

[Demo] NLP Dataset for Customer Service Automation

Company Type	Telecommunications Equipment Manufacturers
Inquiry Category	Product specifications and features request
Inquiry Sub-Category	Scalability and expansion capabilities
Description	Customers are interested in learning about the potential for expanding and adding more devices or features to the telecommunications equipment as their needs grow or change.
Data Size	7,328 paraphrases
Want to buy data?	Please contact nlp-data@gross.me via your business email address.

Masked sample paraphrases of one "Telecommunications Equipment Manufacturer" customer inquiry. (Purchased data will not be masked.)

_____ any _____ on expanding and _____ devices _____ to _____ telecommunications equipment in the _____?

_____ new _____ to _____ system _____ in any way?

If _____ to introduce _____ functions into _____ telecom _____ any _____ to overcome?

Is _____ restricted _____ device enhancements _____?

When _____ and integrating _____ components onto _____ in _____ future, _____ constraints?

Can _____ any constraints on _____ expansion _____ equipment?

_____ be _____ the _____ or addition of _____ features _____ the near _____?

Can _____ add _____ or features?

Can _____ expect _____ any _____ on adding _____ devices to _____?

Can _____ expansion of our telecommunications equipment?

Is there _____ for improving or _____ after?

Does _____ expansion of _____ equipment _____?

Is _____ possible to add _____ features _____ telecommunication products _____ forward?

_____ regarding _____ of our telecommunications _____

Is there a limit _____ expanding _____ features to _____?

Is _____ to _____ more devices _____?

_____ limits _____ new devices or features to _____ products?

There _____ hurdles _____ including _____ on these _____ gears.

Do you know if _____ expanding or _____ gear?

_____ restricted _____ telecommunications?

_____ future _____ equipment subject _____ constraints?

_____ it _____ problem for us _____ introduce extra _____ into this _____?

Does there a _____ on _____ or extending _____?

_____ future expansions _____ face _____ or limits?

_____ there _____ limitations on _____ new devices in _____ future?

Is there anything _____ us _____ adding _____ features _____ the _____?

Is _____ possible _____ new gadgets and _____ existing telecom _____ at some _____?

_____ limit on _____ extension or _____ telecom tools?

Can ____ add ____ devices ____ equipment?
____ restrictions ____ more ____ this equipment ____ the line?
Is ____ any limitations ____ addition?
____ it ____ to add ____ or ____ to this ____ in ____ future?
____ going to ____ growth of ____ comms gadgets?
If we want ____ functions into this ____ equipment, are ____ to be overcome?
____ any limits ____ adding ____ to ____ equipment?
Can ____ prevent ____ devices or features ____ telecom equipment?
Is there ____ on ____ integrating additional components ____ this ____ gear ____ future?
____ there be ____ regarding fresh elements/perks ____ telecom ____ the ____?
Will there ____ constraints on expanding ____ new ____ to this ____?
Will we be able ____ add new ____ in ____?
____ it possible to ____ features to this ____ equipment?
Will there be limitations on ____ ability ____ and ____ on ____?
____ there ____ limitations for evolving and ____ telecom ____?
Are ____ restrictions on adding new ____ this equipment ____ the ____?
____ on ____ expansion ____ telecommunications equipment.
____ there any limitations on ____ new ____ or ____ the ____?
What ____ the ____ increasing ____ of ____ devices later?
Will ____ face limitations ____ new ____?
Will there be ____ can add ____ to this equipment?
Will there be ____ obstructions ____ of beefing up ____ stuff ____ your ____ contraptions?
____ be done ____ enhance and ____ additional ____ onto this telecom ____ in ____?
Can ____ expanding or enhancing ____ telecom gear?
____ you have limits ____ adding ____ or ____ these products?
Do future expansions ____ face ____?
Can there ____ limitations on adding new ____ the ____?
____ there a limit ____ new ____ these telecommunication ____?
____ a ____ expanding ____ enhancing this telecom gear later.
____ it ____ or ____ new features ____ the future.
Can ____ be ____ on the future ____ telecom ____?
Will there be ____ new ____ to ____ equipment?
____ limit the ____ of new functionalities to this ____?
____ any ____ in adding ____ or ____ to these ____ gears.
Can ____ limit the addition of ____ later?
Is there a ____ of ____ that can ____ extended?
Is ____ any hurdles ____ features ____ these ____ gears?
Is it ____ for ____ and ____?
____ there any limitations ____ adding ____ or devices ____?
Are ____ extending or improving ____?
What are ____ limitations ____ evolution?
____ it ____ to ____ the ____ of new ____ to ____ gear?
Does this equipment have ____ expanding ____?
Is ____ to add ____?
____ a limit ____ expanding telecom ____?
Expect some ____ additional ____?
____ obstacles in ____ of ____ up ____ putting ____ stuff into your ____ contraptions?
Will there be ____ on ____ growth ____ equipment?
Can ____ problems in ____ when trying ____ add features to ____?
____ think ____ is a ____ expanding ____ enhancing this telecom ____?

There might be _____ the _____ telecom _____ in the _____.

Will _____ be restrictions on expansion _____ enhancement _____ this _____?

_____ there _____ any limitations _____ the ability _____ features _____ devices to _____?

There _____ expanding or enhancing this telecom _____.

_____ future _____ this _____ have constraints?

_____ you planning _____ limiting _____ of these _____?

Will _____ be _____ the _____ and _____ this equipment?

_____ are the _____ adding _____ stuff _____ this equipment?

If we want to _____ functions into this telecom equipment, _____ would prevent _____?

_____ enhance _____ features to this telecom equipment, are _____ any potential _____?

Will _____ be constraints for _____ to _____ in the _____?

_____ we _____ enhance or introduce _____ equipment, are there _____ potential obstacles?

_____ this equipment has _____ on _____ and _____?

_____ it _____ that _____ equipment has restrictions _____ enhancements _____ updates?

What _____ limitations _____ adding _____ to telecom gear?

What are the restrictions _____ adding _____?

_____ there _____ device enhancements and _____?

Will we _____ able _____ more _____ or _____ to _____ the future?

_____ new devices _____ features be added _____ products?

_____ to _____ or _____ new _____ this telecom equipment, _____ there any _____ we need to _____?

_____ it possible to include _____ capacities _____ these _____ gear?

Is _____ can _____ us from _____ more _____ features _____ this equipment?

_____ equipment to _____ new features _____ the future?

_____ future expansions of _____ constraints?

_____ restrictions on future _____ addition?

_____ any _____ future _____ of this telecom equipment?

Is _____ on expanding or incorporating _____ telecommunications equipment?

_____ there a limit on _____ much telecom gear _____?

_____ restrictions on expanding _____ adding more devices _____ equipment?

_____ of telecom equipment _____ face _____.

_____ there be constraints for _____ features _____ the future?

_____ be _____ restrictions _____ the ability _____ add new _____ devices _____ this equipment?

_____ telecom _____ have _____ constraints?

Can _____ expect _____ restrictions _____ incorporating new features into _____?

_____ there a limit _____ the _____ of our telecom _____?

_____ it possible _____ add _____ to _____ products in the _____?

_____ any _____ to expanding and _____ stuff _____ this _____ gear?

_____ are the _____ equipment evolving?

_____ there _____ restrictions on the equipment's _____ in _____?

Will _____ restrictions on _____ or _____ this _____?

_____ any _____ on _____ or _____ this telecom gear _____?

_____ I expect any difficulties _____ expanding _____ to my blasted _____?

Are there _____ constraints _____ equipment?

_____ to add _____ features or devices to _____ telecommunications _____ the _____?

Will _____ be _____ for _____ or adding new features with _____ to _____ equipment _____?

Can we expect _____ incorporating new features into _____ the line?

Is there any _____ to this equipment _____ line?

_____ there a _____ on _____ telecom _____?

Will _____ be _____ limitations _____ future _____ of this _____?

There _____ restrictions regarding the _____ of _____ the future.

_____ be _____ what we _____ do with this telecommunications equipment _____?
 _____ will _____ future additions/modifications _____ near _____?
 Is _____ limiting new _____ to _____?
 _____ a limitation on expanding and enhancing _____?
 _____ you _____ this equipment _____ on device _____ and updates?
 _____ it _____ them _____ the addition of _____ features _____ telecom gear?
 Will _____ additions _____ of this _____ be subject _____ limitations?
 _____ of this _____ have limits?
 Is there _____ limit _____ new devices _____ products?
 _____ might _____ regarding _____ of the _____ in the future.
 _____ there constraints to _____ capabilities _____ these _____ later?
 _____ restrictions _____ adding devices _____ this equipment?
 Will _____ constraints on adding _____ features _____ line?
 _____ are _____ restrictions on adding _____ telecom _____
 Can _____ restrictions on _____ enhancing _____ telecom gear?
 _____ we _____ restrictions on expanding _____ incorporating new _____ into _____ equipment?
 _____ possible _____ we _____ more _____ or _____ to this equipment?
 Will there _____ on expanding or incorporating _____ the _____ equipment?
 Can _____ be constraints on _____ additional _____ this telecom _____ in _____ future?
 Can _____ any _____ on _____ devices _____ features _____ this equipment?
 Does _____ what _____ deal is with _____ stuff _____ this telecom _____?
 _____ future _____ of this _____ constraints?
 _____ be any restrictions _____ on _____ ability _____ add _____ devices to _____ equipment?
 Are there _____ on _____?
 _____ limitations are _____ telecom equipment?
 Can I expect _____ problems _____ expanding _____ adding _____ equipment _____ the future?
 Is there _____ do to _____ more devices _____ the _____ equipment?
 Is there any obstacles _____ include _____ on _____?
 Is _____ the growth of our existing _____ by integrating _____?
 _____ beefing up _____ stuff to your commotion contraptions, _____ ahead?
 If we want to _____ introduce _____ to this telecom equipment, _____ need _____ contend with?
 _____ want to enhance or _____ extra functions _____ there any potential _____?
 _____ a _____ to prevent us from adding _____ or _____ this _____ equipment?
 _____ it _____ new features _____ devices with regard _____ this telecommunications _____?
 _____ there any _____ expanding or adding _____ to this _____?
 What _____ the limitations _____ equipment?
 _____ and _____ to this _____ are subject _____?
 Is _____ the capabilities of these devices _____?
 _____ we expect _____ restrictions _____ new _____ into this telecom _____?
 Can _____ or _____ more _____ later?
 _____ change this _____ upgrade it?
 _____ be _____ on the _____ of new devices?
 _____ there _____ restriction _____ expanding and enhancing this _____?
 Can there _____ constraints _____ increasing the _____ of _____?
 _____ equipment be expanded, or _____ in the future?
 What _____ regarding _____ expansion _____ our telecommunications _____?
 _____ expansions of _____ equipment _____ be _____.
 Should there be _____ on _____ to _____ equipment?
 Can we expect to _____ or incorporating new features _____?
 Might _____ be _____ on _____ upgrade of this telecom _____ following _____?

Is _____ limits _____ the _____ expansions _____ telecom _____?

Is there _____ restrictions on expanding _____ equipment?

Is _____ subject _____ on device enhancements _____ updates?

Can I expect _____ trying _____ features to my blasted telecom _____?

_____ there be _____ improving _____ tools?

Is there _____ restrictions on the _____ of _____?

Will _____ be any limitations _____ expansions and additions _____?

_____ are possible _____ of additional _____ into this telecom _____ in _____ future.

Is _____ a _____ growth _____ if we integrate new _____ into _____ telecom _____?

_____ additional devices _____ features?

Can _____ the addition of _____ features _____ gear later _____?

_____ be constraints on _____ increasing _____ these devices _____?

Are there any restrictions on the _____ gear?

_____ restrictions on _____ the equipment?

Can we _____ restrictions on _____ new _____ telecom equipment?

_____ there _____ restrictions on _____ devices to _____?

_____ it possible to add _____ features _____ telecom equipment in _____?

_____ restrictions on _____ expansion of this equipment?

_____ want to enhance _____ introduce _____ into this _____ equipment, are there _____?

_____ we be _____ in _____ new features _____ the _____?

_____ able _____ limit the _____ of _____ features _____ gear later?

What _____ limitations on adding new _____ telecom _____?

Is _____ a limit _____ the _____ of _____ telecom infrastructure _____ of _____ integration _____?

_____ they limit the addition _____ features later on _____?

Is _____ that _____ prevent _____ from adding _____ in the future?

_____ any restrictions _____ device _____ updates?

They _____ be able _____ the _____ of new functions _____ later.

Is _____ possible to _____ or add features to _____?

Will _____ face _____ in adding _____?

Will there be _____ in _____ future?

Can there be _____ cap _____ improving _____ tools?

_____ it _____ or have new features _____ it?

_____ they have the _____ limit _____ addition of new functions _____ gear _____?

_____ there _____ any restrictions _____ adding _____ to _____ telecom equipment?

_____ there _____ limitation _____ features _____ devices later on?

When _____ enhancing _____ integrating additional components _____ this _____ in the _____ any _____ constraints?

_____ new _____ and _____ be _____ to this _____ in the _____?

Is integrating new gadgets/features into _____ telecom _____ limitation _____?

_____ be restrictions on _____ upgrade _____ device in subsequent _____?

Can _____ any _____ I _____ to add features to _____ telecom _____?

_____ there be _____ on _____ this _____ equipment?

Can we _____ restrictions _____ adding new devices _____ telecom _____?

_____ there _____ constraints _____ expanding _____ of this equipment in _____?

_____ limit to _____ and enhancing telecom _____ later?

Are _____ limitations _____ adding _____ to _____ equipment later?

_____ there _____ on growing the capabilities _____ devices _____?

There _____ restrictions on expanding and _____ this equipment.

Are you planning _____ restrictions on _____ raising these _____?

_____ constraints _____ expansion _____ device addition?

_____ this telecommunications _____ constraints for _____ or adding _____ features in the future?

There may be _____ devices to _____ products.

Will there _____ any _____ expanding or enhancing _____?

_____ there a _____ new _____ into our _____ telecom infrastructure?

_____ the addition of new telecom _____ later on?

_____ might _____ restrictions _____ the use _____ fresh elements on this telecom _____.

_____ there be _____ or adding _____ features for _____ telecommunications _____ the future?

There are possible constraints on _____ and _____ onto _____ gear _____.

_____ for telecommunications equipment?

Going forward, _____ limits _____ adding new _____ or _____?

_____ this _____ or _____ new features added?

Can we expect _____ expanding or introducing new _____ telecom _____?

_____ be _____ on _____ devices down the line?

_____ add more features _____ devices _____ this _____ later?

_____ there _____ constraints on _____ apparatus?

_____ are the limitations _____ it comes to _____ and _____?

_____ the equipment have _____ enhancements _____?

Will _____ face _____ new _____ to our equipment?

Is _____ expansion _____ constrained?

Should _____ expect any _____ expanding or _____ devices into _____?

Is there any _____ devices or _____ this equipment?

Does _____ equipment have _____ adding devices _____ features _____?

_____ add _____ features _____ devices on this equipment _____ the _____?

Will _____ on adding _____ features to _____?

_____ there be _____ to _____ devices or _____ to _____ products?

Is _____ adding new features _____ telecommunication products?

Will _____ be _____ on _____ when it comes _____ apparatus?

Is _____ any _____ on _____ devices _____ the line?

_____ are _____ restrictions _____ new stuff _____ telecom gear?

_____ there _____ limit to _____ of telecom _____?

Are _____ any _____ on _____ upgrade of the _____ in _____?

If we want to _____ or introduce _____ to _____ are there _____ we need _____?

Are you _____ on raising or _____ down the _____?

Does _____ constraints _____ capabilities _____ these devices later?

If we want to _____ this _____ equipment, _____ there _____ potential _____?

_____ it possible _____ expand _____ add _____ the _____ equipment in _____ future?

_____ limitations to evolving and _____ telecom _____?

Is there _____ on increasing _____ devices?

Can _____ limitations _____ adding new devices _____ features _____ equipment _____ the _____?

_____ any restrictions on _____ new _____ into this _____?

Are _____ change _____ upgrade _____ gear?

_____ it restricted _____ any way to _____?

_____ constraints on expanding _____ adding new devices in _____?

_____ any limitations _____ adding new _____ to _____ in the future?

Will there _____ restrictions on _____ telecom gear?

Is _____ features _____ equipment _____?

What restrictions _____ adding devices _____ this _____?

_____ equipment _____ expanded or have _____ features added _____ future?

What _____ the _____ when _____ equipment?

_____ a _____ device enhancements _____ updates?

_____ expansion _____ additions of _____ equipment _____ any limits?

_____ restricted in terms of _____ and updates?
 _____ future _____ of _____ equipment _____ constraints _____ limits?
 _____ on future expansion of _____ equipment?
 What restrictions _____ adding devices _____ this telecom _____?
 There _____ possible _____ when _____ comes _____ more _____ to _____ telecom gear.
 Is _____ restrictions on _____ gear?
 _____ any limits to future expansion _____ telecommunications _____?
 _____ on _____ or incorporating _____ features into this _____ equipment?
 Is _____ anything _____ would prevent _____ from _____ features _____ this telecom equipment?
 Is _____ possible for the telecom device _____ elements _____ the _____?
 _____ it possible to include _____ capacities/features _____ the _____?
 Will they _____ able _____ the addition of new features _____?
 Can I _____ any _____ in _____ future when _____ to _____ features _____ equipment?
 _____ any restrictions _____ expanding or _____ the _____ gear?
 Will _____ be _____ to _____ more features and _____ to this equipment?
 _____ there _____ on expanding or _____ this _____ gear?
 Is there any _____ upgrade of _____ device _____ the _____.
 Is _____ to add _____ devices _____ this _____ later?
 _____ on expanding _____ adding new _____ telecom gear?
 _____ there a _____ and _____ telecom gear?
 _____ we be _____ add new features _____ the telecommunications _____ in _____?
 _____ be constraints on the _____ the telecommunications _____ the _____ future?
 _____ limits on evolving and augmenting _____?
 _____ it possible to _____ new _____ or features to _____?
 Will there be constraints _____ or devices _____ telecommunications equipment?
 If we want _____ or _____ extra _____ this _____ are there _____ potential _____?
 Is _____ to add _____ these telecommunication _____ in the _____?
 _____ equipment be _____ or _____ new features _____ in _____ future?
 Is there _____ or device _____?
 Are _____ on _____ growth _____ comms gadgets down the _____?
 Can _____ be _____ new devices or _____ to _____ equipment?
 _____ there be any limits _____ ability _____ add _____ and _____ to _____ equipment?
 _____ we _____ on adding new _____ this _____ equipment?
 Is _____ a _____ adding _____ devices or features _____ this _____ future?
 _____ there any constraints _____ this _____?
 _____ could be _____ on integrating additional components _____ gear _____ the _____.
 Does _____ a _____ on _____ or _____ telecom tools _____?
 _____ it possible _____ new gadgets _____ be integrated _____ infrastructure at some _____ the _____?
 Is integration _____ our _____ infrastructure limited _____ a _____ of growth?
 _____ any limits _____ our ability _____ add _____ to this _____?
 Can _____ new devices _____ features _____ equipment in the _____?
 Are _____ any restrictions _____ this telecom gear?
 What _____ expanding _____ adding new gear?
 Are _____ on adding _____ telecom _____?
 Is it _____ will limit _____ new _____ later on?
 _____ limitations are _____ for _____ or evolving _____?
 Is there _____ restrictions on _____ devices _____?
 _____ there any _____ more _____ or features?
 _____ there any limit _____ adding devices or features _____?
 Do _____ future expansions _____ telecom _____?

_____ might _____ to _____ the addition _____ new _____ telecom gear later on.

What _____ limitations of evolving _____ equipment?

_____ want to enhance _____ introduce _____ features into this _____ are _____ obstacles we _____ to _____ with?

Will there be _____ add _____ features on this _____ equipment?

_____ to _____ features _____ devices?

_____ there any restriction on _____ into this equipment?

_____ there a limit _____ improving telecom _____?

_____ there be _____ or _____ equipment in the near _____?

_____ the _____ of our telecommunications equipment?

Can we _____ restrictions on _____ new _____ this equipment?

_____ I expect any delays _____ features to your _____?

_____ there be _____ of our telecommunications equipment?

_____ limitations on expanding and enhancing _____?

_____ extending _____ improving _____ tools, _____ there a _____?

_____ it _____ for them _____ limit _____ new features to this _____ gear _____?

What _____ the limitations of expanding _____ new _____ telecom _____?

Can we _____ or _____ telecom equipment _____ the coming years?

_____ there be a limit _____ telecom _____?

_____ the restrictions to include more devices _____?

_____ features be _____ in the _____ equipment be expanded?

If we _____ to _____ introduce additional _____ into _____ equipment, are _____ any obstacles _____ overcome?

_____ are there any limitations?

Will _____ be _____ of telecommunications equipment?

_____ constraints on enhancing _____ integrating additional _____ onto _____ telecom gear _____ future

_____ the way of beefing _____ and adding _____ to your _____ contraptions?

_____ I expect any _____ features to my blasted _____ equipment?

_____ there _____ upgrade of the _____ in the future?

There _____ restrictions _____ the upgrade _____ telecom device _____ subsequent _____.

_____ increase _____ equipment and _____ features in the _____?

Is _____ any restrictions on expanding or _____ new _____?

Will _____ face limitations _____ to equipment?

_____ constraints be _____ adding new devices _____?

Do _____ a _____ extending or improving _____ tools _____?

_____ might _____ us from adding more _____ this equipment.

Is _____ any restriction _____ additional _____ this equipment?

_____ and expansions of this equipment _____?

_____ more devices or features _____?

_____ you _____ to _____ restrictions _____ comms gadgets?

There _____ be _____ to include _____ capacities _____ comms _____.

_____ it _____ they could limit _____ addition of _____ to _____ telecom _____ later?

_____ you going to _____ restrictions _____ the growth _____ gadgets?

What _____ exist for _____ or _____?

Is _____ a _____ the _____ to this telecom gear _____?

Can _____ be constraints _____ increasing _____ these devices _____?

Will _____ restrictions on _____ expansion of _____?

_____ there _____ restrictions _____ of this _____ in the future?

_____ going to impose restrictions on _____ these comms _____?

_____ there _____ addition or expansion?

What are the _____ comes _____ adding _____ telecom gear?

_____ and _____ telecom _____ have any _____?

____ future ____ telecom equipment ____ constraints, ____?
 ____ constraints ____ comes to enhancing ____ integrating additional ____ onto ____ telecom gear.
 There ____ hurdles ____ on these comms gears.
 Is there any restrictions ____?
 ____ there ____ limits on future ____ of ____?
 ____ in ____ new features to the equipment?
 ____ be ____ expanding or adding new features ____ the future ____ to ____ equipment?
 Will there ____ expanding or ____ new ____ into ____ equipment?
 Is ____ a ____ the ____ our existing ____ infrastructure ____ the future?
 ____ to ____ and include fresh elements ____ this telecom ____ in ____ future?
 Can new ____ be ____ to the ____ products?
 ____ it ____ to ____ devices ____ feature ____ this ____ later?
 Is ____ for augmenting ____ telecom equipment?
 They ____ possibly ____ addition of ____ features to ____ gear later ____.
 Will ____ be ____ constraints for ____ features ____ in the ____ future?
 Is ____ limitations ____ and adding new stuff ____ gear?
 ____ any limit to ____ new ____ products in the future?
 Can ____ any ____ expanding or adding ____ this equipment ____?
 ____ we ____ to enhance ____ introduce ____ features into the ____ there ____ obstacles?
 ____ growth be limited when ____ to modifying ____?
 ____ and additions to ____ telecommunications ____ subject ____ limitations?
 Can ____ any restrictions on ____ of ____ equipment?
 ____ the future expansions of ____ equipment ____?
 Expansion of ____ have ____ constraints.
 ____ possible ____ add ____ devices or features ____ telecommunications ____?
 Is ____ would ____ us from ____ more devices ____ features ____ the ____?
 ____ expansion of ____ equipment ____ to any limitations?
 Can ____ expect ____ restrictions on the ____ in ____ telecom equipment ____ line?
 There ____ any possible ____ integration ____ additional ____ onto ____ telecom ____ in ____ future.
 Can ____ restrictions on ____ features ____ this equipment?
 ____ future expansions and ____ of the ____ subject ____?
 ____ are ____ hurdles to include ____ capacities/features ____ gears.
 Are ____ any limitations on ____ features ____ on?
 Is it possible to limit ____ new functions ____ the ____?
 Is there any ____ on ____ enhancing ____ telecom ____?
 Is ____ a ____ on ____ and ____ gear later?
 ____ it possible to integrate ____ telecom ____ at some point?
 Is there ____ restrictions ____ expanding and ____ equipment?
 Does this ____ have any ____ on device ____?
 Can ____ any ____ on adding ____ devices ____ to this equipment in ____?
 ____ on future expansion of ____?
 ____ there ____ that might ____ us ____ in the future?
 ____ a limit ____ growing ____ enhancing this ____ gear?
 ____ there any limitations for ____ telecom ____?
 ____ it ____ expand or add ____ to ____ equipment ____ on?
 ____ there ____ limitations on the future expansions ____ equipment?
 Limits ____ telecom equipment?
 ____ the future expansions ____ constraints?
 Does ____ equipment ____ on ____ enhancements ____ updates?
 ____ on the future ____ of this ____ equipment?

Does ____ expansion ____ this ____ constraints?

____ possible to add more ____ or ____ on?

Is there a scope ____ growth ____ when ____ to ____ telecom infrastructure?

Can ____ from ____ devices or ____ the telecom ____ in the future?

____ have restrictions ____ device enhancements and ____?

____ restrictions on ____ new features into this telecom ____?

____ possible constraints when it ____ to ____ the ____ gear in ____ future.

____ there be ____ on ____ new features ____ this ____?

Will future growth ____ limited ____ it ____ modifying ____?

There ____ to include ____ on these comms ____?

There are possible ____ on ____ additional ____ this ____ gear.

____ be ____ we ____ to ____ telecom equipment ____ the future.

Is ____ limit ____ addition ____ new features to ____ gear later ____?

____ there be ____ adding additional devices to ____?

Will there ____ ability to ____ new ____ to the ____ equipment?

____ the growth of this gear?

Can ____ on the ____ of ____ components into this ____ in ____ future?

____ constraint on ____ or ____ addition?

____ on growing this telecom gear ____?

Is ____ on ____ of telecom tools?

____ there a ____ new ____ to ____ gear later on?

____ there be ____ ability to ____ features and devices ____ telecommunications equipment?

Does the ____ enhancements or updates?

____ it difficult to add new ____ the ____?

Is ____ a ____ adding ____ telecom gear ____?

____ are possible ____ when it ____ enhancing and ____ components ____ this ____ gear.

____ this ____ gear able to ____ the addition ____ new ____?

____ there any hurdles ____ including additional capacities or ____?

Do ____ any limitations for ____ and ____ telecom ____?

Is ____ expansions of ____ possible?

Is ____ a ____ expansions of this telecom ____?

____ anything we cannot ____ to ____ telecom ____?

____ any restrictions ____ incorporating new devices/features ____ equipment?

If we ____ to add ____ functions ____ equipment, are ____ obstacles?

____ are ____ adding additional devices ____ this equipment?

____ it ____ to add new devices ____ to ____ telecommunications equipment ____?

Can there ____ restrictions ____ expanding or ____ this ____ equipment?

Can ____ expect ____ challenges in ____ or ____ features ____ telecom equipment?

____ limitations on the ability to add ____ the ____?

____ it ____ include additional capacities ____ these comms ____?

____ are possible ____ for evolving and ____?

____ on adding devices to ____?

Can ____ expect any ____ or ____ features in this ____ equipment?

Is ____ to expand and ____ new devices ____ telecommunications equipment ____ the ____?

____ there be ____ in ____ new features to ____?

____ any ____ regarding expanding or ____ this telecom ____?

Can there ____ restrictions ____ expanding ____ enhancing ____?

____ any ____ on ____ or incorporating ____ into this equipment?

Is there ____ telecom equipment?

Any limitations for ____ and ____?

_____ expect _____ restrictions on adding _____ devices _____ features to _____ telecommunications _____?

Will _____ be constraints _____ additions?

_____ possible to _____ features and devices to the _____ equipment _____?

_____ technology restricted?

Expect some constraints _____?

_____ it _____ add new devices and _____ the _____ forward?

If we _____ enhance _____ extra _____ to _____ are there _____ potential obstacles?

_____ future _____ of telecommunications equipment

Will there be _____ the _____ add new _____ to this _____ moving _____?

_____ there _____ restrictions _____ device _____ updates?

_____ devices or features to _____ telecommunications equipment?

_____ any limit on _____ or device _____?

Is it _____ to _____ tools _____?

_____ any _____ of additional _____ onto this telecom gear?

Is there _____ to _____ telecom equipment?

_____ are the limitations _____ more _____?

Will _____ be any _____ our _____ features _____ devices to this equipment moving _____?

What are _____ to _____ features with this _____?

_____ we _____ or introduce extra functions _____ telecom _____ there any drawbacks?

_____ we _____ or enhance _____ soon?

_____ any _____ on _____ features to this equipment?

_____ there be _____ on _____ devices or _____?

_____ it possible _____ add devices _____?

Is _____ the upgrade _____ this telecom _____ in _____ future?

Is there a limit _____ growth of _____ telecom _____ new gadgets?

_____ be _____ limits _____ our ability _____ add _____ features _____ devices _____ our _____ equipment?

_____ change _____ upgrade this _____?

Is there _____ restrictions _____ add _____ this _____?

_____ any limitations when expanding _____?

_____ be _____ limitations _____ adding new _____?

_____ might be _____ on adding devices _____ the _____.

_____ are the limits _____ telecommunications _____?

Allowed _____ include _____ or _____ with this _____?

_____ be _____ us _____ adding more _____ or _____ to _____ telecom equipment.

_____ there _____ limits _____ future expansion _____ addition?

Is it possible to _____ new devices _____ to _____?

Is it _____ to _____ new devices _____ this _____ equipment _____?

_____ possible _____ add new devices _____ features to these _____ future?

Can there _____ restrictions _____ the _____ of this _____?

_____ any _____ be placed on the _____ new devices?

Can the equipment _____ expanded _____ have _____ features _____ the _____

Is _____ new _____ features to these telecommunications products?

Are you planning _____ making _____ beefing _____ these comms _____?

_____ are in _____ for adding devices _____ equipment?

_____ are possible _____ comes _____ and integrating additional components onto _____.

_____ are _____ to expanding and _____ stuff to _____ telecom _____.

Is _____ limit _____ enhancing _____ telecom gear?

_____ you planning on _____ restrictions _____ grow comms _____?

_____ be _____ on expanding the _____?

What _____ do we _____ on adding _____ to _____?

_____ we _____ on incorporating new _____ into _____ equipment?
 Do _____ of this _____ equipment _____ or limits?
 _____ you going to _____ growth _____ these comms _____ down _____?
 Can we _____ our existing telecom infrastructure at _____ the _____?
 _____ limitations _____ or adding _____ features to this equipment?
 Is _____ possible _____ or _____ to this _____ equipment in the _____?
 _____ the _____ expanded to include _____ in _____ future?
 Can this _____ expanded _____ new _____ in the _____?
 _____ new features and _____ in the future?
 Can we _____ restrictions on expanding _____ incorporating _____ into the _____?
 _____ expansions _____ equipment have constraints _____ limits?
 Is it possible _____ add _____ features later on _____?
 Will _____ be restrictions on _____ additional _____ to _____?
 Will there _____ on _____ expansion _____ in the _____?
 _____ we expect any restrictions _____ adding _____ or _____?
 _____ there _____ of growth limitation concerning the _____ into our telecom _____?
 _____ limitations for evolving _____ augmenting telecom _____?
 _____ there _____ limit to adding _____ or features _____ telecommunication _____?
 Is it _____ that _____ be _____ to add _____ to the telecom _____?
 _____ we expect _____ to be _____ on _____ expansion _____ this _____?
 _____ the _____ the _____ equipment constrained?
 _____ there _____ restrictions on adding devices to this _____?
 _____ any _____ when _____ this equipment?
 _____ there be _____ on the _____ device _____ the future?
 There _____ be _____ regarding the _____ this telecom _____.
 _____ be _____ adding _____ or devices in the future?
 _____ there any _____ or adding features _____ this _____ in _____ future?
 _____ you _____ the growth _____ comms gadgets _____ the line?
 _____ expanding telecom _____ with any _____?
 _____ add _____ devices _____ to this telecommunications equipment?
 _____ a _____ new devices or features _____ these products?
 Is it _____ that _____ regarding _____ upgrade _____ this _____ device in _____ future?
 Will _____ limitations on _____ and _____ to _____ equipment?
 What are _____ expansion _____ our telecommunications _____?
 Will there _____ adding _____ features or _____ with regard to _____?
 _____ the expansions and additions of _____ be _____ to _____?
 Will _____ be _____ expanding _____ enhancing this telecom _____?
 Can _____ restrictions _____ expanding or adding new features _____ telecommunications _____?
 _____ there _____ for expanding _____ new features with regard _____ this telecommunications _____?
 _____ limitations _____ for augmenting and _____
 _____ we _____ new features to this equipment?
 _____ obstacles _____ the way of adding _____ your _____ equipment?
 _____ there a limit _____ telecom tools?
 _____ there any _____ on _____ new _____ to this _____ the _____?
 Is _____ any restrictions _____ adding _____ to _____ telecom device in _____?
 _____ future _____ telecom equipment face _____ and limits?
 Are you planning to _____ restrictions _____ the _____ these _____?
 Is there _____ hurdles _____ additional _____ on _____ gears?
 What restrictions are _____ for _____ devices _____?
 _____ the _____ to _____ have _____ features added in the future?

Do the _____ of _____ equipment _____?

_____ there _____ restrictions on _____ the equipment?

Is it _____ problem _____ integrate _____ gadgets into _____ telecom infrastructure _____ the future?

_____ it possible to _____ features _____ to this _____ later _____?

_____ of this _____ equipment _____?

Will _____ expansions _____ constraints and limits?

_____ possible _____ additional _____ or features _____ this _____ in the future?

Does _____ equipment have restrictions _____ and _____?

Can there be _____ for _____ new features with _____ to _____?

_____ are any limits on _____ of _____?

Can we _____ gear?

_____ it possible _____ include additional capacities on _____?

_____ there _____ any restrictions _____ upgrade of this telecom _____ subsequent _____?

Will there _____ constraints on _____ or _____ new _____ in _____?

Is _____ restrictions on _____ new devices _____ equipment?

There _____ be _____ in including _____ comms gears.

Is it possible _____ new _____ the _____ infrastructure?

Will we _____ new _____ and devices _____ this telecommunications _____?

What _____ limitation _____ augmenting and _____ equipment?

_____ are _____ constraints when expanding _____?

_____ increasing the capabilities of these devices.

Will adding new _____ face _____ constraints _____?

Is there _____ in _____ devices _____ this _____?

_____ we _____ or _____ this gear in _____?

_____ to add more devices _____ features _____?

_____ this telecom equipment _____ limitations?

Is _____ add _____ devices or features to the equipment _____?

Will there _____ in including additional _____ comms _____?

_____ it _____ or _____ telecom tools afterwards?

_____ you _____ to _____ restrictions on _____ or beefing up _____?

Is it _____ add more devices _____ to the _____?

What are _____ limitations _____ evolution?

_____ could _____ on the increasing _____ devices later.

_____ there be _____ placed _____ ability _____ add new features to _____?

_____ a limit _____ expanding _____ telecom _____?

Is there _____ or improving _____ tools after?

Are there any _____ expansion _____ telecom gear?

Can _____ on increasing the _____ of _____ devices _____?

_____ we _____ on _____ new features to this _____?

_____ there anything _____ might prevent _____ adding _____ features and _____ equipment?

_____ there a _____ with _____ on this sorry _____ gear down the _____?

_____ be able _____ add _____ features and devices _____ our _____ future?

_____ this equipment _____ device enhancements _____?

_____ restrictions on adding new devices _____ the _____ equipment?

_____ restrictions _____ device enhancements _____ updates?

_____ there _____ any constraints on _____ and integrating _____ components _____ this _____?

_____ there _____ future expansion for _____ equipment?

There _____ constraints on _____ and integrating additional _____ the telecom gear _____.

_____ may _____ on _____ additional components onto this telecom _____ the _____.

_____ possible _____ the _____ of new capabilities to this telecom _____?

_____ constraints _____ integrating _____ components into this telecom gear in _____ future?

Can _____ expect any problems _____ add _____ to my blasted _____ future?

_____ there be any limits _____ future _____ comes to _____ apparatus?

There may be _____ on _____ this _____ soon.

Any limits _____ expansion of _____?

_____ on adding more devices _____ this equipment?

_____ we expect _____ restrictions on incorporating _____ into _____ equipment?

_____ there any _____ adding new _____ the equipment?

Do there _____ enhancing this telecom gear?

They might _____ able to _____ the _____ of _____ features _____ telecom _____.

_____ there _____ restrictions _____ devices into _____ equipment?

Can I expect any _____ in _____ future _____ to _____ features _____ your _____?

Will there be restrictions _____ incorporating _____ equipment?

Is _____ a _____ on _____ more _____ on?

What _____ you _____ about adding new stuff _____?

Can we _____ restrictions on _____ new features _____ the _____?

Can there _____ on _____ or _____ telecom gear?

_____ any limits on _____ for this _____?

_____ any _____ features to this equipment later?

Is _____ restrict _____ new functions to this _____ gear later?

Can we add _____ in _____ future?

Is there a _____ expansion _____ gear?

_____ there any restrictions _____ integrating _____ onto _____ telecom gear in the _____?

What _____ limits _____ future _____ of our _____ equipment?

Will _____ any restrictions on the _____ device in the _____?

_____ limits _____ the expansion of _____ telecommunications equipment?

_____ it possible to limit new features _____ gear _____?

_____ it _____ to _____ devices or _____ to these _____ products?

_____ there _____ for expanding or _____ new features _____ near future?

_____ it _____ devices or features later on _____ this _____?

_____ this _____ expanded in _____ or have new _____ added?

_____ obstacles in _____ way of _____ or adding _____ to your blasted _____?

_____ wonder if _____ restrictions _____ the _____ of this telecom _____ in _____.

_____ possible _____ add additional devices _____ to _____ equipment later?

There _____ any _____ including _____ capacities on these _____?

_____ up and _____ stuff _____ contraptions, _____ there any hurdles ahead?

_____ any limitations on the _____ expansion _____ equipment?

_____ there any _____ the way of beefing _____ stuff into _____ contraptions?

Will _____ be obstacles _____ way of _____ putting newfangled _____ your commotion _____?

_____ are any restrictions on _____ more devices _____.

Does _____ devices _____ equipment have any limitations?

There might _____ on _____ of _____ telecom device _____ future?

_____ the _____ and addition of _____ equipment _____ to _____?

_____ there _____ limits on _____ future expansions _____ equipment?

_____ expanded or have _____ features _____?

If _____ to enhance or _____ functions _____ this _____ there _____ obstacles we should _____ aware of?

_____ limit to adding new _____ or _____ to telecommunication _____?

Can you _____ the deal with _____ stuff to _____ gear?

Is there a _____ on improving _____ tools _____?

_____ a _____ growth limitation in regards to _____ gadgets _____ telecom infrastructure?

Will there be _____ on the _____ to add new _____ forward?
Can _____ be _____ or _____ devices _____ this telecom equipment?
Can _____ expect trouble _____ when trying to _____ to your _____?
_____ telecom _____ could face constraints.
_____ limitations in _____ new features?
_____ future expansions of this _____?
Will there be _____ expansion of _____ devices _____ regard _____ this _____ equipment?
_____ be _____ for adding new features _____ in _____ future?
Can _____ be limits to adding _____?
_____ it possible to _____ new _____ or _____ regard to the _____?
Can _____ and _____ new features added in the _____?
There are possible constraints _____ additional components into _____ the future
Is there a scope _____ for integrating _____ into _____ infrastructure?
Are _____ considering putting _____ on growing _____ these _____ gadgets?
_____ about expanding and adding _____ the telecom _____?
Is there any restriction on _____ this _____?
_____ possibilities of constraints _____ enhancing _____ integrating _____ components _____ telecom gear in _____.
_____ to _____ new stuff to the _____ gear?
_____ it _____ to _____ additions of _____ features _____ this telecom gear _____?
_____ a limit _____ boosting _____ telecom _____ later?
Can _____ equipment be expanded _____ new _____ the _____?
_____ expect any restrictions on _____ or _____ new _____ into this equipment _____?
There might _____ enhancing telecom gear.
Will _____ any limitations on _____ expansion and _____ this _____?
Is _____ possible to limit the _____ to _____ telecom _____?
Will _____ be _____ the _____ of these _____ later?
Is _____ anything _____ do _____ features _____ this telecom equipment?
_____ constraints for _____ new _____ the telecommunications equipment in the _____?
_____ the equipment have _____ include _____?
Will _____ addition _____ new _____ or _____ face _____?
_____ it possible for this _____ gear _____ be _____?
Will _____ additions of _____ be _____ to limitations?
_____ we expect _____ on expanding or incorporating _____ devices _____?
_____ have _____ for improving _____ tools after?
_____ constraints on new _____ or _____ down the _____?
_____ there _____ the _____ of _____ telecom device _____ the future?
Can _____ be a _____ enhancing _____ telecom gear later?
_____ there _____ restrictions on adding _____ to this _____?
Can _____ be any constraints _____?
_____ be limitations on our _____ to _____ new _____ and _____ equipment _____ forward?
_____ there _____ to include additional _____ these comms _____?
Is _____ to add _____ or features _____ equipment in _____ future?
Is there _____ way we can't _____ devices _____ telecom equipment?
Will there be any _____ on _____ add new _____ equipment _____ forward?
Can we _____ change _____?
_____ you _____ putting restrictions _____ the _____ of _____ gadgets?
Can we expect _____ on _____ the equipment?
Is it _____ problem _____ integrate new _____ the existing _____?
_____ on _____ of _____ equipment?
_____ to _____ more _____ or _____ with this _____?

_____ be restrictions on expanding _____ enhancing this _____.
 There are _____ constraints _____ enhancing and _____ onto this _____.
 Is there anything _____ prevent _____ from _____ features _____ this equipment?
 _____ constraints on increasing the _____ these devices _____?
 _____ are _____ on enhancing _____ integrating _____ components on this _____ the future.
 Can _____ new devices to this equipment?
 Is _____ of growth limited _____ into our existing telecom _____?
 Is there limitation _____ more _____ equipment?
 What _____ the limitations _____ and _____ to telecom gear?
 _____ there be limitations _____ and _____ equipment?
 _____ limitations on _____ features _____ equipment?
 Are you planning on _____ comms _____ the road?
 Can we expect _____ restrictions on adding _____ to _____?
 _____ there _____ on _____ adding _____ features or devices _____ the future?
 Can it _____ expanded or _____ new _____ future?
 Will _____ to telecommunications?
 There _____ restrictions on adding _____ to _____.
 _____ be _____ of _____ elements _____ this telecom device in the future?
 _____ possible _____ include more _____ on these comms _____?
 Is _____ equipment _____ in _____ enhancements _____?
 _____ there a limit to _____ expansion _____ telecom _____?
 _____ to integrate _____ gadgets _____ the existing telecom _____?
 Is _____ a limit to _____ gear _____?
 _____ able to add _____ features _____ devices _____ the _____ the future?
 Can we _____ restrictions on _____ or _____ devices?
 Is _____ possible _____ new features _____ devices to this _____ the _____.
 Can there be _____ on _____ into this _____?
 _____ are the _____ for _____ telecom equipment.
 Add devices _____ equipment?
 _____ constraints _____ new features and _____ in the future?
 Will _____ future _____ telecom _____ have _____?
 _____ possible to _____ devices to this _____?
 _____ the _____ equipment's future _____?
 Are _____ restrictions _____ and enhancing this _____?
 _____ limits are _____ regarding the _____ of _____ equipment?
 Is _____ expanded or have new features added _____ the future?
 _____ any _____ on adding _____ to this telecom _____?
 Is there _____ adding new _____ or features _____ this _____ future?
 _____ add or _____ gear?
 _____ possible _____ fresh _____ onto this telecom device in _____?
 _____ anything that _____ adding _____ devices _____ features to this equipment?
 _____ there _____ on _____ to the _____?
 Is _____ anything _____ stop us _____ adding _____ in the _____?
 _____ of this _____ equipment encounter _____?
 _____ a scope of _____ limitation related to _____ into our _____?
 Will future growth _____ modifying the apparatus?
 Is it possible to _____ and _____?
 If _____ want to enhance _____ extra functions _____ any obstacles to _____?
 _____ want to enhance or _____ to _____ telecom equipment, _____ any possible _____?
 Future _____ telecom equipment _____ face _____.

Are there any _____ and _____ this _____ gear?

Will there _____ on _____ to _____ new _____ this _____ moving forward?

Future _____ towards _____?

_____ equipment _____ restrictions _____ device _____ and updates?

Can _____ the addition _____ functionalities to this telecom _____?

Will _____ any _____ of expanding or adding features _____ your blasted telecom _____ in _____?

_____ constraints _____ future _____ device addition?

Can there _____ cap on _____ or improving _____?

_____ be _____ on expanding _____ telecom gear?

Will _____ expansions of _____ equipment _____?

_____ limit _____ expanding or adding _____ this equipment?

_____ the _____ expanded or features _____ later _____?

Can there _____ enhancing _____ integrating additional components into _____?

_____ we want _____ introduce _____ features _____ this _____ equipment, _____ there any _____ we have _____ contend with?

_____ we _____ restrictions _____ expanding or incorporating _____ features into _____?

Can _____ be any _____ expansion for _____ equipment?

_____ possible _____ integrating _____ components into _____ gear in the future.

_____ allowed to add _____ to this _____?

Limitations _____ add _____ features _____ this equipment?

I _____ are _____ restrictions _____ the upgrade of _____ device.

_____ there _____ limitation _____ integrating _____ into our telecom _____?

Will _____ be limits _____ comes _____ modifying the apparatus?

Can _____ equipment _____ expanded _____ new _____ added?

_____ it _____ or _____ a new _____ added in _____ future?

_____ planning _____ putting _____ growth of these _____ gadgets?

Are there _____ restrictions on expanding _____ devices into _____?

Will _____ expansion _____ of this _____ be _____ to any _____?

_____ limit _____ adding new _____ or _____ in these products?

Is there _____ scope _____ if we _____ new _____ into our existing _____?

_____ don't know if this _____ restrictions _____ device _____ updates.

Will _____ be _____ on _____ expansion of this _____?

Is _____ possible for _____ add _____ telecom equipment?

Is _____ possible _____ new features to _____ the future?

Is _____ problem _____ additional _____ on these _____ gears?

_____ new devices or _____ added to _____ products going _____?

_____ expanding this telecom _____?

_____ might be _____ to _____ the addition _____ functions to _____ telecom gear _____.

_____ there any restrictions regarding _____ this _____?

Can there be restrictions _____ expanding _____ incorporating _____ this _____?

Will _____ able _____ and add new features?

What are _____ restrictions _____ more _____ to this _____?

Is _____ to add new _____ or features _____ the _____?

_____ are there when _____ equipment?

_____ of growth _____ relating to integrating _____ into our _____ telecom infrastructure?

_____ any _____ on new _____ or devices in this _____?

Can _____ expect _____ see restrictions _____ devices _____ this equipment?

Can _____ any _____ on _____ use of _____ in _____ telecom equipment?

Can _____ expect _____ restrictions _____ incorporating _____ into _____ equipment?

Will there _____ constraints _____ equipment?

_____ expansion and _____ equipment be subject to _____?

Will there ____ constraints for ____ in ____ near ____?

Will there be ____ limitations on ____ ability to add ____ features ____?

Is it possible to ____ or ____ these ____ products.

If we want ____ add ____ features to ____ are there ____ obstacles ____?

Is it ____ to ____ improve this ____ later?

____ there any ____ on ____ or ____ to this equipment ____?

Is it ____ to ____ devices or ____ the telecommunication ____?

Is it ____ to ____ new ____ or features ____ equipment ____ future?

____ there ____ any constraints ____ new ____ or features?

Is there ____ we ____ to ____ more ____ features to ____ telecom ____?

Is it ____ add new ____ to ____ the future?

____ be ____ on the ____ to ____ and add new features ____ equipment?

____ equipment ____ enlarged or have new features ____ future?

Is ____ possible ____ or ____ telecom gear soon?

____ it possible ____ devices to ____ telecommunication ____ going forward?

____ planning ____ restrict the ____ of ____ comms ____ down the ____?

____ scope of growth ____ for integrating new gadgets and ____ telecom ____?

____ additions of ____ equipment ____ subject to limitations?

____ there be restrictions ____ incorporating ____ devices into ____ equipment?

____ are the ____ for ____ equipment?

____ possible ____ incorporate new gadgets/features ____ telecom infrastructure at ____ the future?

____ the limitations ____ evolving ____ telecom equipment.

____ possible ____ include new ____ or ____ this telecommunications equipment?

____ you planning ____ put restrictions ____ or increasing ____?

____ there be limitations on our ____ to add ____ forward?

What's the ____ and augmenting ____?

Will ____ be ____ adding ____ this equipment ____ the future?

Is it ____ to ____ equipment?

Is ____ possible to add ____ and ____ equipment later?

____ future expansion of ____ equipment?

Is it possible ____ integrate new ____ our ____ some ____ in ____ future?

Could ____ be any ____ on the ____ of ____ telecom device ____?

Is ____ any ____ the ____ that are ____ to this ____?

____ of growth ____ for the integration of ____ our existing telecom ____?

Can ____ be ____ limitations on ____ expansion ____ equipment?

____ it a ____ integrate ____ gadgets/features ____ existing telecom infrastructure?

____ it ____ to limit ____ addition of ____ features to telecom ____?

Can ____ expect ____ expanding or adding ____ telecom equipment?

Will ____ able to ____ new ____ to the ____ the ____?

What ____ limitations of ____ and ____ telecom ____

Will ____ on expanding or adding new ____ and ____ in ____?

Can ____ to have ____ expanding or adding ____ to your ____ future?

____ any restriction in adding ____ equipment?

____ are ____ constraints on enhancing ____ integrating additional ____ onto ____.

Can I ____ any ____ in the way of adding ____ telecom ____ in ____?

Will there be ____ constraints on ____ of ____?

____ possible ____ or expand ____ telecom gear?

____ we want to enhance or ____ additional functions ____ telecom equipment, are ____?

Future ____ to ____?

____ expansion ____ equipment, what limits ____?

____ are the limitations ____ include ____ devices ____ ?
 ____ constraints on enhancing ____ integrating ____ onto ____ gear in ____ future.
 ____ there any ____ adding features ____ this ____ later?
 Do ____ this ____ encounter constraints?
 ____ the ____ of ____ apparatus be subject ____ restrictions in ____ ?
 Any restrictions on ____ to ____ ?
 Will there ____ limitations on ____ to add new ____ this telecommunications ____ ?
 ____ there ____ restrictions on ____ or enhancement ____ this ____ ?
 What ____ limits for ____ expansion ____ telecommunications ____ ?
 Can ____ expect ____ adding new features ____ this equipment ____ ?
 ____ adding more devices down the line?
 There ____ for enhancing and integrating ____ components ____ gear in ____ future.
 ____ a ____ on ____ or features to these products?
 Can this ____ be ____ features ____ ?
 Can it ____ have new ____ added ____ future
 ____ we want to enhance or ____ extra ____ into this ____ are ____ any ____ to ____ ?
 ____ there ____ limits to ____ equipment?
 Is ____ any ____ expanding or adding ____ this equipment ____ ?
 ____ that equipment has ____ on ____ enhancements ____ updates?
 There ____ constraints on ____ and ____ additional components ____ telecom ____ future.
 ____ wonder ____ are ____ or enhancing this telecom gear.
 Can ____ the future expansion ____ this telecom ____ ?
 ____ be restrictions on expanding ____ incorporating ____ into ____ equipment?
 ____ they ____ to ____ addition ____ new ____ to this ____ gear later?
 ____ might ____ on ____ of the ____ device ____ the future.
 ____ there Limitations ____ or features with ____ equipment?
 Will there ____ on ____ ?
 Will ____ features face any constraints ____ line?
 If ____ to enhance or ____ features into ____ equipment, ____ potential obstacles?
 Can ____ or ____ to this ____ in the future?
 ____ be restrictions on adding additional ____ this ____ .
 ____ putting ____ on the growth ____ comms gadgets down ____ line?
 ____ it possible to ____ new features ____ devices ____ the ____ future?
 ____ possible ____ expand ____ add new features to ____ equipment?
 Is ____ limits on the ____ of ____ equipment?
 Any restrictions on ____ equipment?
 ____ possible to expand ____ add new features ____ to this ____ ?
 Is ____ constraints ____ expanding this ____ ?
 Can ____ be expanded ____ added ____ new ____ ?
 ____ restriction ____ expanding or ____ this telecom gear?
 Is ____ about ____ devices to this ____ ?
 ____ possible ____ more ____ gear later?
 Future ____ telecom equipment may ____ .
 Can ____ any restrictions ____ expanding or ____ into the ____ ?
 ____ we have ____ on ____ or improving ____ tools?
 ____ there be ____ expanding ____ enhancing telecom ____ soon?
 ____ there be any ____ the upgrade of the ____ the ____ ?
 Is there ____ restrictions on the ____ or ____ of ____ ?
 ____ be constraints ____ expanding or ____ new devices in ____ ?
 ____ there ____ limit ____ the ____ telecom tools?

Limitations to add ____ devices ____ the ____?

What ____ the ____ expanding and adding ____ stuff ____ this ____?

Would there ____ on ____ enhancing this ____ gear?

Is ____ anything we ____ to ____ aware of if we want to ____ or ____ features ____?

____ there any ____ to augmenting or ____?

____ for ____ expansion of ____ equipment

They ____ able to ____ the addition ____ new ____ this telecom ____.

____ we expand this ____ new ____ in ____ future?

Is ____ a ____ growth ____ in integrating new ____ our ____ telecom ____?

Are ____ features to this equipment?

Can ____ upgrade ____ this gear in ____ future?

____ it ____ for us ____ enhance or introduce extra ____ into ____?

____ beefing ____ and ____ newfangled ____ your ____ contraptions, are there any ____?

____ there ____ on the ____ of telecom ____?

____ planning to restrict ____ growth of these ____?

____ there ____ restrictions on ____ gear?

____ there ____ on ____ and enhancing ____ gear?

Increasing ____ these ____ later ____ have ____?

If we want ____ or introduce additional ____ into ____ equipment, ____ we have ____ contend with?

____ there ____ on ____ additions?

Can ____ devices ____ to ____ equipment ____?

Is there a ____ to ____ the telecom ____ because ____ new ____?

Is it possible that ____ will ____ be ____ add ____ features ____ this ____?

____ there ____ including additional capacities on ____ gears?

Is ____ a ____ for ____ telecom ____?

Might ____ the upgrade of ____ device in ____ future.

____ there a ____ on the ____ telecom ____?

If ____ to enhance ____ extra ____ this telecom equipment, ____ there any ____?

____ there ____ limit ____ the telecom ____ later?

Is it ____ to ____ or features ____ these ____ forward?

____ restrictions ____ expanding or ____ the telecom gear ____.

____ any ____ on ____ or ____ to this telecom equipment?

____ new ____ to ____ be restricted.

____ limitations to ____ features with this equipment?

____ constraints be ____ when ____ new ____?

____ it possible to expand ____?

____ be ____ on ____ upgrade ____ this telecom device.

Is ____ expansion for this equipment?

____ planning to ____ of ____ comms gadgets?

____ restrictions ____ expanding or incorporating new features ____ this ____?

Is there ____ limit ____ or features ____ this ____ in ____ future?

Will there be ____ features in the ____?

Can more ____ be ____ this ____?

____ there ____ on our ability ____ add ____ features on ____ telecommunications ____?

Can ____ equipment be ____ or ____ features ____ in ____ future?

____ on ____ to the equipment?

Should there be ____ to ____ equipment?

Is it possible to ____ devices ____ to ____ telecommunications ____.

____ there ____ any ____ in the ____ of us ____ extra ____ into this ____?

____ are any ____ in ____ features on these ____?

_____ anything that _____ stop us _____ more _____ or features _____ the _____?

_____ it possible _____ integrate _____ our existing telecom infrastructure _____ a _____?

There _____ possible constraints _____ comes _____ additional _____ to _____ gear in _____ future.

Will _____ expansion and _____ of _____ be _____ to _____ limitations?

_____ have limits _____ device _____ updates?

There _____ hurdles _____ features on _____ comms gears?

What are the limitations _____ pieces _____ gear?

There may be constraints _____ the _____ of _____ components _____ telecom _____ in _____.

_____ it possible _____ new _____ or _____ to this _____ equipment _____ future?

Is _____ equipment _____ on _____ enhancements _____?

_____ there _____ any _____ upgrade of _____ device in the future?

I wonder _____ regarding the upgrade _____ this telecom _____ in _____ years.

_____ to this equipment subject _____ limitations?

If we _____ to _____ or introduce _____ functions _____ telecom equipment, are _____ any _____ to _____ with?

Do _____ on device enhancements _____?

With regard _____ this _____ equipment, _____ there _____ constraints _____ features?

_____ there _____ placed on our _____ add _____ features _____ this equipment?

_____ there _____ on future _____ of _____ equipment?

_____ the _____ of _____ telecom equipment _____?

_____ equipment _____ expanding _____ adding features later on?

_____ be restrictions on _____ or _____ telecom gear.

Will there _____ constraints _____ new _____?
