

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Modem or router configuration assistance
Inquiry Sub-Category	Firmware Updates for Modem/Router
Description	Customers may seek guidance on updating the firmware of their modem or router to ensure optimal performance, improved security, and compatibility with new technologies.
Data Size	7,543 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

Which factors must always be _____ contemplating _____ updates _____ devices _____ ?

_____ firmware updates, what factors _____ consider?

Which _____ are always important _____ ?

What factors should _____ taken _____ considering _____ update?

_____ tell _____ the important things to consider _____ updating _____ ?

_____ aspects that we need _____ when we _____ the _____ firmware?

_____ elements have _____ considered _____ implementing the _____ software?

What _____ essential aspects _____ have to consider when _____ ?

What ____ the ____ factors we ____ to consider before ____?

Is ____ us ____ consider specific ____ when ____ our device ____?

____ it comes ____ firmware ____ what must ____?

Can you ____ us ____ the ____ aspects to consider ____ firmware?

What are ____ factors when ____ for our devices?

What ____ must ____ software updates?

____ should we ____ account when updating these ____?

____ aspects should be of ____ importance ____ for ____ equipment?

____ must ____ before we update ____?

Which key elements call ____ when updating ____?

____ to updating the ____ for ____ devices, ____ we ____ in mind?

____ some factors that ____ to ____ our devices?

What factors ____ we ____ into ____ when ____ device ____?

____ it ____ to ____ updates, what ____ we think ____?

____ are ____ to ____ in mind ____ updating our devices?

Is ____ that we should ____ overlook ____ updating ____ we use?

We ____ take certain ____ into account ____ device's software.

Is there ____ need ____ specific factors when ____ Firmware?

____ comes to ____ the firmware for ____ factors ____ we consider?

____ elements ____ to ____ considered ____ new device software?

What are ____ most important factors that should ____ account ____ evaluating ____?

Which vital things ____ to ____ we do a ____?

What criteria need ____ a device ____?

What ____ requires ____ consideration ____ updates?

When updating ____ on these ____ consider

Which ____ be ____ updating device software?

Which ____ elements ____ when ____ device firmwares?

What ____ should ____ take ____ account when ____ updates?

What ____ elements ____ for ongoing deliberation ____ software?

What ____ we consider when considering ____?

What ____ should ____ be ____ when ____ for these devices?

Which must _____ with device updates?

When _____ comes _____ these _____ must we consider?

_____ are some _____ to _____ account when updating the _____ firmware.

Which components _____ be _____ during the update _____ device's _____?

Some factors _____ taken into _____ before _____ update.

_____ factors do you _____ matter when it _____ updates?

_____ certain factors always be _____ into account _____ a _____ a _____?

We'd _____ to know _____ relevant _____ be evaluated _____ proceeding _____ firmware _____.

_____ updating the firmware for _____ devices, what _____ keep _____ mind?

Before making _____ device firmware, what _____ considered?

_____ criteria _____ should _____ considered during _____ firmware updates?

When _____ comes to _____ firmware _____ what _____ always consider?

What factors should be taken _____ choosing _____ new firmware _____?

Do we _____ to think about _____ installing _____ software _____ devices?

There _____ factors to _____ firmware on these devices.

_____ make _____ to always take into _____ specific _____ device firmware?

What factors should _____ initiate firmware _____ on our _____?

Can _____ me _____ most _____ comes to updating our devices?

Which elements _____ we _____ we _____ devices?

What _____ the essential aspects _____ need _____ we upgrade _____ device's _____?

What _____ ongoing considerations when _____ for devices?

_____ is _____ key element that calls _____ ongoing _____ firmwares?

_____ there any _____ we need _____ consider before _____ device _____?

Which _____ should _____ account when _____ our devices?

_____ factors need _____ be thought about _____ making changes _____

Please tell _____ about _____ utmost importance _____ firmware updates.

There _____ factors _____ must be thought about _____.

Which _____ need to be _____ to issuing _____ to _____ devices?

What _____ needed for _____ updates _____ these _____?

What should _____ always think _____ comes _____ the device's _____?

_____ must _____ taken _____ account when updating _____ device's _____?

What factors should _____ take _____ making decisions about _____ for _____?

What _____ the _____ important _____ for _____ on these devices?

Some factors should _____ play before _____ decision is _____ on a _____.

_____ factors _____ be _____ into account _____ to _____ updates _____ our devices?

_____ should _____ considered _____ updating our _____.

Which _____ to _____ considered _____ updating the devices _____ by _____?

_____ factors _____ important in _____ planning _____ firmware _____ for our _____?

Can _____ us a description _____ the important _____ before _____ firmware?

The factors _____ while updating _____ firmware _____ these _____

Should certain _____ always _____ part _____ deciding on a _____?

_____ need _____ be taken into _____ making changes _____ the device _____?

Do we _____ specific factors when updating _____ firmware?

I _____ know _____ there are any specific _____ we should _____ overlook _____ gadgets.

_____ should _____ before we start to update _____ devices?

What are _____ factors _____ crucial _____ the updates _____ devices?

Which _____ a priority _____ discussing software _____ equipment?

Which _____ important _____ firmware _____ on these _____?

When _____ device firmwares, _____ for ongoing deliberations?

_____ thinking about _____ for _____ gadgets, what _____ consider?

considering updates, what we mind?
 considerations have be device updates?
 the taken into account considering a firmware upgrade?
 What elements considered when device software?
 be during the device updates?
 any not overlook when device Firmware updates?
 the pivotal factors should considered when evaluating ?
 things need to taken into account prior ?
 Which elements call consideration device ?
 What be taken into account device ?
 thinking about what must we think ?
 factors should considered updating the these .
 Which things require to the in our ?
 are factors need thought updating of our .
 Which must always into device updates?
 Do what factors important it comes updating ?
 factors should considered when considering updates ?
 Does anyone are any considerations we should never overlook ?
 What thinking about the Firmware for these ?
 should when a device firmware update?
 factors be into account when device ?
 Which aspects we consider the on ?
 What factors when it our devices?
 Is there a we should take into account software devices?
 factors should be taken account updates for ?
 Is it mind specific when device firmware?
 Is always advisable factors before making on update?
 are the factors about updates?
 factors into account when deciding whether devices?
 want factors always important when planning firmware updates .
 What are the need consider when upgrading ?
 must be considered software?
 must always taken account with updates?
 Could you us an of we we the firmware?
 there any that never be overlooked gadgets?
 it be to specific factors when updating ?
 What most important to keep mind updating ?
 factors should be into before deciding firmware .
 What the that affect ?
 Is it the crucial to consider updating firmware?
 need be considered before new device ?
 There are factors remember the on .
 There are elements that before implementing new .
 What important to when making update devices?
 are thought prior firmware on our devices.
 are taken account considering a firmware upgrade for devices?
 What be during updates?
 Which elements need be in of device ?
 What factors do account device firmware ?
