

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Installation instructions and guidance
Inquiry Sub-Category	Safety Guidelines
Description	Customers ask about safety guidelines during the installation of telecommunications equipment, seeking information on proper handling, lifting, and safety procedures to prevent injuries and equipment damage.
Data Size	9,261 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

_____ specific safety procedures we _____ follow _____ installing your _____ ?
 Please _____ know if _____ precautions _____ when putting in _____ telecomm equipment.
 Is _____ safety _____ we need to _____ your equipment?
 How can _____ your telecommunications _____ installed safely?
 Do _____ for installing _____ equipment?
 _____ are _____ procedures we _____ follow _____ your equipment?
 Do _____ follow _____ procedures when _____ up _____ telecom equipment?
 How do _____ the safe _____ your _____ devices?
 _____ a set _____ precautions _____ need _____ followed _____ install your telecommunication systems?
 _____ it _____ to _____ on proper safety _____ installation?
 _____ the _____ we should take _____ we install _____ gizmos?
 Do you _____ set _____ precautions that you _____ take _____ installing _____ telecommunication _____ ?
 _____ us _____ safety procedures for _____ your _____ equipment.
 Are there any _____ guidelines _____ ?
 Is there _____ safety _____ should _____ installing your _____ ?
 _____ there a way _____ while _____ up _____ ?
 Can you _____ instructions on how to _____ safely?
 How _____ sure _____ gear is _____ safely?
 _____ need to _____ taken _____ your devices?
 _____ there _____ way to ensure safety _____ installing _____ ?
 _____ need _____ any particular precautions _____ installing _____ device?
 _____ you advise on proper safety _____ the _____ ?
 Can _____ me about _____ precautions _____ of my _____ equipment?
 _____ some precautions _____ take when installing _____ gizmos?
 Is there _____ sure the _____ of telecom gear _____ ?
 _____ the safest way _____ properly install your _____ facility?
 _____ you make _____ you install _____ telecomm tools _____ ?
 _____ to give instructions _____ safety precautions _____ installation _____ your telecom equipment?

Please ____ of any ____ that ____ to be ____ when putting ____ .

Can you tell ____ precautions to ____ your telecom ____ ?

____ have any fancy ____ recommend ____ you install your ____ ?

____ necessary to ____ precautions are ____ the installation ____ comms gear?

____ there safety steps ____ need ____ while installing ____ tools?

____ for safety ____ during ____ of telecom ____ could ____ give?

____ the protocols for ____ of telecommunications ____ ?

____ precautions ____ be taking when setting ____ equipment?

What ____ taken while putting up your ____ .

What are ____ safety rules ____ need ____ follow when ____ ?

Can ____ advice ____ during ____ of your equipment?

____ you have ____ measures you ____ to ____ telecom gear?

____ it possible ____ on any ____ measures ____ installing ____ devices?

____ need to be taken ____ of your ____ gear?

Do we need ____ follow ____ safety ____ for ____ ?

____ dealing ____ equipment, ____ precautions we ____ to watch ____ for?

When installing ____ gizmos, what ____ recommended ____ do?

Can ____ us with any ____ safety ____ installing your ____ ?

____ you have any ____ on ____ to ____ safety ____ of ____ equipment?

There ____ precautions ____ on ____ telecom ____ .

Can you ____ us any information on ____ to ____ ?

During the telecoms ____ are ____ ?

____ need ____ procedures when setting up our ____ ?

Should we ____ any specific ____ procedures when ____ ?

Do ____ have ____ follow ____ safety ____ installation?

____ what ____ you need to take ____ installing ____ systems?

____ you ____ safety procedures ____ your ____ ?

Is there ____ of instructions for ____ secure installation ____ ?

What ____ steps ____ safety when ____ your ____ equipment?

____ you ____ safety practices for telecom ____ ?

What ____ should you take ____ installing ____ equipment?

____ we ask about ____ guidelines ____ and ____ your ____ apparatus?

What ____ the precautions you use ____ telecom ____ ?

____ you ____ tell me about ____ safety ____ the telecom ____ ?

____ I need to ____ rules ____ installing telecom gear.

____ know of ____ safety protocols ____ telecom setup?

____ installing your devices are there ____ steps ____ ?

Specific procedures ____ when ____ devices?

____ safety ____ should ____ follow ____ installing ____ equipment?

Should safety ____ used ____ installation ____ telecom products?

____ have any ____ precautions to ____ for installing ____ ?

____ know ____ procedures for installing telecom equipment.

How ____ and accessories in a ____ manner?

Does anyone ____ any safety ____ ?

____ you have any instructions ____ installation ____ equipment?

When dealing ____ your ____ things ____ need ____ watch out for?

Do ____ have any advice ____ telecom ____ ?

____ you please ____ safety guidelines for ____ your telecommunication apparatus?

There ____ precautions ____ up your telecommunication devices.

Is ____ on ____ practices while telecom installation?

Will there _____ secure installation of your _____?

Do you know the safety _____ installing your telecommunication _____?

_____ exact precautions _____ be taken to _____ up _____?

What _____ the top safety tips when _____?

_____ do you _____ sure safety _____ installing _____ gear?

Do you _____ safety rules _____ equipment?

_____ prescribed safety _____ placing telecommunications gear?

_____ are specific _____ be taken when _____ up _____.

There are _____ should _____ installing your _____ equipment.

_____ safety _____ need to be done _____ installing _____?

Should _____ established protocol _____ secure _____ of telecom gear?

What _____ should _____ take _____ setting up _____?

_____ be taken when setting up _____ device?

_____ safety tips for _____ gear?

_____ there any _____ we _____ take _____ installation of your _____?

_____ rules _____ safe _____ equipment installation?

What _____ the safety _____ you _____ take when _____ telecommunications _____?

_____ take when putting your _____ up?

_____ safety _____ be _____ during _____ installation of your telecom _____?

_____ to take _____ measures while installing _____ devices?

_____ have to follow _____ install your stuff?

Is there a way _____ follow _____ devices?

Any _____ how to _____ safe _____?

_____ specific safety practices _____ use to deploy _____?

Should you _____ us _____ practices _____ telecom installation?

_____ have _____ set _____ precautions _____ you should _____ when installing _____ telecommunication _____?

Do _____ follow any _____ procedures in _____ up your _____?

Do _____ need _____ follow any specific _____ installing telecommunications _____?

Is _____ to _____ the _____ precautions during _____ installation _____ your _____ equipment?

_____ kind _____ precautions should _____ taken when _____ install your _____?

_____ you have any _____ precautions that _____ installing _____ telecom gizmos?

Do _____ measures for installing telecom _____?

Is there _____ protocols _____ of telecom?

Do _____ have any safety _____ follow _____ up _____ equipment?

Will there _____ any _____ protocols recommended _____?

_____ we make _____ installation of your _____ devices _____ safe?

_____ have to _____ any _____ procedures in _____ up _____ equipment?

_____ precise _____ be _____ when installing your telecom _____?

How _____ I make sure my telecommunications _____?

Do you have a set _____ precautions _____ should _____ your _____?

_____ we need _____ follow _____ specific safety _____ when installing _____?

Do _____ have to follow any _____ for setting _____?

Please _____ us about _____ guidelines for _____ your _____ apparatus.

Can you _____ measures for _____ of telecom _____?

_____ safety precautions _____ placing your _____?

Is there _____ specific precautions that _____ to _____ the installation _____?

Should _____ have specific _____ practices for _____?

How _____ make sure _____ ensured _____ installing your telecommunications _____?

Do _____ safety procedures _____ follow when _____ up our _____?

What precautions do _____ setting up _____ telecommunication _____?

We would like _____ about secure _____ fitting _____.
 Do you know _____ protocols _____ need to _____ installation?
 _____ you have _____ advice _____ safety practices _____ telecom _____?
 There are safety procedures that _____ be _____ while _____.
 _____ precisely _____ should be taken _____ telecom equipment?
 Are _____ protocols _____ need to _____ followed _____ installation _____ your telecom gear?
 _____ precautions are _____ when installing _____?
 Is _____ important to follow safety _____ gear?
 What are the precise safety _____ when placing _____?
 Should there _____ guidelines _____ safe _____ of _____ telecommunications _____?
 _____ to _____ while _____ telecomm tools?
 There are _____ recommended for _____.
 _____ in _____ there prescribed safety procedures?
 Any instructions _____ tele _____?
 Do _____ safety procedures _____ installing _____ equipment?
 _____ are the key _____ tips _____ telecom _____?
 Are there _____ we _____ to _____ when _____ up your _____?
 Can you tell _____ the _____ procedures _____?
 _____ installing telecommunications equipment, _____ should we do _____ team _____?
 Do _____ have _____ procedures _____ setting up your _____?
 _____ about the safety procedures _____ of _____ telecom _____.
 Ensuring safe installation _____ your _____ devices, _____ protocols?
 _____ you _____ any _____ for handling and _____ your telephone apparatus?
 Do you _____ safety precautions _____ follow _____ telecom _____?
 _____ have additional guidelines for _____ your _____ equipment?
 I _____ about safe _____ equipment _____.
 _____ need info on secure methods _____.
 Is there any safety _____ watch out _____ dealing _____ equipment?
 _____ you _____ precautions to _____ when we install _____ gizmos?
 Can _____ if _____ are necessary during _____ comms gear?
 _____ do _____ safety while _____ telecomm _____?
 Is _____ set of _____ precautions _____ to be followed _____ systems?
 Do you have _____ set _____ safety _____ to be followed during _____ your _____ systems?
 _____ you _____ to give _____ on _____ measures for _____ of _____ equipment?
 Is _____ any _____ used for telecom setup?
 _____ know _____ safety rules _____ installing _____ equipment?
 _____ you _____ any extra _____ protocols _____ devices?
 _____ you tell _____ safety practices _____ telecom installation?
 _____ are the specific _____ steps _____ your _____ hardware?
 Do _____ follow _____ specific _____ procedures _____ installing your equipment?
 Which _____ use _____ placing your device?
 What are the _____ we _____ installing _____ devices?
 Do any rules _____ safe _____?
 _____ with _____ for safe installation of _____ gear?
 Does _____ of _____ safety _____ for telecom _____?
 Do you _____ installing _____ equipment.
 _____ like _____ know _____ secure methods _____ telecom tools.
 _____ we ask about _____ for handling _____ installing our _____?
 _____ precautions _____ be taken while putting _____ telecom equipment?
 _____ safety _____ should we pay _____ installation?

_____ there guidelines for _____ safe _____ telecommunications _____?
 We _____ to know _____ any specific _____ for _____ your _____.
 There are certain steps _____ should _____ ensure safety _____ gear.
 What _____ should we _____ when we _____ devices?
 Do _____ safety _____ we _____ to _____ when _____ your equipment?
 _____ telecom _____ might need _____ procedures.
 When _____ install _____ telecom gizmos, what _____ should _____?
 Do _____ have _____ safety measures in _____ install telecom _____?
 Please _____ any precautions that _____ to be taken when _____.
 _____ on safety _____ the installation _____ your equipment?
 _____ need to follow a _____ procedure _____ installation?
 Does any _____ protocols need _____ be _____ during _____ of _____ telecom _____?
 _____ rules for safe _____ equipment _____?
 _____ we need specific safety _____ equipment?
 _____ the _____ procedures for _____ equipment
 Is _____ specific _____ to _____ the installation of comms gear?
 _____ specific safety procedures _____ follow _____ installing telecommunications equipment?
 Are _____ for _____ installation of telecom _____?
 During _____ installation of _____ equipment can you _____ us guidance _____?
 _____ certain _____ are _____ installation of comms gear.
 _____ an established protocol to _____ that the _____ your telecom gear _____?
 Is _____ any safety protocol _____?
 Guidelines for safe _____ of _____?
 Do you _____ specific precautions that _____ need _____ your telecomm equipment?
 _____ you have any _____ should be followed _____ hardware?
 _____ installation of _____ need safety procedures?
 _____ should _____ taken when _____ up your _____ equipment.
 _____ instructions _____ during setup?
 What _____ precautions you _____ take _____ install your _____ at _____ facility?
 Should _____ about any _____ safety _____ handling _____ installing _____ telecommunication equipment?
 Is there _____ established _____ we should follow _____ of your telecom _____?
 _____ have any rules _____ installation?
