

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	New service connection requests
Inquiry Sub-Category	Temporary or special connection requests
Description	Customers inquire about arrangements for temporary electricity connections, such as for construction or special events, and any additional requirements or costs associated with these types of connections.
Data Size	5,002 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

Do I _____ provide _____ cables and distribution boards _____ a _____ electrical _____?
 _____ my own _____ and distribution _____ when I want a _____?
 _____ to _____ the cables and _____ I ask for a _____ electrical _____?
 Is _____ required for me _____ supply _____ wires _____ boards _____ a temporary electrical _____?
 Do _____ to give my _____ and boards _____ I need _____ connection?
 Is it _____ to bring cable _____ distribution _____ brief electrical connection?
 If I want _____ temporary _____ connection, _____ to own _____ own _____ and _____?
 _____ I use my _____ cables _____ boards for a _____?
 Is _____ my responsibility _____ necessary cables _____ distribution boards _____ a _____ electrical connection?
 I _____ know if I _____ bring my own _____ or distribution _____.
 _____ short-term _____ hookup expected _____ me _____ the required _____ and distribution boards?
 Do I _____ to provide _____ and _____ boards if _____ a temporary _____?
 For a _____ connection, _____ bring _____ own cables _____ distribution _____?
 Is _____ to _____ cable _____ distribution boards _____ temporary electric _____?
 Is it _____ me to _____ for a short-term power _____?
 _____ it _____ for _____ cables and _____ boards when _____ request _____ temporary _____ connection?
 _____ I _____ a _____ connection, _____ to provide wires and distribution _____?
 Is it my responsibility _____ and _____ when I _____ electrical connection?
 Do I need _____ provide cables _____ for _____ hook-up?
 When I request _____ temporary electrical _____ I _____ distribution boards with _____?
 _____ give _____ distribution boards and cables for _____ temporary electrical _____?
 Do I _____ own distribution boards for _____ power _____?
 Do _____ cables _____ to be _____ in order to have _____?
 _____ I supposed _____ give _____ and cables for _____ temporary electrical _____?
 _____ I request _____ temporary electrical _____ am _____ required _____ give _____ and boards?
 _____ there _____ requirement for _____ own distributionboards or cables _____ I request _____ temporary electrical _____?
 _____ I _____ to supply cables and distribution _____ the _____?
 Is it required _____ provide _____ distributionboards when I request _____?

_____ don't _____ if _____ need to _____ my own cables and _____ boards _____ temporary _____ .
 Is it _____ for _____ to _____ my _____ boards when requesting _____ connection?
 If _____ bring my own _____ or _____ an electrical connection, _____ ?
 _____ I supply my _____ boards _____ my _____ request _____ temporary _____ connection?
 _____ my responsibility to supply _____ distribution _____ temp electric _____ ?
 When I _____ a _____ connection, am _____ required _____ boards with _____ cables?
 If _____ get _____ temporary electricity _____ I _____ to _____ my _____ cables and distribution _____ ?
 Is it _____ cables _____ distribution boards for _____ use?
 Are I _____ to provide _____ cables when _____ request _____ temporary electrical _____ ?
 Should _____ have _____ own _____ boards _____ a short-term electrical _____ ?
 _____ me to give my _____ or _____ when _____ request a temporary electrical _____ ?
 _____ wonder if _____ and cables for temp electricity.
 _____ I _____ my own cables with _____ request?
 Is it _____ for me _____ provide _____ or cables _____ request _____ electrical connection.
 Is _____ necessary for _____ cables _____ distribution boards when I request an _____ ?
 _____ getting _____ temporary electricity _____ do _____ to _____ for _____ own cables?
 _____ you tell me _____ own wires _____ requesting an _____ electric setup?
 _____ a _____ I supply cables _____ panels _____ temp electricity?
 _____ a _____ electrical connection, should _____ provide my own distributionboards _____ ?
 _____ I _____ my own cable _____ distribution _____ for my _____ ?
 I _____ if _____ should bring my _____ for temporary _____ .
 _____ I provide _____ distribution _____ and _____ for _____ temp _____ upgrade?
 _____ it _____ me to give my _____ cables _____ boards when requesting _____ ?
 Is it required for _____ give _____ own _____ when _____ request _____ electrical _____ ?
 _____ setup, do _____ to own cordage and _____ ?
 _____ I _____ electrical connection, _____ I need to _____ my _____ and _____ boards?
 If I want a temporary _____ connection, _____ my _____ boards _____ ?
 _____ I give _____ distribution _____ cables _____ a _____ electrical connection?
 Is _____ for me _____ bring my wires _____ boards _____ ?
 Is it _____ for me _____ my own _____ wiring boards when _____ a _____ connection?
 Do personal cabling or _____ to be _____ you _____ connection?
 _____ my own _____ and _____ if _____ need a temporary electricity _____ ?
 Will _____ to _____ cables and distribution _____ temp _____ connection?
 _____ short-term _____ hook-up, _____ cables and distribution boards?
 Is _____ to bring one's _____ boxes _____ an interim _____ setup?
 _____ my _____ boards _____ cables _____ request a temporary electrical connection?
 How do you provide your _____ along with _____ in _____ ?
 Is _____ mandatory for me to give _____ boards _____ cables _____ a _____ connection?
 _____ I need to _____ for my own _____ I _____ a _____ ?
 _____ for a temporary electrical _____ am I required to _____ boards or just cables?
 Do I need to _____ cables _____ boards for _____ ?
 Am I _____ my own distribution _____ when I request _____ ?
 _____ setting _____ temp _____ are there cables _____ distri. _____ ?
 _____ to provide _____ distribution _____ if I request _____ temporary electrical connection?
 _____ it _____ for _____ provide my _____ cables when _____ temporary electrical connection?
 _____ I _____ a temporary _____ connection, _____ I required to supply _____ wires _____ ?
 _____ it _____ responsibility to supply the _____ cables _____ distribution _____ I _____ for _____ short-term power _____ ?
 _____ hookup, do _____ bring _____ own _____ and boards?
 When you _____ connection, do you have to _____ own _____ board _____ ?
 _____ for a short-term _____ expected _____ me to provide _____ distribution boards?

Is it required _____ to make _____ own _____ and _____ when I request a _____?

Will I have _____ and _____ boards for _____ connection?

Is it necessary _____ cables and _____ a temp _____ upgrade?

_____ you _____ to give _____ board and cables of your own _____ a _____ connection?

When I _____ a _____ are my _____ boards required to _____ own _____?

_____ it _____ responsibility _____ bring the _____ and _____ boards when asking for _____?

Is it necessary to _____ personal _____ boards _____ connection?

_____ for one to _____ own wires _____ circuitry _____ an interim setup?

_____ it _____ give my own _____ and boards when _____ request _____ connection?

_____ is the _____ your own wires and _____ mechanisms during _____?

_____ I request a _____ electrical connection do _____ need to _____ or _____?

Is it _____ for _____ to provide _____ distribution _____ cables when I _____ a temporary _____?

Is it _____ responsibility _____ the necessary _____ and distribution _____ when _____ electrical _____?

Is _____ me to provide _____ and cables _____ the temporary electrical _____?

_____ request _____ temporary _____ connection, _____ I provide my _____ distribution boards or _____?

_____ I _____ for a temporary electrical _____ are _____ to _____ own _____ boards?

Will you _____ along with _____ brief power hookups?

Do _____ have to _____ my _____ distribution and wiring boards when _____ electrical _____?

When _____ temporary electrical connection, do I _____ own _____ distribution boards?

Is _____ my responsibility _____ bring _____ distribution boards when _____ an _____ connection?

_____ board _____ cables when I request a temporary electrical connection?

Is it compulsory for me _____ wires and _____ request a _____ electrical connection?

Is _____ of _____ to provide the required cables _____ distribution boards while _____ power _____?

_____ you _____ a distribution _____ and _____ to _____ a temporary connection?

Do I _____ to _____ my _____ distribution boards _____ cables when _____ electrical _____?

_____ it required _____ own a cordage+switchboards _____ temp _____?

Can _____ distribution _____ and cables _____ electricity?

Am _____ to provide my own _____ when _____ temporary _____ connection?

_____ I request _____ electrical _____ is it _____ give _____ distribution boards _____ own cables?

_____ need to provide my own distribution _____ wiring _____ a _____ electrical _____?

What is the _____ of giving _____ own _____ distributing _____ hookups?

_____ know if it's necessary _____ own _____ and boxes _____ requesting an _____ electric _____?

Do I _____ provide _____ and _____ if I _____ a _____ electrical connection?

_____ I _____ to supply my distribution boards _____ a temporary _____ connection?

Is _____ provide _____ cabling or distribution boards _____ connections?

Should I _____ distribution boards or cables when _____ request _____ electrical _____?

When _____ a temporary _____ I need my _____ and distribution _____?

I should give _____ boards _____ own _____ when I request a _____.

_____ it a good idea _____ bring my _____ and _____ boards _____ a _____?

_____ it ok _____ me to _____ my _____ boards _____ power?

_____ I _____ my _____ cables when _____ electric _____ setup?

Is it _____ to provide _____ own _____ when I _____ a temporary _____ connection?

_____ I _____ my _____ cables and _____ the temporary power _____?

_____ am _____ I need to _____ own _____ wiring boards when _____ a _____ electrical connection.

_____ electric _____ do cords and _____ need to _____?

Is it necessary for me to _____ own _____ boards _____?

_____ required _____ my _____ boards and cables for the temporary _____ I _____?

_____ tell me _____ I have to bring _____ wires when I _____ setup?

_____ temporary _____ connection, will I need to _____ my _____ boards?

Am _____ required _____ provide my own _____ boards after _____ request _____ temporary _____?

____ I ____ a ____ do ____ have to ____ my ____ wires and distribution ____?
 Do the cords and ____ to ____ owned ____ setup?
 Is it ____ me ____ set up ____ own cables and ____ when ____ a ____ connection?
 ____ it possible ____ I ____ my ____ and boards ____ power hookups?
 ____ is ____ giving your ____ wires and distributing ____ brief power ____?
 Is ____ necessary for someone ____ bring ____ and circuitry ____ when ____ an ____ setup?
 ____ responsibility to bring the ____ when ____ a short electrical connection?
 When ____ temporary ____ connection, should I ____ distribution boards ____ cables?
 Is ____ own wires ____ distribution ____ required when ____ a ____ electrical ____?
 Do ____ have to ____ my ____ cables for the ____ electrical ____?
 ____ a temporary ____ connection, am ____ to include ____ with my cables?
 Do ____ cables and ____ boards for ____ power ____?
 ____ do you provide ____ own wires ____ distribute ____ hookups?
 Is ____ required of ____ provide my ____ boards with ____ when I request ____ electrical ____?
 ____ I ____ temporary electrical ____ have to provide ____ distribution boards ____ cables?
 ____ is the policy of giving ____ distributing mechanisms in ____?
 ____ it ____ of me ____ my own ____ and distribution boards ____ request ____ temporary electrical ____?
 ____ necessary ____ me ____ my distribution boards and ____ for the ____ electrical ____?
 ____ I need to bust ____ my ____ cables ____ I need ____ portable electricity.
 When ____ a ____ connection, do I need ____ provide ____ cables ____ distribution ____?
 ____ electrical connection, am ____ required ____ provide my own ____ or cables?
 ____ need a setup ____ do I ____ to ____ out my ____ cables?
 ____ I ask ____ a temporary ____ do ____ to provide my own ____ boards?
 When ____ request ____ temporary ____ connection, is it ____ provide ____ wires ____ boards?
 ____ it ____ one's own ____ circuitry boxes when requesting ____ interim ____ setup?
 ____ it ____ to bring ____ cables and ____ boards ____ request a short ____?
 ____ I want a temporary electricity ____ will ____ to ____ my ____ cables ____?
 ____ I ____ to provide ____ own ____ if I ____ temporary ____ hookup?
 Do I have to ____ cables and ____ when ____ get ____ electricity ____?
 ____ you give your own distribution ____ when ____ need ____ connection?
 Is it ____ to give ____ own ____ and ____ boards for ____ temporary ____?
 ____ permissible to ____ and boards ____ temporary power hookups?
 ____ my distribution ____ cables ____ a temporary ____ connection?
 ____ I ____ a temporary electrical ____ do ____ my ____ cable and distribution ____?
 Give ____ and ____ mechanisms in brief ____ hookups?
 ____ my ____ to ____ cables ____ distribution ____ when I request ____ brief electrical ____?
 Is ____ necessary ____ to ____ his ____ and ____ when requesting an interim electric ____?
 ____ to supply ____ and distribution ____ for temp ____?
 ____ own cordage+switchboards during temp ____ setup?
 I ____ electricity ____ will ____ need ____ my ____ cables and distribution boards?
 ____ required for me to ____ and distribution ____ I request a ____ electrical connection?
 ____ I required ____ provide ____ own ____ and ____ I request a ____ connection?
 Will I supply ____ boards for ____ electric ____?
 When ____ electricity connection ____ I ____ own cables and distribution boards?
 Is ____ a ____ power hookup ____ me ____ provide cables and ____?
 If ____ need a temporary ____ you have ____ give yourself ____ board and ____ your ____?
 Is providing ____ cables ____ I request a temporary ____ connection?
 Is it ____ me ____ give my ____ distributionboards ____ when ____ a ____ electrical connection?
 ____ I ____ and distribution boards?
 When I request a ____ electrical ____ I ____ my ____ wires and ____?

____ I ____ a temporary electrical connection, am ____ required ____ provide ____ boards or ____ cables?
 When I request a ____ electrical ____ is it ____ me ____ own ____ boards?
 I ____ I ____ bust out ____ own ____ when I need a portable ____.
 Do I ____ cables and distribution ____ the temp ____ connection?
 ____ it ____ for ____ provide ____ distribution boards ____ for the temporary ____ connection?
 ____ need to ____ my distribution boards ____ cables ____ connection ____ request it?
 Is ____ necessary to supply cables and ____ for ____?
 Do I ____ provide ____ distribution ____ or ____ the ____ electrical connection?
 When ____ a temporary electrical ____ I ____ to provide ____ distribution ____ cables?
 Is ____ me to supply my own ____ boards ____ I request ____ temporary ____ hookups?
 Do I ____ to provide ____ or ____ the temp power ____?
 Do ____ need to ____ my own distribution boards ____ request ____ electrical ____?
 ____ is the policy on ____ your ____ and distributing mechanisms?
 When I ____ a ____ electrical ____ am ____ to ____ my ____ and ____?
 ____ I have to provide ____ distribution ____ if I want ____ connection?
 ____ hookups do ____ bring my own wires ____?
 ____ get a temporary electricity ____ do ____ have to put ____ cables ____ distribution ____ in ____?
 When I ____ a ____ for portable electricity, ____ to ____ out ____ cables?
 For ____ temporary power link-up, must ____ cables ____ boards?
 ____ it a ____ for me ____ give my own ____ boards when I ____ a ____?
 ____ I ask ____ a temporary electrical ____ should ____ my own ____?
 Should ____ provide my ____ cables when asking ____ an ____?
 ____ to bring my ____ cables and distribution boards for ____ hookup?
 When ____ request a ____ electrical connection, ____ I ____ provide my own ____?
 Do ____ need to ____ distribution boards and ____ a ____ power ____?
 ____ it ____ to provide my ____ and ____ boards when I request a ____ electrical ____?
 ____ I ____ a ____ electrical connection, am ____ to ____ my ____ boards with ____ own ____?
 Do ____ provide ____ or ____ for a short-term power ____?
 If I ____ temporary electricity connection, will ____ need ____ my ____ and ____?
 Do ____ the distribution ____ with ____ own cables ____ request ____ temporary electrical connection?
 ____ required for me to ____ distribution boards ____ I ____ temporary electrical ____?
 Should ____ own cables and ____ the temporary ____ link-up?
 ____ I request ____ connection, do ____ need ____ boards and cables?
 Is it ____ of ____ to ____ and ____ boards while I ____ for a power ____?
 When ____ ask ____ electrical connection, am ____ to ____ distribution and ____ boards or cables?
 ____ it ____ for me ____ provide ____ distribution boards ____ a temporary electrical ____?
 ____ I give my own ____ the ____ connection setup?
 ____ it ____ for me ____ my own cables and ____ boards ____ short term ____ connection?
 ____ I ____ a ____ electrical connection, do ____ provide the distribution ____ cables?
 Is it a requirement ____ me ____ provide ____ or ____ I request a ____ electrical ____?
 When ____ power connec, ____ cables/distri ____ necessary?
 Is it necessary ____ own ____ and boards ____ I request ____ temporary electrical ____.
 ____ requesting ____ electrical ____ do ____ bring the necessary ____ and distribution boards?
 Do you need ____ distribution ____ and cables ____ own when you need ____?
 ____ for me ____ distributionboards or cables ____ I request ____ temporary electrical connection?
 Should ____ provide my ____ and ____ boards ____ request an ____ connection?
 Is it ____ me to bring ____ distribution ____ the ____ hookups?
 Is it ____ give personal cabling or ____ connections?
 Do I ____ to ____ or cables ____ I ____ temporary ____ connection?
 ____ obtaining a ____ electricity connection, do I ____ to ____ for ____?

When _____ electrical connection, _____ need to give my _____ boards _____ cables?

Is _____ for me _____ provide my _____ wires _____ distribution _____ when _____ need _____ electrical connection?

During temp electric _____ cordage and switchboards?

_____ a temporary _____ connection, _____ it necessary to _____ my _____ distributionboards _____ cables?

_____ a _____ do you have to _____ your own distribution _____ cables?

_____ necessary for me _____ provide _____ cables and distribution _____ I _____ for a temporary _____ ?

_____ I _____ electricity connection, am I _____ my own _____ distribution boards?

I need to provide _____ own cables and _____ power _____.

Should _____ provide my _____ distribution _____ if I _____ temporary _____ ?

_____ it _____ to provide the _____ for the _____ power upgrade?

Is _____ cordage+switchboards during temp _____ setup?

_____ I _____ a _____ connection, _____ it _____ for _____ provide distribution boards and _____ ?

When I _____ I provide my own wires and _____ ?

_____ I give my _____ cables _____ request _____ connection setup?

Is _____ necessary to _____ and distribution _____ request a _____ connection?

_____ electrical connection, do _____ need to give my _____ boards and _____ ?

Did I have _____ my distribution boards and _____ for _____ ?

_____ the _____ providing your _____ wires along with distributing _____ brief _____ hookups?

_____ required _____ give my _____ wiring boards _____ a temporary electrical connection?

_____ provide wiring _____ distributions for temp _____ ?

Is _____ responsibility _____ bring _____ distribution boards when I request a _____ ?

_____ get a temporary _____ connection, do I _____ to make _____ boards?

_____ okay for me to give my _____ boards _____ my _____ request _____ temporary _____ connection?

When _____ request a temporary _____ connection, _____ for _____ provide my _____ and boards?

Is _____ to supply the _____ when I apply _____ a short-term power hookup?

Is my _____ distribution and _____ when I _____ a temporary _____ ?

Is _____ necessary for _____ supply my _____ and distribution boards _____ hookup?

_____ request _____ temporary _____ connection, am I required to _____ my distribution _____ ?

Do _____ provide distribution _____ and _____ a short-term power _____ ?

_____ possible to supply _____ wires and _____ panels _____ temporary _____ links?

Do you _____ distribution board _____ cables _____ your _____ you need _____ temporary _____ ?

Is _____ to _____ distribution boards while searching for electrical _____ ?

Is _____ one _____ have their _____ wires _____ boxes when _____ an _____ setup?

_____ requesting a temporary electrical _____ do _____ to _____ my _____ distribution _____ ?

_____ I request a temporary electric _____ do _____ supply _____ distribution boards?

Is _____ necessary _____ me _____ provide the distribution _____ own _____ when I _____ temporary _____ connection?

_____ required that _____ my distribution _____ cables _____ the temporary _____ connection?

_____ bring _____ own cables _____ distribution boards _____ a electrical _____ ?

_____ I _____ a temporary electrical _____ is it _____ to provide _____ and distribution boards?

_____ it _____ me to _____ my distribution boards _____ my own _____ when _____ temporary electrical _____.

When requesting _____ temporary _____ hookup, _____ my own _____ and distribution _____ ?

Is _____ for _____ to _____ own cables and distribution _____ if I request _____ temporary _____ ?

_____ electrical connection, _____ my distribution and wiring _____ required?

Is _____ that _____ provide _____ required _____ distribution boards when I _____ for a short-term _____ ?

_____ I _____ distribution board _____ cables when I request a _____ connection?

Is it _____ to _____ boards _____ my _____ cables _____ I _____ a temporary electrical connection?

If _____ need _____ temporary electricity connection, _____ I need _____ give _____ and _____ ?

_____ it _____ to provide _____ own _____ and _____ boards _____ request a temporary electrical connection?

Is _____ bring one's own _____ when _____ electric setup?

Is it expected of _____ provide the needed cables _____ boards while _____ a _____ ?

When I request _____ I required _____ my distribution boards _____ cables?
 _____ have to arrange for my _____ cables or distribution boards when I _____ electricity _____.

Is it necessary _____ me _____ my _____ cables and distribution _____ I request a _____?

Can you tell _____ if it _____ to _____ one's _____ wires _____ an _____?

_____ okay for me to _____ own _____ distribution boards _____ an _____ connection?

_____ policy on providing your _____ wires _____ mechanisms _____ brief hookups?

_____ I _____ give _____ distribution boards with my _____ request a _____ electrical connection?

_____ a temporary electricity _____ will _____ have to provide my _____ boards?

Is _____ my responsibility _____ cables and distribution _____ a _____ electric _____?

_____ necessary for me _____ my _____ boards with _____ own cables when _____ for a temporary _____?

_____ a temporary electricity _____ do _____ have to arrange _____ wires _____ distribution _____?

Is it _____ provide my distribution boards with my _____ when _____ an electrical _____?

Is it _____ me _____ distribution boards for a _____ power link-up?

_____ and _____ boards for temp electric connection?

Is _____ possible _____ my _____ cables _____ distribution _____ the _____ power link-up?

_____ I required _____ give my _____ boards _____ cables _____ a temporary electrical _____?

_____ I have _____ supply _____ panels _____ temp electricity?

Do _____ have my own distribution _____ for _____ temporary _____?

Is _____ necessary _____ supply _____ boards _____ a power hook-up?

_____ a temporary _____ connection, do I _____ to give my _____ boards?

Is it _____ responsibility to _____ appropriate _____ and distribution boards _____ a _____?

_____ it _____ arrange _____ cables _____ distribution _____ when I get _____ temporary connection?

_____ for one to _____ own wires and _____ when _____ an _____ setup?

When I want _____ temporary _____ hookup, do I need _____?

_____ I _____ provide distribution _____ and _____ the temporary _____ connection?

_____ required _____ someone to bring their _____ wires and boxes _____ requesting _____?

Is _____ my _____ provide _____ cables and distribution _____ while I _____ a short-term power _____?

When _____ request a _____ electrical _____ am _____ required to provide _____ boards with _____?

_____ need to _____ my _____ boards _____ my _____ cables when _____ for a _____ electrical _____.

Should I _____ cables and _____ boards _____ short-term _____?

_____ my _____ and distribution _____ to be _____ when I request a _____?

_____ I request a _____ can _____ distribution boards with my _____?

Do I _____ my own distribution boards _____ when _____ request a _____ electrical _____?

_____ electric setup, should _____ own cordage _____?

_____ I _____ out _____ own distribution and cables _____ need a _____ for _____ electricity?

Do I need to give _____ when I _____ temporary electrical _____?

_____ necessary for _____ to _____ out _____ own _____ cables _____ I need a _____?

Do I _____ to _____ my _____ and _____ the connection _____ I request _____?

Will _____ be _____ for providing _____ distribution _____ for _____ electric connection?

_____ I _____ a temporary connection, will I _____ to _____ own _____?

When I request _____ temporary _____ should _____ own cables and _____?

_____ I request a _____ electrical connection _____ I provide _____ boards?

Is _____ possible _____ provide _____ and distribution _____ for _____?

_____ I _____ electrical connection _____ I need to provide _____ own _____ and _____?

_____ I request _____ temporary _____ I need to _____ my distribution boards _____ own _____?

_____ you tell me if it _____ required _____ bring _____ requesting an _____?

_____ bring _____ own _____ distribution _____ for a connection?

Do I _____ to bring my _____ for _____ hookups?

_____ a temporary _____ link-up, _____ my _____ and _____ boards _____ furnished?

Do _____ have to provide cables _____ boards _____ power _____?

Is it required ____ me ____ distribution ____ with my ____ when I request ____ electrical ____?

Do ____ provide my ____ boards when I ____ electrical connection?

Is ____ necessary ____ me ____ bring my ____ I request a ____ hookup?

____ necessary for me ____ provide my own ____ distribution ____ temporary ____ connection?

When ____ a temporary electrical ____ necessary for me ____ provide my ____ with my ____?

____ need ____ provide my own distribution boards if I ____ electrical ____?

During temp ____ necessary to ____ cordage+switchboards?

____ required to ____ wiring boards ____ just cables when I request ____ temporary ____ connection?

Is ____ to own ____ and switchboards during ____ electric ____?

Is ____ me ____ provide wires and ____ when ____ request ____ temporary ____ connection?

Can I ____ distribution boards for ____ temp ____?

____ I have to ____ my ____ with my own ____ electrical connection?

Should ____ bring my own cables ____ for ____ electrical ____?

____ it ____ for me ____ cables ____ distribution ____ for ____ power hook-up?

____ have to ____ distribution ____ with ____ cables when I ____ a temporary ____?

Is ____ for me ____ supply my own ____ and ____ when ____ temporary electric hookup?

Is ____ necessary ____ me ____ provide ____ and distribution ____ apply for a ____ power hookup?

____ provide ____ own distribution and ____ I ____ temporary electrical connection?

Is ____ my responsibility to supply ____ and ____ for ____ connection?

____ short-term ____ I supply ____ boards and cables?

Is it ____ for me ____ distribution ____ and ____ a ____ electrical connection?

Is ____ cabling or ____ boards ____ order to get ____ connection?

____ it necessary ____ own ____ and ____ during temp ____ setup?

Is ____ necessary to ____ boards or cables ____ I ____ a ____ electrical ____?

Is it necessary ____ me to supply ____ own ____ I request ____ temporary electric ____?

When ____ request a ____ am I supposed ____ provide my ____ wiring ____?

____ it ____ bring my cables ____ distribution ____ for ____ hookup?

Do I need to provide my ____ I request ____ electrical ____?

Do I ____ the ____ distribution boards ____ I request ____ short electrical ____?

Do you ____ to ____ board and ____ your own ____ you ____ a ____ connection?

When ____ request a ____ electrical ____ expected to ____ my ____ wires ____ boards?

When ____ request ____ temporary ____ connection, am ____ required to provide ____ boards ____?

____ I ____ to ____ my distribution boards with ____ when ____ request ____ temporary electrical ____?

Is ____ necessary for me ____ supply ____ distribution boards or ____ when ____ a ____ electrical ____?

____ I ____ to provide the distribution ____ for a ____ upgrade?

Do ____ cables and ____ need to ____ furnished while ____ looking ____ electrical ____?

Do ____ provide wires ____ panels for ____ electricity?

Am ____ required ____ own distribution and wiring boards if ____ temporary ____?

____ have my own ____ distribution boards for a ____?

____ need ____ portable electricity, do I ____ bust ____ my ____ distribution and cables?

____ for me to ____ own cables ____ my electrical connection?

Should I ____ own ____ for the ____ setup?

Is ____ to ____ my distribution boards with ____ own ____ when I ____ temporary ____ connection?

____ ok for me ____ bring my own ____ power hookups?

I wonder ____ own wires ____ boards for ____ power ____.

Do ____ the cables and distribution ____ the temp power ____?

____ supposed to ____ my ____ wires and distribution ____ when ____ request a ____?

____ responsibility to ____ the necessary cables ____ boards when asking ____ an ____?

____ to give ____ with ____ own cables when ____ for a temporary electrical connection?

Is ____ required ____ my own ____ and boards ____ request a temporary ____?

_____ to give my distribution boards _____ own cables when I need _____ temporary _____?
 _____ I _____ temporary electrical _____ should I give _____ boards _____ my _____ cables?
 _____ I _____ electricity connection I'll need to provide _____ cables _____ boards.
 _____ I ask for a _____ am _____ my own wires and _____ boards?
 When I _____ a temporary electrical _____ are I _____ boards _____ cables?
 Do _____ own distribution _____ wiring _____ or just _____ I request a temporary _____ connection?
 Will _____ have to _____ cables and _____ for _____ temp _____?
 Is it _____ cordage + switchboards _____ temp _____?
 When _____ request _____ temporary electrical connection, _____ required _____ my _____ distribution _____?
 Is it _____ for me _____ own wires _____ boards for a _____?
 _____ it _____ for me _____ give _____ board and cables _____ temporary _____ connection?
 _____ I _____ to _____ own wiring _____ when I _____ a _____ electrical connection?
 Should _____ provide my own distribution _____ wiring _____ when _____ a _____?
 I don't know if I _____ arrange _____ own _____ distribution boards _____ I _____ a _____ connection.
 _____ I _____ my _____ or distribution boards for _____ electric _____?
 Does it require _____ provide my own _____ and wiring _____ temporary _____ connection?
 To _____ link-up, _____ need my own _____ distribution boards.
 I am not _____ I need to provide _____ boards _____ my _____ I _____ temporary _____ connection.
 _____ I need _____ my distribution boards _____ cables if _____ a temporary _____?
 _____ it my responsibility to _____ the necessary cables and _____ when _____ electrical _____?
 Do _____ to give your _____ distribution board _____ cables _____ need _____ temporary _____?
 Is it _____ for me to _____ boards with _____ own _____ a temporary _____ connection?
 Do _____ or distribution boards _____ be furnished _____ to get _____?
 Should I _____ own _____ when _____ request a _____ electrical _____?
 _____ it required for me to _____ for the _____ connection?
 _____ request a temporary electrical _____ I supposed _____ give my own _____?
 Every time _____ setup _____ portable electricity, do _____ bust out my own cables _____?
 Do you _____ if _____ to bring _____ own _____ an _____ electric setup?
 Should _____ my _____ cables when _____ request an _____ setup?
 _____ I required _____ provide my _____ wires and _____ when _____ request _____ connection?
 _____ I _____ a temporary _____ connection, will I need _____ my _____?
 Do _____ need _____ arrange my own cable _____ I _____ a temporary _____?
 Am _____ to provide my _____ when I request _____ temporary electrical _____?
 Do _____ to provide my distribution _____ cables _____ I _____ a _____ electrical _____?
 _____ don't know _____ need _____ provide my own _____ and _____ boards _____ temporary electrical _____.
 _____ a temporary _____ do I _____ provide _____ own _____ and distribution boards?
 Should _____ give my _____ and distribution _____ when _____ temporary electric _____?
 _____ need a temporary _____ should you give your _____ cables?
 _____ I _____ my distribution _____ with _____ request a temporary electrical connection?
 When _____ request a _____ am I required to _____ my _____ and _____.
 _____ have to provide my own _____ boards _____ I _____ electric _____?
 Is _____ necessary for _____ distribution _____ and cables when _____ request _____ electrical connection?
 Is _____ me to _____ the _____ and cables for _____ temp _____ upgrade?
 _____ it _____ for me to _____ boards with _____ own cables _____ I _____ a temporary _____?
 _____ temporary electrical connection, _____ to _____ own distribution boards and cables?
 _____ have to _____ own _____ and _____ boards _____ I need _____ electric hookup?
 Is _____ to _____ the cables _____ distribution boards _____ a _____ electrical connection?
 Do I have _____ provide _____ with _____ own _____ I _____ a _____ electrical connection?
 _____ me if _____ is _____ to _____ one's _____ wires _____ when requesting _____ interim electric setup?
 When I request _____ electrical _____ I provide my _____ boards?

Do personal cables _____ distribution _____ be furnished _____ electrical connections?
 _____ I request a _____ electrical _____ do _____ to provide _____ own _____ or _____?
 When _____ connection, am _____ for _____ necessary cables and _____ boards?
 When _____ request a _____ connection, _____ provide my own _____ and _____ boards?
 _____ you need to own _____ or switchboards _____ electric _____?
 _____ a temporary _____ connection, _____ it required for me to _____ own _____ cables?
 _____ it _____ for me _____ own _____ and _____ when requesting _____ temporary electric hookup?
 Do I _____ to _____ own _____ and _____ for _____ hookup?
 _____ it necessary _____ to provide _____ wires _____ distribution _____ the temporary _____ connection?
 Do _____ distribution boards _____ a short-term _____ hook-up?
 _____ required to _____ own _____ and _____ or _____ cables when I request a temporary _____?
 Is _____ me _____ provide my _____ and wiring boards or just _____ when I _____ electrical _____?
 _____ distribution boards with my own _____ when _____ request a _____ electrical connection?
 _____ I request _____ temporary electrical _____ required _____ provide my own _____ or _____?
 Will I _____ the distribution boards and cables _____ connection?
 When I _____ a _____ connection, _____ I have my _____ cables _____?
 _____ I _____ to have _____ temporary electricity connection, will I need _____ my _____ distribution _____?
 _____ necessary _____ provide _____ cables and distribution boards for the _____?
 Is it _____ to _____ and _____ a short-term power _____?
 _____ it necessary for me _____ provide _____ own _____ or _____ I _____ a temporary _____?
 _____ to _____ my own distribution _____ cables _____ I need _____ electricity?
 _____ asking _____ brief _____ connection, do _____ bring the cables and _____ boards?
 _____ a requirement for me to _____ my own _____ wiring _____ when I _____ connection?
 _____ have my own _____ with my _____ for _____ setup?
 _____ cables _____ boards have to _____ furnished _____ seeking electrical _____?
 _____ I ask _____ brief electrical _____ for bringing the necessary _____ and _____ boards?
 _____ I _____ my distribution boards _____ for an _____?
 _____ have to _____ my own cables _____ distribution _____ request an electric _____?
 _____ it _____ responsibility _____ cables and distribution _____ when _____ request _____ electrical connection?
 I _____ to supply _____ cables _____ boards for _____ temporary power _____.
 _____ own distribution board _____ cables for a temporary connection?
 Is _____ necessary _____ me _____ distribution _____ for a _____ hook-up?
 _____ it necessary for me _____ provide _____ and _____ boards if _____ want _____ temporary _____?
 _____ cables _____ distribution _____ need _____ furnished in _____ to _____ electrical connection?
 _____ expected _____ to provide the required _____ and distribution _____ I apply for _____ connection?
 Should I include my _____ request for _____ setup?
 Is it permissible for me _____ own _____ and _____ boards _____ request a temporary _____?
 Is it necessary _____ provide _____ boards while looking _____ connection?
 Is _____ for _____ to _____ own wires _____ board when _____ request _____ temporary electrical connection?
 _____ wonder if I need to _____ for _____ cables and _____ boards _____ I _____ electricity _____.
 _____ I request a _____ electrical connection, _____ I _____ own _____ or _____?
 Is _____ possible _____ give my _____ and _____ boards _____ a _____ link-up?
 Is _____ my _____ to _____ my _____ boards with _____ own cables when I _____ connection?
 When _____ request _____ connection, do _____ have _____ give _____ distribution _____ wiring boards?
 _____ it _____ requirement for me to provide _____ and _____ when _____ a temporary electrical _____?
 Do _____ to provide my own _____ want _____ temporary connection?
 Do _____ need _____ with _____ own cables, when I request a _____ electrical _____?
 _____ request _____ temporary electrical _____ am _____ to _____ my own _____ or cables?
 Is it _____ to provide cables _____ distribution _____ applying _____ a short-term _____?
 Is it expected of me _____ boards when applying _____ a _____ power _____?

____ it ____ for me ____ own distribution ____ when ____ temporary electrical connection?
