

[Demo] NLP Dataset for Customer Service Automation

| | |
|-----------------------------|--|
| Company Type | Automotive manufacturers |
| Inquiry Category | Technical support and troubleshooting |
| Inquiry Sub-Category | Fuel system difficulties |
| Description | Inquiries involve troubleshooting issues related to the vehicle's fuel system, including fuel pump failures, clogged injectors, fuel leaks, or poor fuel efficiency. |
| Data Size | 5,040 paraphrases |
| Want to buy data? | Please contact nlp-data@gross.me via your business email address. |

Masked sample paraphrases of one "Automotive manufacturer" customer inquiry. (Purchased data will not be masked.)

What should one do if ____ suspect ____ E85 ____ supply ____?
____ you suspect water ____ in their E 85 ____ have ____?
____ you ____ figure out ____ to ____ if we suspect ____?
____ you tell ____ what to ____ we ____ water contaminated ____?
If you suspect ____ is ____ should ____ do?
How ____ pollution suspicions?
____ should ____ if an individual suspects that ____ from their E85 ____?
I'm ____ in the ____ course ____ action ____ there is ____ water ____ one's E85 supply ____.
____ to do after suspicion ____ water ____ the ____?
What ____ after ____ of water ____ in the ____?
____ that our ____ supply is contaminated ____ what ____ we do?
____ happen ____ I find water in ____ 85 fuel ____?
Do ____ have ____ find ____ in their E 85 supply ____?
____ do ____ do about the ____ in ____ E85 ____?
What can ____ done ____ water ____?
Suggestions ____ someone ____ in ____ E85 tank.
Is ____ do ____ you suspect water taints ____?
____ pollution in ____ is suspected, ____ what?
____ the recommended course of ____ there ____ suspicion ____ water taint in ____ E 85 ____?
____ I make ____ that my ____ 85 ____ free of ____ taint?
If ____ suspect ____ taints ____ 85 what ____ you ____ to ____?
____ should ____ if an individual ____ their water ____ has ____ polluted by ____?
If the water ____ will happen?
____ supply ____ E 85 ____ contaminated ____ water?
____ us what actions are necessary ____ suspect ____ biofuel?
What ____ should ____ if an ____ suspects ____ from ____ E 85 ____?
____ my ____ affected by water ____?
____ tell us ____ are required if ____ E 85 biofuel?

____ you know ____ act ____ suspect E85 ____ pollution?
 What ____ if you suspect water is ____ E85?
 What should we do ____ the ____ if there is ____?
 ____ for ____ contamination ____ E85?
 If ____ of water ____ what should we do ____?
 What ____ should be ____ make sure the water ____ my ____ is ____?
 ____ the ____ course ____ action if there's a suspicion of ____ one's E 85 ____.
 There is ____ procedure to ____ we ____ in ____ 85 fuel.
 Do you ____ act on water contaminated ____?
 ____ to ____ E85 source ____ water that may ____?
 ____ there any ____ for ____ their E85 was ____ with ____?
 There ____ to follow ____ you suspect waterContamination ____ fuel.
 What ____ be done if ____ that their ____ been ____ with E85?
 ____ I ____ if I find ____ my ____ supply?
 ____ to deal ____ suspected ____ pollution in the ____?
 Is there a ____ make ____ in the E85 ____ is ____?
 ____ a procedure to ____ when ____ in ____ E ____ fuel is ____?
 So, ____ I do ____ think ____ E85 biofuel is ____ water?
 What steps ____ if the water ____ my ____ source is ____?
 ____ do ____ sure ____ water in my ____ source does ____ get ____?
 ____ to stop ____ pollution in ____?
 ____ if water affects ____ 85 ____?
 ____ to do after a ____ suspicion ____ poisoning in ____?
 What ____ done if ____ suspects ____ their water ____ with E85?
 What ____ water ____ E85 ____.
 What is ____ when detecting water taint ____?
 ____ to ____ water ____ in E ____?
 Do you have any ____ for ____ who ____ is contaminated ____?
 How will you ____ if ____ water ____?
 ____ should we ____ with ____ source if ____ suspect ____ pollution?
 ____ suspicions of ____ water pollution?
 How ____ make ____ my E 85 ____ free of ____ pollution?
 What ____ be done ____ keep ____ out ____ 85 ____ source?
 ____ may affect ____ source.
 Is ____ a ____ water ____ by ____?
 ____ my source of E85 is ____ water, ____ it ____?
 ____ if ____ in the ____ source.
 What ____ done ____ they ____ is contaminated with ____ 85?
 Is there a ____ to follow ____ we suspect ____ is ____?
 Is ____ a ____ to make sure the ____ fuel isn't ____?
 ____ water ____ from E85.
 How ____ ensure that my ____ chain ____ not ____ by suspected ____?
 ____ you ____ if ____ suspect that the water ____ with ____?
 ____ be ____ regarding the suspected ____ pollution ____ my ____ supply source?
 What should ____ you suspect ____ water in E ____?
 ____ should ____ do if our water ____ contaminated with E85?
 There is a ____ to follow ____ water taint ____ 85 ____.
 Can ____ tell us what ____ we suspect water-contaminated ____?
 ____ water taints the ____ what do ____?
 ____ should be ____ water ____ suspected of ____ with E 85?

____ your ____ supply polluted ____ ?
 ____ that there's ____ fuel ____ the E85 tank?
 How ____ deal ____ in E85?
 ____ case ____ E ____ watercontamination?
 How ____ I ____ water pollution from ____ E ____ ?
 ____ to ____ in the event of ____ taint in ____ 85 fuel?
 ____ be ____ if an individual ____ is contaminated with E85?
 Do ____ to ____ you suspect the water is ____ with ____ ?
 I ____ know ____ to ____ think my ____ has water in ____ .
 What to ____ when there ____ suspicion of water ____ ?
 Is ____ E85 polluted ____ water?
 What to do ____ sudden ____ of ____ in ____ E ____ ?
 ____ the ____ fuel ____ possibly contaminated ____ ?
 Suggestions ____ there's ____ the E 85 tank?
 Does ____ have any ____ for someone who ____ E85 ____ water?
 ____ watercontamination ____ E 85?
 Is there any ____ people who suspect that ____ has ____ ?
 ____ happens ____ the ____ with E 85?
 What ____ do ____ is a ____ of ____ in the ____ 85?
 How to ____ water ____ ?
 ____ danger of water pollution?
 How ____ deal ____ E85 water ____ ?
 ____ do ____ suspect water taints E85?
 ____ do ____ keep ____ source ____ of water pollution?
 Are ____ concerned about polluted water ____ ?
 ____ what ____ I do if ____ E85 biofuel is polluted ____ ?
 ____ that ____ water supply source ____ contaminated ____ E85, ____ we do?
 ____ would like to know ____ water-contaminated fuel ____ E85 ____ .
 How ____ I ____ the water ____ of ____ source?
 There ____ potential water pollution ____ E 85 ____ .
 Is my ____ of ____ at ____ water pollution?
 ____ what should ____ do ____ E ____ fuel ____ contaminated with water?
 ____ are steps ____ could ____ to ____ water ____ E85 fuel.
 ____ deal ____ be contaminated by E 85?
 ____ do if I know my ____ is ____ water?
 Can ____ please tell ____ are needed if ____ E85?
 What ____ be taken ____ remove ____ my ____ 85 supply ____ ?
 Advice ____ someone who thinks ____ E85 is ____ .
 ____ to be ____ quickly if there are ____ water pollution within ____ my E ____ supply?
 ____ should ____ done if ____ suspect ____ water source is ____ with ____ ?
 ____ water ____ is ____ fuel?
 ____ am curious as ____ the ____ if there is a suspicion ____ in one's ____ source?
 ____ you ____ us what actions ____ take ____ suspect water ____ E 85?
 Any advice for ____ who thinks their ____ with ____ ?
 Can ____ tell ____ what ____ should ____ suspect water-contaminated E85?
 There ____ be a contaminated ____ E ____ biofuel.
 ____ with your ____ fuel?
 Can you tell ____ what actions ____ need ____ take ____ we ____ ?
 So what ____ do if ____ discover my ____ with ____ ?
 ____ it a ____ if ____ E85 ____ source has ____ ?

_____ there a _____ is affecting _____ E85 biofuel?

Do _____ have to _____ issue of _____ their E 85 _____ source?

Is _____ respond if your E 85 _____?

What should be done _____ ensure _____ E _____ free _____ water _____?

_____ happen if _____ in my E 85 _____ supply?

If they suspect _____ E 85 supply _____ investigate?

_____ with _____ E 85 _____ a possibility.

Is _____ a recommended course _____ a suspicion of water contamination in _____ source?

_____ you have _____ advice _____ people who _____ their E85 is _____?

_____ should be _____ about _____ suspected _____ pollution from _____ supply _____?

_____ we need to _____ if we suspect water-contaminated E85?

What steps should be _____ person _____ that their _____ source _____ polluted _____?

What should _____ do if _____ found _____ polluted _____ nasty water?

How do _____ sure _____ E85 _____ does not _____ water _____?

_____ I _____ the risk of _____ in my E85 _____?

_____ am curious _____ the _____ course of action if _____ water _____ in _____ E85 supply source?

_____ should someone _____ if they suspect _____ E85 _____ with _____?

_____ E85 fuel supply _____ water?

_____ should _____ taken _____ an individual suspects _____ their _____ source _____ be contaminated _____ 85?

_____ there a _____ to _____ potential _____ taint in _____ E85 _____?

In _____ of doubts about _____ the _____ of _____ what measures need to be _____ immediately?

Can _____ give us _____ do _____ suspect water-contaminated E85 biofuel?

If _____ what _____ we do _____ our E85 source?

What _____ I _____ if my _____ contaminated _____ water?

_____ done about watercontamination _____ E85?

If there are _____ within the source _____ E85 supply, _____ measures _____ taken immediately?

We _____ like to _____ actions are necessary _____ suspect _____ E _____.

How _____ suspect that _____ water is contaminated _____ E85?

If _____ suspected _____ being contaminated with _____ what _____ be _____?

How _____ deal _____ contaminated _____ 85?

How _____ with _____ in E85?

_____ of _____ contaminated water, is _____ a problem?

What should _____ an _____ suspects that _____ water may _____ with _____?

_____ if _____ recommended _____ of _____ be _____ there is _____ of water contamination _____ one's E85 supply

What should _____ done _____ a sudden suspicion _____ water pollution _____?

In case _____ water _____?

_____ the _____ step _____ detecting _____ in E85?

What _____ need _____ taken _____ case of doubts _____ water pollution _____ source of _____ supply?

If _____ water issues _____ E _____ fuel...

_____ should _____ taken if _____ in our E85 supply _____ contaminated?

_____ I tell _____ my _____ is contaminated _____ water?

Are _____ about _____ with your E85 _____?

What steps _____ if a _____ their _____ may have _____ contaminated _____ E85?

In _____ of _____ about _____ pollution within the source _____ my _____ fuel _____ be done _____?

_____ to _____ the _____ in E85?

_____ water pollution in their E 85 _____ should they _____?

What _____ you do _____ you find water _____?

_____ you _____ E 85, what _____ you do?

How do _____ make _____ is not _____ by suspected waterContamination?

Are you _____ tell _____ what _____ necessary _____ suspect water-contaminated E85?

_____ happens _____ is _____ in the E _____ source?

Are _____ worried about polluted water _____ source?

What _____ gets into the _____?

_____ their _____ is contaminated with water, any _____?

_____ to act _____ you _____ water _____ with E 85?

Do you _____ the possibility of _____ from their _____ 85 supply _____?

When suspecting _____ there _____ actions _____.

I _____ to _____ course of action if _____ suspicion of water taint _____ E85 _____ source.

Can _____ tell us what actions we _____ water-contaminated _____ 85?

_____ you _____ us what _____ if we suspect _____ contaminated E85?

How _____ I deal with _____ of water _____ E 85 _____?

_____ do about _____ possibility of water _____ my E 85 _____?

Please tell us _____ if _____ suspect water-contaminated E85 _____?

_____ don't know _____ to do if my _____ polluted with _____.

So, _____ I _____ it turns _____ my _____ polluted with water?

What _____ done _____ water _____ suspected _____ being _____ the E85?

_____ we suspect water _____ in _____ E 85 _____ is _____ for _____?

If you suspect _____ fuel, _____ should _____ do?

_____ I _____ know if my E85 source _____ water?

I'm curious _____ know _____ is _____ course _____ action if _____ suspicion _____ water taint in one's _____

_____ am wondering _____ course _____ be taken _____ there is a _____ water contamination in one's E _____ source

_____ sure my E85 _____ isn't contaminated _____ water?

_____ specific _____ should _____ taken if _____ to be contaminated _____ E85?

How _____ on suspicion of _____ pollution from _____?

_____ for a _____ who suspects _____ E85 is contaminated _____ water?

_____ to _____ what actions are _____ when we _____ water-contaminated _____.

What is the _____ when detecting _____ contamination _____?

_____ tell us _____ are necessary _____ water- contaminated E85?

_____ one suspects that _____ fuel in their _____ tank?

How to _____ with _____ in _____ E _____.

How to _____ water _____ is _____ contaminated _____ E85?

_____ messes with _____ E85 source?

_____ you tell _____ actions are _____ when we _____ E85?

_____ actions _____ when _____ suspect water-contaminated _____?

If _____ doubts about water _____ within the source of my _____ to be _____ quickly?

_____ it possible to act _____ biofuel _____ suspicions?

_____ any actions that need _____ be taken _____ E85?

Can _____ tell _____ what actions _____ when _____ water-contaminated E85.

What _____ should _____ if a person _____ their _____ source is _____ E85?

_____ I _____ I _____ in my E _____ fuel supply?

Is _____ advice _____ who _____ E85 has been _____ with water?

_____ be done to rid _____ E85 _____ of suspected _____?

What do I _____ potential water _____ source?

_____ to _____ with _____ in E85 source?

How to deal with _____ H2O _____ your _____ of _____?

What _____ be _____ to _____ supply source is free _____ water _____?

In the case _____ pollution within the _____ of _____ E85 supply, what _____?

_____ to react _____ you suspect _____ water is polluted _____?

What _____ do _____ is polluted with water?

Is it _____ handle suspected _____ an E85 _____?

_____ suspect _____ issues with your _____.

_____ case _____ doubts about _____ pollution _____ the _____ of _____ 85 fuel supply, what _____ promptly?

Is it necessary _____ if _____ suspect _____ taint _____ 85 supply source?

_____ do _____ handle _____ to E 85 car _____?

I _____ interested _____ the _____ course _____ if _____ is _____ suspicion of water pollution _____ one's _____ supply _____.

_____ water _____ suspected _____ contaminated with E85, _____ should we _____?

Is there _____ for _____ think _____ contaminated their _____ with _____?

Is there _____ way _____ sure _____ in the _____ is not _____?

_____ any _____ for _____ who _____ they have _____ their _____ with water?

_____ should _____ done _____ is found _____ be contaminated _____ E _____?

_____ of _____ water pollution within _____ source of my E85 supply, what _____?

_____ people _____ if _____ suspect _____ pollution _____ their E85 supply?

What should _____ done if an _____ suspects _____ water _____ E _____?

_____ respond _____ you find _____ pollution in your _____?

_____ to _____ taken _____ case of doubts about _____ pollution _____ the source _____ E 85 supply?

_____ to handle water _____ may _____ with _____?

Is my E _____ source _____ risk _____?

_____ suspect water _____ your E85 _____.

_____ steps should _____ if an _____ suspects _____ water source _____ contaminated _____ E85?

If we suspect _____ our water _____ contaminated with _____ be _____?

I wondered if _____ source _____ my E85 _____.

_____ there are _____ about water _____ within _____ of my _____ supply, _____ be done quickly?

_____ is a _____ if water is _____ in _____ 85 fuel.

_____ you going to do _____ the _____ your _____?

If you suspect _____ taints _____ should _____?

What _____ about suspected _____ in E85 fuel?

Can I _____ if my _____ with water?

_____ E 85 potentially contaminated with _____?

_____ should be done _____ possible _____ pollution _____ my _____ 85 supply _____?

_____ a question about _____ a contaminated _____ source _____ biofuel.

Is it possible _____ a procedure if _____ water _____ in _____ fuel?

Water issues _____ possible with _____.

Do _____ know _____ to _____ E 85 _____ suspicions?

Is my _____ at _____ for _____ pollution?

In the _____ of _____ pollution _____ the source _____ my _____ 85 _____ measures should be _____ immediately?

Is _____ E _____ source of _____ risk _____ pollution?

How _____ remove _____ water _____ the _____ source?

What should _____ the water is _____ be _____ E85?

_____ my E85 biofuel _____ polluted water _____?

_____ water _____ E _____ what would happen?

_____ should be taken _____ suspects that their water may _____ E85?

There are steps to _____ the _____ of _____ fuel.

Is there any _____ for a _____ is contaminated _____ water?

What _____ do _____ water _____ in my E85 _____ source?

_____ do you _____ about water tainting _____ fuel?

_____ someone _____ the _____ is contaminated with _____ should they _____?

_____ don't _____ what to do _____ I _____ my E85 _____ water.

_____ your E85 has water pollution, _____?

_____ they suspect water _____ their _____ do you need to _____?

_____ a procedure _____ follow if _____ is water taint _____ fuel?

_____ water from E85?

Is _____ E85 _____ supply potentially _____?

What about _____ the E 85 _____?

_____ there _____ polluted water _____ E85?

Is there a _____ suspect _____ contamination in _____ E85 fuel?

_____ should be _____ our E85 supply source is found _____?

Are _____ any _____ need _____ be taken _____ suspicion _____ E85 biofuel?

If there is suspicion _____ pollution, _____ should _____ do _____ source?

_____ you fix _____ with E85 fuel?

Do _____ to investigate _____ they _____ water _____ their _____ 85 _____ source?

How _____ with water _____ if you _____ a _____?

How to clean _____ that _____ have _____ contaminated _____ source?

Do _____ worry _____ water in _____ E 85 _____?

How _____ E85 water contamination _____?

_____ do about _____ E85 source if we _____ water _____?

_____ if the _____ polluted the _____?

What _____ be _____ if your _____ has _____ pollution?

_____ possible _____ is _____ fuel in _____ E85 tank?

_____ are suspicions _____ water pollution, _____ we do _____ our _____ 85 _____?

Is _____ a way to _____ with potential _____ E _____ source?

_____ taken if _____ water pollution in _____ E85 supply source?

There is a procedure _____ if the water _____ the _____.

Is _____ advice _____ the E85 _____ contaminated with water.

_____ we _____ suspect water is _____ with E85?

_____ to address water _____ of E _____ fuel.

_____ should be _____ a _____ their water may have _____ contaminated with _____ 85?

Suggestions _____ to detect water _____?

_____ next step when _____ water contamination _____ 85?

_____ possibility _____ water pollution in E _____ fuel?

_____ recommended _____ if there _____ suspicion of water pollution from one's E85 supply source.

_____ act if we _____ water is contaminated with _____?

_____ done if you suspect water taints _____?

What steps should _____ taken if a _____ suspects that _____ source may _____?

_____ be done if _____ individual _____ that _____ water _____ is contaminated with _____?

How do _____ water contamination _____ of _____ 85?

I'm _____ the _____ course _____ there _____ a suspicion of water _____ in one's _____ supply source.

_____ there _____ for _____ person _____ thinks their _____ be contaminated _____ water?

_____ procedure to follow _____ we suspect water _____ E85 fuel?

_____ there _____ to _____ on E _____ water concerns?

Suggestions on _____ water _____ in _____?

_____ should be taken _____ a person _____ water source _____ be polluted _____ 85?

_____ with _____ contamination suspicions on _____.

_____ do _____ do _____ you suspect water is contaminated _____?

What _____ the _____ step _____ detecting _____ pollution _____ E85?

_____ you tell _____ are _____ when we suspect _____ water-contaminated _____ biofuel?

What is the _____ in detecting _____ pollution _____?

Do _____ to _____ if water _____ E 85 _____ source?

So, _____ I _____ is _____ my E 85 _____ polluted with water?

_____ that _____ be taken _____ address _____ of E 85 fuel.

_____ suspect that their _____ contaminated _____ water.

_____ water pollution is _____ in _____ 85 _____?

I'm _____ as to _____ recommended course _____ action _____ there _____ a suspicion of water _____ in one's _____

In case _____ doubts _____ water pollution _____ source of my _____ be done _____?

_____ should _____ they suspect _____ is contaminated _____ E85?

What is _____ next step _____ detecting _____ E85?

What should one _____ their water source _____?

_____ your _____ pollution what should you _____?

_____ source be _____ of water pollution?

Is _____ procedure _____ follow if _____ found _____ the _____ fuel?

_____ should _____ taken if _____ water in my _____ 85 supply _____?

_____ should _____ do _____ they _____ their water _____ contaminated with E 85?

Should the _____ of _____ taken if there is _____ water taint in _____ supply source?

I _____ if a contaminated water _____ my _____.

I would like _____ know if _____ affecting _____ E85 biofuel.

How _____ the _____ contamination suspicions?

Now what _____ about suspected _____ in E85 _____?

_____ E 85 fuel is _____ to _____.

What _____ be _____ to address the _____ E 85 supply _____?

How to deal _____ pollution _____?

_____ the E _____ fuel supply _____ contaminated _____?

What should be done _____ suspected _____ pollution in _____?

_____ do _____ keep _____ E85 supply _____ safe from _____?

_____ steps should _____ water is found _____ be _____ with _____?

Do _____ have _____ to act on _____ water _____?

_____ happens _____ my _____ 85 _____ supply _____ with water?

_____ to _____ what _____ are _____ if we _____ water-contaminated E 85 _____.

_____ issues with _____ E85 _____ suspected.

_____ don't know what _____ I think my _____ is _____ with _____.

How _____ deal with _____ may be _____ E85?

_____ want _____ know _____ actions _____ when _____ suspect _____ E 85.

_____ e 85 supply?

_____ are _____ addressing possible water pollution from _____.

How to _____ problems _____ E85 _____?

I am _____ to _____ the _____ of _____ if there _____ a _____ of water _____ in _____ supply _____.

How _____ the _____ is contaminated by _____?

_____ should _____ my E 85 supply source of suspected _____?

Now _____ in E 85 fuel, what _____ we _____?

_____ to _____ when _____ suddenly _____ water _____ the E85?

I'm curious _____ course of _____ if _____ a suspicion of water taint _____ one's _____ 85 _____.

_____ doubts _____ water _____ within _____ source of my E85 supply, what measures _____ quickly?

_____ might _____ water taint _____ 85 supply source.

What happens _____ the _____ taints _____ E _____?

_____ I keep _____ E85 _____ chain _____ being jeopardized _____ suspected _____ pollution?

How _____ deal _____ contaminated _____ 85?

_____ to _____ rid of water _____?

_____ you _____ to investigate _____ suspect water _____ their E 85 _____?

_____ to deal with _____ contamination _____.

I _____ a contaminated water _____ affects _____ biofuel.

_____ causes a problem in _____ E85 _____?

_____ my E85 _____ is free of water taint?

_____ deal _____ suspicions _____ E85 water _____?
 _____ do you _____ water pollution _____?
 _____ should I do _____ has water pollution?
 _____ E85 fuel _____ be contaminated _____?
 How to _____ H2O _____ in your _____ of _____?
 I am curious as _____ course _____ action if there is _____ in one's E _____ source?
 _____ about the _____ action if there is _____ of _____ taint in a supply source _____.
 _____ what do _____ with water tainting _____ fuel?
 What _____ should _____ if there _____ of water pollution from _____ E85 _____?
 _____ the next step to _____ in _____?
 If _____ suspect water _____ their _____ source, _____ they do?
 _____ handle the _____ of _____ pollution _____ E85 source?
 What should be _____ water contamination _____ E85 _____?
 _____ to _____ with _____ water _____ E 85 source?
 In the event _____ doubts about water _____ within _____ source _____ E85 biofuel _____ what _____?
 _____ am wondering about _____ of _____ if _____ a _____ water taint in _____ E85 supply source.
 What should be done if a person _____ may _____?
 Water _____ the _____ source.
 Can you _____ we _____ to take if we _____ biofuel?
 _____ do I _____ sure the E85 supply _____ is _____ suspected _____?
 Water _____ in _____ E _____ fuel _____ what _____?
 _____ there any _____ for _____ thinks their E85 _____ contaminated _____?
 _____ tell _____ my source _____ E85 _____ polluted with water?
 _____ you suspect _____ E 85 what _____ you do?
 If you _____ the _____ is _____ what should _____ do?
 _____ to _____ action _____ you suspect _____ contaminated with E 85?
 _____ we act _____ we suspect that the _____ E85?
 _____ E85 water is _____ being contaminated, _____ we _____?
 _____ to _____ on water pollution _____?
 Do _____ about polluted water in _____?
 Is _____ any advice _____ who suspects that _____ E85 _____ by _____?
 _____ act on the _____ of water pollution _____?
 _____ happen _____ I _____ in my E85?
 _____ water _____ problems in _____ E 85 _____?
 _____ causes _____ with the E 85 source?
 _____ tell us what actions need to _____ taken _____ we _____?
 _____ to deal _____ water _____ E85?
 If _____ doubts about _____ within the _____ E85 _____ supply, what should be done _____?
 _____ you suspect water pollution _____.
 There are _____ potential _____ from E 85 _____.
 Is _____ 85 supply possibly _____?
 _____ pollution _____ E _____ supply: what _____?
 Can _____ please tell _____ actions _____ necessary _____ we suspect _____?
 What's the next step _____ in _____ 85?
 _____ be done if _____ is _____ to _____ E85 supply source?
 _____ should one _____ if they _____ in their E85 _____?
 _____ should _____ do if they _____ source is contaminated _____ 85?
 How can I _____ sure _____ supply _____ jeopardized _____ suspected _____ pollution?
 How _____ with E _____ water _____?
 In _____ of doubts about _____ within the _____ of my E 85 _____ should _____?

____ should be done ____ remove suspected ____ pollution ____ E85 ____ ?
 ____ find ____ the water is contaminated ____ E ____ ?
 What ____ need to be taken immediately if ____ is doubts ____ water ____ within ____ of ____ ?
 ____ I ____ if ____ suspect ____ E85 is ____ with water?
 ____ my source of ____ at risk ____ ?
 ____ deal ____ suspected water pollution in the ____ ?
 ____ there ____ advice for ____ their E85 is contaminated ____ ?
 Do ____ have to ____ if ____ water ____ E 85 source?
 Now ____ should ____ done about ____ pollution in ____ ?
 ____ advice for ____ who ____ that ____ E85 ____ been ____ with water?
 ____ is ____ best way to ____ E85 ____ suspicions?
 What's ____ detecting water contamination ____ E85?
 Is ____ follow ____ if you ____ water taint ____ E85 fuel?
 Is ____ respond ____ water pollution in your ____ ?
 ____ case ____ doubts ____ water pollution within the ____ my E ____ supply, what measures ____ implemented ____ ?
 ____ to deal with ____ pollution?
 If the water ____ should we do with ____ ?
 ____ is ____ next step ____ water contamination in ____ ?
 In case of ____ about water ____ of ____ what measures ____ to be ____ promptly?
 ____ required if ____ suspect water-contaminated ____ ?
 Suggestions ____ water pollution ____ E85?
 ____ should be ____ suspects ____ from their E85 source?
 What ____ sure that my E85 ____ source is free ____ taint?
 ____ you tell ____ do if ____ suspect water-contaminated ____ .
 ____ if anyone ____ any advice for someone ____ their ____ contaminated with water.
 ____ we suspect ____ water ____ source ____ contaminated with ____ should we do?
 ____ you know how ____ suspected water pollution ____ ?
 Suggestions on ____ to ____ in ____ ?
 ____ you going to do ____ water ____ E 85?
 ____ do ____ suspected water pollution ____ 85 fuel?
 Is ____ advice for someone ____ suspects their ____ contaminated ____ water.
 There are ____ for ____ potential ____ pollution of ____ .
 ____ don't know ____ if I ____ E 85 is polluted ____ .
 Is ____ to ____ suspected ____ in ____ E85 source?
 There might ____ with ____ E85 ____ .
 What ____ be taken ____ in case ____ water pollution ____ source of my E85 ____ ?
 ____ you think ____ be ____ a person suspects water pollution from ____ ?
 ____ be done ____ my ____ 85 supply source from suspected ____ ?
 ____ do if I ____ is polluted with water?
 I'm ____ the ____ course of ____ there ____ suspicion ____ taint from one's ____ supply source.
 Is there water ____ supply?
 ____ you know what ____ we ____ to ____ suspect ____ E 85?
 What ____ they ____ if ____ is ____ be contaminated ____ E85?
 ____ I do if ____ think ____ fuel ____ polluted ____ water.
 ____ I ____ that the water in ____ E 85 ____ clean?
 ____ you ____ issues with your ____ fuel...
 ____ to ____ E85 has ____ pollution?
 ____ a ____ source ____ my E85 biofuel?
 ____ to ____ water pollution in the ____ source?
 What ____ needed when ____ water-contaminated ____ 85?

_____ you _____ about _____ water _____ your _____ source?

_____ respond to _____ in E85?

_____ can _____ do to _____ out _____ my _____ source?

_____ should _____ our E85 source if _____ suspicion _____ pollution?

Now _____ should we _____ suspected _____ in _____ 85 fuel?

How _____ I ensure _____ chain is not jeopardized _____ pollution?

We'd _____ know what actions _____ we suspect _____ E85.

How to _____ on _____ of _____ pollution _____.

_____ you _____ water is polluted _____ E85, what _____ going _____?

Is your _____ with water?

_____ should we do _____ our _____ there _____ of water pollution?

_____ water _____ found _____ be _____ in _____ supply _____ what should _____ do?

_____ the _____ of water pollution _____ my E85 source?

What do you do about _____ tainting _____?

How _____ deal _____ water problems _____?

_____ can _____ do _____ water is _____ E 85?

Suggestions _____ to detect _____ in E _____.

_____ it necessary _____ if _____ water taint _____ their E _____ supply source?

I'm wondering if _____ water source is _____.

Is there _____ who _____ 85 has water in it?

_____ do _____ water _____ of my _____ 85 fuel _____?

Water pollution _____ the _____ supply: _____?

I don't know _____ my _____ is polluted _____ water.

_____ should _____ out _____ with your E _____ fuel.

_____ should _____ if _____ their _____ may be polluted with E 85?

Water _____ fuel is a _____.

What _____ do if _____ that the water _____ with E _____?

_____ curious _____ the recommended _____ of action if there _____ a suspicion _____ in _____ 85 _____ source?

_____ you handle water _____ E _____ juice?

Do _____ need to worry _____ my _____ source _____?

If _____ water taints E85, what _____?

_____ steps _____ can be taken to _____ pollution _____ by _____ fuel.

_____ the E 85 _____ is suspected, now _____?

Are _____ with contaminated water _____ E _____ supply?

How do I keep _____ E85 _____ safe from _____?

_____ steps _____ an individual if _____ suspect water _____ from their _____ source?

_____ suspected to _____ contaminated in _____ supply.

_____ source pose _____ risk of _____ pollution?

_____ there _____ advice for someone _____ suspects that _____ have _____ contaminated _____ water?

You _____ out _____ with _____ E85 fuel.

If _____ E 85 _____ water _____ how _____ you _____?

What steps _____ taken _____ person suspects that _____ water _____ with E _____?

_____ to _____ if _____ think _____ stuff is polluted with water.

_____ your E _____ has water _____ how would _____?

What _____ you _____ about _____ tainting _____ bio _____?

_____ steps should be taken _____ our _____ source _____ E85?

So, _____ should I do if it _____ found that _____?

What _____ make sure the water in my _____ supply source _____?

_____ you able to tell _____ what actions _____ water-contaminated E _____?

_____ about water pollution _____?

the doubts water within source of my E 85 biofuel what quickly?
to deal possibly water 85 source?

What if the a E85 source?

What if I believe my 85 with ?

There steps the water E85 fuel.

be taken my E85 source of water pollution?

actions are necessary if water-contaminated E85 biofuel.

there suspicion of water pollution, should we E85 ?

How with that have contaminated E 85?

Is it to if suspect taint in supply ?

I like to the of is a of water contamination in source.

our water source is suspected contaminated we do?

you suspect water is E85 do?

case of doubts pollution within source E 85 should be quickly?

be the suspected water of E85 source?

85 at risk for taint?

you have any advice for suspects that with water?

if water ?

What if the is 85?

if one suspects that water tank.

any advice someone who suspects E85 may with ?

there are actions needed.

How do the pollution E85?

What if water with the 85 ?

am curious what course action if a suspicion of one's E85 source.

What be done a source contaminated with E85?

anything you can if you is 85?

you suspect water tainting actions take?

I know what if think my E85 water.

what do with water bio fuel?

Is there tainting the ?

Help now if is water 85...

water source is suspected contaminated with should be ?

suspect water may contaminated E85, should do?

an if they suspect that source may be with ?

Is there advice someone suspects their with water?

I to know course of if there a of watercontamination supply source.

In doubts the source my E85 biofuel supply, what need be quickly?

Is water source affects my E85 ?

I'm as the course there is suspicion water pollution in one's 85 .

what do you the your biofuels?

What be taken if an their water may be ?

done when a suspicion of in the 85?

There are to pollution of .

on contamination E85?

There's a procedure if taint in the .

I if my E 85 fuel supply?

are that can taken to address water E85 .

am to of if there a suspicion of water taint in one's .

What going suspect water is contaminated with E ?

____ are ____ next steps in ____ taint ____ 85?
