

[Demo] NLP Dataset for Customer Service Automation

Company Type	Cable and Satellite TV Providers
Inquiry Category	Installation and set-up assistance
Inquiry Sub-Category	Signal or reception problems
Description	Customers may seek assistance with poor signal quality, loss of channels, or troubleshooting issues related to their satellite or cable connections.
Data Size	7,111 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Cable and Satellite TV Provider" customer inquiry. (Purchased data will not be masked.)

Are ____ any ____ in ____ areas ____ the ____ of multiple channels?

The ____ outage ____ numerous channels ____ due to ____ difficulties ____ certain ____.

There are ____ causing ____ channels to ____ same time.

Tech problems ____ multiple channels ____ go off ____ same ____.

____ cause the simultaneous loss of ____?

____ are ____ that may ____ to the ____ of ____ channels.

Is a technical ____ messing ____?

Is there any tech issues ____?

____ certain problem ____ lead ____ the loss ____?

Lost ____ on many ____ could ____ problems in specific ____.

____ be ____ a ____ of channels.

____ it ____ that ____ difficulties ____ multiple channel outages ____?

____ there ____ with ____ because of technical problems?

____ troubles cut ____ simultaneously?

____ there a ____ causing lost ____ chans?

Technical problems ____ the ____ in ____ channels.

Is there ____ lead ____ multiple channel failures?

Is ____ technical ____ only in specific areas?

____ it possible that ____ areas ____ malfunctioning and ____ channels ____?

____ simultaneous disruption of several ____ is ____ issues.

Is ____ disruption ____ a result of ____ issues?

Is ____ several ____ due to technical ____?

____ the simultaneous disruption of ____ to specific ____?

Multiple channel loss ____ once ____ be ____ difficulties.

____ widespread ____ outages ____ by ____ errors ____ to specific ____?

Can ____ be ____ messing ____ multiple channels?

Is it ____ that the ____ is ____ channels at ____ time?

Do technical ____ contribute ____ the simultaneous ____ of ____?

Is there ____ with ____ many ____ at ____?

Multiple channel _____ is caused by _____ difficulties _____ different _____.

_____ there _____ that lead to multiple _____ loss?

_____ mass channel _____?

Region by _____ do _____ lead to _____ channel _____?

I _____ if _____ off various _____ at the _____.

_____ channel loss _____ possible due to specific _____ certain _____.

Tech _____ multiple locations.

Is there a problem affecting _____ that _____ go _____?

_____ tech trouble _____ causes channel _____?

Tech _____ channels down?

_____ have _____ problems messing _____ multiple channels?

_____ there _____ difficulties causing _____ loss of multiple _____?

Do _____ technical problems that _____ causing multiple _____ failures?

_____ simultaneous outage _____ channels could _____ related _____ technical difficulties _____ certain _____.

There _____ problem spots _____ channels.

Is there _____ particular difficulty _____ multiple channel _____ at _____?

_____ messing _____ in _____ that make _____ of these channels _____ the _____ time?

Problem _____ lead to _____ multiple channels.

_____ there any _____ cause the _____ loss _____ several channels?

There may be _____ lead to multiple _____.

_____ were _____ channel _____ because _____ glitch _____ some areas.

Will there _____ problems _____ loss of _____ channels?

There _____ be _____ difficulties _____ regions _____ cause _____ simultaneous outage of _____.

_____ to the concurrent loss _____ channels?

There are some technical issues _____ of _____.

_____ of many _____ could be _____ result of _____ particular regions.

There are _____ may lead to multiple _____.

_____ channels are down.

_____ cause the loss _____ channels?

Is it possible that _____ are experiencing _____ impacting _____ simultaneously?

Is _____ causing channels _____ go off air?

Are _____ messing _____ in certain places _____ causing these _____ at the _____?

Is there _____ specific _____ result _____ multiple _____ loss at _____?

_____ are technical issues that _____ lead _____ multiple _____.

_____ there _____ problems _____ off _____ simultaneously?

There may _____ technical _____ that _____ simultaneous _____ of _____.

_____ any issues causing a _____ channels _____ areas.

_____ spots _____ loss _____ channels?

Do _____ issues _____ channels at the _____ time?

Is _____ possible _____ certain _____ can lead _____ the loss _____ channels?

_____ technical problems _____ cause widespread channel _____ in _____.

Are _____ any technical impairments _____ cause a _____ channels?

Do _____ cause _____ of channels?

_____ the loss of multiple _____ problem _____?

Do you have _____ technical _____ multiple _____?

Is _____ a tech _____ causing _____?

Multi-channel _____ due _____ zones?

_____ it possible that some _____ are _____ technical _____ channels?

_____ in some areas _____ is killing multiple channels _____ time.

Any _____ affecting certain areas that _____ loss of _____?

_____ technical _____ the simultaneous _____ of several channels.

Do _____ of any _____ issues _____ channel outages?

_____ specific difficulties _____ result _____ loss at once?

_____ are _____ that may cause a loss _____.

Technical issues might _____ multiple channel _____ particular _____.

_____ technical _____ are _____ drop in _____ channels.

_____ disruptions _____ be _____ because of _____.

_____ issues _____ with multiple _____?

_____ may be _____ certain areas that _____ channel _____.

Mass _____ disruptions _____ possible _____?

Multiple _____ due _____ zones, yet?

_____ problems that _____ a loss _____ channels in _____?

Have _____ technical _____ that cause a _____ of multiple _____?

Due to the _____ numerous _____ be _____ in certain regions?

_____ current tech _____ channel disruptions?

_____ channel loss at _____ be caused _____ difficulties.

_____ there any _____ a widespread suspension of channels _____?

_____ you know of _____ that cause multiple _____ concurrently?

Any tech _____ endanger _____?

Do you know _____ technical problems _____ multiple _____ concurrently?

Problems may have _____ various _____ the _____ time.

There _____ be glitch _____ a collective _____.

Some _____ the _____ may lead _____ the _____ multiple channels.

_____ tech problems _____ may _____ to _____ channels?

There _____ possible _____ triggering mass _____.

_____ there _____ technical _____ multiple channel outages at the _____?

Is there _____ messing _____ channels?

Multiple channels _____ going off _____ same time _____ tech _____.

Are channel _____ technical _____ limited to specific _____?

Due to the simultaneous _____ channels, _____ there _____ technical _____ particular _____?

_____ issues impacting _____ than _____?

Is _____ a _____ affecting _____ areas that cause _____ to _____?

_____ loss is possible _____ of _____ different locations.

_____ problems are causing _____ in _____.

Is _____ possible _____ areas could cause _____ loss of _____?

Do technical issues interrupt _____?

_____ problem areas could _____ loss of _____ at once.

_____ be technical _____ that contribute to _____ outages.

Multiple channels _____ down _____ the _____ due to _____ certain regions.

_____ any technical _____ a suspension of multiple channels at _____?

_____ it _____ that certain _____ stopped _____ signals _____?

_____ may be technical _____ lead to multiple _____.

_____ channel outages _____ to technical _____ in specific _____?

_____ there _____ that lead to a _____ suspension _____ multiple _____?

_____ spots _____ the _____ of channels?

_____ may explain multiple channel _____?

_____ be technical _____ simultaneous loss _____ multiple channels.

_____ of several _____ was _____ by _____ technical issues.

_____ difficulties that may _____ multiple channel _____?

Some _____ areas might lead to _____ once.

Any known issues ____ to ____ of ____?

____ are technical ____ that ____ of multiple channels.

____ able ____ impairments causing a ____ suspension of multiple channels?

Trouble ____ cause a ____ of ____.

Any ____ issues ____ messing ____ channels?

Is ____ tech trouble in ____ causes channel ____?

Is there a ____ the loss ____ multiple ____?

____ issues interrupt several ____?

Problems in specific ____ cause ____ chans?

Is ____ that troubles ____ signals ____?

____ channel disruptions ____ due ____ possible issues.

Is ____ tech hiccup ____ causes ____ to go ____?

Y'all ____ up ____ spots, making all ____ at the same ____?

____ disruptions could ____ the ____ possible issues.

____ there any ____ difficulties that ____ cause the ____ channels?

____ issues ____ my ____ disappear together?

____ there ____ particular ____ that results in ____ at the same ____?

Is ____ lost ____ many chans?

____ might ____ technical ____ the ____ of several channels.

____ there ____ technical difficulty ____ causing the simultaneous ____ multiple ____?

____ disruptions ____ due ____ possible issues.

Some ____ problems may be ____ reason for ____ multiple ____.

Is ____ in certain ____ causing channel issues?

____ may be technical ____ disruption ____ several channels.

Is ____ possible ____ areas are experiencing ____ malfunction ____ simultaneously?

____ simultaneous multi-Channel ____ due ____ zones?

____ there any ____ my channels that are ____ to ____?

____ be ____ causing a ____ of channels.

____ possible issues are ____ mass ____.

Multiple channel ____ is possible due ____ specific ____.

____ problems that ____ cause simultaneous loss of ____.

Have you found ____ are causing ____ of multiple channels?

Do you ____ if tech ____ channels ____ areas?

Due ____ simultaneous outage ____ technical difficulties ____ found in ____ regions?

There ____ technical ____ to ____ simultaneous ____ of multiple channels.

____ problem ____ many channels ____ once?

____ might be ____ technical ____ multi-channel ____.

____ be ____ causing simultaneous loss of ____ channels.

Do ____ issues ____ a lot ____ at ____ same ____?

____ any issue cause ____ loss ____ multiple ____?

____ there a problem ____ is ____ channels ____ offline ____ certain ____?

There ____ any ____ the concurrent loss ____ several channels?

____ that affect ____ channels?

____ know if there are ____ are ____ my channels disappear ____?

____ there ____ issues that cause the ____ loss ____ channels?

Is there ____ current ____ channel problems?

____ affect ____ at one time?

Is ____ that there are ____ multiple ____ at ____ same time?

____ are ____ multi- channel ____ somewhere.

____ you ____ that are ____ my channels ____ together?

Is _____ that cause _____ to go offline?

Can technical _____ the _____ loss of _____?

_____ be technical problems _____ are _____ loss _____ multiple channels.

_____ with loss _____ channels at _____?

_____ there any issue that causes the _____?

Have _____ in areas _____ multiple channels _____ once?

Is _____ cut off various signals?

Are _____ areas _____ widespread _____ because of _____ problems?

Do you know if there _____ any _____ impairments _____ suspension _____?

_____ there a known issue that _____ to _____ channels?

_____ any technical difficulties that _____ the _____ multiple channels?

_____ you know _____ widespread _____ is caused by any technical _____?

_____ outage of _____ be the result _____ difficulties in _____ particular region.

There _____ technical reasons _____ simultaneous _____ of _____ channels.

_____ technical difficulties that lead to multiple _____.

Are _____ be aware of that _____ massive _____ failures?

The _____ channels could be _____ by _____ difficulties in some _____.

_____ some technical _____ that are _____ channels.

_____ know if there are problems _____ cause _____ go _____.

Do _____ problems that _____ to _____ channel _____?

_____ a _____ problem messing with multiple _____?

_____ issues impacting _____ than one _____?

Is there _____ failures?

_____ there currently tech _____ outages?

_____ be _____ difficulties that _____ channel failures.

There _____ zones _____ caused simultaneous _____.

Did _____ any technical impairments _____ a _____ suspension _____ at once?

_____ you have _____ channels at once?

_____ issues that _____ up _____ channels at the same _____?

Is the _____ Channels Down?

_____ with _____ are killing multiple channels _____?

Was a technical _____ messing _____?

_____ are _____ that _____ loss _____ channels.

Is _____ a _____ in _____ that kill _____ at _____?

_____ numerous _____ be _____ result of technical difficulties in _____ particular region.

Are _____ up _____ causing all _____ channels _____ disappear at _____ same time?

_____ technical _____ affect other _____ at the same _____?

Is there _____ glitch _____ messing _____ channels?

Are _____ up _____ certain _____ the channels disappear at the same _____?

_____ the problem _____ areas _____ causing multiple channels _____ go _____?

_____ there tech trouble in _____ causing _____?

There _____ channel cut _____ to malfunctioning _____.

Is it _____ that _____ multiple channel _____ together?

Did _____ signals at _____ same _____?

_____ there _____ experienced widespread _____ losses due _____ technical problems?

_____ regions have _____ issues that cause multiple _____?

_____ causes _____ loss of multis _____?

_____ channel _____ caused by _____ in specific areas?

There _____ simultaneous cut offs _____ problems _____ areas.

_____ there a _____ issue _____ multiple _____.

____ you ____ of ____ impairments that could cause ____ suspension of ____ once?
 ____ problems ____ leading to the loss ____?
 ____ technical ____ affect ____ channels at the ____ time?
 Did ____ messing ____ multiple channels?
 ____ problems with ____ channels ____ out at the ____ time?
 ____ you know of any technical glitch causing multiple ____ time?
 ____ areas ____ the loss of channels?
 Are there ____ technical ____ are causing the suspension ____ multiple ____?
 Do ____ any ____ impairments ____ can cause ____ widespread suspension of ____?
 Did ____ off ____ once?
 ____ current tech trouble ____ to channel ____?
 ____ any ____ impairments that cause ____ widespread suspension ____ multiple ____ once?
 Some ____ going off ____ the ____ due to technical ____.
 Are there any issues ____ be ____ of ____ channels ____ dark?
 Have ____ killing ____ at once?
 Tech issues could be ____?
 Did any ____ signals ____ the same ____?
 Some problem ____ the ____ of ____ channels at the ____.
 There are some ____ can cause ____ loss ____ channels.
 ____ the ____ of ____ channels ____ of technical issues?
 There ____ up multiple channels?
 There ____ channels ____ crash wondering ____ there ____ in ____ sections.
 Are ____ problems we ____ be aware ____ channel disruptions?
 There may be ____ channel outages.
 ____ that leads to ____ loss ____ multis channels?
 ____ may ____ the reason for ____ drop ____ channels.
 ____ there ____ trouble that leads ____ outages?
 Is ____ a problem ____ is causing ____ go offline?
 ____ any ____ causing ____ loss of ____.
 ____ a ____ with ____ killing ____ channels at the ____ time?
 ____ are ____ that can cause ____ losses.
 Is ____ that ____ could lead to ____ loss of multiple ____?
 Is ____ an ____ causing the simultaneous ____ many ____?
 ____ there specific ____ lead to multiple ____ loss ____?
 There ____ trouble zones ____ multi-channel ____.
 ____ impacting multiple ____?
 ____ be ____ issues ____ loss of several channels?
 There ____ technical difficulties ____ lead to multiple ____.
 Could some ____ areas ____ to the ____ multiple ____?
 ____ possible that tech ____ for multiple areas?
 Are there ____ widespread ____ because of ____ problems?
 ____ may ____ technical ____ that ____ multiple channel ____ together.
 Multiple channels are ____ off ____ same ____ some ____ problems.
 ____ issues ____ specific areas that ____ the loss of ____?
 ____ issues: ____ down?
 Do ____ issues ____ many cable ____ dropping ____ simultaneously?
 Is ____ tech problem that ____ to ____ of ____?
 ____ loss of ____ channels at the same time.
 ____ are going ____ time due to some tech ____.
 There may be ____ difficulties that ____ the ____ channels.

_____ problem in areas that are _____ multiple channels _____?

_____ could be _____ that lead _____ simultaneous _____ of multiple _____.

Were there _____ impairments that caused _____ widespread _____ of _____?

There are _____ difficulties _____ result _____ channel loss at _____.

Tech _____ channels?

_____ in some _____ simultaneous _____ cut offs.

Do _____ have problems with _____ issues _____ to multiple _____?

_____ there _____ problem with the simultaneous loss _____?

_____ technical difficulties _____ the _____ channels?

_____ any _____ glitch that causes _____ channel _____ in _____ same _____?

Many channels _____ to _____ spots?

Do specific technical _____ cause _____ channels?

_____ there an _____ that _____ my dang _____ together?

_____ issues behind the simultaneous loss _____ channels.

Is _____ tech trouble _____?

_____ may be involved in _____ simultaneous _____ channels.

There _____ problems that _____ the simultaneous loss _____ channels.

There could be _____ lead to _____ of _____.

_____ you know of _____ technical problems that _____ disruptions _____?

_____ tech problems _____ different _____?

Have you found any _____ widespread _____ of _____ channels?

Multiple _____ are _____ off at the same _____ to _____ problems _____.

_____ you have _____ problem _____ places _____ are _____ channels _____ once?

Multiple channels _____ be out _____ the same _____ difficulties _____ regions.

_____ technical problems _____ the _____ the drop in many _____.

Is _____ behind _____ decreased channels?

_____ of _____ technical _____ that _____ multiple channel disruptions?

Do areas _____ widespread channel _____ to _____?

Do _____ if there _____ multiple channel outages concurrently?

_____ any _____ issues _____ specific areas that _____ the _____ of _____ channels?

_____ technical _____ that can cause _____ outages?

Do _____ issues impact _____ once?

Specific technical _____ channels _____ once.

Some technical _____ be causing the _____ of _____.

_____ with _____ cable _____ out at the same _____?

Is _____ technical _____ multiple channel failures together?

Is _____ channel _____ due to _____?

_____ loss of _____ channels _____ technical problem?

Is _____ technical _____ messing _____ multiple _____.

_____ are questions _____ being caused _____ technical issues.

Areas are _____ channel _____ technical _____.

Multiple _____ once _____ be _____ some specific difficulties _____ different locations.

Do _____ problems that lead _____ losses?

Multiple channels down _____?

All these _____ at the _____ time, _____ messing up _____ spots?

Did certain _____ cut _____ at _____ same _____?

Are there _____ technical _____ that caused _____ several _____?

Do _____ have a _____ with certain _____ that _____ killing _____ channels _____ time?

_____ there any _____ behind _____ of multiple channels?

There may _____ a _____ problem _____ channels.

____ the ____ outages ____ issues only for specific areas?
 ____ you having ____ issues that ____ my ____ together?
 Is it a ____ that causes ____ to go ____?
 ____ may ____ technical ____ that ____ simultaneous outage of ____ channels.
 ____ which areas are ____ widespread ____ due ____ problems?
 ____ any technology that leads ____ loss ____ multis ____?
 ____ there ____ technical ____ behind the ____ of ____ channels?
 ____ at ____ is ____ due to some specific ____.
 ____ problems ____ are ____ many ____?
 There ____ problems ____ cause ____ signals ____ many ____.
 ____ areas cause ____ of multiple channels at ____?
 Coincidence ____ fail due to ____?
 There is a problem ____ is ____ go ____.
 ____ you ____ any technical impairments that could ____ a ____ suspension ____?
 ____ tech issues ____ may ____ to the ____ of ____?
 ____ a current tech issue ____ outages?
 There ____ cut ____ due to some ____.
 Is a problem ____ certain ____ channels ____ go ____?
 ____ you know of any technical issues ____ channel ____?
 ____ technical ____ limited to specific ____ cause of widespread ____?
 Do ____ disrupt ____ channels at ____?
 Multiple channels are ____ same time due ____ technological ____.
 Is ____ possible that there ____ troubles ____ signals ____?
 ____ tech ____ that ____ be leading ____ loss of multis ____?
 ____ there ____ an issue causing ____ loss of ____?
 The disruption of several ____ by specific ____.
 Any ____ that is causing ____ simultaneous ____ multiple ____?
 Did troubles affect ____ at ____?
 Is ____ a tech ____ behind ____?
 ____ are ____ that cause multiple ____ to go ____ at ____ same ____.
 ____ channels down?
 ____ a ____ the channels coming ____?
 ____ affecting ____ one channel?
 Do ____ have any issues ____ are ____ channels ____ together?
 ____ multiple ____ the ____ time ____ be caused ____ certain problem areas.
 There could ____ difficulties that ____ simultaneous out ____ numerous ____.
 ____ certain areas ____ experiencing technical malfunction ____ channels simultaneously?
 Is ____ glitch ____ loss ____ channels in ____ areas.
 Multiple ____ loss at once ____ to ____ specific difficulties affecting ____.
 Will ____ glitch cause ____ loss of channels ____?
 ____ there some specific difficulties ____ lead to ____ at ____?
 ____ could be ____ difficulties ____ cause the ____ outage ____ channels.
 ____ channels ____ tech ____?
 Is ____ problem ____ leads to ____ simultaneous loss of ____?
 ____ are technical problems ____ losses ____ some areas.
 Is widespread ____ outages ____ by technical ____ to ____?
 ____ channel outages ____ technical issues only in ____?
 ____ would ____ know ____ any issues are making ____ channels ____.
 ____ tech hiccup ____ sudden reduction in ____?
 Do you ____ that ____ multiple ____ at the same ____?

____ may ____ technical difficulties ____ ____ losses.
 There ____ channel cuts ____ glitch in some ____.
 Did simultaneous ____ of ____ zones?
 An issue causing ____ multiple ____?
 ____ trouble spots ____ the ____ channels?
 ____ technical difficulties causing ____ loss of channels.
 There are ____ that are causing multiple channels ____ same ____.
 Do you ____ problem that's killing ____ at ____?
 Is ____ with tech jamming channels for ____?
 Is there ____ causing ____ to go ____?
 Is ____ hiccup that brought ____ the ____?
 Multiple channels are ____ the same ____ technological problems.
 Any tech ____ the loss of multis ____?
 ____ are ____ difficulties that can ____ channel ____.
 There are tech ____ multiple ____ to ____ at ____ same time.
 ____ technical difficulties ____ might cause multiple channel ____?
 ____ channel loss at the same ____ by ____ specific ____.
 Is ____ possible ____ certain troubles cut ____ all ____?
 ____ be issues that cause ____.
 ____ there a ____ problem that ____ in ____ loss?
 There might be an ____ simultaneous loss ____.
 ____ could be ____ glitches behind ____.
 ____ issues leading to ____ of several channels?
 Is it ____ in certain ____ that ____ channel ____?
 All ____ channels ____ the ____ time, are ____ up ____ certain spots?
 There ____ technical ____ multi-channel ____?
 ____ any areas suffering ____ losses ____ to ____ problems?
 Do technical issues ____ channels ____ same ____?
 ____ there ____ that are making ____ channels disappear ____?
 There ____ technical ____ that cause simultaneous ____ several ____.
 ____ problems ____ the simultaneous loss of ____?
 Any tech problems ____ cause ____ multis ____?
 Is any area ____ because of technical ____?
 There ____ be ____ that ____ in the simultaneous ____ of ____.
 There may be ____ that ____ to ____ losses.
 ____ the issue ____ that ____ causing multiple ____ to ____ offline?
 Any ____ troubles ____ the ____ multis ____?
 Do ____ cause the simultaneous disruption ____?
 The ____ of numerous channels could ____ due ____ difficulties in ____.
 ____ any issue ____ makes my channels ____?
 There might be ____ that ____ loss of ____.
 Are ____ incidents limited to ____ the ____ of ____ outages?
 ____ channels ____ at the ____ time, are ____ up ____ certain spots?
 Some ____ to the loss ____ channels ____ same time.
 ____ disruptions ____ caused ____ certain issues.
 ____ some regions ____ technical issues ____ to multiple ____?
 ____ be technical ____ multi- channel ____.
 ____ chans due to problems ____ specific zones.
 ____ it possible ____ technical problems caused the simultaneous ____?
 ____ problems to blame ____ the simultaneous ____ multiple ____?

There might be _____ that _____ simultaneous loss _____ multiple _____.
_____ technical _____ behind multi-channel _____?

Is _____ trouble spots _____ of _____?
_____ to _____ of multis channels.

Do _____ face _____ issues that _____ channel losses?
_____ triggering mass _____ disruptions?

The _____ channels _____ be caused by _____ difficulties _____ certain regions.

Problems in specific _____ lost _____ many chans.

Is there _____ technical _____ loss of _____ channels?

Is there a _____ hitch behind _____ simultaneous _____?

Is _____ that _____ causing my _____ disappear together?

_____ you _____ if _____ issues cause _____ go down _____ the _____ time?

Is _____ in certain areas that _____ channels _____ offline?

_____ issues _____ being down?

Are _____ widespread _____ by _____ problems only _____ specific areas?

Is _____ problem affecting certain _____ causing the channels to _____?

_____ there _____ certain areas _____ is disabling multiple _____?

_____ be possible issues that cause _____.

_____ could be causing the _____ channels.

_____ be _____ issues _____ multi-channel losses.

Some _____ spots _____ loss _____.

Is _____ problem affecting some _____ are _____ channels _____ go _____?

_____ technical difficulties that _____ channel disruptions?

Are _____ about _____ issues that _____ channels disappear together?

Could _____ areas cause the _____ at the _____?

_____ issue causing the _____ multiple _____?

Is it _____ that _____ various signals _____?

_____ any issues that have made my _____?

Is _____ particular difficulties _____ in multiple channel _____?

Did _____ cut _____ signals _____?

_____ might be _____ glitch _____ causes _____ loss _____ in _____ areas.

_____ problems play a _____ drop _____ multiple channels?

_____ problems _____ multiple channels?

_____ can _____ to _____ channel losses.

_____ at _____ same _____ due to tech problems.

_____ channels are _____ off at _____ same time _____ troubles.

Is there a specific _____ causing the _____?

Do _____ technical issues _____ to multiple _____ losses?

The _____ disruption _____ might be due to _____ technical _____.

Any issue _____ loss _____ channels?

_____ know _____ any _____ issues causing multiple _____ disruptions?

Are _____ areas _____ widespread channel losses _____ technical _____?

_____ technical issues _____ the _____ channels?

Some _____ areas _____ cause the loss _____ multiple _____ at _____.

_____ there _____ technical difficulties that may _____ channel _____?

Any _____ messing with _____?

_____ technical issues _____ channels?

Do technical difficulties _____ simultaneous _____ of _____?

_____ there any technical _____ the _____ loss of _____?

_____ that may be _____ the _____ of channels.

____ tech ____ behind ____ dropped channels?
 ____ there ____ issues behind the loss ____ several ____?
 ____ simultaneous ____ offs due ____ problems in ____ areas.
 ____ leading ____ loss ____ multis channels?
 ____ technical glitch behind ____?
 ____ these channels disappear at the same ____ are ____ in ____?
 Is there ____ causing ____ number of ____ go offline?
 ____ are ____ problems ____ may ____ the simultaneous loss of ____.
 ____ simultaneous outage of multiple ____ caused by technical ____ regions.
 ____ acknowledge ____ problems causing ____ channels ____ go ____ simultaneously?
 ____ a ____ that is killing ____ the ____ time?
 ____ have technical ____ that ____ to multiple ____ losses?
 ____ technical problems ____ multiple ____?
 Have ____ any technical ____ that cause a widespread ____ channels ____?
 ____ simultaneous outage ____ may be ____ technical difficulties in ____ regions.
 ____ cause loss ____ multis channels?
 ____ of these ____ disappear ____ the same ____ messing ____ in certain ____?
 ____ troubles ____ the signals ____ simultaneously?
 ____ issues and ____?
 ____ jamming channels ____ multiple ____?
 Many chans ____ losing ____ due ____ in specific ____.
 Have ____ a problem ____ areas ____ channels ____ once?
 Are ____ widespread channel ____ by technical ____ only ____ areas?
 Specific tech ____ different ____?
 ____ you ____ technical ____ that ____ a ____ suspension of channels?
 ____ problem ____ certain places that ____ causing multiple channels ____ offline?
 ____ channels are ____ at ____ same time due ____ difficulties ____ regions.
 Is ____ that's causing a loss ____?
 ____ you ____ if there are ____ issues ____ channel ____ concurrently?
 ____ a ____ hiccup ____ the drop ____?
 ____ the simultaneous loss ____ to technical issues?
 ____ are some technical problems ____ are ____ many channels.
 Are ____ any areas experiencing widespread ____ because ____?
 ____ it possible ____ technical ____ affecting ____ channels at ____ same time?
 ____ tech ____ numerous channels?
 ____ the ____ trouble in specific ____ causing channel ____?
 Are areas experiencing ____ losses due ____?
 Are ____ any ____ widespread channel ____ technical issues?
 ____ could cause the loss ____ multiple ____ the same ____.
 ____ may be glitch causing loss ____ certain ____.
 ____ regions ____ technical ____ that can cause multiple ____?
 There might ____ multiple channel losses.
 Do you ____ technical glitch ____ causes multiple ____ simultaneously?
 ____ any current tech ____ causes ____ disruptions?
 Is there tech ____ in certain ____?
 There may ____ causing ____ simultaneous ____ of channels.
 There are ____ cause ____ loss of ____.
 Is ____ loss of ____ channels due ____ problem ____?
 Are ____ technical problems ____ cause ____ drop in ____?
 ____ tech problems are leading ____ loss of ____?

_____ face technical issues that _____ to _____ channel _____?

Do _____ interrupt _____ the same time?

Technical _____ can _____ to multiple _____ losses in _____.

_____ technical problems _____ might cause _____ loss _____ multiple channels.

Do particular _____ have technical _____ lead _____ channel _____?

Is there any technical _____ may _____ multiple _____?

_____ there _____ glitch _____ cause a _____ of channels?

Multiple _____ at once _____ caused by _____ difficulties _____ different _____.

_____ off at _____ same time due to _____ problems

Technology _____ multiple channels _____?

_____ it _____ that _____ in certain _____ and the channels _____ same time?

_____ technical _____ disrupt _____ channels?

Is _____ possible that tech _____ jamming _____ areas?

There are _____ pitfalls behind _____.

Lost _____ on _____ may _____ in specific zones.

_____ difficulties _____ the simultaneous _____ of multiple _____?

_____ a _____ cause _____ channels down?

Is _____ that _____ areas _____ malfunctioning _____ affecting several _____ simultaneously?

Do _____ any _____ problems that cause multiple channels _____?

_____ there any _____ impairments causing _____ suspension of _____?

There are _____ difficulties _____ multiple _____ outages.

Do technical issues _____ many _____ same _____?

The _____ disruptions _____ several _____ caused _____ specific technical issues.

Certain problem _____ to _____ loss _____ multiple channels.

Is it _____ that certain _____ areas _____ loss of _____ once?

_____ issues _____ to _____ channel losses?

Is there a _____ a lot _____ to _____ offline?

_____ causing _____ loss of channels.

_____ the _____ failures caused by _____ problems _____ specific areas?

An _____ causes the simultaneous _____ channels?

_____ tech problems affect _____?

Are _____ widespread _____ outages caused _____ issues _____ in certain _____?

Is _____ region _____ issues _____ lead _____ channel losses?

Technical _____ behind _____ channel _____?

_____ areas _____ problems _____ resulted _____ simultaneous channel cut _____.

_____ there _____ disabling multiple channels?

There _____ a _____ problem areas _____ to _____ loss of multiple _____.

There may be _____ issues _____.

_____ issues may disrupt several channels _____.

Is it possible that _____ are malfunctioning _____ simultaneously?

Tech problems may _____ loss _____.

_____ channel disruptions _____ possible _____ issues.

Any known issues _____ lead _____ the _____ of several _____?

_____ issues affecting specific _____ loss of channels?

_____ suddenly _____ at the same _____ due to _____ problems.

_____ the _____ specific areas that lead _____ the _____ loss of _____?

Multiple channels are going _____ due _____ technical issues

_____ the _____ technical _____ that cause multiple channel _____?

There _____ be _____ difficulties that _____ the _____ loss _____.

_____ an issue affecting certain _____ that's causing _____ to _____?

There may _____ cause the loss of multiple _____.
 _____ a problem _____ that _____ killing _____ channels at once?
 _____ with _____ losses _____?
 Is it _____ that certain troubles _____ at _____ same _____?
 _____ areas having widespread _____ losses due _____ issues?
 There were simultaneous _____ offs _____ to _____ in _____.
 All _____ channels disappear at the same _____ are _____ up _____?
 _____ certain _____ affect a _____ of channels _____ once?
 Any tech problems that leads _____ loss _____?
 _____ certain _____ cause _____ loss of multiple _____?
 Is it _____ that _____ channels are _____ by _____ technical _____?
 There is _____ problem _____ that are _____ multiple _____ to _____.
 Is there an issue _____?
 _____ problem may _____ to multi _____.
 _____ any technical issues _____ the simultaneous _____ of _____?
 _____ any areas where technical _____ causing _____ channel _____?
 Any _____ multiple channels?
 Some _____ problems may be the reason _____.
 _____ loss at once _____ by some specific _____ distinct _____.
 _____ are impacting numerous _____?
 Some _____ problems may be to _____ for _____ channels.
 Multiple channels are suddenly _____ time because _____ tech _____.
 _____ technical issues behind the _____ of several _____.
 Are there _____ that cause _____ of multiple _____?
 Is there _____ issues _____ channels to disappear _____?
 There are technical problems _____ for _____ loss of channels.
 _____ there a _____ certain areas _____ multiple channels?
 _____ there _____ glitch that causes _____ to go _____ simultaneously _____ certain _____?
 _____ issues may _____ multiple channel _____.
 _____ can _____ caused by specific _____.
 There are technical difficulties _____ cause _____ loss _____?
 _____ there _____ tech that leads _____ multis _____?
 Is it possible that there _____ technical _____ several _____ the _____?
 Are there certain technical _____ that _____ for _____ drop _____?
 Is _____ tech _____ leading _____ loss _____ multis channels?
 _____ technical _____ messing up _____?
 Any known _____ affecting _____ that _____ loss of channels?
 _____ disappear _____ time, are y'all messing up _____ certain places?
 Is _____ possible _____ are _____ technical issues _____ several channels?
 _____ issue causing the _____ multiple _____?
 _____ the _____ of _____ due _____ difficulties in particular regions?
 Trouble spots _____ loss _____ many _____.
 Is _____ interruption of several _____ due _____ specific _____?
 _____ affect _____ loss of several channels?
 Is _____ that leads _____ channel _____ at once?
 Is a problem _____ certain _____ that _____ multiple channels _____?
 Do you _____ any _____ glitch _____ channel failures?
 _____ there a specific _____ results _____ multiple _____ loss?
 Is _____ any known issues _____ areas that _____ to _____ concurrent loss _____?
 _____ if technical problems _____ multiple channel _____ concurrently?

There _____ technical difficulties that _____ failures.
 _____ there a technical _____ messing _____?
 Is there any _____ multiple channel failures _____ in _____?
 Is _____ a problem _____ multiple channels _____ be _____?
 _____ issues behind multi-channel _____
 _____ channel outages _____ technical _____ limited _____ certain areas?
 There are _____ that _____ multiple channel _____.
 _____ simultaneous _____ of _____ channels down to _____ problems?
 Is the tech _____ the _____?
 Are trouble _____ loss _____ channels?
 _____ problems affecting many _____?
 _____ are any _____ that cause _____ of _____.
 Are you _____ any issues _____ are _____ channels _____?
 _____ cut _____ signals at the same time?
 All _____ channels are vanishing _____ the _____ time, are _____ places?
 Some _____ may have _____ simultaneously.
 Technical _____ could _____ blame for the _____ in _____.
 Some troubles _____ have _____ various _____.
 _____ technical problem messing _____ channels?
 Is _____ a _____ glitch _____ losses?
 There _____ be technical _____ may explain _____ channel _____.
 _____ the channel _____ caused by _____ issues _____ areas?
 Is the _____ of _____ channels _____ issues?
 The loss of multiple channels _____ be _____.
 _____ that makes my channels disappear _____?
 There _____ difficulties _____ may lead to _____ failures.
