_____ gender affect _____ or _____ payers _____ during COB processing?

Is _____ correlation between age, _____ selection _____ primary or secondary payers _____ the _____?

_____ the designation _____ a primary or _____ payer _____ COB processing?

_____ we determine if gender and age affects _____?

Do you know if _____ affects _____ or _____ payers _____ COB?

Does _____ and gender _____ determination _____ primary _____ secondary payer _____?

_____ age or _____ influence their role as _____ primary _____ secondary _____ processing?

Does age _____ affect who _____ the _____ or _____ in _____ processing?

Does _____ gender _____ primary or secondary _____ out in COB?

The factors _____ and gender _____ becomes a primary _____ in _____ processing.

What _____ does _____ gender have _____ a _____ payer during COB?

Is age and _____ in _____ or secondary payers during COB _____?

_____ does _____ the determination of primary _____ payers _____ COB processing

_____ age and gender be _____ determine _____ someone is _____ or _____ payers during _____?

Is age _____ affected who _____ the _____ payer _____ processing?

Is there _____ link _____ age, _____ selection _____ primary or _____ payers in _____?

_____ is the role _____ age/ _____ payers in COB _____?

Does _____ affect who becomes _____ primary _____ secondary _____ for _____?

_____ and _____ affect primary _____ designation during _____.

_____ age and gender _____ assessment _____ primary and _____ during COB _____?

_____ primary _____ in COB processing _____ influenced by age _____ gender.

_____ a person's _____ affect _____ becomes the _____ and secondary payers during _____?

Does _____ and _____ affect whether _____ the _____ secondary _____ during COB _____?

Is _____ a _____ played _____ age and gender _____ determining _____ the _____ or _____ in _____ processing?

_____ age and _____ have anything _____ do with _____ secondary payers in _____?

Does _____ and gender _____ if _____ become _____ or _____ during _____ processing?

Who _____ secondary payers during _____ processing depends _____ age and gender.

Is age and _____ impact who _____ primary _____ secondary _____ COB _____?

Is it possible for _____ to determine _____ primary and _____ processing?

_____ and _____ a factor in _____ becomes the _____ payers _____ processing?

_____ people's _____ coincide with their roles as primary _____ processing?

Is there _____ between age, _____ the _____ secondary contributor for _____ processes.

_____ the role of _____ gender important _____ determining payers _____?

_____ there a role _____ by age _____ in _____ who becomes _____ primary _____ secondary _____ processing?

_____ you _____ if _____ or gender _____ the main _____ backup _____ COB.

Is _____ a _____ in determining primary _____ in _____ processing?

_____ a _____ between _____ and age when selecting primary _____ payers in _____?

Is age or gender _____ in determining _____ or _____ COB _____?

_____ age _____ who is _____ primary and _____ in _____ processing?

Does age _____ have an _____ on _____ primary or secondary _____ out in COB _____?

Is _____ COB _____ of _____ and secondary payers?

Will _____ and _____ takes _____ the responsibility of being _____ secondary _____ when processing COBs?

Is _____ and _____ affected by _____ payers _____ COB processing?

_____ COBs, the responsibility _____ being _____ secondary payer _____ determined _____ age and gender.

____ do one's ____ affect ____ decision as ____ primary ____ second-payer in COB ____ ?
 ____ to determining primary ____ payers while processing COB?
 Is age and ____ determining primary ____ secondary payers ____ ?
 Is ____ and ____ deciding factor in primary ____ pay ____ ?
 ____ becomes ____ main or ____ in ____ depends ____ age and gender?
 Can the age ____ gender ____ primary or ____ COB processing?
 Does age ____ gender ____ in deciding ____ becomes ____ secondary payers during COB ____ ?
 Is ____ that a ____ age or ____ influences who ____ and secondary ____ for ____ ?
 Is ____ and gender related to ____ in ____ ?
 ____ age ____ gender affect the ____ primary ____ payers in COB ____ ?
 ____ processing can ____ individual's ____ gender affect ____ status ____ a primary ____ secondary ____ ?
 ____ age and ____ assignment of ____ in COB?
 ____ and gender ____ and secondary ____ for COB?
 Are individuals' ages and genders ____ whether they should ____ designated as ____ primary ____ secondary ____ during ____ ?
 ____ age affect ____ primary and secondary ____ COB processing?
 Who becomes a primary/secondary in ____ is influenced ____ .
 Does gender ____ who ____ processing?
 Is ____ person's age ____ gender ____ when ____ if they should be designated as ____ secondary ____ ?
 ____ age impacting who becomes ____ primary ____ payers ____ processing?
 ____ gender have an ____ the determination of ____ secondary ____ COB processing?
 Does ____ influence ____ of the ____ secondary payer ____ COB processing?
 ____ age ____ gender ____ of ____ and secondary payers ____ COB processing?
 ____ or ____ who gets ____ or secondary ____ out ____ COB processing?
 Does ____ person's ____ or gender matter ____ determining ____ or ____ COB ____ ?
 The ____ age and ____ on who becomes a ____ secondary ____ COB ____ unknown.
 Does age ____ have an impact ____ who ____ or secondary ____ for ____ ?
 Can age ____ gender ____ primary ____ secondary ____ in ____ ?
 ____ and ____ the designation ____ primary ____ during COB processing.
 ____ any correlation ____ selection ____ primary or secondary payers ____ COB processing?
 ____ much ____ affect ____ becomes the main or secondary ____ in ____ processing
 ____ age ____ gender ____ determination ____ primary and ____ payers in COB ____ ?
 Is ____ any correlation ____ age, gender, and primary ____ COB ____ ?
 Does age influence ____ or secondary ____ COB?
 Is age a factor ____ or secondary ____ COB ____ ?
 Some people's ages and ____ are ____ when ____ if they ____ be ____ a primary ____ secondary ____ COB ____
 ____ age ____ gender have an impact ____ or secondary ____ out in COB processing?
 Age ____ the ____ and ____ payers in COB processing.
 ____ it ____ or gender ____ the main ____ backup payers for ____ ?
 Does age ____ gender ____ who ____ or secondary ____ out ____ COB ____ ?
 The ____ backup payers ____ be influenced ____ gender in ____ .
 Is ____ gender a ____ in ____ the ____ or backup ____ for ____ ?
 Can you ____ me if ____ main or ____ of COB?
 ____ role played by ____ and ____ in ____ becomes ____ primary ____ secondary payer in ____ processing?
 How do one's ____ their role ____ primary or second-payer ____ handling?
 Is ____ factor in determining ____ and ____ payers ____ processing
 Does ____ and ____ affect who ____ or ____ payers ____ COB ____ ?
 ____ the ____ and ____ payers during COB processing ____ related ____ gender.
 Do ____ mean age ____ gender when determining ____ during COB ____ ?
 ____ have an effect on ____ becomes ____ and secondary in ____ ?
 Is ____ a ____ the prioritization of payers ____ COB ____ ?

Can ____ individual's age influence ____ or secondary ____ during COB ____?

____ age and ____ who ____ the ____ secondary payers during COB ____?

Does age and ____ play ____ in ____ primary ____ insured during ____ processing?

____ and ____ impact who becomes a primary ____ secondary ____?

____ age ____ gender ____ the assignment ____ primary ____ secondary ____ COB?

The impact ____ age ____ primary ____ secondary payer in COB processing ____ questionable.

Is the ____ of ____ taken ____ whether or not ____ should ____ designated ____ a ____ or secondary payer during ____

____ age and gender a ____ in the ____ of primary ____ COB ____?

Is ____ gender important in ____ payers ____?

Does age ____ influence ____ of ____ versus secondary ____ in COB ____?
