

[Demo] NLP Dataset for Customer Service Automation

Company Type	Electricity Suppliers
Inquiry Category	Need for a new meter installation request
Inquiry Sub-Category	Meter Tampering Investigation Request
Description	Customers may report suspected meter tampering or irregularities, asking for an investigation to verify the accuracy and integrity of their electricity meter.
Data Size	5,069 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Electricity Supplier" customer inquiry. (Purchased data will not be masked.)

Is ____ accurately measuring my ____?

Is ____ accurate about ____ use ____?

____ meter capable of ____ usage?

____ measurement ____ electricity use on ____ meter accurate?

The accuracy ____ my ____ measuring ____ unknown.

____ it be ____ verify if my ____ consumed accurately?

____ is ____ a meter to measure electrical ____?

Is ____ meter readings ____?

Is ____ meter tracking ____?

____ my ____ meter reading ____?

What's ____ of ____ electricity ____ meter?

____ is the ____ of the ____ that ____ power usage?

I ____ sure that the readings ____ my ____ are ____.

____ myMeter ____ of power

____ the accuracy ____ meter ____ is measuring my ____ usage?

How sure ____ power ____?

I am ____ of ____ is for ____ electricity use.

____ know ____ my power meter ____?

____ the meter ____ electricity in a ____?

____ the accuracy of ____ I ____ my ____ use?

What is ____ of the ____ that ____ use?

Are you certain that ____ is ____?

____ meter ____ measuring my electrical ____?

The ____ my ____ shows ____ usage.

I am ____ measure my ____ what is ____ accuracy?

____ accurately measuring my uses ____?

____ the ____ of my ____ consumption ____?

____ my meter measuring ____?

____ say ____ readings on my electric ____ are ____.

_____ measuring my use _____ power _____?
 Is _____ measuring _____ power _____?
 I _____ meter that shows _____.
 _____ reading _____ amount of power?
 _____ you certain _____ my meter _____ tracks _____?
 _____ want _____ know _____ is accurate in measuring electricity _____.
 If my electric _____ measures _____ consumption, _____ you _____?
 _____ my meter _____ electricity in _____?
 What _____ the _____ of _____ used for power _____?
 _____ the accuracy _____ meter _____ tells me my _____ use?
 What is _____ accuracy _____?
 What's _____ accuracy _____ the _____ use _____ I _____?
 _____ is the accuracy _____ calculate my use _____ electricity?
 What is _____ of the meter that _____ I _____?
 _____ use _____ electricity is measured by a _____.
 What is the accuracy _____ the _____ in _____ my _____?
 _____ would _____ know _____ electric _____ measures power consumed accurately.
 How Accurate _____ when _____ calculate _____ electricity usage?
 _____ you certain that _____ meter _____ my energy _____?
 _____ is used _____ measure my _____.
 Is _____ meter tracking _____?
 _____ electrical usage _____ correctly.
 Is _____ meter _____ the _____ a correct _____?
 _____ electricity _____ being _____ measured?
 _____ accuracy _____ the _____ my _____ usage?
 What's _____ meter that I am using for _____?
 _____ is _____ in determining _____ electricity usage?
 _____ is the _____ of the _____ I _____ to _____ my _____?
 The accuracy _____ the _____ that my _____.
 How Accurate _____ meter _____ calculating _____?
 Is my meter _____ power _____?
 I _____ to _____ if my _____ measure electricity _____ correctly.
 _____ the meter _____ measures _____ usage _____?
 _____ the _____ counting the _____ a proper _____?
 Is _____ meter _____ proper way?
 _____ the _____ measuring my _____ usage
 I want to _____ meter _____ accurately measuring my _____.
 MyElectricity _____ is gauged _____.
 _____ is _____ the _____ I _____ using _____ figure out my electricity _____?
 _____ of the meter _____ my use of electricity?
 _____ it _____ my _____ to accurately measure electricity _____?
 _____ my electric _____ accurate _____ power _____?
 Is the _____ of _____ meter _____ measurement of _____?
 Is _____ my electricity?
 Is _____ electricity _____?
 What _____ accuracy of _____ meter _____ measures power _____?
 _____ accurate is my meter in _____?
 What _____ the accuracy _____ a meter _____ usage?
 What _____ accuracy _____ the meter _____ measuring _____ of electricity?
 _____ is the _____ of the meter _____ electrical _____?

Can _____ measure _____ use of _____?

_____ you _____ whether the _____ meter _____ energy consumption?

_____ sure _____ the _____ meter _____ accurate?

Can _____ verify _____ of _____ meter?

_____ sure _____ my _____ meter is _____ my consumption?

_____ my meters _____ electricity use?

What is the _____ the electrical usage _____?

Correct _____ electrical meter?

_____ is _____ accuracy _____ use for power usage?

Are _____ energy consumption _____ tracked _____ the electricity _____?

_____ my _____ being measured accurately?

_____ the _____ of _____ electric meter?

_____ is the accuracy _____ that _____ electrical usage?

_____ power consumption tracked _____ meter?

_____ electric meter _____ power consumed?

_____ like to know _____ electric meter _____ measures _____ consumed.

_____ possible to trust _____ measure electricity usage?

_____ is _____ the meter _____ my electricity use?

Is _____ meter _____ accurate?

The _____ of _____ used to _____ my use _____?

The accuracy of _____ my _____ use is _____.

Is my _____ meter?

_____ the electricity meter?

What's the _____ of the _____ that _____ use to _____?

_____ the _____ of _____ meter that's used _____ my _____ use?

How _____ meter _____ calculating my electricity _____?

I don't know _____ meter _____ usage.

Are _____ certain that _____ recording energy consumption?

_____ verify _____ of _____ electric _____ readings.

Can I be _____ electricity _____ correctly?

I am wondering if _____ tracks _____.

I'm _____ use measurement on _____ is accurate.

What is _____ accuracy of the _____ using _____ use?

What is the _____ meters _____ I _____ electricity?

_____ to know if _____ meter _____ counting _____ properly.

What _____ of the _____ that _____ my electrical _____?

Please check _____ readings _____ my electric meter _____ reliable.

_____ accuracy of _____ electricity _____ I _____ on my meter?

Is my _____ calculated by _____?

What's _____ accuracy of _____ meter that _____ electricity _____?

_____ is _____ my electricity usage?

The accuracy of the _____ used _____ my use _____

_____ is _____ the _____ I use _____ power usage?

_____ confirm _____ of my electric _____.

_____ am _____ energy meter is _____.

_____ myMeter measuring my _____ of _____?

_____ accurate _____ power meter _____

_____ want _____ know _____ myMeter _____ measuring my _____ of power.

_____ myMeter _____ my _____ power?

Is _____ monitoring _____ use _____?

What is _____ of the _____ used _____ measure _____ usage?

Do my electrical _____?

I _____ to know whether _____ readings _____ electric _____ reliable.

_____ am I _____ power meter?

What is the _____ of the _____ use _____ my _____?

_____ my _____ accurate in _____ power _____?

Is the accuracy _____ the _____ electricity usage.

_____ is the _____ the _____ use for my power _____

Is my _____ accurately _____?

_____ accuracy of a _____ that _____ use for _____ power _____?

_____ know if my meter _____ accurately _____ usage.

What _____ the _____ of the _____ my meter _____

_____ the electricity use _____ meter _____.

_____ the accuracy of _____ am _____ my electricity use?

_____ is _____ of the meter that _____ electricity _____.

_____ accuracy _____ the _____ use on my electricity _____.

Is _____ accurate _____ estimating my _____?

_____ is _____ power usage meters?

_____ accurate is _____ calculating _____ usage?

I _____ to know _____ electric meter _____ power _____.

How accurate _____ I _____ for my power _____?

I'm _____ if _____ meter _____ electricity usage _____.

_____ is _____ meter in figuring out _____ use?

I _____ know if _____ meter can measure _____.

Is it possible _____ my meter _____ electricity _____?

_____ to know if my meter is _____.

Does myMeter really _____ use _____?

Do _____ know _____ the readings _____ electric _____ are _____.

_____ my _____ electricity _____ trustworthy?

_____ I _____ sure that _____ accurately _____ my electricity?

_____ trust _____ meter _____ measure my _____ of electricity?

_____ be sure that my meter _____ usage?

_____ accuracy of _____ electricity _____ on the meter?

_____ my meter accurately measure _____?

_____ Accurate is my _____ in calculating _____?

Can _____ be confident that my _____ is _____ consumption?

On my _____ usage, _____ the _____ of the _____?

If _____ electric meter _____ consumed could _____ that?

Do _____ if _____ electricity _____ tracking energy use?

There is _____ assurance _____ my _____ accurately _____ electricity _____.

I _____ know _____ I _____ trust my _____ to _____.

_____ want to know if _____ meter is _____.

I _____ wondering _____ my electric meter _____ power _____.

_____ is _____ accuracy _____ that I use for my _____.

_____ my meter _____ power _____?

What is _____ accuracy of the _____ I _____ using _____ electrical _____?

Is _____ use _____ power accurately?

_____ is _____ accuracy _____ the meter I use for _____?

Can _____ be _____ meter _____ electricity usage?

_____ myMeter _____ of power accurately.

____ my power ____ accurately?
 ____ meter's measurement ____ my electricity ____?
 ____ you ____ meter accurately measures power use?
 Do ____ if ____ is precisely tracking ____ consumption?
 I wonder ____ is accurate.
 ____ is ____ meter for my ____ of ____?
 ____ the accuracy of ____ meter that ____ to ____ power usage?
 ____ a meter to measure my ____ usage, ____ accuracy?
 ____ if the readings ____ electric ____ are accurate.
 Is ____ possible ____ my meter ____ my ____ usage ____?
 ____ the meter ____ use ____ electricity use?
 ____ certain ____ my meter ____ following ____ use?
 ____ my power use ____?
 ____ of the electricity use ____ meter measures?
 What ____ do ____ meter accurately ____ electricity usage?
 ____ is ____ meter in ____ my electricity ____?
 ____ my meter ____ of power
 ____ it certain ____ electricity meter ____ energy usage?
 What ____ of ____ meter I ____ my use ____ electricity?
 ____ the meter that ____ use ____ measure ____ electricity use?
 How accurate ____ the ____ measurement ____ meter?
 Is ____ accuracy of the ____ use measured ____?
 ____ any chance that ____ will correctly ____ electricity ____?
 Which ____ of ____ electricity use ____ my meter ____?
 Is ____ right?
 ____ you ____ if ____ electricity meter tracks ____?
 Can I ____ measurement ____ electricity ____?
 ____ is the accuracy of ____ meter ____ to calculate ____ of ____?
 ____ the accuracy of ____ electricity ____?
 I want ____ if ____ power ____ is ____.
 ____ is ____ the ____ that I use for electricity ____?
 Is ____ the meter ____ usage?
 What is the ____ of ____ that ____ use?
 Do you know ____ the power ____ my ____ accurate?
 ____ if ____ can ____ the ____ electricity readings.
 What is the accuracy of ____ measurement ____ on ____?
 I ____ to ____ the accuracy ____ electricity ____ measurement.
 ____ I ____ of ____ meter's electricity ____?
 ____ use measurement ____ the meter ____?
 What ____ the accuracy of the ____ that ____ electrical ____?
 ____ right to measure ____ usage?
 ____ my ____ electricity correctly?
 The ____ to measure my ____ electricity.
 ____ gauged by a meter.
 ____ on ____ meter to accurately measure ____ usage?
 ____ is the accuracy of the ____ am ____ to ____ usage?
 ____ my meter ____ power ____?
 What ____ the ____ the ____ used to ____ electricity ____?
 ____ Electricity ____ accurate?
 What is the accuracy ____ the ____ that ____ measures?

_____ able to measure electricity _____?
 _____ accuracy of the meter _____ I _____ my electric use?
 _____ my Meter measuring _____ use _____?
 The _____ of the meter that _____ use _____.
 Do my meters _____?
 _____ the measurement of my _____?
 _____ check _____ readings on _____ electric meter _____ they _____ reliable.
 Is my _____ accurately.
 I _____ to _____ accurate the power _____.
 I _____ unsure _____ my meter will measure _____.
 _____ accuracy _____ the _____ that _____ my electrical usage?
 Is _____ exact?
 The _____ the _____ for my use of _____?
 What _____ accuracy _____ the _____ am using for _____?
 How _____ meter I _____ using to _____ usage?
 _____ certain _____ my energy consumption is _____ meter?
 Do _____ the readings on _____ meter _____ reliable?
 _____ my _____ usage being _____?
 Is it certain that _____ is tracking _____?
 _____ the accuracy _____ the _____ that measures my electricity _____?
 What is the _____ the _____ tells me _____ usage?
 _____ is _____ accuracy _____ the _____ that's _____ for measuring _____ usage?
 What _____ the _____ of _____ electric _____?
 _____ is _____ accuracy of _____ that's used _____ electricity usage.
 _____ my _____ measured precisely?
 How accurate _____ power _____ me?
 What _____ the accuracy _____ electricity _____ that _____ measures?
 Let me _____ on my _____ meter _____ accurate.
 Accurate _____?
 Will my _____ be _____ electricity usage?
 _____ meter showing electricity _____?
 _____ accurate _____ electricity _____ measurement on _____ meter _____?
 _____ is _____ accuracy _____ meter that _____ my electrical _____.
 Please _____ if _____ readings on _____ electric _____ are _____.
 Would _____ be _____ to _____ electric meter _____ measures _____ consumed?
 _____ the _____ the _____ that I am using to measure my _____
 What is _____ the _____ that I am using _____ measure _____?
 _____ the _____ of my _____ usage?
 What _____ the accuracy _____ the _____ that _____ meter _____?
 I _____ confirm _____ the _____ my electric _____ are reliable.
 _____ is _____ meter's _____ measuring electricity _____?
 _____ that my electricity meter _____ measuring _____ use?
 _____ my use of power?
 _____ my power meter?
 What is the _____ the meter that _____ my _____ usage?
 _____ electricity meter tracking my _____?
 _____ my _____ accurately measuring _____ power?
 What is the _____ the meter _____ am _____ electricity _____?
 _____ it _____ for my _____ correctly _____ electricity use?
 What is the _____ I _____ using on electricity?

Is _____ any chance _____ accurately _____ electricity use?
_____ is my _____ in estimating _____ usage of _____?
_____ in _____ my use _____ Power?
Is my _____ by _____ meter?
Does _____ meter _____ power consumption _____?
I don't _____ if my _____ electricity usage _____.
_____ record electricity usage?
_____ capable of measuring _____ accurately?
Please tell _____ if _____ readings on the _____.
I need _____ accuracy of my _____ electricity _____.
Is _____ meter _____ in measuring _____?
What _____ the accuracy _____ the meter _____ my _____?
_____ accuracy of the _____ that _____ for my usage of _____?
_____ measure my _____ correctly?
_____ accurate _____ electricity use _____ on the _____?
What _____ the _____ I _____ using to _____ my electricity usage.
_____ correct _____ the power _____?
_____ degree _____ accuracy of _____ electricity usage meter?
How Accurate is _____?
_____ is the accuracy of _____ that _____ my _____?
_____ is _____ meter that shows _____?
What is _____ accuracy _____ I _____ using _____ measure my power _____?
_____ electric reading be _____?
_____ to know if _____ meter _____ electricity accurately.
Is the _____ of _____ my _____ accurate?
_____ the _____ is for measuring _____ usage?
_____ the accuracy _____ the _____ to _____ my _____ usage?
_____ accuracy of _____ meter that's measuring _____.
_____ my electricity _____?
Please tell _____ if _____ readings on _____ reliable.
_____ the _____ my _____ measuring _____ use?
_____ my _____ measuring my _____?
_____ is the accuracy of _____ meter _____ use _____ usage?
_____ meter tracking energy _____?
How _____ is my _____ by _____ meter?
Are you certain _____ the electricity meter _____?
_____ myMeter _____ calculating _____ use _____ power?
_____ the accuracy _____ the _____ that calculates electricity _____?
Is myMeter _____ power _____?
Is _____ consumption _____?
What's the _____ of _____ using on my _____ usage?
_____ be sure that my _____ being counted _____?
_____ want _____ if the meter measuring _____ usage _____ accurate.
_____ accuracy _____ the electricity use that _____ measures _____ question.
What is _____ accuracy _____ electricity _____?
_____ is _____ of _____ meter that _____ use to use _____?
What is _____ accuracy of the meter _____ on _____?
Is my _____ appropriately?
_____ like to _____ my _____ meter accurately measures power _____.
_____ I trust my _____ to _____ my electricity _____?

What _____ the electricity use that my _____?
 Have _____ if my electric _____ accurately measures _____?
 _____ my _____ be _____ measured?
 _____ meter reliable to _____ use?
 What _____ accuracy of the meter that's _____ my use _____?
 I want _____ how accurate the meter _____ my _____.
 How _____ is the _____ for _____?
 Are my _____ accurate _____ measuring _____?
 _____ trust my meter to _____ how _____ electricity _____?
 _____ confirm the _____ of the _____ my electric _____.
 I don't know _____ electric _____ accurately _____ power _____.
 Are you certain _____ following energy _____?
 _____ is the _____ of _____ meter's _____?
 Are you _____ the _____ is tracking energy _____?
 Are _____ certain the _____ is _____ by _____ electricity _____?
 I _____ to know _____ the _____ on the _____ reliable.
 What is the _____ that measures electricity _____?
 _____ is the accuracy of _____ use _____ calculate _____ usage?
 Are my _____?
 _____ is the _____ of _____ that _____ use _____ electricity use?
 Can _____ meter is _____ correct amount of electricity?
 _____ I be sure _____ meter _____ electricity _____ correctly?
 What is the _____ of _____ on _____ electricity _____?
 _____ my electrical _____ being _____?
 What _____ accuracy of the _____ measures _____ electricity _____?
 Is _____ meter _____ electricity consumption?
 _____ meter is _____?
 Are _____ my _____ meter is _____ energy consumption?
 What _____ the _____ electricity use _____ my _____ has?
 _____ certain _____ my electricity meter _____ my energy _____?
 What is _____ accuracy _____ measurement _____ the electricity _____ on _____?
 Is _____ accuracy of the electricity use _____?
 _____ myMeter _____ me _____ much _____ use?
 _____ my _____ meter _____?
 I _____ if _____ meter is accurate in measuring _____.
 Can I trust _____ of _____ to measure _____?
 Is _____ of the meter _____ measure _____ usage?
 _____ my _____ usage being _____?
 What _____ of the _____ that _____ the electrical _____?
 What's _____ of _____ meter that I _____ my _____ usage?
 Do you know _____ the _____ meter _____ measures _____?
 I want to _____ electricity use _____ meter measures _____.
 What is _____ accuracy of a meter _____?
 The _____ of the _____ electricity usage.
 I _____ my power meter _____.
 _____ accuracy of _____ Electricity _____ measurement _____ my _____.
 _____ electric _____ accurate _____ measuring power?
 _____ it possible that my electric _____?
 _____ of _____ that tracks my electrical use?
 _____ I ask _____ electric meter _____ power consumed?

_____ electric _____ accurate?

Was my _____?

_____ accurate is _____ that _____ am _____ my electricity usage?

_____ the accuracy of _____ I _____ manage my _____ usage?

I _____ if my meter _____ accurate _____ measuring _____ electricity _____.

_____ accurate _____ the _____ that _____ on my _____ use?

_____ is my meter _____ calculating my _____.

How _____ the meter _____ calculating _____ Electricity _____?

_____ is the _____ that I _____ my power _____?

What _____ the _____ of _____ that measures _____ usage?

_____ my meter is _____ calculating _____ of electricity?

What is _____ accuracy of _____ that _____ of electricity?

What is _____ of _____ I am using _____ my electricity _____?

What _____ the accuracy _____ meter measuring _____?

Is _____ accurately measuring _____ use _____.

What _____ of _____ meter being _____ for my power _____?

Do _____ know if my _____ usage _____ being _____?

What is _____ accuracy of _____ meter that I _____ to _____?

_____ energy _____ accurate?

Is my meter _____ power _____?

_____ is _____ accuracy of _____ meter _____ determining my _____?

_____ of my _____ showing _____ usage?

I wonder _____ of my _____ is a _____.

_____ I be _____ my _____ is accurate _____ measuring _____ consumption?

What _____ the _____ electrical usage _____?

_____ the _____ of _____ electricity use calculation _____ meter?

I _____ like to _____ my meter _____ reading _____.

_____ Accurate _____ meter _____ electricity usage?

_____ my electricity meter _____?

_____ wonder if my _____ is _____.

What is _____ accuracy of _____ tracks _____ of _____?

What is _____ accuracy _____ meter _____ measures _____ use?

Did _____ electric meter _____ accurately?

The _____ the meter in _____ my _____.

_____ is the _____ the meter for _____?

Is my meter _____ electricity _____?

How accurate is _____ meter _____ on my _____?

_____ is the _____ a meter used _____ measure my _____?

_____ the _____ of a meters measurement of _____?

Is _____ that my _____ record electricity usage?

How _____ meter in tracking _____ consumption?

_____ to _____ my meter records electricity use _____?

I may _____ accuracy _____ my electric meter.

_____ using a meter to _____ my _____ use, _____ the _____?

_____ wondering if _____ meter _____ electricity properly.

_____ the accuracy _____ the _____ that tells me _____ much _____ I _____?

_____ Accurate _____ usage _____ is?

_____ don't _____ my meter _____ counting electricity _____.

What is _____ accuracy _____ the meter that's measuring _____?

_____ the accuracy _____ my electricity _____ my meter?

_____ myMeter _____ my _____ power?

What _____ the accuracy of _____?

Is it _____ that _____ electric _____ measures _____ consumed?

What is _____ of _____ meter _____ using _____ my use of _____?

Is _____ meter accurate _____ electricity _____.

_____ you _____ my _____ is _____ energy usage?

_____ accuracy _____ electricity use _____ on _____ meter?

What _____ the _____ which my power meter _____?

_____ do I know _____ the _____ electricity _____ that _____ meter measures?

_____ the accuracy _____ an _____ usage _____?

Do _____ know _____ my _____ measures power _____ accurately?

_____ Accurate my power _____?

_____ my _____ meter _____ tracking _____ use?

_____ the meter in calculating _____ power _____?

Is the _____ of _____ use measured _____ meter?

_____ the meter is the _____ of my _____ electricity.

_____ chance my _____ will _____ record electricity usage?

How accurate _____ power _____?

_____ electrical usage _____ right?

Please _____ readings on _____ meter.

_____ safe to say _____ meter correctly records _____?

_____ my power _____ meter?

I _____ meter _____ measure electricity _____ correctly.

I want _____ know _____ counting electricity fairly.

What is the _____ my meter _____ electricity _____?

My electricity usage is _____.

Is my _____ reliable?

Are _____ that my _____ tracking my _____ usage?

_____ my power _____ tracked _____?

_____ trust _____ accuracy in measuring _____ consumption?

_____ it safe _____ my meter records _____ correctly?

_____ are my _____ calculating my _____ use?

_____ the _____ my power _____ meter.

_____ my _____ electricity usage _____?

_____ it _____ that _____ energy consumption?

_____ my _____ accurate in _____ electricity _____?

_____ am wondering _____ is reliable.

Will _____ electricity meter _____?

_____ myMeter accurate _____ measuring my _____?

_____ electric meter _____ accurate?

Is my _____ good _____ measuring _____?

Is _____ accurate in _____ electricity _____?

_____ meter _____ measure my usage correctly?

_____ telling me _____ power consumption?

Is my _____ by _____ meter?

_____ is the _____ the _____ I _____ my electricity use?

What _____ accuracy of _____ meter that _____ using to _____ usage?

_____ are _____ electricity use measurement on _____ meter?

Is _____ precisely tracking _____ energy _____?

_____ I _____ sure that my _____ accurate _____ of electricity?

What's _____ accuracy _____ the meter I _____ electrical _____?
 _____ electrical usage _____ assessed _____?
 _____ Meter accurate in measuring _____ of _____?
 Is it _____ for my _____ correctly record _____?
 Please _____ if the readings _____ electric _____ reliable.
 _____ capable of measuring _____ use _____?
 What _____ the accuracy _____ the _____ use _____ electricity usage.
 Is _____ counting _____ in a _____?
 _____ accurate _____ a _____ is it?
 _____ is _____ assurance that my meter _____ record _____ usage _____.
 Do _____ my _____ meter accurately measures _____ consumption?
 What is _____ meter that _____ electricity usage?
 _____ Accurate _____ my meter _____ my _____ usage?
 _____ if my electric meter measures _____ accurately.
 What _____ my electricity _____?
 Is _____ that my _____ records _____ correctly?
 _____ the _____ use measurement _____ my _____?
 _____ the _____ measuring electricity usage.
 Will my _____ the _____ a proper _____?
 _____ want to _____ meter accurately _____ power consumed.
 _____ if _____ energy _____ is reliable.
 How Accurate _____ meter in _____ electricity _____?
 How _____ the _____ used to measure electricity _____?
 Can I _____ on _____ meter _____ measure electricity consumption?
 _____ if my _____ meter _____ measures power usage?
 _____ you sure _____ electricity meter _____ following _____ consumption?
 I would _____ to _____ my _____ meter is _____.
 _____ you sure _____ of the electricity _____?
 Do you know _____ the readings _____ electric meter _____?
 What _____ of the _____ that measures _____ usage?
 Is _____ tracked accurately?
 _____ don't know if _____ is _____ counting _____.
 _____ the readings on my _____ meter are _____.
 _____ my power _____ be tracked _____ my _____?
 How accurate _____ that I am _____ for _____?
 What is _____ of the _____ me _____ power usage?
 _____ measure _____ power use?
 Is _____ my _____ use?
 _____ of _____ meter _____ used for my power usage?
 _____ if the _____ on my _____ meter _____ reliable.
 I would _____ to _____ how accurate _____ is.
 Does my meter _____ a _____?
 Is _____ meter _____ to _____ correctly?
 Will _____ meter be able _____ how much electricity _____?
 _____ my meter _____ me _____ use?
 _____ I _____ sure that my _____ is _____ electricity?
 _____ the accuracy _____ the _____ I'm _____ measure my _____ use?
 What is _____ accuracy of _____ am using _____ electricity usage?
 Is myMeter _____ of _____?
 _____ is the _____ of _____ use _____ I measured?

Can I be sure that _____ electricity _____?

_____ the _____ of the _____ using for _____ power usage?

_____ the accuracy _____ my _____ electricity _____?

Is my _____ electricity measurement?

_____ tell _____ electric _____ measures power consumed accurately?

Is my _____ my _____?

What is _____ the meter I _____ monitor my _____?

_____ is the _____ of _____ meters _____ measure _____ of electricity?

What's _____ accuracy _____ the _____ use that _____ meter _____?

_____ the accuracy _____ that shows _____ usage?

Can I be _____ meter _____ usage correctly?

_____ in _____ use of power?

What _____ the _____ of _____ that my meter _____?

Should I _____ eye _____ the accuracy _____ my _____?

_____ the accuracy of the _____ I _____ using _____ usage?

Is the _____ of the meter _____ electricity _____?

What _____ the _____ the _____ am using to determine _____ usage?

_____ meter recording _____ usage?

Is my _____ measured?

How _____ my electricity usage _____?

Does my _____ track _____ usage _____?

Will the _____ meter _____?

Does my _____ me _____ power _____?

Will _____ meter _____ electricity _____?

_____ accuracy _____ the meter _____ measures my _____ electricity

_____ meter _____ in a _____ way?

_____ is _____ accuracy of the _____ to _____ electricity usage?

_____ accurate _____ meter in measuring _____?

Is my electrical _____?

_____ use is measured _____ meter.

_____ verify _____ the readings _____ my electric _____ accurate.

Check the readings _____.

_____ am unsure if my _____ can measure _____.

_____ my _____ meters _____?

_____ don't know _____ is _____ electricity properly.

You can _____ my _____ accurately measures power _____.

I would _____ to _____ if my _____ usage.

What is _____ the meter used _____ my _____?

Is _____ that _____ meter correctly records _____ electricity _____?

_____ meter to accurately measure electricity consumption?

_____ is the _____ I _____ using to _____ my _____ usage?

_____ the _____ accuracy measuring electricity _____?

_____ meter accurately record _____?

What _____ of the _____ that I'm _____ to _____ use?

_____ are the meters _____ my electricity _____?

Please check _____ on _____ electric meter are _____.

What's _____ accuracy of the _____ I use _____?

_____ you tell _____ my electric meter _____?

Is _____ uses of _____?

Does my meter _____?

____ my meter ____ properly?
 ____ my ____ use accurate?
 Is it ____ to measure ____ correctly ____ my ____?
 I ____ if my ____ accurate.
 There is no guarantee ____ my ____ record ____.
 Is my ____.
 Is ____ power ____ my meter?
 What is ____ accuracy ____ meter that ____ using ____ power ____?
 ____ my meter's electricity ____?
 Is ____ accuracy ____ meter that's measuring ____?
 ____ the electrical meter ____?
 What ____ the accuracy of the ____ that ____ am ____?
 Will ____ accurately ____ use of ____?
 How accurate ____?
 ____ myMeter ____ my use of ____?
 What ____ of ____ that measure ____ electrical usage?
 ____ my meters ____ electricity ____?
 ____ myMeter accurate ____ measuring ____ power ____.
 ____ my meter track ____?
 Is ____ accurately ____ my ____ power?
 ____ consumption tracked correctly?
 ____ meter is in ____ electricity ____?
 Please ____ that the ____ my ____ are correct.
 What ____ the accuracy of ____ use ____ my ____?
 ____ accurately measuring my ____ of ____?
 ____ the ____ of the meter ____ use for my ____?
 Can ____ trust ____ meter to use ____ correct ____?
 What ____ the accuracy of ____ meter ____ counts ____?
 Please ____ whether the readings ____ my ____ reliable
 ____ my ____ accurately ____ my electricity ____?
 Please confirm that ____ on ____ electric ____ reliable.
 Is my ____ usage ____?
 ____ you ____ me if ____ readings ____ electric meter are ____?
 Is ____ accurate in calculating ____?
 ____ you certain of ____ accuracy ____ the ____?
 Please ____ that the ____ electric ____ are reliable
 Can I trust ____ my meter ____ measure ____?
 ____ to ____ accurate ____ meter is in measuring my ____.
 Can the ____ measurement on ____?
 ____ don't ____ if ____ can ____ electricity use correctly.
 I am ____ if ____ meter ____.
 ____ my ____ tracked ____ by my ____?
 I'm ____ if my ____ measures power ____.
 ____ it possible ____ meter ____ electricity correctly?
 ____ want ____ the ____ the ____ use that my meter ____.
 I ask if ____ reliable.
 Is ____ of the meter the measurement ____ use ____?
 ____ am ____ if my ____ meter ____ measures ____ consumed.
 Is ____ use ____ power.
 The ____ the ____ used to measure my _____.

Does my _____ usage?

Will _____ meter _____ track _____ consumption?

What is _____ accuracy _____ meter _____ I _____ to _____ my _____?

Please let me _____ whether or not _____ are reliable.

_____ am wondering _____ meter accurately measures _____ consumption.

How accurate _____ the meter _____ my _____ use?

Will my _____ correctly?

_____ make _____ on my _____ meter are valid.

_____ the _____ the meter that measurement _____ usage?

Does myMeter _____ my _____?

What _____ the accuracy _____ use calculated _____ my _____?

_____ there _____ guarantee that _____ meter will accurately _____?

Do _____ meter is _____ my energy use?

Is _____ in measuring _____ use?

Is _____ that _____ meter _____ tracking energy consumption?

_____ is the _____ the _____ I am _____ on _____ usage?

_____ the accuracy _____ the _____ meter I am _____?

_____ how _____ is _____ power _____?

_____ meter _____ power consumption.

_____ to _____ my _____ is accurate in measuring electricity _____.

_____ know if _____ electricity _____ tracking energy use?

_____ tell _____ whether _____ not _____ readings on my _____ are _____.

Is _____ tracking my _____?

Is my _____ capable of _____?

_____ power meters _____?

_____ the electricity meter _____ energy usage?

What is _____ accuracy of the _____ usage?

Does my electric _____ power _____?

_____ the _____ the _____ I use for _____?

_____ the accuracy _____ meter _____ am _____ to measure electricity _____.

Is _____ the meter for my _____ of _____?

_____ accurate to _____ electricity use on _____ meter?

Is _____ electricity meter _____?

Is the _____ accurate _____ electricity _____?

_____ if my meter accurately _____ usage?

Is _____ meter _____ point?

_____ the _____ the _____ am using for electricity usage?

The _____ of the meter that _____ measure _____ use.

_____ is the _____ of _____ I am using _____ usage?

_____ is the accuracy _____ meter?

There _____ no _____ that _____ my electricity usage _____.

_____ is a meter that _____ to _____ my electricity _____.

What _____ accuracy of a _____ that _____ use?

I want _____ know _____ is _____ in _____ electricity usage.

Are _____ sure that my _____ is doing _____?

_____ like to know _____ my _____ is counting _____.

What is the _____ my meter _____?

Would it be _____ to check _____ electric _____ measures _____?

The accuracy of _____ electricity _____ is being _____.

What is the _____ of _____ of _____?

How _____ meter _____ calculating my _____ usage?
What is _____ accuracy of _____ in determining _____?
_____ is _____ accuracy _____ meter that shows _____ electrical _____?
_____ the accuracy _____ the meter that _____ me _____?
How Accurate is _____ meter _____ electricity _____?
Is _____ of the meter that _____ my _____?
Can I _____ of _____ meter _____ measure electricity usage?
Are my electrical _____?
_____ the accuracy of _____ meter _____ usage?
Is _____ being _____ accurately?
Is _____ of my electric _____?
_____ the accuracy of the _____ that _____ use _____ electricity?
_____ the _____ the meter _____ determining _____ electricity usage?
How Accurate _____ my _____ electricity _____
The _____ the electricity use _____ meter.
_____ it _____ for my _____ to measure _____?
_____ accurate is _____ I am _____ on _____ use?
_____ the _____ my use of electricity _____?
_____ is the _____ the _____ used _____ electrical usage?
_____ Accurate is _____ meter in calculating _____?
_____ myMeter measuring _____ power _____?
_____ meter _____ electricity correctly?
What _____ measurement on _____ meter?
_____ don't know if _____ can _____ to _____ electricity correctly.
What is _____ of the _____ that _____ usage?
_____ you certain that _____ electricity meter is _____?
Is _____ meter _____ electricity _____ it _____?
_____ electricity _____ evaluated by _____ meter.
