

[Demo] NLP Dataset for Customer Service Automation

Company Type	Auto Repair and Maintenance Shops
Inquiry Category	Needing a diagnostic test for vehicle
Inquiry Sub-Category	High fuel consumption or poor gas mileage
Description	Customers who notice a sudden increase in fuel consumption or experience unusually low gas mileage may request a diagnostic test to identify any mechanical issues contributing to poor fuel efficiency.
Data Size	9,634 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Auto Repair and Maintenance Shop" customer inquiry. (Purchased data will not be masked.)

Is _____ fuel consumption due to _____ problem?

Will _____ gasoline _____ technical _____ in this _____?

_____ fuel use _____ result _____ malfunction?

_____ need _____ think about potential mechanic _____ cause my _____ more fuel?

Is _____ a need _____ for the high _____ of my _____?

Is _____ excess fuel because _____ mechanical problem?

_____ this _____ petrol being _____ because _____ bad _____ parts?

There may be _____ to excessive _____ usage.

_____ troubled _____ mechanical _____ high fuel use.

Is _____ a _____ auto _____ drinking gas because _____?

_____ issue related to excessive _____?

_____ mechanical _____ behind higher fuel _____.

There _____ causing excessive fuel _____.

Can _____ technical _____ within this vehicle?

Can an _____ mechanistic _____ increased _____ expenditure _____ this car?

_____ high _____ due to machinery _____?

_____ the mechanical _____ my car related _____ usage?

_____ using _____ fuel because _____ some issues?

_____ are _____ to excessive fuel _____.

A _____ may _____ glitch _____ could cause high _____ use.

_____ it possible _____ extra petrol is due _____ bad _____?

A _____ guzzling dilemma _____ to _____?

Can _____ be _____ my _____ fuel use?

_____ possible for _____ potential _____ cause elevated gas _____ for _____ car?

Is _____ gas _____ due to _____ problem?

Is it because of this engine problem _____ ride _____?

_____ is _____ lot of _____ with this engine _____.

_____ fuel _____ be _____ by car problems?

I _____ to know _____ my _____ has a _____ that _____ consumption.
 _____ gas consumption due _____ issues?
 _____ if a mechanical _____ my _____ to use _____ fuel?
 _____ possible that _____ problem with my car _____ gas _____?
 Is my vehicle's _____ consumption _____?
 _____ my high fuel consumption _____ problem?
 _____ me _____ fault in _____ would cause _____ big increase in petrol _____?
 _____ car _____ because of a _____?
 Is a mechanical _____ fuel _____ in _____?
 Does a malfunction result _____ my car?
 I _____ know _____ need to _____ mechanic _____ for the high _____ consumption _____.
 I wonder _____ a mechanical _____ causing _____ to _____ more _____.
 _____ is a _____ dilemma _____ to _____ automobile mechanism.
 car _____ be to _____ for the _____ consumption.
 I _____ if the excessive _____ because _____ vehicle _____ up.
 _____ car guzzling _____ broken?
 _____ mechanical issue _____ excessive _____ use in _____ vehicle?
 _____ my _____ is guzzling _____.
 _____ is _____ possibility _____ vehicle _____ issues causing _____ fuel _____.
 _____ I need to _____ mechanic issues _____ connected _____ high fuel consumption of my _____?
 _____ the _____ having _____ that is causing _____ fuel consumption?
 Is _____ consuming _____ much _____ as a _____ of _____ issues?
 There _____ behind _____ higher fuel _____.
 Is my _____ high _____ usage due _____ a _____?
 Fuel _____ up, _____ of deranged _____?
 _____ unusual gas appetite?
 Does a mechanical _____ my _____?
 Is _____ possible _____ potential malfunction to result _____ elevated _____?
 Do I _____ to _____ about _____ consumption _____ a mechanical _____?
 _____ a mechanical issue cause high fuel _____?
 Are _____ fuel _____ signs of _____ ailment?
 _____ wonder _____ a _____ issue _____ causing fuel _____.
 Is _____ possible _____ drinking gas because it is _____?
 Do _____ need to _____ of car trouble?
 Is my _____ consuming too much _____ issues?
 _____ excessive _____ usage _____ to mechanical _____?
 I _____ to know if _____ to _____ for the high _____ my vehicle.
 I _____ fault is causing increased _____ consumption.
 _____ wonder if a _____ car _____ increasing _____ consumption.
 Is _____ higher fuel _____ due _____?
 I _____ my _____ excessive gas _____ to _____ with the engine.
 _____ there _____ that lead to _____ fuel usage?
 A _____ problem _____ lead _____ high _____.
 _____ issues that _____ to excessive fuel usage.
 Is my vehicle _____ fuel _____ because of _____?
 Are _____ car _____ fuel _____ of a mechanical _____?
 Does my _____ have _____ issue _____ causes high _____?
 Is there _____ vehicle's gas _____?
 Is _____ car _____ gas because _____?
 Could _____ cause high gas _____?

_____ higher because of _____ faults?

_____ mechanic _____ could be _____ high fuel consumption of my vehicle.

_____ you _____ if the fault _____ my _____ a big increase in _____?

_____ a _____ issue that is _____ excessive _____ consumption _____ vehicle?

_____ there any _____ problems _____ my car _____ more _____?

Is my vehicle using _____?

_____ broken, so _____ gas?

Is _____ car _____ excessive _____ of _____ problem?

Is _____ consuming _____ because of _____ mechanical issue?

Does a _____ problem bring _____ it _____ appetite?

_____ gas consumption is _____ to an engine problem.

_____ it _____ that _____ car is _____ my gas use _____?

_____ need _____ about _____ mechanic issues that could _____ to _____ high _____ consumption?

I wonder if _____ fault is _____ to increase.

Is mechanical _____ increased _____ now?

Does _____ explain the increase _____ gas _____ of _____ automobile?

_____ there a _____ issue _____ contributes _____ fuel consumption?

Can excessive gasoline _____ signify _____ this _____?

Does _____ car use more _____ to _____ issue?

_____ a car _____ cause high _____?

There is a _____ that _____ my _____ consumption.

Is there _____ extra petrol _____ to _____ mechanical _____?

Is it possible _____ is malfunctioning, resulting _____ high _____?

_____ my _____ high fuel consumption _____ a mechanical _____?

_____ the _____ high _____ use due _____ a mechanical _____?

A mechanical fault _____ be _____ increased _____ consumption.

Is _____ petrol _____ burned _____ bad _____?

Vehicle _____ might lead to _____.

Is my car _____ leading to _____?

_____ if a problem _____ vehicle is _____ consumption.

_____ have _____ problem _____ causes high fuel consumption?

_____ may _____ caused _____ mechanical malfunctioning.

_____ increased fuel _____ be the result of _____.

_____ wondered if _____ mechanical fault _____ causing _____ consumption in _____.

_____ the _____ have a _____ issue _____ causing _____ consumption?

_____ was wondering _____ was a _____ causing excessive fuel _____.

_____ it possible that my car _____ and it _____ high _____?

Is _____ mechanical _____ that _____ to excessive _____ usage?

Is a _____ with _____ vehicle making _____ burn _____?

_____ my mechanic-related _____ a genuine _____ of high _____?

Does _____ issue in _____ fuel consumption?

_____ vehicle _____ cause high _____ use?

_____ it _____ of machinery _____ that _____ is high?

Is there _____ mechanical _____ that _____ car _____ use _____ fuel?

_____ mechanical problem _____ the fuel economy of _____?

_____ a vehicle _____ involve high _____?

_____ wonder if _____ auto _____ drinking gas _____ it's _____.

Is my _____ drinking _____ it's _____?

_____ a mechanical issue _____ cause _____ fuel _____ my _____?

I am _____ higher _____ is _____ to mechanical fault.

_____ wondering if I _____ higher _____ mileage _____ to mechanical _____.

Car _____ fuel _____ mechanical trouble.

_____ experiencing high fuel _____ of _____ mechanical problem?

vehicle _____ fuel consumption

Is _____ related to mechanical _____?

_____ mechanical problem that causes _____ fuel _____ in _____ vehicle?

_____ I consuming so much _____ with _____ engine _____?

Is it possible _____ my _____ to mechanical problems?

_____ there _____ that is causing my _____ more fuel?

_____ vehicle's problem _____ use?

_____ due to machinery errors?

Can you tell _____ my _____ would lead _____ more _____ use?

A _____ issue _____ cause my vehicle's _____.

Is _____ fuel _____ a _____ issue?

_____ excessive _____ related _____ issue with my vehicle?

I wonder _____ has a mechanical _____ causing _____ consumption.

I wonder _____ a _____ is causing increased _____.

_____ vehicle _____ be _____ by a _____ a lot of fuel.

_____ any mechanical _____ that lead to excessive _____?

_____ car's excessive gas _____ related _____ an engine _____ or _____?

_____ fuel use _____ be _____ mechanical hitches.

_____ a _____ ailment _____ fuel consumption?

_____ a _____ affecting _____ gas mileage?

Is _____ the _____ guzzlin' _____ related to the _____ vehicle?

_____ could be mechanical _____ affecting _____ gas _____.

Does _____ car have _____ consumption?

Is it _____ mechanical trouble that _____ fast?

_____ any _____ that affect my _____ usage.

Does _____ car _____ mechanical _____ causing fuel consumption?

Is my _____ high _____ usage _____ a _____ problem?

excessive fuel _____ be _____ of _____ problems.

Is a mechanical _____ my _____ to use _____?

Is _____ car _____ fuel _____ something?

Is _____ the reason _____ my high _____ usage?

_____ wants to _____ their vehicle is _____ due _____ a mechanical _____.

_____ mechanical issue _____ is using excessive _____?

_____ there really _____ petrol being _____ because of _____?

_____ car _____ with fuel use?

_____ am _____ vehicle is _____ high fuel _____ to a mechanical _____.

My car might _____ using _____ fuel _____ issues.

_____ an _____ issue _____ gas expenditure _____ this car?

Is _____ possible that my _____ consuming _____ much fuel _____ issues?

Does anyone _____ auto _____ drinking _____ because _____ broken?

Does _____ mechanistic _____ explain the increased _____ expenditure _____ this _____?

Is _____ consuming _____ because of _____ mechanical issue?

The _____ might _____ consuming _____ fuel _____ mechanical issues.

_____ a _____ increasing my fuel use?

Is _____ gas _____ possible because of _____?

Is it _____ malfunction to _____ increased gas _____?

_____ a mechanical _____ causing my _____ use up _____ much _____?

Is _____ mechanic _____ to _____ a lot of _____?

_____ a mechanical problem _____ for _____ consumption.

_____ petrol _____ burned because of _____ mechanical parts?

_____ machinery errors _____ high gas _____?

Is _____ vehicle _____ what causes _____?

_____ a potential malfunction result _____ gas _____ car?

_____ it _____ that _____ fuel consumption _____ underlying _____ problem?

My vehicle has _____ affect _____ gas _____.

A mechanical problem may _____ high _____ my _____.

_____ of _____ issue impacting _____ consumption?

_____ fault that increases fuel _____ in _____ car?

Is it possible _____ something _____ wrong with my _____ consumption?

Is a _____ of my fuel _____?

_____ fuel consumption, _____ troubles.

Is there _____ fault _____ more fuel _____ in _____?

Is _____ any mechanical issues _____?

_____ a _____ issue that leads _____ excessive fuel _____?

_____ wonder if a mechanical _____ vehicle's excessive _____ usage.

What _____ a _____ results in _____ gas _____ my car?

_____ burn fuel _____ mechanical trouble.

Should _____ consider _____ my vehicle's high fuel _____?

Car burnin' fuel _____ to _____

Is it possible that my _____ malfunctioning, _____ me _____?

There _____ aPossibility _____ vehicle _____ issue _____ fuel consumption.

_____ you know if _____ in _____ will lead _____ increased petrol _____?

Do _____ need to _____ about potential _____ issues that _____ related to the _____ consumption _____?

_____ wonder if _____ am experiencing _____ mileage _____ mechanical defects.

Could increased _____ be _____ of _____ troubles?

Did _____ burn _____ due to mechanical _____?

Does _____ mechanical issue _____ excessive fuel _____?

Is my car _____ more _____ issue?

Is _____ vehicle's _____ gas usage _____?

Is _____ fault that is increasing _____ in my _____?

_____ my vehicle experiencing a mechanical _____ is _____ consumption?

A mechanical _____ fuel _____ possible.

What _____ issues are _____ my _____?

Does _____ vehicle _____ high gas _____?

_____ fuel consumption is _____ due _____ mechanical _____.

_____ my _____ consuming _____ due to a mechanical _____?

Is a mechanical _____ fuel _____ go _____?

Is _____ car _____ it has a _____?

Is the _____ gas mileage _____?

I wonder _____ the excessive _____ is _____ to _____ car.

Is high _____ due _____ errors?

Is _____ fuel consumption because of _____ mechanical _____?

_____ it _____ consumption is indicative _____ underlying mechanic ailment?

_____ there a _____ that is _____ my _____ use?

_____ may _____ lead to excessive fuel usage.

_____ high _____ consumption a _____ a mechanic _____?

_____ mechanical _____ may _____ unusual gas _____.

If a fault _____ an _____ in _____ can _____ tell _____ about it?
 Is _____ gas _____ higher _____ failures?
 Does _____ underlying _____ to the increased _____ expenditure of _____?
 _____ there any _____ fuel _____ in my car?
 Is _____ gas _____ my vehicle due _____ issue?
 Do I need _____ about potential mechanic _____ could _____ the _____ fuel _____ my vehicle?
 Do I _____ think about _____ may be responsible _____ high _____ of my vehicle?
 Is _____ my _____ mileage _____ higher because of _____ problems?
 Is _____ high fuel _____ caused _____ a _____?
 _____ do _____ so much _____ with this problem?
 Could a _____ with _____ car _____ me _____ gas?
 _____ that _____ troubled by a mechanical glitch _____ use.
 A _____ that _____ mechanical _____ might have _____ fuel _____.
 Is my car's excessive _____ trouble?
 _____ a problem with a _____ cause _____?
 Is _____ fuel _____ car troubles?
 Does _____ fuel _____ suggest an _____?
 Is _____ fuel _____ because _____ trouble?
 _____ to _____ in elevated gas expenditure?
 Is the increase _____ of car troubles?
 _____ increased _____ usage due to _____ faults _____ car?
 Is there _____ mechanic _____ could _____ to blame for _____ high _____?
 _____ a _____ guzzling dilemma linked _____ automobile _____.
 Is _____ vehicle using too much _____ a _____?
 Is _____ possible my _____ is malfunctioning and _____ consumption?
 _____ that my fuel _____ is due _____ a mechanical _____?
 I _____ the _____ could be _____ to the _____ up _____.
 _____ a potential malfunction _____ to _____ expenditure for my _____?
 Is _____ car _____ of something?
 _____ excessive gasoline _____ expected _____ automotive _____?
 Do _____ know _____ would be an increase in petrol use _____ in _____?
 _____ mechanical _____ might _____ car _____ consuming excess fuel.
 _____ malfunction _____ higher gas expenditures _____ my _____?
 Is there _____ chance that _____ because it's broke?
 _____ fuel consumption related _____ problem.
 Could a _____ vehicle be making _____ consume _____?
 _____ vehicle having a mechanical problem _____ high _____?
 _____ troubled _____ mechanical _____ could use _____ lot _____ gas.
 _____ a mechanistic _____ the _____ of this car?
 Why _____ ride _____ much gas when my _____ malfunctioning?
 _____ I amExperiencing higher than _____ mileage due to mechanical _____?
 _____ me whether _____ fault in _____ would cause _____ increase _____ petrol use?
 Is excessive _____ consumption related _____?
 _____ problems causing _____ fuel usage?
 _____ it _____ the _____ resulting in high gas use?
 Is _____ usage caused by _____?
 _____ I have _____ more gas use because _____ car _____?
 _____ it _____ high _____ consumption _____ issues?
 _____ my car guzzlin' _____ it has _____?
 _____ my _____ malfunctioning _____ me high gas _____?

_____ extra _____ burned because _____ the _____ mechanical parts?

Is _____ a _____ for repairs _____ my _____ is _____ much _____?

_____ is being _____ by my vehicle, do _____ _____?

I'm guzzling _____ broken.

_____ you _____ me if my _____ will use _____ petrol if _____ _____?

_____ the _____ fuel _____ consequence of car _____?

Is _____ a _____ problem _____ contributing _____ my _____ fuel usage?

_____ fuel usage due _____ issues.

_____ if _____ lead to elevated _____ expenditure for my _____.

I _____ know if _____ car's excessive _____ consumption is _____ _____.

Is my _____ _____ mechanical issue and _____ fuel?

_____ are _____ behind _____ increased _____ consumption.

_____ be mechanical _____ causing _____ use _____ my car.

_____ burnin' fuel _____ mechanical _____?

_____ there an _____ gas _____ when there _____ potential _____?

_____ so much gas because _____ this engine _____.

_____ a _____ that _____ fault _____ car _____ increase petrol use?

Is there _____ issue _____ high _____ usage?

Could _____ my vehicle's excessive fuel usage?

_____ a problem with _____ vehicle _____ increased fuel _____?

_____ my automobiles using _____ fuel _____?

_____ excessive fuel _____ due to _____ mechanical issue?

_____ car consuming _____ because of _____?

_____ with _____ mechanical glitch _____ at _____ of high _____ use.

_____ vehicle troubled _____ a mechanical glitch _____ high _____.

Is _____ fuel use?

Can _____ tell me if _____ in my _____ increase _____ use?

I wonder _____ a _____ will _____ elevated _____ expenditure _____ car.

_____ a _____ my _____ lead to an increase in _____?

Can _____ issue be _____ fuel _____?

There _____ a _____ of _____ mechanical _____ affecting fuel _____.

_____ my _____ mechanical issues _____ it to consume _____ fuel?

Is _____ vehicle _____ fuel because _____ an _____?

Are there _____ which _____ excessive fuel _____?

Is there _____ that causes increased _____?

_____ a _____ problem lead _____ high _____?

Does my _____ use excessive fuel _____ issue?

Is _____ extra petrol _____ due to bad _____?

Is _____ consumption, mechanical _____?

_____ excessive _____ sign of technical defects _____ car?

Increased _____ be the _____ of _____ fault in my _____.

_____ my _____ a _____ issue causing fuel _____?

_____ my _____ guzzling gas?

Is _____ a need _____ repairs _____ my car _____ consuming _____?

_____ issue _____ be _____ my vehicle's excessive _____ usage.

_____ possible that my _____ it results _____ high gas consumption?

_____ be mechanical _____ leading to _____ usage?

_____ trouble _____ increase fuel _____.

_____ that causes excessive _____ use?

Does _____ issue in my _____ affect my _____?

_____ guzzling gas, something is _____.

_____ petrol _____ burned because _____ bad mechanical parts?

Do I _____ worry _____ use because of the _____?

_____ a _____ problem _____ to my _____ fuel consumption?

Is high gas _____ due _____ my _____?

_____ mechanical issue _____ be why _____ car _____ consuming _____.

Does a _____ increased _____ expenditure of _____ car?

_____ the excessive gas _____ in my _____ to _____ trouble _____?

I _____ excessive gas _____ to engine _____ or _____ defect.

_____ going to lead to higher gas _____ my _____?

_____ guzzlin' is due to _____ messed up _____ my _____?

_____ there _____ with my car _____ it _____ use more _____?

_____ a possible _____ causing _____ vehicle's excessive fuel _____?

_____ my car having _____ that cause _____?

Can you _____ me _____ fault in my _____ will _____ an _____ use.

_____ gas _____ because of a _____?

_____ car _____ gas because _____ is _____?

Is _____ vehicle consuming _____ to _____ mechanical problem?

Is there more _____ due _____ the _____ mechanical _____?

_____ the _____ due to bad _____?

Is it possible _____ is malfunctioning, _____ my gas consumption _____?

_____ possible _____ high fuel consumption _____ car is due _____ issues?

Is there _____ mechanical problem _____ causing _____ usage?

Could a problem _____ be the _____ of _____ fuel _____?

Should _____ cause _____ fuel consumption _____ my vehicle?

Is _____ causing _____ to use more fuel?

_____ fuel _____ troubles?

Is a car problem _____ gas _____?

There _____ a _____ a mechanical _____ whip sip _____ crazy.

Is my car _____ because _____ a _____?

_____ you _____ me _____ the fault _____ my car will _____ increase in petrol _____?

_____ there more _____ burnt due _____ bad mechanical _____?

_____ you _____ me _____ in my _____ would lead to increased _____?

I am _____ mechanical _____ is increasing _____ in _____ car.

Is it _____ that _____ is wrong with my _____ too _____?

Does my _____ a _____ with _____?

_____ car _____ using more _____ due _____

Is excessive _____ use _____ by _____?

Is _____ use of _____ to _____ issues?

_____ car _____ which _____ causing high _____ consumption?

_____ my _____ guzzlin' gas _____ has a parts _____?

_____ it _____ to _____ potential mechanic _____ my vehicle's _____ fuel _____?

Is _____ possible that _____ use is _____ a _____ problem?

Car burnin' _____ fast _____ problems.

Possibility of _____ fuel usage?

_____ the high _____ in _____ car _____ mechanical problem?

_____ usage because of a mechanical _____?

The increased fuel _____ because of _____.

_____ my mechanic related _____ resulting _____ consumption genuine?

Is _____ anything mechanical that _____ excessive _____?

Is my car malfunctioning _____ fuel consumption?

Could a _____ with _____ my _____ consumption?

Is _____ a _____ causes _____ gas usage?

Is the car _____ of a mechanical _____?

Does _____ problem _____ gas use _____ up?

My car _____ leaking gas, _____?

_____ burnin' fuel _____ mechanical _____.

Is _____ high _____ consumption _____ my mechanic concern?

_____ a vehicle malfunction _____ high _____?

My _____ is using _____ fuel.

_____ a _____ problem the reason _____?

_____ it possible _____ car _____ to high gas _____?

_____ is my _____ problem _____ up _____ much _____?

Is _____ problem _____ a vehicle the _____ usage?

_____ my car malfunctioning _____ than necessary?

_____ broken _____ car is _____ gas.

_____ excessive gas _____ to some _____ of engine trouble.

There may be mechanical issues _____.

Car troubles _____ reason _____ increased fuel consumption.

Does _____ cause high _____ usage?

Is _____ use _____ due to automotive _____?

_____ petrol being burned _____ malfunctioning _____ parts?

Car _____ in mechanical _____?

_____ my _____ mechanical _____ high _____ use?

_____ vehicle _____ gas usage?

_____ it mechanical _____ causing _____ now?

_____ using _____ much fuel _____ to a _____ issue?

Is my _____ mechanical problem _____ fuel _____?

Is a vehicle _____?

_____ may _____ excessive fuel use.

_____ a mechanical _____ to my high _____?

_____ the increased _____ consumption _____ to _____?

Is _____ usage _____ mechanical _____?

Is my car _____ more _____ to _____ problem?

Does a mechanical _____ car to _____ consumption?

_____ gas consumption of my _____ to engine _____?

_____ because of mechanical _____?

_____ high _____ use caused _____ problem?

Is _____ that _____ car leads _____ high gas consumption?

Is high gas _____ to a _____ my _____?

Is _____ mechanical _____ reason _____ fuel consumption in _____ car?

_____ eating _____ gas on this engine problem?

excessive fuel _____ is _____ malfunction?

Is _____ consumption _____ by machinery _____?

_____ car have _____ problem that leads _____ high _____?

_____ that _____ troubled by a _____ glitch _____ use a lot of _____.

Does _____ malfunction _____ to higher _____ for my _____?

_____ my auto _____ gas _____ it _____?

Is _____ car consuming _____ a _____ issue?

Is _____ a _____ of _____ issue affecting _____ consumption?

I want to ____ if my ____ consuming ____ fuel ____ mechanical ____.

____ wonder if a mechanical ____ might be ____.

Is ____ car ____ more fuel because ____ mechanical ____?

____ a chance ____ mechanical issue affecting fuel ____.

Fuel ____ associated with ____?

____ vehicle may have ____ that ____ increasing fuel ____.

____ the ____ guzzlin' be ____ to some ____ up ____?

There is ____ possibility ____ mechanical ____ affecting extreme ____.

Can you tell me ____ fault ____ to an ____ in gasoline ____?

____ it ____ of machinery errors ____ consumption occurs?

____ know ____ gas ____ due to a mechanical problem.

Is actual ____ because of bad ____?

High ____ consumption, ____ troubles?

____ fuel fast due ____ issues?

Is ____ gas use ____ result of ____?

____ excessive ____ represent ____ in this vehicle?

____ a ____ contributing ____ my ____ fuel use?

Is high fuel ____ indication ____ mechanic ailment?

____ might have a mechanical glitch that ____ to ____.

____ the ____ usage due ____ mechanical ____?

____ ride eating ____ much gas with ____ problem?

____ in my ____ related ____ a mechanical problem?

Could ____ be due to ____ problem ____ my ____?

Is ____ car ____ high fuel ____?

____ excessive fuel ____ due ____ mechanical ____?

Is ____ the ____ fuel consumption was caused ____ troubles?

____ problem ____ may be increasing fuel ____.

____ fault ____ excessive ____ usage?

____ there ____ mechanical ____ causing my vehicle's high ____?

____ my car's ____ gas consumption ____ linked ____ engine ____.

Is the ____ high ____ due ____ mechanical issue?

____ the excessive ____ consumption ____ to a ____?

____ broken ____ is gas guzzling.

Is ____ issue ____ fuel ____ in my car?

____ machinery ____ the ____ high ____ consumption?

____ actually ____ burnt due to bad mechanical ____?

____ mechanical fault ____ be ____ my car ____ fuel.

____ may ____ issues leading to ____ fuel ____.

____ my car ____ causes high ____?

Could ____ with ____ cause ____ use more fuel?

____ my ____ problem that causes fuel ____?

____ for high gas consumption?

____ there ____ causing my ____ to ____ more fuel?

____ mechanical problem the ____ high ____ in my car?

____ possible ____ the ____ fuel ____ to car troubles.

____ chance ____ car ____ gas because it is ____?

____ mechanic concerns lead to ____?

____ there ____ fault ____ fuel usage?

____ petrol burning ____ to the ____ mechanical parts?

____ vehicle problem ____ high gas ____?

_____ car is _____ fuel due _____ issues.

I would _____ to _____ if a _____ problem _____ consumption.

_____ might _____ to blame for the _____ consumption.

Is _____ caused by _____ error?

_____ is guzzling _____ is broken.

_____ spending so much _____ on _____ engine problem?

_____ result of mechanical issues?

Is excessive fuel consumption _____ to a _____?

Is my _____ fuel consumption _____ a _____?

_____ my car _____ that causes fuel use?

Is a _____ going _____ elevated gas expenditure _____ car?

Why is _____ consuming _____ much gas _____ this _____?

Is _____ consumption related _____ an issue?

_____ I need _____ consider _____ issues that _____ be related to _____ high fuel consumption _____?

_____ mechanistic issue _____ increased _____ expenditure in this car?

_____ automobile using _____ fuel because _____?

_____ it possible that _____ fuel use _____ mechanical _____?

_____ vehicle _____ troubled _____ glitch _____ cause high fuel use.

_____ consumption _____ consequence _____ machinery errors?

_____ it _____ my _____ is drinking gas _____ broken down?

Is extra _____ to _____ mechanical parts?

_____ be consuming too _____ because of mechanical _____.

Is _____ a _____ related to my high _____?

Is the high _____ a _____ problem?

_____ a mechanical problem _____ high fuel _____ car?

_____ mechanical _____ the _____ excessive fuel usage _____ my car?

Is my _____ more _____ of an _____?

Does a _____ problem _____ use more _____?

There might be _____ mechanical issue _____ fuel _____ my _____.

Possible _____ fuel _____ problems?

_____ a mechanical problem _____ for high _____ consumption in _____?

Something's _____ is guzzling _____?

Something _____ excessive _____ use?

_____ higher due to _____ defects?

_____ vehicle is using excessive _____ due _____ issue.

Is _____ fuel _____ to a problem?

_____ my _____ having a mechanical _____ causes _____ use?

_____ vehicle _____ high _____ usage?

There _____ mechanical issues _____ lead _____ fuel usage.

Does _____ issue explain _____ gas expenditure _____ this _____?

_____ mechanical problem _____ cause of my high _____?

Is my vehicle's _____ usage _____ to a _____?

_____ there a mechanic issue that _____ for _____ high fuel _____?

Is _____ excessive fuel _____?

_____ high fuel consumption _____ underlying _____?

_____ I _____ worry about _____ more gas _____ of _____ problems?

Might my _____ be _____ too much _____ mechanical _____?

_____ are mechanical _____ increased fuel _____.

_____ if a _____ in my _____ will increase my petrol _____?

_____ you tell _____ there will _____ an increase _____ petrol _____ because of _____ in _____ car?

_____ the mechanical _____ in _____ car _____ my fuel _____?
 _____ problem _____ high fuel use?
 There _____ a _____ affecting fuel _____.
 Can _____ fuel _____ an _____ mechanic _____?
 _____ there _____ mechanical problem _____ excessive fuel use?
 Do _____ to think _____ mechanic _____ that _____ be _____ to the high fuel _____ vehicle?
 Do I _____ to _____ possible _____ responsible for the high _____ of my vehicle?
 Is excessive _____ consumption a _____ my _____?
 _____ it _____ that I _____ higher gas _____ due to _____?
 _____ mileage higher because _____ mechanical _____?
 Can _____ tell me _____ in my car _____ an increased _____ of _____?
 _____ there _____ mechanical problem that _____ excessive _____?
 Is my car _____ fuel because _____ a _____?
 Could a _____ with my vehicle _____ use?
 _____ my car consuming _____ much _____ because _____ issues?
 Did a _____ high gas _____?
 _____ a malfunction _____ in higher _____ expenditures _____ my _____?
 Is it _____ problem _____ my _____ of high gas consumption?
 Does _____ appetite arise _____ mechanical _____?
 _____ caused _____ mechanical faults?
 _____ mechanical _____ my _____ gas usage?
 _____ it _____ that mechanical _____ incur unusual _____?
 Was excessive _____ caused _____ malfunctions?
 Maybe _____ excessive gas consumption _____ related _____ a _____ engine.
 _____ for my high fuel use?
 _____ mechanical _____ that is causing _____?
 Might be _____ consumption, _____.
 _____ my _____ a mechanical _____ causes high fuel _____?
 _____ increase fuel use.
 _____ troubles could be _____ for the _____ consumption.
 _____ for my car's _____ fuel consumption?
 Something's broken; _____ gas.
 _____ the _____ in my _____ me to _____ more fuel?
 _____ a _____ issue the _____ of _____ fuel _____?
 _____ could _____ mechanical _____ to excessive fuel _____.
 Is there a mechanical _____ with my vehicle _____?
 _____ cause the increased gas _____ of this _____?
 _____ my _____ excessive gas _____ is _____ to _____ trouble.
 Is a _____ high _____ use?
 Vehicle mechanical _____ extreme fuel _____.
 Is _____ car _____ reason for high _____?
 _____ tell _____ increase _____ petrol _____ caused by a _____ in my car?
 Is _____ a _____ problem that _____ burn more _____?
 Is my _____ using up _____ an issue?
 Is _____ guzzlin' _____ because _____ needs _____?
 _____ was wondering _____ experiencing higher _____ due _____ mechanical fault.
 Does _____ automobile _____ due to _____ issues?
 _____ potential malfunction can lead _____ elevated gas _____.
 Is a _____ fault the _____ increased _____?
 _____ concerns result in _____ consumption?

_____ a _____ problem _____ my _____ consumption?

Can _____ fuel consumption _____ a symptom _____ underlying _____?

Car _____ be causing _____ fuel _____.

_____ it possible _____ I _____ getting _____ mileage due _____ issues?

Is my car _____ that causes _____ fuel _____?

Cars burn fuel fast _____.

_____ excessive fuel usage?

_____ that my _____ is malfunctioning _____ resulting _____ high gas _____?

Is _____ car _____ too much _____ because of _____?

_____ consumption may be _____ to my _____.

Is _____ mechanical _____ causing _____?

_____ there _____ fault causing more _____ my car?

_____ fuel consumption _____ to car _____.

_____ a _____ of a vehicle mechanical issue _____ fuel _____.

I wonder if my car's _____ to engine _____.

_____ it _____ mechanical _____ high fuel consumption?

Is _____ excessive _____ to a messed _____?

_____ engine _____ ride eats up a lot _____.

Fuel _____ the cause of deranged _____?

Is _____ possible that my _____ is malfunctioning _____ is _____ consumption?

Does high _____ come _____ a _____?

Is excessive _____ related _____ issue.

Can _____ to higher gas _____ for _____ car?

_____ are mechanical _____ increased fuel _____.

Does _____ an issue that contributes _____ consumption?

_____ am _____ eating up so _____ gas _____ engine _____?

I _____ if I _____ experiencing _____ higher _____ to mechanical problems.

My car might be _____ due to _____.

_____ mechanical _____ causing the _____ usage?

_____ mechanical fault _____ more _____ usage?

Maybe my _____ is _____ gas _____?

_____ in my car leads to _____ in _____ you tell me _____ it?

Is _____ gas _____ caused _____ vehicle _____?

Is it possible _____ is _____ gas because it _____?

_____ may _____ experiencing high fuel consumption _____ to _____ mechanical _____.

Is there _____ issue _____ could be _____ the high _____ of _____ vehicle?

Is this _____ gas _____ to _____?

_____ excessive _____ use caused by _____?

_____ a strange gas _____ in _____ mechanical _____?

Could _____ excessive guzzlin' be _____ in _____ vehicle?

I'm not _____ auto _____ drinking gas _____ it's _____.

_____ there a _____ issue that could _____ my _____ fuel _____?

_____ possible _____ mechanical trouble has _____ appetite?

Is there _____ mechanic issue that _____ be _____ high _____ consumption _____ car?

There have been _____ increased _____.

_____ mechanical problems causing _____ fuel _____?

Does machinery _____ account for _____?

_____ high fuel consumption because of _____ mechanical _____?

_____ broken; _____ car guzzling _____?

_____ causing too much _____ usage?

Is _____ mileage higher than usual _____?

_____ a vehicle _____ to _____ for _____ usage.

_____ there a mechanical _____ causes high fuel _____ my _____?

_____ high _____ show _____ underlying mechanic problem?

Is _____ mechanical fault _____ is increasing my _____?

_____ petrol being _____ of the bad mechanical _____?

_____ wondered if a problem _____ my _____ consumption.

_____ a chance _____ vehicle mechanical issue affecting _____ fuel _____.

_____ a _____ cause my _____ to _____ too much _____?

_____ ride eat up _____ much _____ with _____ problem?

_____ is excessive _____ mechanical malfunction.

_____ it _____ that I have _____ mileage _____ to mechanical _____?

Is _____ gas _____ due to a _____ problem _____?

_____ eats up _____ because of the engine problem.

Is _____ gas usage _____ my _____ a mechanical _____?

_____ being burned due _____ malfunctioning mechanical parts?

My _____ usage _____ be affected _____ issues.

Is mechanical issues _____ gas _____?

Is _____ possible _____ my _____ is malfunctioning _____ gas consumption?

_____ have _____ worry about gas use _____ troubles?

_____ possible _____ is wrong with _____ car and _____ I use _____ gas?

Could the _____ be _____ the messed up _____?

There _____ be _____ my _____ that _____ increasing fuel consumption.

Is _____ a _____ high gas usage?

Are my car _____ much _____ because _____ mechanical _____?

Is _____ a _____ of machinery errors?

_____ necessary for me _____ potential mechanic _____ in _____ to _____ fuel _____ of my vehicle?

_____ be the _____ of the increased _____ consumption?

Is my _____ gas use _____ to _____ engine trouble _____ defect?

There _____ mechanical issues _____ increased _____.

_____ having a _____ problem that causes _____ usage?

Are _____ fuel use?

_____ mechanical fault _____ extensive _____ usage?

_____ a _____ issue _____ cause _____ my _____ excessive fuel _____?

_____ a possibility of _____ affecting _____ fuel consumption.

_____ is a _____ issue causing _____ fuel use _____ my car.

Is _____ vehicle using _____ fuel due _____?

Does a vehicle _____ gas _____?

_____ increased fuel _____ due _____ in my car?

_____ is burning _____ due _____ mechanical issues.

_____ possible I have _____ problem _____ leads to high gas _____?

_____ is my ride _____ a lot _____ problem?

Car _____ fuel because of _____?

_____ there a mechanical issue _____ fuel consumption?

_____ it _____ issues _____ excessive fuel _____?

_____ by mechanical glitch _____ fuel use?

_____ a mechanical problem that _____ to excessive _____.

_____ is _____ if _____ usage is _____ to a _____ problem.

_____ car _____ an _____ that affects fuel _____?

_____ a _____ problem cause _____ consumption?

Is _____ the _____ is malfunctioning _____ leads _____ high _____ consumption?

Is my _____ higher _____ mechanical _____?

Is high fuel _____ indication _____ issue?

_____ car's excessive gas _____ linked to _____ sort _____ engine _____?

There _____ of vehicle mechanical _____ fuel usage.

A mechanical _____ might be _____ my _____ excess fuel.

_____ mechanical _____ fuel usage?

Is _____ mechanical fault that _____ to increased _____?

_____ there _____ fault causing the increased fuel _____ my _____?

_____ higher _____ a _____ of car problems?

_____ chance my _____ drinking _____ it's broken?

Do _____ cars _____ mechanical problems _____ fuel use?

Is _____ with my car causes high _____ usage?

_____ fault _____ are causing fuel _____?

_____ in my _____ related to a mechanical problem?

_____ a gas _____ by _____ mechanical trouble?

Is a _____ problem _____ reason for high _____ use _____?

_____ troubles incur _____ gas _____?

_____ there _____ petrol being burned _____ bad _____?

_____ mechanical issue _____ my _____ usage?

_____ increased fuel consumption _____ caused _____ car _____.

_____ usage caused by _____ issue?

Can you tell me _____ a fault _____ my _____ use _____ petrol?

Do _____ contribute _____ high _____ consumption?

Is _____ mechanical issue that _____ causing _____ usage?

Does any _____ unusual gas _____?

Is mechanical _____ usage?

_____ that my _____ malfunctioning, causing high _____ usage?

_____ my _____ problem _____ fuel _____?

Is the _____ consumption _____ my _____ related to _____ mechanical _____?

Is _____ an _____ gas _____ caused by _____?

Maybe there is _____ mechanical _____ that _____ to _____ high _____.

_____ my car _____ a _____ that causes _____ use?

_____ car may be _____ fast due _____ trouble.

_____ fuel consumption _____ the result _____ a mechanical _____.

Maybe _____ mechanical _____ that is contributing _____ high _____ consumption.

Is _____ up too much _____ a mechanical issue?

I wonder _____ excessive gas consumption _____ linked _____ engine _____.

Is my car _____ gas _____ it _____?

_____ potential _____ going to result _____ gas expenditure _____ my _____?

_____ my car having high _____ usage _____ problem?

_____ a potential _____ to _____ elevated _____ expenditure?

Car burnin' _____ fast _____?

_____ a possibility of a vehicle _____ issue _____ extreme _____?

Is this _____ mechanical _____?

_____ an underlying _____ issue _____ increased _____ expenditure of this _____?

_____ errors _____ high gas consumption?

_____ am _____ if _____ is using excessive _____ due _____ a mechanical _____.

There _____ problems _____ need checking _____ increased fuel _____.

_____ trouble could _____ to high _____.

_____ a vehicle _____ related to _____ ?

Can a _____ cause my _____ up too _____ fuel?

_____ car is _____ issues, is it _____ ?

Increased fuel _____ be _____ troubles.

_____ trouble cause _____ appetite?

_____ car _____ burning fuel _____ to _____ troubles.

_____ of _____ fuel use?

_____ troubled by _____ might _____ more _____.

_____ my _____ gas _____ of _____ issue _____ the parts?

Maybe my car is _____ ?

_____ problems may lead _____ use.

Is my car _____ too _____ fuel _____ of _____ ?

_____ of engine _____ or _____ linked to my car's _____ gas _____.

Are mechanical _____ excessive _____ now?

Is my car _____ it has _____ ?

Is a potential _____ to _____ gas expenditure _____ ?

Is the _____ use caused _____ ?

_____ that causes _____ to use too much fuel?

_____ the _____ consuming high _____ a mechanical problem?

_____ expenditure _____ a result of _____ of my automobile?

_____ you tell me _____ my car _____ because of _____ fault?

_____ wonder _____ mechanical fault _____ car to use more _____.

_____ mechanical _____ causing _____ fuel usage _____ ?

_____ there a _____ problem that _____ to use a _____ fuel?

Increased _____ consumption _____ may _____ the result _____ a _____ fault.

_____ fuel _____ associated _____ an underlying mechanic _____ ?

_____ a _____ with my _____ related to _____ consumption?

Is _____ a _____ causing _____ fuel usage _____ my car?

_____ high gas _____ with machinery _____ ?

Is high _____ consumption _____ mechanic _____ ?

excessive _____ by mechanical _____ ?

Is there an underlying _____ that _____ increased _____ car?

A mechanical _____ could _____ the cause of _____.

_____ issues _____ gas usage?

Some sort _____ trouble or _____ be the _____ of _____ car's _____ gas _____.

Car burnin' _____ because of _____ ?

Does a _____ to _____ gas _____ ?

_____ a car _____ caused high _____ ?

Car _____ be to blame for _____ consumption.

There is _____ chance _____ issue _____ fuel use.

It has _____ parts _____ is _____ guzzlin' gas?

A _____ mechanical glitch is _____ to _____ more _____.

_____ consumption could _____ because _____ a problem _____ my _____.

Maybe _____ excessive gas _____ connected to _____ with the _____ ?

Is my _____ gas _____ it _____ problem?

Does the _____ expenditure _____ this automobile _____ mechanistic issue?

Do _____ have _____ consider _____ issues for the _____ fuel _____ car?

_____ fuel _____ reflect an underlying _____ ?

Do _____ need to _____ about potential mechanic _____ that _____ be related to _____ consumption _____ ?

_____ possible that _____ fault _____ causing _____ fuel consumption.

High _____ mechanical _____?

I want _____ know if _____ car has a _____ is _____.

_____ my _____ have _____ affect gas usage?

Is high gas _____ errors?

_____ high _____ indicate an underlying _____?

Are _____ problems causing _____?

There's _____ vehicle mechanical issue _____ consumption.

_____ need to _____ potential mechanic issues that _____ be _____ to the _____ fuel _____ my _____?

_____ fuel _____ a _____ problem?

A mechanical _____ the _____ for _____ gas usage.

Is _____ vehicle experiencing _____ that causes _____ fuel _____?

Is a mechanical problem _____ in _____ car?

_____ ride eats up so much _____ this _____.

High gas consumption _____ be _____.

_____ wonder if my car is consuming _____ much _____ to _____.

The _____ consumption of my car might _____ some _____ of _____.

_____ guzzlin' _____ because of the messed _____ vehicle?

_____ is my ride _____ gas because of _____ engine _____?

_____ a _____ issue that may be _____ fuel _____.

Do _____ to worry _____ gas use because of _____?

_____ there _____ petrol burning _____ mechanical parts?

Is _____ car guzzlin' _____ because it _____?

_____ there _____ complexity that causes excessive _____?

Is my _____ experiencing _____ fuel use _____ a _____?

_____ is _____ for excessive fuel _____.

_____ it _____ that _____ amExperiencing higher _____ gas mileage _____ to mechanical _____?

Does _____ mechanical issue cause _____ car?

Did _____ mechanical _____ cause high _____ consumption _____ car?

_____ you know if a _____ in _____ lead to _____ use?

_____ hitch behind increased _____ consumption?

_____ an unusual _____ appetite _____ mechanical _____?

_____ there a mechanical problem that's _____ excessive _____ in _____?

Are my _____ consuming excess _____ a mechanical _____?

Is _____ excessive guzzlin' _____ to the _____?

_____ possible _____ trouble incurs _____ appetite?

Is _____ to a mechanical _____?

_____ it _____ my _____ has _____ problem?

I _____ know if the _____ due _____ up vehicle.

_____ there _____ mechanical _____ car's gas usage?

_____ be _____ issues which lead to excessive _____.

Is it _____ my car is _____ gas consumption?

_____ an _____ explain the increased _____ expenditure _____ car?

Is _____ mechanical _____ that _____ to use excessive fuel?

_____ may _____ the cause of the _____ fuel _____.

Should _____ mechanical issue cause _____ more fuel?

If my _____ is _____ too _____ fuel do _____?

_____ mechanical fault _____ fuel use _____?

_____ dilemma linked to automobile _____?

Is a _____ problem _____ gas _____?

_____ be a _____ with excessive gas usage _____ my _____.

_____ broken and my _____ is _____?

Is _____ mechanical _____ my _____ to use excessive fuel?

Is the _____ a mechanical _____?

_____ you _____ if a _____ in _____ would lead _____ increased use _____ petrol?

_____ my _____ much fuel due _____ a _____ issue?

_____ the _____ a mechanical problem?

Is there actually extra petrol _____ parts?

_____ my _____ guzzling _____ it _____ malfunctioning?

_____ usage _____ the cause of _____?

_____ there _____ fault causing fuel _____?

_____ excessive _____ usage _____ mechanical _____?

_____ automobile is _____ more fuel _____.

_____ consumption, mechanical troubles?

_____ there any mechanical _____ that might lead _____?

_____ there _____ causing excessive fuel _____?

_____ machinery errors _____ for high gas _____?

Is there a _____ that's _____ high gas usage _____?

_____ wonder if _____ is caused by _____ problems.

_____ extra petrol _____ bad _____ parts?

I wonder if _____ vehicle _____ excessive fuel _____ to _____.

Is the _____ gas _____ vehicle _____ to an _____ issue?

Vehicle _____ mechanical _____ could _____ use.

Does _____ explain the _____ consumption of this _____?

_____ troubled _____ mechanical _____ is _____ likely _____ use _____ fuel.

Do I _____ possible _____ issues that _____ be linked to the _____ of _____ vehicle?

_____ fuel _____ seen as a _____ issue?

_____ fuel thanks to issues?

Is my _____ guzzling _____ is _____?

_____ if _____ has a _____ that _____ high fuel consumption.

_____ extensive fuel usage right _____?

Is _____ possible _____ high fuel consumption _____ an _____?

_____ my car's excessive _____ consumption _____ some _____ of engine _____?

_____ gas _____ be caused by _____.

Maybe _____ problem with _____ vehicle is making _____?

Can you _____ me _____ a _____ in my _____ will _____ use _____ petrol?

_____ is broken, _____ guzzling _____?

_____ there a mechanical _____ car that causes _____?

Something _____ broken _____ has guzzling _____.

Is high fuel _____ a symptom _____ mechanic _____?

_____ are _____ problems behind _____ consumption.

Is it possible that _____ contributes _____ high _____ consumption?

_____ am _____ if _____ has a mechanical _____ causing high _____.

_____ fuel _____ because of mechanical _____?

Is my car _____ more fuel _____ mechanical _____?

_____ car may _____ excess _____ because _____ a _____ issue.

_____ troubled by mechanical glitch _____ use _____ of _____.

_____ that _____ use _____ the result of a _____ problem?

_____ burnin' fuel _____ mechanical _____?

There is _____ fuel guzzling _____ to _____.

_____ there _____ issue _____ the _____ to use _____ fuel?

Vehicle trouble _____ high _____.

_____ are mechanical _____ might lead _____ excessive fuel _____.

_____ problem a _____ high fuel consumption?

_____ increased fuel usage _____ to mechanical _____ car?

_____ an underlying mechanistic _____ the increased _____ on this _____?

_____ of gasoline predicted due _____ automotive _____?

_____ an underlying _____ the _____ gas expenditures _____ this _____?

Does _____ underlying issue explain _____ expenditure _____ this car?

Is _____ excessive _____ consumption a symptom _____ engine _____?

_____ wonder if _____ gas _____ linked _____ sort of _____ trouble or _____.

_____ automobile _____ more _____ due to _____?

_____ a _____ a _____ fault is causing increased _____.

Can you tell _____ any _____ my car _____ in increased _____?

_____ car _____ cause high _____ usage?

_____ because of _____ trouble?

Is excessive fuel _____ issue?

Was excessive _____ use _____ malfunction?

_____ fault causing me _____ use _____ in my car?

_____ use _____ much _____ due to a mechanical _____?

_____ there a correlation between _____ high fuel consumption _____ and _____?

_____ gasoline _____ signify _____ defects in _____ conveyance?

There may be mechanical _____.

Is the _____ gas consumption _____ of _____ concerns?

_____ a potential malfunction _____ expenditure _____ my car?

Is _____ usage due to _____?

_____ fuel _____ caused by mechanical _____?

Should _____ problem cause _____ fuel consumption _____ car?

Is _____ increased _____ consumption _____ car _____?

Is _____ a _____ causing poor mileage _____ my _____?

Is machinery _____ involved _____ high _____?

_____ fuel _____ due to _____ problems?

Is _____ mechanical _____ use?

Is an _____ by mechanical _____?

Is _____ actually extra _____ burning _____ of _____ mechanical _____?

_____ I experience _____ mileage _____ to mechanical _____?

_____ the increased _____ consumption _____ by _____?

Why is _____ ride _____ much _____ with this _____?

_____ possible that _____ higher than _____ because of mechanical faults?

_____ my car _____ gas because _____ has _____?

_____ it possible that my _____ a mechanical problem?

_____ it _____ high fuel _____ or _____?

_____ isPossibility _____ vehicle mechanical _____ fuel consumption.

Is _____ usage _____ to mechanical _____?

_____ I need _____ about potential mechanic _____ that _____ be connected to my _____?

_____ high _____ consumption _____ machinery errors?

_____ my _____ is it _____ excessive fuel?

_____ that my high fuel consumption _____ problem?

Is _____ car using _____ of _____?

_____ guzzling _____ linked to _____ automobile _____.

_____ wonder if _____ consider potential mechanic _____ for the _____ consumption of _____.

Should _____ malfunction _____ in higher _____ expenditure _____ car?

_____ fault _____ causing my car to consume _____.

_____ are _____ causing excessive _____ usage.

_____ it possible the increased _____ is the _____ troubles?

Is _____ related _____ the cause of high _____?

Is a _____ my _____ fuel usage?

_____ there a mechanical _____ that leads to _____?

_____ there any _____ that _____ my _____ use more _____?

Is _____ that the _____ fuel consumption _____ vehicle is _____ mechanic _____?

_____ burnin' _____ because _____ mechanical trouble

_____ there _____ appetite caused by potential mechanical _____?

Did my car use _____ much _____ mechanical _____?

_____ a car _____ high _____ usage?

Is there _____ repairs _____ fuel _____ consumed _____ my vehicle?

Is my _____ high fuel _____ a mechanical _____?

_____ need to be concerned about _____ of _____ troubles?

_____ with _____ is likely to have high _____ use.

Is _____ the cause _____ fuel _____?

_____ excessive _____ in my vehicle _____ mechanical issue?

_____ a _____ result _____ higher gas _____ for _____ car?

Is my _____ gas _____ connected to _____ engine _____?

Is _____ any mechanical _____ that are increasing _____ use _____?

Is the mechanical _____ causing my _____ to _____?

Is _____ problem _____ gas _____?

Is _____ usage connected to _____?

_____ the excessive _____ my _____ linked _____ a _____ with the engine?

Is _____ mileage higher _____ to mechanical faults?

_____ high fuel _____ symptom _____ underlying _____ problem?

My _____ may have _____ that _____ result in increased _____.

_____ eaten up a _____ with this engine problem.

There _____ be _____ affecting my vehicle's _____.

I _____ if _____ car has _____ mechanical issue _____ causes _____.

Is _____ car _____ too much _____ issues?
