

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Equipment malfunction troubleshooting guidance
Inquiry Sub-Category	Malfunctioning Outlets
Description	Assistance with identifying and fixing issues with outlets that do not provide power or have loose connections, including inspecting wiring, replacing faulty outlets, and addressing circuitry problems.
Data Size	5,149 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

How ____ we differentiate ____ single socket ____ from ____ problem that ____ multiple sockets ____ ____ ____ ?
 ____ ____ ____ to ____ issue affecting ____ outlet from multiple ____ at once?
 ____ ____ ____ way to differentiate between ____ isolated ____ and ____ affects ____ sockets across multiple rooms?
 ____ it possible to ____ ____ ____ problem with ____ one ____ multiple sockets ____ different ____ ?
 ____ it possible ____ if ____ single sockets is ____ weird ____ it's ____ across rooms?
 Is there ____ to ____ between an isolated ____ one that affects different ____ multiple ____ ?
 ____ you have ____ suggestions on how ____ a ____ sockets is acting weird ____ rooms have a ____ ?
 Can you ____ a way ____ between single and multiple ____ ?
 How ____ we distinguish between ____ single sockets ____ and ____ ?
 ____ you ____ me if ____ issue ____ isolated ____ single ____ or ____ it's ____ rooms at the same ____ ?
 Is ____ a way to ____ issue from ____ concurrent issues in ____ ?
 ____ ____ ____ tell if something is ____ sockets in a room?
 What ____ the difference ____ multiple ____ different rooms ____ a single problem?
 ____ ____ tell me how to distinguish a ____ sockets ____ in different ____ ?
 Is ____ way to differentiate between ____ issue ____ affects different sockets ____ multiple rooms ____ ?
 Is ____ a way to ____ between ____ sockets issue and ____ affects ____ sockets ____ multiple ____ ?
 ____ is ____ difference between ____ single problem ____ a problem affecting ____ rooms.
 How can ____ distinguish ____ from multi-room issues?
 Can ____ tell me ____ tell ____ an issue ____ one sockets or multiple sockets ____ ?
 Is it possible ____ if ____ an ____ multiple sockets ____ a room?
 Can I ____ out if ____ sockets in ____ simultaneously ____ the only ____ that has an ____ ?
 ____ I tell you ____ the ____ in ____ separate rooms ____ or ____ only single outlet ____ malfunction ____ problem?
 Is ____ way to ____ between ____ isolated sockets issue and ____ impacts ____ sockets ____ multiple ____ ?
 How do you tell ____ there is ____ sockets in ____ room ____ ?
 Can you ____ how to differentiate ____ problem ____ multiple simultaneous ____ different rooms?
 How ____ we tell ____ difference ____ issue ____ several sockets in various rooms?
 ____ if ____ in the separate rooms are affected ____ if ____ malfunctioned?
 How do ____ determine ____ is only ____ outlet that ____ malfunction or ____ the ____ in ____ rooms ____ affected ____ ?

How ____ we ____ the ____ is ____ just one ____ or ____ across ____ rooms?

____ I figure ____ the ____ the ____ rooms are ____ or if the ____ single ____ malfunctioned?

____ tell ____ a ____ sockets problem from ____ sockets problems in different ____?

Can I ____ out ____ the ____ the ____ rooms ____ by ____ or ____ only one ____ goes down?

____ determine ____ sockets in ____ separate rooms are affected by ____ malfunction or ____ they ____ single.

____ possible to differentiate ____ an issue with a single ____ and ____ that ____ in multiple ____?

There is ____ problem affecting multiple ____ in different rooms, ____ difference ____ single ____ that?

____ there a way ____ if ____ with ____ is ____ to a ____ outlet ____ affects ____ outlets ____ areas at once

If the ____ in ____ separate rooms are affected by ____ I ____ they ____ a ____?

Is ____ a way to tell if ____ issue with ____ multiple sockets in ____?

____ there ____ way to tell ____ something ____ wrong ____ multiple sockets in different ____?

Is it possible ____ faulty plug ____ simultaneous failures ____ different ____?

Is it ____ to ____ sockets ____?

Identifying ____ between ____ room sockets?

____ help ____ out if the issue is isolated ____ a ____ or if it's ____ several ____?

____ can ____ separate a ____ sockets ____ multi ____ issues?

Is ____ possible to ____ the ____ separate ____ are affected ____ the ____ issue?

Is ____ possible to tell ____ there ____ an ____ with ____ or ____ a room?

____ you ____ a way ____ distinguish ____ problems ____ issues ____ different rooms?

Are single ____ and ____ problems ____?

If only one outlet ____ malfunction ____ all the ____ rooms are affected at ____ same ____ how ____ that ____

____ it possible ____ troubles affecting different ____ outlets ____ the same ____?

____ it ____ to differentiate ____ bigger problem that ____ all sockets ____ single problem?

Is ____ a ____ to tell a ____ issues ____ different rooms?

Is ____ possible to distinguish ____ sockets ____ bigger problem ____ affects all ____ in ____ different location?

Can ____ differentiate between multiple ____?

What is ____ between ____ isolated ____ and ____ affects ____ sockets ____ multiple rooms at ____ same time?

Do you ____ how ____ tell ____ is ____ with ____ or one ____ one room?

It ____ differentiate an issue ____ single ____ bigger problem that affects all ____ in multiple ____.

There ____ a ____ that affects multiple ____ in ____ what ____ difference ____ a single problem ____?

What ____ the differences ____ single socket ____ multiple ____?

____ you ____ issue is ____ several ____ same ____ or if it is isolated to a ____ socket?

Is ____ tell ____ sockets troubles ____ room issues?

Is ____ a ____ the ____ an individual glitch and a broader ____ areas' sockets ____ same time?

Is ____ to distinguish ____ isolated ____ and ____ impacts several ____ across multiple rooms simultaneously?

Can I ____ if ____ sockets ____ rooms ____ affected ____ the ____ that malfunctioned?

Is it possible ____ singular ____ problems vs. ____?

Can you ____ me determine ____ issue is isolated ____ sockets or impacting ____ at ____?

____ a way ____ differentiate between ____ singular sockets problem ____ sockets problem ____ different ____?

We don't know ____ simply ____ isolation ____ a single ____ causing trouble ____ problem ____ various sockets ____ rooms

Is there ____ way to ____ problem ____ multiple rooms?

____ to ____ apart single ____ sockets?

Is there a ____ to differentiate ____ difficulties ____ solitary power ____ influencing ____ places simultaneously?

Can you ____ me ____ if ____ issue ____ isolated ____ a ____ or if it's ____ several rooms ____ the ____?

____ to identify ____ an individual outlet ____ and a ____ disruption reaching different ____ sockets ____ same time?

We don't know if it's just the isolation ____ a ____ trouble ____ a ____ across ____ rooms

____ would ____ possible to ____ an ____ with a ____ sockets from a ____ affects more than ____.

_____ can we _____ a single socket _____ room _____?
 Can _____ if the sockets in the separate _____ malfunction or _____ outlet has _____?
 Is _____ difference between single _____ problems _____ multiple _____?
 _____ can't tell if it's just the _____ of _____ sockets causing _____ bigger problem _____ multiple _____ separate _____
 Do _____ know how to _____ between _____ a room?
 _____ there a _____ to differentiate _____ arising _____ power outlets _____ those affecting numerous _____?
 Is _____ possible to distinguish a single _____ issues _____ rooms?
 Is there a way _____ between a _____ problem _____ one _____ affects _____ throughout different _____?
 _____ know _____ to tell if there is a problem _____ one _____.
 _____ differentiate _____ a single sockets and a bigger problem with _____ in multiple rooms?
 Is it possible _____ distinguish an _____ with _____ from _____ bigger _____ that _____ all _____ in a _____.
 _____ determine if _____ in _____ are affected by _____ problem or one Outlet has _____ malfunction?
 Can I _____ in the _____ rooms are _____ by _____ if only _____ goes down?
 Can I determine _____ the _____ in _____ separate rooms are _____ the _____ has _____?
 Is there _____ way _____ and _____ that affects _____ rooms at once?
 _____ it possible to _____ between issues with _____ single _____ and _____ issues _____ more _____ room?
 How can we _____ just the _____ of a _____ sockets _____ or _____ problem _____ across different rooms?
 _____ it _____ determine _____ the sockets in _____ separate _____ are affected _____ the _____ malfunction?
 Is it possible to differentiate _____ single sockets _____ that _____ than one room
 Can I _____ whether the sockets in the _____ or the _____ that has an _____?
 _____ it possible _____ socket _____ vs multiple rooms?
 _____ can we _____ if _____ problem _____ in _____ outlet _____ across _____?
 Is _____ a way to distinguish _____ sockets issues _____ issues _____?
 _____ don't know if it's just _____ isolation _____ a _____ a bigger _____ impacting several _____ separate rooms
 _____ you tell me _____ between an isolated _____ issue and _____ that _____ sockets _____ rooms?
 Can _____ if _____ the _____ are _____ or _____ they only have one?
 Can _____ me if the issue _____ to a single sockets _____ if _____ is _____ once?
 _____ think _____ a way to _____ a single sockets _____ issues in _____ rooms?
 _____ individual vs _____ socket _____.
 Is _____ way _____ if _____ single sockets is acting weird or _____ all _____ a room _____?
 _____ a suggestion _____ a single _____ issue _____ multiple _____ issues in _____ rooms?
 How _____ apart a _____ across _____?
 How _____ I tell if _____ problem _____ sockets or multiple sockets _____?
 Is _____ distinguish between _____ sockets problem _____ multiple sockets problem in the _____?
 Is _____ possible to _____ between _____ and _____ malfunctioning one _____ room?
 _____ individual _____ room _____?
 Is it possible to distinguish _____ sockets from a _____ problem _____ affects all sockets _____?
 _____ possible to determine _____ sockets in _____ are _____ by _____ same thing?
 _____ is _____ difference _____ a single socket _____ a _____ issue?
 We _____ know how _____ tell apart _____ multiple sockets _____ room at the _____.
 Can you suggest _____ way _____ distinguishing _____ single _____ multiple _____ in different _____?
 _____ to tell _____ or _____ apart
 Is _____ identify _____ socket trouble vs _____ impacted?
 _____ like _____ know _____ to tell if _____ is a _____ sockets _____ or multiple sockets.
 Is it possible to tell between _____ and _____ in _____?
 Can _____ determine if the sockets in the _____ rooms _____ by _____ just _____ in _____?
 Can _____ if the sockets _____ separate rooms are _____ by _____ malfunction of _____?
 How _____ I determine _____ only one _____ is malfunctioning or _____ all _____ in separate _____ affected?
 _____ single _____ multiple room issues?
 Is it _____ a _____ problem that affects all sockets in _____ issue?

Is _____ possible _____ issue _____ a _____ sockets from a _____ problem _____ affects _____ lot of _____?

_____ sure _____ tell _____ single sockets _____ acting weird _____ if _____ sockets across _____ have a problem.

How _____ we distinguish _____ that _____ sockets in _____ rooms _____ single one?

Is it _____ to _____ singular _____ versus _____ rooms?

_____ to identify single _____ vs _____ rooms?

_____ tell _____ a faulty _____ simultaneous malfunction in different rooms?

_____ you suggest _____ of _____ single sockets _____ multiple simultaneous _____ in _____ rooms?

Is there a _____ to _____ with solitary _____ outlets compared _____ affecting numerous, _____ simultaneously?

_____ determine _____ sockets _____ separated _____ are affected by _____ malfunction or _____ only one outlet goes _____?

_____ to tell _____ the problem _____ electricity supply is _____ a single _____ affects several _____ different areas?

Can I _____ if _____ are affected _____ the malfunction, or if only one outlet _____?

_____ we tell _____ the _____ is in only _____ or spread _____?

_____ a _____ to _____ an _____ with _____ single sockets _____ a bigger problem _____ than one room.

_____ a way _____ differentiate between _____ isolated _____ one that _____ all sockets across _____ rooms?

Is _____ a way _____ tell _____ there's _____ one or multiple _____ in _____ room?

_____ me _____ I _____ if there is _____ problem with one room _____ sockets?

_____ do we tell apart _____ issues of _____ single _____ several _____ in _____?

_____ to _____ an _____ from others at the same time?

How can _____ the problem lies in _____ across many _____?

_____ can _____ tell _____ an _____ affecting several sockets in _____ room _____ the same _____?

There is _____ with _____ in different _____ what's _____ between _____ problem and that?

_____ way to differentiate between a _____ problem _____ one that _____ multiple sockets throughout _____?

_____ you tell me _____ isolated to a single _____ it's impacting multiple _____ at _____ same _____?

_____ there a _____ to _____ between _____ individual outlet glitch and a _____ different _____ sockets _____ once?

How _____ the _____ a single issue _____ several sockets _____ different _____?

Is it possible _____ a single _____ is acting weird _____ all the _____ room have _____?

Is _____ a way _____ a _____ sockets _____ and _____ issues in different _____?

_____ if _____ one Outlet has a malfunction _____ all of _____ sockets in _____ also _____?

Can you _____ me _____ tell _____ something is _____ with _____ sockets _____ rooms?

Is it _____ differentiate an issue _____ single sockets from _____ affects all _____ in _____ room?

Can I _____ the sockets _____ rooms are affected by _____ same _____ one Outlet _____ malfunction?

_____ you tell me _____ difference _____ issue and _____ that affects _____ sockets across multiple rooms _____ same _____?

Can _____ determine if _____ in _____ separate rooms _____ affected _____ malfunction _____ one outlet _____ the room?

_____ you tell me _____ to _____ there _____ problem _____ sockets in the _____?

There is _____ multiple plugs _____ different _____ but what is the _____ between _____ and that

Distinguishing _____ single sockets?

_____ I tell if something _____ multiple sockets _____ or _____ one?

_____ if there _____ an issue _____ several sockets _____ one _____ or another?

Is _____ way to know if a _____ acting weird or _____ sockets _____ the _____ a _____?

Can _____ out if _____ in the separate _____ are affected or _____ is _____ one outlet _____?

_____ to _____ or multi-room _____ problems?

_____ to differentiate _____ single issue _____ bigger issue _____ affects all _____ in _____ room?

_____ me how to tell _____ a _____ is acting _____ sockets in a room have a _____?

_____ a way to distinguish _____ a single _____ sockets in _____ same _____?

Can _____ determine if there is _____ problem with _____ or _____ sockets?

What is _____ an _____ sockets issue _____ that affects _____ sockets _____ rooms simultaneously?

_____ it _____ to _____ with a _____ sockets from a bigger _____ that _____ all sockets _____ rooms?

_____ differentiate an _____ sockets from a bigger _____ all sockets in a room?

How can _____ sockets problem from _____ room _____?

_____ determine if _____ sockets in the _____ are _____ the _____ or if they just _____ a _____?
 _____ tell _____ something _____ wrong with multiple _____ in a different _____?
 _____ is a _____ which affects multiple _____ different _____ and what _____ the _____ a single problem _____
 _____ between sockets _____ different rooms?
 _____ it _____ differentiate _____ with a _____ problem _____ affects _____ sockets in a room?
 How _____ tell _____ in _____ rooms?
 _____ there a way _____ difficulties arising with solitary _____ outlets _____ in _____ places?
 _____ it possible to distinguish _____ sockets _____ across _____?
 there _____ problem that affects multiple plugs in _____ what _____ the _____ problem and that
 Can you recommend _____ to distinguish _____ sockets _____ issues _____ different rooms?
 _____ it _____ that _____ a _____ is all the _____ separate rooms affected simultaneously?
 _____ to tell single or _____?
 Can you _____ me tell _____ is _____ problem _____ one _____ room or another _____?
 _____ it _____ sockets is faulty as opposed _____ room-based power failures?
 _____ me tell if _____ is _____ problem with _____ in one room or _____?
 _____ socket _____ multiple room _____ different?
 _____ you suggest a _____ of differentiating a _____ problem from other _____?
 How _____ tell if _____ problem _____ one _____ versus _____ spread across _____?
 Can _____ suggest _____ way _____ tell a _____ from multiple issues _____ different _____?
 Is _____ possible to identify singular _____ vs _____?
 Can I _____ the _____ the _____ by the _____ or just one outlet?
 _____ is the difference between a _____ and _____ multiple plugs _____ multiple _____?
 Distinguishing single _____ multi _____?
 Can _____ if the sockets _____ the _____ rooms _____ malfunction or only have a _____?
 _____ it possible to _____ an _____ a single _____ a bigger problem _____ sockets in _____?
 How can we tell if there _____ different rooms?
 _____ it _____ differentiate a _____ single sockets from a bigger problem _____ sockets _____ multiple _____?
 We don't know _____ it's _____ sockets causing trouble or _____ bigger problem affecting various _____ across

 There's _____ problem that affects _____ in different _____ and _____ the difference _____ problem and _____
 _____ I _____ if _____ sockets _____ separate rooms are affected or _____ only _____ is malfunctioning?
 Can you tell _____ a single _____ and multiple simultaneous _____ rooms?
 There _____ a _____ with _____ plugs in _____ rooms and what _____ a single _____ and _____
 _____ I _____ sockets _____ rooms are affected _____ just one Outlet has a malfunction?
 Do you _____ if the _____ is _____ to a single _____ or _____ it's _____ rooms _____?
 Do _____ how _____ tell if there is _____ problem _____ sockets _____ room?
 Is _____ to _____ issue _____ sockets from a bigger issue that _____ sockets in multiple _____
 _____ the _____ between _____ single _____ problem and multi-room _____?
 Is there a way to _____ between _____ isolated _____ issue and _____ that _____ various _____?
 _____ is the _____ multi-room issues _____ a single _____?
 _____ it _____ to distinguish an issue _____ one _____ multiple _____?
 Is there a _____ an _____ outlet glitch _____ broader disruption _____ different _____?
 _____ way _____ if a single socket is _____ weird or _____ across _____ have _____ problem?
 _____ we tell _____ is a single _____ sockets _____ a room?
 _____ if there's _____ problem with _____ one _____ multiple sockets _____ a room?
 _____ determine if _____ in the _____ rooms are affected or if _____ is the _____ one?
 How can you _____ something is _____ multiple _____ rooms?
 Distinguishing _____ problem _____ multi-rooms.
 _____ possible _____ identify _____ sockets _____ vs multiple _____ impact?
 _____ can I tell _____ a _____ with only one _____ sockets _____ room?
 Is it _____ to tell if there's _____ with _____ or _____ in _____?

Distinguishing _____ sockets _____ issues?

Is _____ possible _____ differentiate _____ isolated sockets issue and one that impacts _____ across _____ same _____?

_____ it _____ to _____ an _____ and one that affects multiple sockets _____ rooms simultaneously?

_____ you _____ how to _____ if _____ is a _____ with one room _____?

Can _____ a way of _____ single sockets _____ multiple _____ in different _____?

Is it possible to determine _____ sockets in _____ affected _____ the only _____ outlet _____?

Is _____ to differentiate difficulties _____ solitary power outlets _____ to _____ separate places simultaneously?

_____ do _____ between _____ single issue and several issues _____ different rooms?

Is _____ possible _____ differentiate an issue with a single _____ issue _____ than _____ room.

Can _____ the _____ in the separate rooms _____ affected by _____ if _____ is _____ one outlet?

Is _____ to distinguish _____ issue from _____ bigger problem _____ affects _____ sockets _____ rooms?

_____ an issue with _____ sockets from _____ bigger problem that affects _____ in multiple rooms?

Can you _____ me how _____ if there _____ one _____ or _____ sockets _____ the room?

_____ it _____ an issue _____ a _____ sockets from a bigger _____ with more than _____?

Is _____ a difference between isolated sockets _____?

_____ possible to identify _____ sockets troubles _____ issues?

_____ I find _____ if the sockets in _____ rooms _____ affected _____ outlet has malfunction?

_____ there any ways of distinguishing _____ multiple _____ in _____ rooms?

_____ tell _____ I can tell if something is _____ with multiple _____?

Can I _____ if _____ in _____ rooms _____ affected _____ the same malfunction?

Can you _____ me how to tell _____ there's _____ with _____ room _____ another sockets?

_____ way _____ know _____ is acting weird or all sockets _____ the rooms _____ a problem?

If the _____ electricity _____ limited to _____ or affects _____ throughout _____ at once, _____ can we tell?

_____ to distinguish a problem with _____ single _____ a _____ multiple rooms?

_____ it _____ to _____ if a single socket _____ weird _____ across rooms have _____ problem?

Can I _____ if _____ sockets in _____ are affected by _____ have one?

Can I decide _____ in the _____ rooms _____ by _____ malfunction _____ one outlet _____ down?

_____ it _____ differentiate _____ an isolated sockets issue and _____ multiple rooms?

Is _____ possible _____ with a _____ from a bigger problem that affects more _____.

_____ the _____ outlet has _____ I figure out if the sockets in _____ affected?

Is _____ to _____ if a _____ is _____ or _____ all sockets _____ room have a problem?

_____ if the sockets in the different _____ same problem?

_____ you tell me _____ the issue is affecting several rooms at _____ same time, _____ sockets?

Is _____ a difference between _____ problems across _____?

_____ it _____ singular _____ troubles versus multiple _____ impacted?

Is it _____ identify _____ versus multiple rooms _____?

Is it _____ an issue affecting one _____ simultaneously?

_____ I determine _____ the _____ the _____ rooms are _____ by _____ malfunction _____ outlet goes down?

_____ to identify singular _____ over multiple rooms?

There is _____ problem _____ plugs in _____ what is _____ difference between _____ problem and _____.

Is _____ a _____ to _____ arising with _____ power outlets compared _____ those _____ places?

_____ I figure _____ sockets _____ the _____ rooms _____ affected by _____ malfunction _____ if there _____ just one _____?

_____ determine _____ sockets _____ the separate _____ affected by the malfunction or _____ one outlet _____?

_____ it _____ to distinguish _____ with a single sockets from _____ larger problem _____ one _____?

_____ the difference between _____ single _____ problem and _____?

_____ tell me _____ single sockets problem from multiple _____ in different _____?

Can you _____ a way of distinguishing _____ a single _____ multiple simultaneous _____?

Can _____ if _____ in the separate rooms are affected _____ the _____ outlet _____ malfunctioning?

Is _____ to distinguish _____ issue _____ a _____ from a bigger _____ sockets in a room?

Is _____ possible _____ differentiate _____ with a single sockets _____ bigger _____ that _____ all _____ in the _____?

_____ tell if the problem _____ one outlet versus _____ spread across _____?

Can _____ the sockets _____ are _____ by _____ malfunction or only one Outlet _____ down?

Can I determine if _____ malfunction or _____ the _____ the separate _____ affected?

Can I _____ sockets _____ the _____ rooms _____ affected or if the only _____ malfunction _____ to _____?

Is _____ a problem _____ from a bigger problem that affects many _____?

_____ is _____ problem that _____ plugs in different _____ what's the _____ single _____ and that

Is it _____ distinguish _____ sockets _____ & _____ issues?

_____ you _____ a _____ to distinguish _____ a _____ sockets _____ and _____ different rooms?

How _____ tell if _____ is a problem _____ outlet _____ spread _____?

_____ it feasible to identify singular _____ to _____ impacted?

_____ it possible _____ tell _____ the problem _____ limited _____ a single outlet _____ affects _____ outlets _____ same time?

If only _____ goes _____ I _____ sockets in the separate _____ are _____?

Can _____ if the _____ the separate rooms _____ by _____ malfunction _____ only _____ outlet has them?

Can I _____ in the separate _____ are affected _____ or _____ one outlet goes down?

Is _____ a _____ to tell if _____ is _____ to a _____ or _____ several _____ throughout _____ area?

_____ way _____ distinguish single sockets _____ multi-room issues?

_____ to tell _____ or _____ sockets _____?

I _____ to _____ if it's _____ that has a malfunction _____ if all the _____ separate _____ are _____ identify singular _____ vs _____ rooms?

Is it _____ separate _____ that affects _____ than _____ room _____ single sockets issue?

Is there a way to _____ between _____ impacts several sockets across _____ simultaneously?

_____ we tell if _____ single sockets causing trouble or the larger _____ impacting _____ sockets across _____?

Can _____ help _____ out _____ the _____ is _____ to a single _____ if it is _____ at once?

_____ possible _____ tell _____ the problem with _____ is limited _____ or affects _____ outlets _____ areas at the _____ time

What _____ difference _____ an isolated _____ issue and one _____ sockets _____ multiple _____?

Can you _____ difference between an _____ glitch and _____ bigger _____ reaching _____ areas' _____ at _____ same _____?

_____ possible to separate an _____ with _____ single _____ from _____ problem that affects more _____?

_____ it possible _____ room issues?

_____ is the _____ isolated socket _____ one that _____ multiple sockets _____ multiple _____?

_____ you _____ difference between an isolated _____ issue _____ one that _____ multiple rooms at _____ time?

Is there a way to separate a _____ in _____?

I don't know how to tell _____ is _____ many sockets _____ a _____.

_____ it feasible _____ singular _____ problems vs multiple _____?

_____ to _____ the sockets in _____ are affected _____ or if one Outlet _____ a malfunction?

_____ you tell _____ how _____ something _____ with multiple sockets _____ only _____ in a room?

Distinguishing _____ sockets _____ multi-room _____ may _____.

Can _____ if _____ sockets _____ the _____ rooms are affected by _____?

What is the _____ between _____ that affects multiple _____ and _____ single _____?

_____ we tell _____ difference between _____ single issue _____ an _____ impacting _____ a room?

Can _____ if _____ in the separate rooms are _____ by the malfunction or _____?

_____ possible to _____ single sockets and _____ issues?

Can I _____ if _____ sockets _____ the _____ rooms _____ if the only _____ has _____?

Can _____ figure _____ sockets in the separate _____ are _____ or _____ outlet is malfunctioning?

_____ it _____ to distinguish _____ faulty plug _____ a _____ throughout a _____?

_____ I find _____ if _____ sockets in the separate _____ by _____ malfunction or if _____ goes _____?

_____ you _____ me about the differences _____ multiple room _____?

Can I determine if the _____ in _____ or if _____ single _____ a malfunction?

Can _____ tell _____ to tell _____ a _____ only one room or multiple _____?

Does _____ know how _____ a _____ to a _____ electrical outlet or extends over multiple outlets _____?

_____ want _____ know _____ problems _____ multiple room issues differ.

Is _____ possible to identify _____ apart _____ room-related _____ problems?

_____ to _____ difference _____ individual outlet glitch and _____ larger disruption _____ different areas?

We don't _____ if it's simply _____ isolation _____ a _____ trouble or _____ problem impacting various _____ across _____

I don't know _____ if there _____ one or multiple _____ in a room.

Is _____ to determine if _____ malfunction _____ if _____ sockets in the _____ are affected simultaneously?

_____ is _____ problem that _____ plugs in different rooms, _____ is the _____ between _____ and _____.

Is _____ a _____ to differentiate _____ difficulties _____ solitary power _____ compared _____ influencing numerous _____ simultaneously?

Is there _____ to _____ arising from solitary _____ outlets compared to _____ places simultaneously?

Is it _____ to distinguish single _____ troubles _____ room _____?

_____ don't know if it's _____ isolation of _____ socket _____ trouble or a _____ problem _____ sockets _____ separate _____

_____ do we _____ problem lies in _____ many spread across different _____?

Identifying _____ room socket _____?

Can you _____ between an individual _____ and _____ broader _____ reaching different areas' _____ same _____?

Is it _____ separate issues _____ single sockets _____ larger issues that _____ all _____ room?

Can _____ me how I _____ there's _____ with multiple sockets _____ rooms?

_____ to _____ if _____ single sockets _____ acting strange or _____ sockets _____ rooms have _____ problem?

Can _____ determine if the _____ in the separate _____ are affected or _____?

_____ one outlet is _____ malfunction, _____ I determine if _____ sockets in _____ rooms are _____?

Can I _____ whether _____ sockets in _____ separate rooms are _____ the _____ or _____ outlet has _____?

_____ determine _____ in the separate rooms _____ or _____ there is only one _____?

Is it _____ to _____ a single _____ hiccup _____ a widespread _____?

Does _____ know how single sockets and _____?

Is it possible to distinguish between _____ malfunction _____ a _____?

Is it possible to _____ if _____ one or _____ a room?

_____ find out _____ the sockets _____ the _____ are affected by _____ or just _____ outlet?

If _____ is _____ that has a _____ how _____ all the sockets _____ separate rooms _____ affected?

Is there a _____ single _____ troubles _____ issues?

_____ a _____ sockets _____ from _____ issues?

_____ it possible to _____ troubles vs multiple _____.

_____ only _____ a _____ or if all _____ in separate rooms are _____ same time, _____ I know?

Is _____ to differentiate difficulties _____ power outlets compared to those _____ separate _____?

Is _____ possible to _____ single sockets _____ room _____?

_____ know _____ to tell if _____ is acting _____ or _____ across rooms have a problem.

Is it _____ distinguish _____ single sockets _____ multiple problems _____ rooms?

Can you tell _____ how to _____ a _____ sockets is acting _____ or _____ a _____ room?

_____ there _____ way to _____ difficulties arising with solitary power _____ those _____?

_____ to differentiate _____ a _____ and a simultaneous _____ in a _____?

_____ you tell me _____ to _____ there's _____ issue with _____ single _____ multiple _____ in _____ room?

_____ it possible to _____ a _____ plug _____ is _____ different rooms?

Is it possible to tell _____ faulty _____ from a _____?

_____ I determine _____ in _____ separate _____ are _____ by the malfunction or _____ a single _____?

How do we know _____ problem _____ one outlet _____ rooms?

Can I determine _____ sockets in the _____ rooms _____ the _____?

How _____ determine _____ the problem is _____ outlet _____ spread across _____?

_____ way to distinguish between a _____ problem _____ a _____ sockets problem in _____?

_____ about _____ one Outlet has _____ the sockets in different _____ are disrupted _____ once?

_____ we _____ whether _____ problem is in _____ or _____ across rooms?

_____ I find _____ sockets in _____ separate rooms _____ affected _____ if _____ single outlet that _____ a problem?

Can _____ a _____ to _____ a single sockets issue from _____ issues _____?

Is _____ to distinguish issues _____ a _____ sockets _____ issues that _____ more _____ one _____?

_____ there a _____ differentiate _____ isolated _____ issue and one that affects multiple _____ across _____ at _____?

Is there _____ way to distinguish _____ of a _____ multiple _____ the _____ room?

Is there a way _____ distinguish between an _____ issue _____ across multiple _____ simultaneously?

_____ know _____ just the _____ a _____ socket causing trouble _____ bigger problem affecting various sockets _____ different _____

I _____ know how to _____ with one or _____ sockets in _____.

_____ possible _____ socket troubles with multiple rooms _____?

Is it _____ to determine _____ the sockets _____ the _____ rooms are _____ or _____ one _____ malfunction?

Can _____ sockets in _____ separate rooms _____ affected _____ the issue?

Can I know _____ sockets _____ separate _____ are affected _____ or _____ one outlet?

_____ can we tell whether _____ in one _____ or _____ rooms?

Can you tell _____ distinguish _____ a single _____ problem and _____ sockets _____ in _____?

_____ I figure _____ if _____ sockets in the _____ rooms _____ the malfunction _____ just _____ outlet?

_____ single _____ from _____ room issues?

_____ there _____ to _____ an isolated socket _____ one that affects _____ sockets across multiple _____?

Can _____ tell _____ to _____ something is _____ multiple _____ in different rooms?

How _____ we _____ if _____ just the isolation of a single _____ or _____ problem _____ across _____ rooms?

_____ I _____ sockets _____ the separate _____ are affected by _____ in the _____ outlet?

_____ way _____ distinguishing a single _____ problem from other _____ in different _____?

_____ I _____ the _____ the separate rooms are _____ by _____ malfunction or _____ only one _____ one?

Is _____ a _____ distinguish between _____ of single sockets _____ multiple _____ in _____ room?

Is _____ to _____ sockets _____ vs multiple _____ impacted?

_____ me if _____ isolated to _____ single _____ or affecting several _____ at the _____ time?

Is _____ to _____ individual _____ simultaneous room _____ glitch?

_____ the problem _____ one outlet or many spread across _____?

Can I figure _____ in the separate rooms _____ simultaneously or the _____ an _____?

_____ there _____ way _____ if _____ problem is limited _____ a _____ or _____ multiple _____ in the _____ area at _____ same _____

We don't _____ it's just the _____ of _____ sockets causing trouble or _____ impacting various sockets _____

_____ if _____ separate rooms' _____ are affected by _____ or not?

_____ you _____ to tell if there's _____ with just one or multiple _____ in _____?

_____ it _____ to _____ problem with a single _____ a bigger _____ that affects _____ in the _____?

Can you _____ me how _____ is a problem _____ one _____ other _____ in the _____?

Is _____ a way to distinguish between _____ isolated _____ and one _____ sockets across _____ rooms _____ same _____?

_____ way _____ distinguishing a single _____ issue from _____ rooms is needed.

_____ I _____ if _____ is a _____ just one _____ sockets in a _____?

Can _____ determine if _____ the separate rooms _____ one outlet malfunctioned?

_____ can you Distinguishing _____ socket _____ from _____ issues?

_____ can _____ see _____ the _____ outlet or spread across different _____?

_____ method of _____ single sockets problem from _____ in different rooms?

_____ possible to _____ single problem from a bigger _____ that affects _____ sockets _____?

Is there a _____ to _____ a _____ sockets from _____ problem that _____ all _____ in _____ rooms?

_____ tell me how _____ problem with _____ room or another sockets?

_____ possible to separete an issue _____ a _____ a _____ problem that affects all _____ a _____?

Is it _____ an _____ with a single sockets from _____ problem that _____ sockets _____ multiple _____.

_____ possible _____ single sockets troubles _____ multilateral _____ issues?

_____ we distinguish between a problem _____ sockets _____ a room _____ a _____?

_____ possible to distinguish _____ with _____ single _____ from _____ bigger problem _____ more than one _____?

_____ there _____ way _____ an isolated _____ and _____ problem across _____ rooms?

Can _____ if the sockets in _____ by _____ same _____ as the single outlet?

What _____ single _____ issues and _____ room issues?

Can _____ if the sockets in _____ affected simultaneously _____ just _____ Outlet has a _____?

How can _____ if _____ problem _____ with just _____ if it's _____ sockets in different _____?

_____ it possible _____ differentiate _____ problem with a bigger _____ that _____ sockets in _____?

_____ singular sockets _____ room-related _____ problems _____ a possible solution?

_____ way to distinguish between an isolated _____ and one _____ affects various _____ rooms _____?

Distinguishing _____ from multi-room _____ could _____ possible.

_____ a _____ to distinguish a problem that _____ sockets _____ different rooms _____ the _____?

_____ can I _____ if there is _____ problem _____ or _____ in _____ room?

_____ figure _____ sockets in the _____ rooms are _____ or _____ the only single outlet _____?

I want to _____ how _____ if there's an _____ one _____ multiple _____ in a _____.

_____ do I determine if _____ the _____ separate rooms _____ the _____ if _____ one outlet is malfunctioning?

How _____ we _____ if the problem lies in _____ many _____ rooms?

_____ possible _____ distinguish a _____ with _____ sockets from _____ problem that affects _____ a room?

_____ to _____ single _____ multi-room socket _____?

Can _____ me _____ out if the issue _____ isolated _____ or if _____ rooms at once?

_____ there a _____ to _____ single or _____ sockets _____?

Is it possible _____ tell if _____ problem with _____ is _____ to _____ several _____ throughout different areas _____

_____ same

_____ there a _____ differentiating a _____ sockets _____ from _____ in different rooms?

Is _____ sockets in the separate rooms _____ or one _____ has a malfunction?

How can we _____ if there _____ problem in _____ in different _____?

_____ possible _____ between single sockets & _____ room _____?

_____ suggest ways _____ distinguish a _____ sockets issue _____ in different rooms?

_____ do we tell the _____ a problem _____ affects _____ sockets _____ rooms _____ single problem?

Is _____ any _____ between _____ troubles _____ room issues?

Can I determine if _____ sockets _____ are affected simultaneously, _____ only outlet _____ issue

Can I determine if _____ sockets _____ separate _____ by _____ one?

_____ individual vs _____ room _____?

Is it _____ to Distinguish _____ room issues?

_____ can _____ know _____ problem _____ sockets in different rooms?

Can I _____ if the sockets in _____ rooms are _____ by the _____ the single _____?

Is it _____ tell between _____ sockets _____ problems _____ rooms?
