

[Demo] NLP Dataset for Customer Service Automation

| | |
|-----------------------------|---|
| Company Type | Life Insurance Companies |
| Inquiry Category | Questions related to underwriting and eligibility |
| Inquiry Sub-Category | Re-evaluating policies |
| Description | Customers have questions about options for re-evaluating their policies, such as changing coverage amounts, adjusting premium levels, or switching to a different policy type. They may want to explore how life changes or financial situations can affect their current coverage. |
| Data Size | 5,556 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Life Insurance Company" customer inquiry. (Purchased data will not be masked.)
