

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Guidance on energy-saving tips
Inquiry Sub-Category	Home energy audits
Description	Customers interested in scheduling an energy audit to identify areas of improvement in their homes' energy efficiency.
Data Size	6,584 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

____ you ____ residential properties' ____ usage ____ save power?
____ you work ____ analyzing ____ gas consumption ____ energy ____?
Would ____ gas use to save power?
Helping house gas usage _____.
____ you support ____ power consumption from natural ____?
____ it possible to ____ studying ____ gases?
How about checking ____ cut ____ gas?
When it comes ____ effectively homes ____ gas, do ____ assistance?
Can ____ with analyzing household ____?
____ through ____ of ____ gases used?
Can ____ of natural ____ use in homes?
____ have ____ interest in ____ through residential gas use ____?
____ can be analyzed to help conserve ____.
Can I use ____ help to ____ how ____ power ____ their ____ supply?
Can you ____ gas ____ properties?
Are ____ lower power by ____ gases used?
____ the ____ of ____ gas consumption ____ determine power-saving potential?
Are ____ assess ____ natural gas ____ patterns ____ help with ____ efforts?
Do you ____ natural gas consumption ____ energy ____?
____ analysis ____ gas use in homes?
____ you willing to ____ with analyzing ____ consumption ____ saving ____?
____ it ____ to reduce power ____ you look at ____?
Are you able to ____ for analyzing ____ in ____?
I need help with ____ of home's ____ use _____.
____ analyze power-wasting ____ homes?
____ can ____ energy-saving methods for ____?
Need ____ energy by ____ gas
____ willing ____ of domestic ____ consumption from natural gas sources?
____ you ____ in the evaluation of ____ natural ____?
____ natural gas usage for power ____?
Do you help ____ for residential ____?

Do you provide _____ to analyze _____ use _____?
 _____ help assess natural _____ in residential _____?
 _____ think to _____ homes' gas usage for _____?
 _____ at gas _____ in homes to _____ power?
 _____ help calculate power-saving potential by _____ household _____?
 _____ you _____ gas consumption for energy saving _____?
 _____ you _____ consumption in homes?
 _____ there assistance with _____ gas _____ in _____?
 _____ you help us study _____ natural _____ home?
 Is there anyone _____ can _____ assess _____ use for energy _____?
 Do _____ with _____ in homes?
 _____ you _____ household natural gas consumption in _____ energy _____?
 Do you offer support _____ how well homes use _____?
 Do you _____ to analyze homes' _____ energy _____?
 Is _____ any _____ you offer _____ it _____ to evaluating how effectively _____?
 Is _____ wise _____ home gas _____ conserve _____?
 _____ want _____ help people _____ by _____ their gas usage?
 _____ I use your help to figure _____ much power _____ used _____ households _____ their _____?
 Assistance _____ to study _____ minimize _____ of natural gas _____ home.
 _____ help _____ gas consumption of _____?
 _____ you _____ services _____ analyze the _____ of natural _____ home?
 Do you _____ with _____ natural _____ usage _____ home?
 _____ to help evaluate household _____ gas _____ to _____ efficiency.
 Is it possible to assess _____ for _____ savings?
 _____ it possible _____ understand gas _____ in _____ conserve power?
 _____ gas _____ for energy savings.
 _____ company able to _____ the _____ of _____ wasted by homes _____ gas?
 _____ home-based _____ gas utilization for improved energy management?
 Willpower _____ by examining houses' use _____?
 _____ natural _____ use for _____ savings?
 How _____ reduce _____ by _____ gases?
 _____ you _____ to _____ household natural _____?
 Are _____ to _____ the use _____ natural _____ the home?
 Residential properties' _____ usage _____ analyzed _____ power saving _____.
 _____ it _____ analyze gas use _____ to conserve power?
 Helping _____ houses' natural gas.
 Help _____ by _____ natural gas _____ house.
 When _____ to evaluating _____ homes _____ natural gas, do _____ any _____?
 _____ gas usage in _____ to help conserve _____?
 _____ possible _____ to _____ natural gas usage to promote energy _____?
 _____ you provide _____ residential _____ consumption?
 _____ power through _____ gasses _____?
 _____ you _____ assess _____ natural gas _____ for _____ management?
 Is there _____ home _____ natural _____ utilization _____ better energy management?
 Is it possible _____ analyze _____ ways for _____?
 _____ research home _____ to conserve _____?
 _____ help analyze natural gas _____ in _____?
 _____ assess _____ of electricity _____ by _____ using natural gas?
 Do _____ gas consumption _____ homes?
 _____ saving be _____ after we _____ houses' _____ natgas?

Do you support _____ achieved by analyzing residential sites' _____ gas _____
 Is there _____ to lower _____ by _____ used?
 Would _____ be interested _____ natural gas utilization for _____?
 _____ analyze _____ natural _____ consumption?
 Is _____ possible _____ support the _____ of _____ homes use their _____ gas?
 Is _____ for your _____ to _____ assess the _____ of electricity wasted _____ homes _____?
 _____ way _____ lower power _____ studying household's gases _____?
 _____ with calculating home's _____ gas use _____ energy _____?
 _____ look _____ usage in homes?
 _____ help in _____ energy by looking at _____ usage _____ homes?
 Do you know how to _____ natural _____ energy _____?
 _____ you support _____ of _____ savings achieved _____ gas usage at _____ sites?
 Do _____ natural gas usage in _____?
 Any _____ assessing home's natural _____ for _____ savings?
 Can you calculate gas _____ homes _____ help _____?
 Are _____ to _____ with the study of potential energy _____ achieved _____ natural _____ usage _____?
 _____ it possible _____ natural _____ in _____ to _____ power consumption?
 _____ homes' _____ for _____ savings.
 _____ it possible _____ company to help _____ the amount of _____ gas?
 Is _____ possible _____ of electricity _____ when homes use natural gas?
 _____ you _____ to _____ use of natural _____?
 Do you _____ gas _____ homes?
 _____ you _____ analyzing natural gas _____ at homes?
 _____ you _____ study natural _____ in homes?
 Can you _____ of gas _____ residential _____?
 Can _____ analyze _____ consumption as _____ energy-saving measure?
 _____ you _____ on household _____ use?
 _____ look at the home _____ to save _____?
 _____ usage could _____ power-saving purposes?
 Are you _____ of _____ in homes?
 Can _____ energy-saving methods _____ the household _____?
 _____ gas usage _____ homes can be _____ to _____.
 _____ me evaluate household _____ consumption _____ promote energy efficiency?
 _____ meters for saving power?
 You _____ want to _____ homes' _____.
 Do you have _____ expertise _____ natural _____ for better _____ management?
 _____ familiar _____ analyzing _____ consumption of _____ with a focus _____ power conservers?
 Do _____ help with _____ usage _____ gas in the _____?
 Are _____ in helping with the evaluation of _____?
 _____ you _____ to analyze _____ properties' _____ natural gas?
 Gas _____ in _____ properties _____ for power-saving purposes.
 _____ you _____ to help in the analysis _____ of natural gas _____?
 _____ there _____ who can help with _____ assessment _____ home's _____ gas _____ savings?
 _____ you help _____ use of natural _____ homes?
 Do _____ work _____ gas _____ patterns _____ helping with _____ saving efforts?
 _____ you _____ evaluate household natural gas _____ to _____ efficiency?
 Are you _____ to _____ the analysis of _____ from _____?
 _____ able _____ evaluate _____ usage for _____?
 _____ helping _____ power consumption _____ looking _____ natural gas usage?
 _____ you interested in _____ use for energy _____?

_____ you interested _____ studying _____ gas usage for _____ saving _____?

Are you _____ analyzing _____ consumption for _____ saving _____?

_____ you considered analyzing _____ houses to save _____?

_____ you analyze _____ in homes _____ conserve power?

_____ about _____ gas data for _____ savings _____?

_____ possible _____ you to study _____ gas _____ conserve energy?

_____ company might be _____ to _____ assess _____ of _____ wasted _____ homes that use _____.

Can _____ help us _____ in our homes?

_____ you able _____ in the analysis of _____ usage in _____?

_____ you _____ folks _____ power by _____ gas _____?

_____ _____ with studying _____ gas use in the _____?

_____ you _____ your company _____ assess the _____ electricity wasted _____ homes _____ natural gas?

_____ it possible to analyse _____ for _____ properties _____ measure?

Are you _____ analyzing the consumption _____ focus _____ power saving in _____?

_____ to analyze _____ usage in _____ to save _____

_____ it _____ power _____ by evaluating natural _____ use?

Is it _____ study household _____ to _____ energy?

_____ to analyze the use _____ gas _____ residential buildings?

Are _____ able to assist in _____ analysis of the use _____?

_____ home's _____ for energy _____.

_____ it _____ to help _____ use in homes _____ power?

_____ able to _____ with the analysis of residential _____ gas usage _____ goal _____?

_____ you _____ assessing _____ use to promote energy _____?

_____ with studying _____ natural gas _____.

_____ services for _____ the usage of natural _____ homes?

_____ help _____ save their _____ studying _____ gas usage?

Will _____ analysis _____ households' gas consumption?

_____ you help _____ our _____ gas consumption?

Can you _____ gas _____ in _____?

_____ a helping hand _____ gas consumption of residential _____?

Do _____ work _____ gas _____ for _____ savings in _____?

_____ we help _____ through _____ analysis?

Are you _____ natural _____ usage for energy _____?

You _____ support _____ natural _____ use _____.

_____ you _____ assessment of _____ gas usage in residential _____?

Can _____ with _____ use of natural gas _____?

Is it possible for you _____ evaluate household natural _____?

Can you help _____ power _____ gas _____ home?

Should you _____ involved _____ potential energy _____ achieved _____ analyzing _____ gas usage _____?

_____ is _____ to help _____ gas use _____ homes to _____.

_____ your services _____ natural _____ use at homes?

Do _____ assessing natural _____ usage in residential _____?

Do _____ support the evaluation _____ how effectively _____ home _____ natural _____ how energy-saving _____?

Do _____ assistance _____ assessing _____ natural gas _____?

Analyze gas _____ energy savings.

_____ it comes _____ evaluating how _____ natural gas, do you _____ help?

Can I _____ to _____ much power _____ use _____ their natural _____ supply?

Can _____ me analyze _____ homes?

Analyze _____ homes' _____ usage for _____

_____ help _____ study of _____ gas usage?

____ you need help ____ gas analysis?
 ____ you ____ to ____ part in ____ of potential energy ____ achieved by ____ natural gas ____ patterns?
 ____ it ____ evaluate ____ for household gas utilities?
 Can ____ help ____ analyzing ____ gas ____ of residential ____?
 ____ investigate the ____ consumption ____ residential properties?
 ____ possible to ____ your services ____ gas ____ at homes.
 Are you ____ to ____ it ____ to evaluating ____ their natural gas?
 I ____ if ____ energy ____ examining ____ gas usage in residential properties.
 ____ there ____ to lower power ____ household's gases?
 ____ to ____ home's ____ gas use ____ energy savings?
 ____ do gas ____ analysis ____ purposes?
 How ____ we lower ____ of ____ gases?
 ____ you know ____ about ____ consumption of natural gas with ____ on ____ power ____?
 Is ____ to ____ natural ____ order to ____ on power consumption?
 ____ you ____ gas to conserve ____?
 ____ into analyzing home ____ conserve power or ____?
 ____ willing ____ analyze natural gas ____ for ____ saving ____?
 Is ____ assessing ____ home's natural gas use?
 Any ____ assessing ____ gas use ____ the ____?
 Will you support ____ of ____ power ____ gas sources?
 ____ you ____ with ____ of ____ gas ____ for ____ saving plans?
 Do ____ like ____ home gas ____ to ____ power?
 ____ you ____ in ____ household ____ use?
 ____ it possible for ____ assess ____ consumption to ____ energy efficiency?
 Can you help ____ power by ____ gas ____?
 ____ gas data for ____ homes.
 Is ____ possible ____ to help ____ understand ____ power households ____ their natural ____ supply?
 ____ you ____ in ____ the use ____ at residences?
 ____ your company help assess ____ by homes using ____ gas?
 ____ possible ____ help analyze gas consumption ____ properties ____ an energy-saving ____?
 Do ____ we ____ analyze homes' ____ for ____ savings?
 Can you ____ by studying their gas ____?
 ____ possible to ____ calculate ____ use in homes ____ save ____?
 Is it possible to ____ evaluating ____ homes?
 Will power ____ be ____ when ____ into ____ of natgas?
 Can you ____ energy by analyzing ____ in ____?
 Do you offer any ____ analyzing the ____ natural ____ in ____?
 ____ saving power ____ gas ____.
 Are ____ to ____ natural gas ____ in residential ____?
 ____ possible ____ natural ____ usage ____ to cut down ____ power consumption?
 Are ____ familiar with ____ consumption with a ____ on residential ____?
 Will ____ contribute to the ____ of potential energy savings ____ usage patterns?
 ____ you try ____ save power ____ usage?
 Do ____ to ____ homes' ____ usage?
 Can you ____ analysis of ____ consumption?
 ____ you able to assist ____ of ____ gas ____ to ____ energy?
 ____ help ____ with ____ analysis ____ consumption for residential properties?
 Is ____ possible ____ look ____ how ____ power is ____ through ____ natural gas ____?
 Do you ____ homes?
 Help ____ residential ____ analysis?

_____ ability to _____ the analysis of _____ natural _____ usage to _____ energy?
 _____ it possible for _____ analyze _____ natural gas in homes _____ energy?
 Did _____ with residential _____ analysis?
 Can you _____ the analysis of _____ homes?
 _____ help to save power by _____?
 Is it _____ energy by _____ gas usage in _____?
 _____ to examine natural gas _____ houses and _____.
 _____ that _____ help evaluate gas consumption _____ homes?
 It's _____ to _____ gas utilization for better _____.
 _____ analyzing the _____ of natural _____ in houses?
 Are _____ calculate _____ gas use _____ save power?
 _____ use can be _____ save _____?
 Do _____ how to _____ natural _____ for _____ energy management?
 Do you support analysis of _____ natural _____?
 Are _____ willing to study _____ to _____ energy?
 _____ support _____ natural _____ use _____ houses?
 _____ analyze _____ natural _____ metering can _____.
 Is it _____ you could support _____ natural _____?
 Is _____ for _____ help me figure out _____ use through _____ natural gas supply?
 _____ it possible _____ help _____ power consumption _____ gas usage?
 Is it _____ to analyze _____ power use?
 _____ help evaluate natural _____ usage _____ residential _____?
 Is it possible _____ save energy _____ natural gas _____ in _____?
 Help saving _____ by studying _____.
 _____ involved in analyzing _____ gas _____ make _____ more energy _____?
 _____ you _____ if _____ help assess home-based natural gas _____ energy _____?
 _____ there _____ you provide for analyzing natural _____ homes?
 Are _____ able _____ natural gas usage _____ the purpose _____ energy saving?
 _____ work with the analysis _____ households' _____?
 _____ you help _____ the analysis _____ gas _____ for energy _____?
 _____ gas _____ could be analyzed _____.
 Do _____ analyze natural gas _____ for plans _____?
 Can you _____ with studying _____.
 _____ gas usage _____ homes to save power?
 Could _____ gas use _____ the house?
 Can you support analyzing _____?
 Do you _____ homes' gas usage _____ savings?
 Are _____ analyze gas _____ of residential properties _____ waste?
 _____ analyzing _____ to conserve power?
 Is there _____ assess _____ natural gas utilization _____ better _____ management?
 Can _____ with residential gas _____?
 _____ you _____ the _____ natural gas in _____ home?
 _____ you _____ in _____ in the home?
 Should your company _____ assess _____ wasted by _____ using _____?
 _____ you _____ assisting in _____ residential natural gas usage to _____?
 Can _____ with residential gas _____?
 Right? _____ homes' gas _____ for _____.
 Is _____ possible _____ you to _____ in _____ gas consumption?
 _____ it possible for _____ offer _____ effectively homes use _____ gas?
 Is it possible _____ help _____ natural _____ for _____ plans?

Assessing home's _____ gas _____ energy _____ is a _____.

_____ it possible for you _____ assist _____ gas _____ homes?

Do _____ support the _____ of potential _____ achieved _____ analyzing _____ on _____ sites?

Did you help _____ gas _____ of _____ homes?

_____ you help to _____ by analyzing _____?

_____ you analyze _____ gas _____ to _____ energy _____ in _____?

_____ capable of analyzing _____ gas usage for _____ purposes?

_____ saving be aided when _____ scrutinize _____ use _____?

Do you _____ their gas usage?

Is _____ you to _____ power _____ residential gas consumption?

Are _____ natural _____ patterns _____ helping with energy savings efforts?

_____ able to assist in _____ analysis _____ use for _____ purpose _____ saving _____?

Is _____ company _____ assess _____ amount of electricity wasted _____ gas homes?

How _____ lower _____ studying household gases _____?

_____ do _____ lower power _____ studying _____?

_____ homes' _____ metering for _____ power?

Should we _____ save power _____?

_____ analyzing home gas _____?

_____ house gas _____ analysis _____ save _____?

Help _____ using _____ analysis?

Should you _____ in _____ study of _____ savings achieved _____ sites' _____ gas usage patterns?

_____ need _____ to determine how much _____ by _____ through _____ gas supply.

_____ it possible to analyze home _____ use _____?

_____ it possible _____ save _____ by _____ gas _____ in _____ homes?

_____ you _____ a service for analyzing _____ of _____ homes?

Is _____ offered _____ evaluating _____ homes _____ natural _____ ensuring that energy-saving _____ are _____?

Is there anyone _____ assess _____ natural _____ use _____ energy _____?

Can you _____ to _____ gas _____ to _____?

_____ save power _____ gas _____?

Do you provide _____ gas usage _____ properties?

_____ residential properties' natural gas use to save _____?

_____ it _____ your company could _____ assess _____ of _____ using natural gas?

_____ you _____ us _____ of _____ wasted by _____ using natural gas?

_____ you want _____ study _____ gas use _____ conserve _____?

Are you _____ with evaluating household _____ gas _____?

Is it possible for _____ by studying their _____ usage?

Help _____ analysis _____ conserve power?

_____ huh? _____ analyze _____ gas use _____ homes.

Do _____ on _____ gas _____ for _____ saving plans?

Do you _____ how to _____ the _____ gas with a focus _____?

Can _____ look _____ the _____ use of natural _____?

_____ you help _____ consumption in _____ properties _____ reduce _____ waste?

_____ able _____ help _____ power through residential gas _____?

Can you help _____ studying _____ to _____?

Is _____ able _____ amount of electricity _____ in _____ using natural gas?

Is it possible to _____ the _____ usage _____ to _____?

_____ possible _____ evaluate _____ usage in _____ to reduce _____ consumption?

_____ analyze natural gas _____ at _____?

_____ you capable of _____ in _____ analysis _____ natural _____ in the _____?

Assist _____ usage analysis to _____?

_____ analysis of _____ data for energy savings _____?
 _____ help _____ residential use _____ gas?
 _____ I get _____ in saving _____ by _____ usage _____ my home?
 _____ you work to _____ natural _____ patterns and assist _____ efforts?
 Is your _____ with _____ the amount _____ electricity _____ by _____ using natural _____?
 _____ experience analyzing the consumption of _____ with _____ on residential _____ initiatives?
 Are _____ willing _____ assist in _____ study _____ savings _____ by analyzing residential sites' _____ patterns?
 _____ to _____ natural _____ usage _____ to cut down _____ power consumption?
 Is _____ possible for _____ to help _____ gas _____?
 _____ house _____ analysis in order _____ power?
 _____ possible to help _____ with residential _____ analysis?
 Can you _____ power by _____ residential _____?
 Can _____ help with _____ analysis _____ gas _____ the _____?
 _____ your _____ assess _____ of electricity _____ by homes using gas?
 Analyze natural _____ houses _____ electricity?
 _____ help _____ analyzing residential _____ consumption?
 _____ save _____ by _____ natural gas at homes?
 Do _____ study of potential _____ savings _____ residential natural gas usage _____?
 _____ energy, huh? _____ use in _____.
 _____ with saving _____ gas analysis?
 _____ help in _____ household _____ use.
 _____ help to _____ natural gas _____ in _____?
 _____ you _____ gas use in _____?
 _____ your help to _____ out how much _____ uses through _____ natural gas _____?
 Can _____ save _____ analyzing gas use?
 _____ you _____ residential _____ usage for energy reduction?
 _____ house gas usage _____ power?
 _____ figure out how much _____ is wasted by _____ gas?
 _____ you _____ the use _____ in homes?
 Will _____ company be _____ to _____ amount _____ electricity wasted _____ homes _____ gas?
 _____ you _____ determine the _____ homes?
 How _____ helping _____ house _____ usage analysis _____ conserve _____?
 Can _____ household's natural gas _____?
 Reducing power through _____?
 _____ you _____ analysis of household _____ consumption?
 _____ you _____ analyze gas _____ of _____ reduce energy _____?
 _____ familiar with analyzing _____ consumption of natural _____ on _____ power in your _____?
 Are _____ able _____ analyze _____ gas _____ energy _____ plans?
 _____ for analyzing _____ gas use in homes?
 _____ help _____ reducing _____ usage?
 _____ get _____ help to find out how much power _____ gas _____?
 _____ you help analyze _____ properties' _____ usage _____ power?
 Are you _____ with _____ the _____ of _____ a focus _____ saving _____ home?
 _____ you _____ residential _____ consumption?
 Do _____ assessment _____ gas consumption in homes?
 Are you _____ analyzing _____ use of _____ gas _____?
 Should _____ be involved _____ the study _____ achieved by analyzing _____ sites' _____ gas usage _____?
 _____ you _____ in _____ natural _____ use for energy _____?
 Do _____ services include analyzing _____ gas _____ for _____?
 Do you offer _____ when _____ evaluating _____ effectively _____ use _____ natural gas?

_____ you _____ use in _____?

Can you _____ gas use _____?

Do _____ help _____ study of natural _____ usage _____?

Can _____ assess home's natural gas _____ energy _____?

_____ there _____ analyze homes' gas usage _____ savings?

Do you offer analysis _____ gas use _____?

Do you have experience _____ home _____ gas _____ for _____?

_____ you help _____ gas _____ of _____?

_____ you familiar with assessing _____ natural gas _____ for _____?

Did you _____ save _____ analysis?

Can we use residential _____?

Do _____ help _____ study of _____ savings achieved _____ analyzing residential sites' _____ usage patterns?

Are _____ natural gas _____ at homes?

_____ homes' gas usage _____.

Can _____ research _____ to _____ energy?

Hey, _____ you _____ analyzing _____ gas to _____?

_____ interested in _____ properties' _____ usage to save power?

_____ you able _____ assess _____ gas usage _____ homes?

_____ you do home-based _____ utilization _____?

Can _____ help _____ gas consumption _____ properties _____ save _____?

Can _____ us analyze _____ gas _____ our homes?

_____ possible to help analyze _____ for residential _____ an _____ saver?

_____ home's _____ use for energy _____

_____ requested _____ minimize the _____ of _____ gas in the _____.

Do you _____ to _____ in _____?

_____ possible to _____ your _____ to evaluate _____ usage _____ homes?

Is there _____ who can help assess _____ natural _____?

_____ capable _____ residential properties' _____ natural gas to save _____?

Analyze _____ the _____ for _____ savings.

_____ you _____ power _____ a residential _____ analysis?

_____ possible for you _____ assist _____ evaluating _____ natural _____ consumption?

Are _____ capable of _____ home-based _____ utilization _____ better energy _____?

Do _____ suppose to _____ for energy savings?

Are you _____ in studying _____ in homes?

_____ Evaluate household _____ gas consumption to promote _____?

_____ you help with _____ natural gas consumption _____?

Do _____ offer assistance _____ natural _____ usage _____ properties?

_____ help with the analysis _____ households' _____?

Can _____ by _____ gas use?

Is it _____ to _____ power _____ household _____?

_____ save energy _____ houses' _____ gas.

Is there _____ way to _____ natural _____ for _____ savings?

Do _____ know how _____ lower _____ studying _____ gases?

_____ gas data _____ find _____ savings in homes?

Do _____ gas data _____ energy _____ homes?

_____ data for energy savings in homes?

_____ it possible _____ to help assess _____ amount of electricity _____ homes _____ gas.

_____ you check _____ usage _____?

_____ people saving _____ by studying their _____ use?

You analyze the use _____?

____ you ____ understand ____ power ____ used by ____ their natural gas supply?
 ____ power-saving potential ____ analyzing households' gas consumption?
 ____ it ____ determining how effectively homes use ____ gas, ____ you ____?
 Can ____ help ____ in homes?
 ____ power ____ natural gas metering?
 ____ help ____ find out how ____ used by ____ through their natural ____?
 Interested ____ through residential ____ use ____
 ____ you ____ evaluating natural ____ use ____ energy efficiency?
 ____ you ____ analyzing ____ use ____ homes?
 Will you ____ domestic ____ consumption ____ natural ____?
 ____ it ____ for ____ to evaluate ____ gas consumption ____ energy ____?
 Did ____ take part in the study ____ potential ____ savings ____ by ____ residential ____ natural ____?
 ____ the analysis ____ natural gas ____ at home?
 You ____ help by examining natural ____ used ____ and ____.
 ____ gas ____ in homes?
 ____ analyzing homes' ____ energy savings?
 Are ____ willing to help the ____ potential ____ achieved ____ analyzing ____ sites' natural ____ patterns?
 Analyze ____ for ____ efficiency.
 Is it ____ you ____ help ____ use in ____ to ____ power?
 ____ you have ____ help ____ of home's natural gas ____?
 ____ help us ____ at ____ use of natural ____?
 ____ you ____ the ____ energy ____ achieved ____ analyzing ____ natural gas usage patterns?
 ____ you ____ figure ____ how much power ____ use through the ____?
 ____ you know if you ____ save power ____ gas ____?
 ____ help ____ home's natural ____ use ____ savings
 I wondered ____ received ____ saving ____ by ____ at natural ____ usage ____ homes.
 Is ____ possible to ____ power ____ analyzing ____ usage?
 ____ help ____ household gas ____ to save ____?
 ____ look at natural ____ used by houses ____.
 Is it possible ____ with ____ homes to save ____?
 ____ you familiar with ____ the ____ of natural ____ a ____ conserved initiatives?
 ____ you qualified to ____ methods for ____ utilities?
 ____ you ____ support for Evaluating how ____ natural gas, ensuring that energy-saving ____?
 Is there a ____ gas usage ____ to cut down ____ consumption?
 Can you help ____ residential ____ gas usage?
 ____ you calculate ____ usage ____ homes ____ power?
 Can you ____ to ____ gas use ____?
 Is ____ possible for ____ company to ____ amount ____ wasted by ____ using ____?
 ____ you figure ____ much gas is ____ home to ____ power?
 Helping save ____ by ____ in ____.
 ____ help analyze gas consumption ____?
 Do you ____ household ____ use to ____ energy?
 ____ gas usage for ____
 ____ usage for ____ purposes ____ be ____ with ____ services.
 Do ____ consumption for energy ____ plans?
 ____ like ____ help ____ gas use ____ homes?
 ____ you ____ the study ____ potential energy ____ achieved by ____ usage patterns?
 How ____ of natural gas in homes ____ energy?
 The study of ____ energy savings achieved ____ residential sites' ____ usage ____.
 ____ I ____ help ____ energy by looking ____ natural ____ usage ____?

Do you work _____ consumption _____ and assisting _____ saving efforts?

Can _____ help evaluate household gas _____ promote _____?

_____ use _____ data _____ find energy _____ homes?

_____ it _____ to help _____ properties' _____ gas usage _____ save _____?

_____ you _____ in evaluating _____ in _____?

Assist with _____ to conserve _____?

Are _____ the _____ of natural _____ properties to save energy?

_____ you _____ gas _____ in homes?

_____ help with evaluating household _____ gas _____ energy efficiency?

Are _____ willing to analyze the use _____ gas _____ homes _____?

Do you support _____ of how _____ homes _____ how _____ practices _____ followed?

Can _____ help _____ the measurement of _____ consumption?

_____ you _____ natural _____ usage in residential properties?

Need _____ by studying _____ gas in _____.

Are _____ able to assist _____ analyzing _____ consumption _____?

_____ I get _____ in analyzing _____ gas _____ homes?

Can you _____ determine the _____ gas _____?

_____ to _____ natural _____ usage for energy savings?

I _____ if I _____ saving energy _____ natural _____ usage in _____ homes.

Can _____ help _____ assessment of the amount of _____ wasted _____ gas?

_____ you _____ analyzing natural gas _____ energy saving _____?

Can I rely _____ you _____ figure out _____ power _____ natural _____ supply?

Are _____ capable _____ in the _____ the usage of _____ gas in _____?

Can _____ help us _____ of _____ consumption in residential _____?

Is _____ possible _____ help _____ residential _____ an energy-saving measure?

Can you help out with the _____ natural _____?

Are you _____ in _____ gas _____ for _____ energy management?

_____ you _____ domestic _____ gas consumption _____ assist with _____ savings efforts?

_____ analyze natural gas _____ in homes _____ save _____?

Home _____ analysis _____ power?

Can _____ help _____ analyzing _____ gas _____?

Are you _____ to assessing domestic natural _____ and _____ energy?

Could you _____ usage analysis _____?

_____ you _____ study household _____ use?

How _____ we lower _____ through studying _____?

Is _____ that _____ evaluate gas _____ in homes?

_____ homes' _____ gas use?

Is _____ power consumption by evaluating _____ at your home?

_____ you be _____ the study _____ energy savings _____ by analyzing _____ sites' _____ gas _____ patterns?

Can you help us _____ household _____ conserve _____?

_____ residential gas _____ to _____ power?

You _____ help _____ gas usage _____ your home.

_____ to analyze _____ consumption _____ natural gas with _____ focus on _____ power _____ initiatives?

_____ you _____ analyzing _____ to _____ power?

Could _____ analysis _____ natural gas _____ houses?

_____ residential properties' use of natural _____ energy?

_____ you be _____ to examine _____ gas used by _____?

_____ possible _____ help _____ gas _____ in the _____ to _____ power?

_____ it possible _____ help reduce power _____ by _____ natural _____?

Is it _____ to _____ analyze _____ consumption for _____ properties _____ energy- _____?

Can _____ household natural gas _____?

_____ you help _____ power-saving potential through _____ households' _____ use?

Does it _____ sense to _____ conserve power?

Do _____ the _____ with the _____ of _____ natural _____ usage in order to conserve _____?

Do you _____ the _____ of residential _____?

_____ the _____ of gas consumption in households?

Are _____ in analyzing _____ gas consumption _____ plans?

_____ help look _____ the _____ of _____ gas in _____?

Is _____ possible _____ analysis _____ homes to _____ power?

_____ there ways _____ energy-saving _____ for household _____ utilities?

Is it _____ for _____ include analyzing residential properties' gas _____?

_____ it helping _____ power _____ by evaluating _____ gas use?

_____ if your company _____ help _____ amount _____ wasted _____ homes using natural _____.

How about _____ at _____ to _____ electricity?

Can _____ analyzing natural gas _____ my home?

Can you help me _____ how _____ through the natural gas _____?

Can _____ help _____ residential _____?

_____ you help _____ studying _____ natural gas?

Will you _____ the analysis of domestic _____?

_____ wonder if your _____ the amount of electricity wasted _____ using _____.

Is _____ possible for _____ to analyze _____ as an energy-saving _____?

_____ you able _____ residential _____ of natural gas _____ energy?

Do _____ analyzing _____ gas _____ homes?

Do _____ about _____ home-based _____ gas _____ for better _____ management?

Is _____ who can help _____ home's _____ for _____ savings?

_____ house gas usage _____ to _____?

_____ you _____ with analyzing _____ consumption of _____ gas with a focus _____?

Can you _____ natural gas usage to _____?

Can _____ help _____ of natural _____ use _____ the _____?

Do _____ know _____ to analyze _____ of natural _____ with _____ on power _____?

_____ help analyze _____ gas consumption _____ homes?

Do _____ help _____ in homes?

_____ you capable _____ helping with the analysis _____ gas _____ home?

Is there anyone _____ can _____ home's _____ energy savings?

_____ it possible _____ consumption _____ looking at natural gas usage _____?

_____ you _____ home-based _____ gas _____ for better energy _____?

Do _____ in _____ residential _____ usage?

_____ it _____ to _____ homes' _____ usage _____ energy savings?

Are you _____ of natural _____ a focus _____ power saving initiatives?

Is it _____ help _____ power _____ by evaluating _____ gas usage _____?

Are _____ to _____ domestic natural _____ consumption and _____ energy saving _____?

Help with _____ usage _____ power?

Are you involved _____ natural gas _____ plans?

Assessments _____ home's _____ gas use _____?

_____ help _____ natural gas usage?

Can _____ help with the _____ usage in _____ properties?

_____ gas at _____ to save _____.

_____ familiar _____ natural _____ consumption with _____ focus _____ residential power savings _____?

How about _____ at _____ usage for _____?

_____ possible to help save _____ by analyzing _____ usage _____?

_____ houses' natural _____ to save _____

Can you _____ analyze gas _____ to _____ power?

_____ it possible _____ gas use _____ save energy?

_____ you capable of assisting _____ the _____ of _____ usage of _____ home?

Do you _____ to _____ natural gas usage _____?

Are there _____ of _____ power _____ gasses?

Are you able _____ of _____ natural gas usage with the _____ saving _____?

_____ electricity wasted _____ homes using natural _____ could be aided by _____.

Can _____ help evaluate _____ gas _____ promote energy efficiency?

Is it possible to _____ gas consumption _____ properties as _____?

_____ you _____ a hand in _____ household _____ gas _____?

Is _____ possible for _____ gas _____ to save power?

Do _____ analyze natural gas _____ for _____?

Are _____ to help analyze _____ natural gas _____ power?

Are you able _____ natural gas _____ for _____ management?

_____ home-based natural gas utilization _____ energy management?

_____ you _____ power-saving potential _____ analysis of households' gas _____?

_____ gas analysis _____ saving _____?

_____ way _____ can help evaluate _____ natural _____ consumption?

_____ it _____ analyze residential _____ usage for power-saving purposes?

Can _____ power _____ analyzing your _____?

_____ can help _____ analyzing gas usage in _____.

_____ power through studying _____?

Is it possible _____ assist in _____ household natural _____?

_____ to _____ gas use in homes to _____?

You can analyze power-wasting _____.

Are _____ natural gas usage for energy _____?

Can you _____ calculate _____ use _____?

_____ you _____ look into the use _____ gas in _____?

_____ to _____ evaluating _____ natural gas consumption to promote energy _____?

_____ you _____ us _____ household gas use to _____?

_____ you help with _____ study of natural _____ your _____?

_____ gas consumption to _____ efficiency

_____ you _____ to analyze energy _____ for _____ utilities?

_____ possible _____ reduce power _____ by _____ gas usage?

Residential _____ for power-saving _____ be _____ in _____ services.

_____ experience assessing _____ natural gas _____ for better energy _____?

Do you _____ analyzing home _____ power is _____?
