

[Demo] NLP Dataset for Customer Service Automation

Company Type	Internet Service Providers
Inquiry Category	DNS and IP address configuration help
Inquiry Sub-Category	DNS Propagation Delays
Description	Help with understanding and troubleshooting DNS propagation delays, which can occur when changes to DNS records take time to propagate across the Internet, leading to temporary website unavailability.
Data Size	5,639 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Internet Service Provider" customer inquiry. (Purchased data will not be masked.)

Can you _____ there _____ delay in propagating the _____ address _____ Internet?

Why _____ the _____ been _____ yet?

_____ causing _____ updated _____ addresses are circulating?

_____ would like _____ know why _____ hold _____ in _____ transmission of the new internet _____.

_____ there _____ reason _____ there seems _____ be a _____ internet protocol address?

_____ delay in _____ my internet _____ is causing _____.

_____ you _____ why _____ to _____ a _____ in _____ distribution of the updated _____ address?

_____ isn't the _____ of the _____ propagation done _____?

_____ don't know _____ the _____ updating my internet _____.

Why _____ my _____ take so long _____ spread _____?

What _____ the delay in _____ distribution _____ addresses?

_____ to know why there _____ to be a _____ dissemination _____ updated Internet _____ address.

There _____ be a _____ in the _____ internet Protocol address.

Why _____ a _____ distributing _____ updated internet address?

Please _____ prompt explanation _____ to _____ took _____ circulate _____ updated internet address.

Why does it _____ long _____ an _____ address _____ online?

_____ reason why there _____ be _____ the new address on _____ internet?

How come it's _____ so _____ to _____?

_____ the _____ spreading across the _____?

There is _____ IPs.

_____ is _____ that _____ is _____ in _____ distribution _____ the _____ Internet Protocol address?

_____ there a reason why it takes _____ updated _____ online?

_____ a _____ for _____ delay _____ updating the internet _____.

Why is _____ address _____ so _____ to _____ on _____ internet?

_____ it _____ so _____ to get my new internet _____ blasted _____ over _____?

What causes delays while _____?

_____ it possible _____ delays _____ sharing newly _____ internet _____ online?

_____ it to _____ long _____ new addresses on _____ web?

_____ to _____ us why _____ a hold-up in the transmission of _____ address?
 Why is _____ taking _____ long to _____ over _____ internet?
 _____ don't _____ what's _____ on with _____ lag in _____ Internet _____ address.
 Is _____ reason for _____ in _____ my new _____ different _____ on _____ internet?
 How come _____ delay in _____ the new internet _____?
