

[Demo] NLP Dataset for Customer Service Automation

Company Type	Natural Gas Companies
Inquiry Category	Guidance on energy-saving tips
Inquiry Sub-Category	Renewable energy options
Description	Customers seeking information on incorporating renewable energy sources, such as solar or wind power, into their homes or businesses.
Data Size	8,671 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Natural Gas Company" customer inquiry. (Purchased data will not be masked.)

How _____ integrate wind power _____ and _____ on traditional sources?

Is it _____ to _____ wind _____ my _____ and _____ use _____ sources?

What _____ I _____ to integrate _____ my _____ operations?

_____ help me understand how _____ use _____ power _____ my _____?

_____ can I reduce my reliance _____ in _____ by _____ wind _____?

_____ do _____ fit _____ into _____ business?

How should the _____ of _____ the _____ of the _____ be _____?

For _____ reliance _____ how about _____ wind power?

Can _____ used in _____ business _____ cut _____ dependence _____ traditional fuel _____?

Incorporating _____ reliable eco-friendly business

_____ include wind power _____ our _____?

_____ is _____ to _____ wind _____ into a company's operations?

Is _____ incorporate wind _____ into my business to decrease _____ on _____?

How _____ I _____ power _____ reduce _____ dependence on _____ my business?

How _____ bring _____ for my business?

Is _____ possible _____ blend _____ power _____ cut _____?

_____ want to incorporate wind _____ into _____ company _____ away from _____.

I _____ I can add wind _____ operations.

_____ a way to integrate wind _____ and _____?

To minimize dependence on _____ use _____ power?

Is _____ use _____ in _____ business?

What _____ should be _____ to integrate wind _____?

Can _____ use _____ power _____ dependency?

_____ adopting wind power, _____ sources?

There are _____ to _____ wind _____ business.

Can _____ use wind power _____ my _____ of _____ sources?

Can _____ me _____ advice on incorporating wind _____ model?

Is it _____ utilize wind _____ minimize dependence _____ sources?

Can I _____ wind power to _____ the _____?

_____ power should be _____ into _____ to _____.

How do _____ wind power _____ my business _____ effective _____?

_____ can _____ wind power in my business _____ reduce _____?

How can _____ bring _____ our _____?

_____ you willing to _____ decrease my _____ energy _____ incorporating wind power _____ my business?

_____ adding wind _____ business _____ dependency on fossil _____?

_____ I get wind power _____ in _____?

Integration _____ power into _____ operations and _____ of _____ resources should _____.

_____ can I _____ wind _____ my _____?

Can _____ use _____ power to _____ dependence _____?

What can I _____ power?

_____ it possible _____ me _____ use wind power _____?

_____ wind energy to _____?

There _____ to use wind _____ for _____.

How _____ company _____ the _____?

How _____ I get wind _____?

_____ do _____ integrate _____ power into my _____ more sustainable way?

_____ use _____ wind power cut _____?

_____ business to use wind _____?

_____ I switch from traditional _____?

_____ I make _____ wind _____?

Is _____ to _____ power and reduce dependence _____?

_____ with _____ business _____ something I would like to _____.

_____ it _____ wind energy in _____ business.

_____ it possible _____ increase the _____ of wind _____ business?

_____ know how _____ include wind _____ within _____ company.

Is _____ possible _____ reduce _____ on conventional _____ wind energy.

Is _____ wind _____ my operations _____?

_____ introduce _____ energy _____ my company to _____ dependence?

_____ it possible _____ power with my business operations for _____ on _____?

_____ I utilize _____ energy _____ business?

_____ measures can _____ increase _____ use _____ wind _____ decrease my _____ on non-renewable resources?

Can I _____ energy _____ reduce _____?

How can I _____ wind _____ renewable _____ business?

Can there _____ a way to _____ wind _____?

How _____ we _____ power into our _____ in _____ sustainable _____?

How may _____ energy _____ company?

_____ we _____ the wind into _____?

Is _____ possible for _____ some _____ into my business?

_____ it possible to _____ wind _____ a _____?

Can _____ wind power in _____ cut dependence _____ sources?

_____ to introduce wind energy to _____?

_____ options for _____ power _____ my _____

_____ can we introduce _____ processes?

_____ I integrate wind _____ within my business _____ to _____ need _____?

_____ I incorporate _____ to my _____?

Is it _____ to _____ wind _____ into _____ business operations and reduce _____?

What could _____ do to _____ in my _____?

Is _____ possible to include _____ power _____ reduce dependence _____?

Is it possible _____ use _____ wind _____ my company?

How may wind _____ into our _____?

What _____ be _____ in order to integrate wind _____ operations _____ company?
 _____ to _____ wind _____ and _____ dependence _____ sources in my business.
 Can _____ blend _____ power into _____ business _____ decrease _____?
 Is _____ possible _____ put _____ wind _____ into _____ and eliminate old _____?
 What _____ do I have to _____ integrate _____ operations?
 _____ way to incorporate wind power _____ my _____?
 _____ might be able to _____ wind _____ within _____.
 _____ properly integrate _____ power into _____ operations?
 Do you have _____ guidance _____ incorporating wind _____ model?
 _____ to _____ wind power with other _____ to _____?
 How _____ down on traditional _____ by _____ turbines?
 _____ strategies _____ be considered _____ power _____ the _____ of a company?
 _____ can _____ do to integrate wind _____ my _____.
 Is it _____ use _____ power _____ diminish _____ tradition?
 For less _____ on old _____ about _____ power with _____?
 _____ wind _____ fit into my _____ the _____ for fossil _____?
 _____ you _____ use _____ to decrease my dependence on conventional _____?
 _____ energy be merged into _____?
 _____ possible for _____ business to _____ in place?
 Can you _____ into _____ business _____ cut dependence?
 How _____ I integrate _____ operations while _____ dependence?
 Is _____ a _____ integrate wind _____ into _____ operations _____ less reliance _____ traditional _____?
 _____ a way to _____ wind energy to _____?
 _____ I use _____ energy _____ my reliance _____ traditional _____.
 Adding _____ power _____ my _____?
 _____ used in _____ business?
 Will _____ be _____ to incorporate wind _____ business _____?
 _____ teach me to _____ power in a _____?
 _____ wind power into _____ what can I _____?
 _____ power _____ my business, _____ do _____ it effectively?
 Can _____ energy and _____ depend on _____ methods?
 _____ adding _____ energy to _____ viable?
 What _____ was used _____ biz _____?
 Can wind power _____ part _____ business to _____?
 How can I _____ business operations?
 Can wind power _____ used _____ our business to cut _____?
 _____ I _____ to my business _____ be effective?
 _____ I use _____ in my _____?
 _____ power _____ my business is one way _____ reduce _____ old _____.
 _____ you give me _____ energy into my _____ model.
 _____ into _____ operations, what measures can I _____?
 How can _____ power be _____ in business operations _____ conventional _____?
 _____ is the best way to _____ wind _____ into _____ company?
 _____ I use _____ windenergy _____ my _____?
 Wind power for _____ of _____ is _____ idea.
 Can _____ help _____ put wind _____ into _____ to _____ my _____ on fossil _____?
 Integrating _____ power _____ my _____ will _____ for less _____ on old _____.
 Wind power can _____ into my _____ to _____.
 Is there _____ way for my _____ wind _____?
 _____ should _____ in place _____ wind power into operations?

_____ I _____ energy _____ my _____ while moving _____ from conventional methods?

_____ incorporate wind energy _____ business.

Can I increase _____ use of _____ my _____?

_____ wind power _____ used _____ to _____ reliance _____ traditional sources?

_____ wind power for _____ operations?

_____ be taken _____ adopt wind _____ and decrease _____ resources.

_____ wind power into their operations?

_____ wind _____ or cut back _____ old-school fuel sources?

Will adding wind energy _____ conventional _____?

_____ I _____ wind _____ in order _____ dependence?

What _____ best strategies to use _____ company _____?

_____ I _____ to reduce _____ reliance?

_____ can I do to increase _____ my reliance _____ non-renewable resources?

_____ power _____ operations _____ using less traditional _____ be considered.

_____ we incorporate _____?

_____ wind power be _____ our business _____?

How _____ go about _____ wind power _____ business?

_____ about using _____ power with _____ to reduce _____ old _____?

Can I _____ wind _____ in _____?

Is _____ a _____ incorporate wind energy into _____?

Can _____ be used _____ our _____ to cut _____ fuel sources?

_____ should I _____ my business?

_____ me _____ to include wind energy in _____ business _____?

_____ I use _____ my place _____ business?

How to _____ power _____ traditional sources _____ dependence?

How can _____ energy be used _____ business _____ to cut _____?

How _____ I _____ use of _____ in _____ business?

Can _____ on how to incorporate _____ into my _____ model?

How can I use _____ in _____ more sustainable _____?

_____ there a _____ use _____ to _____ reliance on _____ sources?

_____ there _____ way _____ introduce wind energy _____ company?

Can you _____ me find _____ to incorporate _____ power _____?

_____ can wind farms be integrated _____ down _____?

_____ about merging wind _____ my _____?

Reducing dependence on tradition _____ incorporating _____ power.

_____ possible _____ wind power _____ operations _____ reduce the use of traditional _____?

Is _____ within my business _____?

Can _____ add wind power _____.

_____ I add _____ to _____ business?

How _____ the _____ to _____ power?

_____ I apply _____ reduce dependence _____ tradition?

How _____ reduce _____ on conventional sources _____ incorporate _____ in my _____?

_____ can I _____ to _____?

_____ wind power _____ in _____ ops?

Are _____ use wind _____ in my _____?

_____ can _____ with my operations?

_____ can _____ do _____ my _____ non-renewable resources _____ adopt wind power?

Can wind power ____ used ____ my ____ cut ____?

Can renewable ____ like wind ____ used ____ our ____ to cut ____ on ____?

Is it possible ____ integrate wind power ____ mitigate ____?

Is ____ a way to get ____ my ____?

Can ____ my business to reduce ____ fuels?

____ reduce ____ on traditional ____ wind power to my business ____?

____ can ____ wind ____ our processes?

____ can ____ get ____ energy ____ operations?

Can I ____ power to ____ tradition?

Can ____ to decrease ____ of traditional sources?

How can ____ energy in ____ to ____ dependence?

Are ____ to ____ in my business?

Is it possible ____ use wind ____?

How ____ add ____ my business?

____ more winds ____ sites ____ us ____ less ____ traditional supplies?

____ use wind ____ without ____ on ____ methods?

____ possible ____ energy ____ our business ____ down on fuel dependency?

____ can we do to ____ wind power ____?

How do ____ dependence on ____ sources while ____ wind ____?

Can adding wind ____ business help reduce ____ fossil ____?

____ to incorporate wind power into my ____ decrease ____ energy sources.

____ I ____ do to integrate wind power ____?

Is it possible to ____ addition of wind power?

____ can ____ do to increase ____ of ____ and decrease dependence ____?

____ it ____ adopt ____ and ____ reliance on non-renewable resources.

What ____ do ____ wind power ____ reduce reliance on ____?

Is there a way ____ to ____ energy?

Can ____ me how ____ use wind ____ my ____?

Integrating wind ____ with ____ business ____ for less reliance ____.

____ do I add wind power ____ good?

Is ____ to ____ wind ____ reduce dependence ____ conventional sources?

Is ____ to ____ power into my business ____ cut ____?

Can wind ____ be ____ in ____ business ____ down on ____?

____ I shift ____ wind power?

Is ____ combine ____ energy with my ____.

Is there ____ way ____ power ____ minimize dependence?

____ wind ____ with my ____ for less ____ on ____ sources.

Can ____ help ____ my business ____ incorporating ____ energy?

____ energy fit in my ____?

____ blend ____ power into ____?

____ can ____ do to ____ use ____ wind ____ and ____ my reliance on ____?

____ it ____ wind power to minimize ____?

How do ____ add ____ power ____ my ____ that ____?

Can ____ use ____ dump ____ sources?

How can ____ use ____ old- fashioned sources?

____ power be used ____ my ____ of traditional ____?

Can _____ use wind _____ order to _____ dependence _____.

Can _____ use wind _____ to reduce _____ dependence _____ tradition?

Is it possible _____ can get _____ juice _____ business?

_____ incorporating wind _____ business operations _____?

_____ do _____ integrate _____ power _____ operations with less _____?

_____ do _____ wind power _____ operations?

Can _____ to cut down _____ dependency on _____ in our operations?

_____ a way _____ integrate wind _____ and _____ use traditional _____?

_____ we _____ wind power _____ of _____ within our _____?

What can _____ company do _____ integrate wind _____?

What _____ do to properly _____ power into _____?

_____ measures are available to _____ wind _____ into _____?

_____ I _____ wind power and _____ dependence on traditional _____?

Integrating wind _____ my _____ means _____ old sources.

Can renewable energy _____ reduce dependence _____ business _____?

_____ integrated into operations for a decreased _____.

Can wind energy help reduce _____?

How _____ I _____ wind power to _____ energy my business _____?

Is _____ for _____ to get _____ wind _____ my business?

Is there _____ to _____ wind power _____ operations and _____ dependence _____ traditional _____?

Is _____ to blend wind _____ my business?

_____ can _____ decrease the use of conventional _____ of _____ in _____ wind _____?

Can you offer advice _____ how _____ incorporate _____ energy _____?

Can _____ give me _____ on incorporating _____ energy into _____?

Can _____ use _____ energy _____ my _____?

How can I _____ in my company?

Can _____ me _____ into my _____ in order to _____ my _____ conventional energy sources?

Is _____ feasible to _____ wind _____ my _____ operations?

_____ we _____ wind _____ within our _____?

How can _____ for my _____?

_____ it _____ sense _____ add wind energy _____ my _____?

I _____ in incorporating wind _____ into _____ to decrease dependence on _____.

Can wind _____ used in _____?

Can wind ____ be ____ in ____ ____ ?

How ____ ____ wind power a ____ ____ my operations?

Can wind power ____ ____ to ____ ____ use ____ traditional ____ ?

How ____ using ____ ____ ____ business operations ____ less ____ on old sources?

____ ____ ____ use of wind power ____ decrease my ____ on non-renewable ____.

Is it ____ to ____ ____ into my ____.

____ my business ____ ____ power?

____ can ____ ____ wind ____ to ____ dependence?

Can ____ suggest ways ____ incorporate wind ____ ____ ____ business ____.

Can ____ use wind ____ in ____ business ____ ____ dependence?

Can wind energy fit ____ ____ ____ ?

____ ____ our company use wind ____ ____ reduce ____ on ____ sources ____ energy?

____ ____ supposed ____ use wind ____ effectively?

____ ____ like ____ incorporate wind ____ ____ ____ business to decrease my ____ ____ ____ energy sources.

Can you ____ ____ increase my use ____ ____ and decrease ____ ____ on fossil ____ ?

Can ____ ____ increase the use ____ wind ____ ____ my business?

____ can ____ ____ into our ____ ?

Do ____ have a way to ____ ____ to ____ ____ ?

Can ____ ____ in ____ ____ help reduce fossil fuels?

____ wondering if ____ ____ some wind juice ____ my ____.

____ transform wind ____ ____ my business?

Can ____ ____ me ____ wind ____ ____ my ____ to decrease dependence?

____ would ____ to ____ ____ power with my ____ operations for ____ ____ on ____ sources.

Adding wind ____ ____ ____ how do ____ do it?

____ can I ____ wind ____ ____ my ____ ?

Can ____ ____ energy ____ ____ reduce dependence on traditional ____ ?

____ can I ____ ____ my ____ on non-renewable resources ____ adopt wind ____ ?

Is ____ a way to integrate wind ____ into my ____ ____ ____ on ____ ?

How ____ ____ energy be utilized ____ ____ ?

____ ____ I ____ wind energy ____ ____ company?

____ can I incorporate wind ____ into ____ ____ without ____ ____ means?

____ it possible ____ ____ wind power ____ ____ business operations?

____ you think ____ ____ to integrate wind ____ into company ____ ?

____ it ____ ____ company to incorporate wind ____ while shifting ____ from ____ ____ ?

____ to ____ wind ____ into my ____ ?

____ want ____ ____ power with ____ business operations for ____ reliance ____ old ____.

Can you ____ ____ incorporate wind ____ into ____ ____ ____ dependence on conventional energy ____ ?

____ ____ I ____ wind energy into ____ ____ ?

Is it ____ to ____ wind ____ within ____ company while ____ ____ ____ means?

Can I ____ wind ____ ____ ____ business ____ reduce my ____ on ____ sources?

Are you able ____ ____ me decrease my ____ ____ conventional ____ sources by incorporating ____ power ____ ____ ____ ?

Is ____ ____ to ____ ____ into my ____ ____ reduce dependency on traditional ____ ?

____ it ____ ____ decrease the ____ of conventional ____ of energy by ____ ____ ____ ?

____ combining wind power ____ my ____ ?

____ it possible to ____ ____ traditional reliance with the integration ____ ____ ____ ?

____ there ____ ____ to get some ____ ____ into my ____ ?

Can ____ ____ power cut ____ ?

____ you ____ ____ use wind power in ____ business ____ decrease my dependence ____ ____ ____ ?

____ renewable ____ be used to ____ ____ ____ operations?

How ____ blend wind ____ ____ ____ operations.

_____ integrate wind _____ into _____ business?

What _____ can _____ to _____ wind _____ my business?

Is _____ a way to _____ power _____ my operations _____ involve _____ sources?

_____ do to use _____ in my business?

_____ I integrate _____ energy to _____?

_____ there _____ way _____ energy to the company.

Ways to integrate _____ energy into my _____?

Ways _____ mix _____ into my _____.

What can _____ do _____ energy within my _____?

_____ possible to _____ dependency on _____ sources _____ using renewable _____ in _____ business?

_____ it _____ wind power to _____ in my business _____?

Are there _____ to _____ power into _____ operations _____ reliance _____ traditional _____?

_____ instead of _____ fuel?

_____ use wind power _____ dump _____.

Is _____ way to _____ wind _____ into _____ business?

_____ would _____ use _____ in my business

_____ able to increase wind _____ business operations?

Is _____ a _____ that my company _____ wind _____?

_____ the wind _____ my business?

How _____ included within my _____?

_____ I use _____ to _____ my _____ dependence?

How _____ wind _____ to my business _____ way _____ is effective?

How _____ use wind _____ operation?

Is _____ decrease reliance _____ methods _____ integrate wind energy?

Is it _____ to reduce _____ conventional _____ wind _____?

Is _____ a way _____ be integrated into _____ operations _____ from traditional _____?

Can _____ use _____ power in _____ business to _____?

Is it _____ incorporate wind _____ into _____ and use _____ traditional _____?

_____ energy be used _____ to cut down on _____?

Can _____ integrate _____ power _____ business to _____ on traditional _____?

_____ a _____ to integrate _____ power into _____ while reducing _____?

_____ I _____ grow my business?

_____ we _____ power to cut _____?

_____ it _____ power into my _____ decrease _____ on traditional sources?

_____ wind _____ reduce my _____?

_____ adding _____ dependence _____ traditional sources?

How _____ wind _____ into our _____ minimize _____ conventional energy sources?

_____ can I use wind energy _____ company _____ a _____?

How might _____ integrate _____ power _____ operations?

_____ add _____ power _____ my business?

_____ if I can _____ wind power to reduce _____.

_____ to integrate _____ into my business _____ reliance?

_____ decrease _____ traditional sources by _____ wind power?

_____ wind power _____ my business _____?

Is it possible _____ ditch _____ sources _____ power?

_____ use wind _____ decrease my reliance _____ traditional _____?

Is it possible _____ to _____ traditional sources to _____?

Can _____ power be used in _____ to _____ down _____?

_____ power _____ my business operations.

_____ can I _____ to _____ and decrease _____ reliance on non-renewable _____?

How can _____ power be _____ into business operations _____ dependence _____?

_____ teach me _____ use wind _____ a business?

What _____ take to _____ wind power _____ operations.

_____ decrease the _____ of conventional _____ by using wind power?

_____ do to integrate _____ into operations?

_____ renewable winds _____ business

_____ should be _____ to _____ wind power _____ and not use _____?

_____ power be used for _____?

Can _____ wind power to cut dependence _____?

_____ strategies _____ using wind _____ in company operations?

I _____ a question about _____ use _____ energy _____ my _____.

Integrating wind _____ my _____ it less reliant _____ old _____.

Is _____ energy in biz ops?

_____ how I can _____ wind energy _____ my _____.

_____ power be integrated _____ to _____ dependency on fuel _____?

How may _____ integrate wind _____ into _____?

_____ should _____ use _____ to _____ my business?

_____ dependency by integrating wind _____.

Can you give _____ guidance _____ incorporating wind _____ business _____?

How _____ wind _____ into my _____?

How can I _____ power and reduce _____ on _____?

How do _____ add wind _____ my _____?

Consider incorporating wind _____ trimming _____ old-school fuel _____.

_____ we _____ to our process?

_____ use wind _____ decrease _____ reliance on _____ methods?

_____ might my _____ incorporate _____?

_____ can we _____ wind _____ our _____?

What _____ to increase use of _____ power _____ reliance _____ non-renewable _____?

_____ use _____ energy _____ my business?

_____ I do to increase the _____ power _____ decrease reliance _____ non-renewable _____?

_____ energy?

_____ used in _____ to cut _____ on fossil fuels.

_____ can _____ wind power into _____ business operations _____ avoid dependence _____ conventional _____?

Idea _____ business operations instead _____ conventional fuels.

_____ wind power with my _____?

How can _____ wind _____ use traditional sources?

_____ about _____ wind power _____ minimize _____?

_____ use _____ power _____ business operations.

_____ possible to _____ wind _____ on traditional methods?

_____ wind _____ be integrated into _____ business _____ to _____ on _____ energy sources?

Is there any _____ can _____ energy _____ business?

Are _____ any _____ how _____ blend _____ power within _____ operations?

_____ I _____ wind _____ instead _____ on traditional methods?

_____ I switch _____ wind _____ for _____?

_____ it possible _____ use _____ power to _____ traditional sources?

Reducing _____ on tradition _____ possible _____ I incorporate _____.

_____ do to _____ wind energy in _____ company?

How _____ power be _____ into the _____?

What can _____ do _____ power _____ my business?

Will wind energy _____?
