficiency _____ the summer?

_____ looking for _____ AC use _____ the summer.

_____ possible to make _____ more _____ efficient _____ summer?

How about _____ to keep my _____ the heat?

_____ any way to _____ tips _____ air _____ during the summer?

_____ the _____ more efficient in summer?

In the _____ how can _____ air conditioner's _____?

This _____ how can _____ make _____ more _____?

Is _____ to improve cooling _____ hot months?

_____ conditioning tips in _____?

Are _____ able _____ energy-saving tricks _____ air _____?

_____ you have _____ suggestions _____ maximizing _____ conditioner's _____?

How to _____ in _____ conditioning?

How _____ my A/C's juice _____ the _____?

How to improve _____ efficiency _____?

Is it possible to _____ tips on energy _____ summer?

Do _____ any _____ how to improve air _____?

How _____ I _____ my _____ use less _____ in _____?

_____ in the summer can _____.

_____ there _____ way _____ increase the energy performance _____ A/C units _____?

_____ on _____ to _____ conditioners _____ summers.

Can _____ give advice _____ to save energy _____?

_____ it _____ to _____ energy-saving _____ for air conditioners in _____?

_____ you _____ tips on _____ during hot _____?

How _____ my _____ juice come summer?

_____ share energy saving _____ for _____?

Tips _____ efficient _____ use _____ summer?

In _____ can _____ energy-saving _____ for air conditioning?
 There _____ ways to improve _____.
 _____ some tricks _____ can _____ air conditioner usage?
 _____ hacks _____ hot summers
 Suggestions on _____ maximize AC's _____?
 _____ enhancing cooling _____ hot months?
 Any _____ on _____ to _____ power _____?
 Can _____ me _____ to _____ AC energy _____ summer?
 Is _____ instructions on how to _____ energy _____?
 _____ help _____ the energy performance _____ during warm seasons?
 Should you _____ enhancing _____ energy performance _____ A/C _____ warm seasons?
 How _____ power consumption of _____ home's AC over the _____?
 _____ tell me how _____ save _____ air conditioners?
 What are the _____ efficient _____ air _____?
 _____ can I _____ the AC _____ during the _____?
 _____ can _____ to _____ conditioner efficiency _____ the summer months?
 Is _____ possible _____ air conditioner energy _____ the _____?
 _____ for maximizing AC's _____ use _____ summer _____?
 _____ me how _____ achieve optimal _____ efficiency when _____ air _____?
 _____ can do to _____ optimal energy efficiency _____ air conditioners?
 How _____ the _____ AC during the summer?
 _____ AC hacks when _____ weather is _____?
 Is it _____ save _____ in the _____ with _____?
 Do you have any _____ energy efficiency?
 Is _____ chance _____ know how to _____ A/Cs _____ without costing _____ in a _____?
 How _____ reduce the power _____ my home's _____ in the _____?
 Is _____ for _____ air conditioning?
 _____ ideas _____ use of _____ conditioners.
 _____ suggestions on how to _____ AC's _____ during _____?
 _____ can we _____ my AC's _____ efficiency _____ the _____?
 Improving cooling unit _____?
 Do you have _____ for improving _____ efficiency?
 Can I _____ air conditioning _____ energy _____ summer?
 Suggestions for _____ use _____ the _____.
 Do _____ any _____ on efficient _____ conditioning?
 _____ it possible to _____ tips with air conditioners _____?
 _____ to _____ energy _____ during the _____?
 _____ you have _____ saving money on _____ during _____ summers?
 _____ for maximizing _____ energy _____ summer.
 Discuss _____ enhancing _____ energy _____ of _____ units in _____ seasons.
 How _____ I maximize the _____ of _____ hot weather?
 Do you have any suggestions _____ energy _____ summer?
 Ways _____ improve _____ conditioning _____.
 Can I make _____ air _____ energy efficient _____?
 What is _____ best way _____ in the _____?
 What _____ I _____ to make my AC _____ energy efficient during _____?
 Is there any _____ unit _____ hot months?
 _____ it _____ to _____ tips for air conditioners _____ summer?
 _____ can I make _____ more energy-saving _____ the _____?
 _____ some energy-wise _____ to _____ my air _____ in _____ summer?

Is it possible _____ tips on energy efficiency _____ conditioners _____?

_____ some energy-wise hacks to keep _____ running _____?

_____ tell me _____ the _____ performance of A/C _____ warm seasons?

In _____ how can I _____ efficiency _____ my _____?

_____ for _____ AC's summertime _____?

In the _____ I _____ AC _____?

_____ there _____ way to improve _____ efficiency in _____?

_____ possible _____ use _____ tricks for air conditioners _____ the _____?

_____ the summer, can I make _____ efficient?

Suggestions on how _____ use _____ the summer.

What can _____ my AC's _____ efficiency better _____ the _____?

_____ you tell us how to _____ the summer?

_____ way _____ the energy performance _____ A/C units during _____ seasons?

Is there any _____ on _____ use air _____ the _____?

Making _____ more efficient _____ the _____?

_____ you giving tips _____ months?

_____ increase my air _____ in the summer?

I want _____ improve the _____ performance of _____ warm seasons.

_____ for _____ energy efficiency during _____.

_____ need advice _____ saving electricity _____ use.

_____ you know _____ ways _____ conditioner effectiveness?

Do _____ any energy-saving tricks for _____ in _____?

_____ AC's summer energy _____?

_____ possible _____ give _____ save _____ with _____ in the summer?

_____ about _____ hacks during the _____?

Suggestions _____ energy hacks for _____.

AC _____ hot weather?

_____ air _____ more efficient _____ summer?

_____ hacks for _____ ACs during _____?

_____ how to use _____ conditioners _____ efficiently.

_____ on how _____ cooling _____ during hot months?

_____ are any energy _____ hot summers?

_____ air conditioner energy efficiency _____?

_____ can I maximize the _____ my _____ conditioners in _____?

Is _____ possible _____ with air conditioners _____ the summer?

Looking _____ cooling _____ hot months.

_____ know how to _____ efficiency in the summer?

What tips _____ you _____ conditioner efficiency?

How _____ the energy performance of A/C _____ during warm _____?

_____ you _____ suggestions _____ how to improve _____ conditioner efficiency _____ summer?

Are _____ how _____ improve _____ efficiency with _____ conditioners _____ the summer?

_____ you _____ me how to improve _____ efficiency in _____?

How do _____ energy- efficient in _____ summer?

How _____ you improve _____ of A/C units in _____?

What's _____ to save _____ costs _____ hot summers?

_____ to _____ energy _____ the _____?

How can _____ save money _____ during hot _____?

_____ the summer, _____ efficient AC _____.

Is there _____ in summer _____?

I would like _____ to _____ energy performance of A/C _____ during _____.

_____ there any _____ energy-saving when _____ air _____?

_____ to _____ summer _____ efficient?

_____ there a way to _____ the _____ my AC in _____?

_____ a way _____ sure my a/c conserves more power _____?

How _____ I _____ my _____ summer?

How _____ my ac _____ this _____?

_____ can _____ improve _____ AC's _____ efficiency during the _____?

Suggestions on _____ to _____ AC's _____ this _____.

How _____ I _____ my air _____ the summer?

How _____ air _____ efficiency _____ summer?

What steps _____ take _____ my _____ efficiency in the _____?

_____ it make sense to share _____ energy _____ air _____ during _____?

_____ maximize _____ air conditioners?

_____ a guide _____ efficient _____ conditioning?

_____ there a _____ to share _____ tricks for air _____?

How _____ use _____ conditioners _____ efficiency?

Is there _____ have learned how to make _____ without _____ in a _____ summer?

Do _____ have any techniques for _____ performance _____ warm seasons?

_____ unit efficiency during _____ months?

_____ to _____ me how to _____ optimal energy _____ using _____ conditioners?

Is there a _____ cooling _____ efficiency _____ hot _____?

Advice on how to _____?

_____ maximizing AC's _____ efficiency _____ the _____

How about maximizing AC's _____?

Is there anything that _____ summer air _____?

_____ save money _____ cooling costs in hot summers?

Is it possible _____ tips _____ energy efficient air _____?

_____ summer _____ more efficient.

Ways _____ AC inefficiency.

_____ to make efficient AC _____?

_____ recommend _____ to improve _____ conditioner energy _____?

_____ how _____ air conditioners effectively in the _____.

Is there _____ help _____ summer air conditioners?

_____ talk about efficient summer _____?

How do you save _____?

Do _____ have any _____ to increase _____ in warm seasons?

Does anyone have _____ for _____ AC efficiency _____?

_____ can my _____ more _____ in _____ summer?

_____ you _____ me how to _____ on _____ power _____ heat?

Is there _____ advice _____ efficient AC _____ summers?

You need _____ for _____ months.

Can you tell _____ on AC power in _____?

How _____ my _____ efficiency during the summer _____?

How do _____ conserve energy _____ summer with _____?

Is _____ ways to _____ AC _____?

Is it _____ share _____ tricks _____ air _____?

_____ can I _____ efficiency _____ the summer?

Recommendations _____ AC use _____ summer.

Can _____ tell _____ how _____ efficiency when using _____ conditioners?

_____ can I _____ the _____ of _____ air _____ the summer?

I need advice _____ maximizing _____ efficiency during _____.
 Do _____ how to _____ when using _____ conditioners?
 _____ on _____ AC's _____ efficiency during summer.
 Is _____ any _____ the _____ consumption _____ my home's AC in the _____?
 _____ can _____ save AC _____ in _____?
 Is there a _____ saving tricks _____ air _____?
 What _____ the _____ for _____ my _____ more _____ summer?
 _____ on _____ of airconditioning in _____.
 Are _____ able _____ efficiency with air conditioners during the _____?
 During hot _____ any _____ ACs?
 How about _____ hacks _____ keep _____ air _____ sharp during _____ hot _____?
 _____ you able to _____ on _____ efficiency _____ air _____?
 _____ anyone _____ how to _____ electricity _____ A/C use?
 _____ the _____ of summer airconditioning?
 _____ to save _____ using AC in _____?
 _____ I increase air conditioner _____?
 _____ give me _____ tricks to _____ power in the _____?
 During hot summers are _____ ACs?
 How _____ energy in the _____ air conditioning?
 _____ tips for _____ use in the _____?
 _____ sharing techniques for improving the _____ performance _____ units _____ season?
 _____ the _____ do you _____ for efficient _____ use?
 _____ some _____ hacks to _____ my air _____ sharp in the _____?
 Do you _____ tips _____ air conditioner energy efficiency _____?
 Is _____ any _____ on _____ conditioner energy _____ in _____?
 _____ energy _____ for _____ during warm _____?
 Is there a way _____ lower _____ my AC _____ the _____?
 _____ you have a _____ on how _____ improve _____ conditioner _____?
 _____ efficient _____ use _____ the _____.
 Should there _____ to _____ AC _____?
 _____ it possible to _____ techniques for enhancing _____ performance of _____?
 Should _____ be _____ ACs _____ hot summers?
 You should share _____ the _____ performance of _____ units _____ warm _____.
 How to use _____ the _____?
 _____ for _____ AC's _____ energy _____.
 _____ use _____ air conditioners _____ summer
 Tips _____ AC use _____ summer?
 _____ are the _____ to _____ cooling costs during hot _____?
 _____ any _____ for _____ summer energy _____?
 _____ you offer _____ on _____ to maximize _____ using air conditioners?
 _____ know _____ to _____ the _____ performance _____ units in warm seasons?
 _____ increase my _____ efficiency during the summer?
 _____ are ways _____ improve _____ in _____.
 In the summer _____ you _____ efficient AC _____?
 How can I make _____ AC _____ during _____ season?
 _____ you have _____ suggestions on how to _____ air _____?
 _____ best way to save money _____ during _____ summer _____?
 Do you know _____ to increase _____ energy _____ of _____ seasons?
 How _____ summer _____ usage?
 Can you please _____ me _____ energy _____ of A/C units _____ warm _____?

____ might ____ improve ____ efficiency?
 How ____ make ____ air ____ in the ____?
 ____ about ____ use ____ conditioners in ____.
 In ____ summer do you have ____ use?
 ____ need AC efficiency ____ hot ____?
 ____ we ____ AC efficiency?
 How ____ summer AC ____?
 Could ____ improve summer AC ____?
 ____ know ____ can help ____ achieve ____ energy efficiency while using air ____.
 Do ____ any ____ to save ____ this summer?
 ____ the air ____ work better ____ the summer?
 ____ AC ____ tips in ____?
 ____ give ____ on how to ____ electricity in the ____?
 Is it possible to make ____ summer?
 Did you ____ how ____ enhance ____ energy performance of ____ during ____?
 Suggestions ____ of air ____ in ____
 ____ AC efficiency ____ for ____?
 Saving ____ during ____ with A/C ____?
 In ____ how ____ AC efficiently?
 How ____ improve ____ conditioner energy efficiency during ____?
 Is ____ possible ____ maximize ____ efficiency ____ air ____ the summer?
 How ____ some hot ____?
 ____ there any suggestions ____ how ____ improve air conditioning ____ summer?
 ____ there an ____ for ____ conditioners ____ the summer?
 ____ way to save energy ____ using AC in ____?
 ____ tips for summer?
 Is ____ any ____ to save ____ A/C use?
 Is there a way ____ lower ____ home's AC ____ in ____?
 ____ there ____ to ____ sure ____ a/c ____ use too much ____ during ____ summer?
 ____ for you ____ show ____ how ____ achieve optimal ____ efficiency when ____ air ____?
 ____ have ____ suggestions to ____ power ____ A/C units?
 ____ need AC efficiency ____ the ____?
 ____ can ____ sure my a/c ____ less power ____?
 ____ tricks ____ use less ____ conditioner?
 ____ of enhancing ____ hot months?
 ____ on ____ to save ____ air ____.
 ____ the ____ to ____ on ____ during the hot summers?
 Suggestions ____ to maximize AC's energy ____ summer.
 ____ you ____ of any ways ____ improve ____ conditioner ____?
 ____ have any tips to ____ AC ____ this ____?
 ____ any ____ on how to save ____ air ____?
 ____ can ____ save money on cooling ____ during hot ____?
 Suggestions about ____ efficiency ____?
 How ____ conserve ____ air conditioning during ____ summer?
 ____ have any tricks ____ power with ____ units?
 Is there ____ to ____ air ____ energy ____ the summer?
 In summers, ____ any advice on ____ AC ____?
 What ____ we ____ to ____ with summer air ____?
 Is ____ good advice ____ AC ____ in ____ summer?
 Some ____ hacks for ____ hot ____.

_____ Hot Weather AC _____?
 Which _____ improve summer _____?
 _____ you give _____ conditioners _____?
 _____ sure my _____ power during the summer.
 _____ it a good idea to _____ conditioner energy _____?
 _____ you _____ ideas about how to _____ conditioner _____ efficiency?
 In the _____ I save energy with _____?
 How _____ I make _____ AC _____ energy _____ this _____?
 _____ are ways to _____ my AC _____ efficient _____.
 _____ is _____ way to _____ my AC more efficient _____?
 _____ can you _____ me _____ improving _____ conditioner _____ the summer?
 What _____ some _____ weather _____ conditioning _____?
 What _____ some tips _____ summer _____?
 _____ you tell _____ to _____ my _____ less juice during _____ summer?
 _____ way to _____ my AC more _____ the summer?
 How do I _____ my _____ conditioner _____ summer?
 _____ the _____ summers, any energy _____?
 Ways _____ summer _____ efficiency?
 Is _____ possible _____ my a/c use _____ the summertime?
 Can _____ tell me _____ maximize energy _____ while _____ conditioner?
 _____ there _____ tips on _____ my _____ more efficient _____?
 How can _____ less energy during the _____?
 Do you have _____ tips on _____ energy _____ with _____?
 _____ to use AC _____?
 Is there _____ I can save _____ A/C _____?
 Discuss _____ of air _____ summer.
 Can _____ give _____ any _____ for energy-saving _____ air _____?
 In the _____ tips for _____ use?
 _____ I _____ the power consumption _____ home's _____ the hotter months?
 How can I _____ air conditioning _____ the _____?
 _____ you have _____ efficient AC use _____ the _____?
 _____ the summer _____ can _____ make my AC _____?

 _____ tips for efficient _____ use _____ summer?
 _____ summer how can _____ conditioner be _____ efficient?
 _____ I _____ AC _____ energy efficient in _____ summer?
 _____ for AC's _____ during _____ summer?
 _____ can I improve my _____ efficiency _____?
 How can _____ improve my air _____ summer _____?
 What _____ you _____ for _____ efficiency this season?
 Can _____ give _____ advice _____ on air conditioning?
 Is it _____ give tips to _____ using _____ in _____ summer?
 Ways _____ get _____ summer _____?
 _____ do _____ more efficient in the summer?
 Is _____ any energy hacks _____ ACs _____?
 _____ there something to _____ unit _____ during _____ months?
 In _____ do you have _____ efficient _____ use?
 In the summer _____ with _____ conditioning?
 _____ you _____ to _____ the energy _____ of _____ units during _____ seasons?
 Do you _____ for _____ weather?

_____ ACs _____ the hot _____ months.

How can _____ air _____ in the summer?

_____ a way to _____ AC's _____ during summer?

_____ you show _____ to save _____ power in _____?

How can _____ more efficient this _____?

_____ there _____ to _____ AC efficiency?

_____ increase _____ conditioning efficiency?

_____ the _____ what are _____ tips _____ efficient _____ use?

_____ your summer _____ conditioning?

_____ you _____ how _____ achieve the best _____ efficiency _____ using _____ conditioning?

How _____ we improve _____?

How to _____ sure _____ conserves _____ during _____ summertime?

Suggestions _____ AC's energy _____ the _____?

_____ give me tips _____ to use air _____ efficiently?

Do you know how to _____ of _____ in warm _____?

Suggestions on improving _____ unit _____.

_____ I make _____ power during the summer?

Can you tell _____ guidance for energy-saving _____?

Are _____ guide _____ on _____ maximize energy efficiency while _____ conditioners?

There's _____ chance _____ have knowledge _____ how to _____ chill _____ costing an arm _____ summer.

In the _____ I make my _____ efficient?

Do _____ efficiency _____ in the _____?

How can I _____ a/c _____ use too much _____ summer?

Is _____ you _____ save _____ when _____ AC _____ the summer?

How _____ more power _____ summer?

_____ you _____ conditioner energy _____ this summer?

Suggestions on _____ improve summer _____.

_____ can _____ improve my _____ energy _____ it's warm?

Do you _____ any techniques _____ enhancing the _____ units _____ seasons?

Are _____ capable of _____ tricks for _____?

What _____ the best _____ to maximize AC's _____?

_____ have any _____ on _____ to _____ conditioner efficiency _____ summer?

Advice for maximizing summer _____?

What _____ I _____ air conditioner more efficient this _____?

_____ can _____ increase the _____ efficiency of _____ unit during _____?

_____ energy hacks _____ hot summers?

There are ways _____ save _____ summer.

_____ there _____ advice to _____ air conditioner _____?

How _____ I _____ AC more _____ efficient this _____?

Did _____ know how _____ improve air _____ in the _____?

_____ help with AC _____ in _____?

_____ to be more efficient this summer?

_____ give tips to save _____ using _____ during _____ summer?

_____ there any _____ of enhancing _____ unit efficiency _____?

_____ need advice on how _____ in _____ summer.

_____ can _____ to improve air _____ efficiency _____ summer?

Is there a _____ save energy _____ summers?

_____ need AC efficiency _____ for _____ summer _____?

Any _____ maximizing _____ energy _____ summer?

Is it _____ help _____ air conditioners _____ the summer?

_____ you _____ ways _____ improve _____ energy performance _____ A/C units in _____ ?
_____ about some energy-wise _____ to _____ my air _____ sharp _____ horrible _____ ?
_____ any _____ maximizing AC efficiency this _____ ?
_____ about _____ energy usage?
_____ you tell me _____ to _____ the _____ efficient _____ conditioners?
Is _____ advice _____ summer energy _____ ?
I want _____ how to save _____ AC _____ in _____ .
How can you save _____ costs _____ hot _____ ?
_____ on how _____ summer energy _____ ?
What _____ I do _____ increase _____ AC _____ the _____ ?
How might I _____ efficient _____ summer?
_____ sharing techniques for enhancing the energy performance _____ season?
_____ I _____ my _____ energy efficiency during the _____ ?
_____ can I do to _____ my air conditioning _____ ?
_____ we _____ at _____ cooling unit _____ during _____ months?
How _____ we _____ efficiency?
_____ summer _____ there _____ efficient AC _____ ?
Any advice on _____ energy _____ during summer?
Energy-saving _____ for air _____ summer.
_____ to make air conditioners _____ ?
_____ are the best _____ AC use in _____ ?
I _____ there are any _____ to save _____ A/C use.
What _____ you tell me about _____ ?
How _____ make _____ more _____ this summer?
_____ for efficient use _____ air _____ in _____
_____ can _____ AC _____ improved?
Oh, _____ about some _____ hacks?
_____ it _____ idea to improve air _____ energy _____ this _____ ?
How about _____ hacks?!
_____ can share _____ tips for _____ .
_____ energy efficiency in summer?
_____ is _____ summer air _____ tips?
Suggestions _____ for _____ hot summers.
_____ on how to save _____ A/C _____ ?
Need AC _____ hotter months?
In the _____ can _____ make _____ air conditioner _____ ?
Is there _____ advice on _____ to _____ conditioner _____ .
_____ there _____ weather AC _____ for _____ ?
Is _____ air conditioner efficiency _____ the summer?
_____ be some _____ weather AC _____ ?
How _____ I make _____ a/c _____ power _____ summer?
_____ can _____ make my air _____ more _____ summer?
