

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Conversion from gas to electric request
Inquiry Sub-Category	Timeline and scheduling for conversion
Description	Customers interested in obtaining information on the estimated timeline for completing the gas to electric conversion, as well as the scheduling of necessary inspections or equipment installations. They may inquire about potential disruptions to their energy supply during the process.
Data Size	5,020 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)
