

[Demo] NLP Dataset for Customer Service Automation

Company Type	Credit Card Companies
Inquiry Category	Foreign transaction fees and currency conversion
Inquiry Sub-Category	Pre-Travel currency conversion queries
Description	Customers inquire about the availability of currency conversions before their international travel. They seek information on the rates offered, whether they can pre-order foreign currency through the credit card company, and any associated fees or delivery options.
Data Size	8,207 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Credit Card Company" customer inquiry. (Purchased data will not be masked.)
