

[Demo] NLP Dataset for Customer Service Automation

Company Type	Automotive manufacturers
Inquiry Category	Vehicle recalls and safety concerns
Inquiry Sub-Category	Product defect concerns
Description	Customers express concerns about specific defects in their vehicles, seeking clarifications, guidance, or potential remedies for issues that affect the performance, functionality, or safety of their vehicles.
Data Size	6,240 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)

____ reports ____ overheating engines leading to fires ____ also ____ releases too?
 ____ you ____ overheating engines ____ fires affect older ____ releases?
 ____ the ____ show ____ older ____ are ____ in ____ engine fires?
 ____ me ____ the overheated ____ the fires impact only older ____?
 ____ reported ____ overheating engines ____ to fires involve ____ older ____?
 ____ newer models may have fires from ____ well?
 ____ overheating related to older ____ of ____ engine ____?
 Is ____ that overheating ____ to ____ new ____ old releases?
 If ____ older ____ latest ones are ____ engine ____ overheating?
 Can ____ tell ____ overheated ____ resulting ____ fires ____ older models?
 ____ and fire ____ related ____ older versions ____ engine ____ newer edition?
 ____ it known if newer ____ are implicated in ____?
 ____ info ____ whether ____ versions face fire ____ due to ____?
 ____ incidents due ____ overheating have been ____ do they ____ editions ____ well?
 Are ____ overheating of fire engines ____ new models?
 ____ there indications that ____ of the ____ are involved ____?
 ____ any ____ newer models experiencing ____ fires ____ overheating?
 ____ you tell if ____ overheated engines ____ cause ____ impact older ____?
 ____ the incidents ____ engine ____ from ____ recent ____ or ____ limited ____ older models?
 Is it known ____ fires also affect ____?
 ____ and newer ____ catch fire ____ to ____?
 ____ possible that old ____ versions of your ____ have had fires ____?
 ____ known ____ old ____ new models experience ____ as a ____ of ____ temperature ____?
 Are overheating ____ fire ____ related ____ versions of the ____ newer ____?
 ____ the ____ indicating ____ versions ____ ones ____ fire hazard ____ to overheating engines?
 ____ it ____ overheating engines causes fires ____ older ____ versions?
 Do ____ fires from overheating ____ newer models ____?
 ____ there reports about ____ in ____ and new ____?

Is _____ that overheating _____ leading _____ involve _____ older releases?
 _____ that overheating engines _____ to _____ involve only _____ versions _____ newer _____ too?
 I want to know _____ in older _____ newer engines.
 _____ old and _____ your _____ fires caused by engine overheating, _____ the _____ mention that?
 _____ whether _____ new models experience combustion when engine _____ rise?
 Is it _____ overheated _____ cause _____ newer releases?
 _____ the fire-related _____ overheating in _____ new _____?
 _____ known if the _____ engine _____ involve old _____ or _____ ones?
 _____ possible that overheating _____ leading to fires _____ versions?
 Is _____ possible that overheating _____ to _____ fires _____ involve _____ newer _____?
 Is _____ chance _____ incidents of engine fires _____ recent _____ aged _____?
 _____ reports _____ old and newly released _____ can _____ fire.
 _____ reports suggesting _____ in _____ and _____ engines?
 _____ you know _____ fires are happening in _____ or _____ ones?
 _____ it possible _____ and _____ released _____ cause overheat _____?
 Is _____ any _____ engine fires _____ by overheating in _____ editions _____?
 _____ there _____ report _____ and newer engines _____ fire?
 _____ clear _____ engines are only older versions or _____?
 There have been _____ of _____ and _____ engines catching _____.
 Is _____ older _____ catch _____ because of _____ or are the _____ being burned _____?
 Are _____ reports on _____ newer _____ fire?
 _____ clear that _____ and _____ models _____ fires from overheating?
 Can you _____ me if _____ engine _____ involve _____ well?
 Reports _____ old _____ or do _____ include _____ new _____ get too hot?
 _____ your reports _____ me if _____ fires are _____ to the old _____ or _____?
 Are the reports _____ you if _____ fires are caused _____ models _____?
 _____ it _____ that these engine fires _____ related _____ or newer _____?
 Do _____ know _____ newer _____ face fire _____ due to _____?
 _____ it _____ overheating _____ causing fires _____ both older _____ versions?
 _____ want _____ know _____ overheating _____ causing fires _____ old _____ releases.
 _____ it known _____ overheating _____ affects older and newer _____?
 Is _____ showing if _____ or _____ catch _____ to engine _____?
 Reports _____ or the new ones burning _____ get _____ hot?
 _____ it known _____ both _____ and _____ versions _____ affected _____ overheating?
 Is _____ whether _____ versions _____ newer _____ hazard due to overheating engines?
 There are unconfirmed reports _____ engines _____ fires _____ older _____.
 Is it possible that _____ fires in old _____ newly _____?
 Is _____ older models or newer _____ experience overheating?
 _____ there _____ news _____ fires from _____ in older and _____?
 _____ if _____ issue _____ fires affects the old and new _____?
 _____ it known _____ overheated engines cause fires _____ newer _____?
 Do _____ mention _____ fiery _____ incidents affect _____ or _____ models?
 _____ it known _____ old _____ versions are _____ by _____ fires?
 _____ the information indicating _____ the newer _____ fire dangers _____ overheating _____?
 There _____ reports _____ overheating engines _____ fires in _____ newer _____.
 Are there specific _____ fire engines _____ or _____ models?
 _____ it _____ if the _____ with the _____ old and _____ models?
 _____ telling me if _____ fires are caused _____ models _____ newer models?
 Does _____ show _____ newer models deal _____ fires?
 Is it possible _____ models _____ newer _____ experience _____?

Is _____ true that only _____ ones _____ engine fires?
 _____ the engine _____ incidents _____ and new _____?

Do _____ whether newer _____ face fire dangers _____ engines?
 _____ possible that overheating engines _____ both old _____ releases?

Do you know _____ the _____ that _____ engines _____ models?
 _____ there _____ chance _____ related _____ older versions or newer ones?
 _____ newer _____ fire are _____ to be overheating.
 _____ report _____ old or new _____ catch fire because of _____?
 _____ overheating and _____ incidents _____ older _____ or _____ ones?

Do the reports state _____ older _____ or _____ to _____ fires?
 _____ telling me _____ the _____ are being caused _____ or _____ newer ones?
 _____ reports _____ only _____ cars, _____ do they include the _____ when _____ engines _____ hot?

Is the reports _____ older _____ or _____ in engine fires?
 _____ your reports _____ if the _____ in the old engine _____ or _____?
 _____ fiery _____ incidents affect _____ old models _____ new, _____ the _____?

Are _____ are related _____ older versions or _____ ones?
 _____ about fire _____ specific to old or _____ models?

Did _____ reports state _____ engine _____ old models or _____?
 _____ possible that _____ engines resulting _____ affect _____ older _____ new releases?
 _____ recent reports show _____ overheated _____ fires _____ or _____ ones?

Is _____ a _____ overheating _____ leading to fires _____ versions _____ releases?
 _____ only _____ or do they _____ new ones burning _____?

Can you _____ me _____ overheated engines _____ impact _____ older _____ or _____?
 _____ known _____ or newer versions _____ affected _____ engine fires?
 _____ there any _____ if only older _____ or _____ are _____?

Is it possible _____ old _____ newly released _____?
 _____ the _____ indicating whether older _____ are _____ to _____ overheating _____?

Can _____ the overheated engines cause _____ only for older models _____?

Is _____ evidence _____ incidents _____ engine _____ to old editions or _____?
 _____ it clear whether overheating _____ fires _____ older versions _____ releases?
 _____ possible _____ of engine _____ involve recent and _____ models?
 _____ say if _____ older models catch _____ of _____ the _____ ones are also catching fire?

Is _____ the newer versions are _____ overheated _____?
 _____ fiery engine debacles _____ affecting _____ old _____ or _____ shiny new ones?

Do reports clarify _____ old _____ overheating?

Can _____ confirm _____ leading to fires affect older _____ newer _____?

Can you _____ if _____ older models _____ newer _____ too?

Do your reports show _____ fires _____ caused by _____ models _____ ones?
 _____ there reports about whether overheating _____ older _____?
 _____ recent cases _____ engine _____ involving _____ too?
 _____ the engines get _____ do _____ include the _____ ones _____?
 _____ you _____ if overheated engines _____ fires _____ for older _____ releases?
 _____ older _____ newer engines have _____?
 _____ the _____ state _____ fires _____ happen in older _____ newer versions?

Are your reports telling me _____ were caused _____ models or _____?
 _____ the _____ the fires _____ the _____ versions of your car related _____ engine _____?
 _____ reports _____ if older and newer models _____ involved in _____?

Do _____ say burnin' _____ causing _____ is _____ relic _____ or have the _____ ones joined _____?
 _____ you tell _____ about _____ fires involving recent _____?
 _____ the report say if _____ are caused _____ engines?

Can _____ if overheating engines _____ for older _____ or _____?

_____ known _____ older and _____ are affected by overheating _____?

_____ any indications that _____ models have _____?

_____ any _____ the effect of _____ temperature rise _____ both _____ and _____ models?

I want to know _____ versions _____ newer releases _____ prone _____ fires _____.

Do reports _____ if overheating _____ or _____ releases?

Is _____ older _____ or newer ones _____ due to _____ engines?

Whether _____ of engine ignitions _____ by _____ solely to _____ variations or _____ across _____ something the _____ of _____

_____ the _____ specify _____ older or newer _____ fires?

_____ that _____ overheated engines causing fires _____ affect _____ releases?

Fire-related engine _____ in _____ new models is _____ in _____.

_____ the reports _____ newer releases are _____ fires?

Do _____ if _____ happening in the _____ engine _____ the newer _____?

_____ the reports _____ in _____ and new _____?

Is your report _____ me _____ are _____ the old _____ models _____ newer ones?

Is _____ models _____ with fires caused by overheating?

_____ these reports _____ that there _____ new _____ old engines?

_____ reports about _____ newer _____ catching fire?

The _____ may _____ newer _____ implicated in engine fires.

_____ tell you whether old _____ new _____?

Is _____ engine _____ involve both older and newer versions?

Is it known _____ engines can cause _____ older _____?

_____ you _____ if overheating engines _____ or newer releases?

Is _____ me _____ are prone _____ overheating and subsequent fires?

Are reports about _____ engine _____ in _____ or _____?

Do _____ reports _____ or _____ releases are _____ in engine fires?

Do the reports _____ fire _____ of overheating or _____ the new ones _____ burning _____?

Is _____ reports _____ newer releases cause _____ of overheating?

Is _____ that overheating causes fires in _____ newer _____.

_____ it possible that engine _____ involve _____ and _____?

There have _____ reports _____ older and _____ engines _____.

_____ fires _____ older models or newer releases?

Is it known _____ older _____ newer _____ have _____ caused _____?

_____ indications that the _____ related to older _____ newer ones.

Is the reports _____ if _____ and _____ are _____ in engine _____?

Is your _____ if fires _____ happening _____ models or _____ ones?

_____ that the incidents of _____ overheating pertain to older _____ or new ones?

Do _____ the incidents are _____ to old _____ or do _____ include _____ releases _____?

Is _____ any evidence to _____ engines affect _____ and _____?

_____ reports _____ if _____ models are involved in overheating _____ fires?

_____ it _____ that _____ engines _____ in both old _____ releases?

_____ possible that incidents _____ both newer and older _____?

_____ reports show _____ new _____ overheated?

Is _____ true that _____ older models or _____ models _____ engine-related _____?

_____ it _____ overheating _____ models and newer releases too?

Are there _____ that _____ old _____ released _____ cause fires?

Does _____ show _____ newer versions _____ fire _____ due _____ overheating _____?

Are _____ involving engine _____ from _____ limited _____ older models, or _____ they _____?

_____ about fire-related engine _____ to _____ or _____ models?

I wonder if _____ show _____ old or _____ due _____ engine _____.

____ you tell ____ the ____ that ____ models ____ impacted by ____ engines?
 Is it ____ overheating ____ involve old and new ____?
 Is the reports ____ if only older ____ or ____ engine ____ fires?
 Are ____ fire ____ overheating ____ or new ____ specific?
 ____ you tell if overheated ____ fires ____ for ____?
 Does ____ findings show ____ and ____ models deal ____ engine ____?
 I ____ if ____ show if ____ new vehicles catch ____ due ____ engine ____.
 ____ fiery engine incidents affect ____ old models ____ new.
 ____ overheating engines ____ in older and ____?
 ____ overheating problem ____ both old and new models?
 ____ recent cases of ____ newer ____ too?
 ____ shows if the ____ fire ____ related ____ editions or new ones?
 ____ clear ____ the new ____ old ____ overheat?
 Can you confirm whether recent ____ of ____ fires ____?
 Do the ____ if older ____ and ____ releases ____ involved ____ engine ____?
 Is it possible that ____ old models?
 ____ these ____ that older and ____ cause fires?
 Can you ____ if ____ cause ____ affect older ____ or ____ releases?
 ____ the reports ____ that only older ____ prone to ____ due ____?
 ____ that ____ engines ____ in older and newer versions?
 ____ the ____ if ____ were caused by ____ or newer ____?
 ____ the ____ show that older and ____ models ____ engine ____?
 Are ____ reports suggesting ____ in ____ and ____ engines?
 ____ it true ____ only older ____ and newer versions ____ overheating?
 ____ report about overheating of fire ____ in old ____ new ____?
 ____ evidence that ____ fires related to overheating ____ older ____ or ____?
 ____ tell me if ____ engine fires involve ____ models ____?
 Is ____ true that only ____ or newer ____ can ____?
 Do ____ state ____ overheating ____ involve ____ versions ____ releases?
 ____ are ____ if the overheating of the ____ with ____ and ____ models.
 ____ the findings ____ that older and ____ deal with ____?
 Is ____ overheating issue ____ affecting both ____ and new ____?
 ____ it true that overheating ____ affect mostly ____ or ____ releases?
 Can ____ that ____ engines result in ____ for ____ models or ____?
 ____ suggesting that ____ newly released engines have ____?
 ____ the recent cases ____ engine ____ newer models ____?
 Do ____ reports about ____ engine ____ just old ____ or ____?
 Does ____ show ____ older ____ or ____ ones face ____ overheating engines?
 ____ the ____ if fiery ____ incidents affect just old models ____?
 Is ____ reports ____ me ____ being caused ____ old ____ or newer ones?
 Do ____ know if the ____ are being ____ the ____ engine ____ newer ____?
 ____ the reports ____ me if the fires ____ the old engine ____ newer ____?
 ____ reports suggesting there are fires in ____?
 ____ possible ____ fires caused by ____ involve ____ versions ____ ones?
 Is ____ report telling if ____ fires ____ in ____ new ____?
 ____ the reports ____ models catch fire ____ of overheating or are ____ burned?
 ____ there ____ fires caused by overheating ____ old editions ____ new editions?
 Will ____ the overheating engines are old ____?
 ____ it ____ newer versions are ____ by engine fires ____ to ____?
 ____ the recent reports on engine ____ related ____ old ____ newer ____?

Engine ____ incidents may involve ____ or ____ ones.

____ the ____ differentiate ____ overheating ____ older engines and ____ in ____ engines?

Is it clear ____ the engine ____ issue ____ fires ____ old ____?

____ you tell ____ if overheated ____ fires ____ only ____ models?

Can reports ____ that the overheating ____ and ____?

Do ____ state ____ the incidents are ____ or do they ____ too?

____ the ____ show if ____ are involved ____ engine fires?

____ it ____ if newer versions ____ by overheating ____ the ____?

____ newer and older ____ affected ____ overheating in the engine?

____ on ____ and newer engines catching fire?

Is ____ older versions and ____ are prone to engine overheating ____?

Do ____ old and ____ are overheating?

There may be ____ and ____ catching fire.

Do the ____ show ____ and ____ models are ____ fires ____ overheating?

____ clarify if ____ engine ____ with ____ both ____ and new models.

Is it possible ____ overheating ____ both ____ new releases?

____ specify ____ overheating ____ cause fires ____ older or newer ____?

____ the ____ us ____ newer models ____ in fire from ____?

____ reports ____ if old and ____ vehicles catch ____?

____ it known ____ versions are ____ engine fires?

____ about fires ____ overheating engines ____ for older models?

____ versions or newer releases ____ prone to engine fires due ____.

____ that overheating engines causing fires ____ releases?

____ it ____ that ____ engine fire ____ only old editions ____ newer ____?

Do the reports ____ if the older ____ catch ____ of ____ if the ____ are ____?

Is it ____ of engine fires involve ____ cars?

Is it ____ engine fires ____ recent and old ____?

Is ____ and ____ by ____ fires?

____ there any ____ that only old ____ fires?

Is there ____ evidence ____ engine fire caused ____ overheating are related ____ old ____?

____ it known if ____ and newer versions ____ affected by ____?

Is it possible ____ causes ____ that ____ older versions?

Is there ____ that ____ incidents of ____ caused by overheating ____ to old ____ ones?

Is the overheating of ____ fires ____ to old ____?

Does ____ report mention if ____ engines ____ in older ____?

Is ____ that ____ and newer models deal ____?

____ the reports say ____ models catch ____ of overheating ____ the new ____ are ____ too?

____ you tell ____ if the overheated ____ that ____ older ____ new releases?

____ if the older and newer versions ____ affected ____ overheating?

____ it ____ overheating ____ in newer ____ as well?

Are ____ clarifying that ____ issue ____ old ____ new models?

Is it ____ if exclusively aged variants ____ to ____?

Is there ____ on the effects of ____ temperature ____ on both ____?

Do ____ overheating in older models or ____?

Can ____ recent ____ engine fires ____ older ____ or newer models?

Should fiery engine ____ just old ____ too?

____ if ____ fires also affect newer releases.

____ me if overheated ____ have ____ impact ____ older models ____ releases?

Is there any information ____ engines causing ____ newer ____?

Can the ____ tell ____ newer ____ are ____ in engine fires?

_____ reports conclusive about whether _____ newer _____?
 Is it included _____ reports _____ recent _____ are _____ incidents _____ engine overheating?
 _____ reports clarifying _____ old and new _____?
 _____ you tell _____ engines causing _____ impact only _____ models _____ new _____?
 _____ the _____ stating whether older versions or _____ are _____ to engine _____?
 I _____ to _____ fiery _____ affect just _____ models or new _____.
 Can you say if recent _____ engine _____ involve _____?
 _____ reports clarifying if the _____ overheating issue affects _____?
 _____ wonder if _____ indicate _____ overheating _____ older versions or _____.
 _____ you confirm if _____ older _____ and newer releases?
 _____ there _____ knowledge _____ whether _____ newer versions are affected _____?
 _____ there _____ evidence _____ of _____ fire are _____ editions or to new _____?
 _____ it _____ that _____ and _____ engines can cause _____?
 _____ known whether _____ newer _____ are _____ by overheating?
 _____ the _____ between _____ overheating in older _____ newer ones?
 _____ want to _____ versions or newer ones face _____ dangers _____ overheating _____.
 Is _____ possible that _____ causing fires _____ older _____ new releases?
 Is _____ fiery _____ incidents _____ old models _____ new _____?
 Does _____ reports _____ if _____ versions _____ recent launches _____ and fires?
 _____ the _____ fiery engine incidents _____ just _____ models or _____?
 Is it possible _____ engines causing _____ affect _____?
 _____ it _____ that _____ reports show _____ fire incidents involve only _____ ones?
 _____ you _____ overheating _____ affect _____ models _____ newer releases?
 _____ about fiery engine incidents affecting just old _____?
 _____ you tell if _____ engines _____ older models or _____?
 Can _____ old and new _____ in overheating engines?
 _____ versions affected by overheated _____?
 Is _____ possible _____ overheated engines _____ newer releases?
 _____ cases _____ engine fires _____ models also?
 Is it known whether _____ versions _____ affected _____ overheating _____?
 _____ there any reports _____ engines _____ newer versions?
 _____ possible _____ overheating _____ fires _____ old and new releases?
 _____ if overheating engines causing fires involve old _____?
 Is it possible _____ engine _____ models as _____?
 _____ reports _____ older and _____ engines _____?
 Is there any news if _____ experiencing overheating _____?
 Is _____ indicating if older _____ prone to engine _____ fires?
 _____ incidents of engine _____ both recent and elderly _____?
 Is _____ overheating engine _____ incidents related _____ old _____ or newer _____?
 Can _____ tell _____ overheated engines _____ impact older models _____ new _____?
 Is _____ reports telling us _____ older and newer _____ in _____ fires _____?
 _____ older and newer versions?
 Do _____ show _____ engines involve older _____ releases?
 _____ fiery _____ incidents _____ old and _____ models, _____ the _____ mentioned?
 _____ it _____ overheating _____ with fires _____ old and new models?
 _____ may _____ reports of older _____ newer _____ fire.
 _____ findings might _____ that older _____ deal with engine _____.
 _____ it known _____ fiery engine _____ just _____ models or _____?
 Do _____ show _____ older models catch _____ because of overheating, _____ if _____ new _____ are _____?
 Does _____ reports _____ that _____ versions are _____ engine overheating _____ fires?

Can _____ me if recent _____ of engine _____ as well?

Are _____ old _____ catch fire due _____ engine overheating?

Is _____ indication _____ to whether _____ comprise old _____?

There _____ overheating engines can _____ and newer versions.

Are overheating engines _____ fires affecting _____ newer _____?

_____ confirm if _____ engine _____ older versions _____ newer models?

Is _____ true that reports _____ whether _____ engines _____ or _____ releases?

Do the _____ tell _____ models are involved in overheating _____?

Reports _____ whether overheated _____ releases?

Is it possible _____ recent engine _____ involve only _____ or include _____?

_____ there _____ reported cases _____ older _____ newer _____ catching _____?

Are _____ fires caused _____ older _____ newer versions?

Do the _____ mention _____ incidents affect old _____ new _____?

Do _____ details show _____ newer _____ as well?

_____ and _____ incidents related to old versions of _____ engine _____?

Can you _____ overheated _____ in _____ older models or _____ releases?

Is overheating _____ fire incidents related _____ of _____ or newer _____.

Is the _____ vehicles catch fire due to _____ overheating?

Can you _____ engines _____ the _____ affect older _____ newer releases?

Is _____ fires are linked _____ older _____ or _____ ones?

_____ some questions as to _____ comprise only _____ releases.

_____ information about _____ or _____ ones face _____ risks _____ to _____ engines?

There _____ reports _____ older and _____ engines catching _____.

Is _____ on the experience _____ old _____ new _____ when _____ temperature rises?

Is _____ that engine fires are caused _____ just older _____?

Is it _____ only _____ and _____ versions experience _____ to overheating?

_____ possible that _____ cause fires in old _____ released _____?

_____ recent _____ fire _____ related _____ old _____ or newer ones?

Do _____ incidents involving engine _____ overheating include _____ releases _____ they _____ old _____?

_____ possible _____ there _____ overheating _____ fires in new _____ engines?

Do the _____ show that _____ fires _____ models or _____ releases?

Do recent engine _____ incidents _____ older _____ newer _____?

Are the reports _____ if the fires are _____ old _____ or _____ the newer _____?

Is it possible _____ incidents _____ and old models?

_____ show that older _____ newer _____ with _____ engine fires?

_____ true that _____ models _____ newer _____ have engine-related fires _____ overheating?

Is it possible _____ engine _____ resulting from overheating _____ older _____?

Is _____ and _____ catching fire _____ to _____?

Are the _____ showing if _____ new vehicles _____ due _____?

_____ me _____ fires _____ caused _____ old engines or newer ones?

Is there an _____ of _____ and _____ catching _____?

Can _____ if _____ engines are _____ or new?

Do _____ recent _____ fires involve older _____ newer ones?

Should we _____ the incidents of engine _____ and _____?

Is _____ a _____ for _____ and _____ versions?

Do _____ show if _____ old _____ models _____ overheating?

_____ possible that fires _____ from _____ just older _____ or newer _____?

_____ older models catch fire _____ of _____ or _____ new _____ burn too?

_____ reports _____ fires _____ by overheating engines _____ to older _____?

Is _____ problem of _____ newer _____ catching fire?

Do the _____ because of overheating _____ the new ones are _____ catching fire?
 _____ the _____ mention if _____ incidents affect _____ models?
 _____ there any reports about fires _____ engines _____ models?
 Do _____ show whether old or _____ vehicles catch _____ overheating?
 _____ you confirm if overheating engines _____ or _____ too?
 _____ it possible that _____ cause fires involving just older _____?
 _____ anyone _____ if _____ models or newer versions _____ engine-related _____ due _____?
 _____ it _____ overheating engines resulting _____ older and _____ models?
 Is it clear _____ causing fires affect _____?
 Reports should clarify _____ newer releases _____ fires due _____.
 Is there any evidence that the _____ to old _____ newer _____?
 Reports _____ if _____ with _____ affects old and new _____.
 Is there _____ that says _____ older models _____?
 Does the report _____ overheated _____ cause _____ or newer _____?
 _____ it possible that _____ can _____ engine _____ involving _____ versions or _____?
 _____ there _____ evidence _____ there _____ caused by overheating in _____ editions or new _____?
 Do recent reports _____ fire _____ only old _____ if _____ newer ones?
 Do _____ reports distinguish _____ overheating in old _____?
 Is it _____ older and _____ released engines _____?
 Does _____ show _____ older _____ recent _____ to _____ overheating and subsequent fires?
 Are reports _____ fire _____ to _____ or new _____?
 _____ known if _____ versions are affected by _____ by _____?
 _____ there _____ case of _____ engines leading _____ fire _____ to _____ models?
 _____ newer releases are implicated _____ fires _____ the reports clarify _____?
 Do the reports say _____ older models catch fire because _____ ones _____ burning _____?
 Is there _____ on whether _____ models _____ fire _____ the engine?
 _____ the _____ mention if fiery _____ incidents _____ just old _____?
 Do reports show _____ new _____ overheated?
 _____ known _____ older models _____ ones _____ fires _____ to overheating?
 Do the reports _____ if _____ just old _____ or _____?
 _____ it known _____ newer versions _____ by engine fires _____ by _____?
 _____ the _____ show if the _____ models _____ because of overheating _____ the _____ ones are _____ fire?
 Can you confirm if _____ cases _____ older versions or _____?
 Can _____ tell _____ the reports _____ that only _____ are affected _____ engines?
 Do _____ show older and _____ models _____ overheating _____ fires?
 Do _____ engines involve _____ versions or newer _____?
 Is _____ true _____ leading to fires _____ older versions?
 _____ overheating and _____ incidents _____ to _____ versions of _____ engine, _____ versions?
 _____ if the fires are _____ by _____ engine models _____ by _____?
 _____ the reports indicative of whether older _____ to engine _____?
 Can _____ confirm _____ fires _____ older models or _____ releases?
 _____ possible _____ causes _____ fires which _____ older _____ or newer ones?
 Are _____ that _____ and _____ released engines can cause _____?
 _____ fire-caused overheating _____ older and newer engines?
 _____ if new or old _____ catch _____ due _____ engine overheating?
 Do any reports confirm _____ models _____ engine-related _____ due _____?
 Can you _____ if _____ overheating engines _____ newer releases?
 _____ confirm if _____ cases _____ fires involve older versions _____ ones?
 _____ if overheated engines _____ fires _____ only older _____?
 _____ it _____ that _____ or _____ affected by overheating engines?

Did the reports say ____ fiery engine ____ ____ ____ ____ ?
 If ____ reports ____ correct, ____ fire ____ may ____ old editions ____ newer ____ .
 Have ____ reports about ____ engine incidents affected ____ ____ ____ ____ new?
 ____ ____ if fires ____ ____ ____ old engine models or newer ____ ?
 Can you ____ reports ____ ____ ____ affect older ____ or newer ____ ?
 Are your ____ telling ____ if the ____ ____ happening in ____ ____ ____ ____ newer models?
 ____ ____ of ____ fires related to recent ____ ____ models?
 ____ have been ____ ____ ____ overheating engines ____ older and newer ____ .
 The reports might ____ ____ if ____ models ____ newer releases ____ ____ ____ ____ engines.
 Is ____ ____ ____ older models ____ ____ releases too?
 ____ ____ ____ ____ the fires ____ being caused ____ ____ engine models or the newer ones?
 ____ ____ and newer versions be ____ ____ ____ engine fires?
 Are ____ incidents ____ ____ ____ involving older and ____ models?
 ____ information ____ whether older versions ____ ____ hazard ____ ____ overheating engines?
 Is ____ known ____ ____ ____ old releases?
 Are there reports suggesting ____ older ____ ____ ____ ____ fires?
 Are ____ showing ____ old or ____ cars catch ____ due ____ ____ ?
 Do ____ incidents affect ____ and ____ ____ ?
 Are ____ saying ____ ____ and newly ____ ____ cause overheating?
 ____ it ____ that ____ ____ causing fires ____ affect ____ releases.
 Reports ____ ____ the ____ overheating issue ____ both old ____ ____ models.
 Is it possible ____ versions face ____ ____ ____ overheating engines?
 ____ wonder if reports clarify ____ ____ and ____ ____ overheating.
 ____ overheating ____ related to both ____ ____ new ____ ?
 Reports ____ ____ if older ____ ____ ____ are ____ in ____ fires from overheating.
 Engine ____ incidents ____ involve overheating may ____ ____ ____ or newer ____ .
 Do you know if ____ ____ ____ older models?
 If recent ____ ____ be ____ ____ fire ____ may involve ____ ____ or newer ones.
 Is ____ ____ if ____ ____ and newer versions are ____ by ____ ?
 ____ ____ true that only ____ ____ or ____ ____ have ____ due to overheating?
 Do ____ ____ ____ engine ignition from overheating ____ ____ ____ old models or ____ releases?
 Are there ____ ____ ____ in both old ____ ____ engines?
 Is there ____ evidence ____ there ____ incidents of ____ ____ ____ overheating in old editions ____ well ____ ____ ones?
 The overheating issue with ____ ____ ____ ____ new models, ____ reports ____ ?
 ____ are reports ____ whether ____ ____ affect older or ____ ____ .
 If recent ____ ____ to ____ ____ the ____ ____ ____ may ____ ____ editions or newer ones.
 Do ____ reports ____ ____ engines ____ ____ older models or new ____ ?
 Are ____ specific reports ____ fire-related ____ overheating in ____ ____ new ____ ?
 Can ____ ____ if ____ ____ engines that ____ the fires ____ only ____ models or ____ ____ ?
 Is ____ ____ ____ engines ____ fires affect newer ____ too?
 ____ ____ possible ____ ____ models catch fire because ____ ____ or ____ the ____ ____ burning too?
 Can you ____ ____ there are engine ____ ____ ____ older models?
 Are ____ reports on older ____ ____ ____ ____ ?
 Is fire ____ overheating related to ____ ____ of ____ ____ or ____ ____ ?
 Do ____ ____ reveal if engine ____ incidents involve ____ ____ editions ____ ____ ones?
 Is ____ ____ evidence ____ suggest ____ ____ ____ fire ____ related to ____ editions or new ____ ?
 Is ____ ____ that the overheating engines leading ____ fires ____ ____ older ____ ____ ____ releases?
 Is ____ ____ ____ older ____ newer ____ are affected by ____ engines?
 ____ the ____ stating only ____ ____ ____ ____ to engine fires due to ____ ?
 ____ reports clarifying ____ ____ ____ of the engine ____ both old and ____ ____ ?

The reports state whether _____ prone to _____ fires _____ to overheating.
 _____ of the engine _____ in _____ and fire incidents?
 _____ you confirm _____ of _____ fires involve _____ models _____ well?
 Do _____ if the overheating _____ the _____ affects both _____ models?
 _____ there any _____ overheating of _____ engine _____ fire in old editions or _____?
 If _____ older _____ newer ones _____ from overheating?
 Is _____ only older _____ have _____ engine-related fires?
 Is your reports _____ the _____ are happening in _____ engine _____ models?
 _____ reports _____ engine ignition from overheating _____ are _____ limited _____ older models?
 _____ the _____ that _____ or newer _____ are _____ to engine fires _____ overheating?
 Do _____ reports _____ you _____ catch fire _____ of _____ or if _____ ones are _____ too?
 _____ reports _____ that burnin' _____ causing fires is _____ the _____ thing _____ have _____ fresh ones _____?
 Will the reports clarify _____ are involved _____?
 _____ there _____ reports _____ fire _____ in old _____ new models?
 Do _____ know if the _____ recent and _____ models?
 Should _____ reports clarify if _____ are implicated _____ fires due _____?
 Is it known _____ to engine _____ newer versions?
 _____ reports say _____ catch fire because of _____ the new _____ being burned too?
 Is it known if _____ and _____ by _____ fires?
 Did _____ if fiery engine _____ old or new _____?
 _____ it known _____ or not _____ are affected _____ overheating?
 Is it _____ the newer _____ are _____ overheating _____?
 Is it certain _____ newer versions _____ by _____?
 _____ there _____ about the effect _____ engines _____ older _____ newer versions?
 Is it _____ overheating engines resulting _____ or newer releases too?
 _____ known _____ older and newer _____ with engine _____?
 Reports _____ they include new ones that burn _____ when their engines _____?
 Is _____ old and new models overheated?
 Are your _____ telling me _____ the fires _____ engines _____ ones?
 _____ if overheated engines _____ in fires affect _____ older _____ or _____ releases?
 _____ old _____ new ones that get too hot?
 Is the _____ me if the _____ by older _____ newer _____?
 _____ the reports _____ if _____ engine incidents affect _____ cars?
 Are there specific reports _____ fire engines _____ newer _____?
 Is there _____ and newer _____ overheating engine fires?
 _____ reports _____ if newer releases are involved _____ fires _____ overheating?
 _____ the reports _____ me _____ the _____ are _____ by old _____ or newer _____?
 Is the report _____ specific to old _____ new _____?
 Is the findings _____ and newer _____ caused by _____?
 _____ report _____ about the _____ overheating _____ old _____ new models?
 Are your _____ are in the _____ engine models or _____ newer _____?
 _____ you know _____ engines cause _____ in _____ models or _____?
 If _____ in engine _____ due to overheating, are _____ clear?
 _____ the _____ telling you _____ are caused by _____ engine _____ or _____ ones?
 _____ there _____ as _____ whether engine fires comprise only _____?
 _____ only older _____ are experiencing _____ fires from overheating, any _____?
 Are _____ reports telling _____ if the fires _____ the _____ models or _____ newer _____?
 Is it known if _____ by _____ engines?
 _____ there any evidence _____ incidents of _____ fire caused _____ overheating _____ related _____ editions or _____?
 Is it _____ fires in _____ and newer versions?

Are ____ reports ____ that the old ____ released engines ____?

____ and old ____ in engine fires?

Are reports ____ if ____ and ____ by overheating engines?

Is the ____ stating ____ versions ____ newer releases are ____ engine ____ to ____?

____ you tell if ____ overheated ____ causing ____ only ____ models?

Is ____ overheating can ____ engine fires in ____ newer ____?

Did ____ findings show that older ____ from overheating?

Can you ____ cases ____ engine fires ____ newer ____ as well?

____ reports say if burnin' ____ causing ____ relic ____ thing or do ____ ones join ____?

Do the ____ tell us ____ older ____ involved in ____?

____ you know ____ engine fires involve ____ versions ____ newer ____?

____ that involve overheating may ____ only ____ or include ____ ones as ____.

Is it known whether ____ due to overheating?

____ it possible for old and ____ fire due to ____?

Is ____ possible ____ recent engine ____ too?

Is ____ the fires are caused by ____ or by newer ____?

Is ____ if ____ engine ____ from ____ are ____ old models or include ____ releases?

____ the reports ____ me if older ____ are involved in ____?

Is it ____ that overheating ____ fires in ____ versions?

Is it known whether overheated ____ fires ____?

Do ____ reports show if ____ affect just ____?

Can you confirm ____ recent ____ fires ____ newer ____ older ____?

____ reports might tell ____ if ____ newer releases are involved ____.

____ engine fires due to overheating involve ____ older ____?

____ reports telling you if ____ fires ____ caused ____ engine ____ or ____ newer models?

____ reports ____ fiery engine incidents affect just ____?

Reports ____ cars, or do ____ include new ones when ____ engines ____?

Can you tell ____ overheated ____ that ____ affect only ____ or ____ releases?
