

[Demo] NLP Dataset for Customer Service Automation

| | |
|-----------------------------|--|
| Company Type | Electricity Suppliers |
| Inquiry Category | New service connection requests |
| Inquiry Sub-Category | Timeframe for connection |
| Description | Customers want to know the expected timeframe for the completion of new service connections, including the waiting period from application submission to installation, and any possible delays or limitations. |
| Data Size | 12,468 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

____ you provide an estimated ____ the installation ____ new electric ____?
 What ____ a ____ when ____ electric service will be ____?
 How soon will the ____ of ____ service ____?
 ____ could I expect ____ installation ____ power supply?
 Do you have a ____ time ____ for completing ____?
 Will you ____ time line for finishing ____ electric service?
 ____ to know when ____ guys ____ my power.
 I ____ to ____ how long ____ to complete ____ electrical setup task.
 Do ____ have an ____ will take ____ set ____ my electricity?
 ____ my ____ electric ____ is finished?
 ____ it going to take you ____ complete ____ installation?
 What is ____ deadline ____ service installation?
 ____ is a ____ the ____ of new ____ Service ____ finish here.
 ____ will it ____ me ____ get ____?
 Can you tell ____ how ____ it usually ____ electrical service?
 There ____ a figure ____ to ____ the new ____ Service ____ here.
 ____ need ____ know how ____ it ____ to set ____ my place.
 I would ____ the ____ duration ____ for completing my electricity ____.
 ____ an estimate ____ the time ____ will ____ get ____ electrical connection installed?
 ____ estimate for ____ will ____ to install my new connection?
 ____ have ____ of when the ____ installation ____ be done?
 Time needed ____ finish ____?
 ____ I know how ____ it will ____ my electricity?
 How long ____ it ____ before I ____ electric ____?
 Do you have ____ estimated ____ for ____ service installation?
 How long until my ____?
 ____ you aware of ____ for setting ____ electricity ____ place?
 New electric ____ knows?

____ soon will ____ installation of ____ electric ____ be ____?
 ____ make ____ my ____ supply is installed?
 Can you ____ long it will take ____ to ____?
 ____ time for ____ my ____ service installation ____ unknown.
 Do you know ____ take ____ complete my ____ installation?
 ____ soon ____ electric service ____ finished?
 ____ will my ____ service ____ installed?
 Is ____ get ____ time for ____ up the electricity?
 ____ long ____ power ____ is performed?
 How ____ does it take to bring ____ service ____?
 Do ____ have ____ estimate for ____ the ____ electric service ____?
 ____ am unsure when ____ setup will ____.
 ____ I get ____ time it ____ to install my ____ electrical connection?
 ____ will ____ get my ____ installation ____?
 When you guys will complete ____ give ____.
 ____ long ____ take for my electric service ____ be ____?
 When are ____ service ____ be up ____ running?
 ____ like to know if it ____ receive an ____ time for ____ up ____ electricity ____.
 Anybody ____ when ____ new electric install ____ be?
 Please tell me how ____ takes to ____ service ____ our ____.
 Is ____ possible ____ give me ____ rough ____ completing this ____ task?
 How long is it until ____ my electric ____?
 How ____ does it ____ install the new ____?
 How ____ do you ____ take to ____ electricity supply?
 How ____ it going ____ take to ____ at ____ house?
 ____ you ____ know ____ long ____ will take to ____ my ____?
 How ____ electric service setup?
 What is ____ estimated ____ frame for ____ electric ____?
 How long ____ taken ____ my electrical ____?
 What ____ my electric ____ be ____?
 How ____ til ____ setting ____ my ____ service?
 ____ quickly ____ I ____ the ____ of my ____ service ____?
 ____ give a timetable for ____ electric service?
 ____ be able ____ finish ____ electric ____ setup?
 ____ can ____ my electric service ____ installed?
 ____ there a rough ____ for ____ installation ____ new electric ____?
 Can I know ____ time ____ takes to ____ place?
 I'd like ____ know the ____ duration ____ completing ____ of ____ electricity ____.
 Can ____ give me ____ estimate ____ the ____ of ____ service will ____ done?
 ____ think it will take ____ long ____ my new electrical ____?
 ____ the electrical service requested by me?
 Can you ____ an ____ for ____ installation of ____ new ____?
 How ____ do it take ____ an ____ at ____ location?
 ____ was the ____ of ____ supply ____ to happen?
 How ____ electric installation be ____?
 Do you ____ an estimation ____ it will take ____ new ____ regime?
 I ____ know ____ take ____ get my electricity set ____.
 ____ don't ____ how long it ____ take to ____.
 How long do you ____ until my ____?
 ____ will it take ____ install ____ new electrical connection?

Is ____ possible ____ when my ____ service ____ arrive?

Is ____ estimated time for ____ installation?

____ you ____ to ____ the electric service ____?

I'm ____ for a ____ timetable ____ setup task.

Are ____ able ____ me a ____ completing the ____ electric service?

____ the installation of ____ electric ____?

____ much time ____ new power ____ done?

How long will ____ electricity ____ be finished?

I need ____ estimate ____ new electric ____ will ____ done.

____ me know when the new electric ____.

When ____ finally have an ____?

Does ____ how long it'll ____ to ____ up ____?

Do you ____ an ____ for ____ installation ____ electricity connections?

How ____ before my new ____?

____ is ____ to be up and running?

How soon should ____ electric ____?

When ____ new electric service ____?

How soon ____ I be ____ my ____ service ____ done?

Do ____ when ____ the new ____ service will ____ done?

____ you ____ long ____ will ____ me to ____ up my ____?

Can ____ tell me how long ____ will ____ my ____ service?

I am wondering ____ setup ____ be finished.

____ the ____ deadline ____ my electrics ____.

Will my ____ service ____ in ____?

____ me when it will be ____ to ____ new ____?

How long will it ____ people to ____ the electricity ____?

How ____ time ____ take ____ setup ____ electricity?

____ a good estimate ____ when ____ electric ____ will be ____?

When the ____ of my ____ service ____?

____ I get ____ new ____ hooked ____?

____ is ____ expected ____ finishing my electrical ____?

____ anyone ____ when ____ electricity setup ____ be done?

Can anyone tell ____ hookup will ____ done?

New electric ____?

____ estimated time ____ finish my electric ____?

____ know how long it ____ to ____ up ____?

____ don't know when the ____ electricity ____ will ____.

When ____ the installation of ____ electric ____ finish?

____ quickly ____ I expect ____ service installation to be ____?

____ the ____ completion date ____ electricity service?

____ it ____ that the new electric service ____ be ____?

I don't know ____ expect ____ electric service ____ installed.

When ____ guys will ____ installing ____ power, ____ an ____.

____ a ____ that you ____ me when ____ new ____ supply will ____ finished?

____ you have ____ realistic ____ frame to ____ connection?

I ____ incoming electricity setup will ____ completed.

Did you know ____ long ____ takes to ____ an ____ service ____?

It ____ good ____ estimate when ____ will ____ installing my ____.

Can ____ give ____ time frame for ____ the installation ____ service?

Is ____ estimate ____ when the ____ Service might ____ finished?
