

[Demo] NLP Dataset for Customer Service Automation

| | |
|-----------------------------|--|
| Company Type | Automotive manufacturers |
| Inquiry Category | Vehicle specifications and features |
| Inquiry Sub-Category | Performance and handling |
| Description | Customers want to know about the driving experience, including acceleration, braking, suspension system, handling dynamics, and any performance-oriented features that enhance the vehicle's capabilities. |
| Data Size | 5,056 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)

Are there any ____ features that ____ this ____?
____ it ____ performance ____ for ____ corners?
____ it come ____ enhancements designed to improve ____?
Will an upgrade in ____ more ____ corners effectively?
____ did this ____ to ____ handling?
Does ____ model ____ to handle ____ better?
There ____ performance ____ that ____ improve the ____ capability ____ this ____.
____ you tell me ____ performance ____ for ____ here?
Is there a performance ____ in ____ model that ____?
____ be features ____ improve corner ____.
Is this ____ capable ____ cornering ____?
____ there ____ performance oriented ____ in this ____ improve ____ cornering ____?
Will ____ upgrade ____ the vehicle make ____ more ____ tackling ____?
Is ____ the corner potential?
____ make this model better at ____?
Is ____ cornering ____ by performance ____?
____ anything ____ into this model that can ____ cornering ____?
____ the ____ its turning ____?
____ corner ____ boosted by the ____ here?
Can ____ corner ____ by features?
Do this car's ____ to take ____ turns?
____ model perform better ____?
____ the model have ____ corners?
____ of performance oriented ____ is it that contributes ____?
____ possible that ____ features increase ____ cornering ____?
____ there ____ in this ____ to ____ its cornering abilities?
Anything that ____ turning ____ car?
____ the car have ____ help ____ taking ____?

Is there ____ improvements to the ____ ____ ____ ?

Is there ____ performance ____ ____ in ____ model that will ____ ____ cornering ____ ?

I wonder ____ it comes with ____ ____ for ____ ____ .

____ ____ this ____ include ____ curving abilities?

Is ____ any ____ to ____ ____ for ____ cornering?

Is it possible to ____ ____ of this ____ to excel ____ ____ ?

Is there ____ ____ in ____ model ____ better ____ ?

Is ____ ____ ____ improves corner handling?

____ the ____ ____ improvements for corners?

Is ____ ____ oriented ____ that ____ the cornering capabilities of ____ ____ ?

What kind of ____ contribute to ____ ____ in ____ ____ ?

____ ____ possible that ____ comes with performance ____ ____ improved ____ .

____ improvements ____ ____ for ____ curving abilities?
