

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	Data usage and bandwidth queries
Inquiry Sub-Category	Network congestion issues
Description	Customers may encounter slow internet speeds or decreased performance during peak hours or in densely populated areas. They reach out to their ISPs for solutions to mitigate network congestion, improve speeds, and address any service disruptions caused by high demand.
Data Size	5,102 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

Can improvements _____ transfer _____ between 18:00-22:00 _____ and weekends/holidays throughout the _____?

_____ it possible _____ improve _____ rates _____ holidays and _____?

_____ you _____ is _____ the reduced _____ transfer _____ on _____ and public holidays.

_____ like to know _____ there are ways _____ the speed of data _____ in _____ and _____.

_____ it possible to _____ sluggish _____ transfer speeds _____ the _____ hours _____?

_____ reduce data slows _____ the evenings _____ Saturdays?

_____ improve data _____ during _____ evenings?

_____ holidays, could _____ be _____ to mitigate data transfer _____ downs?

Do you _____ it _____ possible to _____ sluggish _____ transfers _____?

_____ measures _____ taken _____ address the decrease _____ data _____ speed _____ the _____ and _____ periods?

_____ it _____ slow _____ transfers _____ Saturdays and Sundays?

_____ address atrocious data rates in _____ evening/weekends _____ holidays?

How _____ the _____ transfers more efficient _____ the _____?

It's _____ to mitigate _____ transfer slowdowns on _____ holidays.

Reducing _____ slow _____ and weekends _____ a possibility.

I would _____ know _____ it _____ to _____ data _____ rates on weekends _____.

_____ be _____ during evening, weekend, and _____ times.

Is there _____ way _____ reduce _____ transfer _____ downs _____ weekends?

_____ it possible to _____ data transmission _____ evenings and _____.

_____ is room _____ in _____ amount _____ data transfer delays that _____ during the _____ and _____.

I'm wondering _____ ways _____ the speed of _____ transfer during _____.

Data transfer _____ the weekend _____.

_____ data transfer _____ improved _____ and holidays?

Can data transfer speed _____ during _____ and _____?

Is there a _____ data transfer slowdowns _____?

_____ can be taken _____ decrease _____ data transfer _____ during the _____ holidays.

Reducing _____ transmission _____ can _____ done _____ evenings and _____ holidays.

_____ to _____ if there are ways _____ reduce the speed _____ in the _____.

Are _____ fix _____ data speed _____ weekends _____ evenings?

Data _____ slowdowns _____ be _____ during _____ on weekends _____ holidays.

_____ and on holidays could _____ improve _____ rates?

_____ possible to _____ the slow _____ speeds during _____ time?

_____ a better way to _____ data _____ slowdowns _____ weekends and holidays?

Reducing data slowdowns _____ the evenings and _____.

_____ can _____ improved: evenings, weekends?

I _____ to _____ if _____ are ways _____ reduce _____ speed _____ transfer during holidays _____.

_____ data transmission delays at night _____ on holidays?

_____ and _____ data transfers may _____ room _____.

_____ data _____ night _____ be improved.

_____ ways _____ lower the _____ of data transfer _____ and _____.

_____ there any _____ to improve _____ speeds _____ evenings and _____?

_____ a _____ address data _____ in the _____ and weekends?

Are there any improvements being _____ the _____ in _____?

Is there _____ for improvement _____ delays _____ and evenings?

Do _____ is possible to _____ data _____ speeds _____ weekends and public holidays _____?

Is _____ reduce data _____ delays _____ holiday hours?

_____ there a way _____ data slowdowns _____ the evening _____?

Data transfer issues can be _____ and holidays.

Data _____ slowdowns _____ mitigated _____ evening hours _____ the _____ and holidays.

_____ it possible _____ slow data transfers in _____ and _____?

_____ you know if it's possible _____ improve the _____ transfer _____ weekends _____?

_____ it _____ to _____ atrocious data rates _____ and weekends?

_____ know if _____ to reduce data transfer slowdowns _____ holidays?

Is there _____ to increase _____ reduction _____ data _____ is _____ nightly?

I want to _____ if there _____ ways to _____ the _____ transfer _____ evening _____ late _____.

Are _____ any upgrades that _____ address _____ data _____ in _____?

How _____ we _____ the _____ of _____ transfers at _____?

Can there _____ to _____ the _____ data transfer speed during certain _____?

_____ it possible to fix the _____ during the _____?

Data transfer _____ can _____ improved _____ on holidays.

_____ are _____ improve _____ on Saturdays and Sundays.

Is there a way to _____ data _____ evening _____ weekends _____?

Do you know _____ reduce _____ transfer slowdowns _____ weekends?

The evening _____ holiday _____ need _____ improved.

It's possible _____ transfer _____ during the _____ weekends.

Is it _____ to the _____ reduction during _____ weekends and holidays?

_____ to know _____ there are ways to reduce _____ the _____.

Is it _____ improvements _____ data _____ during the evenings and weekends?

Is it possible _____ the _____ data _____ and Sundays?

Can there be improvements _____ to _____ transfer speed _____ in _____ and _____?

_____ data transfer _____ be improved _____?

Can any _____ taken to _____ slower _____ during _____ evening and _____?

Will _____ made _____ improve data transfer speed _____ holidays?

_____ it possible to reduce data _____ speeds during _____?

_____ weekends and _____ there _____ mitigate data transfer slowdowns?

Data _____ can _____ better _____ weekend.

_____ transfer speed _____ be _____ during _____ weekends _____ holidays.

_____ there _____ to _____ reduction in data _____ speed during weekends _____.

During evenings and weekends, _____ data transfers?

Can _____ to address _____ data transfer _____ observed _____ weekends and holidays

_____ there be _____ to the _____ reduction in _____ evenings and _____?

Improving data transfer _____ done _____ evenings _____ weekends.

_____ take _____ to _____ data transfer rates during the _____ on _____ and holidays?

Is _____ fix _____ transfer _____ during peak _____ of day and night?

Is _____ for _____ provider to _____ steps to improve data transfer rates during _____ evening _____ on _____?

Is _____ make improvements _____ transfer speed _____ during _____ and weekend?

_____ being _____ address _____ data rates in the evening/weekends?

_____ if _____ ways to reduce _____ data transfer on the _____.

Will _____ be made _____ speed during _____ and holidays?

How _____ we reduce the _____ during _____?

_____ it _____ to _____ speed during the evenings _____ throughout the _____?

_____ possible to _____ transfer speed _____ evening and weekends.

_____ change the _____ on evenings _____ weekends?

_____ there _____ any _____ to _____ data transfer times _____ weekends and _____?

Data _____ be improved _____ the evening _____ holidays.

_____ data transfer speed be improved?

_____ can _____ reduced _____ evenings _____ weekends.

Is it _____ to improve the _____ transfer _____ on _____ holidays?

_____ reduce data _____ delays at _____ on holidays?

Can _____ be any steps taken _____ upgrade the _____ connection _____ the _____?

Is it _____ to _____ the speed _____ the _____ and on _____?

Is _____ possible _____ make improvements to _____ speed _____ weekends and holidays?

_____ it possible to _____ efficiency _____ data transfers within a _____ time _____?

_____ can we decrease _____ during _____?

Is it possible _____ correct _____ decrease in _____ and on weekends?

Reducing data _____ evenings and weekends is _____.

_____ there any _____ increase the reduction in data transfer speed _____ be _____ on _____?

Is it _____ the slow _____ during the evening _____ even weekends?

_____ to know if _____ are ways to _____ weekends.

_____ can _____ data _____ the night?

_____ transfers during evenings/weekends _____ be _____.

_____ to correct the decrease in data transfer _____ times _____ day?

_____ it possible _____ fix the sluggish _____ evening hours?

_____ possible to fix _____ speeds over _____ weekend?

Data _____ delays can _____ in _____ evening _____ holidays.

_____ can be _____ on _____ and _____ the evening.

_____ it _____ improve _____ transfers between _____ and weekends?

I _____ if there are _____ ways to _____ the _____ of data _____ between evenings _____.

_____ a possibility of a _____ evening/weekend _____ delays.

_____ possible to increase _____ reduced _____ transfer speed on weekends _____?

Data _____ slowdowns _____ weekends and _____ could be _____.

_____ it possible to _____ in data transfer _____ evening and _____ weekends?

_____ way to increase _____ reduction _____ speed _____ nightly, _____ weekends and holidays?

Is _____ solution _____ weekend and evening _____?

_____ slowdowns _____ the evenings and _____ be reduced _____.

_____ think _____ is possible to increase _____ transfer speed _____ weekends?

I _____ to _____ there are ways _____ reduce the speed of _____ between _____ and _____.

_____ are _____ the speed _____ transfer between _____ and night.
 _____ there any _____ can be taken to _____ the _____ data transfer _____ and holidays?
 Is _____ to make improvements to the _____ transfer _____ evenings and _____?
 _____ are ways to _____ speed of data _____ weekend and _____.
 _____ be _____ data transfer _____ during the _____ and holidays?
 _____ to speed up _____ over the weekend?
 _____ ways _____ reduce the _____ of data _____ the weekend and _____.
 _____ can _____ better data transfers _____ evening?
 _____ you _____ it is possible _____ data transfers during _____ weekends?
 _____ there _____ way _____ reduction in _____ speed _____ the weekends and holidays?
 Is _____ to _____ delays _____ evening and holidays?
 _____ use _____ speeds during the evenings?
 _____ in _____ evenings can _____ improved.
 _____ it possible _____ make _____ data _____ reduction during _____ weekends and _____?
 Is _____ way _____ reduce _____ transmission delays _____ night?
 _____ possible _____ slow data _____ speeds during the evening and _____?
 On evenings and _____ can you _____?
 _____ data transfer _____ during the _____?
 _____ to _____ there's _____ reduce the _____ of data transfer on _____ and holidays.
 Isn't it possible _____ fix the _____ during _____ hours?
 _____ transfer _____ be _____ the evenings and weekends?
 _____ way to increase the _____ in data transfer speed on _____ throughout _____?
 Can you _____ during _____ and weekends?
 Is it possible _____ data slowdowns in _____?
 Can data _____ on weekends?
 Is it possible _____ improve data transfer _____?
 Is _____ to reduce _____ transfer _____ weekends and _____?
 _____ it make sense _____ reduce data _____ delays in _____ holidays?
 Is _____ possible _____ the slow data transfer _____ evening _____ weekend?
 I want to know _____ there are _____ reduce the speed _____ between evening _____ evening _____.
 Is _____ to _____ data _____ speed reduction during _____ and _____?
 _____ possible _____ speed reduction during _____ evenings and weekends?
 Is it _____ the _____ transfer _____ at night and on _____?
 Can there _____ improvements _____ the _____ reduction during weekends _____?
 During _____ periods can _____ transfer speed be improved?
 Will _____ be possible to _____ transferring data on _____?
 Can there _____ improvements _____ reduction of _____ transfer _____ during _____ weekends?
 _____ to shorten data _____ delays on _____?
 Is there _____ way _____ improve _____ data _____ speeds on _____ holidays?
 _____ it possible _____ the _____ during the evenings and _____?
 _____ are _____ to _____ data transfer _____ weekends _____ holidays.
 _____ do something about slow internet speeds in _____ evening _____?
 Is it possible _____ data transmission _____ and holidays.
 How _____ we _____ amount of data _____ each _____?
 _____ transfer _____ can be _____ evenings and _____.
 Data transfer rates could _____ during the _____.
 _____ transfer speed _____ be improved _____ evenings, _____ and _____.
 _____ there _____ possible solution _____ the evening _____ delays?
 _____ there a way to mitigate _____ transfer _____ downs _____ weekends _____ holidays?
 Data _____ be improved to _____.

_____ evening _____ transfers could be _____.
 _____ a way _____ data transfer delays _____ hours on _____ holidays?
 _____ possible _____ make _____ the data _____ reduction during weekends _____ holidays?
 Reduction _____ evenings and _____ may be possible.
 Is there a _____ reduce _____ on Saturdays _____ Sundays?
 Data transfer _____ be _____ weekends.
 _____ to know if there _____ to decrease _____ speed _____ transfer _____ evening and late _____.
 _____ changes to improve _____ data transfer speed _____ the _____ holidays?
 There are _____ speed of _____ transfer _____ weekends.
 I _____ to _____ if _____ are ways _____ reduce _____ on _____ and _____.
 _____ it _____ the _____ speeds during the week and on _____ public holidays?
 It is possible _____ transfer _____ on evenings, _____.
 _____ way to increase the _____ speed experienced _____ the day and weekend?
 It is _____ to _____ transfer speed _____ the _____ holidays.
 Is it _____ to _____ on sluggish _____ weekends?
 I _____ know if there _____ ways _____ reduce _____ speed _____ transfer _____ night _____ on the weekend.
 Is _____ any way _____ the _____ transfer speed more _____ during the weekends _____?
 Is it _____ reduce _____ transfer _____ during _____ and weekends _____ year.
 _____ possible _____ reduce data _____ speed _____ evenings and _____ weekends?
 Is it possible to improve _____ transfer _____ during _____ holidays?
 Is there _____ increase _____ efficiency _____ transfers in _____ evening and _____ weekends and holidays _____ year?
 _____ want _____ know if it's possible to _____ data _____ on _____ and public _____.
 Does _____ for _____ exist for _____ holiday data _____?
 _____ it _____ data transmission delays during _____?
 _____ improve _____ speed during the weekend and holidays?
 _____ it possible _____ transfer speeds between _____ weekends?
 I want to know _____ are _____ to cut _____ speed of _____ on the _____.
 Is the data _____ and holidays?
 How do _____ make data transfers more _____?
 Data transfer speed _____ be _____ weekend and _____.
 Data transfer slowdowns on _____ be mitigated _____ enhancements.
 Is there room _____ improvement _____ data transfers?
 Can _____ steps to improve _____ transfer _____ during the _____ and weekends?
 Can it _____ possible _____ increase _____ transfer _____ reduction _____ evenings _____?
 _____ it possible _____ the reduced _____ transfer _____ over the _____ weekend or _____ holiday?
 There are _____ can be made _____ mitigate _____ weekends and holidays.
 _____ for improvement _____ it comes to _____ data _____?
 _____ the data _____ slow _____ the evening _____ weekends?
 _____ be improved _____ evening, weekend, _____ holiday periods.
 I want _____ if _____ are _____ to _____ speed of _____ the night.
 _____ data _____ in the evenings and weekends?
 Reducing data _____ evenings _____ be _____.
 _____ improve the data _____ speeds in _____ evening and on _____?
 _____ be changes _____ improve data _____ the weekend and _____?
 There is _____ possible _____ night/weekend _____ issues.
 _____ slow _____ during _____ and weekend _____ be improved.
 _____ there a _____ to _____ transfer slows _____ and holidays?
 _____ holiday _____ transfer _____ be improved?
 Is it _____ speed of _____ on weekends _____ holidays?
 _____ think _____ possible _____ the reduced _____ transfer _____ on _____ and public holidays?

_____ to _____ the _____ on evenings and weekends?

Is _____ to _____ the efficiency _____ within _____ certain time frame each evening _____?

_____ solution to _____ data delays?

Is it possible _____ make enhancements to _____ transfer _____ and _____?

Is it possible _____ correct _____ decrease _____ transfer _____ during peak periods of _____?

I _____ to know _____ to reduce the _____ of data _____ weekends.

Can _____ be _____ to reduce _____ delays _____ holidays _____ evenings?

Data _____ can _____ during _____ and weekend.

_____ make data transfers more _____ evening?

_____ fix the _____ on evenings _____ weekends?

_____ transfer _____ can be made _____ and _____ throughout the _____.

_____ to improve _____ over the weekend.

_____ like _____ know if there _____ speed of data transfer between evening _____ night.

_____ possible _____ terrible _____ transfer speeds during the _____ and weekends?

Is _____ possible _____ transfer _____ hours in _____ evenings and on holidays?

Data _____ rates can _____ in _____ on holidays.

Is it possible to _____ data transfers during _____ and on _____ and _____ throughout _____ year?

Reducing data _____ during evenings _____.

_____ way _____ the _____ in data transfer speed experienced _____ the week _____ on _____ holidays?

Is there a _____ fix _____ slow data transfer speeds _____.

Data _____ holiday could be improved.

_____ it possible to _____ the speed of _____.

Can _____ be _____ reduced _____ transfer speed during the evenings _____?

_____ we _____ transfer speeds during _____ and weekend?

_____ is a _____ improvement when _____ comes _____ evening and _____ transfers.

_____ there a _____ to mitigate _____ slowdowns _____ evenings _____ weekends _____ holidays?

_____ be taken to _____ transfer _____ observed on Saturdays and Sundays.

_____ to know _____ ways to reduce _____ data transfers at night _____ on weekends.

_____ any way _____ increase _____ reduction _____ data _____ the weekends and holidays?

Data transfer slowdowns _____ weekends _____ holidays _____ potential enhancements.

I am wondering _____ there _____ to _____ the _____ data _____ and holidays.

_____ transfers can be _____ during _____.

Data transfer speed _____ can _____ and weekend _____ the _____.

There _____ ways to _____ transfer in the _____ and _____ hours.

_____ it possible _____ reduce _____ delays _____ the _____ weekends?

Is there any way _____ reduction in _____ experienced during _____ and _____.

_____ it possible to fix the _____ data _____ speeds _____ the _____ hours _____?

_____ your _____ take steps to improve data transfer _____ the hours of _____ and 22nd _____?

_____ a way _____ data slow down in _____ weekends?

It _____ to _____ data transfer speed _____ during _____ weekends.

Data transfer speed _____ weekend _____.

Is it _____ to reduce _____ during _____ weekends?

_____ are ways to reduce _____ transfer _____ weekends.

Can _____ taken to upgrade _____ slower internet _____ evenings _____ weekends?

Do you _____ the _____ to _____ slow _____ on evenings _____?

_____ to _____ if there _____ reduce the _____ of data transfer _____ the _____.

_____ possible _____ improve the _____ data _____ speeds on weekends and _____ holidays?

_____ improvements _____ the data _____ speed _____ during the _____ and weekends?

We _____ to _____ reduced data transfers _____ and _____.

Can _____ reduced _____ transfer speed during the evening and _____?

I _____ if there _____ to reduce the _____ transfer after nightfall.
 _____ transfer speed reduction _____ be _____ if it _____ evening _____ weekends.
 _____ data _____ during _____ and _____ can be _____.
 Is it _____ reduce slow _____ speeds _____ to _____ weekend?
 Can _____ please _____ internet during the evenings _____?
 Can the _____ data transfer _____ made _____ during _____ year?
 _____ there a way _____ reduce _____ transfer _____ and weekend?
 Data transfer _____ during _____ evening _____ might be _____.
 Data _____ can _____ improved for _____.
 Is it possible to improve _____ during _____ and _____?
 _____ enhancements _____ be made to _____ the evening hours.
 _____ possible _____ reduce data _____ during _____ and weekends _____ the year?
 Is _____ a _____ reduce data _____ Saturdays and Sundays.
 _____ to _____ data _____ rates on holidays _____ nights?
 Data _____ be _____ by _____ weekends.
 _____ evening and weekend _____ between 18 _____ 22 _____.
 _____ you think _____ possible to reduce _____ slowdowns _____ the _____ and _____?
 I want to _____ if there _____ to reduce the speed _____ data transfers _____.
 Data _____ could _____ evenings, weekends.
 _____ like _____ if there are _____ to _____ speed of _____ on weekends.
 _____ a way _____ reduce _____ slowdowns during _____ evening _____ weekend?
 _____ possible to _____ enhancements _____ data transfer _____ evening _____ on weekends _____ holidays?
 Is _____ possible _____ the efficiency _____ data _____ the evening _____ on weekends _____ holidays _____ the _____?
 _____ possible to _____ the _____ of data transfers _____ evening and _____?
 Is _____ to improve _____ during _____ evening hours _____ on weekends?
 _____ possible to _____ the _____ speeds _____ during _____ evening hours?
 _____ to _____ the _____ in data transfer speeds during peak _____ of _____?
 Is _____ a way _____ enhance _____ in data transfer _____ and holidays?
 _____ possible to speed _____ data _____ weekends and _____?
 Data _____ the _____ weekends can be improved.
 Data _____ be improved.
 Can you fix _____ on _____ weekends?
 Could _____ data transfer rates _____?
 _____ transfer _____ be _____ evenings, Saturdays _____ Sundays.
 _____ there a _____ transfer _____ in the evening?
 Is it possible _____ improve data transmission _____ as on _____?
 _____ it possible to slow down _____ during _____ hours?
 Data _____ slow downs _____ be _____ evenings and _____.
 _____ know if _____ are _____ to _____ of data _____ on weekends and holidays.
 _____ speed _____ improved between _____ and holidays.
 _____ slowdowns _____ be _____ between evenings and _____.
 _____ there _____ to resolve _____ data _____?
 _____ room for improvement _____ it comes _____ data transfer _____ in _____ weekend.
 _____ a fix for evening/weekend _____?
 Is it _____ slow data transfer _____ the evening _____ weekends?
 _____ think _____ it is possible to improve the reduced _____ on _____ and _____?
 _____ possible _____ improve the _____ transfer speeds during the _____ hours _____ weekends _____ public _____.
 _____ know _____ to reduce data transfer slowdowns _____ and _____?
 _____ we modify data _____ speeds _____?
 _____ is room _____ improvement in _____ of data transfer delays _____ occur _____ evening _____.

Is there room for _____ the amount _____ transfer delays _____ and weekend?
 _____ transfer _____ during evening _____ on weekends _____ could _____ mitigated.
 _____ it _____ speed during _____ and weekends all year round?
 Reducing data _____ during _____ and weekend can _____.

Is _____ to _____ up _____ transfer during weekends _____ evenings?
 Do you think there _____ any _____ reduction _____ data _____ during weekends _____ holidays?
 _____ transfer speed _____ be _____ the night and _____.

Is _____ to fix _____ decrease _____ data _____ peak times _____ the night and _____?
 Is it possible _____ the reduced _____ transfer _____ during the _____ and _____?
 Is _____ way _____ improve data _____ speeds _____ evenings _____ weekends.
 Is _____ to improve data _____ speed _____ evenings and _____?
 _____ it make _____ the speed of _____ data in the _____ weekends?
 _____ you tell me _____ is possible _____ data _____ rates _____ weekends _____ holidays?
 I _____ to _____ if there _____ ways _____ data transfer on _____ holidays.
 _____ there _____ way to reduce data slowdowns _____ and _____.

Is _____ possible to _____ data _____ slowdowns on weekends and _____?
 Is it _____ fix the _____ speeds during _____ evening _____.
 _____ it possible _____ data transmission delays _____?
 Data transmission _____ reduced _____ evening and holidays.

There is a _____ there _____ a _____ to _____ issues.
 Is it possible to _____ data _____ speeds _____ hours on _____?
 _____ there _____ to _____ the sluggish _____ transfer _____ the evening hours?
 _____ if it is _____ to _____ the reduced data _____ speeds _____ weekends _____?
 Improving _____ transfer _____ can _____ during the evenings _____.

Can _____ internet service _____ improve data transfer rates _____ evening on _____ well as _____?
 _____ are _____ and holidays _____ the year where the _____ can be _____.

Is _____ a _____ reduce data _____ times _____ the _____ holidays?
 _____ it _____ to improve data speeds _____ weekends?
 Is _____ possible to mitigate _____ night _____ on weekends _____ holidays?
 _____ transfer _____ could _____ evenings, weekends.

Do _____ want _____ do something _____ internet _____ Saturdays and _____?
 Is it possible _____ transfer speeds _____ and during _____ evening hours?
 _____ there be improvements to the _____ speed _____ weekends _____ throughout the _____?
 _____ it _____ to _____ data slow-down _____ the _____ and _____?

Is _____ possible _____ data _____ in the _____ and _____?
 _____ you _____ it is _____ to _____ data transfer speed _____ weekends _____ round?
 Data _____ the _____ weekends can be _____.

Is it _____ cut data _____ speeds _____ and _____?
 Is _____ room _____ improvement _____ and holiday data transfers?
 _____ there a _____ to _____ the _____ on Saturdays and _____?
 _____ it _____ to speed _____ data _____ on _____ and _____?
 _____ to correct _____ decrease in _____ transfer _____ night and _____ weekends?
 _____ to _____ the _____ transfer speeds _____ evening and the weekends?
 _____ we improve _____ transfer speeds during _____?

_____ possible _____ to data _____ speed reductions _____ the _____ and weekends?
 Data _____ could be _____ in evenings, Saturdays _____.

_____ data _____ down _____ the evening and _____?
 Is _____ possible to _____ data transfer speeds on weekends and _____ as well _____?
 Is _____ to _____ the _____ transmission _____ on _____ and holidays?
 Reduced data _____ improved during evenings _____.

I ____ like to know ____ there ____ speed of data ____ in ____ evening.
 I want ____ reduce the speed of transfer during ____ weekend.
 There ____ room ____ it comes ____ occur during the evening and holiday.
 ____ and holidays, ____ be ____ to mitigate data transfer ____?
 ____ peak hours ____ evening and ____ could we improve ____?
 ____ think it's ____ to ____ data ____ in the ____ weekends?
 ____ there ____ to ____ in data transfer speed experienced during ____ holiday season?
 I would ____ are ways ____ transfer speed on ____ and holidays.
 Do ____ if it's possible ____ data ____ rates on weekends ____.
 ____ you know ____ reduce data ____ slowdowns ____ weekends?
 Is ____ way to ____ reduction ____ data ____ during holidays and ____?
 ____ it possible ____ improve ____ speeds during the ____ and ____?
 ____ you ____ if ____ reduce the speed of data transfer on weekends ____?
 Can ____ steps ____ taken to upgrade ____ slower internet ____ during ____ evenings ____?
 ____ reduce the speed ____ data ____ during weekends.
 ____ you ____ it's possible ____ data transmission rates ____ and holidays?
 ____ want ____ there ____ ways to ____ the speed ____ data ____ during ____ night.
 Reducing data ____ can be done ____ evenings ____.
 Can ____ data transfers during ____?
 ____ made ____ data transfer speed reduction during ____ night ____ weekends?
 Is ____ possible to reduce ____ holidays?
 ____ possible to ____ reduced ____ transfer ____ during ____ and on weekends?
 ____ times should ____ improved ____ and weekends.
 Is ____ correct ____ in data transfer speeds ____ peak ____ on ____ weekends?
 Do ____ ways ____ data transfer ____ on ____ and holidays?
 ____ for improvement when it comes to ____ during ____ holiday weekends?
 ____ way to fix evening/weekend data ____?
 ____ any way ____ reduce data slows ____ and weekends?
 Is ____ possible to ____ enhancements ____ data transfer ____ on weekends ____?
 ____ data ____ slowdowns ____ evening ____ on weekends and holidays.
 ____ it possible to ____ slow data ____ evenings ____ weekends ____ year?
 There ____ potential ____ to be made ____ mitigate data ____ delays ____.
 ____ improve the reduced data transfer ____ the ____ of ____ day on weekends and ____?
 Can there be ____ to ____ the reduction ____ nightly?
 ____ transfer speed can ____ during ____.
 ____ possible to ____ in data transfer speeds ____ evening and weekend?
 There are ways ____ slowdowns on ____.
 Do you think it's ____ to ____ speeds ____ the evening ____?
 ____ any ____ to ____ the reduction ____ data transfer speed experienced ____ year?
 ____ there ____ way ____ increase the ____ data transfer ____ weekends ____ holidays during the ____?
 Do you ____ to shorten data ____ delays ____ holidays?
 Can ____ improve ____ the evening and ____ holidays?
 How can we ____ on ____?
 ____ can we ____ transfers at ____?
 ____ evening hours could be ____.
 ____ data ____ downs in ____ evenings ____ might be ____.
 Is there anything ____ increase the reduction in ____ speed ____ holidays?
 ____ possible to reduce the ____ transmission delays ____?
 Is ____ room ____ improvement for ____ and holiday ____?
 Can ____ steps ____ to upgrade the ____ internet ____ during the ____?

Is _____ to address the decrease in _____ observed _____ weekends and _____?

I am wondering if there _____ reduce _____ speed of _____ the _____.

_____ think it is possible _____ data transmission _____ and evenings?

_____ there a way _____ the _____ speeds on _____ and holidays?

_____ it _____ to _____ slow _____ speeds _____ evening hours _____ on weekends?

_____ transfer speeds during _____ be _____.

I want _____ if _____ are ways _____ reduce _____ speed _____ data transfer in _____ and _____ night _____.

_____ there room _____ when it comes _____ data _____ night and weekend?

There _____ reduce the speed _____ at night _____ on _____ weekends.

_____ down on data transmission _____ during holidays?

I would _____ to _____ are ways _____ reduce the speed _____ transfer _____ holidays and _____.

It's possible to reduce _____ during _____ holidays.

_____ is _____ improvement _____ it comes to _____ transfer delays that _____ the _____ holiday weekends.

There _____ to _____ speeds on weekends and _____.

Can _____ data _____ on evenings _____?

Is _____ to _____ data transfer slowdowns on _____?

_____ it _____ to _____ of data transfer during _____ and _____?

_____ want _____ know if _____ are _____ reduce _____ speed of data transfer in _____ evening _____.

_____ any _____ to _____ data rates _____ the _____ and weekends?

_____ there any _____ improve the reduction _____ transfer _____ weekends and _____?

Is _____ any _____ to _____ the reduction _____ data _____ speed experienced _____ holidays?

It _____ possible to _____ speed _____ evenings and _____.

Is it _____ measures to address the decrease _____ observed _____ the weekends _____ holidays.

Is there a _____ fix _____ weekend data _____?

_____ am _____ if _____ a way to _____ the _____ data _____ the weekends.

Is there any way to _____ in data transfer _____ experienced weekends _____?

_____ possible to speed up data _____ the _____?

There is _____ a solution to _____ delay _____.

Is it _____ reduced _____ speeds on weekends _____ public holidays _____?

Will it _____ possible _____ in data _____ weekends and holidays?

_____ is room for improvement _____ it _____ data transfer delays during _____ evening _____ weekend?

Data _____ 18 _____ 22 should be improved.

_____ improvements _____ made to address _____ in _____ evening and weekends?

Is _____ possible _____ decrease data _____ speed during _____ weekends _____ long?

_____ adjust data _____ speeds _____ the evening _____ weekend?

_____ there _____ chance _____ improving _____ transfer speeds on _____?

_____ it _____ to reduce data _____ in the _____ the _____?

_____ transfer _____ the _____ and _____ can be improved.

I _____ know _____ are _____ to reduce the speed of _____ transfer during _____ and _____.

_____ wondering if _____ ways to reduce _____ speed _____ during _____ weekend.

There is room for _____ it comes to _____ transfer _____ the _____.

_____ weekends _____ holidays _____ the _____ in which _____ reduction _____ data transfer speed _____ enhanced.

Is it _____ the _____ of data _____ night and _____ weekends?

_____ it _____ reduce _____ transmission delays in _____ evenings and _____?

Measures can be taken _____ address _____ during weekends _____ holidays.

Is it possible _____ decrease in _____ the _____ and evenings?

Is _____ way to _____ data _____ on weekends and _____?

_____ the evening and _____ is it _____ reduce _____ delays?

_____ there _____ to reduce _____ delays in _____ evenings _____ weekends?

Is it _____ reduce slow _____ the weekends?

_____ possible to _____ improvements _____ transfer _____ reduction in the _____ weekends?
 _____ transfers _____ the evenings _____ weekends can _____.

Is it _____ data _____ on _____ weekends?
 _____ you _____ ways to _____ data transfer slowdowns _____ holidays?
 _____ speeds can be _____ evenings _____ weekends.

I _____ to _____ there _____ ways to _____ speed of _____ transfer _____ weekends.
 _____ speed _____ data transfers in the evening and _____?
 _____ it _____ to _____ the transfer of data _____ the _____ weekends.
 _____ it possible to _____ the _____ rate on _____ holidays.

Data transfer speeds can be _____.

_____ speeds _____ be improved during _____ weekends, _____ holidays.
 _____ it possible _____ minimize slow data _____ evening _____ the _____?

Do _____ possible to improve _____ transmission rates _____ Saturdays and _____?

There _____ be a _____ solution _____ data _____ issues.
 _____ it _____ to _____ data transmission delays during the _____?
 _____ can _____ do to improve _____ in the _____?
 _____ could _____ to _____ transfer _____ during _____ hours on weekends and _____.
 _____ speeds can improve _____ 18 and _____.

_____ to _____ data slowdowns in evenings and _____?

Is it possible _____ data _____ rates _____ holidays and _____?

Is it possible _____ fix the slow _____ evening hours?

Is there a _____ to _____ evenings and weekends?

Is it possible _____ delays?

I wonder _____ is _____ to improve _____ reduced _____ weekends and _____ holidays.

On weekends and holidays could _____ made _____ mitigate _____ slowdowns?

Is _____ to _____ data transfer _____ during evening _____ on weekends _____?
 _____ to reduce _____ data speeds during _____ weekend _____ the evening?
 _____ can be _____ during _____ and weekend.

Reduced _____ transfer speeds _____ and holidays could _____.

Can there _____ data transfer speed during the _____ weekends?

Can _____ be _____ made to _____ data _____ during _____ and weekends?

Data _____ slow downs _____ mitigated during _____ evening _____ and holidays.

Is it _____ to _____ the _____ transfer speeds _____ the evening and _____?
 _____ data _____ can be improved.

_____ there _____ upgrade to address data _____ evening/weekends?

Can we _____ transfer speeds _____?

Is _____ a _____ the _____ transfer speed during _____ and _____ throughout the year?

Data transfer _____ be mitigated _____ evening _____ on weekends _____.

Is _____ to _____ of _____ slowdowns in the _____ and weekends?

Data transfer _____ improved _____ the _____ hours and on _____.

_____ steps _____ to upgrade the slower internet _____ on weekends?
 _____ speed can be improved _____ evening, _____ and _____.

Is it _____ data _____ speed reduction _____ and weekend _____?

There is room _____ when _____ data transfer delays that _____ during the evening.
 _____ to _____ decrease in _____ transfer speed that can be _____ weekends and holidays?
 _____ it _____ to _____ the slow data _____ on _____ and _____?

_____ possible to reduce _____ data _____ the _____ and weekend?

Is _____ fix evening/weekend _____ delays.

_____ there a _____ to mitigate data transfer _____ and _____?

Is _____ possible _____ data delays in _____ and _____?

Data ____ speed ____ be ____ in ____ evenings, ____.

____ possible to ____ transmission ____ in the evenings ____ holidays?

____ is ____ fix ____ data speed on evenings ____ weekends.

____ possible to reduce data slow downs during ____?

Is ____ a way to improve the ____ data ____ on ____ weekends ____?

Is it ____ to ____ transfer speeds ____ certain times of ____ day?

____ it possible to ____ the sluggish ____ during ____ hours?

____ to ____ there are ____ to ____ data transfer times ____ evening ____ late night.

Do ____ to improve the ____ transfer speeds on ____ public ____?

Is there ____ way ____ on weekends and holidays.

Reduced ____ can be improved.

____ possible ____ reduce ____ in the ____ and weekends?

Is ____ decrease ____ slowdowns in ____ evenings ____ weekends.

____ to improve the data ____ speed during weekends ____ holidays?

____ to improve ____ transfers during the evenings?

____ be measures ____ to address ____ decrease ____ data ____ observed ____ weekends and holidays?

Can ____ improve data ____ between ____?

It is ____ to ____ slow ____ speed ____ and weekends all ____.

____ transfer ____ may be ____ during ____ in ____ evenings ____ on holidays.

____ there a ____ transfer slowdowns ____ weekend and holidays?

Did ____ know ____ are ways ____ slowdowns ____ weekends and holidays?

____ speed could be ____ weekends, and holidays.

Is it ____ to ____ up data transfer ____ the ____?

Data transfer ____ during the evening ____ and ____ be ____.

Is ____ for data ____ to be reduced ____ and ____ during ____ year?

____ way to increase the ____ data transfer ____ during weekends ____ holidays ____ year.

____ it possible ____ data ____ slowdowns ____ evening ____ weekends?

____ to ____ data ____ rates on the weekends?

Are there ____ that ____ data ____ in the ____?

Is there ____ to improve ____ transfer ____ during ____ weekends?

I ____ like to know if there ____ to ____ during the weekend.
