

[Demo] NLP Dataset for Customer Service Automation

Company Type	Water and Wastewater Utility Companies
Inquiry Category	Account and customer information updates
Inquiry Sub-Category	Meter Reading Updates
Description	Customers reporting changes in their meter reading due to repairs, replacements, or noticing discrepancies in their consumption.
Data Size	7,336 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Water and Wastewater Utility Company" customer inquiry. (Purchased data will not be masked.)

Can you explain _____ inconsistencies _____ and new _____ readings for _____?
_____ differing readings _____ the old _____ new _____.

There _____ with _____ old and _____ meters' readings.

What is _____ with _____ reading _____ between old _____ new _____?
_____ tell me _____ in old vs new _____ readings?

I would like _____ the _____ the _____ vary _____ old _____ new _____.

_____ and _____ don't show _____ same readings.

_____ causes _____ in _____ readings between the old _____ new _____?
_____ differences _____ old and _____ meters' _____.

_____ and new meters' readings should _____ clarified.

Is there a reason _____ old and _____?

Is there _____ for _____ irregular _____ on _____ and newer _____ see?

Why _____ the previous and current meters.
_____ older and _____ meter _____ be _____?

_____ the recorded measures _____ previous _____ current meters.
_____ causes _____ newer meters' data

I _____ wondering _____ you could _____ an _____ irregular _____ seen when comparing older and _____.

_____ come _____ readings _____ my old meters _____ my new _____?

Is _____ to give _____ explanation for _____ older and newer _____ usage _____?

What _____ reason _____ inconsistencies _____ older _____ meter readings?
_____ are _____ the readings of the old _____.

Do you _____ new meter numbers?
_____ are _____ in old _____ new _____.

_____ causes _____ in older _____ newer _____?

Why _____ old and new _____ readings _____ up?

The _____ on my _____ not match _____ the new _____.

What _____ differences in _____ meters?

There are _____ the _____ old _____ new meters for _____.

Why _____ and _____ readings different for me?

Is _____ for the discrepancies in readings _____ old _____?

_____ there discrepancies between _____ newer _____?

_____ know why _____ readings of _____ and new meters _____.

_____ know _____ and new _____ don't fit together.

_____ is _____ between _____ and _____ meters.

I've _____ some differences _____ from _____ and new _____.

Is there _____ vary between _____ new meters?

There can be _____ and _____ data.

What is _____ among newer and _____?

_____ why _____ the old and new meters are _____?

Tell me _____ could be divergences _____ the two _____.

_____ necessary to _____ differences _____ old and _____ meters' readings.

You should _____ the _____ between old _____ readings.

I _____ explanation _____ the differences in my old _____.

_____ you _____ for _____ irregular notes on older _____ newer meter _____?

The old _____ meters _____ show _____ same _____ for _____.

Can _____ tell me the _____ between _____ old _____ numbers?

When comparing notes _____ and newer meter _____ could _____ give _____ the _____?

_____ old and new _____ show the _____

_____ account for _____ meter records?

_____ there _____ the _____ between old and new meters?

What is _____ older _____ newer _____ readings?

I _____ why _____ vs _____ meter readings _____ different.

_____ new and _____ different?

_____ is making _____ meter readings different?

_____ in old and _____ meter readings?

_____ discrepancies between _____ meters' readings.

_____ an explanation as _____ why _____ are _____.

Tell _____ why _____ meter _____.

_____ the measurements on _____ and new _____ different?

_____ the variations _____ measurement _____ from _____ and upgraded meters _____ from your _____?

I am _____ by _____ readings _____ older _____ newer _____.

_____ any reason _____ variations _____ measurement _____ from previous and _____ meters?

Can you explain _____ are _____ old and _____?

_____ there are _____ readings _____ previous _____ current meters.

_____ don't _____ why my old _____ meters don't _____.

What _____ mismatches between _____ and newer _____?

_____ old and new meter _____ add up?

_____ have an _____ why my past and _____ meter's data _____?

_____ discrepancy _____ the old _____ the new _____ data.

The discrepancies _____ and newer meter _____.

_____ you _____ me _____ for _____ readings on older and newer _____?

_____ and new meters _____ the same.

Why _____ old _____ meters have _____?

_____ discrepancy between _____ old _____ meters' data

_____ these variations in _____ from _____ and _____ meters _____ sense?

_____ have noticed some _____ between _____ old _____ new _____.

_____ the readings _____ old to _____ meters _____ differ?

I'm _____ as to _____ readings _____ between _____ and _____ meters.

_____ on older and _____ meter usage irregular?

_____ is mismatches _____ versus newer _____.

Tell _____ why _____ are _____ these two types _____.

There's _____ in readings from _____.

_____ reason _____ the discrepancies _____ old and _____ meters readings?

_____ shed light _____ the readings vary _____ and new _____?

_____ us _____ there are discrepancies _____ the _____ and _____ meters?

_____ the _____ with _____ between _____ and new _____ readings?

Do the _____ results _____ and _____ meters _____ an _____ from _____?

_____ and newer _____ readings _____.

_____ are there differences _____ readings _____ and _____ ones?

There are _____ in _____ old _____ new meters' _____.

_____ the recorded readings vary between _____ and _____?

Is _____ reason _____ and new _____ readings don't add _____?

_____ wondering _____ there are _____ vs _____ meter readings.

_____ are _____ the _____ old and new meters.

_____ there _____ discrepancies _____ and new meters' _____ for me?

_____ you tell me _____ between the _____ new readings?

_____ the _____ discrepancies between _____ old and new _____ readings?

_____ old and the new _____ readings _____.

_____ curious _____ variation of old _____ new _____ readings.

Please tell _____ why _____ between the _____ and new _____.

I've noticed a _____ the _____ from _____ meters.

_____ the _____ of _____ new meters

Can _____ us _____ are _____ previous and current- generation meters?

Is it possible to _____ explanation _____ seen when comparing _____ older and _____?

Do _____ why _____ present meter's _____ are not _____ consistent?

_____ do older and newer _____?

_____ come _____ and new _____ do not _____ up?

Why _____ the _____ and the _____ not _____ up?

_____ do readings _____ meters differ?

There _____ old _____ newer meter _____.

Care to _____ why _____ old _____ don't add up.

Why are _____ in _____ of old and _____?

_____ causes discrepancies _____ old _____ newer _____?

_____ are _____ differences _____ the recorded _____ between my _____ current _____?

Would you _____ able to _____ between historic _____ current _____?

There _____ old/new meters' readings.

The _____ old _____ meters' readings need _____ clarified.

I'm _____ the changes in _____ and _____ readings.

Why are there _____ in recorded measurements _____ previous _____?

I have _____ question about _____ on _____ and _____ meters.

_____ noticed that there are discrepancies _____ and new meters.

_____ can you _____ us about _____ observed in _____?

I've noticed _____ from old and _____ match _____.

What _____ old and new meters?

Why the _____ old and new _____ for _____?

_____ there _____ explanation for the _____ meter recordings?

_____ true _____ the _____ from previous and _____ are different?

_____ meters' readings are not _____.

What _____ causing mismatches _____ newer _____ ?
_____ it _____ that _____ readings differ?
_____ reading differences between _____ and new _____ .
_____ are _____ and _____ meters' readings.
_____ give an explanation for _____ between _____ old and new _____ ?
_____ old _____ new _____ don't _____ .
_____ there are _____ and new _____ ?
Is _____ a reason for _____ between the _____ and _____ ?
_____ there _____ for _____ differences _____ old and _____ meters?
What's going on _____ the _____ and _____ meters' readings?
Tell me why _____ a _____ meter records.
Please explain why _____ measurements _____ previous and _____ meters.
_____ the _____ the old _____ new _____ readings not _____ up?
Why _____ the _____ older _____ newer _____ differ?
_____ on my _____ and old _____ don't _____ .
Do you _____ of differences _____ versus _____ reads?
_____ and new meters _____ ?
_____ readings from old _____ meters to change?
How come _____ on _____ meters _____ match up?
_____ don't show the same readings _____ me
_____ the _____ new _____ data different?
_____ has the old _____ differed?
_____ there an explanation _____ notes _____ when comparing _____ and newer _____ ?
Have these _____ from previous and _____ merit _____ explanation?
_____ discrepancies in the _____ and _____ readings.
There are _____ meters' _____ .
Is _____ different data between the _____ meters?
What could _____ tell us _____ between _____ and new _____ ?
Do you _____ there is _____ old and _____ data?
_____ new meters don't _____ up.
_____ there discrepancies _____ the _____ and new _____ my _____ ?
What _____ discrepancies _____ and _____ meters' readings?
_____ explain why _____ and new meter _____ don't _____ ?
_____ you tell us why _____ are _____ in _____ of _____ meters?
What causes the _____ readings between _____ and _____ ?
There are _____ in _____ old and _____ meter _____ .
Why _____ numbers not the _____ ?
Do _____ know _____ the readings _____ old _____ meters differ?
_____ discrepancies _____ and newer _____ readings
There are discrepancies in _____ readings.
_____ old _____ are not matching.
_____ there _____ explanation _____ the _____ notes on _____ and _____ usage found?
_____ old _____ new meters show different _____ .
How can _____ discrepancies between _____ and _____ ?
Why are _____ and current- _____ meters different?
_____ it possible to give _____ explanation _____ notes _____ older _____ meters?
_____ and newer _____ vary?
_____ you _____ any _____ into _____ the _____ of _____ and _____ meters are _____ ?
_____ and _____ show the same readings for _____ .
There are _____ with older _____ .

Does the ____ measurement results ____ previous ____ upgraded meters ____ ____ ?

Is ____ an explanation for how ____ and newer ____ usage ____ ?

Can ____ me the ____ in ____ readouts from past ____ ?

What is ____ reason ____ discrepancies between ____ new meter ____ ?

____ idea why ____ past and present meter's ____ different?

There are differing ____ older ____ .

What ____ the ____ with ____ between ____ old and new ____ ?

____ between old ____ Meters readings.

How come ____ readings ____ and new ____ ?

____ why there ____ be ____ between these two ____ of ____ .

____ the readings different between ____ old ____ meters?

Can you ____ in ____ from past ____ meters?

____ do ____ numbers on ____ meters?

____ recorded measurement change between my previous ____ ?

There ____ among older ____ newer ____ .

I ____ to ____ why the ____ between ____ new meters.

____ old ____ new meters' ____ different?

____ do not match the readings on ____ new ones.

____ new and old ____ different ____ .

____ tell me ____ reason the ____ between old and ____ ?

____ curious ____ the meter readings are ____ .

Why ____ see ____ on ____ and modern meters?

____ problem ____ reading differences ____ old and new ____ ?

____ reason for ____ different meter ____ ?

Is it possible ____ differing old and ____ ?

The ____ between ____ and ____ meter ____ unexplained.

____ differences from old ____ meters?

____ old and new meters' ____ for me?

____ discrepancies in reading ____ to ____ meters?

How can ____ between ____ and ____ meters' readings?

Why ____ there inconsistencies in ____ readings ____ older ____ .

How ____ you explain ____ differing old ____ meter ____ ?

I'm wondering ____ there are ____ and ____ meters' ____ .

Can you tell me ____ old ____ meter numbers?

Tell ____ variations between readings ____ meters.

Do you ____ why my ____ present meter's data ____ ?

Any ____ on ____ the ____ and new ____ readings?

There were inconsistencies between ____ .

Why the ____ and ____ up is a mystery.

Can ____ me about ____ old and new ____ ?

Why ____ old ____ new meters ____ up?

What is ____ cause ____ differences in ____ new meters?

____ am ____ seeing ____ on my ____ modern meter?

We ____ to ____ old ____ meter readings don't add ____ .

What ____ for ____ different ____ results ____ previous and upgraded ____ ?

What ____ the ____ in ____ by ____ new meters?

Did ____ know ____ the old ____ new meter readings ____ ?

What ____ readings from ____ and ____ to differ?

There are problems ____ new ____ .

____ between the old ____ new meters.

_____ variations _____ from previous and upgraded meters _____ an _____?

Why _____ old _____ differ?

_____ are there _____ between _____ and _____ readings?

_____ reason _____ the readings _____ old and new meters _____?

Why _____ the old _____ meter readings _____ to _____?

_____ are discrepancies _____ readings between old _____ meters.

The old _____ reading _____ not _____ up.

_____ discrepancies between _____ new meters.

_____ should clarify _____ inconsistencies between _____ and new _____.

_____ and _____ meters _____ different readings for _____.

_____ doesn't _____ new meters' _____ match up?

There are some _____ in _____ recorded measurement _____ previous _____.

Why _____ the old and _____?

_____ happened to the readings _____ old and _____?

_____ are _____ both _____ and _____ meter readings.

_____ causes the _____ old and _____ to be different?

There is a _____ the _____ and new _____.

_____ you _____ about _____ variations in old and _____ meter _____?

_____ mismatches _____ meters vs _____ ones?

I've _____ discrepancies _____ readings _____ new meters, could _____ some light _____ this?

_____ have _____ explanation for _____ inconsistencies between _____ and _____ meters' _____?

What's up _____ differences _____ old and new _____?

_____ are _____ reasons _____ newer _____ readings are different?

_____ there _____ explanation for what _____ to be irregular _____ newer meter _____?

_____ possible to give _____ seen _____ comparing notes _____ older _____ newer meter _____?

_____ the reason for _____ from _____ to newer _____?

Why _____ and newer meter _____?

I need _____ there _____ inconsistencies _____ old vs new _____.

_____ me know _____ meter _____ different.

Is it _____ to _____ for _____ irregular _____ on _____ and newer _____ usage.

There are discrepancies _____ meters.

_____ measurement results from _____ meters _____ explanation from you?

Why _____ old _____ meter readings _____ up?

_____ does the data _____ meters _____?

Why _____ on old _____ new _____?

I'm not sure _____ readings _____ between _____ and _____.

Is there _____ for the _____ meter recordings?

_____ recorded _____ differ _____ my _____ and current meters?

There have _____ discrepancies _____ older _____ newer _____.

_____ are there discrepancies in _____ from older _____?

Care _____ explain _____ new meter readings don't _____?

_____ differences _____ the old and _____ meters?

I'd like to know _____ the _____.

_____ differences in _____ from past to current meters?

I don't see the _____ from _____ new _____.

What's _____ problem _____ the _____ old _____ new meters?

Is there _____ explanation for the _____ seen _____ newer _____ usage?

I want to _____ if _____ light on _____ discrepancies _____ the old _____.

_____ discrepancies between _____ new meter _____.

_____ the reason _____ different readings _____ newer meters?

_____ explanation _____ differences in _____ notes on _____ and _____ meter usage?

I need _____ explanation as _____ the _____ my old _____ new _____ match.

What _____ between _____ new meters?

Please explain _____ on _____ meters.

Please _____ me why there _____ differences _____ the _____ types _____.

_____ are _____ in _____ both _____ of meters?

_____ old and _____ meters do not show _____.

_____ clarify the discrepancies _____ and new _____.

_____ are _____ reading differences _____ new meters?

Do _____ know why my past _____ present _____ not _____ the _____?

What _____ mismatches in older _____?

_____ why _____ new meter readings _____ different.

_____ explain _____ variations in old _____ meter _____ further?

There are discrepancies _____ the _____ and _____.

_____ us _____ different readings of _____ new meters.

_____ you _____ me _____ in meter recordings?

_____ old and _____ meters don't _____.

_____ reason why there are discrepancies in the _____ old _____?

Could you _____ why _____ readings _____ old _____ new _____?

Is _____ that the _____ old _____ new _____ are different?

What is _____ older vs _____?

_____ about the discrepancies _____ old _____ readings.

Is there _____ the notes _____ and newer _____ look different?

What _____ you _____ the differences _____ meter recordings?

_____ curious about the _____ in the _____ and _____.

_____ am _____ seeing _____ numbers _____ my old and _____?

_____ causes _____ for _____ and _____ meters?

_____ are certain _____ between _____ and _____ meters' _____.

_____ want _____ know _____ are _____ collected by _____ and current meters.

There's a _____ between _____ and _____.

_____ readings on old _____ new meters are _____.

The _____ old and new meters _____.

_____ the cause of mismatches in _____ newer _____?

Do _____ know _____ the _____ new readings of the meters?

Why _____ older _____ meters' data _____?

Give _____ an _____ are different _____ on _____ and newer meters.

What is _____ the _____ up _____ my meters?

What _____ causing _____ meters and newer _____?

_____ causes the _____ between old _____?

Why _____ the _____ collected _____ previous _____ current- generation _____?

_____ explain the _____ readings on _____.

I've _____ the readings _____ new meters do _____ match.

What _____ for the discrepancies in old _____ readings?

What _____ going on _____ the _____ and new _____?

Please tell me _____ there's a discrepancy _____.

_____ is _____ with _____ reading differences between _____ and _____ meters?

There _____ inconsistencies _____ readings from _____ to newer.

I _____ about the variations _____ old and _____.

_____ possible _____ clarify differing data between _____ meters?

_____ to know _____ causes the differences _____ and _____ meters.

Why _____ and new meter _____ not _____ up?
 Can _____ on why there _____ discrepancies between _____ old and _____ ?
 Is there _____ the differences in _____ the _____ new meters?
 What _____ differences _____ old _____ new _____ recordings?
 _____ my ancient _____ modern meters _____ differing _____ ?
 How come the _____ of _____ and new _____ ?
 _____ old _____ new _____ have different readings.
 What's the _____ with reading _____ old _____ new _____ ?
 I _____ understand _____ the meter _____ .
 Is there _____ reason _____ the _____ recordings?
 _____ old _____ have different readings?
 _____ an _____ what _____ when comparing notes _____ older and newer _____ ?
 _____ don't older and newer _____ ?
 Why _____ readings of _____ and new _____ ?
 Explain _____ new meters readings.
 There are _____ in _____ the _____ and _____ ones.
 Can you _____ why _____ old _____ meters are different?
 What _____ for _____ readings from older _____ newer ones?
 There _____ discrepancies _____ old _____ meters.
 _____ that _____ the _____ in readings between _____ and _____ meters?
 I've _____ readings from _____ and new _____ you _____ some light on _____ ?
 What are the _____ of _____ older _____ meters?
 _____ old _____ new _____ readings not matching _____ ?
 Is it _____ that _____ new meter readings don't _____ ?
 Why old _____ newer _____ readings?
 I _____ wondering if _____ give an _____ the _____ notes _____ older _____ newer meter _____ .
 _____ need an _____ asap for the _____ between _____ meters.
 Is there _____ explanation for the _____ old _____ readings?
 _____ caused the discrepancies _____ and _____ recordings?
 Is there _____ for the _____ on older and _____ ?
 The readings on my _____ new _____ match.
 Are the _____ observed _____ meter _____ you?
 My old _____ meters don't _____ up, I _____ explanation _____ !
 What _____ triggering mismatches _____ older _____ ?
 _____ old and new _____ match up?
 _____ there be any _____ variations in _____ results from _____ and _____ ?
 Older and newer _____ the _____ reading _____ me.
 _____ it possible to explain _____ differences _____ past _____ ?
 Some _____ and _____ the same readings.
 _____ readings not the _____ ?
 Readings on my _____ meters do _____ .
 _____ tell _____ the meter records _____ .
 I don't know _____ discrepancies between _____ and _____ readings.
 I _____ know what's going _____ with _____ new _____ .
 _____ is _____ mismatches _____ newer meters?
 _____ are _____ and _____ meters differing?
 _____ the readings different from _____ new _____ ?
 _____ question _____ discrepancies in readings from _____ to _____ .
 Why _____ readings are different _____ and _____ ?
 _____ cause of _____ and newer meter _____ differing?

_____ a reason for _____ older vs newer _____?
 _____ the old _____ don't _____ same readings for _____?
 There _____ in the _____ old _____ new meters.
 Can you _____ more about how old _____ meter _____?
 Can you explain why _____ meters are _____?
 _____ need _____ explanation about _____ discrepancies _____ my old _____ meters.
 Do the _____ results from _____ and upgraded _____ merit _____?
 I _____ the _____ vary between old and _____ meters.
 There are inconsistencies _____ meter readings from _____.
 When comparing _____ on _____ meters, _____ an explanation for the irregular _____?
 _____ explain why _____ are _____ data _____ previous _____ current meters?
 What is going _____ the reading _____ and _____ meters?
 _____ you know _____ data _____ previous _____ current meters differ?
 _____ reason why there _____ different meter _____?
 Understand _____ disparity _____ and new _____.
 _____ and _____ don't show _____ readings for me
 _____ explain why I'm _____ numbers _____ my _____.
 _____ are discrepancies _____ old _____ readings.
 Is _____ for _____ discrepancy between _____ new meters' data?
 _____ differences _____ the _____ new meters?
 _____ different measurement _____ from previous and _____ an _____ from _____ end?
 _____ were inconsistencies _____ old vs _____.
 Is there an explanation for the irregularities seen _____ on _____?
 _____ old _____ readings aren't matching _____
 _____ an _____ the different readings _____ older and _____ meters.
 What _____ differences in _____ and New meters?
 _____ readings on my _____ meters do _____ match _____ ones?
 I need an _____ the discrepancies between the _____ and _____.
 _____ discrepancies _____ the _____ and _____ meters' data.
 _____ it _____ that old _____ new _____ have different _____?
 _____ causes the _____ differences _____ old _____ meters?
 Is _____ to clarify _____ old _____ meters numbers?
 What _____ between _____ meters' data?
 _____ the _____ in _____ and new _____ readings?
 _____ of old and _____ meters.
 _____ causing mismatches _____ older meters _____ meters?
 _____ you tell us about _____ are _____ between old and _____?
 _____ are older _____ newer _____ different?

 Is it possible _____ the _____ and current meter _____?
 What's _____ the different _____ on older _____ newer _____?
 _____ my old and new _____ are not _____.
 _____ an explanation for _____ seen _____ notes on older and _____?
 Why _____ and new _____ same?
 There's an _____ old/new _____ readings.
 _____ the _____ the readings _____ between _____ and new _____ for _____?
 The _____ and _____ new meters don't _____ same _____.
 _____ are _____ and _____ meters showing different _____?

____ need an explanation as ____ my old ____ new ____ match ____.
 ____ want to ____ why the readings ____ meters differ.
 ____ determine why ____ old ____ meter readings ____ add up?
 ____ why there are discrepancies ____ old vs ____ meter ____?
 There ____ in meter ____ older to ____ ones.
 ____ are ____ old ____ to new ____.
 There ____ an ____ old/new meters ____.
 Explain ____ and new ____ readings.
 ____ causes discrepancies ____ meter ____ from ____ to newer ____?
 Why ____ the older ____ vary?
 How come ____ gauge results ____ than ____ results?
 Do you ____ there's a ____ between ____ old ____ new ____?
 ____ these ____ in ____ from ____ and ____ meters ____ any explanation?
 Tell us ____ and new ____ readings.
 How ____ there ____ different data ____ previous ____ current- generation ____?
 What are ____ reasons ____ the different ____ previous- ____ generation meters?
 ____ are ____ and new meter ____.
 ____ clarify ____ differences in old ____ meters' readings.
 There ____ in old versus ____.
 How come ____ new meters' readings are ____?
 I need an ____ on ____ old and new ____ do ____.
 ____ discrepancies ____ readings from the ____ and ____ new meters.
 ____ make clear ____ differences between old ____ new ____.
 ____ you say more about ____ variations ____ old ____ readings?
 Do ____ measurement ____ from ____ upgraded meters merit any ____?
 What is ____ the different ____ older and newer ____.
 ____ come the ____ on my ____?
 Do you ____ what's causing the ____ with my ____?
 Can ____ the differences in old ____ new ____?
 ____ meters don't match those ____ the new ones.
 Please ____ a ____ for the inconsistencies in ____ new ____.
 There have ____ readings ____ older ____ newer ones.
 ____ help me understand ____ readings ____ between old and ____?
 What causes ____ difference ____ reading ____ old and ____?
 Do you ____ an explanation ____ past and ____ meter's data?
 ____ the ____ and ____ meters have ____ data?
 ____ to ____ the ____ readings between ____ and new meters.
 ____ the differences ____ the ____ and ____ readings.
 ____ the discrepancy in ____ on my ____ and new meters.
 Why ____ readings from ____ to ____?
 There are ____ between the ____ new meters.
 Why are there ____ old and ____?
 ____ discrepancies ____ readings from ____ and ____ meters, can you ____ some light ____?
 ____ are ____ inconsistencies between old ____.
 Is there a ____ for ____ differences ____ old ____ meters?
 Is ____ a ____ there ____ discrepancies between ____ readings of ____ new ____?
 What ____ the ____ between old ____?
 I ____ an explanation ____ why ____ meters don't correspond.
 I need ____ explanation ____ my old and new ____.
 There ____ discrepancies in ____ new meter ____.

_____ a reason the old _____ new _____ have _____ ?
 _____ are differences _____ old versus _____ .
 _____ mismatches _____ versus newer meters.
 _____ was wondering what _____ the _____ in readings _____ and _____ .
 _____ old and new meters.
 There are _____ with _____ readings from _____ ones.
 _____ doesn't the _____ numbers _____ ?
 The old and _____ meters don't _____ exactly _____ .
 I've seen _____ between _____ old _____ new meters.
 Could _____ tell _____ about the readings _____ and new _____ ?
 Can you _____ discrepancy _____ the _____ meters' data?
 What's _____ deal _____ the stupid reading _____ old _____ meters?
 _____ inconsistency between old and new _____ .
 _____ the difference in _____ different _____ .
 I _____ to know why _____ discrepancies _____ readings of old _____ meters.
 Why _____ and newer _____ discrepancies?
 Is there _____ for the _____ and newer _____ usage?
 I'm _____ sure _____ inconsistencies _____ old _____ new meter readings.
 Please give an explanation _____ readings on _____ .
 _____ are discrepancies between _____ meter _____ .
 _____ between the _____ my old and new meters?
 Why _____ the old and _____ meters?
 There is _____ discrepancy in _____ and new _____ .
 What is _____ reason _____ inconsistent _____ to newer ones?
 Why _____ in the data collected by previous- _____ ?
 I need _____ why _____ old and new _____ measure _____ .
 Please _____ the differences between _____ readings.
 _____ you _____ more _____ about the variations in _____ and new _____ ?
 Do you know _____ seeing _____ and present _____ data?
 _____ causes discrepancies in _____ to new _____ ?
 The _____ old _____ don't _____ up.
 The old _____ meters don't _____ the same _____ .
 Is _____ an explanation _____ the strange notes _____ when _____ and _____ ?

 _____ need to understand _____ meter _____ different.
 Please _____ me _____ the _____ different.
 _____ curious _____ changes in _____ and _____ readings.
 Is there _____ for _____ irregular notes _____ older and _____ ?
 _____ discrepancies in _____ from old and _____ .
 _____ know why my past _____ meters' data _____ ?
 _____ there a reason _____ are discrepancies _____ and _____ ?
 _____ old and new meters _____ .

What ____ leading ____ in ____ meters ____ to ____ meters?
 ____ happening with the ____ newer ____?

I ____ to know ____ there are ____ on ____ and newer ____.
 ____ causes discrepancies ____ and ____ meters ____?

What ____ the ____ for ____ the readings from older ____?

I need ____ know why there ____ readings of ____ meters.
 ____ the old ____ new meters ____?

I ____ an explanation for ____ measurement on my ____ new ____.
 ____ and new meters aren't ____ same?
 ____ readings ____ old ____ the readings on my ____ meters.
 ____ are ____ old and ____ meters

Please clarify the ____ between ____ and ____.

There ____ readings ____ the ____ and ____ that ____ match.

What causes newer and ____?

____ are ____ different ____ older to newer ones.
 ____ it possible ____ to ____ the ____ between ____ current meter readings?

Why do ____ readings ____ to newer ____?

The ____ new meters don't always ____ the ____ me.
 ____ discrepancies ____ old and ____ meters.

Is it ____ explain ____ notes seen ____ comparing ____ newer meters?
 ____ old vs. new ____ readings.
 ____ readings ____ old ____ meters are different?

I ____ curious about the ____ new meter ____.
 ____ in measurement results ____ previous and upgraded ____ explanation from ____?

Why do ____ old and New ____ readings ____?

Can ____ me know why ____ old and ____ readings ____?

Is ____ reason there ____ discrepancies between the old ____?
 ____ why ____ old ____ new meters aren't the same.
 ____ is happening to ____ readings ____ and ____ meters?
 ____ reason for the ____ data ____ previous- and current-generation ____?

Why do the ____ have differing readings ____?

____ can there be ____ discrepancy ____ old ____ new meters ____?

Why is there ____ old and ____ data?
 ____ in the old ____ new ____ readings.

What ____ older ____ newer meters?

I ____ to know why ____ discrepancies ____ old vs ____.

Do ____ why I ____ different ____ from ____ past and present ____?

What ____ causing the ____ among ____ and ____ readings?

Why ____ the meter readings ____?
 ____ what ____ the ____ the old and ____ readings?

Is there a ____ for the ____ measurement ____ from ____?

____ there a mismatch ____ and ____ results?

What ____ with old and ____ meter ____?

Why are ____ different?

I need to ____ old and ____ meters ____ up.

Why ____ the ____ and ____ show ____ same readings?
 ____ is causing ____ newer meters ____ meters?
 ____ in older and ____ occur?

Does ____ variations ____ results from previous ____ meters merit an ____ your ____?
 ____ me why there was ____ in ____ records.

Give me an _____ differing readings on _____ and _____.

_____ to _____ out why _____ old _____ meters _____ add up?

_____ to understand why those _____ and new meter _____.

_____ the _____ in _____ and _____ meters _____

Can _____ me why _____ and _____ meter's data are _____?

_____ old _____ new _____ showing different _____?

_____ you explain _____ are _____ data collected _____ and current-generation _____?

Give me _____ as _____ why the _____ on older _____ meters _____.

Do _____ why _____ are discrepancies _____ and new readings of _____?

There are discrepancies in _____ between _____.

_____ there an explanation _____ difference between _____ newer _____ usage?

Why do _____ and current- generation _____ vary?

What _____ the discrepancies _____ meters' data?

I would like _____ the _____ and newer _____ are _____.

_____ causes the different _____ old _____ meters?

There is an _____ readings?

Is there a reason why _____ readings _____ vary?

I am _____ I _____ seeing _____ ancient and modern meters.

Can you _____ more _____ the _____ between _____ new _____ readings?

Do you _____ why the old _____ different _____ me?

Give an _____ for _____ data discrepancy _____ two _____.

Do you have _____ explanation _____ from previous and _____ meters?

Do _____ know why my past _____ present _____?

Is it _____ figure _____ differences _____ readouts from past _____ current _____?

_____ the mismatches in _____ versus _____ meters?

Why is the _____ data different?

_____ the discrepancies _____ old and new _____ readings.

_____ are some _____ old and new _____.

_____ have _____ discrepancies between readings from _____ meters.

_____ us why _____ on different _____ different.

Is _____ reason the readings for _____ new _____?

_____ at _____ measures, they don't _____ up, how come?

Do _____ explanation for _____ measurement _____ previous and upgraded meters?

How come the old _____ the _____?

_____ mismatches in _____ than newer _____?

_____ do the _____ meter _____ not match?

_____ the recorded measurements _____ between _____ previous and _____?

_____ and _____ meters _____ in data.

What's _____ reason _____ discrepancy between old _____ meters' _____?

There _____ inconsistencies _____ readings _____ old _____ new meters.

Why _____ between _____ and newer meter _____?

_____ tell me _____ the readings vary _____ and new _____?

_____ does the newer meter reading _____ from _____?

_____ is a _____ in old and _____.

I don't understand _____ and _____ are different.

_____ you know _____ there are differences between _____ collected _____ and _____?

_____ is the _____ for _____ up numbers _____ meters?

What _____ the reasons for _____ in _____ meters?

_____ there _____ reason _____ old and _____ meters' _____ is different?

I'm wondering _____ I'm seeing conflicting _____ modern meters.

What ____ discrepancies ____ old and ____ ?

What ____ the ____ for ____ inconsistencies in ____ new meter ____ ?

____ there discrepancies ____ the ____ and ____ readings ____ the ____ meters?

I'm not sure why the ____ on ____ new ____ up.

____ are mismatches ____ and newer ____.

____ there differences between ____ recordings of ____ and ____ meters?

Why are there ____ the recorded ____ the previous ____ ?
