

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Energy efficiency programs and incentives
Inquiry Sub-Category	Insulation and weatherization
Description	Customers seek information about incentives and programs related to insulation and weatherization. They are interested in reducing heat loss, improving energy efficiency, and lowering their energy bills through measures like adding insulation and sealing air leaks.
Data Size	8,578 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

____ can I ____ program ____ energy efficiency through ____ weatherization efforts?

Let me ____ the ____ savin' program ____ insulation ____ weather ____?

Can ____ your weatherization ____?

____ want ____ know how ____ become involved ____ your ____ for ____ insulation and ____.

I ____ like to ____ your ____ and ____ program.

____ I ____ helps with weatherization?

Can I ____ a part of ____ to ____ through ____ and ____?

Are you able to ____ me join ____ electricity ____ weatherizing ____?

____ could ____ the ____ of ____ energy ____ with insulation ____ weatherization methods?

I am ____ about ____ steps required to ____ that promotes energy ____ with ____ weatherization.

Are ____ you to ____ the insulation and ____ project?

____ can I join your ____ to ____ weatherization?

____ on ____ application process for your ____ program that focuses on ____ and ____.

Is ____ possible ____ me to ____ insulation ____ usage ____ as ____ of your venture's sustainable ____?

How can you ____ to conserve energy through ____?

____ want to know ____ to ____ in ____ insulation ____.

____ I ____ able ____ join the energy program ____?

How ____ I ____ a program ____ insulation and ____?

____ for me ____ insulation and ____ through your energy ____ program?

Can ____ tell ____ about the application ____ for your energy efficiency ____ focuses ____ and ____?

Is it ____ contribute to ____ venture ____ means ____ andweather-resistant measures?

What things ____ to participate in the ____ effort?

What do I ____ to ____ involved ____ insulation and weatherization ____?

Is it possible for ____ be ____ in implementing insulation techniques and ____ a ____ of ____?

Can ____ become a ____ the energy ____?

____ want ____ how ____ get ____ in our insulation and ____.

____ it ____ like me to be ____ promotes energy efficiency through insulation and weatherizing ____?

____ should I join a ____ promotes ____ through ____ and weatherizing ____?

Is _____ for me to be _____ the _____ of insulation _____ campaign?

How _____ for promoting _____ and weatherization _____ part of energy efficiency?

_____ I _____ of the insulation and _____ program?

You _____ through insulation _____ weatherization.

_____ it _____ to contribute _____ endeavor by _____ and weather-resistant measures?

_____ to provide information on _____ application process for the _____ program _____ on _____ weatherization?

What _____ the _____ for _____ using insulation _____ weatherproofing?

_____ do I become involved with _____?

Is _____ for me to contribute _____ venture by means _____ materials _____?

Is _____ possible for _____ contribute to the betterment of energy usage _____ for _____ insulation _____?

_____ it _____ for me _____ your project to increase _____ efficiency through insulation _____?

_____ make sense _____ me _____ support _____ weatherization efforts in _____ energy efficiency _____?

_____ it _____ me to be _____ in the _____ techniques as a _____ your sustainable _____?

What can _____ person do _____ encourage _____ through _____?

Is _____ way for _____ and weatherization efforts _____ energy efficiency program?

Is it possible _____ be _____ and weatherization _____?

_____ fancy program _____ savin' energy using insulation _____ weatherproofing, _____ the _____?

How can my _____ by the _____ enhancing _____ efficacy _____ and weatherizing _____?

How _____ involved in _____?

_____ can _____ to _____ with your _____ to increasing _____ efficiency through the use of _____ methods?

Is _____ contribute to _____ venture by means of insulation _____?

To _____ insulation _____ methods, _____ clarify how I could participate.

How _____ my participation _____ appreciated _____ the campaign's _____ of _____ via _____ and _____ approaches?

Are _____ opportunities to involve _____ your insulation and _____?

_____ can we engage _____ endeavor _____ conserve energy _____ weatherization _____?

_____ would like _____ could help with the endeavor _____ on increasing energy _____ insulation _____ methods.

Can you _____ can _____ the energy efficiency program?

_____ there a _____ for me _____ the insulation _____ weatherization _____?

_____ my household be _____ and weatherization program?

Should I join _____ energy _____ program _____ and _____?

_____ I supposed to _____ to _____ the insulation _____ effort?

Is _____ me to contribute to your _____ means of _____ measures?

_____ can _____ become _____ project that _____ on insulation and _____ tactics?

What _____ should I take to participate _____ insulation _____?

_____ to contribute to _____ energy efficiency _____ by supporting insulation _____ weatherization?

_____ you _____ ways I can _____ part _____ insulation _____ weatherization _____?

_____ you _____ me to support _____ and weatherization _____ your program?

I want _____ know _____ the _____ for your _____ efficiency program _____ on _____ and _____.

_____ take _____ in _____ weatherization program?

_____ there _____ opportunities _____ involvement _____ your _____ and weatherization _____?

Can _____ join _____ program that _____ insulation _____ treatments?

What can _____ to engage with your _____ to _____ insulation _____ weatherizing?

_____ would _____ involved in _____ insulation and weatherization _____.

_____ should I get involved _____ promote _____ efficiency through insulation _____?

How can _____ get _____ in _____ insulation _____ project?

_____ can _____ efficient _____ Measures?

_____ can _____ to _____ the insulation and _____ of _____ initiative?

_____ am _____ in learning how to get _____ in _____ insulation _____.

I would _____ insulation and _____ initiative.

A _____ be _____ in encouraging _____ efficiency _____ the use _____ insulation and _____.

_____ me how I could participate in the _____ increasing _____ efficiency _____ and weatherization _____.
 _____ for me to _____ program that promotes energy _____ through weatherizing _____?
 _____ way to participate _____ the _____ deals with _____ through insulation _____ weatherization?
 Is it _____ for _____ me _____ be in your _____ that _____ through _____ methods?
 Did you _____ that _____ could participate _____ campaign _____ promote _____ with _____ and _____?
 Is it possible _____ me _____ to improve energy efficiency _____ weatherization?
 I am supposed _____ join and _____ efficient through your _____.
 Can _____ contribute to _____ promotion _____ efficiency through insulation _____?
 Is there a way for me _____ program that _____?
 I want _____ how to _____ involved in _____ promoting _____ and _____.
 Would _____ willing _____ us information about your campaign _____ energy _____ insulation _____ weatherization _____?
 What _____ you do _____ in your effort _____ conserve energy _____?
 Information _____ your _____ promoting _____ with insulation and weatherization measures _____.
 Is it possible for _____ be part of _____ initiative _____ enhance energy _____ and _____?
 _____ should _____ to be _____ your _____ and weatherization effort?
 How do _____ the program promoting _____ efficiency _____ and _____?
 _____ can I engage _____ the _____ energy efficiency through insulation _____?
 How _____ we _____ with your initiative _____ energy efficiency through the _____ methods?
 _____ interested _____ joining your _____ program for _____ and _____.
 _____ you _____ a way _____ can participate _____ and weatherization _____?
 How can a person _____ weatherization methods _____?
 _____ join the program focused _____ efficiency _____ insulation _____ weatherization?
 I _____ joining _____ weatherization effort _____ possible _____ me.
 Is _____ possible _____ to _____ energy _____ for weatherizing?
 _____ would _____ to _____ to _____ venture by means of insulating _____ trained.
 _____ in learning _____ get _____ in the _____ and weatherization _____.
 I _____ join your _____ for _____
 I _____ interested _____ learning _____ involved _____ program for promoting insulation and _____.
 _____ you going _____ do _____ promote _____ through _____ and weatherization?
 Can I get involved _____ your _____ efficiency?
 Are _____ to involve yourself in _____ endeavor?
 Is _____ for me to be _____ the _____?
 _____ join _____ if _____ want insulation and weatherizing techniques?
 _____ possible for _____ me to _____ a part of your _____ energy efficiency _____ weatherizing?
 _____ household be _____ part _____ and weatherization initiative?
 What _____ done _____ conserve energy through effective _____ techniques?
 _____ can _____ a part of _____ efficiency program that focuses _____ and _____?
 _____ opportunities for you _____ get _____ in your insulation _____ endeavor?
 _____ it possible _____ like me to be _____ of _____ promotes energy efficiency _____ weatherizing _____?
 _____ can _____ engage in _____ insulation?
 _____ it possible _____ someone like me _____ be _____ of _____ program that _____ efficiency through _____?
 How _____ I _____ endeavor to _____ energy efficiency with _____ and _____?
 _____ I _____ join your energy efficiency program.
 _____ can _____ support _____ that _____ energy efficiency through _____ and _____?
 I would _____ to contribute to _____ of insulating materials _____.
 I _____ to know how to _____ involved _____ weatherization _____.
 _____ can _____ the energy efficiency program?
 _____ am interested _____ joining your _____ encourages _____ electricity _____ buildings.
 _____ like _____ join _____ with insulation and weather _____.
 _____ we _____ my home _____ efficient with _____?

What ____ you ____ to ____ initiative to ____ energy ____ through insulation ____ weatherizing ____?

Ways ____ efficient insulation ____?

____ steps can be ____ to ____ through ____ effective ____ and weatherization techniques?

Can I be a ____ to enhance ____ efficiency through insulation ____?

____ it possible to ____ the effort to ____ efficiency ____ insulation ____?

____ it possible to ____ and weatherization ____ program?

Is ____ I ____ the weatherization ____?

What can ____ do to ____ in the ____?

____ suggest ways to ____ in ____ and ____ efforts?

____ participation ____ your campaign's goals of ____ energy efficacy via ____ and ____ approaches?

How ____ get involved ____ insulation and weatherization ____?

Is it ____ me to be ____ insulation techniques ____ the improvement ____ energy usage ____?

I ____ your ____ project that focuses ____ and weatherization.

____ your ____ necessary ____ efficiency through insulation and weatherization?

Is there a ____ join the program ____ focuses on ____ through ____?

There ____ effort to enhance ____ insulation and ____.

I ____ to ____ in your ____ promote ____ efficiency ____ insulation and ____.

How ____ participate ____ the efficient ____ that includes insulation ____ things?

How can I ____ to the ____ energy usage ____ engaging ____ for ____ building ____?

____ there ____ that I ____ and weatherization efforts?

____ it ____ someone ____ to ____ involved in your program ____ by using weatherizing methods?

____ take ____ program ____ energy efficiency through insulation and weatherization?

How can I ____ the ____?

____ want to join the ____ efficiency ____.

____ I be ____ of ____ and weatherization effort ____?

Tell ____ how ____ get involved ____ efforts.

____ you ____ any ____ on how to ____ for your energy ____ program that focuses ____?

____ for ____ to be involved ____ implementation ____ insulation techniques ____ order ____ improve energy usage ____?

Should I ____ involved ____ the program for promoting insulation and ____?

____ would like ____ join the ____ has ____ and weather ____.

What do ____ get involved in the insulation ____?

____ contribute to ____ insulation and ____ that promotes ____ efficiency?

____ there ____ to ____ in your ____ and weatherization ____?

____ could you ____ measures?

I want to ____ encourages ____ electricity ____ weatherizing buildings.

____ could I ____ endeavor ____ increase energy efficiency with insulation ____ weatherization ____?

Is ____ a way I can ____ in the ____ through insulation ____?

The ____ promotes energy saving with ____.

Is it ____ for ____ like ____ to be part ____ a program ____ efficiency ____ weatherizing ____.

____ can ____ to engage ____ your initiative that ____ dedicated ____ energy efficiency through the use ____ weatherizing ____?

Where can ____ join your ____ insulation and ____?

How ____ I ____ to ____ energy efficiency ____ and weatherizing?

There's ____ fancy ____ yours for ____ using ____ and waterproofing.

____ can you use ____ and ____ techniques ____ save ____?

____ it ____ for ____ participate in ____ energy ____ program?

Can ____ help ____ weatherization ____ in your ____ efficiency program?

____ want to contribute ____ your venture by ____ weather resistant ____.

____ should I join ____ I ____ learn ____ insulation and weatherizing?

What can ____ do ____ people to use ____ methods in ____ energy efficiency?

I _____ to join _____ program _____ weather treatments.
 _____ I join _____ effort _____?
 _____ I help _____ home _____ through better insulation?
 _____ deal with _____ program for savin' energy using _____?
 _____ would like to _____ venture _____ means of insulating _____ & weather-resistant _____.
 Is _____ possible to take _____ the _____ weatherization _____.
 I want to be involved _____ on insulation and _____.
 _____ I _____ your _____ and _____ program?
 What _____ I _____ to _____ by _____ with your advocacy for _____ building _____?
 How do _____ join the program _____?
 I _____ to know how _____ join _____ energy _____.
 Are _____ opportunities for _____ to _____ in the _____ weatherization _____?
 How do _____ involved _____ your _____ energy efficiency _____ insulation _____ weatherization?
 Is _____ participate _____ enhance _____ efficiency with insulation and weathering?
 _____ it _____ for someone like me to be part _____ program _____ promotes _____ insulation _____ weatherizing _____?
 _____ can I join _____ energy _____ program that _____ insulation _____?
 Is it possible _____ support insulation _____ weatherization _____ for _____ energy _____?
 _____ there _____ support _____ energy efficiency _____ by supporting insulation _____ weatherization?
 _____ how to get involved in your _____ promote insulation _____.
 Is it _____ that I can _____ your _____ by _____ resistant _____?
 How can _____ be _____ in _____ energy _____ weatherization _____?
 How do I help _____?
 How _____ involved _____ your insulation and _____?
 Is _____ for _____ to _____ energy efficiency through _____ and _____ work?
 _____ your help in _____ your insulation _____ initiative.
 _____ join the insulation and _____?
 Can _____ be a _____ project?
 How can _____ help _____ efficiency through insulation _____?
 _____ to join the program _____ efficiency through insulation and _____.
 Ways _____ taken _____ promote _____ measures?
 _____ get involved in _____ program to help _____ weatherization?
 Is there _____ for involvement in your _____?
 _____ am _____ in joining _____ program _____ weatherize.
 _____ possible _____ to _____ of energy usage by engaging _____ advocacy for better _____ insulation?
 _____ I _____ involved _____ insulation program?
 I'd like _____ insulation _____ weatherization initiative.
 Is _____ that I'll be _____ the _____ program?
 Is _____ possible for _____ to _____ you _____ energy efficiency _____ and _____?
 _____ could _____ be _____ in _____ endeavor _____ efficiency with weatherization methods?
 _____ I _____ your energy _____ to _____ my _____?
 How _____ person _____ encourage energy _____ insulation and _____ methods?
 _____ I join your _____ for _____ efficiency _____ insulation _____ weatherization?
 Are _____ any _____ for you _____ participate _____ and _____ endeavor?
 I _____ to join _____ saving _____ through the _____ of weatherizing buildings.
 How can _____ encourage _____ use _____ measures?
 _____ possible _____ to get involved _____ implementing _____ techniques and _____ energy usage _____?
 Will I be able to take _____ in _____?
 A _____ encourage _____ insulation and _____ methods organized by your _____.
 Is _____ possible _____ like me could _____ a _____ of your _____ efficiency via _____ methods?
 _____ do _____ the program _____ promoting _____ and weatherization _____ part of _____ efficiency?

What can ____ do ____ energy ____ weatherization ____?

Is ____ possible ____ me information about your ____ promoting ____ with insulation and ____?

Is it possible ____ me to ____ work ____ part ____ initiative?

____ it possible for someone ____ to ____ part of the program ____ uses insulation ____?

____ I get involved in your insulation ____?

How can my ____ appreciated by your campaign's goal of ____ insulation ____?

____ for ____ support the ____ weatherization efforts of the energy ____ program?

____ possible ____ give me ____ about the ____ saving ____ insulation and weatherization ____?

Is ____ possible for ____ contribute ____ your ____ by ____ materials ____ measures?

I'm ____ program ____ save ____ through weatherizing buildings.

Is ____ for ____ to ____ part ____ a program that promotes energy efficiency via ____?

____ me join ____ energy savin' program ____ and ____ treatments.

____ you tell me ____ I can ____ in ____ weatherization?

How can ____ with ____ program?

What can ____ done ____ with your initiative ____ increase ____ use of insulation and ____?

____ can ____ appreciated within ____ enhancing energy efficacy via insulation ____ approaches?

I ____ to ____ to ____ energy ____ project that ____ on ____ weatherization.

How ____ promote ____ of insulating materials?

I would like ____ insulation ____ weatherization ____ your ____.

How can I ____ involved in ____ that ____ for energy ____ and ____?

Is ____ possible for ____ to your ____ means ____ and weather resistant measures.

I wish to ____ for ____.

____ i ____ the energy efficiency ____?

____ like ____ contribute to your ____ of insulating ____ and weather- resistant ____.

How ____ I ____ your ____ efforts?

Is it possible for ____ the ____ program?

____ like me ____ a part of ____ that ____ efficiency ____ weatherizing methods?

I would like to ____.

____ any chance of ____ your insulation and ____?

I ____ be involved ____ energy ____ project ____ focuses ____ insulation and ____.

____ I participate ____ your ____ to ____ energy efficiency with insulation ____.

____ it ____ that I will ____ your weatherization ____?

Are ____ able ____ participate ____ the installation ____ to ____ efficiency ____ insulation and ____?

____ can ____ join your ____ that ____ insulation and ____?

How ____ I take part ____ insulation and ____?

____ to join ____ that ____ saving electricity by ____ buildings.

____ would like to ____ energy ____ and insulate.

If ____ want ____ your ____ energy efficiency through ____ and weatherizing, what ____ I ____?

How ____ I ____ in ____ insulation and ____ effort?

____ participation ____ in ____ campaign's goals of enhancing ____ efficacy ____ and ____ approaches?

____ to ____ how ____ involved in ____ for promoting ____ and weatherization.

Is ____ to ____ involved with your ____ weatherization ____?

____ with ____ insulation and weatherization ____?

I ____ in your insulation and weatherization ____.

How do I ____ the ____?

____ to contribute to ____ of ____ through insulation and ____ initiatives.

____ me ____ the application process ____ program that focuses ____ insulation and ____.

How do I ____ the ____ for energy ____ weatherization?

____ there any information on ____ to ____ for the ____ program ____ on ____ weatherization?

____ curious about how I ____ join ____ energy ____.

Can ____ join ____ program ____ energy efficiency ____ weatherization?

Is it ____ contribute ____ the ____ of energy efficiency ____ and ____?

____ should I ____ in your ____ energy program, ____ insulation ____?

____ to help ____ energy efficiency ____ installing insulation and ____?

____ involved in ____ improve energy efficiency ____ better insulation ____ weatherproofing methods?

What can ____ promote the ____ of insulation ____ weatherizing ____?

Is it ____ me ____ about ____ campaign ____ energy saving with ____ and ____?

____ can ____ promote ____ insulation measures?

____ to be ____ in the insulation and ____.

____ to engage ____ weatherization ____ insulation initiative.

____ I ____ in ____ endeavor ____ increasing energy efficiency with ____ weatherization methods?

____ you tell me ____ fancy program ____ yours ____ savin' energy ____ waterproofing?

Is it ____ for me ____ your initiative ____ improve energy ____ insulation ____ weatherization work?

How ____ in your insulation and ____ efforts?

____ have ____ how ____ join and get ____ efficient ____ your insulation?

____ in ____ campaign to promote energy ____ with ____ and ____?

Can I join ____ weatherization?

How ____ work ____ improve ____ usage by advocating for better ____?

What can ____ engage ____ initiative ____ increase energy ____ through weatherizing ____?

____ join the effort to ____?

____ promote ____ insulation measures?

I ____ like to join ____ promote ____ efficiency through ____.

How ____ I participate in the program ____ efficiency through ____?

Should ____ any ____ contribute to ____ promotion of ____ efficiency through insulation ____?

____ want to ____ your program ____ insulation ____ weatherization.

Can ____ involved ____ to increase ____ efficiency through ____ insulation?

____ do ____ get involved with ____ for insulation ____?

Is ____ me to ____ with ____ energy efficiency program by ____ weatherization?

____ be ____ of ____ effort program?

Is it possible ____ of ____ project to ____ efficiency ____ insulation and weatherization work?

____ household be involved ____ the ____ and weatherization ____?

____ participate ____ the insulation ____?

____ to ____ your insulation and ____ initiatives.

What can ____ your ____ to increase ____ efficiency through the ____ of insulation ____ weatherizing ____?

How do ____ get ____ in ____ for ____ weatherization?

Can ____ for me to participate in ____?

____ the fancy ____ of ____ for ____ energy using insulation ____ weatherproofing?

I'm interested ____ your ____ through ____ weatherization.

What ____ I do to support ____ efforts?

I would ____ join your ____ supporting insulation ____.

I want to know how to ____ with ____.

Is ____ possible for me ____ be involved ____ insulation techniques and ____ your venture?

Can ____ get ____ on ____ of ____ more energy efficient?

____ it ____ for me ____ work with you on ____ through ____ weatherization?

Did ____ know how ____ energy efficiency ____ that focuses ____ insulation ____ weatherization?

Is it ____ join your program ____ energy ____ insulation and ____?

____ be possible ____ participate in ____ weatherization program?

____ it possible ____ me ____ techniques and improving energy usage ____ part of your campaign?

____ I help ____ efficiency of ____ home ____ insulation?

____ can ____ become ____ in the energy ____ focuses on ____ weatherization?

Is _____ a way _____ insulation _____ your program?

Can I be involved in _____?

Are there _____ for you to _____ your _____ efforts?

_____ is a _____ of _____ via insulation and weatherizing _____.

Was _____ possible _____ me _____ participate in _____ endeavor _____ increasing energy _____ and weatherization methods?

_____ am _____ in joining your _____ promotes _____ insulation and weatherizing.

I _____ like to _____ your _____ that promotes _____ weatherizing _____.

_____ join your _____ and insulate?

_____ it possible to _____ energy _____ for _____ insulation?

Is it possible _____ me to _____ a _____ the _____ promotes energy efficiency using _____?

_____ you tell _____ get involved in your _____?

_____ it possible for _____ in implementing insulation techniques and _____ usage _____ with your _____?

Please explain how _____ could _____ involved _____ endeavor _____ increase _____ with insulation and _____.

_____ a way _____ me to be _____ in the program _____ focuses on _____?

_____ about _____ I _____ join the _____ efficiency program.

I _____ like _____ contribute to _____ venture _____ materials _____ resistant measures.

I _____ like to _____ that promotes _____ efficiency _____ insulation and _____.

_____ I _____ in _____ insulation _____ weatherization initiative?

_____ in promoting _____ insulation?

_____ you _____ I can participate in _____ insulation _____ efforts?

Can I _____ involved _____ your _____ to _____ energy _____ insulation and _____ methods?

_____ how _____ can _____ involved in the program for promoting _____ and _____.

_____ me how I can _____ involved _____ efforts?

_____ can I join _____ program for _____?

I would like _____ contribute to _____ endeavor _____ means _____.

Can _____ part of _____ program?

How _____ I _____ program that deals with _____ weatherization?

_____ would like _____ of the _____ program

_____ I _____ involved _____ energy _____ program?

_____ help _____ with the weatherization _____?

How can _____ get _____ promoting _____ weatherization as part _____ energy efficiency?

What _____ take _____ energy _____ effective insulation and weatherization?

_____ it _____ for me _____ contribute _____ endeavor _____ means of insulating materials and weather- _____?

I _____ help _____ the _____ and _____ initiative.

Is _____ for someone _____ me to be _____ part _____ the program that _____ insulation _____ methods?

How _____ joining _____ program _____ includes _____ and weather _____?

Is it possible for me to get _____ of insulation techniques _____ of _____?

How _____ join _____ and _____ initiative?

Can you _____ to improve energy efficiency through _____?

Could _____ tell _____ about your _____ promoting energy saving _____ insulation _____?

Is it _____ to join _____ to _____ energy efficiency _____ insulation _____?

How can I _____ in _____?

I _____ engage _____ your weatherization _____.

_____ and weatherization as part of energy _____?

What _____ I do to get _____ insulation _____?

_____ offer _____ weatherization _____ I be part of _____?

Is _____ possible _____ someone like me _____ be _____ that promotes energy _____ via _____ methods.

_____ could you give _____ your _____ energy saving with _____ weatherization measures?

_____ for me _____ be _____ the insulation program?

_____ my _____ be _____ campaign's goal of enhancing energy efficacy via _____ and _____?

Is _____ possible for someone _____ me to _____ of _____ that _____ methods?

Can _____ me know _____ to _____ energy _____ program?

There _____ a _____ for _____ energy _____ and weatherproofing.

_____ participation valued according to _____ campaign's _____ energy _____ via insulation _____ weatherizing _____?

_____ possible _____ to contribute to _____ venture _____ materials and weather-resistant measures?

Can I _____ a part in _____ home _____ better _____?

_____ part of your weatherization _____?

I'd _____ to _____ the _____ program _____ weather _____.

What steps should _____ in the _____ and _____ effort?

_____ want to join _____ can I?

What _____ with _____ initiative to _____ through the use _____ insulation?

_____ would _____ to join _____ to _____.

Is there any information you _____ about your _____ saving with _____ weatherization _____?

How can _____ promote insulation _____ weatherization in _____?

How can I get _____ with your _____ insulation and _____ as _____?

I can join your _____.

I _____ out how to _____ energy _____ through your insulation?

Is it _____ for _____ contribute to your _____ by means _____ insulated _____ measures _____?

Is it _____ me to _____ to _____ by _____ and weather resistant measures?

Can _____ get _____ in the _____ and _____ program?

I would _____ to contribute _____ your _____ of insulating materials _____ training.

_____ would like to _____ a part of _____.

_____ be _____ in the _____ program?

How _____ be involved _____ energy efficiency _____ and _____ methods?

_____ for _____ join your Weatherization effort?

How can I _____ deals with _____ and _____?

_____ could I help _____ endeavor _____ efficiency with insulation and _____.

How _____ program that promotes _____ through insulation and _____?

_____ possible _____ I could _____ of the weatherization _____?

Can _____ weatherization _____ a part _____ program?

Can _____ your program _____ weatherize _____?

Is _____ me to _____ to your _____ by means of insulating _____ and weather _____.

I _____ to _____ how _____ get _____ your _____ and weatherization efforts.

Is it _____ for me _____ insulation _____ energy usage _____ in _____ campaign?

What's the deal with _____ program of yours _____ weatherproofing?

What can I _____ the improvement of _____ with you to improve _____ insulation?

Is _____ could _____ to your _____ by using insulating materials _____ measures?

Can I _____ by using insulating materials and weather-resistant _____?

_____ want to _____ how _____ get involved _____ the _____ to promote _____.

_____ I participate _____ the insulation and _____ promote _____ efficiency?

_____ can a person make _____ in encouraging energy _____ and _____?

Can _____ join _____ improve energy _____ with insulation and _____?

How _____ person get involved in encouraging energy _____?

_____ you do to _____ the use _____ and weatherizing to _____?

Is my participation _____ campaign's _____ of enhancing _____ efficacy via _____ and _____?

_____ be _____ the energy _____ focuses on insulation and weatherization?

_____ I _____ part in _____ endeavor _____ energy _____ insulation and weatherization methods?

Can I _____ part _____ program _____ and weatherization?

_____ steps _____ I take _____ participate in _____ insulation and _____?

I _____ to _____ involved in _____ and weatherization _____.

_____ it that a _____ can _____ energy _____ insulation and weatherization?
_____ to _____ involved in _____ energy _____ project that _____ on _____ weatherization.
I _____ participate _____ and weatherization effort that _____ efficiency.
_____ a way _____ me _____ weatherization for the energy _____ program?
How _____ I join _____ promote energy _____ through insulation _____ weatherization?
_____ energy efficiency _____ that supports _____ and weatherization?
_____ would like to _____ efficiency program that focuses on _____.
_____ to join _____ through insulation and _____.
Is it possible _____ in _____ and _____ program.
_____ to be a _____ promotion of energy _____ insulation and _____.
Is _____ possible to _____ to _____ by _____ of insulating materials _____ resistant _____?
_____ could _____ participate in _____ focused _____ increasing _____ insulation and weatherization methods?
_____ to _____ your _____ that focuses on insulation _____ weatherization tactics.
_____ would like to be a _____ program.
Information on the _____ for _____ energy _____ program _____ focuses on _____ and _____ would _____.
_____ would _____ to join the _____ insulation and weatherization.
Can _____ be _____ part _____ initiative aiming _____ efficiency through insulation and _____?
_____ it possible _____ with your initiative _____ energy _____ and weatherization?
_____ do I _____ insulation?
_____ you tell _____ the _____ to _____ your _____ promote energy efficiency with insulation and _____?
What _____ steps that _____ can take to conserve _____ through _____ insulation _____?
_____ you tell _____ about _____ program of yours for _____ insulation _____?
_____ your _____ and weatherization efforts?
I _____ the weatherization program you offer.
_____ it possible _____ me to _____ the _____ program
_____ I _____ with insulation and weatherization?
How _____ in _____ effort to _____ insulation and weatherization methods?
_____ I enroll _____ your energy _____?
Is _____ for me to be involved in _____ project _____ efficiency through insulation _____?
_____ it possible for _____ contribute _____ by means _____ insulation materials and weather- _____?
_____ it _____ your venture by means of insulating materials and weather- _____ measures _____?
_____ it _____ for me _____ join _____ weatherization _____?
_____ on _____ insulation and _____ program?
What can you _____ improve _____ efficiency _____ the use of _____?
_____ my household _____ your _____ and weatherization program?
_____ possible _____ me _____ contribute to your venture _____ using insulating _____ measures?
_____ me _____ involved _____ my weatherization efforts?
_____ you _____ to _____ your insulation initiative?
_____ like _____ the _____ efficiency program _____ focuses on _____ and weatherization.
_____ join _____ energy-savin' program with _____.
Is _____ that I could _____ venture _____ materials and weather resistant _____?
_____ I do _____ increase _____ efficiency _____ and weatherization?
_____ possible for _____ to get involved _____ program?
Is it possible to _____ a _____ program?
_____ it _____ for _____ like _____ to be _____ a _____ that promotes _____ through weatherizing?
_____ like to _____ how _____ get involved in _____ and _____.
_____ in participating in _____ initiative.
What can _____ done to promote _____ weatherizing methods _____ project?
Let's join the _____ program _____ insulation _____ treatments?
_____ do you _____ in promoting _____ and weatherization as part _____?

_____ can we _____ with the _____ that _____ increasing _____ efficiency _____ the use of _____ weatherizing methods?

Is it _____ join your program to enhance energy _____?

_____ would like to figure out _____ to _____ efficient _____ your _____.

_____ can _____ get _____ with the program for _____ through _____ weatherization?

How _____ I get _____ in promoting _____ weatherization in _____?

_____ do I _____ with _____ insulation _____ weatherization _____?

_____ wonder if I can _____ in _____.

_____ I get involved _____ insulation and weatherization _____?

_____ be involved in _____ and improving energy usage patterns as part _____ campaign?

I _____ like to become _____ weatherization _____.

If I want _____ join your program _____ through insulation and _____ steps _____ take?

I _____ involved _____ weatherization and insulation efforts.

_____ I _____ to the _____ energy _____ weatherization and insulation?

_____ you _____ me with _____ and _____ program?

I want to join _____ that _____ electricity via _____.

_____ a way _____ can _____ involved in the program _____ on _____ efficiency _____ insulation _____?

_____ can join _____ energy-savin' program _____ insulation _____ weather _____.

How _____ promote _____ in _____?

The program _____ yours _____ for _____ and weatherproofing.

Is there _____ information _____ give _____ your _____ to promote energy _____ insulation _____ measures?

I _____ engaging in _____ weatherization initiative.

I want _____ energy _____ through insulation and weatherization _____ steps should I take?

You _____ join _____ energy _____ by _____ on insulation _____ weatherization.

Are _____ talking _____ a program _____ energy using insulation _____?

_____ it _____ to take _____ insulation _____ weatherization?

_____ to get involved with _____ insulation and _____.

Is _____ a way for _____ to _____ and _____ the energy _____?

Can _____ suggest _____ I can participate _____ and _____?

_____ can I _____ by _____ campaign's goal _____ efficacy via _____ weatherizing approaches?

How _____ in your insulation _____ weatherization _____?

_____ possible _____ get _____ your weatherization efforts?

_____ in joining the _____ energy efficiency through insulation _____.

_____ in joining your program _____ on insulation _____ weatherization.

_____ like _____ contribute _____ endeavor by _____ ofnsulating materials andweather- resistant _____.

_____ your program _____ save energy?

_____ can _____ involved in encouraging energy _____ and weatherization?

I _____ in joining _____ program that _____ saving _____ weatherizing buildings.

Can I be involved _____ and _____?

_____ can _____ person help _____ energy efficiency _____ and weatherization methods?

_____ I get _____ the deal of _____ home more _____ with _____?

_____ should I _____ in _____ promotion of _____ efficiency _____ insulation _____ weatherization _____?

What can _____ do _____ to _____ of energy usage _____ in your advocacy _____ better _____?

_____ possible to _____ in _____ program?

Is it _____ for me to _____ your _____ means of _____ measures?

Can _____ tell _____ I can _____ involved in _____ efforts?

How can I contribute to _____ means ofnsulating _____?

_____ to _____ measures?

I want _____ be _____ part _____ your _____.

_____ may contribute to _____ by means ofnsulating materials andweather resistant _____?

Is there any _____ on _____ apply _____ that _____ on insulation and weatherization?

_____ can I _____ with _____ efficiency project _____ focuses _____ and weatherization?

Can _____ become involved _____ efficiency _____?

_____ should I get involved _____ insulation _____ weatherization _____?

_____ participate in your insulation _____ initiative?

I would _____ the _____ efficiency _____ insulation and weatherization efforts.

What's the _____ of yours for savin' _____ insulation?

_____ want to be _____ program.

_____ should I _____ your _____ weatherization efforts?

_____ I can get involved _____ the insulation _____ weatherization program.

_____ I be involved _____ effort?

Is there _____ information you _____ your _____ saving _____ insulation _____ weatherization measures?

Is _____ campaign _____ energy saving _____ and _____?

_____ want to get _____ with your _____ efforts.

Is _____ possible for _____ to be _____ in _____ to enhance energy _____ through _____?

Join _____ efficiency program _____ and _____.

_____ I be involved in your project _____?

_____ opportunities _____ to get _____ in the _____ and _____ endeavor?

Can _____ the steps _____ in _____ program that promotes energy efficiency with _____ and _____?

_____ person _____ involved _____ efficiency through insulation and weatherization _____.

_____ you _____ how to _____ involved _____ weatherization efforts?

_____ know _____ to _____ for an _____ efficiency program _____ focuses _____ insulation _____ weatherization?

_____ do _____ with your insulation _____?

_____ person _____ participate in _____ efficiency _____ insulation and weatherization _____.

_____ would like to participate in the _____ efficiency _____ insulation _____.

Is there a way _____ to _____ insulation _____ weatherization _____?

Is _____ can give _____ your _____ energy saving with _____ and _____?

_____ initiative that promotes energy efficiency through _____ and weatherization?

How can _____ efficiency _____ measures?

_____ join the insulation _____ initiative?

Is there information _____ can give _____ campaign _____ with insulation and _____?

_____ there _____ for _____ your insulation and weatherization _____?

I want to help _____ efficiency _____ on _____ weatherization.

_____ want to _____ part _____ program focused on _____ insulation _____ weatherization.

_____ should _____ to your promotion _____ energy _____ insulation and _____?

Is it _____ to _____ part _____ focuses on energy efficiency through insulation _____ weatherization?

Is it possible for _____ help implement insulation _____ and _____ usage _____ of _____?

_____ with _____ Weatherization project?

_____ join your program _____ and weatherization?

_____ join your _____ that _____ on insulation and _____.

_____ interested in _____ program _____ promotes _____ by weatherizing buildings.

There _____ a program _____ energy efficiency _____ weatherization.

Is _____ possible _____ part in _____ insulation _____ weatherization _____?

_____ I do _____ get involved in the program _____ weatherization?

You have _____ effort program.

_____ become involved in your insulation and _____?

Is it _____ to _____ part of the _____ effort _____ insulation _____ weathering?

_____ can you _____ in _____ endeavor to _____ energy _____ effective _____ and weatherization _____?

I _____ interested in _____ energy efficiency program _____ on _____ weatherization.

Information on _____ promoting energy _____ and weatherization measures?

_____ it _____ to _____ improvement _____ by engaging _____ your advocacy for better building insulation?

_____ to get involved _____ insulation _____ weatherization project?

What can _____ do _____ your effort to increase _____ weatherizing methods?

How _____ your program _____ energy efficiency through insulation _____ techniques?

_____ possible _____ to _____ venture _____ of insulation materials _____ resistant measures?

_____ I get _____ weatherization project?

Can _____ join the _____ weatherization?

Is _____ possible _____ someone like _____ to _____ with _____ that _____ energy _____ through weatherizing methods?

_____ possible _____ to the venture _____ of insulating materials and weather-resistant _____?

Which steps should _____ take to _____ your _____ effort?

_____ can a person _____ to _____ efficiency _____ insulation and _____?

What _____ I do _____ help promote _____ weatherization _____?

_____ with _____ energy efficiency project that focuses _____ insulation and _____.

_____ contribute _____ wherever possible, can you suggest _____ participate _____ insulation and _____?

Is it _____ to _____ the _____ and weatherization _____?

Can _____ program _____ use _____ and weatherization?

A _____ can _____ in _____ weatherization methods organized _____ your _____.

Let me join the _____ contains _____ and _____.

_____ it possible for someone _____ your program _____ promotes energy efficiency using weatherizing _____?

_____ I _____ part _____ the _____ efficiency _____ focuses _____ insulation and weatherization?

_____ I help in _____ to increase energy _____ with _____ methods?

_____ it possible _____ could join _____ weatherization _____?

Is it _____ be part of _____ program _____ promotes _____ efficiency by _____ weatherizing _____?

_____ would like _____ save electricity _____ insulation and weatherizing.

_____ it possible _____ contribute _____ your venture by _____ of insulating _____ resistant measures?

I need your _____ in _____ weatherization _____.

_____ it possible for _____ like me to _____ of _____ program that _____ energy _____ using _____?

Is there a _____ can help _____ weatherization _____?

_____ would _____ to _____ the energy-savin' _____ with _____ insulation and _____.

I _____ like to _____ to _____ my weatherization efforts.

_____ information _____ can give _____ your campaign _____ with insulation and weatherization?

_____ can we _____ to engage in your _____ to _____ efficiency _____ use _____ weatherizing methods?

I would _____ the steps _____ to _____ program _____ promotes _____ efficiency with insulation and _____.

Is it _____ join _____ program with _____ and weather _____?

_____ to take steps _____ effective insulation and weatherization?

_____ possible _____ someone _____ in your program that promotes energy efficiency by _____ weatherizing _____?

Is it _____ for me _____ help implement _____ improve _____ patterns as _____ of your _____?

How can _____ join _____ program _____ insulation and weatherization?

I _____ in _____ program _____ promotes saving electricity by _____.

_____ can you engage in _____ endeavor _____ conserve _____ and weatherization _____?

I'm _____ in _____ program that encourages _____ by _____ buildings.

I want _____ your _____ efficiency program which is _____ weatherization.

How do _____ join the program _____ and _____?

_____ assist with my _____?

_____ for _____ like me _____ be part _____ that promotes _____ efficiency via insulated and _____ methods?

_____ it _____ to _____ your _____ by using insulating materials _____ resistant _____?

Is _____ a _____ I can _____ and _____ in _____ energy efficiency program?

_____ could _____ get involved _____ your _____ increase _____ efficiency with _____ weatherization?

How can I _____ that _____ efficiency through _____?

Is it possible _____ me to _____ program?

How _____ join your _____ if I want to learn _____?

____ it ____ me to ____ your venture by ____ ofnsulating ____ and weather-resistant ____?
 ____ can a ____ take ____ efficiency through insulation ____ weatherization?
 How do I ____ in the ____ for ____ efficiency ____ and ____?
 ____ possible for someone ____ me to be ____ your ____ promotes energy ____ through ____ methods?
 Did you know ____ the ____ promotes energy ____ with ____ and ____?
 ____ want ____ your energy efficiency program to ____ and ____.
 ____ be ____ in ____ effort to enhance energy ____ better ____?
 Is ____ for ____ participate in ____ enhance energy efficiency through insulation ____ weatherization ____?
 What can be ____ conserve energy ____ and ____?
 ____ can I get ____ insulation and ____ part of ____ efficiency?
 ____ would ____ to ____ your program for ____ weatherization.
 ____ possible ____ to contribute ____ the improvement ____ usage by engaging ____ your advocacy ____ improved building ____?
 ____ steps required to participate in your program that ____ efficiency ____ and weatherization.
 Is ____ possible for ____ project to enhance ____ through insulation ____ weatherization?
 Are there ____ to ____ involved ____ weatherization endeavor?
 Can ____ join your ____ and ____?
 How ____ person ____ their part ____ encouraging energy ____ weatherization ____?
 Is ____ possible to ____ program ____ weatherization?
 ____ can ____ join a ____ focuses on insulation ____?
 Let ____ the ____ program that has ____ and ____.
 How ____ to the improvement ____ energy usage ____ advocacy for ____ insulation?
 I am ____ in ____ efficiency ____ through ____ and weatherization.
 Is it ____ for ____ participate in ____ initiative ____ increase energy efficiency ____?
 Can ____ help my ____ be ____ efficient with ____?
 Are you able to ____ through ____ and weatherization?
 ____ about that ____ program of ____ for ____ using ____ and ____?
 Ways to promote ____ insulation?
 ____ in your efficient energy program ____ insulation ____ other activities.
 ____ there a way ____ me to ____ the program ____ energy?
 I want to ____ your ____ through insulation ____ weatherizing.
 ____ want to ____ promotion of ____ through insulation and ____ so ____ should I ____?
 What can ____ increase energy efficiency through ____ of insulation ____?
 How do ____ your ____ that promotes ____ efficiency ____ insulation ____ weatherizing ____?
 ____ can ____ get involved in ____ that focuses ____ and ____?
 ____ contribute ____ the weatherization ____?
 ____ you tell me ____ get ____ the ____ efforts?
 I ____ in ____ to ____ efficiency with insulation and weatherization ____.
 ____ I do to ____ your advocacy for ____ building ____?
 ____ get involved ____ the insulation and weatherization ____?
 I ____ participate ____ program that ____ energy efficiency through insulation ____.
 ____ it possible ____ in the ____ effort ____ energy efficiency ____ insulation ____ weathering.
 How can ____ your endeavor ____ ofnsulating materials ____ measures?
 Is it possible ____ be involved in ____ efficiency through ____ and weatherization?
 Is ____ me to be involved in implementing ____ part ____ a ____?
 ____ can ____ appreciated by your ____ of ____ energy efficacy ____ insulation and ____ approaches?
 Would ____ possible to participate ____ effort to increase ____ through ____ and ____?
 ____ possible to ____ me about your campaign ____ with ____ and weatherization ____.
 Looking ____ contribute ____ wherever possible, can you ____ ways ____ in insulation ____ weatherization ____?
 Is ____ possible for ____ to get ____ in ____ of insulation ____ part of ____ campaign?
 ____ are ____ should take ____ participate in the ____ and weatherization ____?

_____ I _____ your weatherization _____ program?

Is _____ possible _____ someone _____ involved _____ your _____ that promotes energy efficiency via _____?

A _____ help encourage energy _____ insulation and weatherization _____.

Is it possible for me to _____ in your _____ to _____?

Is _____ on _____ application process _____ the energy efficiency _____ that focuses _____ and _____?

_____ like _____ know _____ I could help you _____ efficiency with _____ methods.

_____ to _____ on _____ insulation and _____ initiative.

_____ my household _____ insulation _____ efforts?

_____ I _____ a _____ that supports insulation _____?

_____ would _____ part of the weatherization program.

Are I _____ to join _____ weatherizing?

Is there _____ way _____ me _____ and _____ initiatives?

I _____ to be part of the _____ through _____ and weatherization.

_____ a fancy _____ yours _____ savin' _____ using insulation and _____?

How _____ I be _____ part of _____ endeavor to increase _____ efficiency _____?

_____ it _____ get involved in _____ and weatherization _____?

_____ like to _____ promotes saving _____ by weatherizing buildings.

_____ be _____ to _____ people _____ use insulation and _____ methods _____ energy efficiency?

Can you help _____ and _____?

How can _____ get involved _____ your insulation _____?

_____ can _____ join a _____ that promotes _____ weatherization?

_____ can you engage _____ effort to conserve _____ insulation _____?

_____ the _____ that has insulation _____ weather treatments?

Is it _____ someone like me to be _____ of _____ that encourages _____ weatherizing _____?

Can _____ become _____ energy _____ project?

_____ someone like me to participate in _____ program that promotes _____ using weatherizing _____?

How _____ you engage _____ endeavor _____ energy _____ effective _____ weatherization techniques?

_____ like to _____ in the _____ you offer.

Is _____ a way I _____ be _____ efficiency program?

How do _____ join _____ program _____ weatherization?

_____ for me to help _____ techniques _____ improve energy _____ patterns _____ venture's sustainable campaign?

How _____ help _____ through effective _____ and weatherization?

_____ like to know how I can participate _____ endeavor focused _____ efficiency with _____ and _____.

_____ can _____ contribute _____ the _____ initiative?

Can _____ work with _____ energy efficiency _____ insulation _____ weatherization?

_____ involved in the weatherization _____?

_____ help me _____ insulation _____ weatherization project?

How _____ to _____ insulation measures?

Is _____ information _____ your energy _____ that focuses on insulation and weatherization?

Is it possible _____ an _____ to _____ through insulation _____ weathering?

Can _____ in your _____ efficiency _____?

Did _____ that you are _____ a campaign _____ saving with insulation _____?

How _____ become involved in _____ and weatherization _____?

_____ tell me how _____ be involved _____ the program _____ promoting insulation _____?

_____ join the _____ program?

Can _____ join _____ house more efficient _____ better insulation?

Is _____ possible _____ join _____ program _____ insulation and _____?

_____ do _____ involved with the _____ efficiency project _____ on _____ weatherization?

_____ possible for me to _____ in the _____ that _____ efficiency _____ and weatherization?

How _____ I become _____ the _____ weatherization initiatives?

_____ promote energy _____ through insulation _____ what can _____ do _____?
 If _____ to join _____ program _____ energy _____ and weatherizing techniques, _____ should I _____?
 _____ part of a _____ project?
 Are you _____ in _____ in _____ campaign _____ energy saving _____ insulation _____ measures?
 Ways _____ promote _____ measures?
 _____ to contribute _____ wherever _____ suggest ways _____ me _____ in weatherization efforts?
 What _____ do _____ support the promotion of _____ insulation _____ weatherization _____?
 Is it _____ to _____ the program about _____ through insulation _____ weatherization?
 How can _____ join the _____?
 _____ can _____ involved _____ your _____ that _____ insulation and weatherization tactics?
 Is _____ me _____ help _____ insulation _____ and improve energy usage _____ project?
 _____ can _____ participation be appreciated by _____ for enhancing _____ weatherizing approaches?
 What steps should _____ to _____ your insulation and _____?
 _____ your program _____ weatherize?
 _____ to participate in _____ endeavor _____ on increasing _____ efficiency _____ insulation and weatherization methods.
 _____ want _____ join your _____ encourages _____ electricity _____ insulation _____ weatherizing buildings.
 I _____ like _____ the _____ encourages saving electricity through _____.
 Can _____ household help with _____ insulation _____?
 _____ want to _____ your insulation and _____ initiative.
 I am _____ energy efficiency _____ to _____ insulation and _____.
 Can _____ join _____ energy efficiency?
 What _____ the _____ yours for savin' energy using _____ weatherproofing?
 Is it _____ to _____ your venture _____ materials and weather-resistant _____?
 _____ possible _____ in a program _____ efficiency _____ insulation and weatherization?
 _____ can I do _____ get involved _____ insulation _____ efforts?
 How should _____ the _____ to _____ energy _____ through insulation _____ weatherization?
 Is _____ on _____ application process for _____ energy _____ that _____ insulation and _____?
 _____ join _____ energy _____ that _____ on insulation and weather?
 Can I participate _____ and _____ program?
 _____ possible _____ me _____ be _____ in the initiative aiming _____ efficiency _____ and weatherization work?
 _____ need _____ know _____ get involved _____ the insulation and _____.
 _____ should _____ to _____ insulation and weatherization effort?
 Are _____ opportunities for involvement _____ insulation _____ project?
 _____ energy efficiency program through insulation _____ weatherization.
 Can you _____ weatherization program?
 _____ I _____ involved with _____ program _____ promotes _____ and weatherization?
 _____ you _____ fancy _____ for savin' energy _____ and weatherproofing?
 _____ could _____ involved _____ your _____ to increase energy efficiency with _____?
 Can I _____ efficiency _____
 I _____ join your _____ via insulation and weatherizing buildings.
 There _____ a _____ that _____ at energy efficiency through _____.
 I _____ like _____ the _____ that helps _____ electricity by _____.
 Is it _____ be _____ the weatherization program?
 _____ any information on _____ process for _____ efficiency _____ that deals with _____ and _____?
 How _____ I _____ involved in _____?
 _____ to _____ energy efficiency wherever possible, _____ you _____ me _____ participate _____ and weatherization efforts?
 Is _____ possible _____ join _____ energy _____ weatherizing.
 _____ you suggest ways _____ efficient _____?
 _____ possible for me to _____ the insulation _____.
 How do I get involved _____ the _____?

_____ I get _____ with the _____ weatherization _____?

Is it _____ someone _____ participate _____ program that _____ energy efficiency _____ weatherizing methods?

_____ it possible _____ someone like me to _____ of _____ program _____ energy _____ through weatherizing _____?

Is _____ possible _____ me to be _____ of the _____ improve _____ efficiency _____ weatherization work?

_____ possible that _____ contribute _____ your _____ by _____ materials and weather-resistant measures?

_____ in _____ program that promotes insulation _____ weatherization as _____ energy efficiency?

Can I join _____ program _____?

How do _____ program _____ provides insulation _____ weatherization?

Is it _____ to _____ venture _____ of _____ materials and weather resistant _____?

_____ do I join _____ energy _____ program _____ and insulation?

Can _____ join _____ insulation?

_____ it _____ can join _____ program _____ weatherizing?

_____ way I _____ part _____ the program that focuses on _____ through _____ and weatherization?

_____ it _____ to _____ the insulation and weatherization _____?

_____ tell me _____ I can get _____ for promoting insulation _____ weatherization?

_____ it possible to have _____ part _____ installation of _____?

_____ it _____ for me to help _____ effort to _____ energy _____ insulation _____?

Does it _____ for _____ to _____ effort?

_____ it _____ for _____ to _____ in implementing _____ part _____ the venture's sustainable campaign?

What _____ take to _____ in _____ insulation and _____ effort?

How should I _____ in _____ efficient _____ insulation and _____?

Can _____ join _____ insulation _____?

_____ your _____ savin' _____ using insulation and waterproofing?

Is _____ possible for _____ in your _____ and weatherization _____.

Is there _____ way I can _____ energy _____?

How should I participate in _____ efficient _____ that _____ weatherproofing?

_____ in the insulation _____ weatherization initiative?

_____ I _____ part _____ the efficiency _____?

If _____ contribute to _____ energy efficiency through _____ and weatherization, what _____ I take?

_____ a _____ in encouraging energy efficiency _____ insulation and weatherization _____?

_____ want to _____ insulation and _____ in your _____.

_____ possible for me to _____ your _____ weatherization?

_____ for a _____ to be _____ of your program that _____ efficiency _____ weatherizing methods?

I _____ join _____ program that deals _____ weatherization.

Will _____ of _____ weatherization program?

_____ you _____ involved _____ program for promoting insulation _____ weatherization?

How are you _____ through _____ and weatherization?

_____ I _____ part in _____ effort?

I _____ know how to _____ weatherization efforts.

_____ am _____ the steps _____ to _____ in your program that promotes energy _____ weatherization.

_____ I do to participate in _____ insulation _____ effort _____ promotes _____?

Is it _____ for _____ like me _____ a part _____ your _____ that _____ energy _____ via _____?

_____ joining _____ energy-savin' program that _____ weather treatments?

_____ and _____ can _____ used _____ join the _____ efficiency _____.

_____ want _____ be _____ the insulation and weatherization _____.

_____ way _____ me _____ support the _____ and weatherization program?

_____ get into _____ efficiency program?

The program _____ energy _____ through insulation and _____.

Can _____ join the _____ and _____?

Can _____ how _____ be involved _____ your weatherization _____?

Is _____ possible _____ me _____ involved _____ insulation _____ as part _____ the project?

If _____ want _____ be involved in _____ promotion _____ efficiency _____ insulation _____ steps _____ I take?

I _____ to _____ steps required to participate _____ your _____ energy _____ with insulation and _____.

How _____ promote energy efficiency through weatherization _____?

_____ you _____ how _____ be _____ in weatherization efforts?

_____ to increase _____ insulation and weatherization methods.

_____ wish _____ the _____ for weatherizing.

What should I do _____ the _____ energy program _____ insulation and _____?

Are you _____ to _____ with _____ weatherization initiative?

Is _____ me to be involved in _____ techniques as _____ of _____ sustainable development?

_____ need to _____ your _____ and _____ initiative.

_____ there a _____ for me _____ help with the energy efficiency _____?

_____ your _____ engaging in your _____ weatherization initiative.

Can _____ the insulation _____ weatherization program?

Can _____ to join the _____ efficient program?

_____ that fancy _____ yours for savin' energy _____ and weatherproofing?

_____ could _____ in your _____ energy efficiency with weatherization _____?

How can I _____ with _____ deals _____ insulation _____ weatherization?

_____ in _____ your _____ efficiency program that _____ insulation and _____.

How _____ I get involved _____?

I want to _____ by means _____ insulated _____ and weather _____ measures.

_____ want _____ to _____ promotion of _____ through insulation _____ weatherization

The campaign's _____ to enhance energy efficacy _____ weatherizing _____.

How can _____ involved in _____ project _____ and weatherization?

I _____ to _____ with _____ insulation and _____ efforts.

_____ possible for _____ me _____ part of a _____ that _____ efficiency through insulation _____ weatherizing methods?

Can I _____ weatherization _____ program?

_____ can a person _____ the weatherization methods _____ by _____?

_____ should _____ your efficient energy program _____ includes insulation _____?

_____ should _____ to participate _____ the _____ and weatherization _____?

Can I _____ your _____ home?

Information _____ in _____ campaign for _____ and weatherization measures?

_____ do _____ the insulation _____?

_____ someone like me _____ be a part _____ program that _____ using _____ and weatherizing methods?

_____ in getting better insulation for _____ home?

_____ like _____ join your program _____ electricity by weatherizing _____.

_____ can I join _____ energy efficiency _____ that _____ insulation _____?

I would _____ in _____ initiative.

How _____ person be involved _____ through weatherization methods _____ by your _____?

_____ be _____ your efforts to weatherize?

I would _____ to _____ how _____ get _____ your _____ to promote _____ and _____.

What are _____ you can take to _____ energy _____ through _____?

_____ would _____ the program _____ and weather treatments.

Is it _____ for someone _____ me to be _____ of _____ encourages _____ via _____ methods?

I _____ know _____ to get involved in _____ to _____ and _____.

_____ do _____ get involved _____ insulation and weatherization _____?

_____ you help _____ and weatherization?

_____ that _____ be _____ part of the weatherization program?

_____ possible _____ someone _____ me _____ be _____ a _____ that promotes _____ efficiency via weatherizing _____?

I _____ join _____ insulation _____ efforts.

I want to participate ____ a ____ energy ____ through ____ weatherization.
____ it possible ____ me ____ involved in your effort ____ energy efficiency ____ ?
____ about ____ fancy ____ for savin' ____ insulation and ____ ?
____ you do ____ the ____ of ____ and ____ methods in ____ to increase energy efficiency?
____ I be ____ the ____ of making my ____ efficient ____ insulation?
Is ____ feasible for ____ to ____ weatherization ____ ?
Should I ____ energy efficiency ____ focuses ____ and weatherization?
____ involved in the endeavor focused ____ increasing energy ____ insulation ____ methods?
____ join ____ program for weatherizing?
How ____ become involved ____ project ____ deals with ____ weatherization?
How ____ I become ____ of ____ efficiency ____ ?
____ you suggest ways ____ get ____ in insulation ____ ?
Can ____ I can participate in your program to ____ insulation ____ weatherization?
Can I ____ on ____ ?
How can I ____ involved with ____ project ____ focuses ____ ?
I ____ with the energy efficiency ____ focuses on ____ weatherization.
Can ____ in ____ insulation ____ effort?
____ it possible that ____ may ____ to your venture by ____ measures?
Is there a ____ that ____ contribute to the ____ ?
Is ____ to ____ a part of the installation ____ energy efficiency ____ weathering?
____ it ____ I join ____ program ____ weatherize?
I want ____ join the program ____ insulation ____ .
I wonder ____ for ____ to participate ____ the ____ program.
____ me about your ____ energy saving with insulation ____ .
____ you tell ____ to ____ the ____ and weatherization efforts?
____ your ____ to ____ efficiency ____ the use of insulation and weatherization methods?
Can you ____ I ____ join the ____ on insulation ____ weatherization?
____ wonder ____ the insulation and weatherization initiative?
____ appreciated ____ the campaign's goal of ____ efficacy ____ insulation and weatherizing ____ ?
____ it possible ____ myself ____ your weatherization ____ ?
Can ____ get ____ with the ____ making ____ with better insulation?
How ____ get involved ____ initiatives?
Can I join ____ ?
Can i ____ program ____ weatherizing?
____ you ____ joining that fancy program for ____ using insulation ____ ?
Are there ____ for you ____ part in the ____ ?
____ can I ____ with ____ that focuses on ____ weatherization?
How ____ become involved with the ____ focuses on ____ ?
____ would ____ how ____ get involved ____ your program ____ promoting ____ and weatherization.
How can we ____ ?
How ____ I get ____ and weatherization initiative?
Is it ____ be ____ and weatherization program?
____ i promote efficient ____ ?
How ____ involved in ____ for promoting ____ and weatherization?
How ____ be involved in ____ ?
____ possible for me ____ a ____ of your ____ enhance ____ through insulation and weatherization?
____ like ____ get involved in ____ weatherization ____ .
How ____ I ____ up ____ the ____ saving ____ ?
____ can I ____ involved ____ your energy efficiency ____ focuses ____ weatherization?
____ do you ____ promote ____ part of energy efficiency?

_____ to know _____ to _____ involved with the _____ program.

Tell me about the application _____ the _____ efficiency _____ that _____ on _____.

Can I get _____ your effort _____ energy _____ better insulation _____ methods?

How _____ with _____ energy efficiency _____ that _____ insulation _____ weatherization tactics?

How _____ involved in _____ insulation _____ weatherization project?

_____ am curious _____ the _____ to participate _____ your program that _____ energy _____ with _____ and _____.

What _____ for savin' _____ using _____ and weatherproofing?

_____ that I may contribute to your venture by _____ of _____?

Can _____ join your _____ to _____?

Are there _____ opportunities _____ in your _____ and weatherization _____?

Joinin' that _____ for savin' energy _____ and _____ the deal?

What _____ you do to engage _____ your _____ to increase _____ efficiency _____?

_____ to join _____ that promotes saving _____ weatherizing buildings.

Is _____ possible for me _____ be _____ in _____ to _____ energy _____?

_____ can _____ energy efficiency through insulation and _____?

_____ possible for _____ to become involved _____ insulation _____ your venture's sustainable campaign?

How can I _____ efforts?

I'd _____ to _____ your _____ initiative.

_____ can _____ to _____ the _____ of insulation _____ weatherization?

_____ it possible for _____ person _____ to _____ part _____ a program that _____ energy efficiency _____?

_____ I join the _____ project that _____ insulation _____ weatherization?

I would like to _____ your program to _____.

_____ endeavor focused on increasing energy _____ insulation _____ weatherization.

Can you help _____ involved in _____?

_____ possible _____ someone _____ me to _____ a part of the _____ energy _____ weatherizing methods?

I would like to contribute _____ your _____ materials _____ measures.

How _____ I _____ a _____ that promotes _____ through _____ and _____?

What _____ done _____ engage with _____ to _____ energy _____ by using insulation _____ weatherizing _____?

How _____ I go about _____ program _____ promote energy efficiency _____?

_____ you help _____ insulation _____ weatherization _____?

_____ to _____ on improving energy _____ through insulation and _____ work?

_____ opportunities _____ you to get _____ your insulation _____ endeavor?

Can you _____ ways for me _____ insulation _____ efforts?

_____ in your _____ conserve energy through _____ weatherization techniques?

_____ can do _____ encourage energy efficiency through weatherization _____?

_____ me _____ the _____ includes insulation _____ weather treatments.

_____ do _____ promote _____ insulation _____?

_____ do _____ involved _____ your weatherization _____.

How should _____ insulation measures?

How _____ I _____ involved _____ insulation _____?

I want to _____ your _____ through insulation _____ what steps should I take?

_____ would _____ participate _____ your _____ focused on _____ energy _____ with insulation _____ weatherization _____?

_____ can _____ get involved with _____ that _____ energy efficiency _____ weatherization?

_____ possible for me to _____ in _____ implementation _____ and improvements to energy usage _____?

I _____ love to join _____ program _____.

Is it _____ for _____ to get involved _____ implementing _____ energy _____ patterns as _____ of _____ venture's _____ campaign?

How can _____ in the _____ program?

Do _____ have _____ the _____ process _____ efficiency program _____ focuses on _____ and weatherization?

_____ there any opportunities _____ in _____ insulation and _____ project?

_____ to join _____ energy program for _____?

_____ can you engage _____ is dedicated to _____ energy efficiency _____ of insulation?
_____ be part _____ your effort to increase energy efficiency _____ insulation and _____?
Is _____ for me to _____ a weatherization _____?
Is it possible _____ me _____ involved _____ the _____ of _____ techniques and improvements _____ usage _____?
_____ involved _____ making my house _____ with better insulation?
Are _____ for you _____ be involved _____ insulation _____ weatherization _____?
_____ it possible for me to _____ with _____ to _____ insulation and _____?
How do I get _____ increase _____ efficiency _____ and weatherization?
_____ your endeavor _____ on increasing energy efficiency _____ insulation _____ weatherization methods?
_____ you _____ to join your _____ for _____?
_____ I _____ in _____ insulation _____ project?
_____ I _____ to help the promotion of _____ efficiency through _____?
Can _____ new insulation _____ project?
_____ should _____ to _____ the insulation and _____ initiative?
_____ can _____ get involved _____ your _____ insulation and weatherization?
Is _____ way _____ to support _____ weatherization work?
Is it possible for my _____ join _____?
_____ it possible for _____ to be a _____ the initiative to _____ through _____ and _____?
How can I be _____ campaign's goal _____ insulation and weatherizing _____?
_____ I _____ join your program _____ efficiency _____ weatherizing, _____ should I do?
_____ there a way _____ can _____ the program _____?
How could _____ the endeavor _____ increase energy efficiency _____ weatherization?
_____ about participating _____ a campaign promoting _____ with _____ measures?
